Chapter 471 ! great fight for her!(4)

qin anlan actually wanted to hold her in his arms. even if they didn't do anything, just hugging her like this would be good.

he thought so and did so.

it wasn't just because he wanted to hug him. there was another reason. he wanted to see tang yu's reaction when he hugged him.

isn't it very interesting, yingluo?

As for his desire for PEI Qiqi, he didn't want to magnify it or think about it in detail.

Because he didn't want to, he didn't want to fall in love with another woman.

an arm suddenly wrapped around pei qiqi's waist and she was pulled into a warm embrace.

pei qiqi was stunned.

Qin Anlan was beyond redemption.

everyone was stunned.

As for Tang Yu, he paused for a moment and then walked even faster. In a few steps, he was already here. He grabbed PEI Qiqi's arm and pulled her to his side.

She ran into his arms and felt that his embrace was a little hard.

then, he pressed her small head down and buried her small face in his shoulder. his burning breath could be felt on her.

she wanted to get up, but tang yu held her little head down tightly. then, he threw a heavy punch at qin anlan.

that punch was very heavy. even though qin anlan had been prepared, he was still hit.

His body fell to the side, and the crowd screamed.

The wine glass fell to the ground and the sound of it shattering was extremely clear. It was accompanied by Qin Anlan's muffled groan ...

Tang mo was really ruthless!

she barely stood up so that she wouldn't fall. she stood up straight and looked at tang yu. she reached out and wiped the blood from the corner of her mouth. after a while, she looked up and said lazily, " was this punch for shen lian back then or for pei qiqi today? "

In the past, he slept with Shen Lian on Tang Yu's bed. Tang Yu didn't say a word and just left.

but now, he just hugged her and he believed tang yu could tell he was provoking her on purpose.

With Tang Yu's cultivation and patience, he could usually resolve this easily. But, it was obvious that Tang Yu cared about this little girl to the extreme, that's why he waved his fist.

it must be known that for something like this to happen at such an event, it was unbelievable to tang yu. it would definitely be on the hot search tomorrow and it would blow up his relationship with pei qiqi.

You don't want to admit it? then he, qin anlan, would force him to admit it.

Tang Yu still had one hand on PEI Qiqi, not letting her see such a bloody scene.

pei qiqi wriggled uneasily in his arms. she clenched her fists and punched his shoulders. she said in a low voice, " tang yu, let me go. "

his body tensed up instantly as he tried to control his voice. " boss pei, i haven't congratulated you yet! "

as he spoke, he lowered his head and gave her a light kiss on the forehead.

at this moment, a camera's flash lit up, and she did not know which reckless person it was ...

The scene was silent, and even the person taking the photo was dumbfounded. He didn't expect his phone to flash.

in this silence, tang yu's voice was very clear. " boss pei, this is a gift. "

the female employees covered their faces and almost screamed at the top of their lungs.

PEI Qiqi just looked at Tang Yu and was in a daze.

What did he just say? this was a gift?

Tang Yu smiled at her. In the eyes of others, he looked very affectionate. But in PEI Qiqi's eyes, it was 'hair-raising'. She thought of what Qin Anlan said, that Tang Yu would tear her apart.

Chapter 472 ! great fight for her!(5)

Her body was gently pushed by Tang Yu. Behind him, Meng Qingcheng naturally took over and held her little arm so she couldn't move.

"meng qingcheng, let me go." she had also forgotten about the current situation and kicked the man behind her.

Meng Qingcheng laughed bitterly. He had to hold her down and not let her move, but he couldn't get too close to her. What if Tang Yu dealt with him after dealing with Qin Anlan? For a moment, he worked so hard that his forehead was covered in sweat.

tang yu took off his jacket and threw it to the attendant beside him. he looked at qin anlan indifferently as he unbuckled his shirt.

all the women present wanted to scream again, not because they were afraid, but because, oh my god, are they going to fight?

How could she be so elegant even in a fight? Mr. Tang's arms are so perfect and strong. If she were to be hugged, Oh my God!

Also, he was only wearing a shirt at the moment, and one could see his Goblin-like, slender figure.

Of course, boss Qin wasn't bad either!

all the women were drooling. only pei qiqi was screaming, " "Tang Yu!"

tang yu was still slowly rolling up his sleeves. he didn't turn his head immediately when he heard that. instead, he asked indifferently, "boss pei, are you worried?"

pei qiqi watched as he and qin anlan stared at each other like two wild beasts, ready to fight at any moment.

her heart beat faster. she didn't care about other people or the occasion. she said in a hoarse voice, "yes, yes."

she looked at him expectantly, hoping that he would change his mind.

Tang Yu chuckled. He turned around and looked at PEI Qiqi.

there was warmth in his eyes, and he was even smiling.

PEI Qiqi was in a daze. She was never immune to him.

"be good and stay there for a while." as if he was coaxing a child, his voice turned cold."Qingcheng, cover her eyes.

meng qingcheng laughed bitterly and covered pei qiqi's eyes with his hands.

he could guarantee that the scene in a while would be very violent.

[but, did tang yu forget that tonight's dinner is live?]

tang yu and qin anlan stood face to face. he smiled faintly, "if it's about the past, i would've gotten back at you. i'm not a man who can take it."

Qin Anlan wiped his lower lip and sneered, "then it's because of PEI Qiqi.

To be honest, he had wanted to beat Tang Yu up for a long time. He wanted to tear his nobility apart.

it had been so many years, but he never got what he wanted. today, he only hugged pei qiqi lightly and it made tang yu react so strongly!

The two men were beating each other up like two wild beasts, and the scene was so intense that it made people's hearts tremble.

The women screamed again, this time because it was too violent.

Blood was like running water, which part of it wasn't scary?

on this night, tang yu fell from the altar of being a noble young master. on the other hand, qin anlan's image was much more refined because of his weakness!

tang yu was like a barbarian! And just from the ferocity of his fight, how many times could PEI Qiqi, who was so slim, withstand his torment? this was what little meng qingcheng was thinking.

in the evening banquet hall, the sound of glass shattering was endless, and it fell to the ground.

It was followed by the heavy breathing of two men and PEI Qiqi's scream.

Tang Yu, stop fighting. she kicked meng qingcheng with all her might, but he couldn't break free. in the end, she had no choice but to lower her head and bite meng qingcheng's wrist.

Meng Qingcheng subconsciously let go, but PEI Qiqi had already broken free from him!

All he saw was blood.

Chapter 473 a great fight for her! wonderful!(6)

tang yu's white shirt was stained with blood, and so was qin anlan.

their faces were more or less injured, and it was quite interesting.

pei qiqi rushed over without a second thought and hugged tang yu from behind. she mumbled, "tang yu, stop fighting."

the moment her small hands hugged him, his anger was redeemed. he paused for a moment and looked down at the small hands that were hugging him.

at this moment, qin anlan also gave him a slap (that's why pei qiqi is a pig-like teammate).

Tang mo took two steps back, but he still stabilized his body. He stretched out his long leg and kicked fiercely, almost causing the Qin family's tens of millions of descendants to explode.

qin anlan groaned in pain and squatted down while holding an indescribable part.

Tang Yu held PEI Qiqi's hand with one hand and didn't let her escape. His voice was cold as he ordered Meng Qingcheng, "send President Qin to the hospital.

Meng Qingcheng was also shocked. That kick was really vicious!

He nodded and called two more employees to send Qin Anlan off.

the scene was so quiet that one could hear a pin drop. pei qiqi couldn't break free even if she wanted to.

Tang Yu pressed down on her little hand and his voice was hoarse, "PEI Qiqi, do you care about me?"

With so many people around, her face was red and she was anxious, afraid that he would be too seriously injured.

He shook his head violently.

her body was pulled into his embrace and she crashed into his embrace ruthlessly. her small waist was tightly held by his palm, and her entire body was stuck to him.

she saw the blood on his body and was afraid of hurting him, so she only dared to struggle slightly.

However, Tang Zheng held her even tighter, almost melting her into his bones.

He bent down slightly, his face very close to hers.

"pei qiqi, you don't care?" His bloodied fingers slowly caressed her red lips, carefully caressing them, making her lips look even more charming.

She looked at him in a daze, her little hand trying to touch the wound on his face.

But he caught her in an instant. That small hand was raised up, and then he kissed her.

It was a very, very deep kiss, a French Kiss.

their bodies were pressed against each other, and her small mouth was also occupied by him. she was extremely hot, and she felt as if she was about to break free from her restraints.

slowly, her fair and tender little arm hooked around his neck. she leaned into his embrace and kissed him back, forgetting herself.

everyone could see that it was a kiss where lips and tongue intertwined, making people blush and their hearts beat faster.

however, it was a beautiful scene! Someone had already secretly taken a picture of it.

PEI Qiqi was intoxicated in his arms until Tang Yan let go of her little mouth.

she was a little annoyed. she reached out and punched his heart with her small fist, but he held it.

“Follow me!” tang yu’s voice was tense.

pei qiqi’s mouth opened slightly in! daze. only then did she realize that this was the dinner party of the pei corporation and marvel!

However, although her rationality returned, her body was picked up by Tang mo.

It was a standard Princess carry!

her small body was carried in his arms and they walked out of the banquet hall easily. when they passed wang ziqi, tang zheng nodded slightly.”you take care of this.”

Wang Ziqi smiled and did not say anything.

pei qiqi wanted to struggle but tang yu lowered his voice, ” “if you move again, i’ll throw you down.”

she was so frightened that she immediately hugged him tightly, her small face leaning into his arms obediently.

His heart instantly softened, and he reached out to stroke her head as if he was petting a little pet.

She had not been so gentle for a long time, and he had not been so gentle for a long time.

everything was perfect.

Chapter 474 Don’t kiss there, Gao Tian!(1)

neither of them wanted to quarrel on a night like this. since the mess had already happened, they would just talk about tomorrow’s matter tomorrow!

now, they just wanted to be together and enjoy this quiet night.

She didn’t have time to go anywhere else, so she just asked for a Presidential Suite on the second floor of this hotel. Meng Qingcheng was so considerate!

the first aid kit had also been prepared.

Tang Yu carried PEI Qiqi into the suite and placed her on the sofa.

she wanted to get up, but he pressed her down. ” wait a minute, your foot is stuck in the glass. ”

this fool. she didn’t even know that she had injured her foot when she tried to stop him ...

Only then did PEI Qiqi realize that her foot was pricked. She didn’t feel pain at first, but now, it hurt so much that it pierced her heart.

Tang Yu let her sit and looked at her deeply in a daze.

She was very beautiful today. She was as fresh and refined as a little fairy from the forest. He understood the way Qin Anlan looked at her just now. Perhaps, Qin Anlan himself did not know that when he looked at Qiqi, his gaze was more intense than when he looked at Shen Lian.

Therefore, he could not control his violence.

No regrets.

He grabbed one of her feet and said in a deep voice, "bear with it."

The big hand held onto the ice-skinned foot, and his heart actually started to flutter.

He held it in and picked up the tweezers at the side to help her pick up the glass. She was a little in pain, but her small hand held one of his arms in a somewhat dependent manner.

even so, tang yu's heart softened and he looked up at her.

Tears welled up in her eyes as she looked at him in a daze.

under her gaze, tang mo bit her small foot.

she widened her eyes and watched as he took turns to pamper her five little toes.

PEI Qiqi never knew that her feet could be so sensitive.

she bit her lips and meowed like a kitten, "tang yu, don't kiss there!"

He finally raised his head and looked at her with his bright eyes. His voice was extremely hoarse. then where do you want me to kiss you?"

She was curled up there, trembling like a small animal, looking pitiful.

tang yu slowly moved over and hovered above her. his voice was warm, "Qiqi, where do you want me to kiss you?"

She trembled uncontrollably. Compared to his strength, she was really weak.

They were supposed to be enemies, but at this moment, in the face of such strong hormones, they couldn't even withstand a single blow.

"What?" His breath was also hot as he leaned on her small face.

The tip of his nose started from her forehead and slowly moved down, carrying a touch of coldness and a touch of heat. It slowly moved and finally touched the tip of her nose.

He pressed his thin lips against her small, alluring mouth, not kissing her deeply. where do you want me to kiss you, huh?"

PEI Qiqi's eyes trembled and she couldn't say a word. Her throat rolled uncontrollably.

he moved closer to her and stared at her with his deep eyes. "qiqi, be good. tell me, where do you want me to kiss you?" Hmm?"

PEI Qiqi couldn't take it anymore and closed her eyes. Her small hands clutched his shirt tightly.

She was afraid that Tang Yu's gaze would be enough to eat her up.

His thin lips touched hers lightly. is that so? ”

she trembled and refused to speak. she bit her lip, and her fragile look made people want to hold her in their arms and love yingluo.

Tang Yu looked at her deeply. After-long time, his body moved down-

When he touched it, PEI Qiqi screamed, ” Tang Yu’s place won’t do, Yingluo.

However, he had already succeeded!

Chapter 475 Gao Tian (2)

it wasn’t that he hadn’t kissed her before, but at that time, they were deeply in love. now, she didn’t expect him to do this for her.

her heart beat so fast that it almost stopped. her small hand grabbed his black hair, and her whole body seemed to have been pulled out of the water.

Finally, her fingers let go of him and she fell to the ground.

Tang Yu held her in his arms and kissed her bit by bit. He kissed her from her eyes to her lips.

He moved his palm down and removed everything else, then he occupied her on the sofa ...

It was like a storm. She was always afraid that he would be in pain, so he picked her up and put her in his arms.

“PEI Qiqi, you do it.” He whispered in her ear, and her face was so red that it was almost bleeding.

However, she still couldn’t bear to part with him. Even though she was a little choppy, she still hugged him and tried her best to cater to him.

After a long time, everything returned to calmness.

PEI Qiqi lay in his arms and said softly, ” tang yu, let me get up. ”

He lifted his body slightly and looked at her. He smiled, ” PEI Qiqi, it doesn’t hurt.

but her heart was in so much pain that yingluo had been fighting so intensely. how could it not hurt?

pei qiqi propped her body up and her little hand gently rubbed his chest, ” “Does it hurt here?”

He looked at her delicate face, her brows like a painting. Such a beautiful girl was in his arms, looking at him with a face full of worry. Even a Saint would melt.

Tang Yu was no exception.

he lay there quietly, letting her little hand light a fire on his body. after a while, he said in a hoarse voice, ” “That area hurts.”

He pulled her little hand down.

PEI Qiqi was so hot that she almost jumped up. She tried to move her little hand away but he didn’t let her.

She glared at him and said childishly, ” “You beast.”

” qiqi, i’m worse than a beast if i can still hold back a beautiful girl like you in my arms. ” He chuckled deeply. Although his body was not very satisfied, he was satisfied from the bottom of his heart.

pei qiqi’s face turned even redder.

tang zheng held her little hand and didn’t bear to let her do that.

He held her hand and kissed it. He closed his eyes. Qiqi, let’s lie down for a while. Don’t break up with me. Don’t say that I have a girlfriend.

she looked up at him with his eyes closed, and her heart felt empty ...

he didn’t force her, but why did her heart feel empty?

But PEI Qiqi wouldn’t ask such an embarrassing question. She lay there for a while before saying, ” Tang Yu, I want to take a shower.

He lowered his head to look at her and kissed her on the forehead. Then, he carried her and walked towards the bathroom.

in the bathroom, he couldn’t control himself and had sex with her twice.

This time, it wasn’t just her. Even Tang Yu felt a little weak as he carried her back to the bedroom.

although they were exhausted, no one fell asleep. she curled up in his arms and quietly looked out at the endless night.

” tang yu, is it daybreak and we have to part again? ” her voice was soft, but there was a touch of desolation and fragility in it. after the party, all that was left was emptiness.

there was no tomorrow between them.

After tonight, when the sun rose the next day, he would call her ‘boss PEI’, and she would call him’ Mr. Tang’.

She was lost.

Tang Yu held her petite body in his bathrobe and watched the night sky with her.

He lowered his head and kissed her tender neck. Qiqi, you can also choose to stay here forever.

she didn’t say a word and just hugged her body with her hands.

Chapter 476 High sweetness (3)

tang yu didn’t force her. he pulled her into his arms and touched her hair,”pei qiqi, sometimes being stubborn isn’t a good thing.”

She lay in his arms and felt his warmth.

All of a sudden, she felt wronged.

She was always a girl, and the whole world knew that she was sleeping with him for no reason. (Boss PEI is being pretentious. That’s why he said that women can’t be pampered!)

She cried in his arms, and his heart was wet and hot, very uncomfortable.

tang yu reached out and gently touched her long hair. his voice was low, "you can come back whenever you want."

when she heard that, her tears flowed even more violently.

her small hands pounded on his chest, and she even moved her small mouth to bite him.

Tang Yu's heart was also warm and wet. He couldn't describe the feeling.

how could he not know the pain in her heart? just as she said, he was born into a rich family and there were some things about her that he could not understand.

'so, qiqi, i'm willing to wait. i'm waiting for you to come around.'

she bit him. it was actually painful, but she endured it. she looked down at the fluffy little head, kissed it, and then rubbed it a little tighter.

As she cried, she felt a little weak. She lay in his arms and did not move, but her small hand was still tugging on his sleeve.

Tang mo looked at her messy long hair. Her eyes and nose were red from crying, especially her pink eyelids that were crystal clear. Her long eyelashes fluttered and a tear fell.

Tang Yu lowered his head and sucked the tear away.

He sucked on her gently and moved his lips to her seductive lips. He muttered softly, " Qiqi, you're making my heart hurt.

when he kissed her, she seemed to be shocked. her body curled up even more, and then she reached out to hit him unwillingly.

he let her throw a tantrum and let her lose her temper at him. he knew that he had not been good to her recently ...

it was very bad! It was almost torture.

but if he didn't do that, she would fly away in the blink of an eye.

he couldn't catch her!

if that happened, he would be even more indignant and angry. he couldn't guarantee that she would still be able to stay in his arms and be so safe.

now, even if she was throwing a tantrum like this, he still felt that it was very beautiful.

" qiqi, do you feel better? " she asked softly.

she didn't say anything and just reached out to hook her arms around his neck ...

this bastard only knew how to force her and make things difficult for her.

Her little hand was still clenched into a fist, beating his back hard, and biting his neck unwillingly.

"alright, be good, stop it!" tang yu patted her shoulder and gently coaxed her.

however, how could he coax his little girl at this time? she was as bad as he was to her.

she bit him and refused to let go. her small body was soft and fragrant, and the bathrobe she was wearing was hanging on her body. it was really tempting.

“baby, can you come down?” she was pestering him so much that his soul had left his body, and her voice was a little unstable.

it wasn't that he didn't want to hug her, but he was afraid that he wouldn't be able to control himself if he hugged her.

PEI Qiqi didn't want to. She hugged onto Qianqian tightly and bit on her.

The two of them were like conjoined twins. He was helpless and sweet, but tonight's fight was worth it.

Actually, his phone had been ringing. It was Meng Qingcheng and old master Lin calling.

He probably knew why. He must have 'slept' with his enemy's daughter again.

yes! he did sleep with pei qiqi. not only did he sleep with her, but he also wanted to have a baby with her.

Chapter 477 Gao Tian (4)

Perhaps, he would let down many people, but he didn't want to let himself down, and he didn't want to let Qiqi down.

How could he be willing to throw away such a young girl who had followed him at such a young age?(Mr. Tang started to have tender feelings for her at this time)

“it's okay, qiqi. be good.” he hugged her and coaxed her gently.

However, she was always disobedient and kept pestering him. He had no choice but to scare her. “If you continue like this, I'll kiss you.”

That cute little face was buried in his arms, and her long hair was scattered helplessly. It was messy, like a little madman.

He grabbed her long hair, looked at her beautiful little face, and sighed. Finally, he kissed her lightly and said in a seductive voice, ” “qi qi, darling, do you want me to kiss you?”

She pursed her lips and licked them gently, as if she was trying to taste him.

she looked up at his beautiful lips and kissed him again. her mesmerized expression reminded tang yu of the one and only time pei qiqi sneaked a smoke.

To her now, he was infatuated.

this discovery made him feel extremely satisfied, and he only looked at her indifferently.

PEI Qiqi knelt up. Her little hands were still around his neck and she kissed him like a little beast.

Tang Yu patted her head, ” PEI Qiqi, am I that easy to sleep in? ”

“If you want to sleep with me, you need a marriage certificate,” he whispered in her ear.

pei qiqi was stunned. then, a layer of moisture appeared in her eyes.

He said he wanted a marriage certificate!

She looked up at him helplessly and weakly.

She didn't dare!

maybe, you said, you love me. he searched for her lips and bit them gently. he said seductively, "say you love me and i'll let you sleep with me once."

pei qiqi kicked him angrily but was pulled into his arms.

"baby, how about i say i love you? i'll sleep with you once, okay?" he coaxed her shamelessly, his voice low.

after that, tang yu said 'i love you' four times and slept with her four times.

after that, the man whispered into the girl's ear. she teased, "be good. do you want to listen to it anymore?"

PEI Qiqi covered her ears and shrank into his arms. Her little body was still trembling.

His large palm covered her small hand, and he held her in his arms.

Although it was soft, she heard it clearly. I'll wait for you to come back.

Damn it, she wanted to cry again.

She knew that she shouldn't, that she was being too selfish, that she would bring him too many negative things, but she still wavered.

Her little hands quietly wrapped around his waist and she buried her face in his chest, "Tang Yu, give me some time.

He hummed in agreement.

after a while, he laughed softly. by the way, Sheng Yuan will not stop suppressing the PEI family unless boss PEI says 'I'm willing' now.

All the good things had disappeared!

"beast!" She glared at him, but her angry look was still so cute.

tang yan ruffled her hair and smiled. "qiqi, you're good enough. there's no such thing as being worthy of you." also, don't say that you're zhao ke's daughter.

i don't care, so why should you care?

His eyes were filled with warmth. It was the old Tang Yu.

pei qiqi bit her lip and carefully caressed his handsome face.

"Tang Yu." She meowed like a kitten, looking pitiful.

"Mr. Tang is yours tonight," he said. "You can touch it." it's fine to touch everywhere."

Chapter 478 gao tian (5)

PEI Qiqi smacked his handsome face, "worse than a beast.

But in the blink of an eye, she was pressed under him.

“worse than a beast? PEI Qiqi, this is the Wanwan you were talking about. his voice was low and dangerous. His entire body was filled with the charm of a mature man.

She was like a pool of spring water, and then she turned into a little wild cat.

hence, she was in a mess. regardless of everything, she was in pain, and she was happy.

pei qiqi was hurt by him while tang yu's body was scratched beyond recognition by the stray cat. his chest and back were covered in bloody marks.

pei qiqi had never been so violent before, but this little bit of violence made them both very happy.

When she woke up in the morning, she opened her eyes and was met with a pair of deep eyes.

It was deep and warm.

Instantly, she felt an indescribable palpitations in her heart and a sour feeling.

She wrapped her small hands around his waist and buried her face in his warm embrace. Tang Yu, you've been indulging me, right? ”

no, i've been forcing you, boss pei. ” his tone was quite relaxed.

PEI Qiqi's little hand hit him and she suddenly put her face against his neck, ” “we've agreed on this, no staring.”

Because she had already felt it.

tang yu was helpless. ” boss pei, if a man doesn't even have this reaction in the morning, you should be crying. ”

She hit him with her small hand. it's your Sun Feifei who's going to cry. His words were a little childish and angry.

it didn't matter if she was boss pei or not. in front of tang yu, she was still a young lady in her 20s. the little thing that he could call baby.

He chuckled and looked down at the little guy in his arms. are you jealous? ”

“I didn't!” She pinched his waist with her fingertips. why should I be jealous? Mr. Tang said that Sun Feifei wouldn't mind if we had anything before marriage. But after we get married, we have to break up!

She raised her little face and said mischievously, ” “then i'll wait for you to get married and then leave. mr. tang, am i not very sensible?”

He looked at her and ruffled her hair.”you vengeful little thing.”

PEI Qiqi grabbed his arm and pulled it down gently. She hugged his arm and said seriously, ” “Tang Yu, I have no one else! I know you might not have thought it through, and neither do I, Yingying, but before you make a decision, don't let anyone else do it. ”

this was her request.

her love and her feelings were not without conditions.

If he was really with Sun Feifei, then she would never be with him again, Yueyue.

tang yu looked at her deeply. he didn't know what changed her. all he knew was that he was touched by her words.

at least, she was willing to consider the possibility of them being together. she didn't reject him like she did before, rejecting him in her life.

his big palm caressed her little face gently, his voice a little hoarse. " qiqi, i've never been with anyone else. "

then, he suddenly chuckled,"Didn't you use that box of 0.01?"

pei qiqi glared at him.

"so you want me to use it on sun feifei?" He bit her little ear and PEI Qiqi almost jumped up.

he held her small body tightly and let her lean on his shoulder.

his big palm caressed her fluffy little head. his voice was low and hoarse. " qiqi, i can let you fly. but remember to come back when you're tired. "

He said it in a profound manner, as if he had experienced the vicissitudes of life.

Even PEI Qiqi felt sad for him.

Chapter 479 high sweetness (6)

she really felt that she was a failure. he was so despicable before.

she buried herself in his arms and said, " " tang yu's xuanji "

"when you feel that you have the courage to come back to me." He smiled warmly and kissed her on the forehead.

PEI Qiqi's heart beat faster and faster. She looked up at his handsome face in a daze.

he reached out and pinched her little nose. then, he lifted the blanket and got up. " boss pei, are you interested in taking a shower together or do it again? "

Her reply was to throw a pillow at him. Tang Yu took it and put it back. boss PEI, it's not a good habit to hit people. You need to change it.

As she said this, she turned around and walked towards the bathroom. She pulled off her bathrobe and generously showed off the scratch marks on her back. PEI Qiqi immediately covered her face. Her face was so red that it was almost bleeding.

when tang yu came out of the shower, pei qiqi and the others were no longer there.

meng qingcheng, on the other hand, appeared out of nowhere and even brought a set of clothes. seeing tang yu, he raised his eyebrows, " "where's pei xiao qi? i don't believe you were alone last night."

As he said that, he looked around for a long time.

I think so, " Tang Yu said lightly. he probably left first.

she left in his clothes because the little gown was still on the floor.

after tang yu finished speaking, he took off his bathrobe and started to put it on.

Meng Qingcheng's eyes widened in shock.

Tang Yu's Kasaya was covered in scratch marks, even his neck!

what kind of intense situation was last night?

Also, he had never seen Tang Yu fight with such ferocity!

how could pei qiqi's small body withstand tang yu's few different positions?

Meng Qingcheng handed the clothes over. He was a little confused. Tang Yu didn't seem to mind her leaving. He even seemed to be in a good mood.

Tang Yu put on his clothes and looked noble again.

Of course, he bent down and picked up PEI Qiqi's dress. She looked good in this dress. She could wear it at home for him to see!

Meng Qingcheng was stunned. After a long time, he finally saw the obvious Hickey on Tang Yu's neck. He coughed, " " pei xiao qi is gone, but the reporters are still outside. how are you going to explain yourself with this? "

First of all, they couldn't get past old master Lin!

tang yu smiled faintly, " what do you have to say? "

He had only spent a night with the woman he wanted and done what he wanted to do.

Meng Qingcheng could tell from Tang Yu's reaction that he had decided to be with PEI Qiqi.

In reality, although PEI Qiqi's background wasn't explained clearly, Meng Qingcheng was smart enough to guess it.

As for Tang Yu's relationship, he wasn't optimistic about it.

after all, for men, especially men like tang yu, love wasn't everything. he couldn't marry pei qiqi just because he wanted to.

sometimes, responsibility weighed more than anything else.

if grandpa lin, lin yun, and the lin family didn't agree, then tang yu and pei qiqi's marriage, sheng yuan's future, and lin corporation's future wouldn't be a small matter. unless tang yu gave up on everything, that was.

But that was impossible.

tang yu was now the hope of the lin and tang families. there was no way tang yu would selfishly let go of all this.

so, in the end, he could only let pei qiqi suffer.

meng qingcheng somewhat understood tang yu's difficulties. he laughed, " a few days ago, the old man had some good feelings for pei xiao qi. but after you slept here, it was all gone. "

Tang Zheng lowered his eyes and chuckled. I forced myself. What does it have to do with her? "

meng qingcheng's eyes were a little straight, " then, now, aww ... "

"I'm going out to face the reporters, then I'll go back to the old residence." tang yu smiled.

He made it sound easy, but Meng Qingcheng didn't think so.

The old master wasn't that easy to get rid of. He would definitely be furious about this!

"do you want to hide for two days and wait for the storm to pass?" Meng Qingcheng explained.

He knew that Tang Yu wasn't afraid of the old man. He respected him.

The old man was used to being mighty, but he didn't want to go against it.

he didn't know that tang yu had other plans ...

PEI Qiqi and Grandpa PEI had a deal. She didn't say it, but he could guess it and he was sure of it. this time, he wanted to go back to investigate.

Moreover, he had taken Qiqi away in front of the whole world. The whole world probably knew that they had slept together last night. He had to give the old man an explanation. Like what he had said just now, he had forced her.

at the moment, he had to deal with those reporters first.

As they walked out of the hotel, Meng Qingcheng followed by his side. Behind him were the four security guards from Sheng Yuan.

All the cameras at the entrance of the Four Seasons Hotel were aimed at Tang Yu, especially the suspicious marks on his neck-

at a glance, it was obvious that the woman had caught the kasaya when her eyes moved.

for a time, the cameras were flashing everywhere, and the cameras were being filmed wildly.

Mr. Tang, did you spend the night with boss PEI of the PEI family last night? " The female reporter asked excitedly.

"mr. tang, according to the hospital, one of president qin's ribs was broken last night. i just want to ask, were you too cruel? are you doing this for boss pei?"

"mr. tang, aren't you worried about your personal image or sheng yuan's stock price?"

tang yu didn't answer this question.

the reporters didn't give up. they placed countless microphones next to his lips. tang yu walked towards the black rv. as he walked, he unbuttoned two buttons. when he got into the car, a reporter squeezed to the front and asked excitedly, " sheng yuan and the pei family are probably enemies now. why are mr. tang and boss pei still together? "

tang yu sat in the luxury car, looking noble and elegant.

Meng Qingcheng was about to close the car door, but Tang Yu stopped him. He smiled at the female reporter, " this is love. | interesting."

the female reporter was stunned for a moment. the shiny black car door had already closed in front of her.

it was as if they were in two different worlds. it was as if mr. tang could tell her that this complicated and unreasonable feeling was called love.| interesting!

mortals couldn't understand, or perhaps this was the world of the rich!

In the black RV, Tang Yu asked Meng Qingcheng calmly, " did Qin Anlan really break a rib? "

Meng Qingcheng's eyes drifted over and he sighed, " yes.

thinking about it, the flirtatious ceo qin probably wouldn't be able to touch any woman for a month. the small stars of king entertainment would be lonely.

Tang Yu didn't say anything!

that was because he would not be any better than qin anlan later!

the car drove for about an hour before they arrived at the lin family's old house. meng qingcheng had been here several times, but he still wasn't used to it.

Tang Yu got out of the car. When he opened the door, he coughed, " wait outside.

the scene wasn't going to be very good. tang yu was a proud man. even qingcheng didn't want him to see him in such a sorry state.

so, tang yu sleeping with pei qiqi last night was really, really expensive because he would have to pay for it later.
