

Thank you 911

Chapter 911 Don't you think it's dirty?

tang yu smiled bitterly. at the same time, he was touched. when he wasn't around, his qiqi was revived because she met old kan. although he was sad that her change wasn't because of him, he was grateful to old kan.

He said thank you very seriously.

old kan stepped forward and patted his shoulder. " we'll wait for you to get married together. "

Tang Yu was serious, " Qiqi and I are a married couple.

– so you and pei huan don't have to wait, get married immediately! i'll be at ease this way!

Old kan raised his eyebrows. didn't you divorce that girl? "

old kan's heart was pricked!

tang yu's expression was as excited as if he hadn't had an 'uh-huh' for three days.

old kan pushed pei qiqi, " alright, i'll give you the girl without a backbone. remember not to eat until not a single bone is left. "

Before he closed the door, old kan said shamelessly for PEI Huan, " remember to make breakfast tomorrow.

the door closed. tang yu stared at his door for a long time. pei qiqi swiped open her apartment and took out the noodles, " tang yu, the noodles are all burnt. "

"then we'll play later!" he came back to his senses, closed the door, and gently pulled off his tie.

PEI Qiqi was a little afraid of his actions. During the three days in United States, he always tied her up with a tie to make her listen to him.

Tang Yu smiled, " I'm going to take a shower.

As she spoke, she walked into her bedroom in a very natural manner, as if she was half the owner of this place.

PEI Qiqi looked at Wanwan pitifully. In fact, she felt like f * cking a dog in her heart.

wasn't he in a hurry?

it had to be said that tang yu was very good at seducing pei qiqi. he knew how to keep her in suspense.

He took off his clothes in her bedroom, took a simple shower, and came out with only a bath towel around his waist.

the water droplets on the ends of his black hair rolled down his cheeks, then to his firm chest and lower abdomen, and finally rolled into the narrow bath towel, making her think.

pei qiqi stood at the door and looked at this invincible man. Perverted. Tang Yu threw a towel at her, "Help me dry my hair." there was a hint of unnoticeable hoarseness in his voice.

"oh," she replied and walked over. he was already leaning against the headboard and flipping through a magazine.

pei qiqi carefully knelt beside him and gently wiped the water off his hair. he flipped through the magazine with a calm expression.

"you're not hungry?" pei qiqi looked at the time. it was already half-past nine.

Tang Yu put the magazine to the side and carried her over. He said lightly, "cook two times before eating."

do it twice

he wanted to kiss her so she quickly placed her little hand on his chest and said in a low voice, "tang yu, i want to know how the child is like. is she doing well?"

tang yu's movements stopped and he looked deeply into her eyes.

pei qiqi's face was serious and she felt a little uneasy.

he looked at her for a while and smiled. "qiqi, do you really want to know?"

"En!" Her voice was like a little lamb, and her body moved up. Tang Yu, I promise I won't go find her, okay?"

because of her movement, mr. tang closed his eyes and groaned.

pei qiqi didn't notice his strange behavior. she placed both her hands on his shoulders and looked at him eagerly.

Tang Yu's fingers gently caressed her delicate little face. His fingers moved back and her long black hair fell down. She heard him say, "Qiqi, please me!"

that night, pei qiqi used all her strength to please him. really, she had never taken the initiative before, yueyue.

Chapter 912 don't you think it's dirty?

however, even after he was comfortable and enjoying himself, he still refused to show her the baby's photo.

pei qiqi's long hair was as fine as raindrops and wrapped around him. she bit him angrily, "Tang Yu, you didn't keep your word."

he chuckled and stroked the little thing in his arms. "Qiqi, you were tricked on purpose."

He leaned close to her ear and whispered, "you wanted to do that to me, didn't you?"

"I don't have such a hobby!" she blushed and turned her back to him. she was especially angry.

She had already used her little hands and mouth, and he was actually going back on his word!

Tang Yu hugged her from behind and kissed her neck, ” “Qiqi, go and cook for me.”

“I don’t want to!” it was rare for her to act shamelessly to him.

Tang Yu was helpless, ” Qiqi? ”

“i just don’t want to!” she pursed her lips.

he looked at her angry little face and hugged her with a smile. he ignored her punches and kicks and carried her to the kitchen.

“I don’t have any ingredients,” She looked at him angrily.

tang yu hugged her from behind and buried his face in her fragrant little neck. he gently nibbled, ” “If you don’t, I’ll eat you, okay?”

She could only obediently lie on his lower body. She was only wearing a large t-shirt, which was loose and convenient for him to move his hands up and down.

“isn’t it dirty?” she turned her head and glanced at him. her eyes were moving, and it was indescribably tempting.

in a moment of passion, he hooked her little head over and kissed her for a long time. his big palm was getting more and more excessive, and when he was satisfied with the kiss, he leaned close to her ear and naughtily taught her, ”i’ve kissed even if it’s dirty!”

“I’m ignoring you!” she turned around and continued.

tang yu’s slender body trapped her from behind. he was around 1.8 meters tall and she was as small as a child in his arms. he pressed his lips to her ear and said in a low voice, ” “qi qi, when you were eating just now, did you not think it was dirty?”

PEI Qiqi couldn’t listen to him anymore. He got an advantage and still acted innocent!

who tricked her into eating it?

She continued to ignore him, put the noodles on the small dining table, and went to brush her teeth.

tang yu didn’t make things difficult for her. after eating the noodles, he washed the dishes and smoked two cigarettes on the balcony before returning to the bedroom.

pei qiqi fell asleep. she turned her body sideways with her back facing him.

still angry?

He laughed silently and lay down on his side, his lips touching her neck as he murmured, ” PEI Qiqi, how about I serve you too? ”

it wasn’t that he had never done such a thing before, but his qiqi was a very shy little thing. when he did that, she couldn’t hold on for long and she wanted to end hanhan.

pei qiqi’s voice was still muffled, ” “i don’t want to!”

he laughed in a low voice. ” then what do you want? ”

“I’m sleeping!” She turned over and nestled her little body in his arms, hugging his waist and acting shamelessly.”don’t, okay?”

she hadn’t recovered from the three days in United States, and now that he was here again, she really couldn’t take it.

Tang Yu hugged her and looked a little uncomfortable.

After a long time, he hugged her and asked softly, ” “qi qi, am i out of practice? Are you feeling unwell? hmm?”

this question made pei qiqi’s face turn red.

She didn’t say anything and just buried herself in his arms.

tang yu lowered his head and searched for her lips to kiss. his voice was a little deeper, ” “Qi Qi?”

She snorted softly,”it’s not Yingluo.”

“Too many,” he mewled like a kitten.

Tang mo was stunned for a moment before he understood. He seriously reflected on whether his needs were too strong.

After a while, he reached out and touched her head. go to sleep then!

Chapter 913 don’t you think it’s dirty?

only then did pei qiqi heave a sigh of relief. tang yu considerably continued, ” “I’ll do it myself.” she almost cried!

How could she fall asleep when he did this to her?

Because she didn’t know when Tang Yu would have the energy to have his next meal, he would stick around her until the second half of the night. PEI Qiqi thought to herself that she shouldn’t pity old kan’s kidney. She should pity herself. At the same time, she admired PEI Huan. That small body of hers was really durable!!!

in the end, when she woke up at eight in the morning, her head was still heavy.

She turned off the alarm clock with her fair and tender arm, then closed her eyes and lay down for a while before she wanted to get up.

tang yu hugged her and woke up. after all, they had sex the entire night!

his voice was a little hoarse. ” i’ll go! ”

PEI Qiqi was a little surprised. Tang Yu had already gotten out of bed and put on his clothes. He wore long pants and a shirt. He looked noble and went to her kitchen.

PEI Qiqi laid there for a while and decided to let him do as he pleased.

pei huan and old kan woke up at nine o’clock. she had a job at eleven o’ clock. otherwise, she would have slept until the afternoon.

he yawned and walked over to pei qiqi’s dining room to wait for breakfast without being polite.

she wasn't fully awake yet, so she held her forehead and called out to pei qiqi softly.

pei qiqi walked out of the bedroom. pei huan's eyes widened, " "Qiqi, you just got up?" wouldn't that mean her breakfast was ruined?

pei qiqi greeted old kan and sat down to wait for breakfast with pei huan.

Old kan too!

three people, you look at me, i look at you, yingluo, where's the last one?

Could it be Yingluo?

PEI Huan was in disbelief. She turned to look at the kitchen and saw Tang Yan standing in the kitchen. His figure was slender and beautiful.

for a moment, pei huan was a little infatuated. she looked at it eagerly. it was really beautiful.

No matter how she looked at it, she still felt that it looked good. PEI Huan admitted that she was a little smitten, but she was just admiring it.

Old kan sneered. PEI Huan, go and pack your luggage after breakfast.

pei huan's gaze was still on the slender figure in the kitchen. she casually replied to old kan, " "Why?"

Old kan continued to sneer and didn't say anything.

pei huan took about ten seconds to understand, and a chill ran down her spine.

Old kan was angry!

moreover, he was angry and jealous!

"i'm just looking, just like how you men stare at beautiful women," he said, trying to please her.

Old kan sneered, "I don't like to stare at beautiful women." &Nbsp;

PEI Huan was speechless.

Old kan's expression was cold, "PEI Huan, marriage is not child's play!" if you can't even be sure, then let's go our separate ways!"

Scattered?

PEI Huan blinked her eyes for a long time, and the tears in her eyes disappeared.

After a long while, she raised her head and said, " sure, Lian Mingzhu! let's just disperse! i know you can't forget that old woman, su yue, and you call her that even in your dreams!"

As PEI Huan spoke, she stood up. I'll let you and that old woman grow old together. You'll have a life without sex and no sex!

the veins on old kan's forehead were bulging. he narrowed his eyes and glared at her. she was simply unreasonable!

his eyes were as big as copper bells. ” be reasonable! When did I dream of her?”

“of course you don’t know what you said last night!” PEI Huan flew into a rage out of humiliation. spend the rest of your life with your old woman! Kanmingzhu, you can go and confess. Let’s see if your goddess will care about you or sleep with those men.”

before she could finish, she was hit in the face.

pei huan had touched old kan’s bottom line.

Chapter 914 you’re infatuated with your feelings, i’ll find my man (1)

Old kan really liked PEI Huan and really wanted to live with her.

He only said that because he was anxious and jealous. He was throwing a tantrum, but PEI Huan’s words were too much and old kan could not tolerate it.

however, he immediately regretted slapping her, yingluo.

His palm was as big as a fan, thick and rough. Her face must be in pain, right?

He looked over and saw that PEI Huan’s face was half swollen. Instantly, old kan’s heart ached and his voice was a little uncomfortable. does it hurt? ”

he reached out to touch her.

PEI Huan shrunk back and there was a hurt look in her eyes.

He still cared about su Yue!

It was true that he called su Yue’s name at night.

it wasn’t that she didn’t care, but she chose to be tolerant because she knew that she was useless and wasn’t as capable as su yue, who was doing so well in the industry.

However, old kan had slapped her for su Yue just when they were about to get married.

PEI Huan raised her head and sneered at old kan. I don’t need you to chase me away. I can leave on my own! Lian Mingzhu, it’s my fault. I’ve delayed you! I thought that you liked me because you saved me. I was overthinking!”

She forced back her tears and said with a determined look, ” “In the future, whoever looks for another person is a bastard.”

her arm was caught!

She knew it was old kan and didn’t want to see him, so she turned her face. bastard, get lost! Don’t touch me! Go and touch your white moonlight! Go and touch your dream man!

he wouldn’t let go.

PEI Huan shook him off and said in a sharp voice, ” “You’ve never seen a woman before, have you? other than su yue, all the other women are the same to you. they’re just a passageway, aren’t they?”

old kan's eyes were about to pop out, and his nose was constantly moving, looking very scary.

after a long time, she finally squeezed out a sentence. "pei huan, you clearly know that it's not like this!"

PEI Huan chuckled. isn't it like this? Do you think I'm an idiot?"

she lowered her head and looked at his hand that was holding her. she said very softly, "Let go."

Old kan couldn't bear to let her go, and once he did, she left.

He didn't know if he called su Yue's name that night, but if he did, it must be a habit.

This girl, she had been following him around like a little dog, eagerly treating him as her master, but now she had turned hostile.

PEI Huan chuckled, 'you think I'm fickle? lian mingzhu, you were the one who told me to get lost first! No matter how useless I am, I won't rely on an old man like you!"

With that, she stepped on his foot and ran to the opposite door to pack her luggage.

Poor Xiaomei helped her move in last night.

old kan chased after him-

Tang Yu came out of the kitchen and made a Chinese breakfast. Surprisingly, it was quite decent.

"Are they alright?" he looked at the door.

pei qiqi buried her head in her breakfast and said very calmly, "it's fine. I can guarantee that old kan will be the one throwing PEI Huan onto the bed. There's nothing between them that can't be solved with their bodies.

Tang Yu sat beside her. Even though he had made breakfast, he still looked elegant.

He raised his eyebrows.

PEI Qiqi raised her eyes and coughed lightly. normally, if one time doesn't work, then two times!

before breakfast, mr. tang left a sentence, "qiqi, are you reminding me that i'll do the same if you're angry in the future?"

He looked at her very seriously and asked, "Qi Qi, how many times do you want it to be? I'll definitely do my best to cooperate."

pei qiqi glared at him!

Chapter 915 you're infatuated with your feelings, i'll find my man (2)

pei huan ran to the opposite side and frantically packed her clothes.

Old kan kicked the door open with a bang. The little wolfdog had already packed up the clothes and was about to leave with the small box.

Old kan's head hurt a little. He looked at the unzipped suitcase, and half of his little *** was exposed ...

How did she survive until now?

“are you really going to leave?”

pei huan raised her head and tried hard not to cry. he was just a man, she still had this bit of backbone.

“Yes,” he said it with certainty.

Old kan took a step back and leaned to the side. He stared at her with a burning gaze. “you’re not coming back?”

“Yes.” He was still determined.

old kan’s eyebrows twitched, and he rubbed the space between his eyebrows. ” i’m going to book a house in the afternoon. ”

“That’s great. You can stay with that old woman, su Yue.” “If you kneel in front of her and beg, she might be touched,” PEI Huan said viciously.

Old kan’s veins popped out again. PEI Huan, don’t go too far.

“alright, i’ll go! it wouldn’t hinder the union of the great scholar and lady su! i’m shallow, i stare at good-looking men, but i f * cking don’t think about men at night, talk in my sleep, and call their names.” PEI Huan laughed coldly. goodbye!

as she spoke, she pulled her suitcase and walked out. along the way, tears flowed down her face, but she didn’t care. she cried silently and opened the door to go out.

Old kan pulled her back and his voice softened a little. you’re really leaving? ”

pei huan didn’t turn back. she held onto her luggage so tightly that her fingers were white.

She lowered her eyes and looked at her toes. She said in a low voice, ” But it doesn’t mean that I’ll give in to you unconditionally! I said we all have to be clean, not just the meat.| Physical, and mental.”

She paused for a moment before saying, ” I saw Lin jinrong yesterday. I liked him and loved him. It’s not that I didn’t feel anything, but I put you first. I’ve completely let go of you. But what about you? do you dare to say that you have plans to chase su Yue out of your heart? ” Do you dare to say that every time after you did it with me, you’ve never reminisced about the time you spent with that old woman in bed?”

As PEI Huan spoke, she started to cry again. She used the back of her hand to wipe her eyes and said fiercely, ” “Let’s do this! You can continue to be infatuated with me. I’ll find my man. ”

her words made old kan’s heart hurt.

in his heart, pei huan had always been superficial. he didn’t hate her for being superficial. instead, she was very cute like this.

He knew that she liked him passionately, and he liked her too. But at this moment, he realized that there was a difference between PEI Huan's like and his like. What she wanted was far more than what he was willing to give.

he grabbed her arm and did not let go. pei huan's voice was low. " kan mingzhu, just one sentence and we're on the battlefield. for so many years to come, i don't want to be like this forever. "

She couldn't help but cry in a low voice, because from this moment on, she wanted to regain her dignity as a woman.

There was once a man who didn't love her, and she willfully chose to take revenge.

however, old kan did not love her, so she chose to grant him his wish.

he didn't let go, and she was furious. she threw the entire suitcase at his feet and wailed, "

pei huan's face was full of tears as she cried, " kanmingzhu, i'll help you and that old woman, okay? let go of me, if you want to find a woman to spend money on, go flirt with."

old kan watched her make a scene. at first, he was annoyed, but slowly, his anger subsided.

Chapter 917 this is what it means to be cool (2)

After that, she just needed to take a few more photos and put them on the front cover. PEI Qiqi was about to convince Tang Yu to unbutton his collar when old kan's phone rang.

It was PEI Huan.

in an instant, old kan's expression softened a little, and his voice was also soft when he picked up the phone."yes, at sheng yuan! I'll pick you up in a while, Yingluo. she paused for a moment before saying, " "Then come over and wait for me."

Old kan put away his phone and explained, " PEI Huan happened to be nearby. I asked her to come over. Let's have dinner together later.

he said it while looking at pei qiqi. because of tang yu's special identity, he didn't have a share.

Xiao ran was there as well. He looked at his CEO's expression and laughed in his heart. Then, he went to the door to wait for PEI Huan. He felt very strange in his heart. PEI Huan's reputation was very bad in the past. She was really bad as a person. She was willful and selfish.

now, she had actually turned over a new leaf, and she had even gotten a man like old kan. she was really lucky.

Although old kan had been a Casanova before, men and women were different in this matter. One could only say that the world was fair to PEI Huan.

PEI Huan came over quickly with Xiaomei following behind.

she did not know what kind of movie pei huan was filming, but she was still wearing her black evening dress and had exquisite makeup on. the moment she entered, she complained, " the dressing room today is terrible. I don't want to stay a minute longer.

xiao ran could tell that pei qiqi and pei huan's relationship was no longer as cold as it used to be. she was about to bring pei huan to the staff lounge to do her makeup when old kan stopped her, " wait a minute! "

" ah! " pei huan exclaimed as she walked over, her eyes filled with little red hearts.

old kan knocked her on the head. " what are you thinking about? "

"Go over there and sit," he directed her.

when pei huan saw that it was tang yu, she hesitated. however, tang yu didn't really care.

pei huan looked at old kan carefully. " not jealous anymore? "

"Be more serious and work!" Old kan gestured with his eyes and PEI Huan sat over.

they sat next to tang yu and were very close to each other. their little hands wrapped around tang yu's arm and their faces were on his shoulder. they winked at old kan provocatively, " will this work? "

old kan directly scolded her like the first time he had shot her. " "what are you doing? Selling your body?"

pei huan felt a little wronged. there were no outsiders here, so she said softly, " the one who sold her body was pei qiqi. "

the female protagonist she was talking about was helping tang yu adjust his pants. she was half-kneeling on the carpet and looking up at tang yu. her eyes were a little misty.

She was also dressed in black today, just a very simple black t-shirt and jeans. Her hair was tied up in a ponytail, and she looked like the most ordinary but also the most elegant waiter.

However, PEI Huan was sitting beside Tang Yu. She was dressed in fine clothes and her eyes were filled with resentment.

tang yu's eyes were on pei qiqi. he lowered his head and looked at her-

old kan's blood was boiling as he took a few photos.

The sound of the shutter made PEI Huan look up. PEI Qiqi wanted to turn around too but Tang Yu pressed her down on his leg.

old kan took a few more photos of yingying, which made them look like they were from a story, and they weren't just stiff photos.

he looked at the photo and put away the camera."let's wrap up!"

PEI Huan ran over,"you're done already?" Do I have the money to take it?"

Old kan snorted. I'm willing to bid for you. You still want money? "

PEI Qiqi hit him while he was down,"in the past, I used to take money from people when I hit them."

pei huan thought for a while and then pulled old kan's ear, resentfully saying, "Lian Mingzhu, you shameless old man."

it was obvious that it was not a good thing.

Old kan looked at his little disciple Jue Jue with a reproachful look.

"i've entered the QQ browser circle. i welcome readers to come and exchange ideas. "

Chapter 918 the beginning of the contest with the white lotus (1)

old kan did a good job of keeping it a secret. pei qiqi only saw the cover when THE ONE's sample came out.

that set of photos was shocking! There were three protagonists and they were all very vivid. The scene captured her and Tang Yu's gazes in the right place. Their postures were also a little ambiguous. Her hand was on Tang Yu's knee and Tang Yu's body was slightly tilted towards her.

on the side, pei huan also had a good grasp of the camera. although she was holding onto tang yu's arm, her eyes were empty for some reason. it was like she was afraid and she was trying her best to hold on to something!

the three of them made one think of many stories. later readers had automatically replaced pei huan with shen lian. it was quite ironic.

In the end, this magazine was not bound to Jia Ren, because everyone agreed that this magazine was enough to carry the burden.

in the early stages, the expansion department of the magazine agency had already won over several big-name sponsors. two of them used to be from MAN magazine, and they had forcefully stirred up MAN, which shen lian had built up single-handedly.

of course, there was a lot of bloodshed in the process, but nothing could be changed. no one could stop THE ONE from rising.

The editor-in-chief made up his mind to double the circulation of Jia Ren magazine in the past. Even so, it was sold out within two days. The reason was that the cover and inner pages were as good as the photobooks.

Especially since this was old kan's work, it was not easy to get it. Now that he could buy it for 20 yuan a book, who wouldn't want it?

not only that, because the first issue was tang yu, all the elites in the business world were proud of this magazine and wanted to increase their popularity. the popular young people could only stare at it and couldn't get on.

and the biggest winner of this party was pei huan, who became famous again. she was pushed into the second tier of the entertainment industry because she was in a magazine with tang yu. she was very high class.

PEI Huan had successfully cleared her name.

the other female lead, pei qiqi, was much more mysterious. all the ladies in the upper-class society recognized her. she was tang yu's ex-wife.

although his squatting posture seemed humble, the deep love in tang mo's eyes couldn't be wrong. these two were still entangled ...

This was what Shen Lian couldn't stand THE most. Wherever she went, the ONE would always be there and she would always live in PEI Qiqi's shadow.

she went to sheng yuan again to argue with tang yan, but this time, she didn't even enter the main door.

Shen Lian was very uneasy. She frantically called Tang Yu's phone but he didn't pick up.

after that, she softened and sent him a message saying that it was her fault for going to the rose garden last time, begging him to forgive her.

in the end, she got xiao ran's approval and confirmed that tang yan would support her in the fashion festival next week.

She knew that PEI Qiqi would be there too. When the time came, she would crush PEI Qiqi and let Tang Yu know who was the most suitable woman for him.

In the president's office at Sheng Yuan, Xiao ran stood behind Tang Yu in silence.

As the head secretary, Xiao ran knew much more than the others.

She was a little shocked about Sheng Yuan's recent situation.

on the surface, it was calm, but on the inside, it was already different. the upper and middle levels had been transferred without a sound and their whereabouts were unknown.

Xiao ran hesitated and said in a soft voice, " President, why do you have to indulge her like this? "

she was referring to shen lian!

tang yu's fingers lit up a small cigarette and his tone was calm, " it will be over soon. "

He turned around and looked at Xiao ran. Shen Lian owns 20% of Sheng Yuan's shares.

Xiao ran was shocked.

Because she already knew what Tang Yu was going to do, Yingluo.

Chapter 919 the beginning of the contest with the white lotus (2)

tang yu smiled, " you should be able to tell! However, this is far from the final result. Even if Sheng Yuan is an empty shell, Shen Lian will still benefit from it. "

Xiao ran was shocked. She couldn't believe it. He was an elegant man who had always been in the clouds. How could he be willing to fall into the dust?

what's there? " Tang Yu continued to smile.

he had everything he had since he was young. now, he only wanted to have qiqi and their child.

he knew in his heart that if he told pei qiqi about little xinxin's identity, she would really lose her will to fight.

his qiqi did not really like to be a strong woman. she liked photography more.

so, he could only cruelly whip her.

Because he thought of her, Tang Yu's lips curved into a gentle smile. Xiao ran's heart also softened, " does Qiqi know? "

Tang Yu nodded and turned around. At this moment, his back looked tired.

it seemed that he had not really rested for the past two years.

xiao ran's eyes turned warm as he looked at it.

tang yu said indifferently, " there's a draft on the table. help me reveal it to the media. make it look good and don't let people find out. "

Xiao ran's gaze fell on the office desk. He slowly walked over and picked it up. After a few glances, he was a little shocked.

was tang yu trying to kill shen lian?

"Will this affect your reputation?" she looked up and hesitated.

"That's not important!" He said indifferently. What he wanted to do was to make sure that Shen Lian would not have the time to hurt Qi Qi.

it had been half a month since he last saw qiqi. he missed her very much, but for her safety, he had to bear with it.

Even if the whole world knew that he liked her and loved her, he could not see her often.

Occasionally, he would 'run into' her and watch her petite body carrying a camera as she shuttled through the crowd.

Occasionally, she would see him sitting in the car and smiling at him.

But he knew that she missed the child. She really wanted to know what the child looked like, where the child was, and if the child was okay. But when he said it wasn't safe, she really stopped asking.

there was always an unspeakable sadness and heartache in his heart.

In the end, Tang Yu couldn't make it to the event because of what happened at the United States branch. He flew to the US the day before and Shen Lian couldn't do anything about it.

However, she was very excited. Because Tang Yu wasn't here, she could deal with PEI Qiqi this b * tch.

On Saturday night, the annual Fashion Festival was held at a certain star resort. As early as a month ago, the resort had begun to clean up the guests and prepare the venue.

that night, the stars were shining brightly, and many big brands came.

What surprised PEI Qiqi the most was that Empress ye was here as well.

It had been a long time since ye Liangqiu had any work. At first, there were no arrangements. The company had made preparations for her to go abroad and later on, she had to be put into cold storage. However, tonight, she had appeared with Qin Anlan.

The entire venue was in an uproar because of Heavenly Queen ye's arrival. The media chased after her, mainly asking about her schedule and future development.

Ye Liangqiu stood beside Qin Anlan. Her makeup was appropriate, and she said very calmly, "next, I may be taking a break from the film industry to accompany my family.

The reporters were in an uproar!

qin anlan's expression was also indifferent, as if he had already known about it. he did not answer any of the reporters' questions.

pei qiqi walked down the red carpet and happened to hear ye liangqiu's words.

Chapter 920 The beginning of the contest with the White Lotus (3)

pei qiqi saw qin anlan's attitude and knew that ye liangqiu still had some weight in KING. otherwise, qin anlan wouldn't have hidden her from the public eye and brought her to public events.

however, no one knew if xi liangqiu or qin anlan would win in the end.

she came with old kan. old kan was rarely dressed formally and had shaved, so they looked very harmonious.

Tonight, PEI Qiqi was wearing a pure blue evening dress with an off-shoulder design. It wrapped well around her small chest and slender waist. Her snow-white skin was especially mesmerizing. Her long hair was gently tied up, and there was a dazzling diamond chain around her neck. Old kan gave it to her and said that it was sponsored by a certain brand. He just wanted to return it after using it.

She held onto old kan with her small hand and nodded when she saw Qin Anlan.

qin anlan's gaze was unfathomable. he looked at her and did not say anything.

The atmosphere was a little uncomfortable. Of course, PEI Qiqi wouldn't stick her hot face to his cold P * s. She walked into the venue with old kan.

more than half of the people were already seated inside. she and old kan's seats were neither in front nor behind, and they were in the third row. after they sat down, they realized that shen lian was sitting not far away and was looking at her with a cold gaze.

Just like Shen Lian's mood, her dress was also black with a hint of green (it's Green!)

pei qiqi acted like she didn't see anything and sat down with old kan calmly.

The staff in front busied themselves, and su Yue was standing in the middle of the stage in a silver gown. She was holding a manuscript in her hand and going through her lines with the male host. Her makeup was exquisite and flawless.

pei qiqi turned around and saw old kan looking at su yue. she coughed, ” “if pei huan sees your gaze, there will be another bloodbath.”

Old kan retracted his gaze and smiled. I just suddenly feel that su Yue is an ordinary woman. she would also grow old!

No matter how well she took care of herself, there was an old look on her face.

Old kan didn't know if he was the same as most men. When he saw su Yue like this, he really liked the younger PEI Huan. He liked her young and flexible body, and he also liked her energy.

As he thought about it, he suddenly met su Yue's gaze. He felt a mix of emotions.

It was as if he had betrayed su Yue.

All these years, many women had come and gone. Su Yue knew that, but he had never felt this way before. However, PEI Huan was different. He was serious about her and wanted to marry her.

su 'er's eyes were filled with resentment, and old kan's veins popped out.

PEI Qiqi looked on coldly from the side. She didn't feel too good. He was always making eyes at su Yue. If su Yue changed her mind at this time, would PEI Huan have nothing to do with it?

PEI Qiqi thought about it but she didn't say anything.

at this moment, pei huan also happened to walk over. she was wearing a gray evening dress and looked quite classy. she had a high attitude that could compete with heavenly ye.

When she looked at old kan, her little face was tense and she didn't say anything. Old kan was a little uncertain whether she had seen something just now, but he didn't dare to ask. He watched her sit beside Qin Anlan, one on the left and one on the right of Heavenly Queen ye.

anyone with eyes could tell that pei huan was the biggest beneficiary of THE one magazine's sales. after all, pei qiqi wasn't a celebrity in the entertainment industry and she wouldn't be working here in the future.
