Chapter 861 currying favor (4)

pei huan saw that this car was not bad and wanted to drive it.

pei qiqi sat at the side and made a phone call. it was old kan and he was discussing the car's situation.

After the call, PEI Qiqi put away her phone. PEI Huan looked at the road and asked casually, "Who's that on the other end of the phone?"

she didn't know if it was pei qiqi's imagination, but she felt that pei huan was very concerned about old kan.

actually, she did not mind age too much. it was good to be old and talkative, but there was su yue in the middle. if pei huan forced herself to be with old kan, would shen lian's tragedy repeat?

she thought about it and smiled. "it's old kan! The car is his."

as soon as he finished speaking, there was violent earthquake in front of him.

pei huan drove the car to the green belt, and white smoke rose from the front of the car.

PEI Qiqi felt dizzy and immediately unbuckled her seat belt. She opened the car hood and white smoke came out.

she choked a few times, sighed, and contacted a car dealership to pull her car.

pei huan was like a child who had done something wrong. she carried her bag and stood at the intersection, "pei qiqi, are you angry?"

"No, I didn't!" PEI Qiqi stood up straight and didn't have much of an expression on her face, "I'm just surprised that there are such stupid people in this world.

pei huan was more like a little wife, standing there without saying a word.

pei qiqi's heart was in a mess.

pei huan seemed to care a lot about her!

However, she had never intended to show any sincerity. Never.

She felt that she was a little despicable. Perhaps it was because the PEI Huan now had Tang Xin's shadow in her.

tang xin would always call qiqi with such a soft voice.

tang xin cursed, but tang xin would never come back!

No matter how soft PEI Huan was, she was not Tang Xin.

pei qiqi raised her head and her eyes were hot. she didn't dare to look at tang xin, or she didn't want to believe that she was no longer there.

if she didn't look, she would think that one day, tang xin would suddenly appear at the door of her apartment, carrying a small bag, looking at her and saying, "qiqi, mom and dad are fighting again. can i stay here for a few days?"

Tang Xin, if time could turn back, I would choose to return all the good things to you, even if I lose everything.

pei huan looked at pei qiqi carefully. she saw tears in her eyes. was she going to cry?

pei huan consoled her clumsily, "pei qiqi, you still have me in the future!"

PEI Qiqi turned her head. Her gaze made PEI Huan a little scared. Ever since she was young, she was afraid and hated the way PEI Qiqi looked at her. Now, she didn't hate it anymore, but she was still afraid.

she didn't say anything.

"good! then you wait for the bus here, i have something to do." PEI Qiqi wanted to calm down, but with PEI Huan around, she couldn't.

She wanted to see Tang Xin.

let's see if she's alright!

pei huan nodded and agreed.

pei qiqi left. after taking a few steps, she turned around. pei huan was still standing there. she looked like she was about to cry, like an abandoned child.

PEI Qiqi stood still and said quietly,"PEI Huan, you're 22 years old."

in the future, you will have to walk the path alone!

As for me, I can't always be by your side. There's nothing in my heart, so how can I always be by your side?

pei huan took a deep breath and held back the urge to cry.

in fact, she knew that qiqi had not forgiven her.

However, she was willing to wait.

.....

pei qiqi bought a bunch of daisies and went to see tang xin. she stayed in the cemetery for a long time.

she hadn't seen tang xin for so long, tang xin must have a lot to say to her.

Chapter 862 Chapter 863-will you compensate me to you?

The sun was like fire, and everything was golden in front of her. Tang Xin's smile was also very bright.

however, as time passed, the sun dimmed and the sky turned gray, just like her mood.

pei qiqi stood there, the wind blowing on her face. her voice was very low, "tang xin, every time i go home and walk downstairs, i'm always very excited. i always feel that you might be waiting for me at the door."

that was why she didn't want to come over and face this reality.

But no matter how unwilling he was, Tang Xin was no longer there.

She closed her eyes and didn't dare to think about what Tang Xin was like when she left, just like how she didn't dare to think about her child when she lost it. Was the child in pain? was he reluctant to leave this world?

Are you unwilling?

He stood there blankly and looked at Tang Xin's photo. The bright color slowly turned gray-white ...

She stood there until two in the afternoon before leaving. After a few steps, she saw a black RV parked at the entrance of the cemetery.

a slender figure was leaning against the car door with a cigarette in his hand. he was waiting for her patiently and accompanying her.

when pei qiqi turned around, she saw qin anlan.

She paused for a moment, but still walked in this direction. Because there was no way to hide, this was the only way.

The bus would only arrive after a 20-minute walk. PEI Qiqi remembered the new car and wondered if old kan would kill her when she got back.

she walked to qin anlan's side and did not say anything. she only walked forward.

"it's going to rain soon. are you planning to go back in the rain?" A faint male voice came from behind.

pei qiqi ignored him and continued walking.

qin anlan finished his cigarette, got into the car, and drove after her.

the car window was down and he smiled at her. "PEI Qiqi, are you really not going to consider getting in the car?"

"i won't like you!" She did not look at him and walked straight ahead.

Qin Anlan laughed. The car continued to follow behind her. He controlled the steering wheel with one hand and bent the window with the other elbow. He looked at her with amusement.

PEI Qiqi was dressed in black today and had her hair tied up in a simple ponytail. She looked very elegant.

he just looked at her like this and didn't feel tired of looking at her. this was very rare. no matter how beautiful a woman was, qin anlan would lose interest after looking at her twice. however, he had a different feeling towards pei qiqi.

Looking at the side of her face, his gaze slowly softened, "PEI Qiqi, it's enough that I like you.

"You're a pervert!" pei qiqi stopped walking and his car stopped as well.

one was in the car and the other was under the car, their eyes staring straight at yingying.

qin anlan's voice was calm. "pei qiqi, i know it's stupid to confess in this situation. i might think that i'm taking advantage of the situation. but if i don't confess now, i'll be even more stupid. "you'll regret it in the future."

She did not want to hear it! she covered her ears and continued walking.

Qin Anlan's car continued to follow and drove slowly. His low voice also drilled into her ears.

"pei qiqi, i like you. it's not the kind of like i like women, but the kind of feelings i have for girls! i can guarantee that i won't look for another woman in the future. in fact, i haven't looked for another woman since you returned to B city."

pei qiqi paused and glared at him. " qin anlan, no one wants you to keep your chastity. "

qin anlan's expression was innocent as he smiled, " pei qiqi, but i want to do it! Not for you, but for myself! Because the girl I like would mind."

PEI Qiqi stood there and said very, very slowly, " Qin Anlan, I'll say it one more time. I won't like you.

Chapter 863 I'll compensate you, alright?(2)

"Let's try." his eyes had a familiar brightness, " pei qiqi, i will kiss you for one minute. if you are not moved, i will give up. "

pei qiqi looked at him for ten seconds and threw out two words, " "you're sick,"

Surprisingly, he did not get angry. Instead, he chuckled."Qi Qi, it's lovesickness."

he drove with one hand and touched his face."you see, i've lost weight."

pei qiqi didn't look at him and decided to ignore him. after-while-he lost interest-she felt that he would have more fun with women.

Qin Anlan followed behind her in his car. PEI Qiqi walked faster and faster. He couldn't help but laugh.

She was so cute even when she ignored him.

it started to rain, drop by drop. qin anlan coughed lightly. " it's raining. are you sure you don't want to get in the car? "

"i won't!" PEI Qiqi didn't even look back and walked even faster.

however, she walked too fast and there was a small stone in front of her. she accidentally twisted her foot.

PEI Qiqi called out softly. She frowned and her face was filled with pain.

qin anlan immediately turned off the engine and the driver helped her down. " "What's wrong?"

Her foot was in excruciating pain and she could not stand. She could only stand on one foot, but even so, she still stubbornly pushed his hand away. you don't have to care.

qin anlan watched as her delicate features scrunched up like a little bun. she was also strangely cute.

he weighed the pros and cons. she didn't seem to be in a serious condition!

"i'll carry you." he motioned for her to lie down.

pei qiqi looked left and right. there was no one around and she didn't want to be drenched to death here. in the end, she chose to lie on his back.

when her body touched his back, he only felt that it was extremely soft.

it was like a newborn chick, like a warm cloud that brushed past his heart.

Her face was on the side of his neck, not too close, and her breath was also faintly discernible.

however, this only magnified his perception.

he placed his hand on her calf in a gentlemanly manner.

Qin Anlan walked to the side of the car and supported her with one hand. He pulled out the car keys with the other, took his wallet, put it in his pocket, and then locked the car door.

“qin anlan, what are you doing?” PEI Qiqi was stunned by his actions. She kicked around and accidentally kicked her injured foot, causing her to cry out in pain.

Qin Anlan piggybacked her and patted her leg. I'll carry you to the hospital.

don't you have a car? ” she asked anxiously.

“didn't you say you didn't want to get in the car?” qin anlan chuckled. his heart had never felt so gentle before, all for pei qiqi's sake.

PEI Qiqi was so anxious that she used her uninjured leg to kick him. However, to Qin Anlan, it didn't even hurt.

don't move, ” he patted her again. otherwise, I'll probably have to hold your little P * ss.

pei qiqi bit her lip and gave in, ” qin anlan, it's raining. ”

he thought for a moment, then turned back to open the trunk, took out an umbrella, and stuffed it into her hand. ” you drive. ”

PEI Qiqi was about to explode. It would take half an hour to drive from here to the city. How long would he walk with her on his back?

“qin anlan, put me down!” She kicked and hit him. you pervert.

His breathing stopped for a moment, and his body froze.

pei qiqi didn't know what would happen to him and held her breath.

Qin Anlan did as she wished. He put her down and passed her the umbrella. He took a step back, ” PEI Qiqi, the bus stop is quite far from here. If you jump over on one leg, it will take about two hours. That is, if you don't fall.

Chapter 864 i'll compensate you, alright?(3)

He reminded her kindly, ” also, no one will help you even if you shout yourself hoarse.

PEI Qiqi stood on one leg and suddenly took out her phone from her pocket, ” “i have this.”

Just as she was about to dial old kan's phone, her eyes flashed. Qin Anlan had already snatched the phone from her hand.

“not anymore.” “now you can try your vocal cords and practice your voice,” he said in an extremely hateful tone.

she glared at him.

an evil smile appeared at the corner of his mouth. ” “pei qiqi, good luck.”

then, she really walked towards his car.

pei qiqi was furious!

Was he really going to leave?

He was going to leave her like this?

“Qin Anlan.” she called out his name in extreme anger!

” mm. ” he opened the car door and turned to look at her.

pei qiqi pursed her lips and her voice softened, ” “Give me back my phone.”

he was holding an umbrella in one hand, standing on his own and looking like he was about to fall.

Qin Anlan thought for a moment and turned off the phone. He pulled out the card and walked over to return the phone to her kindly.”i’ll return your phone to you!”

as for the card, he threw it away!

if she could move her mouth now, she would bite him to death first.

Qin Anlan saw her fierce gaze and smiled. He waved his hand, ” PEI Qiqi, goodbye.

he walked back to the car, opened the door, and started the car smoothly.

she watched him drive the car away and looked at yingying pitifully.

“qin anlan, you bastard.” finally, pei xiao qi lost her temper. she kicked around with her injured feet and then fell again. this time, her body was covered in mud and her umbrella fell to the side. she was in a sorry state.

she sat there sulkily, her hands hugging her knees, her little mouth tightly pursed.

The raindrops fell on his face. They were cold, but not cold. In fact, they felt a little cooling, which was just nice to put out the fire.

the car stopped in front of them. qin anlan placed his elbow on the window, ” pei qiqi, do you want to sit in the mud or do you want me to carry you to the hospital? ”

a backbone can’t be eaten! PEI Qiqi only hesitated for two seconds before pursing her lips, ” “to the hospital.”

qin anlan’s heart had never felt so soft before. he opened the car door, got out of the car, and closed the door.

step by step, he walked towards her. with every step, he felt that he was already beyond redemption.

it wasn’t that he didn’t have a chance to escape, but he didn’t want to. he was almost 30, and this was the first time he liked a girl so much.

for the first time, he didn't want to give up.

he squatted down and helped her up so that she could lean on his back again. he also picked up the umbrella and put it in her hand.

His shoulders were wide, and the muscles on his back were strong. He probably had been exercising for a long time.

pei qiqi had one hand on his shoulder and the other holding the umbrella.

Her feet didn't hurt very much, but she couldn't walk.

Just like that, he carried her on his back and walked on and on. Later, cars passed by him one after another, but he had no intention of stopping them.

"qin anlan, are you crazy? it'll be dark by the time we reach the hospital." PEI Qiqi was tired and hungry. She really wanted to bite him.

qin anlan chuckled. "pei qiqi, if it's possible, i want to walk until tang yu is no longer in your heart. i want to be the only one in your heart. "

"You're sick!" pei qiqi was furious. in the end, she really did lie on his shoulder and bite him.

she bit him like a puppy and lay on his back for a long time without moving.

She bit down hard, and Qin Anlan's back muscles tightened.

however, he still walked slowly and patted her with a large palm. " PEI Qiqi, how old are you? you're still biting.

Chapter 865 Will you compensate me to you?(4)

She relaxed and pursed her lips without saying a word.

after that, she simply ignored him. if he wanted to carry her, he could. anyway, she would not lose a piece of meat ...

However, Tang mo would lose a heart.

Qin Anlan carried PEI Qiqi around for the entire afternoon. The paparazzi of B city were not to be trifled with. They took photos of him early and prepared to see him on Monday!

besides, qin anlan had gone to all the hospitals except shengyuan hospital.

PEI Qiqi knew what he meant, but she remained silent and didn't say anything.

He had carried her to the hospital for registration, payment, diagnosis, and X-rays. Doctors and nurses who didn't know him would think that they were a couple.

Those who knew him had meaningful looks in their eyes.

If Mr. Tang saw it, how heartbroken would he be?

after the examination, pei qiqi only had a sprain. although it wasn't a big problem, they still prescribed a bunch of medicine. there were things to eat and paste on. pei qiqi's face turned bitter as she looked at them.

“It’s best to stay in the hospital for a few days,” the doctor-in-charge suggested that he knew pei qiqi-

She was Mr. Tang’s sister-in-law’s ex-wife.

he was very smart. if he didn’t stay in the hospital, he would have to go back, and president qin would take him away?

PEI Qiqi looked at the hospitalization form the doctor gave her and her eyes went blank, ” you don’t need to stay in the hospital anymore, right? ”

the doctor didn’t even look up. ” you’ll have difficulty moving for a week. it’s best if you don’t get off the bed. if there’s someone at home to take care of you, then you don’t need to. if there’s no one, it’s better to stay in the hospital. there won’t be any accidents. ”

PEI Qiqi thought about old kan. Old kan was out all day long and might not have time to take care of her.

She thought about it and decided not to.

“I’d better stay in the hospital!” pei qiqi glanced at it and coughed, ” “i want to stay in a VIP ward, the best one.”

The doctor looked up. Qin Anlan smiled. PEI Qiqi, do you have any money on you? ”

“you do! you’re the one who caused me to fall, shouldn’t you take responsibility?” pei qiqi said matter-of-factly.

the smile on qin anlan’s face deepened. ” yes, he should indeed be responsible. ”

he paused. ” don’t worry, pei qiqi. i will take full responsibility. ”

She looked up at him and felt that his words were a little strange!

PEI Qiqi’s legs couldn’t move. In the end, Qin Anlan found a wheelchair and pushed her to the VIP Ward on the top floor. Each Ward here was a different area. Of course, it was quite expensive. It cost about 100000 Yuan a week.

pei qiqi didn’t care about money. qin anlan had money anyway!

qin anlan helped her settle down, and the two nurses took very good care of her.

It seemed like there was no need for him to stay any longer.

At this moment, PEI Qiqi’s stomach growled.

Qin Anlan’s gaze became deeper. “i’ll get someone to send food over.”

she had just said that there was no need, but he had already called the servants at home to make food and send it over. furthermore, they had ordered all dishes that were high in calcium and were good for the body.

seeing her expression, qin anlan put away his phone and said gently, ” pei qiqi, you don’t have to feel burdened. didn’t you say that you fell because of me and i should be responsible? ”

He paused for a moment. rest well. I'll get someone to send you your three meals a day. If you need to go to the bathroom, just ask the nurse to help you.

pei qiqi didn't say anything.

suddenly, there was something in his palm. she looked at it and saw that it was her sim card.

she was a little surprised. didn't he throw it away?

"I was just lying to you." Qin Anlan's gaze fell on her small face. After a long time, he smiled gently and did not say anything. He directly put the card in for her. if there's anything, just call me.

Did he mean to leave?

Chapter 866 i'll compensate you, alright?(5)

Qin Anlan made a hand gesture. Before he left, he instructed the nurse one more time before leaving.

PEI Qiqi was a little surprised that he left so quickly. After being carried to the hospital for three to four hours, he actually left as he pleased and didn't shamelessly stay.

Qin Anlan's heart warmed when he saw her dazed expression.

PEI Qiqi, did you know that no matter how cold you look, in reality, you're a very soft and contradictory little thing?

he didn't understand what attracted him to her in the past, but at this moment, he knew.

It was this kind of awkward little temper that made Yingying extremely cute.

He walked over and reached out, wanting to stroke her hair, but for some reason, he gave up. He paused and said, "I'll come to see you in two days."

pei qiqi really wanted to say no, but qin anlan had already left.

she stared blankly for a long time before picking up her phone and calling old kan.

The sounds from the other end were a little messy, mixed with the panting of a man and the impatient voice of a woman.

pei qiqi rolled her eyes. old kan is taking on 'private work' again!

Old kan always said that her words were unpleasant and that this was called finding inspiration for art. PEI Qiqi directly said that he was a carnivore.

moreover, old kan had a bad habit, which was that he liked to find women with big breasts and no brains, saying that it was less trouble.

she waited for a long time before old kan finally got rid of the woman on top of him and sat up, "pei qiqi? "

"old kan, let me tell you a piece of good and bad news." Her voice was nasal.

Old kan leaned against the head of the bed and watched as the little Vixen crawled over again, his little hand reaching over.

he ignored her and snorted. ” tell me the bad news first. ”

PEI Qiqi grunted, ” the bad news is that PEI Huan crashed your car.

She brought PEI Huan out skillfully. As expected, the person’s breathing became erratic and he said in a rough voice, ” “So what if it’s broken. i’ll buy you another one tomorrow.”

pei qiqi covered her face. old kan was quite rich.

When old kan heard PEI Huan’s name, he always felt a little uncomfortable and continued to ask, ” “What’s the good news?”

“the good news is that ran ran has been hospitalized.” pei qiqi’s voice was nasal again, like a little sheep.

Now, she could only show such a weak side in front of old kan.

The other side cursed in a low voice, and then old kan’s voice sounded a little flustered and exasperated, ” “good news my ass! PEI Qiqi, where are you? I’ll come over immediately.”

so, pei qiqi explained in a soft voice that it was only a small injury and that he only needed to go back and get a change of clothes.

old kan hung up the phone and shook off the little vixen on his body.

that little demon had been pestering old kan for a long time. now that old kan was willing to eat meat with him, he wanted to leave after a phone call!

the little goblin was naturally unwilling. she pestered old kan and refused to let him go. her voice was also charming.”I don’t care, you’re my Yingluo today”

she drew circles on his chest with her small hand. ” you’re leaving after only one time. old kan, are you satisfied? ”

as he spoke, the little goblin sat in old kan’s arms. The body of the bullet was enough to make people cough up blood. It also kept swaying in front of old kan. Old kan’s eyes were red, but he had seen this kind of small scene many times, so he didn’t have much energy to tease it.

It was not as mesmerizing as su Yue’s glance at him, and it was not even as charming as PEI Huan’s.

Chapter 867 i’ll compensate you, alright?(6)

Old kan directly jumped out of bed, pulled up his pants, zipped them up, and left.

the little goblin was cursing behind him, but old kan had already closed the door-

Old kan rode his heavy motorcycle back to his apartment and used his card to swipe PEI Qiqi ‘s-she had his apartment card and he had hers.

although they were master and disciple, they lived like brother and sister. they had never said anything, but they had such feelings.

his big palm grabbed pei qiqi’s underwear. yi| inside| The pants didn’t look out of place either. He stuffed them into a paper bag and rode to the hospital.

when he reached the top floor and saw the ward, old kan coughed. ” “this ward is even more luxurious than my apartment.”

PEI Qiqi was sitting with one leg propped up. There was a bowl of soup on the table in front of her. she drank with satisfaction and said vaguely, ” “i tried to scam you today.”

old kan put the paper bag on the bed and sat at the side. he wanted to smoke but put it down. ” he must be rich. ”

pei qiqi didn't hide it from him and acknowledged, ” “It's Qin Anlan.”

old kan was in the photography industry and could be considered a member of the entertainment industry! His deepest impression of Qin Anlan was ran ran.

Su 'er used to be one of Qin Anlan's women. Of course, su' er was ten years older than Qin Anlan, but she had been in a relationship with him.

Naturally, Qin Anlan would not put an old woman like su Yue in his heart. He would just sleep with her a few times and give her some resources.

but in old kan's heart, this was an obstacle that he couldn't get over.

his gaze was a little complicated. ” that kid is pestering you? ”

PEI Qiqi put down the soup spoon in her hand,”it'll be fine after this period!” old kan, i will not be with him.”

In the future, she would no longer be with anyone for the sake of anything. The future PEI Qiqi would not live for anyone else but herself.

one day, if she wanted to fall in love and get married, it would definitely be for love.

old kan let out a long breath and didn't say anything.

PEI Qiqi looked at his expression and guessed what was going on.

She had actually heard Amy talk about su 'er and Qin Anlan. Of course, it wasn't directed at old kan. Not many people knew about old kan and su' er's relationship.

She didn't know how to comfort old kan. She told him because she didn't want to hide it from him.

She cared about old kan and his feelings. She didn't want to hurt old kan's heart because of her.

old kan was a smart person. pei qiqi's reaction meant that she knew something.

however, he didn't point it out. some things were better not to point it out.

old kan stayed with her until 10 pm. he only left when pei qiqi was about to fall asleep. luckily, there were two nurses on duty, so he was very relaxed.

he had work to do the next day, so he only had the chance to come in the afternoon.

The moment she arrived, she heard PEI Huan's voice. It was soft like a little lamb as she persuaded PEI Qiqi to drink more. She said that the soup was made by her heart from three hours of cooking.

old kan's fan-sized palm pressed against the door, and his expression was indescribable.

pei huan was unhappy and snorted. " why do you look like you've seen a ghost when you see me? am i that scary?"

Old kan's face looked as if he had just eaten sh * t.

He slowly walked in and placed a bag of fruits on the table. He looked at the soup beside PEI Qiqi's hand and took the spoon from her hand. He drank a mouthful without any reservations and then frowned.

"what the hell is this?" old kan cried out, " it's bitter, sour, and astringent. it's almost like poison. "

Chapter 868 i'll compensate you, alright?(7)

pei huan's expression changed. she didn't believe it and took a sip as well. then, she took the soup away from pei qiqi's hands, " why are you still drinking it when it tastes so bad? "

PEI Qiqi laughed and looked at PEI Huan's clumsy appearance, " "I just didn't want to waste three hours of your love."

pei huan bit her lip and didn't say anything. she silently poured the soup away.

After a while, he asked in a low voice, " PEI Qiqi, do you think I don't know anything? do you think I'm useless? "

"also not!" PEI Qiqi leaned against the headboard, " actually, you're quite capable! for example, yingluo."

before she could finish, pei huan interrupted her, " "Say no more."

She didn't want old kan to know that she had stolen Lin jinrong.

even though she didn't like this savage, she didn't want old kan to know about her past and that she was such a bad woman.

PEI Qiqi looked at PEI Huan and slowly said, " "I'm just saying that your acting is good!"

pei huan's heart was lifted high up, but now it was back down again.

she looked at pei qiqi and found a trace of mischief in her eyes.

PEI Qiqi looked at old kan and then at PEI Huan. Then, she laughed.

It turned out that it was so fun to tease others, and this person was PEI Huan, whom she used to hate the most.

she hadn't smiled like this in a long time. yingying's little face was glowing with a different kind of spirit.

This was the scene that Qin Anlan saw when he walked in.

He stood at the door and leaned against it, staring at her in a daze.

pei qiqi looked up and saw him standing at the door. the smile on her face disappeared.

qin anlan walked in and said in a faint voice, " "What are you guys talking about?"

The moment he arrived, the atmosphere changed. PEI Huan naturally didn't dare to act rashly in front of him, or rather, she didn't want to see this person. This was because ran ran had slept with Qin Anlan and Lao kan. Even though it was only once, she still had some integrity and felt a little awkward. She found an excuse and left.

PEI Qiqi looked at old kan. He didn't look too good. He must be bothered.

She sighed. Just like how she didn't agree with PEI Huan and old kan, she didn't want old kan to be with su Yue.

People like su Yue were too worldly and sought fame and fortune, but old kan was different.

old kan was a loyal person. he was not bound by the secular world, and his love was too deep.

Thinking about it, he and su Yue weren't young anymore. If su Yue had any intention of getting married, it wouldn't have dragged on until now, Yueyue.

"Old kan, I have something to discuss with President Qin regarding compensation. You can go back first!" She said in a low voice.

Old kan clenched his fists and looked at Qin Anlan indifferently. The muscles on his face trembled a few times, but fortunately, his beard blocked it so it could not be seen.

PEI Qiqi sighed in her heart as she watched old kan leave.

After old kan left, Qin Anlan touched his nose. he seems to have a deep prejudice against me.

Since he said that, he must have known something. PEI Qiqi didn't play dumb. She sneered, " then you have to ask yourself. Did you do anything? "

qin anlan wouldn't tell pei qiqi about what happened with su yue.

he laughed. " i've never had sex with old kan. "

pei qiqi understood what was going on when he avoided the main point.

Qin Anlan put down the lunchbox in his hand and sat down. are you angry? "

his tone was actually a little intimate.

PEI Qiqi frowned, " Qin Anlan, why should I be angry? "

he quickly changed the topic. " didn't you say that you wanted to talk to me about compensation? "

He paused for a moment. how about I compensate you with myself? "

Chapter 869 see you on monday (1)

PEI Qiqi opened the lunchbox in his hands. The soup inside was not bad and surprisingly suited her taste.

As she drank the soup, she said vaguely, " "compensate me with your chef."

qin anlan's eyes were bright. " if you marry me, the cook at home can make soup for you every day. "

pei qiqi slowly put down her spoon and said, " "It sounds like the price is quite high."

Qin Anlan pursed his lips and chuckled. "pei qiqi, you can try it now."

she continued to drink the soup in small sips. after she finished, her eyes were still lowered, but her voice was very serious.”don’t cause trouble for old kan.”

qin anlan’s gaze grew distant. she had finally mentioned this.

He had quite a lot of past, but it could also be considered that he had walked through a Hundred Flowers without a single leaf sticking to him.

However, among the people he had slept with, one was PEI Huan, and the other was su Yue who had a slight relationship with PEI Qiqi.

pei huan didn’t think much of it. it was a matter of mutual consent. as for su yue, pei qiqi seemed to care about her. however, she only cared for old kan.

Qin Anlan lowered his voice. I didn’t do anything to su Yue. I won’t do anything to old kan because of that.

His voice deepened. PEI Qiqi, perhaps my past was more interesting than Tang Yu’s. But I promise it won’t happen again.

Qin Anlan, I really don’t need your guarantee! PEI Qiqi laughed, ” but I’m very happy that you promised not to do anything to Lao kan.

Qin Anlan saw her smile and could not help but smile as well. Then, he helped her clear the dishes.

It was time for him to leave.

however, he did not leave. instead, he sat on the sofa and used his phone to deal with some matters.

After a while, his assistant also came over and bent down to say something.

qin anlan was unusually serious. his side profile was handsome and compelling. if one looked closely, one would think that he was more handsome than usual. he was also so dazzling that people would take a few more glances at him.

no matter how uninterested pei qiqi was, she would still listen to some of it. it was about the entertainment industry.

Among them, there was no lack of movements from a certain International Movie queen. It seemed that Qin Anlan was not very satisfied with that person ...

That’s right, the A-listers who were in the top ranks would sometimes be tsundere and not very obedient.

after his assistant finished speaking, qin anlan first looked at pei qiqi and then said indifferently, ” give her the cold shoulder for a while. tell the public that you’re going to United States to study. ”

the assistant nodded and left. later, a few higher-ups came and sat on the sofa with qin anlan to discuss some things. they discussed investing in a new movie and kept on talking.

after they left, pei qiqi looked at him, ” “Heavenly Queen ye, are you really going to keep her in the snow?”

That was the reason why the Chinese Heavenly Queen, who was at the peak of her career, was able to shine so brightly in Ghana. The foreign media even called her the star of Chinese people.

However, when it came to Qin Anlan’s group, they were simply frozen.

Qin Anlan's voice was a little lazy. she's too willful. King Entertainment doesn't need willful artists. "aren't you afraid that she'll leave?!" PEI Qiqi quite liked Empress ye, so she sat up straight, " " you must know that with her current net worth, she can easily get a blockbuster film even if she sets up her own studio. "

qin anlan's eyes were clear and bright. he looked at pei qiqi for a long time before smiling, " all the newbies that KING entertainment supports will sign a 20-year contract. this is the prime time for an artist. after this period, even if you have freedom, it's useless. "

Chapter 870 See you on Monday (2)

PEI Qiqi looked at him and only spat out two words after a long time, " "unscrupulous merchant."

"Then, has Heavenly Queen ye been kept in the cold storage?"

"let her out only when she's obedient." Qin Anlan's voice was calm, with a hint of coldness and heartlessness.

PEI Qiqi didn't say anything. She wasn't in a position to plead for someone else. Plus, Empress ye's status was worth billions. Even if she waited until she was old, she wouldn't have to worry about her livelihood. PEI Qiqi really didn't need to worry about her.

After a while, she suddenly looked up at him and asked, " Qin Anlan, did you sleep with her? "

President Qin almost choked. He didn't expect PEI Qiqi to ask this and felt a little uncomfortable. he acknowledged it with a grunt.

He coughed and added, " "actually, that was a few years ago, and it was only once."

he had slept with ye liangqiu before. at that time, it was her first time.

He had only slept with her once. At that time, when he looked at the cold and charming girl under him, he felt that she was a treasure and that she would shine in the future.

Later, he found a top manager for her to take care of her, and she was promoted to the throne of the best Actress.

of course, there was a period of time in between. ye liangqiu was in her rebellious phase and disappeared for half a year. when she returned to KING entertainment, she was as thin as a ghost.

Qin Anlan had thrown a huge tantrum back then and also kept her out of the public eye for a while. Actually, if he didn't keep her out of the public eye, she wouldn't have been able to do anything.

because he was so thin, he was not photogenic at all!

a year later, ye liangqiu returned to the public eye. he amazed the world with his brilliant performance and became KING entertainment's a-list artist. later, he even shone on the international stage.

Qin Anlan rarely saw her, only occasionally at award ceremonies. Ye Liangqiu was very protective of her reputation. After so many years, there were no scandals, which made him satisfied.

but this time, she didn't know what she was thinking. the company had arranged for her to go to the United States to study for two years and would arrange for her to shoot a top hollywood film in the future, but ye liangqiu was not willing!

this was an opportunity that many people dreamed of, but she rejected it without even thinking!

this made qin anlan furious. when pei qiqi asked if he was sleeping, qin anlan remembered that he had slept with ye liangqiu once.

to put it more crudely, he slept with the small artiste yingluo.

When he said that, PEI Qiqi responded with an 'Oh', " that's quite a pity. I've always liked to watch her movies.

qin anlan's eyes were bright. " pei qiqi, if you marry me, i'll let her film one movie a year. "

"forget it!" she ignored his crazy words.

The scene fell silent again.

qin anlan smiled. " why are you talking about this? "

PEI Qiqi looked at him. let's not talk about this. I don't think we have anything in common.

he smiled bitterly and said nothing more. he also felt that it was about time to leave.

otherwise, PEI Qiqi's eyes would be as fierce as a little wolfdog. It's quite scary.

qin anlan went out and saw old kan at the elevator door. he was surprised but not surprised.

he walked over slowly. " waiting for me? "

old kan didn't say anything. in his opinion, if he could solve it with his fists, he definitely wouldn't talk nonsense.

With one punch, Qin Anlan had a Panda eye. His body also slammed into the elevator wall with a bang. It was quite scary.

Qin Anlan groaned in pain. His body was pressed against the elevator wall for a while before he calmed down.

He turned his handsome face to the side and looked at old kan, " "just because i slept with su yue a few years ago?"
