

Thank you 601

Chapter 601 The unspoken rules (1)

that was because pei huan used to love jinrong xuanji so much that she didn't care about anything!

PEI Qiqi lowered her eyes, " I just regret not talking to him more when he was sober.

A few days ago, Tang Yu took her to see jinrong.

he told her to go in alone and she told jinrong that she was with tang yu, hanhan.

She thought that she had to tell him.

PEI Huan's face was a little twisted and her lips trembled. She wanted to say something but the director called for her.

She looked at PEI Qiqi and said in a low voice, " PEI Qiqi, I won't let you be so happy.

pei qiqi didn't say anything. she watched as pei huan worked hard to follow the director's instructions and only left in the afternoon.

in the next two days, she would occasionally check on the progress and give some suggestions.

However, she had never made things difficult for PEI Huan, even though she had the right to do so.

but she never did.

xiao wen stood there and watched with pei qiqi for a while. suddenly, she leaned over and said in a low voice, " boss pei, i heard that pei huan slept with this director last night. "

PEI Qiqi's heart skipped a beat. She looked at Xiaowen in disbelief.

xiaowen pursed her lips and said in a low voice, " it's not rare in this industry. I've heard that in some TV shows, the female lead has to guarantee her scenes and make it look good in order to get a role. From the producer, director, producer, and even the lighting crew, she has to sleep with Wanwan once.

PEI Qiqi frowned.

She looked at PEI Huan in shock.

the director was explaining the scene to pei huan, and pei huan was very serious.

pei qiqi knew that pei huan probably knew that she had no chance with qin anlan, so she slept with the director.

She pursed her lips and left without saying anything.

PEI Huan looked at PEI Qiqi's back and laughed coldly.

after the film was out, qin anlan was very satisfied and gave the sample to pei qiqi.

King entertainment's standards were very high, and the things they took were all presentable.

a week later, the commercial was released at the same time as marvel's new product.

PEI Qiqi and Tang Yu attended the press conference together. PEI Huan, as the spokesperson, also attended the event.

at the press conference, pei huan's performance was very good. she was very well-mannered and even when the reporters asked about marvel's products, she could explain it clearly and logically. the media said that she was the best spokesperson.

PEI Huan's gaze landed on PEI Qiqi's face and there was a hint of provocation in her eyes. She then said softly, "actually, that's not entirely true. Marvel is the blood, sweat, and tears of my sister and brother-in-law. Of course, I have to do my best to do what I should do and support them.

the reporters smelled gossip. however, this was the release of marvel's new product and tang yu was here too, so no one dared to cause a scene. but that didn't mean the reporters weren't interested.

PEI Qiqi glanced at PEI Huan and understood what was going on!

PEI Huan had always been a time bomb, and now, PEI Huan's words were like a declaration of war. however, she knew that things were not that simple.

PEI Huan needed money. Last time, she sold her identity to old master Lin for money. Now, she was even more willing to cooperate with others for money. As for who else, she would have to ask Mr. Tang!

PEI Qiqi looked at Tang Yu unhappily and didn't say anything.

of course, her attitude towards her 'younger sister' was a little cold.

but she still couldn't pretend to be wanwan.

Chapter 602 The unspoken rules (2)

PEI Qiqi pursed her lips and gave a faint smile. She didn't reply.

in front of tang yu, the reporters couldn't ask anymore.

the press conference was shocking but not dangerous.

Finally, it was a group photo. PEI Huan naturally leaned close to the 'sister and brother-in-law' and leaned on Tang Yu's other side like a little bird.

However, Tang Yu reached out and pulled PEI Qiqi in front of him instead of standing beside him.

He placed his hands on PEI Qiqi's shoulders and looked forward with a smile.

her eyes were full of love and adoration-at this moment, pei huan had become the background and all those ambiguous titles were no longer important.

Because in Tang Yu's eyes, there was no one else. There was only PEI Qiqi.

pei huan couldn't hold back her laughter anymore.

Even though he was smiling, he was still forcing himself to hold on.

After the press conference ended, Xiaowen went to the company on her own. PEI Qiqi and Tang Yu had lunch together.

tang yu opened the car door for her and helped her in. just as he was about to close the door, a gentle voice came from behind, "mr. tang."

tang yu's fingers paused. he didn't close the door. instead, he turned around and looked at pei huan.

pei huan was dressed as she was in the advertisement. she was dressed in a white dress and light makeup to hide her ridiculous past.

Tang Yu just looked at her indifferently. His eyes were cold but even so, he was a mature man and he had a high status. PEI Huan still trembled when he looked at her like that.

“miss pei, what’s the matter?” He had unknowingly widened the distance between them.

however, pei qiqi didn’t get off the car. she probably knew what pei huan was thinking and wouldn’t expose her.

she trusted tang yu and was willing to let him handle this.

tang yan turned his head and glanced at pei qiqi. she smiled at him with a mischievous look in her eyes.

the corners of his mouth twitched. this little fellow!

he turned around and looked at pei huan.

pei huan felt that she had been given the cold shoulder. she pursed her lips and said softly, ” mr. tang, can i hitch a ride? ”

tang yu smiled, ” it might not be convenient. i’m going to eat with qiqi. ”

PEI Huan wanted to say something but Tang Zheng paused. “There’s something about marriage that we need to discuss.” One sentence blocked Yingluo’s way.

No matter how thick PEI Huan’s skin was, she did not want to pester him anymore.

She could only watch as Tang Yu closed the car door.

She watched as the car drove away. From the beginning to the end, PEI Qiqi didn’t say anything because of her malicious approach.

pei qiqi must have known because he didn’t care about her.

pei huan laughed. actually, she wasn’t that infatuated with tang yu. she just wanted to disgust pei qiqi and make her feel uncomfortable.

In the car, PEI Qiqi’s little hand pinched a certain noble man, ” Mr. Tang, aren’t you charming? ”

tang yu’s hands were on the steering wheel. he didn’t care about her small actions. he looked ahead and said calmly, ” did i? ”

Pei Xiao Qi stopped talking.

“Qiqi, you don’t have to worry about it.” He turned his face and smiled.

he wasn’t a stallion who would want to f * ck any woman.

tang yu didn’t know if there was something wrong with him, but when he saw other women, no matter how attractive they were, he didn’t have any thoughts about them. at least, he never had the urge to rip off her clothes to take a look.

mr. tang was a pragmatic man, but of course, he was also a romantic.

His most romantic thought was to only sleep with one woman in his life.

Chapter 603 the unspoken rules (3)

from a young girl to old age, she was his, and he was her yingluo.

because of this thought, his expression was very gentle and warm.

PEI Qiqi bit her finger and looked at PEI Huan in the rearview mirror. She saw PEI Huan standing there and said slowly, " "don't embarrass her too much, okay?"

She didn't want PEI Huan to give up and she didn't want PEI Huan to become worse because of Tang Yu.

"Alright," he said. he held the steering wheel with one hand and placed the other on the back of her hand. " qiqi, let's go to the GM hotel to check on the renovation progress later. "

This was the first time he had talked to her about this.

PEI Qiqi tilted her head and looked at him. She was a little surprised.

Tang Yu smiled, " in four months, we'll get married.

The premise was that she wasn't pregnant now, or the wedding would probably be brought forward.

PEI Qiqi's heart was beating fast and her legs were weak, " so fast? "

it was a red light. tang yu smiled and placed his fingers on her stomach. he said slowly, " qiqi, maybe you're already pregnant. "

"It's clearly a safe period," she said, blushing.

"there will be one soon." Tang Yu laughed, " that's why it's better to be prepared.

"I don't like the feeling of losing control," he said, frowning.

Although his first time with her was wonderful, there were always some regrets.

he was drunk that night. although he could still remember some things, he wanted to give her a gentle first time when he was sober.

" oh, " pei qiqi replied. she obediently sat down and let him drive.

get married, then, get married!

She leaned back in her chair. Just looking at Tang Yu like this made her feel very safe.

the days were busy and fulfilling. pei qiqi's efforts weren't in vain. after the release of marvel's latest product, the market response was particularly good. the response exceeded the expected 20%.

Of course, the spokesperson, PEI Huan, was also on fire!

she was no longer a small-time celebrity or model waiting in line for an opportunity in the company. she and the marvel team had been promoting it all over the world and were in the limelight.

In the CEO's office of King Entertainment.

qin anlan hit snooker lazily. the secretary at the door whispered, " "president qin, miss shen is here."

Qin Anlan did not even lift his body. let her in.

Shen Lian came in with a furious expression.

qin anlan glanced at her and continued to play basketball with his head lowered. " why are you here? "

Shen Lian stood at the door and walked over slowly. why did you use PEI Huan? "

Qin Anlan laughed. what's wrong with her? It's pretty good, but isn't it popular now?"

Shen Lian laughed coldly, " I know your motive too well. You just want to get close to PEI Qiqi, right? "

his gaze swept across her face and paused for a few seconds before he looked away. " shen lian, watch your words. you have no right to question who i use. "

"pei huan slept with you, didn't she?" Shen Lian was overbearing.

Qin Anlan put down the cue stick in his hand and turned to smoke a cigarette. He took a long puff and did not deny it. yes.

shen lian's expression turned ugly. she knew that they had slept together, but she did not expect qin anlan to admit it so readily.

"qin anlan, do you have any limits?" she asked sharply.

he maintained his smoking posture and looked up at her. shen lian felt a little scared.

After a long time, he asked in a soft voice, " "what's a bottom line? you call sleeping with your boyfriend's brother your bottom line? Shen Lian, you've already crossed Tang Yu's bottom line, Yingluo."

Chapter 604 the unspoken rules (4)

Shen Lian's lips moved. She wanted to say something but she could not say a word.

Qin Anlan looked at her and sneered. you're not feeling well? shen lian, you can't just take whatever you want." It's not yours, and it won't be yours in the end.

"he was originally mine." Shen Lian said with difficulty.

qin anlan looked at her meaningfully and the corners of his lips curled up. " shen lian, do you think you've ever gotten him? "

he said cruelly,"when you were with him, he was tang yu, but he's hanhan."

Qin Anlan looked into Shen Lian's slightly panicked eyes and said word by word, " but now, he's not only Tang Yu. He also belongs to PEI Qiqi.

as smart as shen lian was, how could she not see that tang yu had already labeled her as pei qiqi?

Rather than saying that PEI Qiqi was Tang Yu's, it would be better to say that Tang Yu was PEI Qiqi's.

He pampered her like this, to the extreme.

that sense of belonging from the body to the soul, and there would no longer be any place for other women.

shen lian was stunned.

Qin Anlan looked at her quietly. Shen Lian, I can't help you with anything, Zhenzhen.

that was because he did not know what to do.

he fell in love with a woman he shouldn't have. once again, he fell in love with tang yu's woman.

this time, it was different from the last time.

this time, he couldn't even touch pei qiqi's finger. this time, he didn't even want to destroy their beautiful relationship.

qin anlan was the proud darling.

he would rather pretend that he never liked her ...

after so many years, who hadn't liked a few young girls?

on the night of pei qiqi and tang yu's engagement, he was having a great time with a young model under his company.

spirit and flesh| qin anlan was in a daze when his body was excited. he called out to qiqi.

The young model was also stunned for a moment, then she climbed over and leaned into his arms. "president qin, i'm qiqi."

After that, the young model's head was covered with a quilt. Qin Anlan ruthlessly tossed her around for the whole night and almost suffocated the young model.

it had been a long time since qin anlan had been so excited. however, when he lifted the blanket and saw that tender and beautiful little face, he lost all interest for a moment.

He kicked the little model off the bed and gave her two million Yuan. Then, he impulsively gave the suet Jade to PEI Qiqi. However, she didn't want it.

if others did not want him, qin anlan would not force them. he had many women, but they were all willing.

He would not force a woman to sleep with him, including Shen Lian.

Shen Lian looked at him and took a step back. She forced a smile and said, " yes, how am I naive? President Qin must have other thoughts in his heart.

qin anlan's heart skipped a beat. even shen lian could tell?

Shen Lian looked at Qin Anlan and said in a hoarse voice, " I'm leaving.

She turned around and walked out, feeling that she had humiliated herself again.

Qin Anlan also liked PEI Qiqi and the people around her. They all liked PEI Qiqi.

qin anlan stopped shen lian. " wait a moment. "

shen lian stopped and turned around.

He slowly walked toward her, and when he was only one step away, Qin Anlan stopped ...

he looked down at her quietly for a long time before he said softly, ” “Shen Lian, go and find a man who truly loves you.”

he suddenly reached out and gently stroked her hair. his voice was gentle. ” you deserve to be treated well. shen lian, don’t be so stubborn. ”

Chapter 605 the unspoken rules (5)

shen lian’s eyes were a little misty. she raised her head and looked at qin anlan.

“An LAN, what about you?” she asked softly after a long time.

he smiled. ” i choose to treat myself better. ”

shen lian leaned close to his ear and said with a hoarse voice,”METO?”

shen lian walked out, and qin anlan continued to bend down to play basketball.

Five minutes later, PEI Huan knocked on the door and entered. She stood at the side, not daring to disturb Qin Anlan.

“Shen Lian has come.” have you met her before? ” Qin Anlan asked indifferently.

PEI Huan’s heart skipped a beat and she shook her head. no, I don’t have any interactions with manager Shen.

Qin Anlan smiled and hit a ball. that’s for the best. PEI Huan, remember that you’re an artiste under King Entertainment, not Shen Lian’s underling. Do you understand? ”

he stood up straight, his gaze unfathomable. ” i can make you famous, but of course, i can also make you lose everything overnight. ”

pei huan bit her lip and heard qin anlan continue, ” “i don’t mind you using some tricks to double your value, but you should stop before you go too far, understand?”

Although his voice was gentle, it had a sense of Majesty that made one tremble. At least, PEI Huan was afraid of him.

qin anlan had only f * cked her once and it was that time pei qiqi saw him in the office.

Now, she seriously suspected that he was doing this on purpose for PEI Qiqi to see.

pei huan was slightly jealous, but she said softly, ” “Yes.”

qin anlan did not say anything else and continued to play. ” get out. ”

There was only business in his tone, without a trace of personal emotions. It was as if their contact that day had not existed.

After a long time, PEI Huan was still in a daze. Qin Anlan did not look up and only said indifferently, ” PEI Huan, I’ve been with many women. You’re just one of them. There’s nothing special about you. Do you understand? ”

how could she not understand!

PEI Huan smiled. I know.

Qin Anlan’s meaning was very obvious.

He was a businessman and he only cared about the value of King Entertainment's products. PEI Huan's greatest value now was that she was the spokesperson for Marvel's products. This craze would pass eventually, but if she had the intention to hype it up, then her popularity would not fade away.

Now, what celebrities wanted was popularity.

.....

Marvel was selling well. After a round of work, PEI Qiqi relaxed a little and asked Tang Yu to take Tang Xin over.

It was summer, and the weather was not that hot, so it was quite smooth.

However, Tang Yu did have some opinions. Ever since Tang Xin moved in, PEI Qiqi had been sleeping in Tang Xin's bedroom half of the time. Although she complained, he didn't stop her.

In the dining room, Tang Yan held the newspaper and read it quietly. Then, he frowned. At this moment, Tang Xin pulled PEI Qiqi down the stairs and they skipped around.

Looking at Tang Yu's expression, Tang Xin's voice was a little crisp, "Brother, what are you looking at? You don't look happy."

Tang Yu didn't have the heart to hide it and placed the newspaper in front of PEI Qiqi.

PEI Qiqi took a look and saw the entertainment news headlines.

Recently, PEI Huan was always on the headlines, mostly gossip.

The routine of female stars was to be ambiguous first, and then two days later, she would sweetly say that they were just friends.

However, today's headline was about PEI Huan and PEI Qiqi. It was about the feud between a popular female star and PEI Qiqi, who was about to enter a rich family.

In the interview, PEI Huan acted like a victim and cried about her misfortune. She was born out of wedlock but PEI Minghe's inheritance was taken by PEI Qiqi.

Chapter 606-acting from head to toe

Between the lines of the report, it was filled with the feeling of being persecuted. PEI Qiqi was a White Lotus and a green tea.

This was a crisis without any danger.

Because of PEI Qiqi's special identity, she couldn't expose PEI Minghe's past to the public. This was something PEI Qiqi couldn't do.

Indeed, she was different from PEI Huan.

Tang Xin looked at PEI Qiqi carefully, "Qiqi, she's too shameless. It's obviously her and her daughter's fault.

PEI Qiqi forced a smile, "Actually, she's right about some things.

"Qiqi won't be interested in that little bit of wealth, okay?" Tang Xin said indignantly.

qiqi was going to marry her brother, and any of sheng yuan's subsidiary companies were bigger than the pei family. that pei huan must have split!

pei qiqi looked at tang yu.

Tang Yu took a sip of milk and pinched her little face, " Mrs. Tang, I believe in your ability.

she muttered a few words in a low voice.

Tang Yu smiled and got up, " I'll wait for you in the car.

She nodded and turned around. Tang Xin made a gesture, " Qiqi, I'll support you spiritually.

PEI Qiqi imitated the way Tang Yan pinched her and pinched Tang Xin's face, " if I'm down and out, you can support me financially. I'll be touched.

"with big brother here, i'm not needed." tang xin smiled, looking like a miser.

pei qiqi looked at her smile and let go of all the worries in her heart.

They got into Tang Yu's car. As he started the car, he asked, " boss pei, do you need my help? "

PEI Qiqi glanced at him. I don't think so.

it was just that pei qiqi had underestimated the might of those entertainment reporters. the news was so overwhelming that the pei family and even marvel were affected.

PEI Huan's weak image received the support of many fans. They all went online to condemn PEI Qiqi for encroaching on her assets.

the pei family business was in a slump for a while, and a large number of reporters squatted at the company's entrance all day long.

pei qiqi would be attacked at work and off, yingluo.

Xiaowen felt sorry for her and couldn't help but throw a tantrum when she got off work. "that pei huan really doesn't know what's good for her. we didn't make things difficult for her, but she's acting."

PEI Qiqi sat behind her desk and smiled, " " have you forgotten? she's the best actress now. "

xiaowen snorted coldly. " didn't i just take on a few third-rate shows? how can you call this the best actress?"

xiaowen paused for a moment and was a little worried. " boss pei, this won't do! Do you think we should fight back, such as Wuwu?"

PEI Qiqi looked up at Xiaowen and slowly continued, " " for example, pei huan sucked| Poison, like her improper relationship with the director?"

xiaowen nodded in a daze.

pei qiqi lowered her eyes, " it's not that i didn't think of doing this, xiaowen. however, i always hope that pei huan has a path to walk. "

She could still give Xiao Gao a way out. PEI Huan was despicable, but she had the same father as her.

She was already very miserable and PEI Qiqi didn't want to force her into a corner. If that happened, she wouldn't be able to explain it to her father.

she wasn't soft-hearted, but she had no choice.

Xiaowen was stunned for a long time before she said softly, "boss pei, it's my fault for not considering this."

"i don't blame you." pei qiqi looked at her. "little wen, i'm being merciful to her. it's because yueyue has no other way out."

i hope she can understand boss pei's painstaking efforts."

Chapter 607-acting all over (2)

Understanding?

pei qiqi laughed. how could pei huan understand? she could only ask her to back off.

this matter was not difficult to solve because she could let it go. thus, pei huan could not touch the foundation of the pei family.

Reputation, to PEI Qiqi, wasn't that important.

if tang yu didn't care, then she didn't need to care.

let's hold it for now. When the public opinion reaches a certain point, the PEI family will hold a press conference. pei qiqi took out a folder from the drawer, "hand this over to the legal team, it will be useful."

Xiaowen opened it and took a look. After a quick glance, she looked at PEI Qiqi suspiciously.

she did not believe it.

Old boss PEI wouldn't treat boss PEI like this, right?

they were both daughters, and they were both biological children. one worked like a horse while the other enjoyed life?

xiaowen didn't move, nor did she want to.

pei qiqi looked at her. "pei huan won't be able to take advantage of you. just do as i say."

Xiaowen pursed her lips and said, "although boss pei is going to marry president tang, if we do this, boss pei will have no other way out."

PEI Qiqi laughed, "little Wen, these didn't belong to me.

Xiaowen felt at ease. as long as boss PEI thinks it's suitable.

"boss pei!" she hugged the document bag. "i'll go and settle it, boss pei."

pei qiqi nodded and watched as xiaowen left. she then looked at the photo frame on her desk.

that was a photo of her and pei minghe. that was the only photo left.

father, if i kill pei huan, will you blame me?

There was a bitter look on her face. She told PEI Huan that she could do whatever she wanted, but she couldn't.

unless she could let go of the burden on her shoulders and the pei family, she would never be able to do as she pleased.

After work, Tang Yu came to pick her up.

PEI Qiqi sat in the car and didn't say anything.

"what's wrong? PEI Huan alone defeated our family's little girl?" tang yu laughed.

PEI Qiqi glanced at him and hummed, " I don't think so.

Tang Yu suddenly reached out and held her hand. His voice was a little hoarse, " "qiqi, don't mind those words."

the reporters were all over the place and dug out pei qiqi's identity as an illegitimate daughter ... or rather, pei huan purposely revealed it.

PEI Qiqi shook her head. Tang Yu, no. I don't care about these things.

in the past, she might have cared, she might have been sad, she might have been angry, but now she wouldn't.

because she had him.

"It's good that you don't mind," Tang Yu patted the back of her hand, " let's go to grandpa's place for dinner later.

pei qiqi tilted her head and looked at him, " is it also because of this? "

"Oh." tang zheng gave a muffled " en " and then laughed. " the old man was probably a little bored and wanted to find someone to relieve his boredom. it just so happened that your matter had hit the muzzle. "

PEI Qiqi looked at Tang Yu with a gaze that made one's hair stand on end, " you're saying that Grandpa treats me like a toy? "

"it's a little toy." Qiqi, " Mr. Tang corrected her, " you must not know that Grandpa actually likes you very much.

PEI Qiqi couldn't accept this kind of love!

As expected, when they arrived at the Lin residence, old master Lin asked PEI Qiqi about PEI Huan with great concern.

if it wasn't for pei qiqi, the old man wouldn't even want to mention pei huan.

She was such a young girl, but she was too cruel. She aborted jinrong's child just like that ...

didn't she say she loved jinrong? in the end, she only loved jinrong's appearance and the lin family's money.

unlike pei qiqi, this little lamb, this girl is soft-hearted and soft-hearted.

chapter 608-acting all over (3)

the more the old man looked at it, the more he liked it. however, he also had a problem. the more he liked it, the more he liked to torment it.

tang yu just laughed on the side and didn't help anyone.

Luckily, PEI Qiqi understood grandpa's preferences and didn't cause any trouble.

It was only after Lin jinrong's mother came over and called PEI Qiqi away to talk about some Women's Affairs that PEI Qiqi finally understood.

after they left, the old man glared at tang yu, " "what's your plan?"

tang yu held onto a cup of tea and smiled, " what plan? "

the old man's eyes lit up. " i don't believe you didn't hear the rumors outside. tang yu, we still have to take care of sheng yuan and the lin family's reputation. "

"since it's just gossip, i don't need to listen." Tang Yu looked at elder Lin. if Grandpa cared about you, he wouldn't have asked Qiqi to come over to relieve your boredom.

old master lin was a little embarrassed and said in a rough voice, " "I'm not that bored."

Tang Yu just smiled and didn't argue, " if you like it, I can bring Qiqi back often to relieve your boredom. You don't have to worry about it. This girl is thick-skinned.

"If you have the time, you should give birth to more children for me," old master Lin chided.

As elder Tang spoke, his old eyes swept over Tang Yu. He looked suspiciously at his young grandson.

He clearly looked like a very capable person, but why hadn't he made any noise after so long?

tang yu was a man. being looked at like this by elder tang, he naturally knew what elder tang was suspicious about. he didn't know whether to laugh or cry, " "Qi Qi is still young."

Tang Yu, check it out tomorrow! The old man coughed lightly. young people are under too much work pressure, which may also cause some functional deficiencies.

if he went on, he wouldn't be able to keep listening. tang yu lost his calm, " "grandpa, there's nothing wrong with me,"

Grandpa Lin smiled. it's fine. Just treat it.

when pei qiqi came back, she heard that grandpa was going to treat tang yu. she lowered her head and didn't say a word.

Tang Yu didn't want her to listen to all these vulgar words, so he dragged her back home.

In the car, PEI Qiqi slowly buckled her seatbelt. Tang Yu's long fingers were on the steering wheel as he asked softly, " "what did aunt say to you?"

" oh, " pei qiqi replied and carefully took out something from her bag. it was a rare item.

Tang Yu looked at it for a long time and just smiled, " keep it.

PEI Qiqi looked at him, trying to figure something out. But Tang Yu had always been a man of few words. How could she figure anything out?

When Tang Yu started the car, his heart was a little complicated.

He didn't tell PEI Qiqi that this item was an old thing from the Lin family.

he remembered that his grandmother had given this to his aunt when she had just married into the family.

Now, she gave this to Qiqi again. Tang Yu's heart felt a little cold. He had invited experts from abroad to treat jinrong, but it didn't work!

even wanwan's aunt has given up on jinrong?

However, he wouldn't tell PEI Qiqi about this. He didn't want her to feel burdened.

he just drove her home.

That night, both of them were in deep thought, and they lay on their own without speaking.

after a long time, tang yu pulled her into his arms and stroked her long hair.

PEI Qiqi's voice was low. Tang Yu, we will be together forever. We will be together until we grow old. Right? "

Chapter 609 Acting from head to toe (4)

tang mo smiled. " silly. "

he hugged her and carefully held her in his arms. his voice was low, " pei qiqi, listen carefully. i will only get married once in my life. " and that person could only be called pei qiqi.

PEI Qiqi looked at him pitifully.

He hugged her with his long arms and legs, and his voice was a little warm. "hurry up and sleep. if you don't, i can't guarantee that i won't do anything to you."

shameless!

pei qiqi's face was a little red as she snuggled into his arms.

it was late at night! just as tang yu was about to fall asleep, the little person buried herself in his arms and said in a soft voice, " Tang Yu, thank you.

thank you for waiting for me.

she thanked him for his tolerance and respect for her every decision.

She thanked him for his love ...

tang yu smiled and lowered his head to kiss the little guy in his arms. he said hoarsely, " "i'm going to sleep soon."

The next morning, PEI Qiqi attended a Product Report meeting with dark circles under her eyes. Boss PEI was almost dozing off, but she cleverly used a document to cover her face.

the person in charge of the meeting was none other than tang yu.

tang yu slept around the same time as her, but he still looked as elegant and noble as ever.

pei qiqi looked at him secretly and sighed. he was really blessed.

sometimes, pei qiqi would wonder if tang yu had three kidneys to be so energetic. however, she didn't think so. if he had three kidneys, why wasn't she pregnant yet?

this had almost become a worry for pei qiqi. tang xin wasn't worried, but pei qiqi was.

When she thought about this, the way she looked at Tang Yu couldn't help but burn.

tang yu was in the middle of a meeting when he suddenly looked over at her with a meaningful gaze.

After the meeting ended, Tang Yu said calmly, "Boss PEI, please stay."

PEI Qiqi made an 'ah' sound and her expression was a little dazed and cute.

after tang yu and the others left, he went to close the door. then, he returned to his original position and looked at her.

he still had a serious look on his face, but the words he said were not so elite."pei qiqi, the way you looked at me just now seemed like you were begging me to be with you. Hmm?"

PEI Qiqi supported her chin and said lazily, "you're thinking too much, mr. tang,"

tang yu laughed, "if boss pei has any ideas, you can let me know anytime. "

PEI Qiqi couldn't pretend anymore and glared at him shamelessly.

tang yu smiled and suddenly said with a gentle expression, "qiqi, don't give yourself too much pressure."

how could he not know what she was thinking? she had become strong and strong enough to deal with anything, but the knot in her heart was tang xin and the child.

tang yu couldn't bear to let her go. it wasn't that he couldn't bear to see her give birth, but he couldn't bear to see her force him like this.

The little girl who used to blush when he took off his clothes took the initiative to cater to him in order to have children. He felt a little distressed.

Tang Yu reached out and patted her head, "Qi Qi, let nature take its course!"

to be on the safe side, they had all gone for a pre-marital check-up, and there were no problems with their bodies.

As he said that, PEI Qiqi acknowledged him and picked up the documents, "I'm going back to the office. I have a meeting in the afternoon and I have some things to discuss with Xiaowen.

tang yu didn't ask her to stay. he just asked the driver to take her back to the company.

however, pei qiqi didn't expect that there would be a bunch of reporters waiting for her at pei family.

this was because this morning, the popular and pure female star pei huan had thrown another bombshell to the public.

she wanted to take back the pei family.

Chapter 610 Acting from head to toe (5)

at this moment, pei huan was also in the pei family.

pei huan told the media in tears that she didn't want to see her father's hard work being taken away by others and that she wanted to use the power of the law to protect herself.

pei qiqi was an illegitimate child while she, pei huan, was the rightful heir of the pei family. from the very beginning, she had been standing on the moral high ground.

pei huan knew the power of the media. it was enough to incite an online violence.

Xiaowen was already waiting for PEI Qiqi at the door. She whispered, " " she's really the best actress. she's full of acting. boss pei, why don't you leave? "

"prepare for the press conference." PEI Qiqi's voice was calm. inform the legal team to be present. Also, arrange for the reporters to go to the meeting room. Of course, if PEI Huan is willing, invite her in as well.

Xiaowen paused for a moment, but she still hummed in agreement.

PEI Qiqi walked straight into the meeting room without any hesitation.

her heart was a little cold.

to pei huan, wealth was the most important thing in the company.

However, if she didn't care so much about these things, she might not have lost so much.

PEI Qiqi sat alone in the meeting room. About ten minutes later, reporters started to come in and take a stroll.

no one made a sound and sat down.

after xiaowen and the legal team came in, xiaowen handed a stack of documents to the reporter. " these are the copies of the information. I'll give them to everyone.

PEI Qiqi nodded and watched as PEI Huan walked in.

Recently, PEI Huan had been very successful. Because of the Marvel advertisements, she became popular and also took on a few good endorsements. She also had two second female roles in dramas.

however, pei qiqi felt that pei huan's acting was the best.

pei huan was naturally different today. her manager, xiaomei, followed behind her and served her with all her heart.

PEI Huan looked at PEI Qiqi's arrogant expression and felt proud.

Now, she only needed to speak in front of the media and those fools would be led by the nose by her.

however, pei huan was still too stupid and stupid.

If those experienced entertainment reporters couldn't even see through this little trick of hers, they wouldn't have had to work for so many years.

It was only because she was newsworthy and because of The Grudge between her and PEI Qiqi, it was enough to be in the entertainment headlines for a month.

PEI Huan really thought that she was the best Actress now. She was acting and she wiped her tears as soon as she came in. Her voice was weak. Qiqi, I didn't mean to fight with you. I just can't bear to see father's hard work go to waste.

PEI Qiqi was still sitting in the Kasaya, a little numb.

ever since she was young, compared to PEI Huan who liked to pretend to be weak, she knew that she was really cold and unlikable, but she was not willing to pretend.

she lowered her eyes and smiled. " your worries are unnecessary. "

PEI Huan's expression became even sadder. Qiqi, I know you're still angry with me.

PEI Qiqi sighed in her heart. yes, i'm angry! with such good acting skills, you should go and film properly. why waste it here?

she smiled and looked at PEI Huan. after a while, she said, " " since you're here today, i'll explain the supplementary part of dad's will. your lawyer might not have informed you at that time. "

PEI Huan was stunned.

a supplementary will?

PEI Qiqi smiled and gestured for the legal team to announce PEI Minghe's additional terms.

" according to Mr. PEI Minghe's last wish, PEI Qiqi has the management rights and all the shares of PEI Enterprise. however, Mr. PEI Minghe added that after Ms. PEI Huan gives birth to Lin Jinrong's child, the child will inherit 60% of PEI Qiqi's shares. in other words, Ms. PEI Huan's child will be the biggest shareholder of PEI Enterprise. "

PEI Huan was stunned.
