Chapter 691 Who did this?(4)

Mrs. Shen also noticed the bruises on Shen Chongshan's neck.

her eyes were a little straight as she kept looking at him, muttering to herself, " "That bastard! that bastard!"

tang yu's fingers clenched tightly as he watched mrs. shen carefully stroke shen chongshan's neck. then, she took out a box of medicine from her bag and carefully applied it on him.

mrs. shen knew that shen lian had hit her!

then, what did shen lian have to do with shen chongshan's sudden demented state?

Tang mo pursed his lips.

mrs. shen didn't speak to them, as if they didn't exist. after a while, she pushed them away.

tang yu, aren't you going to ask? " PEI Qiqi pulled on his sleeve.

tang yu lowered his head to look at her and smiled, " "mrs. tang, i thought you didn't like me asking about my ex-girlfriend?"

"That's different." pei qiqi looked at the back of mrs. shen pushing shen zhongshan and said, " "I feel that it's a little sad when I see it."

if shen lian was the one who had splashed acid on her and shen zhongshan, then shen lian would not be far from going crazy.

Tang Yu acknowledged and then whispered, " "Qiqi, we won't be like this."

he would take good care of her. forever, she would be his only one.

the bodyguard bought the ice cream, but shen zhongshan had already left.

pei qiqi lowered her head and then looked up at tang yu, " "you can eat it!"

tang yu rejected her, " pei qiqi, i'm not a child. "

pei xiao qi was a little insistent,"but sometimes you are a child, like yingluo."

she glanced at him. as a man, as pei xiao qi's man, tang yu immediately understood.

there was no one around. he lowered his voice and said, " qiqi, are you talking about when i eat your pixiu? "

pei qiqi's face turned red and she stuffed the ice cream into his hand, " eat it. "

tang yu took it and felt much better. actually, his qiqi wasn't that insensible.

he chased after her and grabbed her little hand. his voice was filled with adoration and reprimand. " you're walking so fast. aren't you a little more careful? "

she responded with an " oh " and obediently slowed down. then, she bit her lip, " tang yu, baby kicked me again! "

she furrowed her brows and her eyes were teary as she grabbed his hand again.

Her long hair was loose, and her eyebrows were delicate. She didn't look like a little mother at all. Without looking at her stomach, she looked like a little girl.

tang yu's heart melted. he half-squatted and put his face on her bulging stomach. he felt the little hands and feet moving inside and his emotions fluctuated ...

life was really amazing.

He placed his fingers on her lower abdomen and smiled as he greeted the little guy inside. "HI, i'm dad! You have to be nice to mom and not bully her. Otherwise, when you come out, I'll hit your little butt.| it's a gu."

pei qiqi's fingers played with his black hair, " he's so young. how can he understand? "

At this moment, Tang Yu was no longer the noble and high and mighty President of Sheng Yuan. He was her husband and there was no distance between them.

Just like he said, he wasn't a God. Tang Yu was just a normal man. In front of her, he was just a normal, sexy, and charming man. That was enough.

He was not omnipotent, but he was really good to her.

pei qiqi's little hand caressed his black hair and her voice was a little mischievous, " tang yu, i really want to pour that ice cream on your hair right now. "

Chapter 692 who did it?(5)

he patted her little P * s. " naughty. "

pei qiqi chuckled and hugged him tightly, " tang yu, how can i be so happy? "

Mr. Tang stood up straight, pinched the little guy's small face, and coughed lightly."Miss PEI, I can only say that you slept with the right person."

she glared at him.

Tang mo looked at her. "Wasn't it you who entered my room, touched me, and kissed me?" Hmm?"

he put on a high and mighty attitude again.

Whenever Mr. Tang wanted to bully her, he would reveal such an expression.

PEI Qiqi fell for his tricks before, but now, she was cheeky and hugged him like a Rascal, " no way. You're the one who can't resist the temptation!

She hugged him with a belly between them, which was a little funny and funny.

Tang Yu placed his finger on it and smiled, " when the child comes out, I will let you know if I can't resist temptation.

Just by listening to it, PEI Qiqi could imagine countless scenes-in the bathroom, on the sofa, in the bedroom, and even in front of the mirror in the changing room. It was a hair-raising scene.

She hugged him tightly. you're not allowed to.

"then let me seduce our baby, okay?" He said it by her little ear, and after he finished, he realized that her ears were red.

he rubbed his hands together and smiled.

In the afternoon, while PEI Qiqi was taking a nap, Tang Yu went out for a while.

he knew that Mrs. Shen was now living in another mansion of the Shen family. As for the reason, it was probably the same as what he had seen today.

The doorbell rang a few times. A servant came to open the door. She didn't seem surprised by Tang Yu's reaction and said that Madam had been waiting for a while.

Tang Yu walked in and saw Mrs. Shen sitting on the sofa without a word. Her expression was serious.

"Aunt Shen," Tang Yu sat across from her. The maid poured him a cup of tea.

Only then did Mrs. Shen raise her eyes. It had only been half a month since they last met, but her face had already changed, and her previous round face was very different.

Mrs. Shen's voice was calm. I know what you want to ask, Tang Yu. I don't know anything. I won't say anything about Hanhan.

Tang Zheng looked into Mrs. Shen's eyes and saw a ball of dead ash.

There was no light or hope in there.

"Aunt Shen." Tang Yu's voice sounded a little strained. When he was 20 years old, he faced a group of foreigners with blonde hair and blue eyes at an international high-class negotiation table. It wasn't this difficult back then.

because he could tell what those people wanted, and they had a vision.

But Mrs. Shen did not.

In her world, there was only the Shen family and Shen Chongshan. Now, there was no hope.

Tang Yu couldn't convince her. Without Shen Chongshan, Mrs. Shen wouldn't betray her daughter. Tang Yu felt he was wrong to come.

"I'll find an expert in the United States for Uncle Shen." he stood up and paused for a moment. "Aunt Shen, Jinrong is awake. I believe that a miracle will happen to Uncle Shen one day."

Mrs. Shen's gaze fell on Tang Zheng's face. After a long time, a glimmer of hope flashed in her eyes, which had aged a lot.

However, that hope was quickly extinguished.

She kept looking at Tang Yu, stunned.

Tang Mo sighed in his heart. At this moment, his phone rang. He didn't answer and the door opened.

The person who appeared at the door was Shen Lian.

Her expression was flustered and her hair was a little messy. Her eyes swept between Tang Yu and her mother's faces.

In the end, her eyes fell on Tang Yu's face. Her voice was dry and angry, "Tang Yu, why are you looking for my mom?"

Chapter 693 Who did it?(6)

tang mo lowered his head and looked at the cup of tea he hadn't touched. he smiled."I'm here to see aunt Shen."

"if there's anything, you can come and ask me." shen lian's voice was tense as she looked at tang yu, "let's go out for a cup of coffee."

tang yu nodded at mrs. shen and left with shen lian.

once they were outside, shen lian couldn't hold it in any longer. her voice was flustered and exasperated, Tang Yu, why did you get someone to monitor me?"

No, that was no longer monitoring, it was watching.

No matter where she went, there would be eight bodyguards watching her and following her wherever she went.

Apart from her home and the toilet, the eight of them were everywhere, like ghosts.

she was going crazy!

tang mo stood in front of the black sports car and took out a cigarette from his pocket. he had recently been addicted to smoking.

she took it out and pointed at it. her gaze was a little distant. "shen lian, do you have evidence that i did it?"

just like how he couldn't find any evidence of what she did to qiqi and shen zhongshan.

Shen Lian's eyes narrowed and she stared at him. She also saw the eight people around them.

she covered her head and screamed, "tang yu! tell these people to leave!! "Withdraw!"

he remained unmoved and continued to smoke his cigarette.

"I told you to remove it, did you hear me?" Shen Lian was panting and felt that she was unable to breathe.

When she went to the toilet, there were eight men standing guard outside. They all looked at her as if she was a monster.

shen lian found it difficult to even breathe. even if she turned off the lights at night, she would still feel as if there were eight pairs of eyes staring at her in the dark.

Tang Yu looked at her. He put out the cigarette and sneered, "Shen Lian, when you were doing all this, did you ever think that he was your father?! Perhaps the law would punish you, but human nature would. In the dead of the night, weren't you afraid? Didn't you tremble when you looked into his eyes?"

Shen Lian's pupils contracted. She looked at Tang Yu as if she was analyzing something.

what did he know?

Did he know everything she did to Shen Zhongshan or was he trying to find out about PEI Qiqi's background?

after a long time, she sneered. " what makes you think so! "

tang yu didn't say anything. he just opened the car door and left.

Shen Lian watched him leave and was stunned. She did not expect him to give up so easily.

She chased after his car and screamed madly, " " tell them to get out of the way, xuanji tang yu. did you hear me? "

however, he was driving so fast that she could not see the car anymore.

Shen Lian looked from afar and her body slid down.

"why, yingluo, why are you so heartless to me?" She slipped and fell to the ground, wearing a high-end suit.

without her family, without tang yu, and without her freedom, what was the point of her having that stupid company?

shen lian's face was full of tears. she muttered, " tang yu, all of this is for you. but why don't you want me to find out what's so good about pei qiqi? "

The eight men stood behind her, still looking at her coldly like ghosts.

They were from the Special Forces, so they were not very sensitive to emotions.

Shen Lian suddenly turned around and glared at them. Her voice was fierce,"Go away, go away, you bastards!"

bastard, what right did he have to watch over her like this!

she had called the police, but it was useless. these men had not done anything out of place, so she could not do anything to them.

Chapter 694 she was his little sun (part one)

when tang yu returned to the hospital, the room was quiet.

PEI Qiqi was still asleep. Her body was lying on her side on the White bed. Her black hair was spread on the pillow and her small face was white and cute.

Tang Yu slowly walked in. His dark thoughts were slowly washed away. When he saw her, all the darkness seemed to have been driven away.

He was afraid of losing, so he had to be absolutely safe.

before he found out the truth, the most important thing for him was to protect qiqi from any more harm. moreover, qiqi had promised not to go to work in the company and to stay at home to take care of the baby.

PEI Qiqi woke up and opened her eyes. She was still lying down and looking at him. Her voice was a little lazy after a nap, " what's wrong? you don't look too good.

Tang Yu chuckled, " our Qiqi knows how to care about others.

He leaned against the head of the bed, and she naturally buried her small face in his arms. She stretched out her four claws and hugged him, yawning. tang yu, i still want to sleep. ”

Tang Yu patted her little head. Qiqi, if you want to sleep, then sleep. I’ll watch over you.

After a while, her breathing evened out. Tang Yu thought she had fallen asleep so he lowered his head and kissed her. At this moment, PEI Qiqi’s muffled voice sounded, ” “Where did you go just now?”

He slowly lay down with his forehead against hers and whispered, ” “i went to see mrs. shen. she has moved out.”

There was a certain meaning in his words.

pei qiqi opened her eyes and looked at him.

Tang Yu was only willing to let her know what he wanted her to know. As for the rest, if it wasn’t necessary, he wouldn’t tell her.

In her heart, PEI Minghe was the perfect Father, so she had always maintained such a good impression in her heart.

pei qiqi looked at him for a long time. then, she said softly, ” what should we do? ”

“mrs. shen won’t tell me. there’s no other way for now.” Tang Yu stretched out his hand and pointed at her hair, ” Qiqi, do you want me to use the same method to deal with Shen Lian? ”

she shook her head and then buried her face in his arms.

how could she!

Shen Lian might have gone mad, but she was not!

tang yu hugged pei qiqi. what he didn’t tell pei qiqi was that he didn’t touch shen lian because he suspected something. this made him indecisive.

But later on, his decision had indeed become the last life-saving straw.

a month later, pei qiqi was released from prison. her belly had grown bigger. when she returned to the rose garden, it was already autumn. in total, her baby was almost six months old.

during the one month in the hospital, her lower abdomen was like a balloon, round and full. if she had not known in advance, she would have thought that there were two babies inside.

Doctor Mei had revealed that it was a girl.

The happiest person in the Tang and Lin families was Grandpa Lin. He didn’t have any girls in his grandchildren’s generation. He was used to seeing rough-looking people. The thought of giving birth to a girl as pretty as PEI Qiqi made him feel like he was frozen.

However, the old man was particularly reserved. When others said that he was happy, he raised his beard and waved his hand. she’s just a girl, what’s there to be happy about? ”

However, he was secretly happy, especially when he sometimes looked at Tang Yu's wife. Looking at her skin and flesh, he couldn't help but be happy that Yingyu was so good looking. Together with Tang Yu's excellent genes, she was really the crystallization of beauty and wisdom!

the old man happily finished visiting and took the car back.

It was already 9 pm. PEI Qiqi leaned against the headboard and watched Tang Yu work.

it was really tough on him. he had to take care of her and manage a few companies.

of course, he also used his special privilege. This was to prevent her 'small company' from collapsing so easily.

Chapter 695 she was his little sun (part two)

sheng yuan was such a big corporation, and marvel jinrong couldn't take over it for the time being, so he still had to manage it.

tang yu, do you want to rest for a bit? " PEI Qiqi walked over with her hand on her stomach and hugged him from behind. She muttered, " look at you, you've lost weight.

"Your heart aches, Mrs. Tang?" Tang Yu was only wearing his shirt and suit pants. He sat in front of the sofa and organized the documents he just signed. He didn't even look up.

Pei Xiao Qi nodded her head sincerely and snuggled in his arms again. She leaned over and kissed the corner of his lips. Her voice was sweet and a little jealous, " "I heard that President Tang will have a romantic encounter in France this time."

how could he not know what she was referring to? jin taihe's person-in-charge would be going to paris this time. this meant that he would be meeting shen lian in France.

"then, does mrs. tang want to go with us?" Tang Yu gently pulled her to the front and sat her on his lap. Then, he held her like he used to hold a baby.

However, there were still some obstacles. After all, her stomach was not small.

"i'm not going," PEI Qiqi's body was in his arms and her head was on his chin. She said in a delicate voice, " I won't be a third wheel, Mr. Tang.

"naughty!" "Are you sure you don't want to go?" he knocked on her head.

"I'm not going!" pei xiao qi said with a backbone. then, she wrapped her arms around his neck and nibbled on the corner of his mouth. she murmured seductively, " "mr. tang, are you not happy with mrs. tang's trust?"

tang yu accepted her small kisses and let her touch the fire. he said in a low and hoarse voice, " "I'm not that happy."

she laughed gloomily and turned around to sit in his arms, her small hand hanging around his neck. " why are you not happy? "

Tang Yu looked down at his little one and then looked at the pile of documents. After an internal struggle, he finally decided to spend some time with Mrs. Tang.

reaching out, he carried her towards the size bed and placed her on it carefully.

He leaned over to kiss her, and as he kissed her, he brought her little hand down.

PEI Qiqi pulled her hand back. Tang Yu's voice sounded weak and uneasy. She was already regretting provoking him.

"I know, Qiqi, I know." He coaxed her, " just a kiss, Yingluo. I only want to kiss you.

their lips were intertwined, and his fingers were a little strong as he brought her to his belt. she bit her small mouth and glanced at him. that look had an indescribable look of ridicule.

Tang Yu chuckled. He leaned on her and hugged her.

He whispered into her ear, " Mrs. Tang, shouldn't we leave some marks on your territory? "

PEI Qiqi looked at him, " How do I make a mark? "

"then, how about i teach you?" as an older brother and a husband, he taught yingluo naughtily.

The child learned it quickly and left a red mark on his neck.

while tang yu was showering, he looked at himself and frowned. then, he went back to the bedroom and placed his hands in front of him like he was in a position of power, " "Mrs. Tang, is marriage equal?"

"of course!" PEI Qiqi misunderstood. Not only did she not feel any sense of danger, but she also smiled and said, " "your money is my money."

tang yu nodded, " that's right. that's why you kissed me from head to toe. to be fair, i also kissed you from head to toe. "

Pei Xiao Qi was stunned!

pei xiao qi was dumbfounded!

Pei Xiao Qi covered her face, " Tang Yu, you're bad.

"You have to pay back your debts. Mr. Tang is a law-abiding citizen." he pounced on her again and carefully pulled off the white bathrobe.

Chapter 696 She was his little sun (3)

he did everything carefully, for fear of hurting her.

At first, he was just joking. After all, he really wanted to tease her.

However, everything changed after that. His breathing became rapid, and so did she ...

her little hands clutched the sheets and her voice was a little hoarse, " tang yu, are you done? "

She was really scared and fragile. She looked up at him, her eyes wet.

tang yu kissed her like his life depended on it. it was as if his entire body was on fire.

How could a man who had been forbidden for a long time be settled with a kiss? however, he was still worried about her pregnancy, so no matter how uncomfortable he felt, he held back.

he rolled to her side, hugged her, and kissed her ear to comfort her. ” “be good, don’t be afraid.”

However, that little person nestled in his chest and became a little restless after a while. She carefully burrowed into the front of his bathrobe and whined.

Tang mo held it in for a while but couldn’t help it. He grabbed her little hand and said in a hoarse voice, ” Qiqi, you’re playing with fire.

I’m toying with Mr. Tang, ” she said softly.

he was both amused and angry. after they got married, she was really not afraid of him anymore.

“Qi Qi?” He cupped her little face and looked at her in a daze seriously.

PEI Qiqi didn’t let him look. She buried her face in his shoulder and bit him.

he had been with her for more than a year. how could he not feel the changes in her?

Although he was a little troubled, he still thought of a way to make his Qi Qi happy. Of course, he forced her to be happy for himself!

when tang yu left early in the morning, he didn’t wake her up. last night, she had a crazy time and was still sleeping like a little pig.

Tang Yu bent down and wiped off the saliva from her mouth.

seriously, she’s already an adult and is about to be a mother, yet she’s still drooling.

As he thought of this, his eyes became extremely gentle and his eyes were filled with love.

when the noble mr. tang went downstairs, he instructed the little servant at home on many things. even if he had already said it once, he still patiently said it again this morning before he could rest assured.

in fact, how could he really be at ease?

xiao ran was already waiting for her. this time, she did not go but only came to get the documents. Tang Yu handed the documents to her and explained a few things to her before taking a car to the airport.

on the plane, tang yu was facing a pile of documents and wasn’t very focused. meng qingcheng came with him and smiled, ” are you still thinking about pei xiaoqi? ”

tang zheng glanced at him. ” mrs. tang! ”

Meng Qingcheng touched his nose. I’m used to it! However, if she wasn’t pregnant, PEI Qiqi really did look a little young.|| Chi, standing next to you, you really feel like you’re eating tender grass.”

“qingcheng, no one will think you’re mute if you don’t speak.” Tang mo flipped through the documents and took a sip of the coffee.

Meng Qingcheng was sitting opposite him. He thought for a moment and couldn’t help but call out, ” “I’ve received news that Shen Lian is also staying in Hilton Hotel.”

his smile was meaningful. ” we’ll stay in the presidential suite next to yours. tang yu, you can catch up later. ”

Tang Yu already knew about this, so he didn't think much of it.

if a man did not think of anything else, just like when pei huan ran into his room to take a bath, he did not have any signs of being moved. he did not even have any physiological reaction. thus, shen lian did not have to be like this.

tang yu didn't reply. meng qingcheng suddenly felt bored. he stood up, " tang yu, it's hard to find any gossip or fun from you. "

Why was he so focused on PEI Qiqi? as a man, was he too small-minded when it came to women?

Chapter 697 A provocation (1)

Tang Yu didn't bother with him and continued to deal with his work.

After a while, he raised his hand and looked at his watch. Then, he used the satellite phone to call PEI Qiqi's number. It was nothing more than to give her some general knowledge of life. Meng Qingcheng was stunned as he listened.

after tang yu put down the phone, meng qingcheng gulped, " tang yu, your pei qiqi could take care of herself in the past, right? "

Why was it that after she married Tang Yu, he even had to teach her common sense like brushing her teeth in the morning?

Tang Yu slowly put down the phone and glanced at Meng Qingcheng. Then, he slowly said, " "Qingcheng, you're not married, and you're not going to be a father. You don't understand!"

Meng Qingcheng couldn't take it anymore and asked the truth, " Tang Yu, you must be PEI Qiqi's father!

Thinking about his age, even though he was only six years older, Tang Yu matured early. He had the air of a mature elite. Perhaps at home, he even had a special fatherly love.

it definitely was! Look at how obedient she was. How she kept saying 'don't forget this' and 'don't forget that'. She was just like an old mother, pampering PEI Qiqi like a child.

meng qingcheng pounded his chest and stomped his feet in a daze.

Tang Yu just said indifferently, " PEI Minghe is dead. I am Qiqi's only family. male relatives.

meng qingcheng stared blankly at her for a long time. then, he blurted out, " do you usually cosplay? "

i can't imagine it! just thinking about it makes my nose bleed!

tang yu was such a serious person, but he was also so perverted.

Tang Yu didn't care about the couple's secrets between him and PEI Qiqi. How could he reveal too much?

after chatting for a while, his longing for her had faded a little. it was a little funny that he missed his little one so much after only two hours. it was probably the aftereffect of being inseparable for the past month.

at six o'clock in the evening in paris, the private plane landed and then took a car to the hilton hotel.

originally, meng qingcheng had reserved a room for himself, but tang yu stopped him, ”
“Qingcheng, stay in the same room as me!”

meng qingcheng looked at him with a strange expression. he coughed, ” Tang Yu, if you’ve been really sick recently, “| If you’re over-lustful, I can help you think of a way. I can’t do it alone, I’m straight.”

tang yu swiped his card and walked into the presidential suite. he turned around, ” “this is also what i wanted to tell you.”

meng qingcheng touched his nose and followed them in. actually, he wasn’t bad looking either.

The suite was about 800 square meters and was divided into a master bedroom, a secondary bedroom, a children’s room, a conference room, and a study. It was fully equipped, but of course, the price was not cheap. It was more than 30000 dollars a night.

meng qingcheng put away his luggage and adjusted his tie as he walked out. ” i know. you wanted me to protect you. ”

Tang Zheng glanced at him and didn’t say anything. He just took a sip of red wine.

Meng Qingcheng looked at him and teased him. it’s not easy to get out. A man without a wife by his side should be a bird that’s been released from the cage.

as he said that, he felt that his analogy was too appropriate.

Tang Yu’s “bird”

This meeting was quite important. Otherwise, Tang Yu wouldn’t have come personally. It wasn’t that he had to do anything, but out of courtesy, he had to show his face.

at the same time, the ray group and jin taihe were also partners. there would be a dinner party in a week.

Tang mo glanced at him but didn’t say anything as he slowly savored the wine.

[please continue to ask for tickets ~PS thank you for the tips, little babies. I love you.]

Chapter 698 A provocation (2)

tang mo glanced at him but didn’t say anything as he slowly savored the wine.

Just as she had predicted, when she saw Shen Lian at the meeting the next day, he only looked at her indifferently and did not communicate with her at all.

What made Shen Lian want to vomit blood the most was that even though she had come to France, those eight bodyguards still followed her. Those who did not know would think that she was making a big scene.

What she couldn’t understand even more was that these eight people could enter the headquarters of ‘Lei’ as if they were in their own backyard.

During the meeting, Shen Lian kept staring at Tang Yu but the latter was calm.

meng qingcheng was watching the joke from the side. as an onlooker, he could see clearly. it was time for shen lian to let it go ...

Tang Yu and PEI Xiaoqi were married and had a child. Tang Yu doted on PEI Qiqi so much that they probably wouldn't have to divorce.

Shen Lian is rich, beautiful and has a figure. The people who are chasing her all the way from B city to France. Why bother?

After the meeting, Tang Yu declined President 'Lei's invitation and returned to the hotel.

Shen Lian still blocked the door of the suite.

Tang Yu, tell them to back off. Shen Lian's voice was a little hoarse.

tang yu didn't say a word. after a long time, he slowly opened his mouth, " "shen lian, do you know the purpose of these eight people?"

Shen Lian was stunned for a moment. Wasn't it surveillance?

Tang Yu pursed his thin lips, " what if one day, something happens to Qiqi? "

Shen Lian was even more stunned. If something happened to PEI Qiqi, would these eight people immediately use the same method to deal with her?

"no, it's a hundred times!" tang yu didn't have any expression, " shen lian, let's stop here. you've done enough. "

as he spoke, he opened the door and walked into the room. shen lian was still in a daze.

she thought to herself that she had been wrong all along.

It turned out that those people were so useless. She was too soft-hearted towards Tang Yu.

But why didn't he say it, and now he did?

she turned around and saw the eight people standing behind her. for a moment, she felt a chill down her spine.

she took out her phone with shaking hands and typed a few words quickly-

Stop all actions!

After writing these words, her body was trembling.

She believed that as long as she did it, Tang Yu would blame her for anything that happened to PEI Qiqi.

moreover, he would be a hundred times more ruthless.

Shen Lian bit her lips and her eyes were filled with unwillingness.

However, no matter how unwilling she was, she didn't have a chance to get close to Tang Yu.

she could only look at him from afar, watching him mature. even when he was standing among a group of europeans, he was still dazzling and dazzling.

shen lian squinted her eyes and looked at yingying, whose eyes were a little sour.

She had drunk a lot of wine. He used to be hers.

at that time, they were very good, and everyone said that they were a good match.

Tang Yu also said that she was the prettiest girl in the world in a white dress. The relationship he had with her for so many years couldn't compare to PEI Qiqi's relationship of a few months.

was physical contact that important?

So important that he fell in love with PEI Qiqi so quickly!

shen lian looked at tang yu and finished the red wine in her glass.

She was wearing a white dress today. The front was especially conservative, and the back was hollowed out, showing off her beautiful back very well. All the men present were secretly looking at her.

but in her eyes, there was no one else. she only saw tang yu.

When she saw him drinking, his sexy Adam's apple moved slightly. She still remembered that she had kissed there many years ago.

At that time, he was still very young and inexperienced, not as mature as he was now.

Tonight, she wanted to have him ...

Chapter 699 A provocation (3)

The nightlife in Paris was very rich but Tang mo didn't have the heart to miss it.

he would be returning to B city the next morning, and he was eager to go home.

He finished the last mouthful of wine and slowly walked out of the hall.

The air outside was a little moist, and it was very beautiful in the night.

He was not in the mood to appreciate it. When he walked to the parking lot, the driver opened the door for him. When he returned to the top floor of the Hilton, he was surprised to see Shen Lian.

even though the eight guardian deities were by her side, it did not stop shen lian from showing off her sharp eyes.

Shen Lian was obviously drunk. She held onto the wall and looked at Tang Yu with her lustful eyes. in her eyes, there was not only seduction but also provocation.

No man could stand this. Not wanting it and not daring to want it were two different things.

Tang mo quietly looked at Shen Lian, swiped the door open and was ready to go in.

a slender and soft arm wrapped around him. shen lian hugged him from behind and murmured, Tang Yu, can you hug me, Yingluo? "

she was behind him, her hot face pressed against his back, and her slender fingers moved up.

"Let go." Tang Yu's voice was calm, " be more self-aware, President Shen.

he called her president shen!

shen lian chuckled. she tilted her head and looked up at his side profile, " i'm not president shen. i'm not. tang yu, i'm not. i just want to be the shen lian i used to be. "

She cried, " Tang Yu, let's go back to the past, okay? let's pretend nothing happened and be together! There was no one else in the middle. There was no Qin Anlan, no PEI Qiqi! alright?"

He didn't know how much she missed him and how much she loved him.

she was wrong. if she could do it all over again, she would not have chosen qin anlan. She would listen to everything he said and obediently whine when he was in bed to test her.

Tang Yu firmly broke away from Shen Lian and turned around. His elegant expression didn't change at all from her confession and contact.

His gaze was calm and composed. Shen Lian, it has been so many years! Why should I think about it? If you have the heart to start over, why don't you compensate uncle Shen?"

Shen Lian's head shook gently. There were still tears on her face.

She was indeed a woman with a Lotus-like appearance, especially when she was crying at this moment. She was extremely beautiful and had a kind of moving feeling.

But Tang Yu wasn't moved at all. He just sighed in his heart.

The Shen Lian from many years ago was also beautiful.

Or perhaps, he was the one who let her down, he was the one who let her down.

He walked in with determination. Shen Lian called his name from behind, Tang Yu, do you really not love me anymore? "

He had already left, but she didn't. She was still in the same place, still remembering what he had said in the past.

" tang yu, i also want to forget. i also want to give up, but i can't do it! " shen lian had never been so humble in front of him before. she was almost begging him.

After that, she dropped the gown and slipped away.

her fair body was enough to make any man go crazy and fascinated. she just lay there, not caring if the eight men saw her or not.

she only knew that she only had one chance.

because tang yu was at his most soft-hearted right now. if he wanted her, she would have a way to make him marry her.

as she cried, her body glowed under the light. it was indeed moving.

" tang yu, look at me. don't you have any feelings? " She kicked the dress aside and slowly walked towards him.

Every step was like a fatal temptation.

tang mo stood there. he was a man, but she might be disappointed.

he really didn't have any desire for her, even if she was naked like this!

Chapter 700 a provocation (4)

finally, shen lian approached.

She looked at him. Tang Yu, you want me! her voice was weak and alluring.

Tang mo looked at her quietly and said in a light voice, " put on your clothes.

Her voice became a little stern, or perhaps a little disappointed.

after all, he and shen lian had a relationship when they were young. he did not want her to become so unbearable.

Shen Lian didn't move. She looked at him and smirked, " you don't dare, or you can't? or are you afraid that PEI Qiqi will find out? "

tang yu paused for a full two seconds before looking at her and saying softly, " "Qingcheng, please ask President Shen to leave."

Meng Qingcheng?

shen lian was stunned. she didn't expect meng qingcheng to be in this room.

Meng Qingcheng was different from the other bodyguards. Even though he was only Tang Yu's Special Assistant, he was still a prominent figure in City B. No matter what, Shen Lian couldn't lower herself in front of Meng Qingcheng. At the same time, she probably knew why Tang Yu wanted to stay in the same room as Meng Qingcheng.

it was to guard against her.

Shen Lian tilted her head and her eyes were filled with provocation. Tang Yu, I don't believe you don't feel anything.

Her fingers slid down.

however, she did not succeed. tang zheng grabbed her hand and said in a deep voice, " shen lian, save some face for yourself. " He pushed her away as he spoke.

Shen Lian was stunned.

he was actually so indifferent!

She knew she was beautiful enough and alluring enough tonight. The perfume she put on tonight was meant for seducing men, but Tang Yu wasn't moved at all!

seeing her like this, meng qingcheng sighed. he picked up shen lian's clothes from the ground and handed them to her. he touched his nose, " it's cold. i don't want to catch a cold. "

sigh, shen lian's body was so hot, yet tang yu could still handle it!

shen lian hugged her dress and was extremely embarrassed. she had really made a big joke of herself.

Just as she was putting on her clothes with trembling hands, Tang Yu came out of the bedroom with his id and said in a hurry, " Qingcheng, you stay here to deal with the aftermath. I'm going back to B city immediately.

meng qingcheng was dumbfounded. did shen lian scare him away?

That's impossible. Tang Yu had been through all sorts of things!

while she was still in a daze, tang yu had already walked out.

Meng Qingcheng raised his hand. alright, she's gone. Can President Shen leave now? ” Why don't we have a drink?”

Shen Lian's answer was to throw a pair of high-eyed shoes at his face.

The White shoe slipped off Meng Qingcheng's face, and he was dumbfounded.

With such a bad temper, it was no wonder no man wanted her. Not Tang Yu, not even Qin Anlan ...

Shen Lian chased with her bare feet. At the entrance of the hotel, Tang Zheng was opening the door and getting into the car.

“Tang Yu.” She quickly went over and grabbed his arm. don't go.

she knew that he rushed back to B city for pei qiqi. she wouldn't let him go and wouldn't let him leave.

tang yu's eyes were cold as he looked at shen lian, ” let go. ”

He rudely pushed her away, got into the car, closed the door, and quickly started the car.

The car drove away in a streamlined motion, and she stood there crying ...

She couldn't make him stay, from his body to his soul.

Shen Lian laughed with tears in her eyes. She laughed softly.

something must have happened to pei qiqi. otherwise, tang yu wouldn't have rushed back.

In the night of Paris, Shen Lian lost herself ...

she didn't know how she ended up like this. she could have been happy too, but she couldn't turn back.
