

Thank you 901

Chapter 901 Why don't you go to heaven?(1)

pei huan screamed and ran into the changing room while covering her body.

while pei huan was changing her clothes, pei qiqi glared at old kan, " what happened? "

old kan took out a cigarette from the bed and lit it up. he smiled. " "it's just that. i'm attracted to her."

"You've never seen a woman before?" PEI Qiqi sneered, " then what about su Yue? what about you? " Can you promise that you won't miss su Yue after you get together with PEI Huan?"

"i miss you. can i only miss you once in a while?" old kan still cared about this girl pei qiqi. he took a deep puff of his cigarette and continued, " "You won't object to this, right?"

"you miss su yue?" pei qiqi played dumb and looked straight at old kan.

He was still a little unaccustomed to old kan's beardless appearance, as if he was not wearing any clothes.

however, old kan was indeed not wearing any clothes at this time. he was only wearing a kasaya with a layer of xiongnu fur.

Old kan's eyes had a touch of blame, and he let out a long breath. nonsense! I'm talking about the matter with PEI Huan."

PEI Qiqi laughed,"you don't need my permission for this, right?."

she paused for a moment before continuing,"as long as you can keep it and don't have anything going on with su yue."

Old kan let out a long breath. of course.

pei qiqi didn't say anything else. pei huan stood at the bathroom door with tears in her eyes.

qiqi was fierce on the surface, but she still cared about her and cared about her ...

PEI Qiqi raised her eyes and saw PEI Huan's expression. She rolled her eyes.

PEI Huan was really very successful. She was touched by just a little bit of it. Where was the ruthlessness she had when she drugged Lin jinrong and slept with him?

PEI Huan's voice was like a pitiful stray animal. Qiqi, you've forgiven me! I'm really happy to hear that you care about me. "

PEI Qiqi couldn't take it anymore, " PEI Huan, do you think you're acting?!

PEI Huan looked at old kan, who had a thin layer of fur on his chest. She swallowed her saliva and told the truth, " " actually, i want to pat the bed more.| It's an act."

PEI Qiqi couldn't take it anymore. She dragged her luggage in and dragged it all the way to the lounge. She shouted towards the outside, "I'm getting used to my jet lag. If you two are doing that, lower your voices."

"qiqi, sleep well!" PEI Huan was especially enthusiastic, and she was just short of making the bed.

pei qiqi was speechless and closed the door.

When she was lying on the bed, she heard a secret voice from the other side and knew that PEI Huan had gone to film again. Play!

as she listened, she couldn't help but think of tang yu.

her phone was beside her pillow. she couldn't help but pick it up and send tang yu a message, "are you asleep?"

She didn't get a reply for a long time. Just as she was about to fall asleep, Tang Yu's message came, "I'm just getting ready to sleep! good night, qiqi."

"yingluo." she looked at him, and her heart softened.

lying down, listening to pei huan's voice that was like a wild cat, he couldn't help but think of tang xin.

she pursed her lips and her eyes were a little complicated.

tang xin, this silly child!

she was still regretful. if it wasn't for her, tang xin might have lived a good life as her little princess. although she wasn't free and was forced to learn a lot by zhao ke, she was still happy.

because she had a father, a mother, and an older brother who doted on her, yingluo.

All of this had been destroyed by him.

the image of lin yun's twin flashed across pei qiqi's mind and she thought of little xin xin-

Chapter 902 why don't you go to heaven?(2)

The image of Lin Yun's twin flashed across PEI Qiqi's mind and she thought of little Xin Xin-her and tang yu's child must be as cute as him, right?

Tang Yu said that the child wasn't called Tang Tang because it was too unpleasant to hear, so he called her Tang Xue 'er.

No matter what it was called, as long as he was alive, it was fine.

after going through so much, pei qiqi had a new understanding of life. living was more important than anything else ...

The only regret in her heart was Tang Xin. She was in no position to hate Tang Yu. If she did, she would be too pretentious.

But she was also very confused and didn't dare to think about the future.

she fell asleep in a daze.

In the ward, PEI Huan was like a little demon, pestering old kan. She had borrowed a nurse's uniform from somewhere and was trying to seduce him with it. | confusion.

Old kan couldn't take it anymore. PEI Huan placed her hand on old kan's chest and pretended to be very surprised. Mr. Kan, your heart is beating so fast! is she sick? i'll help you check."

however, her small hand was like an agile snake as it slithered down. how could old kan bear this? he grabbed her mischievous small hand and said in a rough voice, " "That girl is inside."

"What's wrong? you don't dare to?" pei huan pulled down old kan's chest (so fierce, old kan likes it very much).

Old kan's breathing became heavier. He looked at the little Vixen on top of him with fire in his eyes and patted her hard twice (in an indescribable part) with his big palm. I'll let you know if I dare or not.

Then, he picked up PEI Huan and carried her to the wall next to PEI Qiqi.

PEI Huan gasped in excitement. She liked old kan's teasing. She leaned against the wall and looked at old kan provocatively. I'm just afraid that you can't move it.

old kan was the type of person who would not blindly talk if he could move. at that moment, the small motor was turned on-

In the end, PEI Huan was left with his last breath. He was so close to running into PEI Qiqi's room.

After the excitement, the rain and clouds dispersed. She laid on old kan's chest and her small hand grabbed his Xiongnu from time to time. She said softly, " old kan, can you really let go of su Yue? "

"I can't let go!" old kan said in a rough voice, " what else can i do? "

pei huan's small hands plucked the hair on his chest one by one, and her voice was fierce. " "I'm telling you, if you dare to let me down, I'll pull out all your fur."

old kan's eyes were burning with anger again. " then pull out the bottom part first. "

As he spoke, he pulled her little hand and went down. How shameless.

No matter how fierce PEI Huan was, she was still a little girl. Now that she was tortured by old kan to the point that she would rather die than to sleep, she vaguely thought that old kan could be discharged from the hospital.

early in the morning, a ray of sunlight shone into the small lounge. pei qiqi endured the discomfort in her eyelashes and opened her eyes.

She turned around and let out a long breath. Last night, PEI Huan had been screaming like a kitten for the entire night. She really did not know why old kan had to be hospitalized when he had such good stamina!

after washing his face and brushing his teeth, he went out and laid down on old kan. pei huan was sleeping on top of him, sleeping soundly.

Her small hands were also wrapped around old kan's neck, as if she was afraid that old kan would leave her behind.

PEI Qiqi watched for a while before walking into the small kitchen. She made breakfast for her master, mistress (hahaha) and herself. The aroma of the food probably woke PEI Huan up as she ran over in her translucent pajamas.

At that moment, PEI Qiqi was worried about old kan's kidney!

PEI Huan looked at the millet congee and one or two side dishes on the table. Then, she kissed PEI Qiqi sweetly.

Chapter 903 why don't you go to heaven?(3)

pei huan looked at the millet congee and one or two side dishes on the table. then, she kissed pei qiqi sweetly.

pei qiqi covered her face and her expression was indescribable!

She felt that PEI Huan's current state of mind was a little abnormal.

old kan sat down very calmly and looked at pei huan. "you're twenty-two years old now, not twelve. Does your intelligence look normal?"

pei huan rolled her eyes at old kan and wanted to kill him tonight.

On the surface, it looked like she was the one who was demanding, but in fact, it was clearly this old man who was sullen and had great needs.

she only wanted to do it once or twice, but this old man came four or five times at a time, and each time he didn't stop for an hour. moreover, his muscles were strong and strong, so she couldn't take it.

old kan saw that she didn't talk back and felt very satisfied.

pei qiqi looked on coldly from the side. she felt that pei huan and old kan were a match made in heaven.

pei huan was eating chinese food. she touched her stomach when she was half full. "i'm starving."

she looked at pei qiqi and complained, "Your master doesn't know how to be tender to a woman, her waist hurts so much!"

PEI Qiqi silently looked at old kan and didn't say anything.

old kan's face turned red, but he did not say anything. in his heart, he wanted to strangle pei huan.

PEI Huan continued, "Qiqi, I'll help Lao kan get discharged later, Hanhan."

She paused for a moment. the bed here is so uncomfortable!

"Uncomfortable?" old kan was still quite bothered. the bed was not comfortable, but he still made her comfortable.

“from today onwards, i’ll be moving to your place.” pei huan smiled sweetly.

The old man scared Yingying.

pei qiqi looked up at the two sisters-in-law.

PEI Huan’s face darkened,”is there anything wrong with me staying at your place?” You were the one who said you wanted to buy a house in B city and marry me. ”

“i said i’ll buy a house, but the renovation will have to be done a year later.” Old kan helplessly replied. He was still a little hesitant to live with her now because her wife was too noisy.

PEI Huan was unhappy and stood up immediately. Lian Mingzhu, if you don’t want to take responsibility, then don’t take up my 30% of land every day! It’s not like I, PEI Huan, can’t find a man to marry me, do I have to rely on you like this?”

Old kan closed his eyes and felt a little helpless!

What could he say to an unreasonable little girl? “it’s not that you don’t want to take responsibility, but are you sure you want to live in the apartment with me?” she coaxed him.

He knew that with PEI Huan’s financial resources, she would definitely live in a villa. Now that she was living in an apartment with him and even rented it, she felt a little wronged.

old kan was such a man. he wanted to treat his woman well and was willing to give her everything he could. as for what he couldn’t give, he would try his best to make it up to her.

When PEI Huan heard this, she was happy again. She wore her translucent pajamas and nestled in old kan’s arms. Her small hands drew circles and her voice was extremely obedient. as long as I can be with you, anywhere is fine! Besides, your place isn’t bad either.”

PEI Qiqi looked at the scene. She wasn’t worried about old kan’s kidney anymore. Instead, she was worried about her eyes.

when pei huan and lin jinrong were husband and wife, they weren’t this close. this was probably the difference between being loved and not being loved.

In the past, she had always felt that PEI Huan was not worthy of someone like old kan. But now, she felt that it was perfect for them to be together.

pei huan snuggled in old kan’s arms and mustered up her courage to say, ” there’s one more thing. “

Chapter 904 why don’t you go to heaven?(4)

Old kan would Promise Her Anything now. He was even willing to pluck the moon from the sky for her.

pei huan looked at pei qiqi, ” lian mingzhu, when i move in tomorrow, i’ll ask your ‘little disciple’ to cook for us every day, okay? ”

Old kan took in a deep breath. PEI Huan really dared to say that!

he didn't even dare to order his little disciple around, but she had gained power in one day. was she going to ascend to the heavens?

Old kan buried his head and didn't say a word, letting the two sisters tear each other apart.

PEI Qiqi looked at PEI Huan and laughed coldly, " "didn't pei huan always like to be a sister? sister kanming, you and pei huan will call me sister together."

old kan's expression was very, very hard to describe in a few words.

PEI Huan was also stunned for a moment. Then, old kan glared at her in a daze.

she felt wronged and didn't say anything.

pei qiqi's mood brightened up, " when are you getting married? "

pei huan was still reserved when it came to this kind of thing and looked at old kan eagerly.

Old kan put his arm around PEI Huan's shoulder like a man and smiled. no matter what, it has to be renovated. Let's count it as a year!

pei qiqi glanced at pei huan and said slowly, " "I thought PEI Huan couldn't wait and would prepare the house first."

surprisingly, old kan did not get angry.

PEI Huan was stunned. Then, she bit her lip, " PEI Qiqi, you're so bad.

pei qiqi looked at her. " what? you don't think that way? "

"even if i think this way, you're not allowed to say it out loud!" pei huan cried out.

After she finished speaking, PEI Qiqi didn't say anything more and just looked at PEI Huan.

pei huan asked carefully, " qiqi, are you not happy? "

if it wasn't for the fact that her new man was always around, she would have hugged pei qiqi's leg and cried, begging her to forgive herself.

PEI Qiqi was stunned for a while before she smiled, " no!

she looked at pei huan with a rare gentleness in her eyes. " pei huan, you're much cuter than before. "

pei huanji was so cold that he was about to cry.

She bit her lip, not knowing what to do. Then, she pinched old kan."you didn't even help me out."

Old kan looked at her as if she was a good-for-nothing, and then coughed lightly. "qi qi, please let her go for the sake of her stupidity! I'll teach her a lesson later."

These words made PEI Huan unhappy again. If she was unhappy, she would pinch old kan. Fortunately, old kan was thick-skinned and could not cause any waves.

in the end, old kan gave pei huan a look and pei huan calmed down.

her face was a little red, so she changed her clothes and ran to the doctor to get her discharge certificate, leaving pei qiqi and old kan alone.

old kan stretched his muscles and began to pack his things. as he packed, he said, ” “I still have to do this! That PEI Huan is said to be a woman, but she only has the basic functions of a woman. She’s nothing else.”

“But you seem to enjoy PEI Huan’s basic functions!” pei qiqi leaned to the side and chuckled. she looked at old kan teasingly. maybe it was because he had shaved his beard, but his emotions were more obvious. at least for now, he was happy. he had never been so happy before.

PEI Qiqi thought about old kan’s disappointment when he saw su Yue. It was completely different from his current high-spirited self.

Her voice was low and gentle. master, have you thought about it? Was that person PEI Huan? are you sure that the person you want to spend the rest of your life with is pei huan?”

at this moment, there were only the two of them. old kan was silent for a while before he put down the things in his hands. he looked at pei qiqi seriously and slowly said,

Chapter 905 We’re together (1)

Old kan said slowly, ” Qiqi, maybe my feelings for PEI Huan came more from her reliance on me. But when she knelt in front of master on the fifth and said that she was willing to stay and let me go, I felt that I couldn’t let go. At that time, I thought to myself that if I could escape this disaster, I would be with her.

PEI Qiqi was a little touched by Xuxu’s words. He was truly moved.

Old kan continued, ” maybe she’s not very good. Or maybe she was very bad in the past. But Qiqi, don’t think too highly of me. My life in the past was no better than PEI Huan’s.

PEI Huan looked at old kan for a long time before she smiled. as long as you’re happy! really, pei huan is quite cute now.”

old kan stretched out his hand, his intention was very obvious, he wanted a hug of love.

PEI Qiqi smiled and hugged old kan. Her voice was a little hoarse, ” “You must be happy.”

old kan hummed in agreement. ” you too. ”

He didn’t ask about PEI Qiqi and Tang Yu because if she wanted to tell him, she would.

however, she seemed to be in a good mood, yingluo.

pei qiqi and old kan smiled in a similar manner. old kan’s big palm smacked her hard, ” i’ll take you to collect wind tomorrow. ”

“Aren’t we going to take a photo of a rich lady?” PEI Qiqi looked up at old kan.

Old kan’s face darkened and he looked at her as if he wanted to eat her up.

PEI Qiqi smiled,”you can bring PEI Huan with you.” &Nbsp;

Old kan's face turned even darker!

It was pitch black.

PEI Qiqi was very happy and hummed.

.....

on the other side, pei huan went to settle old kan's discharge paperwork. just as she finished paying, she ran into an unexpected person and bumped into his shoulder.

suddenly, pei huan looked up and saw lin jinrong.

he seemed to be here for a follow-up examination. behind him was his beautiful female secretary, who looked gentle.

pei huan just looked on like that. her eyes were a little hot, and her throat seemed to be blocked by something, unable to say anything.

she blinked her eyes and felt as if it had been a lifetime.

lin jinrong's hand held her shoulder and helped her up.

after that, he looked at the list in her hand and asked very indifferently, "He's hospitalized?"

PEI Huan blinked again and said in a soft voice, "no, ran ran, my boyfriend is in the hospital. He has to leave in a while.

lin jinrong was stunned for a moment before he nodded. "boyfriend! It's good."

PEI Huan didn't know what to say and nodded, "he's quite good, and he's good to me."

as they were talking, old kan came over. he was dressed in black casual clothes and looked tall and strong. although his face was slightly less attractive than tang yu and lin jinrong, he was still a good person overall.

When Lin jinrong sized up old kan, old kan also looked at this pretty boy.

He was a character!

But wasn't he chasing after PEI Qiqi?

He lowered his head and looked at PEI Huan. The meaning in his eyes made PEI Huan feel uncomfortable. He pulled old kan away and waved goodbye to Lin jinrong.

lin jinrong looked at their backs and thought of pei huan's gaze just now. there was only a little surprise and not much nostalgia.

He pursed his lips, his eyes filled with envy.

"President, there's a meeting later," the Secretary behind him said softly.

Lin jinrong stood there and watched for a while before sighing. let's go!

he said he wanted to leave, but the person walking towards him made him stop.

that was pei qiqi!

Lin jinrong's gaze became complicated and dazed.

Chapter 906 We're together (2)

pei qiqi came over to look for old kan and pei huan, but they left in another elevator.

she did not expect to meet lin jinrong here and was stunned.

“Jinrong?” She slowed down her pace and her gaze fell on his face.

Lin jinrong raised his hand and gestured for the Secretary to wait for him in the car.

the secretary saw his fixed eyes and didn't dare to rush him, so he quickly left.

Lin jinrong put one hand in his pocket and looked at PEI Qiqi. His voice was calm, ” “Why are you here? is she with pei huan?”

pei qiqi looked at him. her eyes were a little straight and she couldn't move them away. after a long time, she nodded, ” “Yes, he's my master.”

Only then did Lin jinrong remember that the man just now was the bearded man. He didn't really recognize him after shaving.

PEI Qiqi bit her lip, ” they are together.

lin jinrong smiled slightly, his temper was quite good. ” then, i wish them well. ”

he looked straight at her, speechless.

PEI Qiqi was the same.

after a long time, he sighed. ” but pei qiqi, if you get together with tang yu, i won't give you my blessings. ”

In fact, he knew that she and Tang Yan had been in the United States for three days.

plus, now that he said this and she didn't deny it, the scales in her heart were leaning towards tang yu.

Besides, there was also little Xin Xin.

although lin jinrong said that he did not fight for it, he did not give up completely.

His love for her had never stopped.

pei qiqi's voice was low, ”jinrong, can you not be like this?.”

PEI Qiqi, are you trying to tell me that you only want to be friends with me? ” there was an indescribable sense of disappointment in his voice as he looked at her quietly.

PEI Qiqi pursed her lips and was a little out of it, ” jinrong Wanwan.

“i won't force you! It's because I like him!” lin jinrong smiled faintly, but it was a bitter smile.

when he walked past her, his voice was very low, ” pei qiqi, i will not give up. ”

By the time she came back to her senses, he had already walked past Xuxu.

just like some people, they were destined to miss something, and they could only miss it.

Because if you wanted to have something else, you had to give up what didn't belong to you.

To her, this was how she felt.

pei qiqi turned around and looked at his back. at that time, she was sad.

she wanted to tell him to give up, but that would only be an insult to his self-esteem.

if she didn't respond and pretended that nothing had happened, would yingluo be too selfish?

when pei qiqi returned to the ward, pei huan and old kan were still messing around. this time, it wasn't pei huan who was messing around. it was our old kan.

old kan's heart was in a mess and he kept tormenting pei huan.

Seeing that PEI Qiqi had returned, PEI Huan acted as if she had seen her Savior. Her voice was as soft as a little lamb, " "Qiqi, look at how old kan is bullying me."

PEI Qiqi slowly looked at her and said, " "when he bullied you at night, you didn't ask me for help."

pei huan felt that pei qiqi was so dirty. her face turned red and her voice became even softer, " you don't need to help me with that thing at night. "

old kan looked at her and didn't argue with her anymore. he reached out and picked up his luggage. " alright, let's go! "

PEI Huan immediately followed him like a little wolfdog and stayed beside old kan.

old kan carried his small luggage in one hand and pei qiqi's luggage in the other. pei huan was envious and sat on the luggage. she smiled, " "PEI Qiqi, don't be jealous."

Chapter 907 We're together (3)

PEI Qiqi shook her head helplessly.

pei huan was still looking at her like a puppy. pei qiqi had never seen such cuteness before.

She followed behind, smiling and shaking her head.

pei huan and old kan really couldn't think of this.

However, she saw that PEI Huan was like a moth flying into the fire, just like how she was with jinrong last time. The difference was that this time, PEI Huan was not in love with him.

She took the elevator to the ground floor. PEI Huan's manager, Xiaomei, was already waiting in the car. The Super long RV was so black that it was shiny. PEI Qiqi looked at it and saw that it was worth more than four million.

"do you feel like you're being raised by a B * stard?"

The old man glanced at her and did not say anything. He put the luggage in the trunk and took over Xiaomei."i'll drive."

Xiaomei was quite understanding. Although this Mr. Kan wasn't a celebrity, he was an upright person. He also saved PEI Huan and was very talented. If he really loved PEI Huan, she wouldn't have to worry.

Xiaomei was only 28 years old, but when she faced the 22-year-old mentally disabled PEI Huan, she felt that she had become a mother early. She nodded and got out of the car to sit in the back seat.

Just as old kan was about to get into the car, more than a dozen reporters appeared in front of him. They aimed at PEI Huan, who was lazing in the front passenger seat, and old kan, and took a series of photos. miss PEI, I heard that this gentleman has a close relationship with you. Can you explain this to your vast number of fans? ”

xiaomei was just about to scold her when pei huan said sweetly, ” “I'm dating kanmingzhu with marriage in mind,”

xiaomei closed her eyes. did pei huan still want her future?

It's okay to fall in love, but it has to be done in secret. Yingluo, how can you be as rich as this great aunt?

old kan held the steering wheel and snorted, but he was satisfied.

PEI Huan leaned over and kissed his chin. “Isn't that right, my dear?”

Old kan laughed and started the car. He looked quite manly and gave PEI Huan a lot of face.

the reporter was stunned.

Isn't that a genius photographer? he's so talkative, but I can't even recognize him after shaving. He's much younger, Ying Ying.

However, he was indeed a round older than PEI Huan. He would have a lot to write about when he went back.

PEI Huan was satisfied. She sat up straight and looked at old kan. “will you be angry?”

“i'm an old cow that eats young grass, what's there to be angry about?” Old kan focused on the road. but PEI Huan, have you thought it through? this will affect your career.

“What do I want this business for?” PEI Huan's voice was very soft, but everyone in the car heard her. I only think of a man who loves me. Wealth and glory are just fleeting.

Old kan was so touched that he was in a mess-

PEI Qiqi heard this and wanted to vomit blood. When did PEI Huan have this kind of awareness?

If the PEI family could not bring her hundreds of millions of Yuan every year, would she still be able to say such words so freely?

Xiaomei rolled her eyes out of the window and yawned.

pei huan touched herself and old kan. however, she felt that the two in the back seat were not in a good mood. after analyzing for a long time, she stomped her feet. ” i’m telling the truth. ”

“no one suspects anything!” pei qiqi said with certainty, ”we all believe you.”

PEI Huan pouted, ” PEI Qiqi, I’m telling you. If you dare to ruin my plan, I’m going to kick you out.

Chapter 908 Qiqi, be in love (1)

PEI Qiqi asked PEI Huan seriously, ” what will you do? ”

“i’m angry!” pei huan was pitiful.

pei qiqi and xiaomei couldn’t help but laugh. they patted pei huan’s head, ” silly! ”

PEI Huan was screaming in her heart, I’m not stupid! i’ve trapped you, old kan!

As she thought about it, she became soft and turned into a little wolfdog. She hugged old kan’s arm with one hand and said in a soft voice, ” I’m your little fool.

PEI Qiqi and Xiaomei looked at each other and laughed.

pei huan snorted. ” i’m a little silly. ”

That’s not wrong at all, Yingluo.

Back at the apartment, PEI Huan went straight to old kan’s bed and covered it with her perfume like a little wolfdog peeing. She occupied the place.

PEI Qiqi went to cook and PEI Huan pulled old kan in for a walk.

old kan looked at the door and frowned. ” “it’s still daytime.”

pei huan sat on his body. ” to celebrate. ”

old kan couldn’t take it anymore. looking at the tender little wolfdog, he reached out and pressed the button on the side. the curtains slowly closed.

today, pei huan was playing the role of the little wolf dog, qianqian, who was licked up and down, inside and out.

he lay down, gasping for breath and a little excited.

he pulled the little wolfdog into his arms, his heart unbelievably soft. he touched her little mouth with his finger and said in a low voice, ” don’t you think it’s dirty? ”

PEI Huan’s small hand tugged at his chest hair. “as long as you don’t have any other woman, you won’t be dirty!”

Old kan didn’t say anything, only touching her Kasaya.

PEI Qiqi finished cooking a table full of dishes and looked at Xiao Mei. Xiao Mei was innocent, ” she wasn’t like this before. it’s already so noisy in broad daylight, and it’s not soft at all.

In the past, when she patted the bed,| Acting. Her opponent was still a young hunk. PEI Huan was not so interested!

therefore, when old kan and pei huan came out of their lovey-dovey state, xiaomei kept staring at a certain part of old kan, wanting to see what was so special about him.

Old kan pinched himself and glared at PEI Huan.

Oh! PEI Huan groaned again. She had to stay beside him even when she was eating. She hugged her arms and her coquettish voice was not like PEI Huan.

even pei qiqi felt embarrassed for her. however, it was fine as long as old kan enjoyed it.

After a day of trouble, it could be considered a celebration for them.

that night, xiaomei left first. the couple who had just finished cooking returned to their room and once again felt sorry for old kan's kidney. (I always say that I have three kidneys, and one is specially used to deal with this little demon.)

pei qiqi resigned herself to her fate and washed the dishes. she put on her apron and the phone in her bag vibrated.

she wiped her hands and looked at it. it was a call from tang cai.

her heart softened, and she picked up the call. however, she didn't say anything and waited for the person on the other end to speak first.

Tang mo stood in front of the floor-to-ceiling window of the office. Under the glass in front of him was the prosperity of B city.

He stood on a high spot and looked at the night sky. His heart softened because the person on the other end of the phone was PEI Qiqi.

"Have you eaten?" his voice was so gentle that it was like a feather that brushed against her heart.

PEI Qiqi acknowledged but then felt that it was too soft, like PEI Huan was acting coquettishly to old kan. She quickly cleared her throat, " 'i've eaten."

Tang Yan could hear the awkwardness in her words and laughed silently. Qiqi, no one will laugh at you if you care about me.

PEI Qiqi pouted, " you're obviously laughing at me right now.

"Is this an admission?" There was a hint of a smile in his voice.

PEI Qiqi was embarrassed and didn't say a word.

Chapter 909 qiqi, be in love (2)

tang mo held his phone and looked at the night sky in front of him. he sighed slightly."Qiqi, I haven't eaten yet."

he paused and said in a hoarse voice, " and, qiqi, i miss you. "

pei qiqi was stunned and didn't say anything for a long time.

her breathing was shallow and all her attention was on tang yu.

tang yu smiled and continued, "Qiqi, I'll come over?"

she took a deep breath and said in a sheep-like voice, "pei huan is here?"

Tang Yu's voice carried a hint of warmth, "are you going to be a third wheel at their place?"

PEI Qiqi lowered her head and looked at the dishes she just finished washing. "i'll still be a servant."

He paused for a moment and suddenly laughed, "when i was with old kan, i even helped him buy a t-shirt."

Tang Yuhe's breathing was also very light. In the dark of the night, listening to her talk about the time they were separated, even the air in the cold building seemed to have a hint of sweetness.

however, his heart still ached.

his qiqi had bought a t-shirt for master in order to survive. he had only ordered her around once in the past.

"Qiqi," he said softly, "it must have been hard on you."

She didn't say anything, but he knew.

At that time, he didn't have a good time either. He looked at her and was careful.

"It's alright," her voice was muffled, and then she suddenly said, "Tang Yu, do you want to eat chicken noodle?"

He didn't speak for a long time again, and so did she. She held her breath and waited for him to speak.

After a long time, he finally said, "I'll drive the car to your apartment and wait for you at the intersection."

"mm." she hung up the phone and started making chicken noodles. she packed it up and went out. when she was changing her shoes outside, she heard pei huan's screams. pei qiqi shook her head and smiled. she walked out and closed the door.

when she arrived at the apartment, she saw a black sports car parked by the side of the road. the window rolled down and tang yu's face was revealed.

however, she noticed that the car was not one of the ones he had driven.

tang yu looked at her deeply. in the dark, pei qiqi couldn't help but shiver.

she stopped and looked into his eyes. after standing there in a daze for a while, she suddenly ran toward him. when she reached the car, she slowed down and slowly walked toward it.

she stood in front of his car window and bent over slightly. her voice was soft and light. "is there no relationship?"

"what relationship?" his gaze fell on her small face. he unbuckled his seat belt and opened the door.

she thought he was going to get out of the car, but that wasn't the case. he reached out with one hand and grabbed her small waist, bringing her into the car with her back facing him.

"noodles," she screamed. she was afraid that she would spill the noodles, so she focused all her attention on the noodles.

Tang Yu's big hand moved to her waist. He closed the car door with one hand and the window slowly closed.

The interior of the car became dark, and with the aura of a man and a woman moving their eyes, it suddenly felt extremely cramped.

and because he was behind her, she couldn't see him. she could only feel his thin lips on her neck, and the hot breath that he breathed out was very alluring.

With her empty hand, she hugged her trembling body and bit her lip, trying to avoid his kiss, but how could she avoid it?

On the contrary, he found it even more interesting this way, Yingying.

"Qi Qi, did you miss me?" His movements were a little slow as he looked at her unhurriedly.

She, on the other hand, was still concerned about her pitiful face. She raised her small face slightly to avoid his kiss and her voice changed slightly. Tang Yu, didn't you want to eat noodles? "

Tang Yu hooked his arm around her waist and lifted her up so she was facing him in his arms.

She suddenly hugged his neck and said in a low voice, " Tang Yu!

"there won't be anyone here," he said in an extremely hoarse voice.

bringing her to the rose garden or shengyuan would not be a good idea. going to a hotel would be an insult to her.

Tang Yu leaned against the back of the chair and held her little head. When she came back to her senses and wanted to break free, he pressed her down a little forcefully.

He murmured,"be good, you said Yingluo."

Tonight, he had to do it.

she didn't know how much effort he had put in to hide it from others. they had only been apart for one night, but he felt like it had been a century.

PEI Qiqi was held in his arms and smelled his manly scent. She was a little moved.

Tang Yu pressed her little head and placed it on his chest. He reached out and stroked her fluffy hair, " "baby yingying"

"Only noodles!" She looked up at him.

he smiled and said, " alright. "

He carried her with one hand, opened the door with the other, got out of the car, closed the door swiftly, and carried her to the elevator of the apartment.

The elevator door closed, and he couldn't wait to press her against the elevator wall and kiss her.

“There are surveillance cameras.” She turned her small face to the side. Her face was red and her hair was slightly messy.

tang yu gently brushed away the loose strands of hair on her face. seeing her blush, his heart softened.

He reached out and broke the camera in half. Then, he held her little face and kissed her hard.

she avoided him and struggled. he picked her up with one hand and wrapped her around his body.

The noodles in her hand fell to the ground, and his kiss deepened.

When the elevator door opened, he half-hugged her and kissed her as he walked to the door of her apartment. He leaned against her and said in a warm voice, “give me the door card.

PEI Qiqi raised her head and felt around. Finally, she found the room card.

But he couldn't open the Kasaya.

tang yu mumbled in pain, “go back to the car? hmm?”

PEI Qiqi's mind became clearer. Only then did she remember that the key card was from old kan and hers was in her bag.

She bit her lip, her eyes glistening with tears. I'll go get it from old kan.

Her legs were a little weak so she walked over and swiped open old kan's apartment door. Tang Yu was very concerned that his woman had another man's key card. He coughed, “Don't tell me he also has yours?”

PEI Qiqi acknowledged him. She didn't know that Tang Yan's face had darkened behind her.

“Why did you turn off the lights?” She felt a little strange. The lights were on when she left.

she turned on the lights and wanted to tell tang yu to wait outside. but when the lights turned on, she saw old kan and pei huan playing happily. they were playing a difficult lifting kasaya in front of the floor-to-ceiling window.

And the two of them weren't wearing anything. When she saw PEI Qiqi, PEI Huan screamed, “PEI Qiqi, didn't you go back to your own apartment?”

She covered her face and peeked through her fingers at Tang Yu, who was behind PEI Qiqi. She wanted to just hide in a hole.

old kan's body was full of bronze muscles, and his chest was full of fur, looking like he was full of hormones.

tang yu touched his nose and went out to wait for his woman. he thought to himself, would his qiqi like a man with big breasts?

In order to save PEI Huan's face, PEI Qiqi closed the door first. Then, she threw old kan's door card to PEI Huan, " "well, i can film without worry in the future."

PEI Huan was happy, but she was still a little worried. Qiqi, what about our meal? "

"shouldn't you learn to be my woman?" old kan wrapped a shirt around pei huan and put on a pair of shorts.

In order to please him, PEI Huan immediately said that she would learn how to cook. However, the experiments later proved that PEI Huan had not been able to master it even after 20 years! However, when she got pregnant, old kan learned how to take care of her picky stomach and improved his cooking skills to be as good as his photography skills.

"Go inside and take a shower. Lie down and wait for me." old kan patted pei huan and said very straightforwardly.

PEI Huan immediately ran into the bedroom like a happy little wolfdog. When she was done, she even licked her little mouth and looked at the 'meat bone' that was always talking. She was extremely charming. hurry up.

pei qiqi was caught off guard. she looked at old kan, " i don't remember you like sweet food. "

old kan lit a cigarette and held it between his fingers. there was a look of deep thought in his eyes. he was completely different from the impetuous person who wanted pei huan just now. he liked pei huan, but at the same time, he also treated pei qiqi as his little sister and doted on her.

"Have you thought about it?" he asked after a while.

pei qiqi knew what he was asking about. she replied, " yes. "

old kan glanced at the door and smiled. " it's not bad! "

a man who did it five times a night wouldn't make a mistake. the man in city H that night must have been tang yu.

old kan opened the door. tang yu was leaning against the door and looking outside. he pointed at pei qiqi and said in a harsh tone," this is my disciple PEI Qiqi. If you dare to bully her one day, I'll beat you up until all your teeth fall out!

"a new week, happy ~ please give me a vote!" good night!
