

Thank you 481

Chapter 481 tang yu's trick (2)

the servants at home opened the car door for tang yu. tang yu looked at the antique building in front of him, smiled, and walked in.

Meng Qingcheng got out of the car and held onto the car door, "tang yu."

Tang Yu turned around.

"i wanted to stop you, but it seems like there's no need." meng qingcheng pursed his lips, his expression helpless.

in the past, he knew that tang yu was deeply in love. but now, he knew that for pei qiqi, tang yu had lowered himself to the dust.

he could even betray the entire world.

pei qiqi suffered, but meng qingcheng knew that tang yu suffered even more.

Because he had to bear the hatred of two families and two family corporations, he had to take the big picture into consideration. If it wasn't for his deep love, he would have given up long ago.

Tang Yu looked at Meng Qingcheng and smiled, "Qingcheng, if you fall in love with someone one day, you will know that giving up is actually harder than being persistent.

then, tang yu walked straight into the main house.

meng qingcheng cursed in a low voice, 'isn't it just chicken soup? didn't he just fall in love with pei xiao qi? you make it sound like i've never loved anyone."

however, as he spoke, he started to feel a little sad.

meng qingcheng's liking and love were things that couldn't be said.

because she was too young, because she was sick, he could only give her very little.

It wasn't that he was weak and timid, afraid of taking responsibility, but he didn't want to scare her.

tang xin was so young and innocent. if he told her, would she think he had changed?| State?

Meng Qingcheng chuckled. He laughed at himself for being so silly.

he was no longer a pure man and woman, but mentally, he was really f * cking pure. he actually had a pure platonic love, but the other party did not know about it!

.....

tang mo entered the main house and there weren't many people in the hall.

Old master Lin, Lin Yun, and jinrong's parents were among them.

This kind of low-key was also giving Tang mo some face.

Old master Lin was sitting at the head of the table with a newspaper in front of him. The headline was a scene of his precious grandson and that girl kissing madly.

the old man could even clearly see his precious grandson sticking out his tongue!

under everyone's eyes, under the clear sky, under the bright sun, xuanji was actually so immoral!
not only that, but from the look on tang yu's neck, he must have slept with that girl again!
in order to sleep with a young lady, he got into a fight at marvel's dinner party, and the other party was qin anlan.

qin anlan!

in the past, he had dragged shen lian into this. this time, he did not know how many people would speculate about him.

old master lin was the last person he wanted to have anything to do with the shen family. he knew that the bastard tang zhiyuan liked shen lian. tang zhiyuan had no moral integrity, but old master lin was not stupid.

shen lian and qin anlan's relationship would never be over with him!

It was improper for a good girl to sleep with a man so casually.

therefore, old master lin did not like shen lian at all. no matter how good or outstanding her family background was, it was useless because old master lin was a straight man!

This wife, one must be a Virgin!

pei xiao qi felt sorry for tang yu, but the wife she would find in the future must still be a virgin.

however, everyone in city B was probably talking about how tang yu and pei qiqi had sex for the entire night. which other good family's daughter would want to marry tang yu?

He was a bastard just thinking about it!

tang yu went in and elder lin shouted, " "you still know to come back!"

Chapter 482 Tang Yu's trick (3)

with old master lin's shout, the others all trembled. they were still afraid of the old master.

elder lin looked at tang yu, " explain! "

tang zheng lowered his eyebrows and actually smiled. " there's no way to explain this. "

you still dare to talk back?

Old master Lin's eyes widened in anger.

tang yan chuckled, " i fought with qin anlan. i also forced pei qiqi to go to the hotel with me. "

He raised his eyes and looked at Grandpa Shen. also, I might make PEI Qiqi pregnant.

lin yun and lin jinrong's mother couldn't stand it anymore and wanted to step back ...

just let this old man and this little rascal argue!

but the old man coldly rebuked them, " " why are you running? you didn't teach your son well. he only knows how to run. "

the two women felt helpless and did not dare to leave. they stood by the side and listened to the old man's reprimand.

old master lin's heart was itching to hear what his precious grandson, who was so outstanding that no one could compare to him, was saying.

he was so happy to make the woman's stomach bigger!

Who was that girl? have you forgotten about your mother?

when grandpa lin heard the words 'get her pregnant', he was actually very happy. however, he was afraid that lin yun would feel uncomfortable. if qianqian didn't mind, she would have accepted pei qiqi a long time ago!

Hence, the old man decided to use the family rules!

a long strip as thick as an arm was brought over by jinrong's father.

Lin jinrong's father looked deeply at Tang Yu. Sigh, the last time this family law was used was 30 years ago!

she wondered if the old man was used to using his hands.

plus, tang yu probably didn't rest last night. how could he survive today's beating?

However, Lin jinrong's father did not dare to disobey the old man's words and silently stood to the side.

lin yun was stunned.

One must know that the wooden stick was as thick as her arm and Tang Yu was her flesh and blood!

how could she bear to let tang mo suffer like this? she stepped forward and begged,"dad, this is not appropriate."

"Then it's appropriate for him to sleep with the PEI family's girl?" The old man was so angry that he pushed Lin Yun away.

He was standing up for her and even protecting his son!

keep protecting her, and she'll have a grandson tomorrow!

old master lin was having a good time beating him up!

This wooden stick was as thick as an arm. In just three hits, Tang Yu's back was bruised.

Although it was only a superficial wound, she still had to go to the hospital for a check-up. Lin Yun wiped her tears and let Meng Qingcheng help her away.

she stayed behind. old master lin looked at her and said after a while, " "yunyun, there's no one around right now, what can we say?"

lin yun raised her eyes, which were filled with tears.

only a father could understand that kind of grievance.

old master lin sighed to himself and reached out to wipe her tears away. he chided, " " look, she's almost a grandmother, but she's still crying like a little girl. she wasn't even this fragile when she was young. "

after all, she was his youngest daughter. how could he not love her?

However, no matter how painful it was, she had to be rational.

Elder Tang sighed. I know Tang Yu must've convinced you to do this. The only one left is this unreasonable and stubborn old man!

lin yun's eyes were red and she didn't speak.

The elder sighed again, "you and I, everyone can tell that Tang Yu can't let go. Since you agreed, I have nothing to say. I just feel that you've been wronged. It's not wrong to hit Tang Yu a few times! who asked him to make things difficult for his own mother?"

Chapter 483 tang yu's trick (4)

at this moment, lin yun's heart was truly at ease. she sobbed and leaned on her father's shoulder, her eyes closed. "dad, i'll think it through. "

"if that girl doesn't feel good looking at her, then don't look at her and let the two of them live! We'll meet again in the future if I like it. " the old man patted her. " i think that girl is fine. yunyun, it's been hard on you this time. "

lin yun called out 'dad' with tears in her eyes again. grandpa lin patted her and coaxed her like he did when they were young. " okay, be good. your son helped you get back at him. he did it on purpose. the girl is asleep, and you got back at him. he's atoning for your mistake for that girl. "

the old master had opposed it earlier! a few days ago, he even called pei qiqi over. but seeing tang yu like this, it seemed like he couldn't break up with her.

Since it couldn't be broken, it was better to fulfill it. Otherwise, it would cause even greater trouble, and that would really be a lifetime regret.

Lin Yun shed tears. She knew how Tang Yu got hit just now.

This child saw her drop that piece of flesh. He felt guilty towards her when he was with PEI Qiqi. these five hits were taken on pei qiqi's behalf.

so silly!

she had given birth to a silly son!

but now, she was so happy that she stammered.

tang yu was like her, long-lasting!

looking at him like this, dad, I'm happy but also sad. I'm afraid that Tang Yu will end up like me, destined to be sad. Lin Yun raised her teary eyes. I'm afraid that he'll be lonely like me.

old master lin patted his beloved daughter's shoulder. " no, no. " tang yu wouldn't. didn't you see that the girl was completely under tang yu's control! If that girl didn't love Tang Yu, she wouldn't have thought of leaving him."

It was precisely because she loved him deeply that she was unwilling to make things difficult for him.

Lin Yun was silent and only nodded after a long time.

“yunyun, dad’s old.” the old man reached out and stroked his daughter’s hair. “ i think zhao yi is not bad. if he likes her, i’ll bring her back for you to see. ”

lin yun’s face was slightly red. she was almost 50 years old and was no longer a young girl. however, when she was shy, she was still very moving. it was no wonder that tang zhiyuan was also very tempted.

she didn’t say anything, but the old man knew in his heart. he was relieved and chuckled a few times. he patted her again.”I heard that bastard Tang Zhiyuan is still bothering you! If something like this happens again, I’ll talk to him. I don’t think he’ll have the guts to do it again.”

The old man didn’t like Tang Zhiyuan.

Whether it was towards Lin Yun or the sinful Zhao Ke, Tang Zhiyuan was extremely unmanly.

Putting Yunyun aside, after so many years, let’s talk about Zhao Ke ...

as soon as the incident happened, tang zhiyuan immediately broke up with zhao ke without any affection. he didn’t even think about the poor child tang xin in the middle.

of course, he wouldn’t tell lin yun these things. lin yun probably had her own plans and wouldn’t do anything stupid.

Lin Yun gave a soft “en” and the old man’s mood became better. I think Zhao Yi is quite good.

“Dad!” lin yun looked at him with blame, “can we not talk about this?” I’m just worried about Xuanji jinrong’s parents and the Lin family. They won’t be able to get through.”

Tang Yu and PEI Qiqi couldn’t possibly hide and get married in secret, right?

time will wash away everything. Didn’t tang Yu hire a foreign expert? Maybe jinrong will wake up one day.” “If it doesn’t work, then let that girl have a few more children. It’ll be her atonement for her mother.” The old man suddenly felt a little sad.

Chapter 484 Making up (1)

Tang Zheng was admitted to the hospital and stayed next to President Qin in the top VIP Ward of Sheng Yuan hospital.

When the black limousine drove into the hospital, it was a lively scene!

The reporters surrounded Sheng Yuan hospital tightly because Tang Yu just left the hotel in the morning. It was obvious that he had a good night’s rest.

Now that he’s in the hospital, is he drained in that area?

Tang Yu got out of the car. Although his back hurt, he still held on and went straight to the hospital room.

After checking, there were no injuries to his bones or internal organs, but his back was really blue and purple, so purple that it turned black ...

old master lin was still fit and strong!

After Dean he personally examined him, he straightened his body and accompanied him with a spring breeze-like smile. Mr. Tang, it’s fine. It’s just a superficial injury. You don’t need to be

hospitalized. You'll be fine after resting for three to five days. You just don't have to lie down for a long time.

tang yu slowly put on his shirt. his movements were slow and elegant as he looked at the dean, "are you sure?"

a little sweat appeared on dean hao's forehead. he didn't understand the meaning of tang zheng's words.

Wasn't it a good thing that he was fine?

wasn't it better not to be hospitalized?

why did mr. tang look so unhappy?

dean hao didn't understand. he sneaked a glance at meng qingcheng, hoping to get some hints.

Meng Qingcheng chuckled and sighed in his heart. Tang Yu was such a tsundere. Didn't he just want to make PEI Qiqi's heart ache?

If he was injured and no one came to comfort him, wouldn't he have been beaten up for nothing?

but how could tang yu say something like this?

Hence, Meng Qingcheng coughed lightly. director Hao, I think it's quite serious. It's better to stay in the hospital for a few days of observation.

dean hao was stunned for a moment before he understood.

he wanted to be hospitalized!

This was easy! hence, he immediately made the arrangements and carefully asked, "Mr. Tang, how many days would it be appropriate for you to stay here?"

tang yu looked at him. dean hao immediately said, "then can we open it for half a month first?"

At this time, Tang mo buttoned his shirt and lightly said, "You're the director, so it's up to you to do it."

that means you're satisfied?

alright. the director wiped his cold sweat and smiled. half a month then. We'll see how things go later.

he quickly left and closed the door. meng qingcheng turned around and laughed, "didn't you just want pei xiao qi to send some chicken soup over?"

Tang Yan glanced at him. ask Xiao ran to bring the company's Affairs here. I'll handle them here.

Meng Qingcheng said seriously, "although it's just a superficial wound, it looks pretty serious. You should rest for the next two days. Don't tire yourself out.

There was a hidden meaning in his words. How could Tang Yu not understand? he glared at him, "alright, you can go now.

meng qingcheng snorted, "are you sure?"

Tang Yu threw something over and said proudly, "Make a statement, understand?"

How could Meng Qingcheng not understand?

wasn't it just acting pitiful?

if pei xiao qi saw that tang yu was so badly injured for her, would it be appropriate for her not to come and take a look?

meng qingcheng laughed and left. after he left, tang yu felt a burning pain in his back.

The old man really didn't show him any mercy. After these few hits, it was already very fortunate that his skin didn't break and his flesh didn't tear.

He lay down on his side. It was not very comfortable, so he covered his eyes with his hand and silently missed her.

they could be considered to have made up!

Although Qiqi had not completely given in, he could feel that she wanted him.

however, the little girl was thin-skinned, and he wanted her to beg for his hanhan's help.

when he thought of her half-kneeling in front of him, looking up at him and begging him, tang yu's body hurt even more. it hurt even more!

Chapter 485 Making up (2)

Meng Qingcheng's PR was good. PEI Qiqi quickly found out about Tang Yan's hospitalization.

On the report, at the entrance of Sheng Yuan hospital, Tang Yu got out of the black RV with a pale face. Although he didn't look like he was in any condition, she could see that his body was tense and his brows were furrowed as if he was in great pain.

PEI Qiqi hugged the bowl of noodles and was dumbfounded.

she just looked at tang yu like that. after a while, he walked into the hospital and disappeared from sight.

He heard a report saying that he would be hospitalized for half a month.

Half a month?

pei qiqi put down her noodles and stared at the tv in a daze.

should he go or not?

She bit her lip so hard that it almost bled. Then, she jumped up, grabbed a coat, and ran out.

Late at night, she drove the White beauty to the inpatient department of Shengyuan hospital. She sat in the car and hesitated for a long time.

if she went up, she knew what it meant. it meant that she had to bow down to him.

it meant that she was with him.

It meant that she was willing to face everything that she didn't want to face.

however, she still wanted to see his hanhan.

her fingers were trembling and weak, but in the end, she opened the door firmly and ran to the elevator.

He pushed open the door of the ward. Although it was past ten O'clock, the patient inside was still awake.

Tang Yan was lying on his side with a Business Magazine in his hand. When he heard the door open, he raised his head and looked at PEI Qiqi.

His dark eyes were calm, and no emotions could be seen.

there was no one else but him in the huge ward.

PEI Qiqi stood at the entrance and looked at him with her lips pursed. She was a little stubborn and didn't say anything.

slowly, tang yu's eyes turned warm. he looked at her and smiled, " why didn't you come in? " he put the magazine in his hand aside.

pei qiqi saw that he was lying still and walked over. she knelt in front of his bed and looked up at him, " "where are you hurt?"

tang yu didn't say anything. he just looked at her deeply.

then he laughed. " is excessive jade considered an injury? "

PEI Qiqi bit her lips, " you're still talking nonsense at a time like this!

tang yu's eyes were on her little face. his voice lowered, " you're worried? "

She hummed softly in agreement.

tang yu's hand suddenly grabbed her and caressed her soft little hand. he said very casually, " "he was punished by the lordmaster's family laws."

She widened her eyes and looked at him anxiously.

He pulled her back and refused to let her move. it's on my back.

He said it so casually, but PEI Qiqi insisted on seeing him. Her injuries weren't serious and she didn't need to stay in the hospital for half a month.

"let me see." Her voice was trembling.

He did not say anything, nor did he stop her.

after a while, pei qiqi knelt in front of him and carefully rolled up tang yu's shirt. she saw his back that was already purple.

his skin was not bronze in color, but jade in color, which made him look even more terrifying.

those few black and purple marks seemed to have dug deep into pei qiqi's heart.

her small hands caressed the marks, her voice trembling. " it must be very painful, right? "

She raised her head. why did the old man hit you? "

tang yu told her to put down the shirt. she obediently knelt in front of him so he could pet her fluffy head. she smiled, " it's probably because i slept with you for a night. "

she was stunned, and then her face turned pale.

tang yu held onto her. although his back muscles hurt a lot from this action, he still held onto her tightly and didn't let her escape.

Chapter 486 making up (3)

it was not easy for him to catch his qiqi, and it was not easy for her to be willing to come and see him.

he rested his face on her shoulder and said in a low and hoarse voice, " qiqi, don't run away! "

At this moment, Tang Yu's voice was weak. He held her with one hand and stroked her long hair with the other, " you have to believe that I'm in more pain and suffering than you. When it comes to my mother and the Lin family, I'm in a worse position than you.

He rubbed her head gently with his fingers. but I don't want to live without you. i don't want sun feifei or li feifei."

" i know my mother came to you, but she's no longer against it. of course, i can't say that she's in favor of it. "

Her body stiffened in his arms, almost unable to believe what he was saying.

"The old man beat me up, probably because he was embarrassed and angry, and couldn't do anything to me!" he laughed bitterly and held her little face, looking at her seriously. " qiqi, i've never done anything stupid. it's the first time i've been hit like this. "

it was also her first time fighting with qin anlan.

so many first times, all for a girl called pei qiqi.

Qiqi, if you keep running away, I don't know how long Yingluo can hold on. His gaze was deep and serious as he looked at her.

... he admitted that this was a threat. although it was a little despicable, it was necessary!

PEI Qiqi looked at him helplessly, " Tang Yu, I haven't thought it through.

"then think about it now!" he patted her little head and said generously.

pei qiqi wanted to cry.

now that she thought about it, would he allow her to regret?

But her heart really ached for him. It must have hurt a lot, right?

the moment she moved, he hissed and frowned in pain.

"Does it hurt?" her heart softened, and her small hand gently touched his back as she asked softly.

at that moment, her long hair was loose. she was wearing a pair of tight-fitting jeans and a gray sweater. she looked indescribably fresh and moving. she was not 'boss pei' but qiqi. his qiqi.

Tang Zheng sat up and leaned sideways on the bed. it won't hurt anymore when you come.

Her little face was a little red, and her little appearance was quite adorable.

Tang Yu was a little moved. He hooked her chin with his finger and teased her, " PEI Qiqi, you're blushing.

She turned her head and snorted. you're so injured, yet you're still thinking about this.

he was about to joke with her, but she started to cry as she spoke.

Then, the little person curled up in his arms and cried like a little shrimp.

Tang Yu's heart softened and he felt helpless. He caressed her face with his large palm, " PEI Qiqi, you're not a child anymore. If you cry like this, people will laugh at you.

She snuggled into his arms like a Rascal and buried her face in his chest, right in his lower abdomen.

The fluffy hair made him a little itchy and restless.

her voice was extremely hoarse."qi qi, you're so silly."

"I'll just cry." she said in a particularly childish voice, and then buried herself deeper.

Tang Yu ran through all the important developments in Sheng Yuan in his mind. That's why he didn't pull her hair and force her to do something unspeakable for him.

This little bastard!

" qiqi, i'm the one who's injured. why are you crying? " He laughed in a bad mood and finally managed to pull her out.

PEI Qiqi laid in his arms and stared at his dazed expression. It made him really want to kill her.

" i just want to cry. " she curled up beside him like a kitten and obediently leaned into his arms, " tang yu, don't be so nice to me. "

Chapter 487 making up (4)

He looked down at his little black head and smiled. Qiqi, what's so good about it? "

Even he himself felt that it wasn't a good idea. It wasn't like he hadn't wavered before, and he had wavered his relationship with her.

he even had the thought of keeping her outside for the rest of her life. this way, he could have the best of both worlds.

But in the end, he loved her and could not bear to let her suffer like this.

PEI Qiqi didn't say anything. Actually, she knew all about his good and bad.

she buried herself in his arms and said in a small voice, " tang yu, you know you love me. "

he was as proud as a baby!

He laughed and stroked her long hair. When did I love you? You little shameless thing.”

pei qiqi mumbled and threw herself into his arms. she softly said, ” “you just love me!”

“what about you, pei qiqi?” He pressed her down and refused to let her go, his lips pressing against her little ear. are you prepared for me to love you? ”

she was a little absent-minded, and after a long time, she looked up at him.

His expression could not be more serious.

pei qiqi responded with an ‘oh’ and then asked, ” ” tang yu, does it hurt? ”

he raised his hand and grabbed her hand, ” pei qiqi, don’t avoid the question. ”

she still looked at him pitifully. ” “how are you going to love me?”

“like this?” he smiled deeply and kissed her little mouth.

Her small lips were bright red, rosy and alluring.

He was only slightly startled for a moment before leaving, his dark eyes locked on her. like this? ”
hmm?”

She blushed and reached out to hit him, ” Tang Yu, don’t forget the wound on your back.

She was stupid, but she could tell that it was probably just a superficial wound.

tang yu sat up and hugged her in his arms. in a low voice, he said, ” then you’ll be on top. ”

she laid in his arms and bit him hard. tang yu laughed, ” “I was just lying to you!”

At this moment, the little thing in his arms was indescribably soft and tender.

He was a little overjoyed, a little disbelieving, and even wanted to confirm it now.

however, at the moment of confessing to each other, if he couldn’t wait to ask for that kind of thing, his little guy would definitely be angry.

He endured it and kissed her neck gently. Then, he said in a hoarse voice, ” “qiqi, if you don’t let go, i’ll have to call the doctor.”

she was shocked and immediately left his arms. she asked, ” “does it hurt a lot?”

He hummed and looked at her while lying on his side, not saying anything else.

pei qiqi pursed her lips and after a long time, she said softly, ” “actually, you don’t have to work so hard.”

yes, he had forced her. he had done many terrible things, but she knew that he was in as much pain as she was.

He just wanted her to go back.

Clearly, he could have had a better life and a more perfect one.

Tang Yu patted her, ” if you like it, then you like it. What can you do about it? ”

She didn’t say anything and just hugged his waist, her fingers tugging at the fabric of his shirt tightly.

“alright, stop crying!” he patted her little head and said very seriously, ” “qiqi, i’m a little hungry.”

in order to wait for her to come, mr. tang yu didn’t allow anyone to send him food. he was very arrogant.

He had been starving for more than ten hours!

pei qiqi lowered her head and looked at the time. then, she glared at him.”tang yu.”

he smiled and moved his body, then lay down. ” be good, go cook. ”

This was a high-class Ward, and it had everything.

pei qiqi looked at him lying on his stomach and snorted softly. then, she pressed down on his back.

Chapter 488 Making up (5)

Mr. Tang, who had always been noble, awkwardly called out,”qiqi.”

“Who asked you to be so childish!” she still rubbed it gently and blew on it before going down. ” i’ll go cook. ”

She was about to leave when he caught her hand. his grip was a little tight.

PEI Qiqi turned her head and looked at Tang Yu, ” what’s wrong? ”

his eyes were fixed on her small face for a long time before he said softly, ” “It’s nothing,”

pei qiqi didn’t leave immediately. after a while, she lay in front of him again, ” tang yu, i knew you liked me. ”

her eyes were wide open as she looked at him. tang yu patted her, ” you little shameless thing, go cook. ”

She obediently went. On such a night, she was unbelievably soft.

She never thought that one day, she would make such a decision or have the courage to be with Tang Yu.

however, she really didn’t want to miss him.

She cut the vegetables, boiled the soup, and fried the vegetables. The rice she cooked was fragrant and soft.

one bowl of rice for two people.

Two people could sleep on one bed.

late at night, tang yu sat down. his shirt was pulled down to his waist.

PEI Qiqi knelt behind him with a first aid kit in her hand. When she saw the five bruises, her heart ached.

“Tang Yu.” she called out to him like a kitten.

“Qiqi,” he said,”you can be heavier.”

she didn't dare to apply too much medicine. just applying the medicine so carefully made his back sweat.

It was clearly very painful, but he had to pretend that nothing happened.

she pursed her lips, not daring to make a sound.

However, Tang Yu knew she was crying. He smiled warmly, " Qiqi, kiss me and it won't hurt anymore.

He was just teasing her, but he didn't expect his little one to really put her arms around his shoulder. Then, he felt her little mouth gently touching his back.

It was a little cold, but also a little hot.

"qiqi." his voice was extremely hoarse as he called out her name.

PEI Qiqi acknowledged him and kissed him a few more times. Her voice was getting warmer, " does it still hurt? "

tang yu grabbed the little thing from his back and hugged it in his arms.

Her long hair was as black as ink, and the beauty of a young girl at her best age was blooming in his arms at this time ...

Tang Yu slowly lowered his head and lightly kissed her. He gently licked her red lips and gently touched Yingying.

his hot breath on her face, his body temperature, and his bulging muscles made her blush and her heart beat faster.

pei qiqi bit him and her expression was weak, " tang yu. "

He hugged her like a little doll, just like how he used to hug her. He coaxed her gently,"Be good, I'll just kiss you Yingluo. I can't do anything even if I want to. hmm?"

she looked at his adam's apple, which was moving up and down, and it was especially sexy.| sense.

And she clearly felt the change in his body.

PEI Qiqi bit her lips and buried her face in his arms. She mumbled a few words softly.

Tang Yu closed his eyes, " Qiqi!

She had already buried her head in the ground to tease him.

he had never known that she had such a hobby!

he wanted to stop them, but there were too many of them. he couldn't control them.

The moonlight was clear and the bed was messy.

She was bent in his arms, her back against his slightly hot body.

Tang Yu reached out and patted her back, coaxing her to sleep like he was coaxing a baby.

The two of them were not sleepy, probably because it had been a long time since they had laid together so quietly, so they especially cherished it.

Chapter 489 making up (6)

” tang yu, can we really be together? ” In the dark, PEI Qiqi’s voice was soft and weak. he reached out to stroke her little head and rested his chin on the top of her head. ” “Yes, miss PEI.” she rubbed her little face against him a little arrogantly, let out a cry, and did not say anything else. Her face was pressed against his arm. It was a little warm, and her back felt an indescribable warmth.

she wanted to cry again. her voice was dry and hoarse, ” tang yu, i feel like i’m being selfish. ”

He hugged her a little tighter and held her small body in his arms. He kissed her again and again. I just hope that you can be a little more selfish.

she turned around and hugged him, like a child.

“you’re already so big, but you’re still acting like a child.” His voice was warm as he lowered his head to look at her small head.

PEI Qiqi’s voice was muffled in his arms, ” Tang Yu, I just want to feel your warmth.

He didn’t say anything else, only hugging her and kissing her neck.

just as she was about to fall asleep, tang yu whispered in her ear, ” “qiqi, thank you for being so brave.”

She woke up and hugged him tighter. She snuggled in his arms and was particularly restless.

Qiqi, if you continue like this, I can’t guarantee what will happen. He patted her restless little body.

However, she still arched her back, especially restless.

tang yu was extremely distressed. it was both sweet and sour ...

“Qiqi,” he coaxed her, “can you sit on the bed?”

“Not good!” She chuckled in his arms, her small hands lighting a fire up and down, teasing him.

Tang Yu finally realized she did it on purpose.

“qiqi.” he called her name in a low and hoarse voice, his dark eyes pleading with her. | It was a unique brightness when they were having fun.

even her legs felt weak when she saw him. she hugged him shamelessly. Tang Yu, you’re injured.

“then why are you flirting with me like this?” he bit her angrily. he really wanted her.

the disobedient baby whispered into his ear for a long time, making the injured man even more unable to sleep.

he looked at her with his bright eyes and pinched her little face. ” don’t go back on your word in the future! ”

she wailed and hugged him.

‘Tang Yu, when you fought with Qin Anlan without a care and when you were being punished by the old man, if I could still remain unmoved, I think I don’t love you enough.’

Now, I’m back.

And you still love me!

she lay in his arms, her small hands gently touching his face, and then buried herself in his arms.

Tang Yu, let’s live together with Tang Xin in the future, okay? ”

He reached out to stroke her long hair and gave a faint hum.

when he lowered his head again, she had already fallen asleep, huahua.

Really, a child.

in fact, she always pretended to be mature, but she was only 21 years old, which could be considered a child.

“Qiqi, I’m sorry.” he hugged her.

i’m sorry for being so bad to you before!

Early in the morning.

grandpa lin came to visit his seriously injured grandson. the nurse opened the door and said softly, ”
“Mr. Tang hasn’t woken up yet.”

He didn’t wake up.

it wasn’t just one person who didn’t wake up. it was the little one who was sleeping soundly with her.

Lin Yun came with Grandpa Lin, and they didn’t expect such a scene.

However, they were both old foxes. From this scene, they could guess why Tang Yu insisted on staying in the hospital.

It was clearly a ruse of self-injury!

Chapter 490 Why aren’t you greeting your grandfather yet?(1)

Lin Yun was concerned about Tang Yu’s face. Plus, there was PEI Qiqi. She was still a young girl.

Although she still had that feeling in her heart, she had never liked people who embarrassed others.

However, the old man did not have such moral integrity. He knocked the walking stick in his hand loudly. is this a hospital or a hotel?!

Tang Yu woke up first. The first thing he saw when he opened his eyes was his grandpa’s angry face and Lin Yun’s helpless expression on the side.

he sighed in his heart and silently pressed the little person in his arms down, only revealing her sharp little head.

PEI Qiqi woke up but didn’t dare to make a sound when she heard the noise.

more than anything else, he felt uncomfortable!

Elder Tang wasn't someone that could be easily dismissed. He glared at Tang Yu coldly, "you stayed in the hospital and even dragged a nurse to your bed?"

Tang Yu smiled and patted Pei Qiqi, indicating for her to lie down. He then got up and put on his clothes.

She calmly buttoned up her shirt, and her elegant demeanor made the old man even more angry.

"Go back to work once you've recovered. You're making a fool of yourself here. Why do you have to sleep in the hospital?" the old man said as he looked at the little one on the bed.

He was feeling smug in his heart.

That girl was usually very fierce to him. No matter how thick-skinned you are, once you are on my grandson's bed, you can't be fierce no matter how fierce you are.

Looking at the old man's face that was glowing, Tang Yu was stunned-

Last night, he said that Qiqi was like a child. But now, Grandpa Shen was more like a child.

He smiled and looked at Grandpa Shen. Let's sit in the living room outside. I'll get Qiqi to wake up.

His expression could not have been more natural, and it was a kind of calm with a hint of gentleness.

The old man touched his nose. This grandson was definitely being taken advantage of by that girl.

She glared at Tang Yu and then left with Lin Yun.

As soon as he went out, the young nurse from earlier said with a serious face, "Elder Lin, in the future, you can't insult our profession as a nurse. We don't sleep with you."

Old Master Lin was stunned for a moment, then he laughed out loud, knowing that he had been too rude.

Only then did the nurse give up and walk out.

Lin Yun helped the old man sit down, leaving only the two of them in the small hall. The old man saw that no one was around, so he whispered, "I know I'm making things difficult for you. Look at the situation. It's your precious son who's not up to expectations. He probably can't sleep with anyone else except this girl."

He said that he didn't mean it, but Lin Yun did.

Other people didn't know about Tang Yu's illness, but as his mother, she knew.

Pei Qiqi was indeed the only woman Tang Yu could touch now. What if something happened?

Seeing her strange expression, Elder Tang didn't say much. He just waited there and then roared into the room, "Are you putting on clothes or taking them off, Tang Yu?"

Those words were crude, but there was nothing he could do about it. The old master had gone out to make a living when he was young, and his temper had never changed since.

With this roar, the two little ones came out in no time.

Naturally, PEI Qiqi felt uncomfortable. Luckily, Tang Yu held her and said a few words. Then, this matter was over.

they didn't talk about marriage, as it would seem too deliberate, and it wasn't the time and place.

Elder Tang didn't say much. He just looked at Tang Yu meaningfully, " didn't you take the jade pendant from my place last time? your grandma left you a lot of things. She said that I'd take up space if you left the jade pendant for your wife with me. Tomorrow, you can take it with you. That way, I won't have to worry.

at the end of his sentence, he snorted.
