

Thank you 3851

Chapter 3851: wen yuan, you're so cruel (1)

bai suili had brought bai anan to new York once. because of the special plane, they had brought a lot of things from B city and stayed there for a few days to accompany wen yuan.

Everyone in the ye family knew about Wen Yuan and ye Mubai's relationship. They had all been to the hospital before. However, Wen Yuan did not speak much at that time and no one dared to force her to speak.

Ye mu Bai had been slapped twice by ye zhenggang, and the scumbag finally got his courage back. "Is your wife and child more important or is the woman you like more important? your wife said that she's not feeling well and you still want to leave. If you don't like her, why did you marry her? why didn't you do a test tube? Oh, you just want to have fun, right? anyway, the woman you like is getting married. It doesn't matter who you marry. Is that what you think, you bastard?"

Ye mu Bai didn't say anything, but ye zhenggang was sure of it and scolded him.

It was su Fu who pulled him away. They all felt sorry for Wen Yuan and were even more worried about xiangnan and the child in Wen Yuan's stomach. They were afraid that Wen Yuan would be disappointed in ye Mubai and give up on the child in his stomach.

however, not only did wen yuan wake up, but the child was also saved.

...

However, everyone could see that the expression in her eyes was different. The way she looked at ye mu Bai was no longer filled with love. Instead, it was calm and composed. She had returned to her original self.

bai suili was really afraid that they would get a divorce. it was a dilemma for her. sisi was her friend and wen yuan was also her friend or family. if wen yuan and xiao bai got a divorce, sisi would be in a difficult position.

she was a passive party who had been involved in a car accident. sisi had nothing to do with ye mubai's mess. she wanted to speak up for sisi, but wen yuan could tell. he poured her a cup of flower tea and whispered, " "The matter between us has nothing to do with anyone else. It's our own problem."

bai suili became sad again, biting her lip and looking at her.

wen yuan smiled slightly. " don't blame her. "

"wen yuan," Bai suili reached out and pulled her hand. I'm a little sad that you're like this.

"silly girl, why are you so sad?" Wen Yuan smiled faintly and reached out to pinch Bai suili's face, " "Why are you still crying? you're already so big. No wonder ye Mulin always says that you're still like a child. He said that he has two children. An 'an is more sensible than you."

"he said so." Bai Xiuli said in a soft voice, then bit her lip and kept quiet.

It was rare for her to come and Wen Yuan's mood improved. you're not convinced? aren't you being so willful just because he likes you? "

Bai Sulli couldn't help but complain, " I didn't. You don't know how difficult it is to deal with old men. He said it for my sake, but it's all because of his own bad taste. Wen Yuan, you don't know ye Mulin. It's just that Qianqian has no moral integrity.

Wen Yuan smiled and then started chatting with her. Bai suili felt that Wen Yuan was a good person and was quite normal. How did he end up like this with old Bai?

Before she left new York, she and ye mu Bai had a chat at a small bar outside.

Ye mu Bai had been smoking, probably because he had let loose outside. Wen Yuan looked at his frowning face and pursed his lips. "old bai, you weren't like this before."

She had chased after old white before. He used to have no desires and lived like a monk. Later on, he only had feelings for Lin sisi. It was not bad, but sisi liked Gu ze. She was hurt all over and her heart was still with Gu ze. There was no other way.

Chapter 3852: wen yuan, you're so cruel 2

wen yuan was the surprise of everyone.

bai sulli took a sip of the cold beer and felt great, but she only dared to drink a small glass.

She lowered her eyes and said softly, " old Bai, I used to be envious of Wen Yuan. She did something that I couldn't do in the past. You see, I've been pursuing you shamelessly for so long but I didn't get anything. Wen Yuan is different. She's with you now. She's so powerful in my heart but she was lying in bed and almost lost her child. I've been thinking whether it's because Wen Yuan is no longer powerful or because you don't love her anymore.

"who knows!" ye mu bai smiled.

you know very well what she's thinking and doing now. It's a good thing that she's learning how to arrange flowers and make tea, but she's no longer in your world, old Bai. bai suili emphasized, " aren't you worried at all? "

Ye mu Bai stared into her eyes and smiled bitterly. Xue Li, is there any use in me being anxious? I treated her well and I almost never went out, but Yingluo ..."

...

He cupped his good-looking chin and lowered his voice."But she still wants to leave."

That's right, she wanted to leave. He could tell that her heart was no longer with him. It could be that she had other dreams, not him.

After he finished speaking, he took a deep puff of his cigarette and drank a glass of cold beer.

After drinking it, it was very comfortable and he wouldn't have a fever.

He gently closed his eyes. Shirley, I don't know how to treat her. I'm afraid that she'll still leave after I use all my strength.

"you can keep her," bai suili reached out and knocked his head. "you're not like the xiao bai i know. you're the ye mu bai she's been in love with for many years. wen yuan is only temporary. believe me, she cares about you."

ye mu bai leaned against the back of the chair and muttered,"i care about wanwan."

He let out a long breath. When he raised his head, the corners of his eyes were a little hot. He couldn't explain the feeling, and it was very complicated.

Bai suili looked at him and found that old Bai had changed. He wasn't like this before. He was very calm and calm, and even when he said he would let go of sisi, he would let go of her. The only reason he had changed was because of Lao Ai.

old Bai, "she said softly, "have you ever thought that you might like Wen Yuan a lot? or have you fallen in love with him?"

only when you love someone would you feel the pain of not being able to get what you want, and lao bai's current state was like that.

ye mu bai stared at her for a long time before he let out a long sigh. "perhaps."

"it's good that you've admitted it. wen yuan is still your wife. you should get her back. you have two children." Bai suili said in a low voice, encouraging him.

Ye mu Bai pursed his lips and gave a faint smile.

"i'll send you back to the hotel," he said as he stood up.

She did not live in the apartment mainly because it was inconvenient. She had chased after Lao Bai for 18 streets in the past.

Bai suili saw that it was getting late, so she took her bag and asked him to send it to the hotel.

It was already ten O'clock at night when ye mu Bai returned to his apartment from the hotel. Because Bai suili was there, Wen Yuan's tea art class had been pushed to the back of the day. He was still in class at ten O'clock.

he threw his car keys to the ground and looked at her. "are you still in class?"

wen yuan was making tea with a young female teacher. the female teacher was also chinese and was less than 30 years old. she was very beautiful and wore a long white dress. her black hair was long and straight, and she had a kind of classical beauty.

Chapter 3853: Wen Yuan, you're so cruel (3)

ye mu bai was a director. he took another look at wen yuan but did not say anything. he changed his shoes, leaned over, and kissed wen yuan's forehead. " don't stay up too late. i'll go take a shower first. "

Wen Yuan did not resist his intimacy. She was willing to give him some face in front of outsiders. Hence, she smiled slightly and watched him enter the bedroom.

He didn't greet the young female teacher because there was no need.

however, the female teacher looked at his back and asked wen yuan casually, " mrs. ye, you have a good relationship with mr. ye. "

"It's alright," Wen Yuan smiled.

She did not want to talk about ye mu Bai, so she changed the topic. teacher song, try this.

...

Song Yu retracted her thoughts and took a sip, ” “it’s not bad!”

However, her gaze drifted towards the master bedroom. Wen Yuan just looked at her quietly without saying anything.

from song yu’s point of view, the 600 square meters mansion in the prime section of the road, the handsome man, the pregnant wife, and the fact that she could come over at any time, all of these gave her a chance.

Song Yu was a 28-year-old girl who had dated twice. However, both of them were men who had worked hard with her. They could not give her the life she wanted. When she was with a man like this, even if she wore beautiful clothes, she would not be able to live in a place that was less than 20 square meters.

this was not the life she wanted to live. she was young, beautiful, and noble. she did not want to go to those places.

now, ye mu lin had given her a lot of space to fantasize about, and she could not wait to have him.

In the next few days, ye Mubai realized that the chances of him meeting this teacher song had increased. Whenever he came back from the office opposite to visit Wen Yuan, he would always see Song Yu at their house. He then asked the servants at home, ” why does the tea art teacher always come? ” Don’t we only have one and a half hours of tea art classes every day?”

the servant thought for a moment. ” miss song seems to have come more often these days. however, she said that she and madam are very good friends. ”

she paused for a moment. ” sir, it’s not good for us to interfere in madam’s matters as servants. ”

ye mu bai did not say anything and went to the study.

he took a few documents and was originally going back to the studio, but he didn’t plan to go back now. he stayed in the study to look at hanhan.

after looking for a long time, a strange voice came from the door, ” “Mr. Ye, would you like a cup of tea?”

Ye mu Bai raised his head and looked at Song Yu quietly. where's my wife? ”

He was a little displeased because he didn't like people entering his study, let alone a strange woman.

Song Yu was dressed in white as usual. She wore a shoulder-length knitted top and a chiffon skirt at the bottom. She was pretty and knew her place. She was a woman who knew how to dress up and manage herself well. She could live whichever way she wanted. She knew that men in high society needed to know themselves, just like Mr. Ye.

the couple seemed to have a good relationship, but after a long time, they realized that it was terrible. she dared to bet that mr. ye was a man who had not had sex for a long time. the relationship between a man and a woman could be seen from his body. it was the first time she saw him kiss his wife. although wen yuan did not push him away, his body was very stiff.

all of this gave song yu an excuse.

she told herself that she was not wrong. she was not wrong in getting close to ye mu bai. this was a man who could not get the warmth of his wife. she was only giving him a little warmth and then getting what she wanted. they were both just taking what they wanted.

Chapter 3854: Wen Yuan, you're so cruel (4)

at that moment, ye mu bai asked. song yu smiled and said, ” Wen Yuan said that she was a little sleepy and wanted to sleep for a while. I thought that it would be a pity to leave the tea we brewed alone, so I wanted to bring it over for Mr. Ye to try.

she knew when to advance and when to retreat. she didn't enter immediately, but stood at the door.

What kind of man was ye mu Bai?

There was a long line of women who used to chase after him from here to France. There was only one song Yu. He was disgusted by such a stupid way of hitting on her. Furthermore, he had a wife and a son now. Wen Yuan was her student. He had spent a lot of money to hire her to teach him, but the woman in front of him only wanted to climb into his bed.

Was Wen Yuan that stupid?

However, he knew very well that Wen Yuan was not that stupid and she could tell. Yet, she had allowed such a woman to stay in their house. What was Wen Yuan trying to do?

...

ye mu bai narrowed his eyes and said indifferently, "I don't like to drink tea. Thank you, miss song."

Song Yu was a little embarrassed. She did not expect him to be so unreasonable, even though he was usually a very gentle person.

however, she was not willing to give up. she still wanted to try, so she smiled again. "then, mr. ye, do you like coffee or something else? do you want me to make it for you?"

"i don't need it," ye mu bai said calmly. "besides, you're the tea art teacher that wen yuan hired. you should focus your energy on teaching and not pay too much attention to her husband."

song yu was embarrassed as she stood at the door.

"you're fired." he paused.

song yu's face was filled with disbelief and her lips trembled slightly, "why?"

"don't you know why?" "miss song, if there's nothing else, you can leave," he said calmly.

song yu's expression was as if she had been insulted. she bit her lip and stared at ye mu bai."mr. ye, i don't know what i did wrong!"

ye mu bai stood up and slowly walked in front of her. he looked down at her from above and said in a very soft voice, ” ” ever since i was 20 years old, many women have been pursuing me. i won’t criticize them, but i have a wife now. miss song, i’m in awe of your values. do you think i’ll still let you stay at my house? ”

song yu could not deny that he was being so direct.

she bit her lip and wanted to leave. however, she saw wen yuan standing at the door of the bedroom and looking at them from the corner of her eyes. song yu rushed forward and hugged ye mu bai tightly as if she was betting everything on this.

Ever since she was young, there were countless men who had feelings for her, but no man had ever treated her like this. He was completely merciless. Even if she couldn’t have him, she didn’t want him to live well.

He was too detestable.

Ye Mubai furrowed his brows and immediately saw Wen Yuan who was sitting opposite him. Wen Yuan seemed to be hurt. He immediately pushed Song Yu away and raised his voice, ” “get this woman out of here!”

song yu slammed into the door of the opposite house in a sorry state. at this moment, a servant ran over and guessed the situation the moment he saw it. he immediately dragged song yu aside and said, ” “miss song, how could you do such a thing? madam is so good to you!”

song yu was still in a daze. after a while, she regained her senses and laughed, ” “good? That’s right, it’s really good.”

she had been tricked. from the beginning to the end, she was just a chess piece.

Wen Yuan had always known what she was thinking but she did not say it out loud. She allowed Song Yu to come over and watch her embarrass herself and her heart flutter while Wen Yuan, who was holding his six-month pregnant belly, looked at Xuxu coldly from the side.

song yu left. before she left, she lifted her head arrogantly.

Her behavior and actions had fully illustrated one thing-her heart was higher than the sky, and her fate was thinner than paper. She thought that Wen Yuan was a fool. However, in Wen Yuan's eyes, she was nothing at all.

After Song Yu left, the servants hid as well, anticipating a big fight at home.

the relationship between the male and female owners was obviously not very harmonious. it was fine usually, but after what happened with miss song today, they were probably going to have a big fight.

the house was a few hundred square meters in size. it was so quiet that one could hear a pin drop.

ye mu bai walked over slowly, grabbed wen yuan's hand, and dragged him into the study room.

...

He closed the door gently and said in a suppressed voice, " "Why are you doing this?"

Wen Yuan held his stomach and walked to the sofa to sit down. I don't know what you're talking about.

" you allowed song yu to get close to me and seduce me. wen yuan, what do you want to see? " he leaned forward and placed one hand on the back of the sofa to lean closer to her. " do you want to see a restricted video of us? "

as he said that, he pinched her chin with one hand and said with an ugly expression, " am I such a bad man? in your heart, Wen Yuan, as long as a good-looking woman approaches and seduces me, I'll be so desperate that I'll have to lay on the ground, right? "

"i didn't say that." she was forced to look up and meet his eyes.

Under the dim yellow light, ye mu Bai's gaze was unfathomable as he stared into her eyes.

There was a storm in his eyes, and there was a touch of heartache. He said slowly, "but you did it."

he pulled her into his arms gently and brought her to the bathroom without being too rough. wen yuan had no doubt that she would have been killed by him if she had not been pregnant today.

he dragged her to the sink, hugged her from behind, and trapped her, forcing her to look into the mirror with him. his voice was extremely hoarse. "tell me, what are you thinking? Catch them in the act of adultery, then negotiate the conditions and divorce after giving birth to the child, right?"

wen yuan looked at him in the mirror and smiled. "ye Mubai, do you think I need to make use of Song Yu if I want to get a divorce? I'm just too lazy to care and I don't care what happens between you and someone else. So, everything will happen naturally, Wanwan. Whether you accept it or not, it doesn't really matter to me.

"it doesn't matter." He mumbled these few words and then laughed softly. "yeah, wen yuan doesn't care anymore. you don't love me anymore, do you?"

"Right!" She stared into his eyes and said without hesitation. It was a provocation and a declaration.

ye mu bai's mind went blank for a moment. he asked, but he did not expect her to say it so directly. the air froze for a moment.

After a long time, ye mu Bai's gaze softened. It was no longer as stormy as before. Instead, it was calm with a little warmth.

His hands slowly tightened, and then he hugged her. He hugged her gently from behind. His face was buried in her hair and her neck. At this time, his expression was a little fragile.

"I'm sorry, Wen Yuan." his lips were on her artery, so his voice was very muffled. "i'm sorry. i won't be fierce to you in the future."

i won't ask you to love me anymore.

I love you, that's all.

he closed his eyes and hugged her just like that.

he hugged her and imagined how he would see the stars in her eyes the moment he looked up. he imagined that she still loved him.

Chapter 3856: wen yuan, you're so cruel 6

However, that was just his imagination. His love for her had ended with his departure.

Ye mu Bai hugged her just like that for a long time, as if he was going to hold her forever.

Wen Yuan did not struggle and let him hold him.

" don't let her come again, " he murmured. " i won't like her, and i won't like anyone else. "

wen yuan gave a faint smile.

That's right, he would not like anyone else, including Wen Yuan. He only liked Lin sisi.

...

She didn't talk to him, nor did she answer his words. Ye mu Bai felt very defeated.

He still let go of her and slowly stepped back. His voice was hoarse."You should rest!"

wen yuan turned to the side and paused for a moment before he said softly, ” ” ye mu bai, some things are already in the past. i don’t want to force myself, so can you not force me too? ”

“I just want to give birth to the child now,” she said in a lower voice.

“and then?” he stood at the door and clenched his hands. ” wen yuan, i shouldn’t have asked, but i still did. i’m not such a person who can’t hold my temper. do you know what this means? ”

he was a little nervous after saying that and slowly turned his head.

wen yuan shook his head and leaned against the sink. she lowered her gaze and refused to meet his eyes. ” i don’t care anymore, ye mu bai. it’s very tiring to love someone. after exhausting all my energy, i’m really, really tired, yingluo. ”

He said I can love you.

wen yuan only shook his head and smiled faintly.

she held her stomach and walked out of the room. she walked past him and ye mu bai grabbed her hand.

He didn’t say anything and just grabbed her hand.

there were too many thoughts hidden in his actions.

in the end, wen yuan broke free and slowly left the study room, as if he was leaving his world.

Ye mu Bai closed his eyes and clenched his fists tightly.

The days went on, cold and indifferent. If it were an ordinary couple, there was nothing wrong with living like this. Most couples should live like this.

However, he was not satisfied with ye mu Bai. He was not satisfied with this kind of life. He wanted her to love him, and he wanted her to love him.

She didn't give him a chance, but he insisted on sleeping in the same bed with her as usual. Sometimes, he couldn't help but take her hand and hold her in his arms like before.

Wen Yuan had been passive and let him do whatever he wanted. As long as it did not affect the child in her stomach, she did not seem to care.

he was disappointed, but he couldn't find a breakthrough. there was once when he was driving a little absent-minded on the way back, and the car in front of him rear-ended wanwan with a bang. after that, cold sweat broke out on his back, and he sat in the car for a long time without coming back to his senses.

At that time, he wondered how she would feel if Wen Yuan had not forgiven him even after he had died.

Then, he lowered his eyes and smiled bitterly. He probably didn't feel anything.

There had always been a knot between them, and that was Lin sisi.

She didn't mention it, and he didn't say it either. It was like a thorn in her heart, and she didn't want to pull it out because she had no hope in Him.

Ye mu Bai suddenly leaned on the steering wheel and did not get up for a long time.

At this moment, the car door opened, and a slightly fierce face appeared. It was scolding ye Mubai in English with a mix of vulgarities and a hint of racial discrimination. Ye Mubai slowly looked up, and his eyes were bloodshot.

then, he unbuckled his seat belt, his jacket, and his shirt. he rolled his sleeves up to his elbows and got out of the car.

the caucasian man had thought that he was an asian man who was easy to bully, but the other party came down. he was more than 180 years old, and his eyes were full of hostility.

The white man's legs trembled, and he was so scared that he peed his pants ...

Before he could plead, ye mu Bai punched him and broke the white man's nose. Blood and tears flew out, but it was not enough. Ye mu Bai punched and kicked the white man until he was half dead. " get up and fight back. are you still going to call me the sick man of east asia, huh? "

the caucasian man lay on the ground in a terrible state, clutching his ribs and wailing.

crazy!

he must have met a madman!

...

I'm going to put you in jail, " he roared in English. you'll be done for, you damn yellow man!

What was waiting for him was another round of punches and kicks!

He was half-crippled!

of course, ye mu bai was also taken to the police station and locked up. it was unknown who leaked the news, but the news outside was overwhelming. after all, he was a famous director and was once a movie king.

After half a day, the incident had escalated to a point where the public relations department of his film company was busy with public relations. Xu Mo went to see ye mu Bai first.

Everyone was convinced by ye mu Bai's actions. They had never seen anyone who cared less about their reputation than he did. They could have just settled it privately. Why did he have to get so angry that he beat someone up until they were half-disabled? great, now it's all over, Wanwan!

Of course, Xu Mo couldn't blame her boss. She just communicated with the situation, such as whether the lawyer would be from China or new York.

" call my big brother. he's familiar with this area. " Ye mu Bai said indifferently.

Xu Mo was stunned.

after a while, she nodded. " okay, i'll contact her. also, the news about hanhan's incident is very ugly. wen yuan should have seen it. director ye, do you want to meet her? "

ye mu bai looked at xu mo and suddenly asked,"Does she want to see me?"

xu mo couldn't answer this question.

Ye mu Bai smiled faintly and said, " "i don't think she wants to see me, so let's leave it at that."

he let out a long breath. " let's do this. get the lawyer to bail me out as soon as possible. "

xu mo thought, i thought you didn't want to go out!

In the end, after ye Mulin received the call, he flew into a rage at his house in B city and threw his cup. His temper was similar to ye zhenggang's.

bai suili didn't even vent her anger. although she didn't know much about this, she knew how serious the matter was when she saw ye mulin get angry.

ye mulin vented his anger and then said coldly, " he's doing this for Wen Yuan's sake. He did this when Wen Yuan ignored him. Isn't it ridiculous for a man in his thirties? "

"Little white is also making a last resort!" Bai suili said in a low voice.

"Treat my ass!" "he's crazy!" ye mulin immediately cursed. do you know how many years you'll be sentenced to in United States for this?"

his rice worm was looking at him pitifully.

“More than three years.” ye mulin took out a cigarette and held it in his mouth. before he could light it, he could not help but take it down. ” if that person is disabled, he will be waiting to spend the rest of his life in prison. ”

after he finished speaking, he started to smoke.

bai suili pulled his sleeve.

He glared at her. He was in such a bad mood that he was going to be fierce to her.

The rice worm tugged at him again.

“what are you doing?” He was in a bad mood and threw her in the face.

However, what kind of person was Bai suili? her skin was extremely thick. She tugged at him again, and her voice was like a little sheep. ye Mu Lin.

Chapter 3858: wen yuan, you're so cruel 8

he continued to look at her as he lit a cigarette and took a puff.

bai sulli immediately helped him massage his back, while flattering him like a little bee, ” “Hubby is the best.”

he enjoyed it, but snorted coldly, 'stop it! what kind of taste do you have? back then, you even followed behind mubai's ass for so many years. your taste is simply too bad. and wen yuan too. how bad must your taste be to like mubai? you see, you're so childish.”

Bai suili felt that she was doing it for the harmony of her family, but why was she being targeted now?

she was innocent!

” xiao bai is wen yuan’s man now, ” she said unhappily. ” if you’re so capable, then go and criticize your ex-wife. ”

...

“what ex-wife?” He pulled her out from behind and held her in his arms. He knocked her on the head, and the cigarette in his hand accidentally touched her hair, and a burning smell immediately spread.

Bai suili screamed. He panicked and hurriedly put out the cigarette, then looked at her.

She glared at him. you’re so fierce to me. You even burned my hair!

ye mulin smiled helplessly. ” alright, alright. it’s their business. why are we getting angry here? ”

“mulin!” her expression softened, and she reached out to pull him over. her expression was as soft as a small animal’s. although it’s their business, can you think of something? the last time I went to see them, Wen Yuan was fine, but Lao Bai was not fine at all. He seemed to be going crazy.

her voice was soft. lovesickness! You know what I mean.”

ye mulin looked at her, annoyed and amused at the same time. she hugged him and acted coquettishly. “Think about it, one is your younger brother, the other is your ex-wife. If you don’t help her, who will?”

Bai suili, try saying ex-wife again. You’re still my ex-wife! he knocked on her little head.

she just smiled foolishly, and he couldn’t do anything about it. he smoked for a while more and called secretary li to ask about his schedule for the next few days. then, he asked secretary li to free up three days, and he had to fly away immediately.

in fact, he could not go abroad as he pleased with his identity, but this time, mu bai's matter was not small. he would not feel at ease if he did not go out.

bai suili saw his resolute look and hugged him, kissing him. "i'll go pack my luggage."

ye mulin stretched out his hand to stop her and did not know whether to laugh or cry. Shirley, we're going to deal with some things. Do you think we're on vacation? "

"will mu bai be fine if you go?" she blinked.

he was stunned for a moment, then he smiled. without saying anything, he pulled her over and held her in his arms.

he kissed her and pressed her against his chest.

Bai suili obediently let him hold her, not moving at all. Then she quietly reached out and hugged his waist, her voice very soft,"Ye Mulin, Do You Love Me very much?"

"Idiot!" His voice was warm.

"do you really, really love me?" she asked again.

this time, he knocked her little head. "go and pack your luggage."

She cried out and jumped away.

Ye Mulin looked at her and smiled. Then, he lit another cigarette.

he was still annoyed. after all, this matter was a little big.

he really wanted to knock mu bai's head open and ask him what he was thinking. he was clearly not impulsive, but he did something impulsive.

He knew that he did it because of Wen Yuan. He wanted Wen Yuan to care about him and break his indifference. He could even settle it in his own way. However, he still let the matter ferment.

Chapter 3859: she is a good woman (1)

ye mulin felt that it was serious because he realized how important wen yuan was to mu bai. however, wen yuan no longer loved mu bai.

ye mulin and bai sulli flew to new York overnight. an an did not bring them and left them with su fu.

When they arrived in new York it was snowing in the morning.

They went to Wen Yuan's apartment. Wen Yuan was there, so was Xu Mo.

at this moment, wen yuan was standing in front of the floor-to-ceiling window with a panoramic view of the living room. he looked at the gentle snow outside and she did not make a sound.

“wen yuan,” bai suili called out to her.

...

wen yuan turned his head and looked at them quietly. then, he smiled slightly, ” “You're here?”

she wasn't a fool. she knew why ye mu bai was acting so rashly. was it to make her unable to continue living without any feelings? he wanted to force her to react. what kind of reaction did he want to see from her?

Wen Yuan did not know what he should do. Should he play the role of a virtuous wife and try to get him out of there? she found it a little ridiculous. wasn't he a little too willful?

Ye Mulin's arrival made things much simpler. His connections in the United States legal world were terrifying. Furthermore, he had many methods that no one knew about. Ye Mulin stayed in the apartment for a while and went to see ye mu Bai's lawyer. He was ye Mulin's former alumnus in America. He was the best lawyer in America.

When he went out, Wen Yuan and Bai Suli were still in the apartment. Bai suili endured her sleepiness and did not get over her jet lag. She kept Wen Yuan and Xiang Nan company.

Xiangnan was such an obedient child. Bai suili thought that she was much more obedient than an 'an.

in the afternoon, ye mu lin came back with ye mu bai.

after the two brothers got out of the elevator, they didn't go back to the apartment first. instead, they sat by the window and smoked together.

Ye Mulin suppressed the anger in his heart and blew out a ring of smoke."mubai, this is not your style."

ye mu bai lowered his head and lit a cigarette. after taking a puff, he looked into the distance and smiled."Very stupid, isn't it?"

he looked at the fine snow falling outside the window and murmured, " " our relationship is very tense now. i don't even know when she'll leave me. she doesn't want my company or care. we live together and sleep in the same bed every night, but we're no different from strangers. i'm not satisfied. this is the first time i'm not satisfied. "

"If you're not satisfied, it's your own fault." ye mulin chided him coldly. he turned his head to the side and said, " everyone is a little past, mubai. i know that you used to like lin sisi but wen yuan is your wife. perhaps you have feelings for lin sisi but to a man, feelings are not the most important. responsibility is. if you lose the child this time, what will happen to you and wen yuan? what will happen to nan? " It was a transplant, but what about the suffering he had to go through? what about the rejection?"

ye mu bai did not say anything. he merely looked outside silently.

ye mu lin just looked at him.

He could understand the pain in ye mu Bai's heart. Perhaps it was a contradiction.

a woman that he didn't care much about suddenly didn't care about him anymore. when he wanted to make it up to her, it was a terrible feeling.

after a long time, he patted ye mu bai's shoulder and said in a hoarse voice, "mubai, it's all in the past! treat her well in the future. wen yuan is a good woman."

"I know," ye mu bai turned his body and looked at him. after a while, he repeated in a hoarse voice, "i know,"

ye mulin smiled. "it's good that you know. don't do stupid things again, wanwan. your parents aren't young anymore. your mother still has uncle hao to take care of her. your father is all alone. he's not living well. "

Ye mu Bai smiled bitterly.

"Did she say anything?" he sighed after a long time.

"Her? you mean wen yuan?" "if you want to know, you can ask yourself." ye mu lin smiled.

he then patted ye mu bai's shoulder and said,"alright, let's go home, yingluo."

After a pause, he said, "I thought it was a big deal. That scoundrel agreed to drop the lawsuit after paying us tens of thousands of dollars. He even said that his body is in great condition and that he shouldn't make such a big deal out of it in the future. It's very passive of me to come here and wipe your P * ss. If I don't come, the women at home will have to wipe their tears.

...

as she said that, she punched ye mu bai's chest and led him toward the apartment.

Ye mu Bai finished his cigarette and followed after her.

the door to the apartment opened. it was very warm inside. he stepped in.

ye mulin had already pulled his wife to his side. "there's no problem. i'm rushing for my private plane tonight. you two can have a good talk."

After he finished speaking, he looked at Wen Yuan again.

wen yuan sat on the sofa and nodded slightly. she still gave ye mulin some face.

Bai suili was not happy. When they were outside, she grabbed her husband's hand and said, "You're leaving so quickly?"

"You want to stay and be a third wheel?" he looked at her.

Bai suili looked at him, feeling a little wronged, "But you can't just leave like that. I haven't had a good night's sleep."

"We'll leave tomorrow afternoon." He suddenly said.

The rice worm let out an "ah" and looked at him in a daze. "Really?"

"Why did you lie just now?" she added.

Ye mu Bai looked at her for a while before he slowly said, "Idiot,"

"i'm not stupid!" She jumped up and threw herself into his arms like a bear hugging a tree root.

Ye Mu Lin looked down at her. "bai xue li! how old are you, and you're still so childish?"

“I’m just childish!” She leaned on his shoulder and asked him to carry her. Then, she said coquettishly, ” “You said that I’m your little baby.”

“Did I say that?” he carried her easily with one hand and then pulled her ear with the other.”Bai Sulli, you believe what a man says in bed?”

“I just believe.” she acted coquettishly, then put her arms around his neck and kissed him. ” “Can you tell me later?”

Ye Mulin stared at her, then reached out and patted her on the butt. we’re not going to the hotel to make love. We’re going to rest.

he rubbed his forehead. ” i’m so tired. mubai is always worrying. you’re also worrying. ”

He carried her and walked in the gentle snow. He stuffed her into the car and followed her in.

she stuck to him again and lay obediently in his arms. he was afraid that she would be cold, so he opened his coat to let her rest on his chest. she blew on his chest through the coat, which felt warm and itchy.

ye mulin lowered his head and glanced at her silently. then, he closed his black eyes and let her do as she pleased.

she kept teasing him, and when he couldn’t help it, he gently pulled her hair and frowned. ” “Bai Xue Li, you’re looking for death.”

She laughed and took a bite on his shoulder.”i thought you wouldn’t be angry.”

he pinched her chin and forced her to look up. then he said in a dangerous voice, ” “Bai Xue Li, it seems you aren’t afraid at all.”
