

Thank you 491

Chapter 491 why aren't you greeting your grandfather yet?(2)

Tang mo smiled. okay! i'll bring qi qi with me. "

grandpa lin glanced at pei qiqi and snorted, " i've talked so much that my mouth is dry. don't i have a sip of water to drink? "

pei qiqi obediently poured tea. naturally, she didn't just pour one cup. she poured lin yun's as well.

The old man took it, but he was not in a hurry to drink it. He turned his head to look at his daughter's reaction.

also, pei qiqi, that girl, looked so nervous that she was about to cry.

looking left and right, it wasn't that tang yu was overthinking it. this girl still cared a lot about their tang yu.

the old man's heart was at ease, and he drank the tea in one gulp.

lin yun looked at pei qiqi's small face. her small face looked a little similar to zhao ke when she was young.

The only difference was that the Zhao Ke back then was flamboyant, while the PEI Qiqi in front of her had a bit of forbearance.

lin yun looked at him for a long time, but she couldn't think of how a man like pei minghe could give birth to a daughter with such a temper.

One had to know that PEI Qiqi didn't show any mercy to Zhao Ke either!

this was also one of the reasons why lin yun was against it before. she always felt that a young lady like this was too cruel. she still preferred a young lady with a simpler mind.

But now, this little girl was holding a cup of tea and looking at her nervously, eager to get her approval.

lin yun's heart was filled with an indescribable feeling!

all these dissatisfaction, all these years of loneliness, all these years of hatred, all disappeared on this small face at this moment.

She thought that all of this in the past was nothing.

Tang Yu's happiness was more important. She also believed that if Tang Yu could do it, he would rather break up with PEI Qiqi than hurt her.

But Tang Yu couldn't do it!

as for her, she could only accept that qianqian might not be able to see pei qiqi as comfortable as she used to be for a few years. but lin yun thought that maybe one day, they would have a child ...

The little angel sent by God would make her slowly forget everything in the past.

finally, lin yun took the cup from pei qiqi's hand. although she only took a small sip, the meaning behind it was indescribable.

Tears welled up in PEI Qiqi's eyes, but she didn't lose her composure. She pursed her lips and stood beside Tang Yu like a little wife.

The old man and Lin Yun didn't stay for long. After drinking the tea, they said casually, "if there's no major problem, go back and recuperate. Don't use up public resources.

tang yu smiled and didn't say anything.

the old man looked at pei qiqi with ill intentions, " " girl, don't forget the contract we made. "

10 billion!

if they dared to violate the rules, they would have to pay ten billion.

Pei Xiao Qi was dumbfounded!

the old man was pleased!

Hmph, you want to fight me?

in fact, the old man had already known that this day would come, so he had deliberately set her up.

Even if PEI Qiqi sold herself, she wouldn't have 10 billion. In the end, Tang Yu was the one paying.

the old man was quite proud. he hadn't played a prank like this in a long time, especially when he saw the girl's confused look. it was so good!

Grandpa Lin laughed out loud as he walked downstairs."Actually, that girl is quite cute."

However, as a man, he felt that Tang Yu couldn't let go of her mainly because she was pretty.

she was not just good-looking, but extremely good-looking.

the old man sighed in his heart. back then, tang zhiyuan was fascinated by zhao ke. there was a reason for that.

When she was young, Zhao Ke's beauty was particularly flamboyant, and no man could resist her.

However, PEI Qiqi's beauty was different from Zhao Ke's.

It was the kind that was very stunning, the kind that one would never forget after looking at it for a long time.

Lin Yun sat beside her father and didn't say anything. She just smiled.

Chapter 492 he wanted to get married (part one)

because he made up with pei qiqi, tang yu didn't need to stay in the hospital anymore.

besides, the hospital wasn't as convenient as her home. thinking about how the nurse could come in at any time and how she had to lock the door if she wanted to kiss her, it didn't feel good!

that afternoon, tang yu was discharged from the hospital. he didn't alarm anyone and asked the driver to pick him up.

after one night, he didn't know if it was because he had recovered well or because pei qiqi was by his side, but it didn't hurt as much. the bruises on his back also faded.

The black RV drove all the way to the Rose Garden. The driver, uncle Zhao, wanted to help Tang Yu up but Tang Yu waved his hand, "I'm fine. You go and rest first."

Old Zhao went down.

The moment he left, Tang Yu looked at PEI Qiqi, "Aren't you going to help me?"

"just now, uncle zhao said he wanted to help you up, but you refused." She retorted, but her heart softened and she went over to help him.

tang yu gave her half of his weight. walking up the stairs like this, he still needed to rest for two days. he didn't need to stay in bed, but he couldn't stand for too long or do any vigorous exercise ...

It was Dean he who said it!

Tang Yu sat on the sofa and frowned. PEI Qiqi immediately rolled up his sweater and carefully examined the wound on his back.

"does it hurt a lot?" She touched it gently with her small hand.

tang yu nodded, " help me apply some medicine. "

after he finished speaking, he lay down.

pei qiqi half knelt beside him and pulled up her sweater from the back. she picked up some green paste and carefully applied it on his back. she was especially careful as she was afraid of hurting him.

"it's done," she put down the sweater for him and said in a small voice as she leaned forward.

however, he had already grabbed her little arm. with a strong pull, pei qiqi fell onto the soft sofa. then, she was pressed under him.

her black hair was scattered and messy, just like her hopeless struggle.

Tang Yu looked at her pretty little face and his heart softened.

the two of them had gone through a lot of struggle before deciding to be together.

"Qiqi, have you really thought about it?" His voice was warm. He leaned over and pressed his Hot Lips against her small mouth, gently touching the Yingying.

She wanted to see him tease her like this.

Her small red lips opened slightly, and she looked at him pitifully with a pleading look.

"Qiqi, do you want me to kiss you?" he lowered his body and moved closer to her ear.

pei qiqi bit her lips, " no! "

he chuckled and tried to get up, but she quickly hooked her arms around his neck.

her soft little arms rubbed against his neck, and his heart softened.

tang yu lowered his head and the tip of his nose touched hers. his voice was extremely hoarse, " do you want to kiss me? "

She closed her eyes and looked fragile, as if she was letting him do whatever he wanted.

tang yu looked at her and his blood was boiling. however, he held it in and teased her, " qiqi, you can do it yourself. "

As he spoke, he suddenly got up and sat on the sofa. His face was noble and serious.

However, that kind of restriction| desire could stir her up even more.

PEI Qiqi lay down for a while and bit her finger.

Should she eat him or not?

although it was a little embarrassing, she still couldn't help but crawl into his arms in the end.

She raised her little face and looked at his smooth and beautiful chin. She first took a small bite, then another small bite, and then slowly kissed him, like a little girl eating candy-it was delicious!

Chapter 493 he wanted to get married (2)

Tang Yu waited patiently. After a long time, she finally moved to his lips and gently bit his lips.

He looked at her without a word.

she took another small bite and looked at him with eager eyes.

This poor thing!

Finally, he chuckled and lifted her up high. He lowered his head and kissed her on the lips.

probably because she had waited for too long, she took the initiative and wrapped her little hands around his neck.

she was fragrant and soft, and especially obedient.

Tang Yu let go of her little mouth with difficulty. His breathing was a little messy as he stared at her with a burning gaze, " "PEI Qiqi, do you want more?"

her little hand sneaked into his sweater and she buried her face in his chest. she said in a muffled voice, " tang yu, you bastard! "

he laughed in a low and hoarse voice. he rubbed her with his big palm and bit her little ear with his lips. " qiqi, hmm? "

She was not willing to give up and screamed again.

in the end, she blushed and slowly sat in his arms, her little face hot and dazed.

hugging each other like this, it was extremely comfortable.

at this moment, it was as if they had returned to their best days in the past. it was as if they had never experienced all those pain and hurt.

It was as if she had just walked into his suite, he was drunk, and she was drugged.

she leaned into his arms and kissed him ...

They would be entangled for the rest of their lives.

After that, PEI Qiqi broke out in a thin sweat.

she lay in his arms, panting like a little beast. she had never been so tired before.

All this time, Tang Yu was the one who took care of her, including when they first started.

he didn't like women to take the initiative. he liked to slowly explore her body.

pei qiqi panted and her little hand slowly scratched his back, " tang yu, does it hurt? "

"Qiqi, what about you?" he touched her with his fingers.

She bit her lip. He was shameless!

She leaned on his shoulder and bit him.

it did hurt a little, but it was also sweet.

He turned her small face and kissed her small mouth ...

As if it wasn't enough kissing, they kept kissing for the entire night.

Fortunately, he had an injury on his back, so he couldn't be too indulgent. Therefore, after they had done it once before, he wasn't too rash.

after taking a shower and taking a nap, pei qiqi woke up from her luxurious bed.

Her white and sweet arms reached out from under the blanket. She wanted to hug Tang Yu, but she didn't. Instead, she stuffed a pillow into her arms.

her long eyelashes trembled slightly, and she opened her eyes. he was not in the bedroom. she lifted the blanket and walked out barefooted in a bathrobe.

the door to the study was open. pei qiqi opened the door and saw tang yu sitting behind the wooden desk. he was in a white shirt and black pants. he was holding a document in his hand.

Xiao ran was still standing in the study room.

PEI Qiqi didn't expect Xiao ran to come over at this time. She took a deep breath and was stunned.

Tang Yu looked up and saw PEI Qiqi. From her bathrobe to her bare feet, his face darkened, " go to the bedroom and change your clothes.

Although Xiao ran was a woman, Tang Yu was a man who paid attention to his privacy.

he was so fierce! pei qiqi glared at him, then nodded at xiao ran and flew out.

xiao ran was also a little dumbfounded.

they're sleeping together again?

big boss li's love life was so mysterious. it wasn't something that ordinary people like them could understand.

Xiao ran naturally didn't dare to ask anything. He pointed out a few places on the document that needed to be signed urgently for Tang Yu to see. After he signed it, he kept it.

Chapter 494 He wanted to get married (3)

just as xiao ran was about to leave, tang yu called out to her.

“president, is there anything else i can do for you?” xiao ran asked in all seriousness.

Tang Yu looked at her seriously, ” Xiao ran, help me empty out GM hotel and use half a year to renovate it!

half a year of renovation?

Xiao ran raised his eyebrows, and he vaguely had an answer in his heart.

This time, he even skipped the engagement?

the president was probably traumatized by his engagement and wanted to get married immediately.

Of course, the bride would only be PEI Qiqi!

xiao ran nodded. ” okay. then, is there anyone that you like, president of the designer company? ”

tang yu thought for a moment and smiled, ” i’ll make other arrangements. let’s empty the hotel first.
”

xiao ran left.

Tang Yu walked back to his bedroom. There was no one there. After some thought, he went to the changing room.

The moment he went there, even though he and PEI Qiqi had made love countless times, he was still stunned ...

Under the warm light, the bathrobe was piled up by her feet. PEI Qiqi bent over and looked for clothes in the closet.

Her small shoulders, the beautiful lines of her back, and one hand to cover herself in a daze.

just by looking at it, tang yu couldn’t control his emotions.

He walked over slowly and hugged her from behind. His voice was a little hoarse. are you looking for clothes? ”

Only then did he remember that there were no clothes for her to change into here. Her clothes were all stored in Xia city.

pei qiqi was shocked. being hugged like this, she felt a little shy.

she bit her lip and said in a small voice, ” tang yu. ”

Her small hand held his hand, wanting him to let go. Not only did he not let go, but he hugged her even tighter. His hot breath blew on the side of her ear, attracting waves of movement in her eyes.

Tang Yu’s fingers were holding onto hers. His face was pressed against the side of her face. It was very tight, so was his body.

“Baby, wear mine, okay?” he held her, and she was so small that she looked like a little doll.

However, the more taboo a man was, the more excited he would be.

Especially since they had been separated for so long. Although they would have sex occasionally, every time, it was either in secret or he forced her. Naturally, it was not as pleasant as being in love with each other.

He reached into the closet, picked out a loose sweater, and put it on her.

the white sweater could almost be used as a skirt on her small body.

It's very big and a little cute.

He put his fingers behind her back and smoothened her long hair out of the sweater.

Her small body trembled and she was at his mercy.

she was carried in front of the full-body mirror. she looked into the mirror and saw tang yu hugging her from behind.

his eyes were filled with admiration as he looked at her fair and straight legs. as a man, his mind was already filled with countless fantasizing imaginations.

His large palm landed on her waist and his voice was warm, " PEI Qiqi, this is my shirt, Hanhan. she hummed softly.

He kissed her small neck and laughed in a low and hoarse voice, his large palm wrapped around her beautiful small waist.

"now, i want to take back my clothes." he pressed his face against her neck and kissed her.

pei qiqi punched him angrily. tang yu laughed again, " you want to wear clothes? "

later on, pei qiqi finally understood what it meant to 'wear clothes'!!!

After a long time, she fell asleep. By then, the sky had already turned dark.

tang mo lay on his side, touching her bright shoulders, his eyes a little deep.

the reason why he decided to get married so soon was because he had already intended for her to get pregnant.

A child must have a legal identity.

Of course, it was also because he wanted to book her.

Chapter 495 your face is red (1)

When PEI Qiqi woke up again, the person sitting on the bed was Tang Xin.

the little bald head had already grown into a buzzcut, and he was as cute as a little hedgehog.

Seeing that PEI Qiqi had woken up, Tang Xin was very excited. She held PEI Qiqi's hand and shouted, " "Qi Qi, big brother sent people to send over a lot of clothes."

However, Tang Xin didn't understand one thing. Did Qiqi like to wear sweaters now?

moreover, those sweaters are quite big and don't fit me well, yingluo.

(It's so easy to strip!)

PEI Qiqi was still in a daze, so our little hedgehog dragged her off the bed to look at the new clothes.

They were all top brands, but there were a few styles. Some were suitable for Qiqi to work and some were for young girls.

as for the last cabinet of clothes, tang xin didn't understand.

these sweaters were big and obviously not qiqi's size. moreover, they looked like men's clothes. why did they put them in qiqi's wardrobe?

tang yu coughed at the door, " these sweaters are mine. "

Tang Xin snorted, ran over and hugged his arm, asking, " "It doesn't fit Qiqi!"

The older brother taught his younger sister in a serious manner, " you can wear a Kasaya at home. It's especially 'convenient' and 'comfortable'.

he even looked up at pei qiqi, " qiqi, right? "

PEI Qiqi's face turned red. She thought about how he was in this changing room just now, pressing her in front of the mirror and doing all sorts of shameless things.

tang xin looked at her as if she had discovered a new world, " qiqi, why is your face red? "

PEI Qiqi reached out and touched her face, " no, where? "

"I just blushed." Tang Xin looked up at her brother, " "Oh, oh?"

tang yu smiled and pinched tang xin's face, " don't bully qiqi. "

Tang Xin looked at him as if he was a monster, " brother, why do I feel that you treat Qiqi as your younger daughter? "

"nonsense," although he was scolding her, his voice was gentle. he rubbed tang xin's head and looked at pei qiqi, " change your clothes. we'll go downstairs for dinner later. "

Because Tang Xin was there, he couldn't stay and help her change. He signaled PEI Qiqi with his eyes and left.

Tang Xin wanted to stay and see Qianqian Qiqi's perfect body, but Tang Yu carried her downstairs.

after they left, pei qiqi picked out a white channa wool dress and changed into it. she went downstairs and saw tang yu reading a magazine on the sofa. tang xin knelt beside him and said something to please him.

PEI Qiqi walked closer and heard Tang Xin begging Tang Yu, " brother, let me sleep with Qiqi tonight.

Tang Yan glanced at her and then looked up at PEI Qiqi, " "you're already so big, you don't need someone to coax you to sleep, right?"

tang xin blinked, " i can protect qiqi! "

” what’s there for you to protect her? ” this sister of his was incredible. tang yu put down the magazine in his hand and acted like he was in charge.

tang xin cried out ‘brother wanwan’ and was full of lust. | Qiqi was supposed to protect the wolf.

However, Tang Xin didn’t dare to say anything. She looked at PEI Qiqi with pitiful eyes and said like a little lamb, ” “qiqi,” the last syllable was dragged out.

In reality, PEI Qiqi was grateful to Tang Yu. She didn’t say anything and he took Tang Xin over.

But she also knew that if she promised Tang Xin, he probably wouldn’t let her go tonight!

Chapter 496 your face is red (2)

However, PEI Qiqi didn’t expect Tang Yu to agree.

He rubbed Tang Yu’s head and stood up. He smiled, ” okay.

Tang Xin put her hands together and was very happy.

However, when Tang Yu passed by PEI Qiqi, he gave her a look. She understood what he meant.

she had to report to his bedroom before she went to bed, otherwise, she would not have a good time.

she grabbed his hand and shook it a little coquettishly.

tang yu turned his head and looked at her. he pinched her little hand and then let go.

tang xin looked at it without blinking and felt that it was amazing.

did brother and qi qi really make up?

Hence, while they were eating, she would look at one and then another. Those little eyes were scary but PEI Qiqi pretended not to see them.

after dinner, tang xin wrapped herself around pei qiqi and sat on the sofa to read comics. tang xin giggled and didn’t look sick at all. she seemed to have forgotten about zhao ke.

however, pei qiqi was the person who was related to her by blood. how could she not see that tang xin’s heart was extremely fragile?

she wanted her mother to tease her like a weak animal.

Although she looked like she was doted on, she was uneasy and didn’t want everyone to know.

PEI Qiqi couldn’t say anything and she couldn’t let Tang Xin know more.

he reached out and touched tang xin. he could only try to make her happy.

tang yu was sitting on another sofa. he was flipping through a magazine and would look over from time to time.

He was really unwilling to let Tang Xin come over today.

He and Qiqi had just made up, so naturally, they would stick together no matter what, but Qiqi wanted to see Tang Xin-

The somewhat aggrieved Mr. Tang put down the magazine, walked to the floor-to-ceiling window, and opened the piano cover. His slender fingers gently stroked the top.

A string of notes poured out from her fingers, beautiful and moving.

PEI Qiqi was a little dazed as her eyes drifted over.

Tang Yu just sat there casually. His simple clothes showed his taste. The air of nobility he exuded was incomparable to anyone else's.

the song under his fingers was light, but sometimes, it was lingering.

Tang Xin looked at him with admiration, " brother, you played well.

PEI Qiqi was also lying there. The two little ones looked at Tang Yu. They were indescribably cute.

tang yu occasionally looked up and glanced over at tang xin. when his eyes landed on pei qiqi's little face, he smiled.

his eyes were filled with warmth.

pei qiqi saw this and wanted to cry.

Because she knew, just like her, it would be difficult for Tang Yu to get past his own problems.

however, he was so calm after the storm.

He had always been stronger than her.

PEI Qiqi looked at him and pursed her lips. Her heart was a little excited.

tang yu smiled faintly. his long fingers slid across the black and white keyboard and he was especially engrossed in the game.

after he finished a piece, he sat there and turned his head to look at pei qiqi.

she laid on his sofa so softly that she seemed to be one with the surroundings.

he smiled slightly. actually, what did it matter if she was zhao ke's daughter or not?

She was PEI Qiqi.

It was the little thing he loved the most.

the night was dark.

It was difficult to calm his emotions.

His dark eyes locked onto her. PEI Qiqi actually felt like she forgot to breathe.

late at night.

When Tang Xin finally fell asleep, PEI Qiqi looked down at her little face. She carefully lifted the blanket and got down. Then, she covered Tang Xin with the blanket and tiptoed to Tang Yu's bedroom.

Chapter 497 your face is red (3)

the door opened and the lights were bright. tang yu was wearing a bathrobe and leaning against the head of the bed. he had a cigarette in his hand. when he saw pei qiqi enter, he put out the cigarette.

PEI Qiqi walked over, knelt in front of him, and took out the cigarette for him, " you're injured.

Why are you still smoking? "

her tone was natural and a little fierce.

Tang Zheng looked at her and his voice was a little hoarse. why are you here? tang xin is asleep?”

PEI Qiqi acknowledged, ” I’ll help you apply the medicine.

tang yu looked at her deeply, ” are you sure you don’t have any other thoughts? ”

“what other thoughts could there be?” When he laid down, she carefully applied the medicine for him. When she closed his bathrobe, her face was a little red, and she couldn’t help but have some thoughts in her heart.

tang yu smiled and sat down. he reached out and took out something from the bedside table.

PEI Qiqi saw this and felt a little envious.

Because it was that piece of Jade. He had put it on her back then, but later on, he had personally torn it off.

“Tang Yu!” her voice was like a kitten’s meow as she looked at him eagerly.

Tang Yu smiled, ” Qiqi, do you want to wear it? ”

she didn’t say anything, but her eyes were a little moist.

tang yu sighed and smiled. he pinched her face, ” qiqi. ”

Tang Yu, I’m scared. she reached out to hug him and buried her small face in his arms.

Tang Yu reached out and patted her head. His voice was a little hoarse, ” “qi qi, nothing in this world is that perfect. to you, you gave up jinrong because of me. to me, there are some things that i need to let go of.”

“So, silly, no one owes anyone anything! you’ve never let anyone down.” he looked at her tenderly, and his voice was particularly confusing in the middle of the night. ” “On the contrary, our Qiqi is very brave.”

she was stunned. she was as small as a baby in his arms.

she looked at him pitifully with her lips pursed, not knowing what to do.

tang yu sighed and his voice became gentler, ” “qiqi, i’ll be here in the future.”

she finally spoke. she pouted and said angrily, ” you only know how to acquire my company. ”

she lowered her small face and laid on his chest. she searched for that spot and bit her ruthlessly.

Tang mo groaned and his body stiffened. He then lowered his head, grabbed her small head, and kissed her small mouth.

PEI Qiqi grabbed his bathrobe tightly and slowly wrapped her arms around his neck.

she looked up and obediently let him kiss her.

after a long time, he let go of her small mouth. it was red and especially attractive.

Tang Yu hugged her with one hand and placed the Jade on her neck with the other. He admired it for a while and then said in a low voice, ” “qiqi, you’re not allowed to take it down in the future.”

she lowered her head and touched it with her fingers. it was warm and tang yu's temperature could be felt.

"You were the one who tore it off last time." She lowered her head and said with a little baby spirit. The delicate look between her eyebrows made people love and hate her.

tang zheng's face turned serious. " it's you who's deliberately angering me. "

as he said that, he hugged her warmly and pressed his face against her little face. he sighed. PEI Qiqi, I've aged a lot with you.

she hugged his waist like a little lamb. " i'm not old! "

through the thin bathrobe, her face felt his scorching temperature, and her small face blushed quietly.

he patted her little head, " pei qiqi, what are you thinking about? "

"i didn't!" She denied it quickly and got up to leave.

Chapter 498 chapter 498-birth control pills and vitamins!

Tang Yu grabbed her hand and pulled her back. His voice was a little hoarse, " "stay with me for a little longer."

she leaned on his shoulder and bit him. " mr. tang, what do i have to accompany you for? "

this little rascal was deliberately teasing him.

tang yu pressed her down and trapped her under his body. his eyes were burning as he looked at her beautiful face. " that's right, boss pei. what am i playing? "

As she screamed, he leaned in and teased her, " is this the place? or here?"

PEI Qiqi's little face was red beyond belief. She panted and stopped him. She bit her lip, " " tang yu, if you continue to be like this, i'm going to ignore you. "

"you're ignoring me? Then I'll do it myself." he continued to tease her. " be good, don't move. "

He was too much tonight. She blushed and her heart beat faster because of him, but she was worried about Tang Xin next door. In the end, she pushed him away.

She ran to the door in her pajamas, bit her lip, and looked back at him. bad guy.

he smiled lightly,"pei qiqi, do you like bad people?."

"i don't like it!" She pouted and ran out.

tang mo leaned against the bed, his eyes deep.

Who knew that after a while, her little paws would open the door again, and her little face would come in.

Her beautiful face was blushing as she looked at him. Her voice was as soft as a mosquito. actually, I like her.

After saying that, she ran away.

only tang yu was left sitting there. his gaze was even deeper.

just now, she had soothed the last trace of uncertainty in his heart.

Her love for him was enough to offset all his unwillingness and anger.

Tang Yu laughed and then sighed. This night sure was empty and lonely.

He had wanted to smoke a cigarette, but he gave up after thinking about it.

He was going to have a baby with Qiqi, so he didn't smoke.

he lay down, his face expressionless at first, then he chuckled softly.

Even without hugging her, knowing that she was in the room next door, he still felt extremely sweet.

however, mr. tang soon couldn't bring himself to be sweet.

early in the morning, tang xin woke up and saw qiqi taking medicine.

qi qi also knows how to take medicine!

tang xin got up and peeked from behind. she saw the pill in pei qiqi's hand.

"Qi Qi, you also take this kind of vitamin? Isn't it sweet?" Tang Xin recognized this. She had been taking this vitamin before, so she was familiar with the color and shape.

pei qiqi frowned.

Vitamin?

But this was the birth control pill that Yingying and Tang Yu had prepared for her. They said it had no side effects!!!

how could it be armadillo vitamins?

Then, in the past few days, when they weren't using that, she had been taking her medicine.

PEI Qiqi subconsciously placed her hand on her stomach. After a while, she knew that she-

I've been tricked!

tang yu wanted her to get pregnant on purpose, yingluo.

her expression changed slightly. she held the bottle tightly and ran towards tang yu's bedroom.

Tang Xin was puzzled.

What happened to Qiqi?

Wasn't it just a small bottle of vitamins?

On the other side, PEI Qiqi opened the door. Tang Yu wasn't there. She walked into the changing room and saw him getting dressed.

he was wearing coffee-gray pants and a sweater that was half-covered, revealing his upper body.

She looked at it and her little face blushed a little.

tang yan put on the sweater and looked at her. ” qiqi? ”

She stuffed the small bottle in her hand into his arms. Mr. Tang, can you explain? ”

Chapter 499 birth control pills and vitamins! exposed!(2)

Tang Yu took the small bottle and looked at it, ” aren’t these vitamins? ”

PEI Qiqi was furious. She glared at him and poked his chest with her little hand, ” last time, you said it was to avoid Pregnancy and Medicine!

tang zheng frowned. ” did i? ”

he added, ” i don’t remember such a thing. ”

Pei Xiao Qi was a little dumbfounded. She never thought that Tang Yan would be so shameless.

but you were the one who gave it to me. You said that I can’t have children. her little nose was dripping with sweat as she looked at him, not knowing what to do.

because a person like wanwan and tang yu wouldn’t go back on their word.

However, the person in front of her was really acting shamelessly with a serious face.

Tang Yu smiled. He was about to say something when he saw Tang Xin peeking her head out from the door.

His expression paused and he scolded, ” Tang Xin, go out. Close the door.

The little hedgehog at the door howled and then closed the door.

She wanted to eavesdrop, but she didn’t dare to.

It seemed like something incredible had happened just now.

after the changing room door closed, tang yan carried pei qiqi and placed her on the white dressing table.

his arms were strong and he carried her effortlessly. pei qiqi grabbed his sweater, ” tang yu! ”

the dressing table was a little cold, and he was too hot. her slender body was held by him like this, and it seemed like it was going to melt.

pei qiqi’s voice was shaking, ” let me go. ”

As long as she thought about how Tang Xin was still outside, PEI Qiqi felt a little traumatized.

She still remembered that Tang Xin had lifted the quilt that time. At this time, she was afraid that Tang Zheng would be like Xuxu and Tang Xin would run in again.

she sat there helplessly and weakly. tang yu was stuck in the middle.

he reached out to hold her small waist. his eyes were gentle. he lowered his head slightly and said in a seductive voice, ” qiqi, let’s have a child? ”

Have a child?

PEI Qiqi opened her eyes and raised her delicate face slightly. Her eyes were tender.

she looked at him eagerly. tang yu sighed and reached out his hand to cover her overly beautiful eyes.

She sighed softly. Qiqi, if I tell you that I've been making you pregnant on purpose, would you be angry? "

"i will!" She said pitifully as he covered her eyes.

she grabbed his palm and looked at him seriously. " "Is it because you don't want old master to object that Qianqian wants a child?"

"No!" he denied it, but he didn't let go of her hand. instead, he played with it in his hand and said slowly, " " it's because of tang xin. "

tang xin?

PEI Qiqi was stunned.

tang zheng looked at her and said seriously, " qiqi, you're related to her by blood, so the child you have with me may be a good match for tang xin. "

pei qiqi was in a daze and didn't notice that he was saying that she and tang xin were blood-related, not him.

no matter how much she thought about it, she had never thought of this.

Tang Yu looked at her dazed expression. He lowered his body and put his lips to her lips, " Qiqi, what are you thinking about? "

She looked up and said in an uncertain and weak voice, " "it's true. is there any hope?"

He reached out and touched her little mouth, his voice very low, " Tang Xin calls you sister and calls me brother. I'm your brother too.

His slender fingers caressed her rose-like red lips and explored her slightly opened mouth. He said in a low voice, " "be good, call me big brother."

PEI Qiqi glared at him.

Tang Yu laughed again. His thin lips were a little hot as he placed them on her ears. His voice was hoarse, " be good. Call me brother. I beg brother to love you.

This change| attitude!

PEI Qiqi never knew that he had changed so much.| however, staring at him like this did not have any killing power at all.

fortunately, he teased her and let her go. he only kissed her lightly for a while before saying in a hoarse voice, " go downstairs for breakfast, or Tang Xin will come in again.

she looked up, her eyes glistening with tears.

tang yu's heart was moved as he looked at it and said thoughtfully, " " don't sleep with tang xin at night. "

In order to make a baby, I have to hurry up.

tang yu's eyes looked far ahead and he smiled, " qiqi, if i had a choice, i wouldn't want you to get pregnant so soon. "

She was still too young, 21 years old. He could not bear to let her be a mother so soon.

Moreover, he didn't want a fragile little thing to be stuck between them.

he wanted to spend some alone time with qiqi, but he had no choice but to get pregnant.

"it doesn't matter!" She bit her lip and her face was a little red. She looked up at him and said, " then let's have fun tonight.

Her voice was as soft as a mosquito. I'll come over to see you tonight.

Tang Yu smiled and pinched her cheeks. Then, he walked out first, " pick something and change.

Oh, " she replied, feeling her face burning.

Downstairs, Tang Xin ate her toast while watching Tang Yu and PEI Qiqi.

"qiqi, why is your face so red?" tang xin asked, " did brother bully you? "

PEI Qiqi took a piece of ham and stuffed it into her mouth, " "No, I didn't! let's eat!"

tang xin's little mouth was full, but she tried hard to swallow it and pouted, " "Qiqi, you don't realize that you're especially rough when you're angry!"

Did I?

PEI Qiqi glared at her and Tang Xin stuck out her tongue, " "It's true. If you don't believe me, ask big brother."

pei qiqi looked at tang yu again.

mr. tang was reading the newspaper in his hand and was dressed very casually. he smiled when he heard her words, " what tang xin said seems to make sense. "

He put down the newspaper and looked at PEI Qiqi, " PEI Qiqi, didn't you notice? "

no!

she stuffed something into her mouth angrily, looking no more mature than tang xin.

tang xin was a little dissatisfied, " qiqi, why don't you put something in my mouth? you only know how to bully me. "

This is bad!

PEI Qiqi glared at Tang Xin.

"qiqi is also this rude to me when no one is around!" mr. tang chuckled.

Tang Xin looked at him eagerly. So, ran ran knew how to stuff things?

Tang Yu's eyes had a silent agreement.

PEI Qiqi covered her face and felt like she didn't have the face to see anyone.

Tang Xin, this little bastard!

However, she didn't know that her current appearance was really not much different from Tang Xin's.

She was also a young girl who needed someone to love her.

How could she be a mother?

Tang Yu thought about how he made her pregnant and the newspaper in his hand became dull. He looked at the mother of his future child with a meaningful look and thought about Yingying.

In fact, he wanted her to be rough to him, just like how she was to Tang Xin.

Otherwise, it would be good for him to be rough with her.

It was just like how she teased Tang Xin just now.

Mr. Tang's face was serious, but in his heart, he was already thinking, "[Countless versions of 'Y' were released!
