Chapter 4531: Qin mo, you're doing well (1)

qin mo looked at her pale face and was a little worried. when he got out of the car, he gave secretary he a call. when he huan asked him what it was, he only smiled and didn't tell her.

"you're acting so mysterious," he huan looked at him and snorted.

"It's a good thing." Qin mo smiled.

he huan muttered and ran away.

She was wearing a black jacket today and her hair was tied up. She looked much healthier because of work, and even her face was red.

She ran around and arranged work while Qin mo stood at the same place and looked at her quietly.

...

At this moment, she should be happy.

He Huan, who was at work.

after he huan finished her work, she turned around and saw qin mo standing there quietly, looking at her.

she went over. " why are you looking at me like that? "

Qin Mo's eyes darkened, as if many emotions were hidden in them. However, this only happened in an instant. He returned to normal very quickly and reached out to gently stroke her hair. His voice was even lower as he said, " no, I just think that you're quite good like this.

he huan's expression was a little strange, as if he was looking at an idiot.

This was the first time Qin mo had received such treatment. He smiled and said, " alright, get ready.

he huan looked at him again before going to look for ai mengmeng.

AI Mengmeng was putting on makeup. She had actually just changed into clothes that were more difficult to wear. Her hair and everything else were all natural. At a glance, it looked like she was still living in the mountains.

Rong Yue was right beside her. Looking at her plain appearance, he and his breathing were very light, as if he did not dare to wake up from a dream. It was as if he was afraid that if he blinked, it would turn into a dream bubble. He was afraid that she was still here, and he would wake up in an apartment in B city.

After AI Mengmeng finished putting on her makeup, she also looked up at Rong Yue quietly.

There was some uneasiness in her eyes.

in fact, everything that she originally belonged to in B city was like a dream. rong yue was also like a dream to her.

Now that he saw her like this, would he still want her?

Her eyes were filled with uneasiness, but Rong Yue's thoughts were still very delicate. He smiled at her and said, " "this looks pretty good."

"Really?" AI Mengmeng asked carefully.

Rong Yue didn't say anything more. He just pulled her hair and then started filming.

He Huan was in charge of the camera, and AI Mengmeng's acting was also very good. The progress was not bad.

While he Huan was working, Qin mo chose to stay in the big bar to edit his videos and busied himself the entire day. Lunch was also settled simply.

He had thought that he would get the same treatment as last night after work, but when he saw the hotel, he realized that something was wrong. It was a completely different place and had been completely redecorated. Although it was simple, it was very clean.

He Huan walked slowly and turned around to look at Qin mo. "how did you do it?"

it was easy to do this in B city, but it was very difficult in such a remote place.

he huan looked at qin mo and qin mo smiled. "it's air flown over. it's not that difficult. "

he said it casually, but he huan was still very touched. her little nose was red, and her eyes were watery as she looked at him.

"silly." He smiled and reached out to ruffle her hair gently. Then, he pulled her into the house.

Behind them, AI Mengmeng was also in awe. She found it unbelievable.

"You have to keep your chin back," Rong Yue reminded her.

Chapter 4532: qin mo, you're doing well (2)

"you have to keep your chin back," rong yue reminded her.

"Oh," she looked at him,"President Qin is so amazing."

"the power of money!" rong yue smiled.

"But I think you're better," AI Mengmeng bit her lower lip.

she looked at him after she finished speaking.

rong yue gave a warm smile. " really? "

...

"Really." AI Mengmeng nodded her head hard.

Rong Yue touched his chin and smiled gently. "Why do I feel that you look a little silly?"

AI Mengmeng was dumbfounded by his words. After a long while, she said in a low voice, " do you hate me for being silly? "

after she asked, rong yue was speechless for a long time. then, he smiled and said, " i said you're stupid, but you're really stupid. you're like a pig."

AI Mengmeng was even more confused about how silly Yingying was.

however, when they returned to the room, the similarly renovated place still made them feel a lot more relaxed. there was even a bathtub. it was a little extravagant for just a few days of work.

ai mengmeng felt a little uneasy. after all, she had been taken care of in such a way.

Compared to her uneasiness, Rong Yue was much calmer. He said calmly, " "President Qin, it's because he Huan prepared it. We're just doing it on the way, so don't feel pressured. Just accept it. the entire crew will receive the same treatment."

ai mengmeng only calmed down a little when he said that.

However, there were still differences in the decorations. In just one day, he Huan and Qin Mo's room was changed to a pink one. Even the bathtub was pink.

he huan was speechless.

“What’s the matter?” Qin mo smiled.

He Huan walked in and looked around before turning around. ” it’s all pink. qin mo, are you confused? ”

Qin mo chuckled softly. what’s wrong? ”

he huan bit her lip. ” i mean, you’re a man. why are you wasting your time in a place like this? ”

that’s why you’re acting like this. Do you think I’d allow it if this was where we lived? ” He walked over and hugged her from behind, resting his chin on her shoulder.

“i don’t think i’ll like it.” he huan was still a little speechless.

“But I like it.” Qin mo smiled. you won’t have such an opportunity in the future.

” i don’t want such an opportunity. ” he huan snorted and went to the bathroom. she couldn’t wait to take a bath. she was too dirty.

She thought that the pink Qin mo would not want to date her. However, she had underestimated Qin Mo’s moral integrity.

But fortunately, she could still take a bath after a long day, even though he had taken advantage of her.

he huan was even more tired. she went back to the soft bed and lay down. she rubbed her little stomach. Qin mo, can you give me some food? I’m so hungry.

He smiled and made a phone call. After a while, two sets of crispy chicken and rice were served. Although it was not a big meal, it was a big meal for someone who had been eating bread all day.

He Huan ate happily and smiled at Qin mo. “qin mo, you’re so good.”

qin mo, on the other hand, smiled calmly. after a while, he said, ” “you didn’t say i was good in the bathtub just now. you kept saying i was bad and hateful, yingluo.”

When he said this, his eyes were very bright.

He Huan’s face was completely red. He was too shameless.

And at this time, the shameless man even leaned over and whispered naughtily into her ear, ” “then tell me if i’m good or bad?”

under that gaze, he huan could not say a word.

Chapter 4533: qin mo, you’re doing well (3)

He Huan’s face was filled with confusion. She tilted her head and looked at Qin mo. After a long time, she said with difficulty, ” you’re really shameless.

“you’ve become shameless again?” Qin Mo’s voice had a hint of laughter. you’ve changed so quickly, huh? ”

he huan snorted, rubbing her little stomach in satisfaction.

qin mo’s gaze was fixed on her as if he was looking at a small animal. in fact, she was raised by his family. without her knowing, the qin family had long treated her as his wife.

however, he huan knew nothing about it.

When she found out, she was scared and ran away.

...

Now, she was finally back, back to his side.

qin mo reached out his hand and stroked her hair gently. he didn't say anything and just looked at her with that gaze.

He Huan didn't know why, but her heart started to beat faster. She looked at him for a long time without saying anything, and her small face blushed a little.

Qin mo smiled and reached out to hug her.

She leaned on his shoulder, feeling a little uneasy, but more so, her heart was moved.

She thought that she had always liked him, but they had missed each other for many years.

At this moment, he Huan didn't want to dwell on the past. He didn't want to think about the woman he had used to anger her.

nothing else was important, because at this moment, they were hugging.

After a while, just as Qin Mo's heart began to stir, he lowered his head, wanting to say something to her. However, the moment he lowered his head, he saw he Huan sleeping on his shoulder.

He couldn't help but smile, but he couldn't help but look at her. Her fair little face was hanging on his shoulder, and her long eyelashes were covered with a layer of shadow. She looked very cute. Qin Mo's heart was unbelievably soft, and his voice was very, very low. good night.

He Huan buried her face in his arms and mumbled in a half-awake state, "qin mo, i'm sleepy, ran ran."

After saying that, she buried herself in his arms and continued to sleep. Qin mo lowered his head to look at his little fellow. There was an indescribable feeling in his heart. He carefully placed her on the big bed. He still had some things to do. Time was too tight, and he did not have much time to sleep.

late at night, qin mo sat alone at his simple desk, drinking a cup of coffee that didn't taste good while doing he huan's work. when he finished his cup of coffee, he looked down and frowned. then, he missed qin chen's hand-ground coffee. what the hell was he drinking now?

although it tasted bad, qin mo still poured himself another glass and drank it patiently.

he only managed to finish it at one o'clock in the evening. qin mo stretched his back and turned to look at he huan.

He Huan was sleeping soundly. She hugged the blanket and buried her face in the pillow. A strand of black hair peeked out from the pillow.

Qin mo walked over and took off his sweater. He only had a shirt on as he laid down beside her. Today's conditions were much better and he Huan was also in a much deeper sleep. Although it was very late, Qin mo could not bear to sleep when he saw her sleeping. He just lay there and quietly watched her.

He Huan was in a deep sleep, but she could probably feel the warmth from his body. She gently leaned against him and finally leaned into his arms. Probably because it was comfortable, he Huan sighed and buried herself deeper in his arms.

Chapter 4534: qin mo, you're doing well (4)

qin mo's expression became much gentler. he kissed her before they fell asleep together.

just like that, they filmed at the border for about four days, and the progress was completed ahead of schedule.

He Huan watched as Qin mo edited the video. She had already seen the first half of the video and was very impressed and shocked by President Qin.

Qin mo was really a genius. After he had erased all of AI Mengmeng's previous scenes, the storyline did not drop at all. Instead, it added a bit of tension to the atmosphere. Adding in the

content of the past few days, it did not seem out of place. Moreover, AI Mengmeng acted very well. She was at the peak of her acting skills since she entered the industry.

He Huan lay behind Qin mo and bit her lip lightly. She said in a small voice, ” ” qin mo, we'll reshoot the scene when we return to B city. it feels perfect. ”

qin mo pulled her hand from his shoulder and smiled. ” husband, aren't you amazing? ”

...

He Huan agreed and said sincerely, ” “amazing.”

Qin mo laughed. His laughter was deep and very infectious.

He Huan's face was a little red. There were many people around, so she moved closer and said in a low voice, ” “It's Zero's power.”

this time, he was even happier. he looked at her from the side, then took her little hand and pulled her in front of him to sit by his legs. they watched the movie together again.

ai mengmeng's documentary would be placed at the end, so it wouldn't affect the viewing.

after that, qin mo lowered his head and asked softly, ” “It's alright,”

“it's fine!” he huan's face was red as she said softly. her voice and expression were filled with admiration.

Qin mo chuckled again and packed his things. I'm taking a private plane tonight. I'll return to B city at 2 pm and we'll gather at King Entertainment's studio 6 at 6 am in the morning. Is everyone okay with this? ”

After he finished speaking, he looked at Rong Yue. you don't have to go tomorrow. I'll get someone to pick AI Mengmeng up in the morning.

He knew that Rong Yue's health had always been poor and he must have been having a hard time these few days. He Huan looked at Qin mo and felt a little touched. Qin mo was actually very considerate, especially to people who had nothing to do with him. This time, he did it all for her. He Huan knew that.

Of course, Qin mo knew what she was thinking. He pursed his lips and smiled. He didn't say anything and just brought he Huan to the car. Of course, the others also had their own cars to pick them up.

They returned to B city.

It was already the eighth day of the new year.

he huan and qin mo had not seen yi huan for a few days. initially, they wanted to bring yi huan back but they had a lot of things to do so they had to postpone it.

When they returned to the apartment, he Huan fell asleep almost immediately. However, Qin mo could not sleep. He had to deal with King Entertainment's Affairs. After all, he had not been in the company for many days.

It was three O 'clock in the evening when he was done with work. He had to stay up all night, but the coffee was a little better.

qin mo rubbed his forehead. he was very tired but he wanted to sit alone for a while.

He lit a cigarette and stood in front of the floor-to-ceiling window, looking at the night outside.

at three o 'clock in the morning, the night sky was much lighter. he stood alone and enjoyed the rare loneliness.

yes, it was rare. ever since he huan returned to his side, qin mo had almost forgotten what it was like to be alone.

Now, the taste was not bad.

In fact, he already knew that AI Jia's new film had already exceeded 100 million Yuan in the box office, while "twin" had not passed the vetting process. The situation was not looking good, especially if this film could not make a comeback, then AI Mengmeng would not be able to clear her name.

Chapter 4535: qin mo, you're doing well 5

qin mo was under a lot of pressure. he quietly smoked his cigarette, frowning.

It was possible to fake the box office, but it would not be a real hit. Everything was empty.

qin mo stood there until four in the morning before he went to take a simple shower and lay on the bed. the moment he closed his eyes, he fell into a deep sleep and almost overslept.

He Huan woke up first in the morning. She sat up with her hair in a mess.

She lowered her head and looked at Qin mo. Then, she stretched out her hand and pushed him."it's time."

Qin mo opened his eyes, still unconscious. He reached out to pull her into his arms and kissed her. His voice was low."Is it time?"

...

He Huan was lying in his arms. Her face was a little red and her hair was messy. She said in a small voice, "it's time. Qin mo, what time did you sleep? your eyes are a little red and there seem to be some fine lines.

Although it was time, Qin mo didn't care too much. He laid his head on his arm in a relaxed manner. so? "

"that's why he's not that handsome," he huan said.

“So You Think I’m very handsome?” The man smiled happily in the morning and reached out to pinch her little face. He Huan cried out, ” “You won’t be handsome anymore if you keep pinching me.”

she slapped his hand away, turned around, and ran away.

although qin mo tried to grab her, she still managed to escape.

he huan stuck out her tongue at him from the bathroom door. ” qin mo, you can get up now. ”

he looked at her and smiled. ” come here. i’ll kiss you again. ”

“it’s too late. you set the time yourself.” he huan spoke like a little lamb, but she still came over to kiss him on the lips. she half-knelt in front of him and said in a low voice, ” alright, can you get up now? ”

qin mo noticed that her health seemed to have improved a lot, and her face was often ruddy. perhaps she could let qin chen see her later, and they might be able to have children again.

qin mo’s mood was much better. he lifted the blanket and got out of bed, heading straight for the bathroom.

He picked up he Huan, who was brushing her teeth, and brushed her teeth with one hand.

This series of actions made he Huan speechless. She could only let him carry her and brush her teeth. When she was done, she couldn’t help but complain, ” Qin mo, I’m already 32 years old!

“In my heart, you’re still a young lady.” Qin mo smiled.

“Really?” he Huan pursed her lips and stared at him.

Zuo mo smiled and put her down.”Don’t you think so?”

“I don’t think so,” he Huan laughed.

However, after she finished speaking, she felt that something was wrong. After a long time, she remembered that the way she spoke seemed to be something that only young girls would do.

He Huan bit her lip and did not say anything for a long time.

qin mo laughed and pinched her little face. ” “change your clothes, we’ll have breakfast in the car.”

He Huan replied with an “Oh.” After some thought, she asked,”is the driver driving?”

“i’ll drive,” qin mo replied naturally.

He Huan bit her lip. you can’t let the chauffeur Drive. You’ve only slept for a few hours. Your eyes are still red.

As she spoke, she reached out to touch his eyes, her expression especially serious.

Qin Mo’s heart felt warm. He raised his hand and caught her hand. He Huan was shocked and wanted to move him away, but he did not let her. He held her and she could feel his warmth.

Chapter 4536: Qin mo, you’re doing well (7)

Qin Mo’s heart felt warm. He raised his hand and caught her hand. He Huan was shocked and wanted to move him away, but he did not let her. He held her and she could feel his warmth.

He Huan bit her lip and did not move or make a sound. She just looked at him.

Qin Mo’s eyes seemed to be dyed with a layer of darkness as he looked at her quietly.

he had once thought that he had gotten everything he wanted, but now he knew that there were things more wonderful than getting everything.

There was a hint of emotion in his eyes. His warm palm was flat on her, and his voice was low. he Huan ... I'm guessing you love me, don't you?"

he huan couldn't digest what he said and could only look at him helplessly.

...

He lowered his head and pressed it against her, his voice even more hoarse. "Speak."

He Huan felt that she had seen the world. At the very least, she had accepted Qin Mo's many confessions. However, she was not calm at all. Her heart was beating very fast because he was going to repay her.

not only did he say he liked her, but he also said he loved her.

he huan bit her lip and stuttered, " "We won't make it in a while. Shouldn't we leave?" he said.

"We can also go by helicopter, so we ..." qin mo raised his hand to look at the time. " there's about half an hour. "

Of course, he was lying to her.

he huan was the kind of person who would rather stick her head out than back down. after hesitating for a moment, she nodded.

Probably because she was too nervous and shy, her eyes were filled with tears as if she had been bullied by him.

Qin mo was not satisfied and pinched her little nose. "i have to say it."

He Huan exploded in anger and said in a low voice, " i'm hungry, but you're still forcing me to confess. qin mo, you're almost 40. do you want to wake up? "

Her expression made him smile and he reached out to touch her little face. 'Very hungry'? "

"i'll let you try," she continued to glare at him.

He smiled, took his coat, and then brought her downstairs.

Breakfast was bought from a breakfast shop. Qin mo stopped the car by the side of the road, and he Huan opened the car door to buy it. Luckily, she didn't have to queue early and quickly brought two sets of breakfast over. She got into the car and handed one to Qin mo."Let's eat before we leave."

Qin mo wanted to go immediately, so he shook his head. "i'm not hungry. let's go."

He Huan stopped him and said in a low voice, " Qin mo, you don't need this little bit of time. Besides, aren't you President Qin? it doesn't matter even if you're late.

Her heart ached for him. He had always suffered the most, slept the least, and did the most difficult things. All of this was for her.

he huan felt that she had to control him.

as mrs. qin, she had the right to control him, so she tried her best to be fierce. she didn't know how other wives controlled their husbands, but this was the only way she could think of.

On the other hand, Qin mo looked at her with a very curious gaze and said in a low voice, " are you trying to control me? "

"Yeah," Mrs. Qin's voice was obviously bluffing.

she looked extremely cute in his eyes. he smiled and reached out to ruffle her hair. " it's pretty good. you have to keep it up in the future. "

He Huan's face turned red. She didn't know why she was blushing.

However, she felt a little embarrassed under his gaze.

Perhaps this was what it felt like to be moved.

Chapter 4537: a direct confrontation 1

They arrived at studio No. 6 and were busy all morning. They were almost done by noon.

he huan was very satisfied and passed the film to qin mo. then, she looked at him and said, " " it's already the 5th today. there are 9 more days. qin mo, will we be completely defeated? "

"i don't know if i'll be defeated, but if i don't do anything, i'll definitely be defeated." he smiled slightly and reached out to caress her hair. " so after lunch, i'll cut the last bit and send it for approval. it's in B city anyway, so there shouldn't be a problem after today's approval. after that, we can go online again and not change it. what do you think about screening it on 214? "

he huan was a little worried. " will you make it in time? the scan takes two hours. even if you send it over at three o'clock, you might not make it. "

Qin mo looked at his little wife and smiled. "Silly girl."

"How can there be such a silly little fool like you?" he stroked her hair.

...

"I'm telling the truth," he Huan bit her lip.

"They can work overtime." Qin mo smiled again.

” ah! ” he huan exclaimed. his expression and eyes were a little dazed. after a long time, he muttered softly, ” “Your identity seems to be quite useful at times.”

“You just found out?” he chuckled in a low voice that was very pleasant to the ears.

he huan glanced at him, turned around, and ran away. ” “let’s go eat.”

Qin mo followed behind her. After a while, he held her hand and pulled her to his side. He Huan turned her head and Qin mo smiled.”Take my car.”

they had dinner at a restaurant. the environment was good, but qin mo was too busy. after sitting for half an hour, he returned to KING entertainment to settle the last things.

After he was done, Qin mo personally made a call and hung up the phone after communicating with the other party. He Huan looked at him.

“It’s done.” qin mo looked at he huan and thought for a moment. ” i’ll get the chauffeur to send you back. you can wait for me at home, okay? ”

he huan nodded. ” alright. ”

qin mo smiled and called secretary he to arrange a car for him. he huan stopped him when he was about to leave.”I’ll go down with you.”

He looked at her.

“I’ll send you off. I’ll get the driver to send me home and wait for you there.” He Huan’s tone was very gentle, but there was also a little bit of strength.”you’re tired, you’re not allowed to drive.”

Qin mo looked at her and said in a low voice, ” “Is this Mrs. Qin’s way of disciplining Mr. Qin?”

“Whatever you say,” he Huan snorted.

qin mo smiled and did not object. they went downstairs and got into the black rv. qin mo told him the address and leaned back in his seat. he closed his eyes slightly. "I'm going to sleep for a while."

"oh," he huan replied. she wanted to say something, but he had already reached out and pulled her hand. he said in a low voice, "don't move. just stay with me for a while."

he huan's little face turned red, and she didn't say anything for a long time. she probably felt his emotions, so she carefully leaned her little head against his shoulder.

qin mo's eyes opened a slit and looked at her. he then closed his eyes and reached out to sweep her into his arms. his voice was extremely hoarse, "let me sleep for a while. don't mess around."

He Huan's voice was soft and low. I'm not making a fuss. I'm very obedient.

qin mo closed his eyes and smiled. his smile was mature and charming. it was the unique aura of a man of his age.

Chapter 4538: a direct confrontation (2)

qin mo closed his eyes and smiled slightly. his smile was mature and charming. it was the unique flavor of men of his age.

He Huan was tired as well. She leaned on his shoulder and closed her eyes. I'll sleep for a while too. I'm so tired, Qin mo.

she fell asleep quickly while qin mo was only in a light sleep. he lowered his head and looked at her with a gentle gaze.

the car drove smoothly until they arrived at the place for interrogation.

he huan had not woken up yet. qin mo lowered his head and looked at her for a while before instructing the chauffeur, "wake her up when we reach the apartment and send her to the door."

because he huan was too muddleheaded, he was afraid that she wouldn't be able to enter the house.

...

"Okay, President Qin. I'll wait here after I'm done." The driver nodded.

Qin mo didn't say anything and opened the car door. He closed it quickly without taking another look, afraid that he Huan would catch a cold. Her health had not been good for the past few days.

the driver waited for him to get out of the car before slowly starting the car and driving away.

after they left, the driver looked at he huan's sleeping face in the rearview mirror and raised the air conditioner a little.

He Huan changed her position and continued to sleep.

After about an hour, she woke up and looked around. The driver turned around and said, "I'm here. President Qin said that he'd only be at ease if I sent it upstairs."

He Huan snorted. I'm already an adult. I'm not a child anymore. Uncle Zhao, you can go first.

He put on his coat and got out of the car.

old zhao didn't leave, and he didn't follow. he felt a little bad.

He had watched Qin mo and he Huan grow up together. Seeing the two little ones like this, he was happy. However, he also noticed that he Huan had left her keys in the car. He sat down and waited. He even took a sip of hot tea comfortably.

As expected, after a while, he Huan ran down again. Her face was a little red. uncle Zhao.

"what's wrong?" old zhao opened the car door.

He Huan got into the back seat. where's my key? it might have fallen into the car.

After searching for a long time, she couldn't find him. She was a little anxious. Qin mo couldn't be disturbed now. Was she going to sleep somewhere else?

he huan thought about it and wanted to grab her hair.

At this moment, a bunch of keys appeared in front of her and even shook a little. "is this it?"

"yes," he huan bit her lower lip.

he was both surprised and delighted.

However, she soon realized that she had been played a fool. She cried out twice and ran far away. After a while, she turned back and said, "uncle Zhao, you're so bad. You're as bad as Qin mo.

Old Zhao smiled, looked at He Yun's back, and then sighed softly.

The day had finally come. It had not been easy. The two little ones had been fighting for many years before they finally made up.

it looked really good.

After old Zhao sighed, he laughed softly.

yes, it was really good.

On the other hand, he Huan had returned to her apartment. The moment she opened the door, she felt extremely tired. It was as if her body had been overdrawn, and she couldn't describe the feeling.

She didn't do anything. She just wanted to lie down, and that was what she really did.

she felt that she could sleep for three days and three nights on their big bed.

when she woke up, it was already night. he huan looked at the neon lights outside the window and was in a daze. she couldn't tell where she was and what time it was. she didn't even know what was going on with qin mo. after ten seconds, she finally understood.

when he woke up, he thought about the situation when they parted in the afternoon and smiled unconsciously.

Chapter 4539: A direct confrontation 3

just thinking about it made him smile.

He Huan suddenly missed Qin mo. She grabbed her phone and saw that it was already eight o'clock.

She thought, even if she was working overtime, it wouldn't be this time. She wanted to call him, but after thinking about it, she decided not to. In the end, she still wanted to ask, so she dialed old Zhao's phone.

old zhao told her very quickly that qin mo was currently socializing with a bunch of old guys and might not be free. he might also be back very late.

"oh," he huan replied and hung up the phone. she could actually understand.

it was impossible for her to not entertain him when she let him go through the back door. so, she thought about it and decided to get up and cook something for herself. her cooking skills were neither good nor bad, and she always had some small skills in life.

...

He Huan's small skill was to cook instant noodles.

just as he huan was struggling with which flavor to cook, qin mo's call came in. he had called outside the room and had also drunk a little wine. at this time, his handsome face was hot.

he huan picked up his call and deftly put the bread into the boiling water.

It was very Swift and had been done thousands of times.

qin mo's voice was low and hoarse. " "you're awake?"

He Huan was busy cooking the noodles, and her phone was pressed between her ears. She smiled and said in a sweet voice, " "Qin mo, how did you know that I was cooking noodles?"

qin mo leaned on the aisle and said in a low voice, " why didn't i know about your personality? what else can you do other than instant noodles? "

" you're looking down on me. " he huan's voice was so sweet that it sounded like honey was dripping out.

qin mo laughed, then his voice became especially low and hoarse. " "aren't you going to ask me about the results?"

"I believe you." she said sweetly.

"Why?" Qin mo laughed again.

'Because you are Qin mo.' He Huan was like a little lamb, dragging out her voice to please him.

Qin Mo's heart skipped a beat.

in fact, over the years, there were too many people who flattered him. he had already lost his patience to listen to all the nice words. however, the words coming from he huan's mouth made him feel especially good.

It was probably because she was he Huan.

It was not because of anyone else, but because she was he Huan.

qin mo's adam's apple moved slightly and his voice became even lower. " "you're getting better at saying nice things."

he huan packed up the noodles. " then come back soon. i'll cook for you. i'll also say something nicer to you. "

After she finished speaking, Qin mo laughed softly again. After laughing for a while, he said in a soft voice with a hint of teasing, " "I'll wait for your instant noodles and see how delicious it is."

he huan felt that he was detestable and stuck out her tongue."then you have to come back soon."

As they played around so sweetly, Qin mo simply did not want to go back to the private room to eat with those old men. However, his natural restraint made him end the call.

just as he was about to return to the room, he saw edgar standing on the other side of the aisle.

Qin Mo's eyes were dyed with a layer of dark color. He did not want to greet her and wanted to enter the room directly.

At this moment, he still felt that those old men were cuter.

edgar's voice carried a hint of fragility."Qin mo, you don't even need to say goodbye to me?"

Qin Mo's body froze. After a long time, he turned his head and looked at her quietly."What did you come back for?"

"Qin mo, I also have freedom, don't I?" aijia's face was still fragile, and she looked like a white lotus flower.

Chapter 4540: a direct confrontation (4)

at this moment, he still felt that those old men were cuter.

Edgar's voice carried a hint of fragility. "Qin mo, you don't even need to say goodbye to me?"

qin mo's body froze. after a long time, he turned his head and looked at her quietly. "what did you come back for?"

"Qin mo, I also have freedom, don't I?" aijia's face was still fragile and she looked like a white lotus.

Qin mo gave a faint smile, but it didn't reach his eyes. He watched as she slowly walked over. Instead, he stood up straight. Anyway, they had already touched.

edgar walked up to him and looked up at him. " you weren't this cold before? "

...

"you weren't this scheming in the past." since he couldn't leave, qin mo decided to light a cigarette.

AI Jia immediately coughed. Qin mo watched her but did not put out the cigarette in his hand.

When a man was heartless, he was truly heartless.

"I just want to ask you for a favor," Edgar said with a pained expression.

qin mo kept looking at her without moving.

AI Jia licked her lower lip and said with some difficulty, " i want to marry qin lu."

As soon as she finished speaking, Qin mo threw the cigarette butt on the ground and stomped it out. Then, he looked at her as if he was looking at a lunatic. AI Jia, you're crazy. Qin Lu is no longer here.

"your parents don't know about this, do they?" she smiled gently.

her smile was strange and had a touch of bone-chilling innocence. this was the peak of ai jia's acting skills. even ten ai mengmengs would not be a match for her.

qin mo understood her. he was not someone to be trifled with. he said in a low voice, "you're threatening me!"

"No, it's a request," under his intense gaze, ai jia could still be gentle. she was definitely a powerful character.

Of course, Qin mo did not fall for her tricks. He only threw a few words at her, "You're dreaming,"

"is that so?" "It seems like you're not on my side in this matter." Edgar smiled.

Qin mo chose to leave immediately.

When she entered the private room, she was not in a good mood. She let out a long breath and took a long time to calm down.

those old guys had already gotten their benefits. seeing that qin mo was in a bad mood, they were no longer in the mood to entertain him. they were all guys with eight hearts, how could they not see through this?

Qin mo was the God of Fortune. He would only visit once in a while to give them face. One must know that the relationship between the Qin family and the ye family was very good now. The ye family had a high position and power. Who would dare to offend them?

at that moment, the old men let qin mo leave.

Qin mo wasn't unreasonable. He drank three glasses of wine as an apology and left.

After getting into old Zhao's car, old Zhao could tell that something was wrong with him. He asked softly, "Things aren't going well?"

He was an old man of the Qin family, so he had the right to care for Qin mo. Like Auntie LAN, he was considered an elder of Qin mo.

qin mo leaned back in his seat and let out a long breath. then, he said in a low voice, "things went well, but we encountered some small problems."

he held the phone in his hand and touched it gently. he was thinking about yingluo.

to qin mo, his parents were very important. as he grew older, he missed the qin continent more and more.

no news was not good news. he was afraid that his parents would not be able to take it if aijia made such a scene.

Qin Mo closed his eyes. When he opened them again, his facial features were as cold as ice and snow.

After a long time, he finally dialed a number. It was Edgar."What are your conditions?"

ai jia was still in the hotel's parking lot. she was dressed in a red dress and her long hair fluttered in the wind. she was very beautiful and her voice was even more alluring. "qin mo, are you negotiating with me or begging me now?"
