Chapter 4041: mrs. ye who ran away from home (4)

Ye mu Bai looked at her and was also furious. He coldly said, ” “as you wish.”

The air seemed to have frozen when these three words were spoken.

“Sure!” Wen Yuan finally said after a long while.

“president ye should be very busy, i’ll take care of the child,” she said.

ye mu bai stared at her and said in the coldest voice he had ever used in his life, ” you have legs and want to leave, but Nan and ye Hui are my children. I won’t give them to you, not a single one. If you’re not satisfied, you can find a lawyer to file a lawsuit.

he looked like he had no room for negotiation. she was really angry.

...

they did have their differences, but it was not to the extent of saying the word ‘divorce’.

ye mu bai stood up and left without saying anything else.

perhaps he really needed to calm down, or he would strangle her to death.

Wen Yuan quietly leaned against the headboard, his eyes lowered as he listened to the sound of the door closing.

She did not regret saying it. Lu man joining Starlight was her last hope and her bottom line.

wen yuan could not bear to see a woman who had slept with him in the company every day. his reaction also told her that they really did not agree with each other. perhaps he had been in the entertainment industry for a long time and did not care about these things.

but she cared a lot.

in the afternoon, bai sulli came over and had afternoon tea with wen yuan in the hotel. she said in a low voice, " Wen Yuan, are you really going to tell her? please don't. Think about it. When you're not around, that woman will take advantage of the situation.

Wen Yuan pursed his lips and said in a low voice, " but I really can't take it anymore. Shirley, do you know that when Lu man was filming that movie, they were talking once and Lu man suddenly said in French, 'mu Bai, does your wife know that we slept together?' do you know, at that time, i felt as uncomfortable as if i had eaten a fly, very uncomfortable, and now that the fly has flown back, i can't stand it anymore."

Bai Sulli was still like a little sheep,"you can tell old bai."

"He knows I know French." Wen Yuan smiled bitterly,"he'll pretend that nothing happened." maybe lu man is not important to him anymore, but she is important to me. "

"i know, it's a fly." bai suili sipped her milk tea and pouted, " "Xiao Bai is too much. Why don't I ask ye Mu Lin to teach him a lesson?"

"This is a problem between us," Wen Yuan shook his head.

"But we can't go to the point of divorce!" that Lu man is too shameless, " Bai Sulli yelled. she's seducing men at her age. if she really liked him, she would've married him long ago."

Lu man only smiled.

Ye mu Bai would never understand that Lu man's existence was very disgusting to her.

Even if he understood, he would probably sacrifice her feelings because he probably thought that she would never be able to leave him. Because there were two children, he said that he could not take any of them away.

therefore, even if she made a fuss, it could only be a small one and nothing big would happen. the child was in his hands.

wen yuan looked at the time. ” it’s getting late. i still have to go to school. ”

“no, wen yuan, xuanyuan, do you still have to go to class now?” bai suili anxiously asked.

Wen Yuan gave a faint smile. what else should I do? wallow in self-pity in the hotel? ”

She smiled. Shirley, don’t worry about me. What’s mine is mine. It’s not a pity to lose what doesn’t belong to me.

she had a conflict with ye mu bai regarding lu man in the past, but it was put aside when lu man returned to the states. it was only when lu man returned to the country that it was brought up again. in fact, she had not mustered up the courage to do so.

Chapter 4042: Little mom in charge (1)

wen yuan went to class as usual.

To her surprise, she saw Bai jingxuan in the classroom.

After the class, he did not leave. Even after all the students had left, he still looked at Wen Yuan.

Wen Yuan slowly walked over and sat down beside Bai jingxuan. He turned his head.”you knew?”

he hummed in acknowledgment and then ran his fingers through his hair.”Get a divorce and marry me!”

wen yuan laughed. ” don’t you think i’m old? I think I’m going to be 35 soon.”

...

When she was with ye mu Bai, she was no longer a young girl. However, she had really liked ye mu Bai for many, many years. Even now, she still liked him. However, her view of the world and even her view of marriage were different.

she did not intend to indulge him.

Bai jingxuan looked at her with a faint smile. "Some people have special privileges."

he stood up and said, "let's go, i'll treat you to a meal. life needs a sense of ceremony. miss wen, you're now being pursued by a man who's ten years younger than you. please don't feel disappointed at losing your marriage at any time, okay? in my heart, teacher wen will always be 25 years old in high spirits!"

he was good at coaxing people. wen yuan picked up his things and walked out with him.

in fact, there were rumors about them, but bai jingxuan didn't care at all. he just walked out with her on the kapok road of B academy.

however, the conversation was very unpleasant to the eyes.

as wen yuan walked, he said briskly, "Bai jingxuan, compared to Lu man, I would rather you be with ye mu Bai."

bai jingxuan gave her an unbearable look."please, i don't want to be teased by a man about that, you know."

Wen Yuan laughed. There was actually a short period of time when she thought Bai jingxuan was her love rival. Perhaps it was because she cared too much about him that she fell into ye mu Bai's trap. It was better not to care too much about people.

In the past, she was throwing a tantrum, so he and Lu man became distant. Now, he wanted to pull Lu man into Starlight again. He was really sure that she couldn't leave him.

In the end, she took Bai jingxuan's car and went to pick up xiangnan and ye Hui together. She also called the driver and told him not to pick up.

The chauffeur knew that President ye's family was in a mess, so he called ye mu Bai.

Ye Mubai was in a meeting. After he hung up the phone, his face was so dark that it looked like water was about to drip out. He looked like his wife who had been caught in bed.

After a moment, he pursed his lips and said to the people below, "Let's end the meeting!"

When he walked out, he couldn't wait to call Bai jingxuan. "where are you?"

bai jingxuan was driving when he received a call from president ye. he turned to look at wen yuan and said, "i'm with teacher wen and two other children. we're going to have a candlelight dinner later. president ye, don't worry. i'll take good care of them. "

Ye mu Bai simply wanted to curse.

rest assured, my ass!

was there a boy with the surname bai who took care of people like this?

bai jingxuan laughed. "oh right, i forgot to tell president ye that i don't want to create a love line with xu mo anymore. if the company does this, i won't cooperate. wanwan, my heart already belongs to someone else. "

ye mu bai almost exploded in anger.

he na threw her phone on the table and looked at the expression on their wise president ye's face. she knew that in the entire company, only bai jingxuan could anger him.

sigh, he had no choice. he had spoiled her, so he had to finish spoiling her even if he had to kneel.

bai jingxuan put away his phone and looked at wen yuan. " how was my performance? "

wen yuan smiled faintly.

Chapter 4043: Little mom in charge (2)

Bai jingxuan continued to drive. After a while, he suddenly said, " don't worry. With me around, Lu man won't be the top star in Starlight.

" ah! " wen yuan exclaimed.

bai jingxuan stopped at the intersection in front of them. with one hand supporting his chin, he tapped the steering wheel with his other hand and smiled devilishly. " because no matter if it's starlight entertainment's big sister or president ye's little cutie position, they both belong to me. "

although wen yuan knew that he was joking, he still felt his jaw drop.

Xiaobai really has no integrity at all.

however, she also felt a little warm inside.

...

Xiao Bai was really good. He was so good that he was like ye mu Bai back then, the younger version of mu Bai.

wen yuan thought that if she was ten years younger and had met bai jingxuan first, she might really have liked him.

The two children behind him looked at the adults with their eyes wide open. Bai jingxuan continued to drive and then coughed. Xiang Nan, ye Hui, you can call uncle and little mom in the future.

"Oh." the two children actually agreed.

Wen Yuan was speechless.

Bai jingxuan gave her a smug look. "didn't i say that i'm starlight's number one star?"

when he stopped the car, he unbuckled his seat belt and looked at wen yuan seriously. "go out and have fun! The two children will be taken care of by their stepmother."

wen yuan was both speechless and touched.

in the end, bai jingxuan laughed again. "i forgot to tell president ye. i want to create a love line with him."

wen yuan's jaw dropped again.

xiao bai was very gentle and considerate to her. he was also especially good to the two children. wen yuan was dressed casually, and there was no age difference. they looked like a family of four.

they had made a reservation in advance for a candlelight dinner for the four of them. there were some dishes that the children liked.

Wen Yuan's mood also relaxed, as if ye mu Bai and Lu man's Affairs were no longer important. When she asked Bai jingxuan why he was like this, he thought for a moment before saying softly, "I probably won't have enough time in my life. I'll make you happy. Leave it to me in your next life.

For a moment, Wen Yuan felt a little emotional.

"I'm different from you," she said softly as she cut the steak. I must get what I really like.

you're saying that I should take advantage of the situation. Teacher Wen, if you encourage me again, I might not be able to hold back. bai jingxuan gently swirled his wine glass and laughed.

Wen Yuan smiled. that's not what I meant. Thank you, jingxuan.

Thank you for letting me know that it's a wonderful thing to be liked like this.

Bai jingxuan put down his wine glass and muttered, ” ” actually, the reason why you guys dare to cause a scene like this is because you’re sure that president ye can’t bear to leave you, and president ye also thinks that you can’t leave him. go ahead and do it while you’re still young. ”

It was just that the third party who wanted to take the position seemed to be a little arrogant and ridiculous.

It wasn’t that Bai jingxuan didn’t have feelings for Wen Yuan, but he could feel that ye Mubai and Wen Yuan were in love. They were probably having fun as a married couple. How could a married couple not fight?

as soon as he finished speaking, a slender figure sat beside him. then, his voice was hoarse.”what are you making up about me?”

wen yuan raised his head with a cry.

The two children called him daddy.

Ye Hui cutely came over to let her father hug her and pointed at Bai jingxuan like she was presenting a treasure. “Uncle will be our little mom in the future.”

ye mu bai’s eyes were deep and serene. he took turns to look at wen yuan and bai jingxuan’s faces before he smiled. ” wen yuan, you’re quite generous. ”

Chapter 4044: Little mother in charge of the Dao

wen yuan pretended not to see it.

In front of outsiders, ye mu Bai did not mention his family matters. Moreover, the child was in front of him.

he waved his hand and asked the waiter to prepare a meal for him. they ate quietly together and even fed ye hui. it was normal for a father to dote on his younger daughter.

Wen Yuan did not make a sound and would take care of his son from time to time.

Little mom was left out.

After Bai jingxuan finished eating, he tactfully said that he would leave first. After all, his mother was also a mistress, right?

...

ye mu bai looked at him deeply and said in a low voice, ” “Come to my office tomorrow.”

Bai jingxuan stood up straight, his hand on the armrest of his President ye’s chair, and said in a very soft voice, ” “do you want me to clean it?”

ye mu bai glared at him.

Bai jingxuan smiled and left gracefully.

ye mu bai retracted his gaze and looked at wen yuan. he did not say anything and the four of them had a meal together. the atmosphere was quite good with the children around.

He called the chauffeur over and asked him to send xiangnan and ye Hui back first while he sent Wen Yuan back.

Wen Yuan did not reject her. After getting into the car, she looked in the direction of the front of the car and said softly, ” “i found a house. it’s not the one xu mo found for me before. i’ve returned that house.”

Ye Mubai nodded. it sounds like you’re going to move out. Are you determined to mess with me? ”

“You mean you won’t compromise?” Wen Yuan looked down.

“Are you really going to let Lu man enter Starlight?” she turned to look at him.

He didn't say anything out of anger, but softened his voice. Wen Yuan, this is the only choice I have.

"between my career and me, which is more important?" she asked him softly.

'You're important.' Ye mu Bai held her hand. However, Lu man's existence will not affect our Yingying."

he only felt the same way he felt toward lu man as an artiste. even a few years ago, he didn't have such feelings for her. it was just a one-time relationship.

Ye mu Bai's voice was a little soft. why don't you set up an observation period? if anything ambiguous happens that you can't tolerate, I'll let you deal with it however you want.

He actually said the words "do as you please" in a rather ambiguous manner.

Wen Yuan bit his lip and leaned back in his chair, not saying a word.

He drove her to the hotel in a very gentlemanly manner. She wanted to go up by herself, but ye mu Bai insisted on sending her to the top floor.

he even sat there for a while, but he didn't do anything unruly. he looked like a couple who wanted to live separately.

wen yuan poured him a glass of water and sat down. after a long time, he whispered, " " ye mubai, let's take two years. let's calm down and think clearly that lu man is not qianqian's only concern. i also want to be wen yuan again. "

ye mu bai stared at her and said, 'do you still think that being mrs. ye is a burden? or do you think what kang qiao said back then was right? do you also want to make a name for yourself?"

Wen Yuan shook his head and replied,"no!" Let's leave it to fate! Right now, I just want to teach my own books well."

"where's the child? you don't want it anymore?" His eyes were burning.

wen yuan was stunned for a moment. ” i’ll bring them to my place this weekend. i’ll have to trouble you on normal days. bai jingxuan also said that he would take care of them. i trust him. ”

“you just don’t trust me, do you?” he leaned over quietly and held her chin. he said in a low voice, ” wen yuan, i’m your husband, not someone else’s. ”

Wen Yuan looked down and smiled, then said, ” you should know that in the entertainment industry, female stars usually end up marrying into a rich family, a big director, or the CEO of a film company. You have all three identities. Do you think Lu man will let go of a piece of fat meat that she’s already taken a bite of? ”

“That’s not a good analogy,” he frowned.

“I can’t think of anything else for the time being.” Wen Yuan said softly, ” ye Mubai, the biggest problem in our marriage is not Lu man. It’s your double standards. You have different standards for you and me. If you can control yourself, I’m willing to be a housewife. However, since my husband is not reliable, I have to make plans for myself. Also, I won’t leave the marriage with nothing. What should be mine will be mine. It’s fine if you use the child to stop me from saying anything. If you take them with you, I can find a new home with a clean slate.

Chapter 4045: little mom in charge (4)

She was going against him.

If he could threaten her with the two children, why couldn’t she threaten him back?

if he didn’t want to give her the child, fine, she would remarry!

Ye mu Bai’s expression was very unsightly. It was not because of the money, but because she had said that she was looking for someone else.

he didn’t understand. she had liked and loved him for so many years. how could she say she didn’t want him now?

wen yuan looked at him and smiled. " if one day you don't care that i don't love you anymore, why should i continue to love you, ye mubai? it's not that i don't love you anymore. i just don't want to continue this love humbly. ye mubai, i just want to tell you that i'm not just mrs. ye. my name is wen yuan. "

...

I can remember how well you treat me, but that's not a reason for you to control me. she smiled faintly. " what you're doing in the entertainment industry. you can pretend that nothing has happened after you're done dating. you can still continue working with me after you get out of bed. i just want to tell you that i don't accept it! " If you don't want to get a divorce, you can ask me how long we'll live apart. It's the day Lu man and Starlight ended their contract, but I can't guarantee that I won't fall in love with someone else in the middle."

ye mu bai let out a long breath, but his eyes were still focused on her. " "Are you serious?"

"Right!" She said softly, " ye Mubai, I want to be willful for once. Even if you fail and your company falls, I still have my hands and legs. I can live a life of luxury, and I can also live a life of simple food.

his eyes became even more unfathomable. he knew that she wasn't being willful. she had thought it through.

separation and the future were really hard to say.

Ye mu Bai leaned back on the sofa and grabbed Wen Yuan to place him on his shoulder.

she didn't resist and just lay down, burying her face in his shoulder.

Ye mu Bai's voice was low and hoarse. Wen Yuan, you can't bear to part with me, can you? "

She grunted and wrapped her arms around his neck. but, Mubai, we really have a problem.

In fact, it was not the first time. It had happened many times. It was only Lu man's appearance that lit the fire.

she was honest with him. " maybe lu man's appearance is a good thing. otherwise, i would have lived my life in a daze. it would be scary if i couldn't hold it in anymore. "

he caught her faulty wording and touched her with his nose."then can you still endure it now? Then why not?"

wen yuan wrapped his arms around his neck and said in a particularly soft voice, " "Do you want me to continue to endure?"

he just kissed her. he kissed her forehead, the tip of her nose, and her lips. he did not do anything else.

after kissing for a long time, he muttered,"wen yuan, i can't bear to."

It suddenly dawned on him that Wen Yuan had lost himself in this marriage. She was out of breath and wanted to go out and relax.

if he were to force her, he would be killing their marriage.

"You agree?" Wen Yuan raised his eyes.

he smiled. " i won't sign a contract with lu man. move back home, wen yuan. you can do whatever you want in the future! " I won't suppress you anymore."

She agreed.

After that, she said that she wanted to live outside for a while. Ye mu Bai was so angry that he hit her on her P * s."Pretentious! do you really think i can't do anything to you?"

She laid in his arms and said, " "you said you couldn't bear to! Ye mu Bai, if you let me live a few days of being single, maybe I'll fall in love with you."

her fingers gently stroked his heart. ” “What if I make it more delicious?”

the look in his eyes changed all of a sudden.

Chapter 4046: ye mu bai, where’s your face? 1

To President ye, this was such a great temptation!

Sometimes, an old couple needed some stimulation.

Ye mu Bai turned around and pressed his wife down on the sofa. Wen Yuan did not resist.

She would not resist a sincere man.

Ye mu Bai’s fingers gently caressed her red lips, and his voice was so low that it was terrifying.
Mrs. Ye, am I still unable to satisfy your fantasy in bed? ”

“No.” “ye mu bai, don’t you think that we’ve never been in love before?” she bit her lip.

...

He smiled and unbuttoned her shirt. “You’ve been messing around for so long, so you want to date me?”

As he spoke, he lowered his head and bit her delicate neck. His voice was even more hoarse.”You want me to pursue you, don’t you?”

the more he kissed, the lower he went. wen yuan grabbed his hair with a little violence and pulled him back to his original position.

ye mu bai chuckled and leaned close to her ear. ” “Are you shy now that I’ve hit the mark?”

“No, I didn’t!” Wen Yuan kicked him. go back. I think Nan and ye Hui are still at home.

how could he be willing to? he had not had it for a few days. he usually did not go for more than three days. if he left tonight, he would not be a man.

he begged wen yuan, but wen yuan did not agree. he pressed against him and said, ” “ye mu bai, we are currently living separately.”

“oh, really? Are we still living separately?” In the end, he had gotten his way and bullied her again and again, making Wen Yuan feel like crying.

As he whipped her to his heart’s content, he muttered in a hoarse voice,”you can move out if you want, but i want to have sex.”

wen yuan bit his lip and said,”how can a couple who live separately have sex?”

Then, he would personally tell her if he really did.

” you can go home or i can come over every week. it’s your choice. we have to spend the night together on friday and saturday. ” his voice was especially low and sexy because it was immersed in jade desire. to wen yuan, it was very tempting.

She wrapped her arms around his neck. overbearing.

he laughed in a low voice,”i’m almost willing to go bankrupt for you. you don’t even have the right to live as a married couple?” Then, I might as well get Lu man into the company!”

Wen Yuan hugged her even tighter. you’re not allowed to.

“who’s the overbearing one, huh?” he chuckled and pressed against her again and again.

this little rascal had been messing with him. he hadn’t touched her for a few days, and he only let her go when the moon was high in the sky.

wen yuan felt as if he was about to be crushed by him. he was hollowed out both inside and outside.

For the last moment, she touched his waist gently with her fingers and sighed. “Aren’t you too strong?”

He kissed her. but Wen Yuan, you’re still not satisfied. Why are you still looking for a new feeling? weren’t you satisfied just now? ”

“You’re spouting nonsense again.” she closed her eyes, smiled, and said rather heartlessly, ” “It’s late, you should go home!”

he licked her and said in a hoarse voice,”didn’t you find a mother for your child?” The mother is used to take care of the child, and the wife is used to warm the bed.”

“How can you be as shameless as Bai jingxuan?”

Ye mu Bai smiled and finally let her go. He sat on the sofa and lit a cigarette. He did not even tidy his clothes and let his belt and shirt be undone.

he turned to look at her and smiled. ” he’s actually a good man. wen yuan, it’s a good choice for you to choose him without me. although he’s 10 years younger than you. ”

wen yuan was a little dazed. he did not know what he meant by saying this.

Chapter 4047: ye mu bai, where’s your face? 2

however, he stubbed out the cigarette in his hand, then put her on his shoulder. his voice was very soft but clear.”bai jingxuan told me today that if i don’t pamper you, he will take action.”

if it was someone else, he wouldn’t care. however, he was afraid of a man who was as good as the young ye mu bai.

He and Bai jingxuan had never been a good superior and subordinate. They were like vampires and even bigger vampires, love rivals.

Of course, it was not a relationship between a man and a stepmother.

The one thing they had in common was that they all loved Wen Yuan.

while he was hostile, he also admired bai jingxuan.

...

He was willing to tell Wen Yuan these things because he could tell that she had chosen him.

It was pretty good. She was willing to argue with him and argue that they would live separately. She still cared about him.

if there came a day when she didn't care about her, she wouldn't care if lu man or li man entered the company. she would just be mrs. ye and count the money. as long as the child had a stable position in her position, it was fine.

His heart suddenly softened.

Wen Yuan was still the same person as before. She was willful. Actually, she did not want their marriage to go that far. She did not want to become that kind of woman either.

He suddenly felt that he was not good enough and that he had let her down.

Even the lovemaking just now seemed too shallow-of course, such thoughts were only for a moment, and he would soon change his mind. A life without a married life was not complete.

Ye mu Bai's voice was gentle. Wen Yuan, I'll stay and accompany you, okay? " i'll help you move tomorrow. i don't feel at ease leaving you alone, so i'll have to ask you everything myself."

wen yuan stared at him, not understanding how he had changed so much. ” it doesn’t seem right for us to live separately like this. ”

“I just want to treat you better and pamper you more,” he said in a gentler voice.

Wen Yuan teased.

yes, it seemed to be such a fat thing.

But it didn’t seem like such a fat thing.

was she giving lu man a chance?

however, president ye still kept his word. he would stay here for the night and take care of her.

he had to go to the office early in the morning. he asked wen yuan to go home after class so that he could help her pack.

Wen Yuan, who was wrapped in the blanket, felt even weirder. He bit her and said, ” “Why don’t we just not move?”

he also didn’t want to be her weekend husband! it was best if she could understand.

However, Wen Yuan blinked his eyes and said,”I still want to be single for the time being.” &Nbsp;

Ye mu Bai pinched her face and said in a hoarse voice, ” you heartless little thing.

he left.

and then a storm.

an hour later, lu man was in starlight’s president’s office. she looked at ye mu bai in surprise and shock.”How is that possible?”

He actually didn't want to sign the contract with her.

He knew what that meant.

She was an international artiste and one of the top actresses in the country with acting skills. She had more than 30 endorsements. Was he crazy? she could have gone to King Entertainment and her conditions were not worse than here.

She did it to tease him!

Lu man's self-esteem had yet to recover. She looked at him and still could not accept it.

Ye mu Bai's voice was a little calm. Lu man, I will make it up to you during this period of time.

"compensation?" lu man shook her head. " you can't compensate me! "

ye mu bai was a little unhappy. " miss lu, i don't owe you anything. the contract discussion between you and starlight entertainment was a normal process, and both parties can go back on their word. i've just evaluated it and felt that it's not suitable. the compensation is also a favor. if you don't need it, i'm not willing to be a money-giving boy. "

Chapter 4048: Ye mu Bai, where's your face?(3)

Lu man's expression was ugly.

she had never thought that she would be rejected.

she was the three flowers best actress, the biggest flower in the industry!

He actually gave it up.

lu man was still unwilling to give up. she gritted her white teeth and squeezed out a voice, ” “It’s because of Wen Yuan, isn’t it? President ye, you actually let your personal emotions affect your work.”

Ye mu Bai smiled faintly. I don’t need to explain the reason to you. In any case, it’s already decided. Miss Lu, I can only say sorry.

...

After he finished speaking, he asked Secretary he to see the guest out.

However, Lu man’s lips trembled as she said the last sentence, ” “Don’t you care about your old friendship at all?”

ye mu bai sat behind his desk and looked at her quietly. after a long time, he suddenly said, ” ” previously, when wen yuan argued with me, i felt that she was overthinking and oversensitive. now, i feel that i was wrong! ”

he paused for a moment before continuing, ’i won’t hire artistes who can’t distinguish between private and private matters. Miss Lu, I wish you a bright future.”

lu man’s voice was hoarse as she gritted her teeth, ” “aren’t you afraid that i’ll give the thing in my hand to wen yuan?”

“i don’t think any woman would remain unmoved,” she said, raising her head.

Ye mu Bai continued to sit quietly as he looked at her. There was a hint of disappointment in his eyes.

also, her love and admiration for wen yuan.

they were both throwing tantrums and throwing small tantrums, but his wen yuan was so classy because she was doing it for her man, while lu man was simply unreasonable.

“Those who don’t follow the rules in this game will always be taught a lesson.” Ye mu Bai’s voice was cold. I don’t mind if Wen Yuan knows about it and I know I can’t stop you. But Lu man, if you do that, you will probably have to go back to the United States and King Entertainment will not tolerate you. Do you believe me?”

King Entertainment’s Qin mo and he Huan’s marriage had always been lukewarm. At this time, how would Qin mo dare to marry such a notorious female celebrity and an ambitious woman?

his past was not in the past with he huan!

moreover, he had a small deal with qin mo. if lu man dared to do so, he would let her know the consequences.

“i don’t believe it,” lu man said coldly.

“That’s right. You don’t believe it because you think you’re very popular, but things are different now. You should know what happens to a female celebrity who has lost her popularity. if no one asks you to act, what do you use to maintain your own glory? lu man, perhaps you don’t care and you’re going after wen yuan, but i’m her husband. i’m only telling you not to mess with her because of our old friendship.” Ye mu Bai’s voice was very cold.

lu man laughed so hard that she almost cried.”do you love her? you used to say that you didn’t love any woman. you had so many women at that time, but you said that you didn’t love one. You actually fell in love with such an ordinary woman. What’s so good about her? in terms of looks, figure, and talent, how can she compare to me?”

“Because she’s Wen Yuan. You’re not.” Ye mu Bai smiled.

lu man chuckled. ” sure, let’s see if she can still be a loving couple with you after knowing what you did. ”

lu man was determined. if she couldn’t get it, she would destroy it.

After she left, Secretary he looked worried. “President ye, do you want to stop her?”

ye mu bai leaned against the chair and covered his eyes with his hands. he sighed softly.”No need,”

He put down his hand and said, "it's good that Wen Yuan will be staying outside for a while." Let her vent her anger."

Chapter 4049: ye mu bai, where is your face?(4)

Wen Yuan actually knew about what happened to him when he was overseas during the period when he lost his memory. However, she did not ask.

in fact, wen yuan was a smart woman who could distinguish between the two. lu man was indeed a bomb that had been planted in the past.

secretary he looked at his superior and smiled.

as for lu man, she walked out and sat in the car. she was extremely indignant.

The assistant did not dare to speak, but the manager gave her a very loyal suggestion. while King Entertainment is still extending an olive branch, Lu man, make your choice!

"I can't accept this," Lu man said through gritted teeth.

...

She clenched her fist, took out her phone, and dialed a number.

And Wen Yuan picked up the call.

Half an hour later, Lu man and Wen Yuan were sitting in the café below the Four Seasons Hotel.

wen yuan was dressed in a suitable dress. his long hair was tied into a casual bun, and he looked lazy.

As for Lu man, she was dressed exquisitely and flirtatiously.

she stared at wen yuan and said in a puzzled tone, ” “You’re actually staying in a hotel.”

” yes, we’re going to live separately soon. isn’t that what you wanted to see? ” wen yuan smiled.

there was no smile on lu man’s face. she said coldly, ” Wen Yuan, this is just one of your tricks. You just want to hold ye mu Bai firmly in your hands.

wen yuan lowered his head and sipped his coffee. lu man thought that she was feeling guilty. ” am i right? ”

“right! i’m doing this for the sake of improving the quality of our marriage. miss lu, what i want to ask is whether i’m wrong in doing this. ye mubai is a man on my list of partners. what i do seems to have nothing to do with miss lu, right?”

“but he’s a man, not a thing.” “you can’t be too selfish,” lu man said, losing her grace.

wen yuan was still chuckling. ” miss lu, have you become a fool from acting? do you think this is a romantic or bitter scene in your movies? do you think i’m an evil, old, and ugly original wife? Get this straight, he’s not a thing, but he’s my man. As long as I’m willing, you’ll be my man for the rest of my life.”

lu man’s expression was ugly. after a moment, she laughed coldly.”you should know that i have a history with him.”

wen yuan ran his fingers through his hair. ” i heard from xue li that mu bai had many sex partners when he lost his memory. miss lu, i’m afraid i won’t be able to deal with all of them if they come to me. ye mu bai alone won’t be enough. ” “also, let me give you a piece of advice. if a man really has feelings for you, he would have taken action long ago. there’s no need to wait until the end. it’s a little unsightly to be so one-sided. don’t make things difficult for yourself. you’re still you after you’ve left a man.”

“So you’re not willing to give in?” Lu man clenched her fists.

wen yuan laughed. ” why should i? i’ll divorce him first and let you marry him. miss lu, it’s 2019 now. arranged marriages are no longer in trend. even if you want to beg, you should ask ye mu bai’s parents, not me. ”

wen yuan stood up. ” there’s nothing else to talk about. by the way, you’re paying for this cup of coffee, right? i didn’t bring any money. ”

Lu man was so angry that she could barely breathe. Only then did she realize that Wen Yuan was not a little lamb.

actually, how could anyone from a family like the wen and ye families be simple?

there was, probably because of bai suili. fortunately, she was lucky to marry ye mu bai. usually, she didn’t need to do anything and only needed to send people.

wen yuan could not do that. ye mu bai’s blank part had so many women that it was a headache.

as she walked forward, lu man said from behind, ” “Believe it or not, I’m going to expose our intimate photos.”

Wen Yuan’s body froze and he turned around. “as long as miss lu doesn’t find it embarrassing, just expose it.”

Chapter 4050: Ye mu Bai, where’s your face?

Lu man was stunned. She mumbled, ” I don’t believe it. I don’t believe you don’t mind.

“Miss Lu likes to slap her own face, why should I stop her?” Wen Yuan laughed and said, ” Oh right, I forgot to tell you that I don’t rely on my fans to make a living. Mubai owns a film company, but he’s not an artiste now. This kind of scandal won’t affect him much. That’s why I don’t have a problem with miss Lu doing something like this. As long as you’re happy, it’s fine.

After she finished speaking, she went upstairs and prepared to go home to pack.

although he was a little upset to see lu man, he still had to live separately and live a new life.

Lu man looked at her back and smiled coldly.

that afternoon, on weibo's hot search #starlight ceo's new and old lover, there was a photo of lu man and ye mu bai kissing on the streets of France. of course, that was a photo from the past, but there were also comments saying that mrs. ye had moved out of her love nest.

...

all the reporters surrounded ye mu bai's villa. if they were to move, they would not be able to move up or down.

wen yuan did not know if lu man was smart or stupid!

She sat at home and looked at ye mu Bai. there are a lot of reporters outside. Should I move or not?
”

Ye mu Bai pulled her over and sat her on his lap. don't move anything. Just move people. we'll go together and not respond to other things. i'll send your things over slowly in the future. after all, we're a couple on weekends, right?”

“You're that nice?” Wen Yuan looked at him.

He pinched her cheeks. you're not allowed to have an affair. Kang Qiao, Bai jingxuan, stay away from me. Otherwise, I'll be jealous.

“I'm the one who's jealous of your picture with Lu man,” Wen Yuan snorted softly.

In the end, Lu man did not dare to release the explosive photos. Otherwise, she would be the one who would be crushed. She was acting like this only because she wanted to disgust Wen Yuan.

of course, wen yuan would not get angry or upset over this. he just wanted lu man to stay away from him.

moreover, lu man had bought a lot of internet celebrities to send her the articles. an artiste could not win against an entire company. in the afternoon, president ye had spent a large sum of money to write lu man as a third party who wanted to climb up the ranks. the situation was not good for lu man.

In this case, Wen Yuan had nothing to be angry about. She reached out and pulled his tie. “i won’t leave tonight, okay?”

ye mu bai looked at her and smiled.”you don’t want to leave?”

“There are so many eyes watching. How about tomorrow? I’ll go over directly after class. You can go over after work. Even if someone takes a picture of us together, there’s nothing to write about, right?” Wen Yuan looked at him.

Ye mu Bai thought about it and agreed.

“so you’re saying that you’ve forgiven me?” he rubbed her face.

” there’s no such thing as forgiveness. i won’t pursue the things that happened before our marriage. i only care about your attitude. ” Wen Yuan pinched his face as well. I’m hungry. I want to eat.

ye mu bai immediately ordered the kitchen to prepare it and then carried the two little ones over.

ye hui ate it happily and then looked at her father, ” “little mom, do you want to come and eat together?”

president ye glared at his daughter for a long time before he said gloomily, ” “Ask him to come next time.”

Thinking about how Bai jingxuan was always so close to his wife, President ye felt very unhappy.

little ye hui could not understand her father’s feelings and continued to eat happily. ye mu bai looked at his son.

Xiang Nan was stunned.

Why was her father looking at her?

however, he was an extremely intelligent child and immediately understood. he nodded his head vigorously. 'I will educate little ye Hui.'

president ye nodded his head in satisfaction and said to madam, " xiangnan is like me, ye hui is like you. "

Wen Yuan was not stupid. He looked at him. which aspect? "

"IQ and EQ." President ye was so happy that he showed his white teeth.

Wen Yuan acknowledged and then said to little ye Hui, " "Daddi said you're stupid."

ye hui's eyes were wide open, like black grapes, filled with tears.

She looked at her father with hurt in her eyes, and then she burst into tears.

Daddy is so bad, he actually said baby is stupid.

Wen Yuan's voice was very gentle. let daddy sleep with you tonight. I'll coax you to sleep, okay? if he's in the wrong, does that mean he has to coax the baby to be happy? "

the way president ye looked at his wife was very different.

"i'm sleeping with xiangnan," wen yuan replied with a smile.

President ye poured a glass of red wine for himself nonchalantly and looked at Xiang Nan. "boys yingluo"

xiang nan's little face was filled with desire, but at the same time, she had some backbone."Boys should sleep by themselves."

"I told you, he looks like me." Ye mu Bai nodded in satisfaction.

Xiang Nan's little face was still red, and after a long time, she finally made a big move."daddy's a boy too, so will he not sleep with mommy in the future?"
