

Thank you 881

Chapter 881 qiqi, i miss you!

His hot and burning gaze could almost melt her.

it made her feel as if her clothes did not exist, and he was using his eyes to touch her all.

Her body trembled, and she instinctively hugged her own body and whined.

There was a hint of warmth in his eyes, and he let go of her for the time being.

pei qiqi stood there, feeling both hot and cold. she could also feel his strong aura, but she couldn't read his mind. she had no way of knowing what he wanted to do.

she instinctively felt that he didn't force her to come to United States with him for three days just to sleep with her.

Tang Yu, what do you want to do? " her voice was cold, as if she was talking to a stranger.

that misunderstanding had been resolved, and his efforts and forbearance had not been able to reverse everything.

between them, there were more probes and more schemes.

"let's talk in the dining room." He had already taken the lead and walked out.

PEI Qiqi went to the bathroom attached to the bedroom and washed her face. She changed her clothes and went downstairs.

the mansion wasn't very big, but the decorations were very warm. the dining room and living room were connected. there was a piano in front of the floor-to-ceiling windows in the living room. tang yu was sitting there and playing a song called " alice. "

PEI Qiqi stood on the stairs and stared straight at him in a daze.

Tang mo finished playing the entire song and looked up at her. "breakfast!"

he treated her like he did in the past, but at the same time, he didn't. so, she couldn't guess what he was thinking!

pei qiqi quickly and simply finished her food and looked at him.

He was the same as before, even the way he ate was extremely pleasing to the eye, a true general man. the color was displayed to the extreme.

Tang Yu finally finished his meal. He wiped his lips and looked up at her, " "PEI Qiqi, what do you want to talk about?"

"what deal do you have with shen chongshan?" pei qiqi asked directly.

Tang mo was quiet for a long time before he spoke, but he didn't directly answer her question.

He looked at her and was even more direct than her. His tone was a little light. PEI Qiqi, do you still love me? "

She was stunned.

her little mouth was tightly pursed into a straight line, and then she began to tremble again.

“you love me!” he said affirmatively. then, he got up, walked to her side, and bent down to kiss her on the lips.

the kind without any lust, very, very gentle and loving.

His kiss was like a feather that touched the softest part of her heart!

she raised her head and looked at him. she wanted to say no, but she couldn't.

perhaps it was her conflicted and struggling expression that pleased him. his expression could be called joy as he returned to his seat, ” pei qiqi, you can choose to escape, but qianqian might not get the prize for clearing the level! ”

prize?

Her heart was beating so fast that she looked at him in a daze.

tang yu made a compromise, ” if you work with shen chongshan, your prize will be me and your child. ”

He spoke in an obscure manner. He did not tell her the whole truth, but he would give her hope.

PEI Qiqi was stunned. He said the child was crying.

“the child is still here?” her lips trembled uncontrollably, and so did her voice, which was almost out of tone.

Tang Yu's face was noble,”yes!” but qi qi, you ”

He reached out and pulled her to his side. She suddenly lay on his lap, facing a certain part of him in a somewhat embarrassing manner.

but she couldn't care about that. she raised her head, her eyes filled with tears.”You said the child is still here?”

He sighed in his heart. He didn't want her to know so much!

However, it was obvious that his Qi Qi needed a little bit of bait before it was willing to return to his side.

Chapter 882 qiqi, i miss you!

“Yes!” His fingers touched her face, but she pushed them away.

She finally cried, and her little hand hit his shoulder. Tang Yu, you said the child is still here!

“i want to see her!” she thumped her fists desperately.

He folded her small arms and pulled her into his arms. He lowered his head and looked at her deeply. Qiqi, I told you, my child and I are your reward for clearing the level.

she looked at him, and for some reason, she told him the truth, ” but i only want a child, hanhan. ”

As for Tang Yu, wasn't he the man's fiancé?

PEI Qiqi felt that she had become a lot more courageous. In the past, she treated him like a god. But now that they weren't together for a long time, it didn't matter anymore!

Tang Yan's face darkened, " PEI Qiqi, you could have been more direct.

PEI Qiqi was trapped in his arms. She pursed her lips and almost begged, " "tang yu, what does she look like? Is he good looking?"

tang yu's gaze landed on her anxious face and sneered, " "You want to know?"

she bit her lip and nodded, not realizing how embarrassing her posture was in his arms.

of course, tang yu knew. her small and soft body was in his arms like a soft kitten. his desire that had been vented was now stirring again, torturing him until he was in pain.

If he wasn't having a good time, he naturally wouldn't let her have a good time either.

His dark eyes locked onto her and his voice was a little hoarse, " PEI Qiqi, do you only want children? What about me?"

PEI Qiqi turned her face away, " yes.

Her voice was a little awkward. I don't dare to take it! mr. tang is now president shen's fiancé."

Tang Yu chuckled. He reached out and lifted her chin, forcing her to look at him.

he had always been calm and confident, but at this moment, he was indescribably ecstatic. his voice was deep and slow. " are you jealous? "

"No, I didn't!" She stared at him and tried not to blush.

because he looked so handsome to the point of being evil, it made people want to eat him.

He smiled. Qiqi, I told you that there is nothing going on between Shen Lian and me! We didn't even hold hands, let alone kiss or make love!"

he paused for a moment and his eyes became deep. he pushed the plate to the side and carried her directly to the luxurious dining table, and he climbed on top of her.

Her small body was folded on the dining table by him, and her long hair was as black as ink. It was the way he liked it, Yingluo.

He held her sharp chin and looked at her picturesque face with a deep gaze. "It's someone else's. You're sleeping too."

She was about to say something when his fingers exerted a little force. Her small mouth unconsciously opened slightly, and her slightly swollen lips were extremely red. Her flexible little tongue was also faintly discernible. It looked very tempting, as if she was tempting him to kiss her.

She was a little embarrassed and wanted to bite him. Tang Yu let her bite him. Not only did he not avoid her, but he teased her, " PEI Qiqi, who was the one who held my waist last night and screamed for me not to stop? who was the one who asked me to use more strength? "

She was stunned, and then she turned her face away. I'm not.

"Is that so?" tang yu took out his phone, swiped it open, and opened a recording-

Suddenly, an intimate voice sounded in the small space. It was her.

"tang yu, don't kiss there. yingying, yingying, don't. " There was an undisguisable joy at the end of the voice, and then it sounded like a plea."don't stop, ah!"

when pei qiqi heard this, her face turned so red that it was almost bleeding. she wanted to snatch his phone but he raised it high.

Chapter 883 Qiqi, I miss you!

By holding onto her like this, she seemed to be desperately trying to get in front of him.

Tang Yu lowered his head and suddenly kissed her on the lips. Before she could resist, he grabbed her back with one hand and used both his hands to cushion her back so she wouldn't feel any pain.

PEI Qiqi opened her eyes wide and stared at the magnified handsome face.

No matter how she struggled, he could stick his lips to her and not let her escape.

As they kissed, it was originally a passionate kiss, but it slowly changed its rhythm.

His large palm began to drill into her clothes along her waistline, and when it touched her delicate skin, it was even more out of control.

Tang Yu kissed her deeply and he couldn't control his emotions.

Desire| once the door was opened, it could not be closed again. in his arms was a dose of poison, which made him taste it again and again.

Suddenly, a slap landed on his handsome face. The sound of a slap shocked both of them.

pei qiqi didn't know why she hit him. she just felt that he was detestable.

She was still in a daze when her body was pressed against the hard table. Her hands were nailed to both sides, and his body was over her. There was no gap at all, which was very embarrassing.

Especially the pleasure in her senses. It was magnified infinitely. PEI Qiqi pursed her lips and closed her eyes. She was extremely fragile.

"Qiqi, didn't you want to see the child?" He suddenly whispered in her ear, but there was a trace of undetectable evilness in his tone.

pei qiqi raised her head and looked at him.

"Then kiss me! he took the initiative to ask for me. " He smiled slightly, then let go of her and sat back in the dining chair.

pei qiqi blinked and only came back to her senses after a long time.

she slowly climbed down the table and sat on his lap.

They used to be so intimate and natural, but now there was a bit of an unbearable deal.

She looked at him, " Tang Yu! You bastard!

With that, she kissed his lips hard and bit him hard at the same time.

They kissed and bit hard, and a trace of blood filled their lips and teeth.

it hurt, but tang yu laughed softly.

in fact, his qi qi had not changed.

she was still so willful and so cute.

He took the kiss and kissed her hard, as if he wanted to make up for all the losses he had suffered these days. He also wanted to erase her contact with Qin Anlan and jinrong.

only the heavens knew how jealous he was! How angry he was!

The angrier he was, the harder he kissed the little guy in his arms.

in the end, he said,"qiqi, i really want to hit your little p * s!"

In the end, he still showed her a little girl's back view. He was so heartless that he only showed her a back view.

However, PEI Qiqi continued to look at her phone.

The little person was walking in the small garden, wearing clothes with little flowers. His little p * s looked fat, and his chubby little hands were holding a small kettle, as if he was a little gardener.

her small arms were as cute as pink lotus roots.

PEI Qiqi sat in his arms and looked at him. Her fingers were clenched so tightly that it was as if she would turn her head away if she looked at him for a while longer.

tang yu put away his phone and his eyes became cold and noble again.

pei qiqi's hand was empty. she looked up at him.

"PEI Qiqi, it's time." "Remember, this is the reward for clearing the stage," he smiled.

She gritted her teeth. Tang Yu, give me back my child.

his voice was stern, " pei qiqi, i thought things were better now! "

She blinked her eyes as if she understood what he was thinking.

Chapter 884 be good and obedient!

"Come upstairs to the study with me," he said as he stood up.

"You want me to carry you?" he asked.

this time, pei qiqi jumped down. her movements were very fast, like a little monkey.

tang yu smiled, got up, and went upstairs. his heart was unbelievably soft. to a certain extent, he was grateful to shen chongshan. at least, he didn't have to wait that long.

she followed behind him, unwillingly teasing him.

In the study, he took a document from the bookcase and handed it to her. these require your signature.

PEI Qiqi pursed her lips and reached out to open it. She was stunned.

Shen Chongshan's will?

"Right!" Tang Yan smiled. and it was verified by an authoritative doctor. Uncle Shen wrote it when he was completely conscious.

PEI Qiqi flipped through the dates and was stunned.

That was before she got sick.

In other words, Chi Chi

in fact, a week after Shen Lian drugged Shen Chongshan, he started to feel unwell. It was also detected after an examination, but there was no way to reverse the situation at that time, so he decided to play along. Tang Yu said indifferently, " Qiqi, maybe you can't forgive him just like how you can't forgive me. But, I believe he already regrets it.

PEI Qiqi looked at the will. On it was the distribution of Jin Taihe's shares.

shen lian still had an absolute advantage. she had about 28.5% of the total, while she had 18%.

it would be very difficult to touch shen lian's position.

pei qiqi lowered her eyes and said in a low voice, " i don't know why he wants me to sign this. "

tang yu looked at her, " at least, i didn't let shen lian have her way. " this will will cause her to panic."

also, Shen Zhongshan left five billion in cash for you, Qianqian. Tang Yan understood that Shen Zhongshan made this arrangement because he wanted to train PEI Qiqi as his successor.

pei qiqi looked on, her face still emotionless.

After a while, she chuckled bitterly. what do I need this money for? "

it was good for her to live like this.

"As I said, my child and I are the reward for clearing the game." Tang Yu's long fingers pulled out another document, " "there's also this one."

PEI Qiqi took it and looked at him with surprise and shock.

This was a company called 'Boyi', with an registered capital of 50 million Yuan and current assets of:

one zero, two zero, three zero ...

pei qiqi's eyes widened as she stared at the company's current assets. it was over 3.1 trillion.

It couldn't be Shen Chongshan's property.

"these are my assets!" Tang Yu said lightly and grabbed PEI Qiqi's hand to sign.

She resisted and looked at him, " Tang Yu, what do you want to do? "

He looked at her and smiled, " PEI Qiqi, I think you know. 20% of Sheng Yuan's shares are in Shen Lian's hands. And Boyi is the result of my transfer of assets! The Sheng Yuan now is just an empty shell. All the subsidiary companies have been sold to the PEI family at a low price."

The PEI family?

PEI Qiqi's eyes widened in disbelief.

"that's right, pei huan doesn't know how to run a business. i've already diluted the shares in her hands, leaving only five percent. Boyi is actually a subsidiary of the PEI family, but the PEI family's headquarters has not developed." "in fact, boyi is a monster in the pei family's subsidiary." tang zheng paused.

He took out another piece of paper, on which was written 90% of the PEI family's shares. In order to protect Boyi, he had long since merged the PEI family's shares.

Chapter 885 be good and obedient!

pei qiqi, i told you, the reward for clearing the stage." He smiled, as if he was not afraid that she would not sign it!

pei qiqi raised her head and looked at him, " what will happen to shen lian in the end? "

"one of shen chongshan's conditions was to protect shen lian." Tang Yu said emotionlessly, " and my condition is to protect you.

Shen Zhongshan and Tang Yu signed an agreement. If PEI Qiqi's body had any problems, Shen Zhongshan would risk his life to save her. The condition was that he had to make Shen Lian stay.

Shen Chongshan handed Jin Taihe to PEI Qiqi and chose to be more lenient with Shen Lian.

No matter how bad she was, no matter how much of a b * stard she was, she was still his daughter, and he was the one who had let them down in the first half of his life.

pei qiqi took the paper and looked at it many times. finally, she looked at him, " " tang yu, you want me to use this to deal with sheng yuan, right? " As a result, Shen Lian's 20% became worthless.

tang yu smiled and patted her head, " "Our Qi Qi is very smart."

She held the pen in her hand but did not sign it.

"you don't dare?" tang mo looked at her.

PEI Qiqi pursed her lips, " Tang Yu, my condition is the child.

“Of course!” he silently added in his heart, ” And me.

pei qiqi seemed to know what he was thinking and snorted, ” “I’ve said it before, I’m not interested in other people’s men.”

she also added, ” in the end, i will leave you to shen lian. ”

“you’re willing to?” Tang Yu carried her to the desk. He held her with one hand and pressed a certain button on his phone with the other.

the voice chat with qin anlan was silent. pei qiqi couldn’t hear anything, but qin anlan could hear everything.

tang yu pushed against pei qiqi and folded her arms behind her back.

his thin lips slowly moved down from her earline and his large palm touched her.

Every time he kissed a spot, he would praise how soft and smooth the skin was. PEI Qiqi wanted to struggle, but he undid his tie with one hand and tied her up like last night on the plane.

“Be good, be obedient.” his voice was gentle as he comforted her. “qiqi, the reward for clearing the game will be released in advance.”

PEI Qiqi struggled but couldn’t break free. She bit his shoulder, ” Tang Yu, let go of me!

bastard, he had done it at least five times more than ten hours ago!

tang yu’s voice carried a hint of coaxing, ” “Be good, just this once.”

he slowly squatted down and removed her shoes.

PEI Qiqi’s feet straightened and she screamed-

he was so perverted. he was actually kissing her little feet, one by one, taking turns kissing them.

she retracted her foot, but he didn’t let hanhan go.

She raised her eyes and her gaze was deep,”PEI Qiqi, do you think I’m a pervert?.” &Nbsp;
right!

He smiled slightly, looking as noble as ever.

But the things he did were worse than beasts, Yingluo.

He slowly straightened his body, and then ... Then she couldn’t see his face. The skirt blocked his face, and she could only see his shoulders and back.

A pair of underwear flew out and half hung on her tender calf.

pei qiqi bit her lip and tried her best to hold it in. she couldn’t believe that he would do such a thing to her.

finally, her body went soft ...

However, she did not know that a short five minutes was enough to send Qin Anlan from heaven to hell.

qin anlan closed his eyes, then smiled bitterly.

in the end, he was still one step too late.

Chapter 886 now, i want you to take responsibility (part one)

qin anlan listened quietly. she could hear pei qiqi's soft sobs.

How could he not know that this was the sound that a girl would make when she was in bliss!

His face was as dark as water as he turned off the voice call.

He knew this was Tang Yu's warning, but so what?

Tang Yu and PEI Qiqi were already divorced. At most, he used improper methods to possess her. Qin Anlan sadly realized that he still didn't give up. He was still finding excuses for himself and her.

He looked up at the ceiling and admitted to himself that he didn't want to let go.

his phone rang again, and he cursed in a low voice.

when did tang yu become so bored?

he took a look and saw that it was his assistant, KIMI. he looked at the caller and said in a bad mood, " "what is it?"

Kime could tell that he was in a bad mood, so he said carefully, " President Qin, PEI Huan's manager, Xiaomei, called. She said that something happened to PEI Huan during a dinner.

qin anlan furrowed his brows and asked without too much concern, " "what's going on?"

KIME did not dare to hide anything and told him everything."Tonight, the main investor of the production team that PEI Huan is in is also present. He invested more than 100 million Yuan and wanted PEI Huan to drink with him. He didn't make any more outrageous requests, just kissing and touching. However, that lady was not willing and just sat there. Later on, the investor got angry and specifically asked her to sleep with him. PEI Huan naturally refused and is now being detained there."

KIME had specifically stated that the investor had some dark past.| Said| master ou wu in the background.

PEI Huan was really ... She was not an a-Lister, but it was normal for her to kiss someone. If she was sleeping with someone, she would not do it for nothing. She was acting so chaste that she thought she was heavenly ye!

At this moment, Xiaomei was extremely anxious. She called everywhere and used her connections to save PEI Huan.

However, distant water could not put out a nearby fire. There was a winery in the suburbs of B city. Even if Qin Anlan flew over, PEI Huan would have already been sleeping.

qin anlan held his phone and closed his eyes. he was cursing in his heart.

When did PEI Huan become a saint?

if all the artists under him were like her, how could KING entertainment still operate?

This was the unspoken rule of the entertainment industry. It was not her first day in this industry. In the past, when she had an unclear relationship with the higher-ups in the company, he had turned a blind eye. PEI Huan had done this many times!

” tell xiaomei that i will call lord ou the fifth. he might not give me face. ” Qin Anlan spoke calmly.

in fact, he was not willing to fall out with fifth master ou for pei huan.

Qin Anlan hung up the phone and told fifth master ou not to kill anyone. He wanted to give him some face, so he ran ran.

xiaomei was waiting there, but lord ou didn't release the person. she was going crazy.

hearing pei huan's screams, xiaomei wanted to rush in.

just as she was in a hurry, a tall and mighty figure flashed in front of her. xiaomei was so happy that she cried. she finally met someone familiar.

She stepped forward and grabbed the man's arm, saying anxiously, ” “mr. kan, please help me save pei huan.”

old kan also happened to have a meal here. when he heard this, he frowned and looked at xiaomei. ” “who are you?”

xiao mei's voice was very anxious. ” i'm pei huan's manager. she's being held inside by the investor of the production team. they said that they want her to sleep with them. pei huan refused and is frozen inside. “

Chapter 887 i want you to take responsibility now (part two)

old kan looked at xiaomei for a few seconds. then-he cursed and kicked the door open.

in the private room, pei huan was pressed down on the sofa by fifth master ou, and her clothes were already disheveled.

master ou the fifth was a middle-aged man with a considerable family background. he was very popular in both the underworld and the legal world. it was the first time that pei huan did not give him any face.

He didn't want to do anything, he just wanted to dampen her spirit.

women, after sleeping for a while, will be convinced!

when lord ou wu was doing things, there were two bodyguards beside him, so he didn't avoid them.

Now that old kan kicked the door open, the people inside were alarmed. PEI Huan screamed and grabbed the clothes beside her to cover herself.

her eyes were wide open as she looked at old kan. her palm-sized face was full of tears and her lips were trembling.

In an instant, her eyes regained their vigor and she looked straight into old kan's eyes.

master ou the fifth had just pulled down his zipper when he rushed in and pulled it back up a little unhappily.

“who is this woman to you?”

“she's my wife,” Old kan's voice was a little rough. tell me, what do I have to do to let her go? ”

Master ou the fifth gave a fake smile. brother, if you want to take her away from me, you'll have to get past my men.

Old kan took off his denim jacket, revealing his strong muscles and his bearded eyes. I, old kan, have never been afraid of anyone since I started out!

master ou the fifth laughed. ” that's the best. i like men who are loyal and responsible! in short, if you win, then take this woman and leave. i won't stop you, but if you can't win, don't blame me for not giving you face.”

Old kan sneered. you have your rules, and I have my ways. If I can't beat you, I'll stay. Let my woman go.

Master ou Wu was stunned for a moment, then he smiled and clapped his hands. But you have to think clearly, it's not worth it to get exploded for a girl.”

old kan wiped his lips. ” i'll blow up your head. ”

master ou wu waved his hand, and his two bodyguards appeared out of nowhere like bruce lee. they were really peerless masters!

i don't want to destroy old kan's prestige, but old kan really isn't his opponent's match. it's two against one again.

one had the back of a tiger and the waist of a bear, while the other had two short and capable men. they were fighting fiercely, and master ou wu lit a cigar on the side and slowly smoked!

The sound of glass shattering in the room was endless, and occasionally, there was blood splattering everywhere. PEI Huan couldn't help but scream and wanted to pounce over and pull old kan away. However, old kan's eyes were red and he roared at her to not go over!

In the end, old kan was still beaten to the ground. His head had a big cut from the beer bottle. Blood flowed down his forehead and covered his face. His eyes were also very swollen!

pei huan pounced over and hugged him. ” old kan, why are you so silly? ”

her knee was pierced by broken glass, and blood was oozing out, but she couldn't feel the pain.

old kan should be in more pain.

her nerves, which had been numb for too long, finally felt pain. this man actually didn't need to care about her.

it was just as he had said, they were not a pure man and woman. did he have to take responsibility for just sleeping with her once?

he didn't want to marry her, but he was willing to risk his life for her.

at this moment, pei huan was satisfied.

In the past, she felt that she had too little, at least less than PEI Qiqi. The one her father liked was PEI Qiqi. Once, jinrong sacrificed himself to save PEI Qiqi and ignored her, his pregnant wife, Qianqian.

Chapter 888 I want you to take responsibility now (part three)

She had once felt sorrow in her heart and felt malice towards the world. She had aborted the child without hesitation, so much so that she might never be able to get pregnant again!

that time was her revenge on the whole world, but in the end, she was still the one who hurt herself.

however, at this moment, she had it all.

All of this was given to her by this man called old kan!

pei huan hugged old kan and cried as she asked him why he was so silly!

Old kan leaned on the sofa and smiled, but his smile only tugged at his facial muscles.

"I can't bear to see women being wronged!" old kan panted and didn't have the slightest strength to move.

he looked at pei huan. she was such a pretty girl, but she was crying like this.

With all his strength, he reached out and slowly wiped the tears from the corners of her eyes. However, his palm was covered in blood, so he wiped his blood on her face as well.

there was a touch of bitterness in old kan's eyes, and his lips moved slightly, "Be good and go back! if you don't lack money, then don't come out into this business."

Perhaps, he wouldn't be able to help her anymore in the future, Hanhan.

"don't say anymore!" PEI Huan pressed down on his large palm, not allowing him to move an inch. She buried her face in old kan's heart.

At this moment, she was very clear that she had fallen in love with this man.

there had never been a man who called her 'be obedient' so gently.

PEI Huan closed her eyes and stood up suddenly. She looked at master ou Wu and said, "I'll sleep with you! let him go."

master ou the fifth was still sitting on the sofa, smoking his favorite cigar. when he heard pei huan's words, he sneered and said, "Do you think this is a place for you to put on a show and sleep with whoever you want?"

He looked at PEI Huan. I'm not interested in you.

He stubbed the cigar and called out to his subordinates, ” “Drag the one on the floor back, clean her wounds and send her to my room.” (Lord fifth really has a heavy taste!)

pei huan was stunned for a moment. she then knelt down and hugged master ou wu’s leg.

her face was full of tears, and she desperately hugged him, not letting him go.

because she knew that if old kan was raped by lord ou wu, he would have no way to live. a man being raped and a woman being raped were two different concepts.

she, pei huan, was already a rotten person anyway, so it didn’t matter if she had another man.

she desperately held onto master ou wu, unbuttoned her shirt with one hand, and kissed his trousers with the other. ” i beg you, i beg you. i’m willing to do anything. please let him go! ”

old kan’s eyes were bloodshot. ” pei huan, are you crazy? i’m going to slap you to death! ”

however, pei huan acted as if she didn’t hear him and continued to hug master ou wu’s leg and beg.

what hadn’t master ou wu seen before? PEI Huan wanted to suppress him with such a small place?

” if you continue to make a scene, we’ll drag you away together. if you don’t want to be ganged up on by my brothers, then get lost. ” lord ou the fifth hated women crying the most, so he kicked pei huan far away.

pei huan rolled on the ground and got pricked into a few pieces, causing shen yin to cry out in pain.

Old kan was dragged away and left a long trail of blood on the ground.

The door opened, as if the Door to Hell had opened.

however, to xiaomei, who was outside, it was like she had received salvation because pei huan was fine.

she went forward to help pei huan up. pei huan was in a daze.

Suddenly, she took Xiaomei’s phone and dialed Qin Anlan’s number with trembling fingers.

She had never been so nervous before. She was afraid that Qin Anlan would not pick up his phone or turn it off!

Chapter 889 I want you to take responsibility now (part four)

Luckily, the call finally went through. PEI Huan wiped her tears and raised her head, ” Qin Anlan, I know that I don’t have much weight in your company. But PEI Qiqi is important in your heart, right? Listen up, old kan was injured and taken away by fifth master ou in order to save me. Fifth master ou said that he wanted to kill him. Qin Anlan, listen up. If anything happens to old kan, PEI Qiqi will never forgive you.”

qin anlan listened quietly. when he heard the last part, he laughed coldly.”What does it have to do with me whether she forgives me or not?”

after that, he hung up the phone.

pei huan was stunned for a moment before she started to dial her phone again. however, she could not get through as she had been blacklisted.

she screamed, cried, and scolded, " qin anlan, you bastard! i'll die a horrible death and give birth to a son without a p| the eyes!"

His body was bent over, and he coughed violently a few times because of the pain!

xiaomei supported her. " why don't we go back and beg president qin? "

PEI Huan's eyes were ashen. It was the same feeling when jinrong was lying in the hospital and the doctor announced that he would become a vegetable.

"It's too late!" pei huan pushed xiaomei away. " don't follow me. i don't want to harm you! "

She ran to the door, yanked off her high heels, and ran down the dim light in the emergency corridor.

She was so fast that she almost fell several times. Even so, when she got downstairs, master ou's car had already started and driven away.

PEI Huan followed master ou's car and ran desperately. Tears and blood blurred her eyes. They were hot and had a strong fishy smell.

that was old kan's blood, the blood he shed for her.

he ran desperately, as if he did not know fatigue.

in the past, pei huan never knew what she lived for. but now, she knew that she had fallen in love with a man. she wanted to be with him. even if she could not give birth to his children, she wanted to be with him.

in the car in front, master ou the fifth closed his eyes and said in a somewhat indifferent voice, " "That woman is still following us?"

"yes, master five," the bodyguard in front nodded.

Lord ou Wu laughed and said,"actors are heartless, and b * tches are immoral!" i've really opened my eyes today."

His phone rang at that moment. It was Qin Anlan.

this kid! When did he become so sentimental?

He picked up the phone and heard Qin Anlan's calm voice. fifth brother, give me some face. I'll treat you to a meal some other day.

since qin anlan had said so, fifth master ou would give him some face. in fact, he had also changed his mind a little.

this pair of lovebirds was really touching.

Forget it! Release them.

Old kan was thrown out of the car by his underling in a not-so-gentle manner and thrown into the dark autumn night!

master ou the fifth got out of the car and saw pei huan running over to hug old kan. he slowly walked in front of her and looked down at her.

“if you like him, then marry him. there aren’t many good men like him!” master ou the fifth’s tone was flat, but it also revealed a touch of sadness, as if his little heart had also been ruthlessly torn apart by someone.

pei huan raised her teary eyes. if it was the pei huan of the past, she would probably be scolding someone.

however, she was no longer the same person as before!

She could be willful, but old kan still had to work in the future. He loved photography and could not leave this industry.

PEI Huan held it in and thanked him softly with tears in her eyes.

Master ou the fifth listened to her thanks, and his heart was filled with mixed feelings. He took the wallet from his subordinate and threw down 20000 Yuan. this is for the medical expenses!

he waved his hand and motioned for his men to send lao kan to the hospital.

Chapter 890 Coaxing women, he’s good at it (1)

on the other hand, qin anlan slowly put down the phone in his hand and smiled bitterly.

In the end, he still couldn’t be cruel to PEI Qiqi! in the end, he still had some thoughts in his heart ...

After she had sex with Tang Yu ...

.....

lao kan was sent to the first hospital in B city. after a detailed examination, he only had skin and flesh injuries. there was no damage to his bones and internal organs.

xiaomei was busy, and pei huan ...

he was only responsible for crying!

at first, old kan’s consciousness was blurry, but when he sobered up, he opened his swollen eyes and saw pei huan crying sadly.

He closed his eyes again in pain. why are you crying? I’m not dead yet!

pei huan’s voice carried a hint of crying, ” “I’m just sad.”

“Are you as sad as I am?” old kan couldn’t bear to see a woman cry, so he yelled at her!

in the end, pei huan cried even louder!

old kan cursed in a low voice and closed his eyes, his voice still rough. "If you continue to cry, I'll throw you out."

pei huan stopped crying and looked at old kan with tears in her eyes.

there was a sense of reluctance and grievance in her eyes.

He couldn't say anything, and he thought silently in his heart, I can't be soft-hearted, I can't be soft-hearted.

What the hell is this!

This girl was the same age as PEI Qiqi. She was so young that she could be his daughter.

"Throw me out. I'll come back." PEI Nan displayed her shamelessness as she wiped her snot.

old kan's face darkened, "so dirty!"

no matter how much he disliked it, pei huan had already taken root in this ward. everything was still taken care of by xiaomei. she was only in charge of meimei's work and also served old kan fruits. she peeled them very beautifully to please him!

as for the rough work, the nurses would do it.

After one or two days, no matter how rough old kan was, he probably understood her thoughts. After he understood it, he actually felt a little depressed.

Old kan was feeling awkward in his heart. Why would a man be afraid of a little girl?

the phone on the bedside table rang. old kan glanced at it and saw that it was su yue.

he looked at pei huan unconsciously before picking up the call. his voice was low and hoarse, "Su Yue, what's the matter?"

The other party said something and old kan just smiled. "minor injuries, just minor injuries! you don't need to specially come to see yingluo."

his expression was a little special. he looked at pei huan and laughed dryly. "you're already here? " Oh, come up, I'm staying in bed 1208."

As he spoke, PEI Huan kept looking at him. She took a big bite out of her Apple and squinted at the pair. husband| Y| the woman was talking!

In PEI Huan's heart, old kan was already hers. Now, he was actually flirting with other women.

he didn't want to say that he had nothing to do with that old woman. if he didn't, he would write her name backward!

pei huan gnawed on the apple as she glared at old kan. her gaze was very frightening.

It was almost time. PEI Huan threw away the Apple in her hand and sat on old kan's lap. She hung her slender and white arms around old kan's neck. what do you think of our relationship? "

"What relationship?" old kan played dumb.

pei huan sat in his arms and exhaled like a little demon. ” f * ck your relationship! ”

Old kan laughed dryly. it’s just once! Forget about it, it’s not good to keep coveting such a long time ago.”

pei huan hung it with one hand and touched it with the other. she curled her lips. ” but i’m looking at this place! ”

Old kan’s eyes were wide open, and he didn’t know that su Yue had already reached the door.
