Chapter 621 pei qiqi is pregnant (1)

pei qiqi looked at xiaowen and couldn't say anything for a long time.

xiaowen pursed her lips. "boss pei, don't be too sad. this is all her own doing. she won't die if she doesn't seek death."

before she got off work, tang yu called to tell her that he had to work overtime today and asked her to take the driver's car home.

PEI Qiqi was about to get into the car when PEI Huan drove a white BMW over from behind.

she rolled down the window, looking a little haggard. "have a cup of coffee."

PEI Qiqi looked into her eyes and said after a while, "just across the street."

"Are you afraid that I'll harm you?" pei huan's voice was a little sharp.

PEI Qiqi smiled and didn't deny it.

In the end, they sat down in the coffee shop. PEI Huan was a little agitated and took out a cigarette the moment she sat down.

"Aren't you afraid of ruining your public image?" pei qiqi frowned.

PEI Huan sneered. what public image do I have? "

However, she still put down the cigarette and scratched her head. "PEI Qiqi, I'm ruined."

pei qiqi was about to say something when her phone rang. she looked at it and saw that it was tang yu.

she picked up, "tang yu? "

"Where are you?" Tang Zheng pulled his tie and asked her.

I'm at a cafe, " Pei Xiao Qi replied honestly. I'm with PEI Huan.

the other side snorted and then tang yu said, "don't drink the coffee. The doctor said that you had a weak stomach last time. Also, send me your location. I'll come and pick you up later.

Oh, " PEI Qiqi replied. She hung up and sent him the location.

he put down his phone and looked up, only to see pei huan's jealous gaze.

PEI Qiqi smiled faintly and asked the waiter for a glass of water.

PEI Qiqi, I thought you were very independent. It turns out you're just an obedient child under Tang Yu's control. PEI Huan mocked.

PEI Qiqi didn't argue with her and only asked lightly, "is there anything i can help you with?"

PEI Huan's fingers immediately grabbed PEI Qiqi's hand, " PEI Qiqi, only you can help me now.

pei qiqi lowered her head and looked at pei huan's hand. it was said that the back of a person's hand and neck were the best indicators of a woman's age. however, pei huan was only in her early 20s and the back of her hand was already so old that she looked like a woman in her 30s.

Slowly, PEI Qiqi opened her mouth, "PEI Huan, the one who can't help you the most is me."
&Nbsp;

She looked into PEI Huan's eyes, " "You should know best what you've done."

pei huan pursed her lips and looked at pei qiqi. after a while, she sneered, " he told you? "

pei qiqi didn't say anything.

pei huan was so frustrated that she wanted to smoke again. in the end, she just grabbed her hair, " pei qiqi, i'm not you. i have no choice. "

PEI Huan, I remember that I told you not to overdo it, but you always felt that you could do whatever you wanted. pei qiqi lowered her eyes. " pei huan, so what if you successfully seduce tang yu? "

PEI Huan's lips trembled and her eyes were empty. She only said after a while, " "he will like me."

all she wanted was tang yu's power and money. she didn't dare to like a man like that.

Yes, she liked it, but she did not dare to.

The first time she saw Tang Yu, she fell in love with him. But at that time, she thought jinrong was more suitable for her.

"I won't," PEI Qiqi's voice was extremely calm, " PEI Huan, even if you have sex with him or even if you have his child, he won't like you. He might let you give birth to the child, but I will raise this child.

Chapter 622 PEI Qiqi is pregnant (2)

pei huan was stunned.

"then, do you love him?" she mumbled after a long time.

if pei qiqi loved tang yu, she wouldn't have said that she would forgive him so easily.

PEI Qiqi laughed, " PEI Huan, you don't understand love. If you did, you wouldn't be so absolute.

if tang yu had a change of heart and said he didn't want her anymore, she would leave without hesitation.

However, if he was framed or used despicable means to do something bad, as long as he came clean, she believed that she would not let go of his hand.

Perhaps, they would be in pain together for a while. Perhaps, this thorn would always be in her flesh.

however, she would use time to heal it. she also believed that they would heal the wound together.

PEI Huan was stunned.

is this pei qiqi? was it the pei qiqi who was so cold and arrogant that she couldn't even let out half a fart in the past?

pei qiqi had really changed.

pei huan sneered, " you know what? i almost slept with tang yu last night. "

she looked at pei qiqi's expression and wanted to see something.

PEI Qiqi just smiled, "if you did, today wouldn't be like this.

she paused for a moment,"pei huan, you're not a child anymore." I can't help you."

PEI Huan still wanted to say something but Tang Yu came.

he walked straight over and his gaze landed on pei qiqi's face. it was as if he didn't see pei huan.

PEI Qiqi also stood up and said indifferently, "i'll be leaving first."

pei huan sat there and watched them leave. she suddenly felt that she was very funny.

she was like a clown. she even tried to seduce tang yu.

pei qiqi was right, she was overestimating herself.

PEI Huan just sat there until her entire body was cold.

PEI Qiqi followed Tang Yu into the car and didn't say a word.

Tang Yu placed his hands on the steering wheel and turned to her to fasten her seat belt, "Qiqi, do you have anything to say to me? "

pei qiqi looked at him and said, "oh."it's nothing,"

"i thought that you would want me to help pei huan." Tang Yu said lightly and started the car.

pei qiqi stared at his side profile, "will you? "

"no," he answered very directly.

pei qiqi responded with an 'oh' and continued, "i know you won't."

Tang Yu didn't say anything else. After a while, PEI Qiqi's voice was a little soft, "at the very least, don't add insult to injury, okay?"

his reply was a light snort.

PEI Qiqi's hand held his.

Tang Yu stopped at a red light and asked softly, "pei qiqi, if she gets her way that day, what will you do? "

pei qiqi looked at him and only spoke after a long time, "you won't let her have her way."

Mr. Tang's eyes were fierce as he looked at her.

pei qiqi leaned back and bit her little finger, "then i, yueyue, should slap her first and scold her for seducing my husband. then, i should pull her hair and scold her? "

Mr. Tang glanced at her and finally said very lightly,"pei qiqi, you should maintain your current style!"

pei qiqi rolled her eyes at wanwan. then why are you still so awkward?!

However, she still pulled on his arm and said softly, "Tang Yu, you're so embarrassed.

he knew what she was thinking even if she didn't tell him. he snorted. " there won't be a next time. "

This little thing really looked fierce, but she was actually the softest.

tang yu, you're the best. " She leaned her head on his shoulder to please him.

Tang Yu focused on driving, " PEI Qiqi, I'm driving.

"well, mr. tang doesn't mess up, so there won't be a problem." pei qiqi teased him.

Chapter 623 pei qiqi is pregnant (3)

When they reached the red light in front, his elegant and handsome face turned over and looked at her meaningfully.

Then, he quickly grabbed her little hand and pulled it onto his body. His voice made one's hair stand on end, " PEI Qiqi, you'll know if I'm a calm person now.

She shrieked.

he was shameless!

Staring at him anytime, anywhere

After fooling around for a while, he started the car again. Pei Xiao Qi was curled up in the corner and looked at him with that kind of gaze.

Tang Yu chuckled, " PEI Qiqi, I don't treat everyone like this.

because he liked her, he had a strong desire for her. even if pei huan was naked in front of him, he would only feel that she was cheap and would not have any desire for her.

he didn't need to say too much. he just needed to point at pei qiqi to understand.

" oh, " she said. she didn't say anything else and just gently rested her small head on his shoulder.

boss PEI, you're becoming more and more like a spoiled child. His voice was soft, but it was filled with love.

pei qiqi pouted, " if you don't like it, then i won't do it. "

He sighed. How could Yingying not like it?

Tang Yu parked the car in the parking lot of Sheng Yuan hospital. He unbuckled his seat belt and signaled for her to get out.

PEI Qiqi looked at the building outside the car and pursed her lips, " what are you doing at the hospital? "

this fool!

Tang Yu reached out his hand and gently patted her head. Then, he gently said, " Qiqi, have you not noticed the changes in your body? "

He didn't plan to do it so early, but she ordered coffee today, so he had to let his little one know about his physical condition.

PEI Qiqi was stunned. She looked at him and her heart beat faster.

Did he mean that Yingluo was pregnant?

she looked at tang yu in disbelief.

tang yan smiled and patted the back of her hand. ” qiqi, you might be a little mother soon. ”

ah yingluo was still not in the right state.

tang yu reached out and rubbed her. he got out of the car first and then opened the door for her. he carried her in his arms.

she was a little embarrassed and her face was hot. ” “put me down, i’ll walk on my own.”

However, he carried her in his arms and took the internal elevator to the gynecologist’s office.

pei qiqi’s little arm hugged him and the other hand was placed on her stomach. she couldn’t believe it, ” Tang Yu, is it true? ”

He smiled and kissed her.

When they arrived at doctor Mei’s place, after a checkup, PEI Qiqi was indeed pregnant.

she was pregnant?

She sat there with a dazed expression as she looked at him.

her voice was also pitiful, ” tang yu’s xuxu ”

Tang Yan smiled and reached out to touch her.

she thanked him in a daze, and doctor mei laughed. I should thank Tang Yu.

PEI Qiqi’s face turned red.

tang yu held her little hand and sat in the car with her. she still looked confused.

tang yu sighed and pinched her face, ” “let’s go home first.”

she pulled on his sleeve, ” tang yu, how did you know? ”

His eyes were clear and bright as he looked at her. Then, he smiled. ” qiqi, don’t you realize that your period is a few days late? ”

” ah! ” she exclaimed again, holding her face in her hands.

” and yingluo. ” his voice was a little hoarse as he whispered a few words into her ear.

PEI Qiqi covered her eyes and couldn’t listen to this anymore.

After a long time, she secretly removed her fingers and buried them in his arms. “So, you didn’t use Qianqian and only used your fingers, right?”

Chapter 624 PEI Qiqi is pregnant (4)

Tang mo was a little hot-blooded and couldn’t stand it.

thinking of the future| Days of desire let out a long breath.

probably sensing his emotions, pei qiqi laughed evilly in his arms.

He patted her little P * s. This little bad thing.

She pounced into his arms, feeling inexplicably peaceful.

“qi qi?”

“What?”

tang yu lowered his head and placed his thin lips on her ear, ” let’s get married, okay? ”

She looked up at him with watery eyes. After a while, she said softly, ” “But the wedding isn’t ready yet.”

He placed her little hand in his. “half a month should be enough if you’re prepared.”

because of pei qiqi’s pregnancy, the whole family was so busy, yingying.

lin yun, who had been a little awkward when she saw her, was now looking forward to her grandson’s appearance.

No, it would be best if it was a granddaughter, the pink kind. It would be best if she looked like PEI Qiqi.

tang yu and pei qiqi were both so good looking. this child would only be better looking.

old master lin was in an even better mood. one had to know that he had been looking forward to a child for a long time. now that pei qiqi was really pregnant, old master lin was so happy that he generously gave away two villas worth hundreds of millions in B city and five percent of the shares of the lin group. he was just waiting for this great-grandson to be born under his name.

pei qiqi, on the other hand, felt very tired. being pregnant wasn’t tiring, but being watched by tang yu made her tired.

moreover, mr. tang began to study his own recipes, which were all nutritious meals.

in the beginning, she also thought that he was just doing it out of interest and wouldn’t be able to hold on for long. however, mr. tang was extremely talented and the nutritious meal he made was surprisingly delicious.

but eating this every day, no matter how delicious it was, it would be bland.

The most important thing was that she had gained weight.

when they were trying on wedding dresses again, pei qiqi stood in front of the mirror and pouted at tang yu, ” “You see, it’s a little tight.”

“then let’s change to another one.” The man who was going to be a father immediately made his decision.

however, the child’s mother was not willing. ” i like this one. ”

he felt a headache coming on. the designer beside him reminded him softly, ” mr. tang, you can make it one size bigger. ”

this solved the urgent problem.

When no one was around, Tang Yu walked behind her and hugged her slim waist. His voice was a little hoarse, ” “Qiqi, thank you.”

Thank you for giving birth to his child at such a young age. Thank you for loving him so much.

Tang Yu’s face was buried in her thin shoulders and he laughed in a low voice.

pei qiqi bit her lip and looked at them in the mirror.

tang yu closed his eyes, ” qiqi, we will be happy. ”

then, sheng yuan corporation released a statement saying that the president of sheng yuan, tang yu, and pei qiqi would be getting married in half a month, on june 1st.

june 1st, what a magical day.

I heard that Tang Yu insisted on marrying a little kid, Yingluo.

pei qiqi had to admit that she was affected by his bad taste.

GM’s hotel had not been fully renovated yet, so they had no choice but to change the location of the wedding. they set it at a hotel in the lin group that had only been renovated for less than half a year. although it was not as luxurious as GM’s hotel, it was enough to hold the wedding.

B city’s media went crazy. They all wanted to get the first hand photos of the day.

the media was all over the place, and the entire B city was in an uproar. this was because, for most weddings, moving forward meant that the wedding was going to be held in a hurry.

the girl was pregnant!

However, no matter how many people tried to track her, they couldn’t find any signs of PEI Qiqi being pregnant.

Chapter 625 Lin jinrong awakens (1)

because of tang yu and pei qiqi’s marriage, pei huan’s matter didn’t continue. pei huan was relieved.

she had begged qin anlan to no avail. an outdated small-time celebrity with scandals was not a big deal to him, so he ignored her. In Qin Anlan’s eyes, PEI Huan was just an abandoned pawn.

however, he did not suppress her.

PEI Huan was young and beautiful. She quickly hooked up with a Vice President of King Entertainment and served her very gently for a week. The Vice President held a press conference for her.

PEI Huan fully displayed her acting skills and said in tears that she had drunk too much that night.

she said that she had recalled some sad memories.

Pretending to be weak had always been a female star’s specialty. After the news was reported, there was no more future for her.

pei huan took up some minor roles and naturally could not be compared to the past.

However, it was better than not having any food to eat.

All she needed to do was wait for an opportunity, or the next powerful sugar daddy.

However, before her sugar daddy came, she received the news that Tang Yu and PEI Qiqi were about to get married.

Married?

who hasn't been married?

PEI Huan drank a little too much and cried for a long time in the bar.

the people around her looked at her as if she was crazy, but she didn't care ...

Why should she care? she was no longer that innocent female celebrity.

now that the Instagram model was so fierce, what was she, PEI Huan, to her?

No one recognized her.

as she stumbled to her feet, she was half-hugged by a man in black.

The man's lips were on the side of her neck, and his voice had a touch of charm. "Tonight?"

PEI Huan laughed and wrapped her hands around his neck, leaning over to kiss him.

she didn't know who he was, but she knew that he was a good-looking man.

she really did not care who that man was, as long as he gave her happiness.

PEI Huan was in a drunken dream. The next day, she woke up in her hotel room.

The man who had slept with her for the night was no longer there, and her handbag was gone as well.

She had seen this kind of situation many times and was not surprised.

PEI Huan leaned against the headboard and slowly smoked a cigarette before leaving Xuxu.

having a hangover and an empty stomach, she felt like she had been hollowed out. halfway through the car, she couldn't help but stop by the side of the road and vomit.

After vomiting, he felt even worse. He drove the car to the newspaper stand and bought breakfast.

the feeling of puking after eating was very similar to the feeling of the child in her stomach.

A child?

PEI Huan reached out to touch her stomach and laughed softly.

It was long gone, so what was the point of thinking about it?

It wasn't that she didn't think of doing what PEI Qiqi said and starting over, but she had no choice.

If she didn't do this, she wouldn't be able to survive.

but today, she really wanted to cry. it had been a long time since she felt like crying.

in the end, she stopped the car at the entrance of a high-end private nursing home.

She leaned on the steering wheel, her expression a little dazed and in pain.

this was where Lin Jinrong lived. there was only one patient in this sanatorium, and that was Jinrong.

PEI Huan looked on in a daze. after a long time, tears started to form in her eyes.

jinrong qianqian

She still remembered the one and only time he wanted her, and how he felt in her body.

she was not the only one who was inexperienced. he was too.

he was drugged, so his face looked indescribably charming, and his whole person was out of order.

She was in pain, but that time, she really got him.

Chapter 626 Lin jinrong awakens (2)

PEI Huan drove the car in. The people inside did not know her, so she only said that she was a relative of the Lin family.

she walked in slowly. when she saw the room filled with white, pei huan's eyes and body shrank.

She even let out a sharp sound from her throat, which was abrupt in the quiet space.

jinrong was still lying there quietly. because he had not moved for a long time, his face and muscles were not as flexible as before. he was lying there quietly like a weak teenager.

PEI Huan's fingernails almost dug into her flesh. She looked at his pale face and slowly squatted down.

She gently lifted one of his hands and placed it on her cheek.

It was no longer warm. Even if he had never given her warmth, they were husband and wife.

"jinrong, do you blame me?" she raised her eyes and looked at him.

she looked at his face that had lost all moisture. it was pale, but still beautiful.

"you must be blaming me." PEI Huan closed her eyes and started to cry, " I was the one who drugged you. I was the one who ruined your relationship with PEI Qiqi. I was also the one who asked my mother to sell PEI Qiqi to that old man Yueyue. That's the only way you would truly be mine.

at that time, she was so naive. she thought that she could have him if she married him and had his child.

They were married, but his heart still belonged to PEI Qiqi.

His life also belonged to PEI Qiqi.

" jinrong, i aborted the child, yueyue! " pei huan's face was full of tears. " you definitely don't care! "

as she spoke, her body began to tremble.

She held his hand, and her heart was completely filled with fear. Only then did she feel how sorry she had let this man down.

"jinrong, tell me you don't care, right?" she asked him while crying.

but no one could answer her.

pei huan cried sadly. with the remnants of last night's debauchery, she cried to the only man she had ever loved and hated.

No matter if he was alive or not, no matter what, they could not go back.

for the first time, she felt that her willfulness was scary. perhaps it was just like what pei qiqi said, that she had made her life a mess.

"Jinrong, she's getting married to Zhenzhen and your brother Tang Zheng!" pei huan leaned against the bed and laughed softly. "Yueyue is probably pregnant."

Lin jinrong's fingers moved slightly, and then again.

however, pei huan was immersed in her own world and did not realize it.

her gaze fell on his face again, and she smiled strangely. "jinrong, are you happy? she's pregnant, yingluo!"

but, that's not your child.

that's because tang yu's sister-in-law pei qiqi is still going to marry your brother tang yu.

PEI Huan sat on the ground like a lunatic. Her long hair was tangled like a bird's nest, and the smell on her body was not good. She was also dressed like an indecent woman.

when lin jinrong's mother received a call from the nurse and saw pei huan in this state, she was furious.

this pei huan actually still had the face to come and see jinrong!

hadn't she caused jinrong enough?

"Get lost." lin jinrong's mother was experienced. one look at pei huan and she knew that she had been fooling around outside. how could she let such a woman come to visit jinrong?

furthermore, she did not want to see pei huan ever again when she thought about how she had heartlessly aborted her grandson.

Lin jinrong's mother hated her to the core, so she didn't go easy on her. She grabbed PEI Huan's hair and dragged her out, ran ran.

Chapter 627 lin jinrong awakens (3)

pei huan's scalp was in so much pain that she was tearing up. however, how could an angry mother be soft-hearted towards her?

lin jinrong's mother threw it on the ground and said coldly, "You're not welcome here, so don't come again. Otherwise, I'll call the police."

pei huan lay on the ground. she had never been so embarrassed in her life.

she had called the elder in front of her 'mother', but from the beginning to the end, this old woman had never liked her.

Now, she would probably not like it even more!

how could women of noble status like them look up to her, who came from a small family?

pei huan lay on the ground and coughed for a long time before she slowly got up. she was in an indescribable sorry state.

Lin jinrong's mother looked at her and her voice turned even colder, "as a woman, pei huan, do you still think you are a woman?"

pei huan stood up unsteadily. she lowered her head and only smiled after a while. her smile was a little bitter.

Even she herself felt that she was neither human nor ghost.

She took a deep breath and said in a low voice, "I'm sorry. I'll leave. I won't come back again.

in their eyes, she was probably not clean!

PEI Huan opened her car door and got in. The car left at a strange speed.

lin jinrong's mother stood there for a long time before she slowly walked back into the ward.

She fetched some warm water and helped jinrong wipe the Kasaya.

"Jinrong, you don't like to see her either, do you?" "She won't be coming here again," she said in a low voice.

As she spoke, her tears could not stop falling.

How good would it be if her son could wake up! she was willing to give up everything in exchange for him.

But she also knew that he did it willingly.

Lin jinrong's mother would come every day and sit there for half a day to talk to jinrong.

most of it was about his past. although qianqian couldn't hear anything, she never mentioned pei qiqi and tang yu's marriage. she was a mother. although some of her thoughts were absurd, she was stubborn.

She kept saying that PEI Qiqi was waiting. Waiting for him to wake up!

however, jinrong refused to wake up.

lin jinrong's mother stayed there for the entire morning. when she left, she was a little reluctant.

She wanted to remember what he looked like because every day, every month, and every year, jinrong was different from before. Xuxu jinrong, I'm old, but I don't know if you'll leave me one day.

she looked at him deeply for the last time and gave the nurse some instructions before she was ready to leave.

however, mother lin had only taken two steps when a soft sound came from behind.

a voice so hoarse that it didn't sound human said, "mother!"

Lin jinrong's mother's body was extremely stiff, and all the blood in her body seemed to have frozen.

she slowly, slowly turned around. in those few short seconds, her face was already covered in tears.
jinrong Qianqian. her voice trembled in disbelief.

There were so many tears that they blocked her vision. She reached out to wipe them away, crying and laughing at the same time.

“jinrong, jinrong, you scared me to death.” mother lin raised her head and wiped her tears with her fingers. she really didn’t want to lose her composure like that, but her tears just couldn’t stop.

lin jinrong’s body was extremely weak. he could not even open his eyes to look at his mother.
however, the corners of his lips slowly curled up into a faint smile.

mom, i’m awake.

I’m back ...

the hoarse voice called out again. this time, she was certain.

she closed her eyes, slowly squatted down, and gently hugged her son.

“Jinrong, I thought I was going to lose you.” She couldn’t stop her tears. The warm tears flowed down his neck and warmed Lin jinrong’s heart that had been lonely for too long.

he lay there with his eyes closed, but a smile appeared on his lips.

He’s back, Yingluo.

Chapter 628 the wedding (1)

tang yu and pei qiqi’s wedding was held as planned. it was held in a church with a long history.

The wedding was held in the morning, and the family gathering was held in the afternoon. In the evening, a grand banquet was held at the crystal Hotel under the Lin group, with 200 tables.

Even so, elder Lin still felt that the place was too small and kept saying that Tang Yu was too low profile.

before the wedding, elder lin was still grumbling. tang yu adjusted his bow tie in front of the mirror,
” grandpa, qiqi is too much for 200 tables. she said toasting is tiring. ”

although she had passed the early stages of pregnancy and was not as uncomfortable, the young lady was still very delicate.

the old man didn’t care about anyone but pei qiqi.

it couldn’t be helped. pei qiqi was young, good-looking, and she had a little one in her stomach.

if he didn’t dote on her, who would he dote on?

On the day of the wedding, B city’s media surrounded the church until not even a drop of water could pass through. It was only after 200 security guards were dispatched that the new couple was allowed to enter.

the solemn church became romantic because of the 99990 pink roses that were flown in by air, especially the front of the stage, which was decorated with all kinds of flowers.

The white-haired priest stood in front while Tang Yu was below him.

slowly, the door of the church opened, and a ray of light shone in, illuminating the entire church.

That ray of light lit up Tang Yu's entire world. It was as if he could hear angels singing in his ears.

PEI Qiqi held onto Grandpa Lin's wrist. That's right, Grandpa Lin personally brought her into the church.

In the future, who would dare to say that his family's Qi Qi's family background was not good?

The old man walked slowly, and his beard could not help but curl up ...

look at his little lamb, how good-looking he was.

Look, look, look, whose wife is more beautiful than Tang Yu's wife?

Did I? did I? I don't think so?

if not, then shut up in the future-

moreover, he was young and good-looking, and could even give birth to children.

grandpa shen couldn't wait to point at pei qiqi's stomach and announce that tang yu's child was here-

of course, all these out-of-order actions would not happen to the childish and experienced old man.

He proudly brought Pei Xiao Qi to Tang Yu.

She was dressed in a pure white wedding dress, which was beautiful and romantic to the extreme. The hem of the dress was carried by four maids behind her.

she was so beautiful that she was breathtakingly beautiful as she walked to his side, just like when they first met.

It was blurry, but it was clear.

the young and noble man's black eyes were wet again. he lowered his head, and his eyes were filled with all the gentleness and love.

After a while, he kissed her on the forehead.

everyone exclaimed in surprise. yingluo hadn't reached this stage yet. how did he kiss her?

pei qiqi raised her head and couldn't look away. she said lightly and naughtily, " "Mr. Tang, you're very handsome today."

"Miss PEI, you're not bad yourself," he said in a hoarse voice.

The priest coughed lightly, indicating that they could get to the main topic.

Really, after hosting so many weddings, there had never been a new couple who was so out of it.

The bride and groom finally respected him face to face, so the priest began his lengthy speech.

No one listened to him. Tang Yan held PEI Qiqi's little hand and his eyes were on her little face.

What an embarrassing wedding.

the priest bit the bullet and asked, "if there are no problems, you can sign your name on the marriage contract. in the future, we will love each other and never leave each other."

Chapter 629 the wedding (2)

the priest decided to change it willfully, and the earlier it ended, the better.

Tang Yu smiled. His gaze was still on PEI Qiqi's face, "I'm willing.

"what about pei qiqi?"

pei qiqi looked at tang yu. seeing the smile in his eyes, she was a little nervous at first but now, she relaxed.

Slowly, she said, "I'm Yingluo."

before he could finish his words, a weak voice came from the church's door. "Wait a moment."

The voice was filled with

old master lin's beard trembled, and all the hair on his body stood on end.

his precious jinrong. it was his precious jinrong xuanji.

his little darling had woken up.

Before the old man could express his excitement, he saw Lin jinrong's mother pushing her son into the room.

Slowly, slowly, he entered. The sun shone on his back, casting a shadow on the church.

the old master's heart suddenly became clear. this was a challenge.

Damn it, she was just a little girl and both Tang Yu and jinrong liked her.

how to split?

He didn't care anymore, you guys can split it however you want!

anyway, they already had a child. whoever had the ability to snatch it could be the child's father. they were all descendants of the lin family anyway, so it didn't matter who the father was.

Lin jinrong was still weak. He had only been awake for less than a week, and all the muscles in his body had not fully woken up.

however, his brain and thoughts were completely awake.

slowly, he let his mother push him in front of pei qiqi.

pei qiqi's entire body was stiff.

she looked at lin jinrong in disbelief. he woke up, stunned.

jinrong woke up.

lin jinrong stopped and looked up at her. he looked at her beauty and felt that she was beautiful for others.

PEI Qiqi slowly knelt down and called out jinrong with trembling lips.

tang yu didn't stop her.

if he didn't have any confidence in himself and qiqi, there wouldn't be this wedding.

he waited patiently, but he also had his own pride.

pei qiqi slowly knelt down. she stretched out her fingers and slowly touched pei jinrong's face.

It was warm. Although it was pale, it was still alive.

"qiqi." lin jinrong's slightly thin hand suddenly grabbed her small arm. she was stunned and looked at him silently.

lin jinrong lifted his eyes and glanced at tang yu. that gaze belonged to the confrontation between two men.

at the side, the old man touched his nose. he felt that he had really lost a lot today.

jinrong came over so openly, confessing, and then holding her hand. it's a family scandal! a family scandal!

he might as well stop looking.

"Thank you, brother Tang Zheng, for giving me a fair chance to compete." Lin jinrong smiled.

Tang Yu's eyes were deep and he didn't say anything.

in fact, it was already unfair. pei qiqi was pregnant and she had a key person in her key position.

lin jinrong said softly, "pei qiqi, you said that as long as i don't die, you will be with me. "

as he spoke, he reached out and touched his lips.

When he woke up, he could still remember the warmth on his lips.

she hugged him and cried. those tears were real. they were really flowing for him.

she kissed him with tears and said that she would be with him as long as he didn't die.

Lin jinrong looked at her seriously with a deep gaze, "PEI Qiqi, do you still mean what you said?"

He grabbed her hand and placed it on his face. "pei qiqi, isn't it too late for me to say i love you now? " on the day you put on a wedding dress for someone else.

pei qiqi, i'm back. are you still there?

pei qiqi looked at him and didn't struggle. her fingers continued to touch his face.

she cried, and her tears stained her small face. she looked a little disheveled, but she didn't care and just let those tears fall.

"pei qiqi, i like you." lin jinrong looked at her. his voice sounded like it had been a century. " i'm back to look for you. "

PEI Qiqi closed her eyes and reached out to hug him.

She hugged him a little tightly.

Everyone was stunned.

Heavens, PEI Qiqi chose Lin jinrong?

however, tang yu's dark face didn't appear. he was still looking at his wife dotingly. she was hugging another man like they were playing.

pei qiqi hugged lin jinrong and pressed her face against his neck. her voice was soft but firm, "jinrong, i'm sorry."

Lin jinrong's body froze for a moment, then he smiled.

he reached out to hold her small face and looked at her carefully."pei qiqi, don't you regret it?"

She squatted there and looked up at him. Tears flowed down her face as she shook her head desperately.

she liked lin jinrong before. she used to like him very very much, so much so that she thought she would never like anyone else in her life.

however, tang yu's appearance made her feel that she couldn't let down her love.

lin jinrong's face was bitter as he smiled, "it's too late, isn't it?"

Suddenly, he lowered his head and used all his strength to kiss her on the lips.

That kiss was heartbroken.

That kiss was his way of giving up.

That kiss was his way of giving in to PEI Qiqi.

if she hadn't fallen in love with brother tang zheng, he would have taken her back even if he had to die. however, she had fallen in love with someone else, so he could only fulfill her wish.

To fulfill her love.

pei qiqi didn't dodge and tang yu didn't pull the kasaya away.

this was because they owed jinrong ...

The surroundings were silent as they watched.

the pale face was imprinted in her pupils. pain, struggle, and finally relief.

No, it was a blessing.

Lin jinrong pressed his lips against hers and said in a low voice, "PEI Qiqi, happy wedding.

he let go of her and rong yan smiled. "fortunately, i didn't take it seriously."

He wanted to let go of her, but she hugged him back tightly.

lin jinrong's entire body was frozen. his facial muscles were trembling, "pei qiqi, if you do this, i will change my mind."

“you won’t,” she dealt with him shamelessly, tightening her arms and hugging him tightly.

The surrounding people were all dumbfounded. What was this?

He looked at Tang Yu with sympathy.

so pitiful! This was the second time PEI Qiqi stood him up!

Old master Lin was even prepared to change the Father and groom of the children.

jinrong looked quite energetic today! The marriage was not shabby either!

However, only Tang Yan understood her and jinrong.

PEI Qiqi laughed with tears in her eyes. She slowly let go of Lin jinrong. Her eyes were curved and it was as if there were countless little stars hidden in them. She was shockingly beautiful.

“jinrong, welcome back.” she hugged him again.

tang yu coughed lightly and finally pulled his little one away, ” pei qiqi, if you carry on like this, i’ll start to doubt your love for me. ”

He removed her small body but did not get up immediately. Instead, he whispered something into jinrong’s ear.

Lin jinrong was a little surprised, then he smiled. His smile was pale but sincere. congratulations, brother Tang Zheng.

Tang Yu nodded. He looked down at the crying and laughing girl in his arms, ” PEI Qiqi, can we continue with the wedding? ”
