Chapter 4101: Don't mention divorce again (7)

after a long time, qin mo finally left and went to the bathroom to take a shower.

he wasn't actually satisfied yet, but he couldn't do it again tonight or for the next few days.

When he lifted the blanket and lay down beside her, he Huan seemed to have woken up for a while. She instinctively wanted to move back, but he held her waist and said in a low and hoarse voice, "don't move. I won't touch you.

As he said that, he felt a little bitter.

He lay flat and whispered, "when you're better, you can go wherever you want. Just two things. You're not allowed to meet him. Yingluo and Yingluo.

"and remember to go home," he said in a lower voice.

...

he huan's body was pressed against him, and she lay quietly beside him. he didn't know if she had heard him.

However, he knew that she had heard it.

she stayed by his side and pretended not to hear him. she had always pretended not to know that he loved her.

she suddenly turned around, reached out, and pulled her thin body into her arms, hugging her tightly.

"you said you wouldn't touch me," he huan said hoarsely.

Qin Mo's face was buried in her neck, and his lips touched her delicate skin. He Huan was always out and did not take care of herself, so she did not know why her skin was still so fine.

She was very good-looking, but her body was thin, and her skin was white.

he felt that he couldn't bear it anymore even with such a light touch. he said in a low voice, he Huan, I'm your husband. Hugging is a common thing between husband and wife. Time to sleep.

He Huan felt that his entire body was buried in her neck. It was uncomfortable, and she was very hot, so she tried to struggle."I want to drink some water."

"I'll get up and help you pour it." Qin mo moved.

with one arm supporting him, he went to the living room to get a cup and poured a cup of warm water for her. when he came back, he sat on the side of the bed and helped her up, wanting to feed her.

"I'll drink it myself," he Huan refused.

however, qin mo insisted, so she just leaned on his shoulder. as long as she looked up, she could see his good looking chin and deep-set facial features. qin mo was an extremely good-looking man, and his temperament was cold and hard. he was different from that person. why did she feel that they looked similar in the first place?

as he thought about it, he drank it in small sips.

after drinking, qin mo's voice was a little hoarse. "lie down and sleep."

He put the cup aside and turned her over, his hand touching her back.

"What are you doing?" he huan was a little frightened. she panted and reached over to grab him.

Qin mo stared at her. what are you thinking about? I was just checking to see if you were sweating.

as he said that, he put down her clothes and helped her straighten her body.

Seeing her close her eyes and sleep, he was no longer sleepy. He wanted to smoke a cigarette, but looking at her sleeping face, he couldn't bear to leave Hanhan for a moment, so he spent the night like this.

he huan woke up in the morning and was drenched in sweat.

his body felt relaxed as well, as if he had been reborn.

qin mo was still sleeping. she took the opportunity to look at him carefully. she looked at his eyebrows that were still furrowed in his sleep. he must be unhappy to have such a wife who was always out.

He Huan smiled bitterly. After that incident, she really couldn't lie on the same bed with him every night and pretend to be a loving couple. She didn't even want to see him once or twice a year.

He said that she liked someone else, so it was considered that!

He Huan sighed and wanted to take a shower and change her clothes, but he pushed her down on the bed.

She looked up and saw Qin Mo's dark eyes.

"where are you going without saying goodbye again this time?" He stared at her, his voice tense, especially his Adam's apple moving slightly, full of the dangerous power of a man.

Chapter 4102: Don't mention divorce again 8

"i'm going to take a shower." he huan turned her face away.

He stared at her, as if to confirm that she was not lying. After about ten seconds, he let go of her, rolled to the side, and got out of bed. As he got dressed, he said, there's a meeting this morning. You should stay at home and rest. I'll come to pick up your yihuan in the afternoon.

He Huan sat on the bed. Her lips moved, but she did not say anything.

qin mo tied his tie and looked at her. " didn't you say that you're staying? we'll naturally stay together. we'll bring yihuan back and take care of her. "

"qin mo!" he huan straightened his body.

qin mo's voice was a little hoarse. " if you feel that our relationship is not strong enough, we can have another child. "

...

"I don't want children." He Huan shook her head.

He walked over, bent over, and reached out his hand to gently caress her lips. then be good and listen to me. You can do whatever you want, but don't do anything that makes me unhappy.

He Huan lowered her eyes. must you be so overbearing? "

"unless you don't want to see yi huan anymore," he continued after a pause.

with that, he straightened his body and walked towards the door without any reluctance.

he huan was so angry that she threw a pillow at him. it hit the back of his waist and the pillow fell to the ground.

He turned around and stared at her for a while, then picked up the pillow and put it back gently.

he huan glared at him.

Qin mo didn't want to do anything at first, but when he saw her, he couldn't help but hold her shoulder and kiss her.

she was shocked. she hit him, but he showed his fierce nature. he pressed her directly into the bed and kissed her fiercely. she refused, so he pulled down his pajamas and bit her snow-covered shoulder hard.

He Huan gasped softly, as if he was on the verge of breathing.

Qin mo bit down hard, almost to the point of bleeding.

after a long time, he buried his face in her shoulder and said in a low and hoarse voice, " "You heartless little thing."

He Huan's heart was moved.

he lifted his handsome face again and stared at her.

he huan bit her lip and did not say a word. she did not care about the bite marks on her body.

On the other hand, Qin mo helped her pull up her clothes and smiled. "next time, if you're not obedient, i'll bite you like this. if you're not obedient, i'll torment you. let's see if you're still obedient."

He got up and looked at her again as he left.

he huan didn't want to look at him, so she turned away.

qin mo's eyes darkened. he didn't say anything and left immediately. the meeting this morning was very important.

When he went downstairs, he met his mother and smiled. "Morning, mom."

"How's he Huan?" ye Liangqiu looked upstairs.

” it’s fine. it’s not burning anymore. i’ll come and pick them up tonight. ” qin mo took a sip of milk and said in a calm voice.

since her son had said this, the mother could not say anything. she only asked him to give in to he huan. since he cared, why not treat her better?

qin mo was stunned for a moment. he smiled and did not say anything.

when he arrived at the office, his secretary had already placed the documents for the meeting in front of him. he flipped through them.”did kang qiao come to the company today?”

the secretary smiled. ” i heard from his assistant that i’m here. i have something important to do today. ”

“isn’t it just xu mo being discharged?” qin mo snorted.

he shook his head. ” he’s lost himself. he doesn’t want his future anymore. ”

The Secretary was his confidant. He said, ” ruan Yun picked an artist from the company’s trainees. It seems like she wants to manage him again. President Qin, do you want to ask? ”

“we’ll talk about it when we’re famous.” qin mo said calmly. he did not care much about ruan yun ...

Chapter 4103: That’s right, I’m sticking to you (1)

In the hospital, Xu Mo was sitting on the bed. Today was the day she was discharged.

Kang Qiao went to handle the discharge procedures. She sat alone, feeling bored and speechless.

He was so busy, as if her business was his, but she didn’t need him to do this.

At this moment, Wen Yuan also came over with a bouquet of flowers in his hand.

Xu Mo looked at her. why are you buying flowers? roses.

Wen Yuan placed the flowers in her hand and smiled. “i didn’t buy it, kang qiao bought it.”

...

as he spoke, he stuffed the flowers into her hands.

Wen Yuan was stunned for a moment. He looked at the flower in his hand and did not come back to his senses for a long time.

at the door, kang qiao stood there and smiled, ” “Let’s go home.”

xu mo raised his eyes and looked at him quietly, a hint of loss in his eyes.

alright, ” he said, smiling as he walked closer and picked up his luggage. alright, let’s go back.

Wen Yuan drove here. Xu Mo wanted to take her car, but Kang Qiao brought her into his car after she put her luggage down.

xu mo was stunned for a moment, but he still sat on it.

kang qiao drove a dazzling bentley mulsanne. when the car drove out, there were actually a few fans standing at the hospital entrance asking for an autograph. he also stopped the car and rolled down the window to give them an autograph.

Of course, a few fans also saw Xu Mo and whispered, ” “Kang Qiao, is this your girlfriend?”

Kang Qiao signed and handed it over, smiling,”yeah, she’s my girlfriend.”

“Wow, can we take a photo together?” the fans took the opportunity to request.

xu mochai wanted to refuse, but kang qiao had already unbuckled her seat belt and pulled her over to take a photo with her fans.

she only glared at him after the fan left.”How could you do this? what if they post it?”

so be it. Who said I can’t get a girlfriend or get married? Xu Mo is 2019 now. he smiled nonchalantly and even helped her buckle up her seat belt. his actions were very intimate.

Xu Mo turned his head and ignored him.

“do you like the flowers?” He continued driving. although your age doesn’t match pink roses, I still think Pink roses are better for your first time. Girls will like them.

Xu Mo wanted to throw the flowers away, but the window was rolled down, so she closed it again in embarrassment.

a faint smile appeared on kang qiao’s face. he was very happy.

“Kang Qiao, you can leave when I get home. Don’t come here again.” She pursed her pale lips and said softly.

Kang Qiao’s fingers were on the steering wheel,”you’re so cruel?.”

Xu Mo bit his lip. our Yingluo is nothing.

” in that case, yueyue, you can give me a status, or i can give you a status. that should be enough. cohabiting shouldn’t be a problem. ” he said softly.

She didn’t say anything. Anyway, she would go back to work after she recuperated, and they wouldn’t meet.

but what xu mo didn't expect was that when she returned to her apartment, teacher kang was there and was busy cooking.

kang qiao carried the luggage and closed the door with one hand, leaving xu mo standing there.

Teacher Kang came over and was especially enthusiastic."You're back. Kang Qiao, quickly take Xu Mo to rest."

"Teacher Kang, what are you doing here?" She actually wanted to ask him how he got the key to her house, but she was an elder who cared so much about her. If she couldn't ask such a question, she would be too ignorant.

how could teacher kang not know? he played dumb and only laughed."Kang Qiao said that you were discharged from the hospital. He said that your body was weak and needed some nourishment."

Chapter 4104: That's right, I'm sticking to you 2

Teacher Kang continued, "I just thought that the food outside is unhygienic, and it would be too tiring for you to cook it yourself, so I came over. Xu Mo, don't be jealous that auntie's cooking doesn't taste good.

Teacher Kang automatically referred to herself as an Auntie. Who asked her son to like her? she was also quite happy. Her son was finally willing to get married. Whether they had children or not was another matter. It was up to them to like her.

In teacher Kang's opinion, it would be better to have a few years of their own time. How could life be wasted on having children!

After teacher Kang said this, how could Xu Mo squeeze out half a no? he could only smile slightly and go to the sofa to rest.

wen yuan had also come over. after greeting teacher kang and helping xu mo clean up his room, he found an excuse to slip out-

Xu Mo didn't even have time to call out.

...

she was like a small fish on an iron plate, being fried by kang qiao. she was anxious.

"Watch TV for a while and lie down after you're done eating. I'll peel an Apple for you." Kang Qiao bent over, his voice was so gentle that it was as if he was spitting into her ear.

xu mo raised his eyes.

he smiled and walked into the kitchen.

Teacher Kang heard it and took out a big red apple to wash it. Kang Qiao took it and washed it.

"i'm thick-skinned enough to help you woo your wife," the mother said. "don't let me down."

kang qiao smiled,"i'm sleeping here tonight?" He's the eldest grandson?"

Teacher Kang spat at him. Xu Mo's illness is better. You're such a beast. You can't wait!

this conversation was a rare open-minded one. kang qiao smiled and skillfully peeled the apple, cutting it into four pieces and giving one to teacher kang. "eat some before you cook."

Teacher Kang took a bite and felt that it was very sweet. Then, he continued to cook.

in the small living room, xu mo sat uneasily.

it was her own home, but with kang qiao and his mother around, it made her feel as if she was a guest.

kang qiao came over and sat beside her naturally. "Why aren't you watching TV?"

xu mo lowered his voice and said, "when are you leaving?"

He stuffed a piece of Apple into her mouth and wrapped one hand around her shoulder. He leaned closer and said, "I told my mother that I'm not leaving. I'll sleep here tonight."

Xu Mo's eyes widened and he glared at him. "Kang Qiao!"

he smiled and reached out to pinch her face. "you believed me when i lied to you?"

xu mo still glared at him. "you have to leave after eating anyway."

Kang Qiao didn't say anything, he just looked at her. Xu Mo turned his head and ate the Apple fiercely.

"i'm going to see what my mother has made," he said with a smile as he leaned over.

Kang Qiao got up. Xu Mo was still eating his Apple, biting it hard.

She felt a little confused, as if they were a family of three!

kang qiao went to the kitchen to help his mother. he was a good cook, so it was a waste of his talent to help.

Mrs. Kang was quite happy as well-she hadn't been this close to her son in a long time. She lowered her voice. "aren't we being particularly unkind?"

mom, how can you get a girl if you're not thick-skinned? you don't know how difficult it is to deal with Xu Mo. Do you think she's touched after all these days? "As Kang Qiao spoke, he thought of the male b * tch that Xu Mo used to call him, and felt a little depressed.

Teacher Kang just smiled and made a pot of delicious chicken soup, steamed white fish, and stir-fried two dishes. Kang Qiao brought it over, and Xu Mo stood up, "i'll get the rice."

At first, Kang Qiao refused, but after thinking about it, he smiled, ” “Alright,” he said.

Chapter 4105: that’s right, i’m sticking to you (3)

xu mo felt that he was acting strange. when she went to wash her hands, she called wen yuan. ” wen yuan, are you really not going to eat with us? the atmosphere here is very strange. it feels like i’m meeting my mother-in-law. ”

on the other side, wen yuan smiled. xu mo had finally realized this.

“Teacher Kang is a very nice person.” She did not say anything.

It was very good! it was just too good!

xu mo muttered in a low voice.

“you can drive. come and accompany me when you’re free,” she said gloomily.

...

mm. Wen Yuan hung up the phone and went to ye mu Bai’s company to have a meal with him.

ye mu bai was surprised to see wen yuan in his office when he returned from his car.

“Wen Yuan was the one who told me not to tell you,” Secretary he said with a smile.

ye mu bai rolled up the documents in his hand and knocked on wen yuan’s shoulder. ” “Do you want to eat here or go outside?”

Wen Yuan saw the slight fatigue on his face and smiled. “Just eat here. You can eat whatever you usually eat. There’s no need to go out of your way.”

Ye mu Bai turned around and gave her some instructions. Secretary he nodded.”just wait for a while.”

After she finished speaking, she went out to do it.

ye mu bai took off his coat and threw it on the sofa. he loosened his tie and sat beside wen yuan. ”
“How’s Xu Mo? why didn’t you eat with her?”

Wen Yuan glanced at him and sighed, ” “how can i have a chance? kang qiao and the teacher are there. it’s a bit weird for me to stay! don’t you think so?”

Ye mu Bai smiled and put his arm around his wife’s shoulder. look at how sore you are.

“i’m not sour.” Wen Yuan was furious.

he was still smiling,”i’m the one who’s jealous, okay? i can’t bear to see other people in love, yingluo.”

He moved closer to her and bit her soft ear. ” mrs. ye, when will we start dating? ”

Wen Yuan patted his handsome face. be serious. Secretary he can come in at any time.

“She wouldn’t dare! She knows that I’ll be in heat for you at any time.” President ye smiled happily but restrained himself and only kissed her on the cheek.

After a while, he seemed to have thought of something. by the way, do you know something? ruan yun is no longer kang qiao’s manager. she picked another male artiste to lead, and he looks like he’s going to be a big hit. it’s undeniable that ruan yun has good taste in picking people.”

Wen Yuan looked at him and whispered after a long time, ” “did kang qiao end their cooperation because of xu mo?”

“What do you think?” ye mu Bai threw her a look.

wen yuan was not sure at first, but now he was sure. after a moment of silence, he whispered, ”
“Kang Qiao and Xu Mo are very suitable, but they are both lonely on the inside.”

I’ve said it before. One of them is a demon, and the other is an Angel. They complement each other.
Ye mu Bai rubbed her face. you just don’t believe me.

“not much of what you said is true,” wen yuan said as he looked at him.

“i love you! This is true.” He suddenly said.

wen yuan,”do you have to do this?”

fortunately, secretary he pushed the door open and came in with a few wooden lunchboxes in his hands. they looked very exquisite.

secretary he placed the food on the table. ” enjoy. ”

she ran away as soon as she finished speaking because president ye’s hand was still on wen yuan’s waist. she did not dare to continue looking at him.

“Eat!” ye mu bai opened the box, and wen yuan looked at it. the dishes inside must have been made by the chef in the villa where they used to live. she looked at him.

Ye mu Bai smiled. I knew you were coming, so I made an extra set.

Chapter 4106: That’s right, I’m sticking to you (4)

when wen yuan was eating, xu mo had already finished his meal.

kang qiao saw that she had cleared the bowl, so he immediately stood up. ” i’ll help you to your room to rest. ”

Xu Mo subconsciously refused. there's no need. I can walk on my own!

"alright, you can sleep first." kang qiao didn't force him.

He sat down and continued eating with his mother.

Teacher Kang always felt that the mother and son were being a little unkind, but for the sake of her son's happiness, she could only thicken her face. After she finished eating, she said softly,"then i'll go first. i'll come over when you need me."

...

she had to give him some private time.

Kang Qiao nodded and walked her to the door. He wanted to say something but didn't.

teacher kang thought for a moment and said, " kang qiao, xu mo is a good girl. if you are together, you should cherish ran ran. you are not young anymore. you understand what i mean. "

Kang Qiao's heart ached, and he nodded slightly. Only then did teacher Kang relax a little and leave first. She still had classes at the House of Love in the Afternoon, and she had to take care of Xu Mo since he wasn't around.

Kang Qiao closed the door. He wanted to smoke a cigarette, but gave up after thinking about it.

He went to clean up the dishes, washed them, and carefully washed his hands before he walked into Xu Mo's bedroom.

She had fallen asleep, probably because she hadn't come back to sleep for a long time, and because she didn't sleep well in the hospital, she was particularly deep now. She didn't wake up even when he came in.

Kang Qiao didn't want to take advantage of her, but he was a mature man after all. After confessing his feelings, he didn't have many opportunities to get close to her.

At this moment, she had fallen asleep.

he walked over quietly and sat down gently. his fingers caressed her face uncontrollably. after a while, he lowered his head and kissed her uncontrollably.

The light kiss was slowly not enough, and he gently pried open her lips.

his superb skills made even xu mo feel very comfortable in his sleep. at first, he passively accepted it, and after he withdrew, she put her arms around his neck in dissatisfaction. her red lips opened slightly, and her voice was hoarse.”what’s wrong with kang qiao?”

then, she woke up as well.

when their eyes met, xu mo’s face was a little red. she bit her lip and turned to the side.”take advantage of him!”

He looked at his watch and secretly thought that teacher Kang had left. He then revealed his true nature and kicked Kang Qiao. Kang Qiao didn’t Dodge, and the kick landed on one of old Kang’s children.

“your qianqian is really ...” He bent over and covered the place where he had kicked, then slowly lay down to catch his breath.

Xu Mo was also frightened. Did he get kicked and die?

She didn’t want to be forced to take responsibility. When she was about to ask, her waist was pinched by him, and she fell on the soft bed. Kang Qiao then laid on top of her.

He carefully held himself up so that he wouldn’t crush her, and his hands clasped her fingers tightly, not giving her a chance to escape.

“so cruel?” his voice was hoarse.

as he spoke, he kissed her soft lips.”I just didn’t satisfy you. Why did I hit you so hard, huh?”

Xu Mo was trapped by him like this, and the corners of her eyes were a little wet from anxiety. She bit her lip. let go of me! Kang Qiao, what are you doing?"

A touch of hurt flashed across his handsome face. After a long time, he said in a low and hoarse voice, " "I just care and I just want to be with you. does it mean that xu mo doesn't have the right to love someone he missed?"

she tried to break free again, but she couldn't. she didn't want to get herself injured because of the argument. besides, he couldn't really do anything to her in her current state, so she softened her body and said,"In any case, it wasn't you!"

Chapter 4107: that's right, i'm clinging onto you (5)

Kang Qiao looked at her and smiled,"why not me?" who else do you want to be with other than me?"

ji mo's face was still turned away.

Kang Qiao suddenly took out a piece of paper from his pocket and stuffed it into her hand.

"This is the betrothal gift." he said.

xu mo was a little stunned. she picked it up and thought it was a property ownership certificate or something, but she was stunned when she picked it up and read it.

it was an HIV test report.

...

Kang Qiao smiled,"Yin attribute." there's no need to investigate anymore, because there won't be anyone else."

as he spoke, he nibbled on the tip of her nose and rubbed his head against her neck.”do i have the right to be with you now?”

Xu Mo was speechless. She was angry and amused at the same time. She was afraid that he would do something rash, so she leaned on his shoulder. it’s not counted like this.

Kang Qiao’s eyes darkened. He stared at her and called her name, ” “xu mo, i’m not young anymore. i’ve long passed the time when i’m impulsive. it’s also true that i want to be with you.”

xu mo was silent for a long time before he whispered,”you can’t give you anything. i only have a family of love, and it’s all about money!”

“I can help you.” “i don’t want you to suffer so much!” kang qiao muttered.

She stared at him for a long time before she whispered, ” ” kang qiao, this is a big trap. it’s fine if you don’t do anything that will make us lose money. i remember how well you’ve been treating me these days, but feelings can’t just be moved. ”

“Then what about meaty as one?” “I want you. What about you?” he looked at her with a burning gaze.

he knew that she didn’t have a man, and perhaps she didn’t plan to have a man. she must have some physiological needs, right?

xu mo was shocked by his wave of words and couldn’t say a word for a long time. after that, she reluctantly said, ” “this is none of your business.”

kang qiao’s thin lips touched her ear, ” “We can try. This time, I will be loyal.”

She didn’t dare to believe him, or rather, she didn’t want to believe him.

kang qiao’s eyes fell on her face. after a long time, he said in a hoarse voice, ” xu mo, i won’t give up. let’s live together first. you can try me. ”

As he spoke, he leaned over and lowered his head to kiss her. His voice was a little muffled.”from now on,”

she moved a little and felt a little clenched.

but he held her wrist even more tightly, his voice low and hoarse. ” don’t be afraid. i won’t really come unless you’re willing to sit on me! ”

What happened after that was a little hard to explain. Xu Mo never knew that Kang Qiao didn’t mind doing that for a woman.

no matter what, kang qiao stayed here. in the first few days, teacher kang would come over to cook from time to time, but later, she simply didn’t come. kang qiao knew how to cook anyway.

After a week of rest, Xu Mo had gained some weight. Her face wasn’t as thin as before, and it looked rounder. She was sitting on the sofa watching TV, holding an Apple that Kang Qiao had peeled.

she looked around attentively, but didn’t see kang qiao sitting beside her.

he was dressed in home clothes and had moved some of his things over. sometimes, when there were important activities, he could go back to his place to change, but the place was still too small. he had told xu mo more than once, but she refused to move over.

kang qiao didn’t say anything.

he sat beside her and reached out to pinch her face. he smiled slightly.”What are you looking at?”

” a variety show. ” xu mo’s eyes were still staring at the tv, not moving away.

Chapter 4108: that’s right, i’m clinging onto you (6)

kang qiao was a little unhappy. he picked her up and put her on his lap.

Xu Mo wriggled a few times. Kang Qiao, what are you doing? ”

Kang Qiao held her waist and pressed his face against the soft flesh behind her ear.”you really don’t see me as a man or a nanny anymore?”

Xu Mo bit his lip. I’m watching TV.

He kissed her and his voice was already a little warm.”You can Continue reading. This matter is not a problem.”

He held her waist, turned her face around, and kissed her uncontrollably.

...

xu mo bit his lips. ” “i can’t watch tv anymore.”

“i was wrong.” “Back to the bedroom,” he chuckled.

As he spoke, he picked her up horizontally. Xu Mo struggled in his arms.”I don’t want to! i want to watch tv.”

“I want to do it.” he whispered in her ear, ” after serving me for so many years, you have to give me something in return. if i keep holding back, i’m going to break down. ”

Xu Mo’s face was a little red, and his fingers were wrapped around his neck. His thin fingers gently rubbed against his slightly thick and hard muscles, but he did not say anything.

Kang Qiao saw that this time, she acquiesced more than resisted, so he went back to the bedroom and kicked the door open. He kissed her as he stumbled to the bed. Xu Mo’s dress was very convenient, so he got on her in a few moves ...

But Kang Qiao hesitated, and his voice was hoarse, ” do you have that thing here? ”

xu mo was touched up and down by him, but he stopped at this time and grabbed his hair somewhat impatiently.”Kang Qiao?”

He smiled and asked again.

Xu Mo’s face turned to the side. why do I have this kind of thing here? ”

“wait a minute, i’ll go buy some.” kang qiao kissed her.

xu mo bit his lip and looked at him. ” it’s already so late. forget it! ”

With Kang Qiao’s situation, how could he let it go?

He stood up, tidied his clothes, and went out with his wallet.

Xu Mo was lying on the bed and let out a long breath. He was really serious ...

actually, there were other ways!

at this time, he wasn’t here, and xu mo was alone, so she could calm down and think about it.

She could feel his kindness and seriousness towards her these days, so she didn’t resist living with him. However, it was only limited to letting him enter her life, and she wasn’t ready to enter his.

She still kept it, afraid of being hurt.

She told herself that this was it for the time being. Not getting married and living together was actually a good thing.

Maybe a month, half a year, or a year. When Kang Qiao felt tired, he would naturally leave.

at that time, she could also move to another place, change everything, forget him, and start over.

as xu mo was thinking, kang qiao came back.

After a slight sound at the door, it was followed by the sound of Kang Qiao closing the door. His steps were very fast, almost as if he could not wait to enter.

Xu Mo leaned on the side of the bed.

he took off his coat at the door, followed by his belt, in a hurry.

When he covered her, he nibbled on her soft lips and murmured, ” ” i haven’t had a woman for almost half a year. have i been very obedient? ”

after that, there was only chaos and anxiety in yu wang’s heart. they had been away for a long time, and they had done it before, so there was no need for words.

he was concerned about her health the whole time. he didn’t dare to enjoy it too much and only dared to let her go after two times. however, it wasn’t enough for him. he went to the bathroom to take care of himself again before coming back.

Xu Mo was so tired that he fell asleep and lay there quietly.

It had been a few months since they last had sex. She didn’t regret it this time. She would just treat it as a man-woman relationship.

Chapter 4109: that’s right, i’m clinging onto you (7)

Kang Qiao knew what she was thinking, but he didn’t say it out loud.

he changed into a bathrobe and lay down beside her. ” “Shall I carry you to wash up?”

Xu Mo turned sideways and rested his face on his shoulder.”no, i just want to lie down.”

kang qiao thought for a while and went over to look at her stomach. he was only relieved when he was sure that the operation place was fine.

He lay down and looked at Xu Mo. “so we’re officially cohabiting?”

Xu Mo opened his eyes and looked at him through a slit.

...

kang qiao smiled and kissed her,”time to sleep.”

She buried her face in his arms and smelled the nice scent on his body. She vaguely asked herself if she regretted it, but she didn’t. Xu Mo thought, just let it be. He wanted it, and she was willing to give it to him.

as for what she was unwilling to give, it was still the same.

from that day on, kang qiao and xu mo were living together. he never hid the fact that he had a girlfriend, and he didn’t hide the fact that this person was xu mo. probably because of his good man image, kang qiao’s popularity soared again, and many people were waiting for his official announcement.

kang qiao refused to create hype, because xu mo was the woman he wanted to spend the rest of his life with. he only posted a back view on weibo and wrote: she’s very ordinary, but i like her very much. it should be for a lifetime!

‘forever’ was a very serious word. even an artiste wouldn’t dare to use it easily, let alone a very popular one like kang qiao.

but he did, and he even confessed.

Kang Qiao’s fans were boiling with excitement. Later on, they dug out the photo of Xu Mo being discharged from the hospital. Xu Mo’s identity as the Heavenly King’s wife was finally confirmed, and her identity was also dug out. She was actually the founder of House of Love.

In a short time, Kang Qiao was at the peak of his career. His fans collectively requested that Kang Qiao replace Bai Jingting as the spokesperson of House of Love, to be with Xu Mo and his wife.

Kang Qiao didn't say anything, but Bai Jingting expressed that he was willing to partner with Kang Qiao to be the spokesperson and work hard for family of love. This wave of popularity was very good. Fans said that the artistes from star light film and television were not as good at hyping up as those from King Entertainment. In the end, they really did shoot a set of promotional videos together.

Then, the fans who were shouting about the Kang and Bai couple broke their throats again. The entertainment industry and Weibo were lively for a few days.

when xu mo and wen yuan met, wen yuan smiled. ” “Do you want to go shopping? I'm not afraid of my husband being snatched away by a woman, but I'm most afraid of my husband being snatched away by a man.”

Xu Mo bit on his straw. then, the three of us will be together? ”

“Make their beds!” wen yuan knocked on her and scolded her with a smile!

xu mo laughed. ” as long as they're willing, i have no problem with it! ”

“how does it feel to be the center of attention?” wen yuan asked, supporting his chin.

Xu Mo smiled. I don't feel anything else, but the House of Love has received a lot of charity. It's pretty good. It's also a wave of hype thanks to the celebrities.

she did collect a lot. after she went back, she sat on the sofa and calculated with a calculator. when kang qiao came back, it was already nine o 'clock at night. he took off his coat and covered her head, then took her small account book to read.

Xu Mo laughed after taking a look. He pulled down the clothes on his head. Kang Qiao, you're too evil.

“you’ve received so much money and you don’t allow me to take a look?” he smiled. ” where’s the money? ”

“what kind of money?” Xu Mo threw his clothes aside. it’s from the House of Love.

Kang Qiao still smiled. at least buy me some clothes and treat me to a meal. I’m the one who attracted this wave of traffic. I even sacrificed my reputation to be with Bai jingxuan.

you’re the one who’s eating young grass. I’m just a little puppy. Xu Mo snorted.

Chapter 4110: Do you think I won’t be angry?(1)

Kang Qiao looked at her and smiled after a long time, ” it’s an old cow gnawing on young grass, not Bai jingxuan, right? it should be you.

xu mo rolled his eyes at him and packed his things.”have you eaten?”

Kang Qiao was a little surprised. These days, she had been indifferent to him. Why would she care so much about his meals?

Xu Mo raised the things in his hand,”didn’t I say I wanted to treat you to a meal?” I’ll make it for you.”

Kang Qiao pulled her over and placed her on his lap. He put his thin lips on her neck and rubbed it,”i’m hungry.”

“i’ll cook for you.” “put me down,” she said, patting him.

...

but kang qiao didn’t let her go. he still held her waist and said in a hoarse voice,”i’m hungry.”

Xu Mo looked at him.

his eyes were very bright, and it was the desire unique to men.

she thought about how he hadn't touched her for the past few days. as for the reason, it was because her period had just ended today. how did he know?

Xu Mo's face suddenly turned red as he bit his lip and glared at him.

"i saw you drink cold water." kang qiao chuckled.

after he finished speaking, he couldn't help but press against her neck and kiss her. " go to the room. the sofa is too hard and you'll feel uncomfortable. "

he picked her up, and xu mo struggled a little. " "I want to eat."

"I'll cook for you if you do it once," He bit the tip of her nose, carried her into the bedroom, and kicked the door open.

xu mo was placed on the soft bed by him and sank deeply. she bit her lip and punched him. " "kang qiao."

kang qiao absent-mindedly responded with an "oh" and started to work. at the crucial moment, xu mo was unwilling. he panted as he hugged his neck, not letting him come over. as he spoke, his hot breath blew onto his neck,"if you're really with me, then if there's anyone else, pack up and get lost."

He made another "Oh" sound, then lifted her up, face to face, and nibbled the tip of her nose. you're willing to let me get lost? if I get lost, who's going to cook for you? who's going to serve you so comfortably? can you be so satisfied? "

As he spoke, he whipped Xu Mo so hard that he couldn't say a word. But this wasn't enough. He leaned over to kiss her chin and asked her vaguely if she was feeling comfortable. Xu Mo was being tortured miserably. He didn't know how to control himself, so she called him shameless and a bastard.

kang qiao laughed quite happily, and he really meant what he said. after he finished, he said in a low voice,"let's have a few more rounds after dinner."

Xu Mo didn't have the strength to pay attention to him. He turned his face away and kicked him.

He smiled and did not get angry with her. He took a tissue and helped her clean up. He did the same and gave her a kiss with a refreshed expression."I'll go cook."

"hello," he said. Xu Mo called out to him.

Kang Qiao was surprised, " I thought you wouldn't talk to me.

Xu Mo sat up and leaned against the head of the bed, looking a little weak and beautiful. She looked at him and the surroundings, and said softly, " "Kang Qiao, you really don't have to stay here every day. My place is too small, and I know you are used to living in a big house."

In fact, they were not suitable for each other. Kang Qiao's goal was really different from hers.

Kang Qiao looked at her quietly for a long time before he smiled faintly, " "Sure, if you move in with me, I'll leave."

"Why do you have to do this?" Xu Mo sighed.

Kang Qiao's voice was low, " I won't change my words. I hope you won't change either!
