Chapter 921 The beginning of the contest with the White Lotus (4)

pei huan was different. that photo was enough to prove that she was not just a pretty face. her eyes had a story.

In addition to Heavenly Queen ye's cold storage, PEI Huan's spring seemed to have come again. She took on a few endorsements for second-tier brands and her net worth rose.

pei qiqi looked at old kan sympathetically and said in a low voice, "you're in for it!"

old kan sat up straight and didn't say a word.

however, he was no longer looking at su yue. he was looking at pei huan.

PEI Qiqi looked at him for a while and her mind was clear. She changed the topic and whispered into old kan's ear, "I heard from Amy that MAN bribed the judges and they'll be the ones winning the media Awards this time. Did you hear any news from the managing editor?"

Old kan coughed and said, "the ONE will definitely win the new Star Award. No one can say for sure how influential it is, but I can't say for sure for the media Award. After all, the ONE has Jin tai and his big backing. Shen Lian is also trying her best to compete with you. I'm looking at Chu changxuan.

PEI Qiqi smiled and didn't say anything more.

the ceremony started and the lights were dimmed, leaving only the stage lights to flash back and forth. su yue and the male host came up from the backstage. she lifted her skirt and looked extremely elegant.

PEI Qiqi looked on and admitted in her heart that even if PEI Huan cultivated for another 30 years, she might not be as strong as su Yue.

Su Yue had a wide network of connections in the entertainment industry, and even someone like Qin Anlan would think highly of her.

Tonight's ceremony was divided into two areas. One was for entertainment figures, and the other was fashion media.

As expected, Heavenly Queen ye won the power Star Award. This award was very valuable and was ranked according to the income of a celebrity. Heavenly Queen ye had earned more than one billion in the previous year and was far ahead of the second-place winner.

When she went on stage to receive the award, there was a round of applause from the audience.

As a diva, ye Liangqiu was already trained to be calm. She looked at the camera and smiled. thank you to my boss, King Entertainment. Thank you to my boss, Mr. Qin Anlan, for cultivating me. Thank you to my manager, sister Kuan. Thank you to my fans for not giving up on me all these years!

she raised the trophy and smiled. "Trust me, I'll be back soon."

Her face had a touch of indifference and calmness, which was definitely not comparable to those popular flowers.

the loyal fans below screamed, " ye liangqiu! ye liangqiu! "

ye liangqiu waved at them, then left the backstage-

She fully displayed the demeanor of a Heavenly Queen!

qin anlan sat down. his assistant, kaimi, said softly, " "big sister kuan is very good at taking care of people. in just a few years, ye liangqiu has already acquired an indestructible body."

Although she said she was going to be put on the cold shoulder, her attitude was so calm that no one could guess what she was thinking.

Qin Anlan looked in the direction that she had left. It was a dark scene. He laughed coldly. a person who wants something will not give up everything she has.

the more indifferent ye liangqiu was, the more she couldn't let go of something. however, qin anlan didn't know what she wanted and didn't want to guess ...

maybe keeping her in the cold would make her confess!

kamie didn't say anything else, because ye liangqiu wasn't someone he could casually talk about. today, she was frozen, but tomorrow, she might be in boss qin's hands again!

at this time, the atmosphere had reached a climax. the fans were sad because of ye liangqiu's temporary retreat. they even called ye liangqiu's name hoarsely, full of tragedy.

This was exactly what Qin Anlan wanted-hunger marketing.

Chapter 922 the beginning of the contest with the white lotus (5)

su jue had also been nominated for the most influential newcomer award. to his surprise, it was pei huan.

she was surprised because she had no works and won the award with just a magazine cover.

pei huan was bizarrely popular. because of that photo, she was a little redundant, causing a large number of fans to feel heartache. they all said that they owed pei huan a relationship.

this topic had been hyped up for a long time. in fact, it was also hyped up by KING entertainment.

PEI Huan was also a little surprised. She covered her mouth with her delicate fingers, which were painted with nail polish. The ten-carat diamond ring on her finger was so dazzling that it could blind people.

She blinked away the tears in her eyes and went on stage, almost unable to walk properly.

when she passed su jue, she paused for a moment, but she quickly walked forward.

taking the trophy from the hands of the guest who was giving out the award, she looked down and sobbed excitedly, " " thank you to everyone who loves me and my fans who love me. it's your support that brought me to where i am today. "

her nose was a little red, and her voice was nasal. she even had to wipe the tears from her eyes.

However, in PEI Qiqi's eyes, PEI Huan was more dazzling than ever.

such a pei huan deserved all the good things, including old kan's love.

pei huan started to speak incoherently. she looked at old kan below the stage and her gaze became gentle. " i think i've found my love. from now on, i'm not alone. "

old kan also looked at her. he actually felt proud of this good-for-nothing guy.

When PEI Huan got off the stage, her footsteps were a little fast and she almost fell. Old kan almost rushed forward to help her, but PEI Huan managed to stabilize her body in time.

she blinked at old kan and old kan was shocked.

Su Yue was in a daze as she watched PEI Huan and old kan's interaction.

The male host saved her from embarrassment and signed up for the best new media force-

"THE ONE!"the male host was quite excited because the one receiving the award was pei qiqi from the magazine.

PEI Qiqi smiled and lifted her dress up to go on stage. She looked very elegant.

old kan really wanted to drag pei huan and see how she walked.

pei qiqi went on stage, took the trophy, and smiled, " thank you for your trust in THE ONE. as a member of the media, i think we will report it and make it more realistic and positive. thank you. "

A round of applause sounded from the audience and PEI Qiqi left the stage.

Su Yue followed up with the best media Award, which was the most important award of the night. It meant that the media would have the most collaborations with celebrities next year, and it also meant that the media's traffic would increase.

shen lian raised her head slightly. she had already called all the calls up and down. jin tai and the MAN below were determined to win.

Su Yue looked at the name list and paused for a moment. Then, she calmly reported-

"Jia Ren magazine."

The moment these words came out, the crowd burst into applause.

Shen Lian's face was ashen. Then, she muttered, " how is this possible? "

She stood up without a care for her manners. miss su, I suspect that you have selfish motives and lied about the results.

Su mo looked straight into Shen Lian's eyes and smiled. CEO Shen, are you suspecting me? "

"Right!" shen lian said firmly.

su mo lowered her eyes and smiled. " then why should i? Could it be that President Shen already knew the result beforehand?"

Shen Lian pursed her lips and did not say a word. She secretly hated su Yue.

this woman was simply a vixen, and an old vixen at that. she was very difficult to deal with.

For a little girl like Shen Lian, su Jue did not need to waste any effort. She had long found Shen Lian unpleasant to the eye and just a small action from Jian Jia had made Shen Lian fall for it.

Chapter 923 Qi Qi, you're so Black-bellied (1)

su mo smiled and looked magnanimous. " if you're worried, you can go up and take a look. "

shen lian probably would not go on stage directly, so she asked someone she trusted to watch.

The man went to su Yue's room and looked at her with a troubled expression.

Shen Lian's face darkened when she saw this.

She lost. She lost to PEI Qiqi again. She lost face in front of everyone again.

shen lian flicked her sleeves and left. from this day on, she hated su 'er.

Su Yue looked at Shen Lian as she left and sneered.

Little girl, you dare to fight with me!

it's still tender!

In fact, Shen Lian's dirty tricks had already been reported by others. In private, the evaluation committee removed the 'MAN' candidate. However, Shen Lian did not know about this.

however, all of this was not because of the so-called fairness and justice. it was because there was a BOSS even bigger than shen lian who did not want shen lian to have an easy time.

To be honest, su 'er had received five million Yuan from the underground transaction.

There was no other way. The cruelty behind these luxury goods was so cruel that everything could be bought with money.

Just like Heavenly Queen ye's award, when they received news that she had been frozen, King Entertainment sent her 10 million Yuan.

Su Yue watched Shen Lian leave and laughed mockingly.

She was just a little girl with a good family background. She didn't have any abilities and thought of everything too simply.

Furthermore, the Grand ceremony would not be interrupted by Shen Lian's incident. There were only some small awards after that, and they did not have much value.

Jia Ren magazine had won a huge victory this time. PEI Qiqi and old kan would naturally stay behind to attend the following cocktail party.

From afar, PEI Huan was holding a cup and talking to a few investors. Old kan looked at her absent-mindedly.

PEI Huan would occasionally glance over and send messages with her eyes.

PEI Qiqi drank two glasses of fruit wine and her face felt hot. She covered her face, "old kan, aren't you guys too embarrassed to be naked like this?"

Old kan had a long beard and his chin was a sexy shade of green. He finished the wine in his glass in one gulp and placed the glass on the waiter's tray. He grinned, "PEI Qiqi, do you want to come home with us? it will definitely be more embarrassing than now.

pei qiqi felt that old kan was already shameless enough in the past. now, he had leveled up several levels and was like pei huan's CUP.

Just as old kan was feeling relaxed and happy, thinking about how to tear apart PEI Huan's dress when he went back tonight, a gentle voice rang out beside him. Mingzhu.

old kan paused for a moment. over the years, some people called him old kan, while others called him kan mingzhu. however, only su yue had called him mingzhu, but that was many years ago.

He turned to look at su Yue and saw that she had already changed into a fresh green gown. The door was wide open, and her chest was exposed.

he remembered that he used to like to be buried there, and she would hook her arms around his waist and call him bad.

They would fight until the middle of the night, and like two children, sometimes they would laugh, sometimes they would cry.

What old kan and su Jue had experienced was something PEI Huan could not compare to. Even when su Jue appeared in front of old kan like this, old kan was not unmoved. His eyebrows twitched and he looked at su Jue like she was a blooming green Lotus. She had become younger by more than ten years.

PEI Qiqi was a girl. Naturally, she had her own delicate thoughts.

Su mo dressed like this with the intention of provoking PEI Huan. However, PEI Qiqi would not expose her and had to be friendly.

love was an important place in the military, and there was no room for any mistakes. pei huan was so silly, so she naturally had to help.

Chapter 924 qi qi, you're so black-bellied (2)

su yue first looked at old kan and saw a look of surprise in his eyes. that was exactly what she wanted.

Then, her gaze shifted to PEI Qiqi. Su Yue's attitude towards PEI Qiqi was different.

She was a white-boned woman in the workplace. How could she not smell the coming of a storm? PEI Qiqi's life was smooth sailing because she had Tang Yu behind her. With Sheng Yuan or Tang Yu's support, PEI Qiqi would be at the peak of her life. This was something that Jin Taihe couldn't do.

More importantly, PEI Qiqi was old kan's beloved disciple. Whenever old kan stopped being with PEI Huan, PEI Qiqi would still be his disciple. Su PEI could clearly see that PEI Qiqi's opinion had a crucial effect on old kan.

so, she was especially polite to pei qiqi.

pei qiqi returned a smile but her nerves were tense. she looked at pei huan in the distance-
this fool!

Su mo smiled. Qiqi, ” she said, ” I want to talk to your master alone. Can I? ”

PEI Qiqi nodded,”of course you can.” &Nbsp;

As she said that, she gave old kan a meaningful look. Old kan understood what she meant.

Old kan wasn’t a block of wood, and he knew su Yue very well.

There were some things that were better left unsaid. It wasn’t good to keep it in one’s heart.

old kan and su ‘er walked towards the balcony. it was dark and secluded.

PEI Qiqi looked into the distance. The sound of high heels came from beside her. She saw that it was PEI Huan.

PEI Qiqi reached out and pulled her back. In a low voice, she said, ” “are you going to go and make a scene with old kan?”

PEI Huan gritted her teeth. I knew this old woman had bad intentions. Look at her dressing up as a young lady. She’s clearly trying to seduce old kan.

“since you already know, why expose it?” PEI Qiqi tugged at her and only let go when she calmed down. Her voice was still low, ” you clearly know about their past. You clearly know that old kan cares about su Yue. If you go and cause a scene like this, aren’t you falling into su Yue’s trap? ”

pei qiqi laughed coldly,”you have to be smart.”

pei huan almost jumped up, ” pei qiqi, you’re saying i’m stupid? ”

is there a need to say this? this is an obvious fact! pei qiqi gave her some advice,”pei huan, think about it. what’s your advantage over su yue?”

pei huan’s expression was as if she had eaten something digested. she mumbled and could not speak. n/ô/vel/b//in dot c//om

PEI Qiqi continued, ” she’s young and beautiful. Even if she’s a little stubborn, she’s cute! su yue won’t be able to act like that no matter how hard you try, because of her age.”

these words made pei huan’s heart feel extremely comfortable and happy. after all, women were vain.

pei qiqi quickly destroyed her honey-like confidence, ” but you’re less mature than su yue. you lack inner qualities. ”

“I think I’m also quite meaningful.” pei huan muttered unhappily.

PEI Qiqi looked at her and laughed, "if you go and make a scene with him now, you will embarrass them like a Shrew. PEI Huan, do you think that old kan still has some feelings for su Yue? do you think you will be finished with him?"

PEI Huan's eyes widened. She was not sure.

after a long while, he asked unwillingly, "then let this adulterer and adulteress talk about love there?"

pei qiqi said with certainty, "if you don't kick up a fuss, old kan will at most make things clear to su mo. once you kick up a fuss, su mo will be able to see the big picture. the winner and loser will be immediately determined. pei huan, su mo wants you to kick up a fuss." Do you understand?"

Chapter 925 Qiqi, you're so Black-bellied (3)

PEI Huan didn't understand because she felt extremely sad when she saw old kan and the old man together.

However, she believed in PEI Qiqi. Qiqi said all these for her own good.

Hence, he gritted his teeth and said, "that b * tch is lucky!" &Nbsp;

then, his expression changed. he looked at pei qiqi with admiration, "qi qi, when did you become so black-bellied? it feels so powerful!"

PEI Qiqi snorted and drank a glass of fruit wine. She didn't notice that the wine was specially mixed and after drinking it, her face became hot.

she looked at pei huan's confidence and laughed coldly, "I remember that you've hated me for being like this since I was young. You said that I was sinister."

"I won't dare to do it again in the future." PEI Huan hugged her arm and looked at the balcony with daggers in her eyes. "If old kan dares to let me down, I'll cripple his Yingluo tonight!"

on the balcony, old kan shuddered.

He and su Yue were standing face to face with a glass of cocktail in their hands.

The ash-gray curtains blocked all forms of peeking, making the small space look romantic. Su Yue was dressed in green, just like how they looked when they first met. Old kan felt a little drunk, but he still managed to keep a clear head.

this sobriety was called pei huan.

Outside the floor-to-ceiling window was the night view of B city's suburbs. It was beautiful and quiet.

Su Yue's cheeks were slightly red. She looked up at this man who looked rough on the outside but was actually as meticulous as a speck of dust. Her eyes were mesmerized. Mingzhu, if I want to settle down, would that person be you?"

old kan's eyebrows twitched. although he had already guessed su yue's intentions, he still couldn't take it when she said it out loud.

Su mo lowered her eyes. That moment of flirtatiousness was indeed not something that a little girl like PEI Huan could compare to.

She lowered her head and spoke in a raspy and sensitive voice, " Mingzhu, it's been so many years. I don't believe that I'll lose to a little girl.

She looked up at old kan, her eyes probing, " "do you love her? when you're with her, is it as passionate as when we're doing it together? can she satisfy your endless needs? can she satisfy you to the point that you don't want to sleep and want to do it forever?"

She asked a lot of questions, and old kan had nothing to say.

His black eyes were fixed on the woman he had loved and kept in his heart for many years.

Su mo was beautiful at the beginning, just like PEI Qiqi now.

In the beginning, he treated Qiqi well because he could see su Yue in her. But he had always treated her like a child.

he didn't expect that in the end, he would fall into pei huan's hands. she was the same age as pei qiqi and was a good-for-nothing girl.

To be honest, old kan admired su Yue more. PEI Huan couldn't catch up to her even if she took a helicopter. But now that she had confessed her love to him, he was afraid.

"Su Yue, you didn't lose to PEI Huan. She's just a young lady and doesn't have any tricks up her sleeve!" She only knows how to cry and throw a tantrum. It's just that now that I'm talking to you here, she probably has the intention to kill me. "

as old kan said this, his heart became clearer and clearer. he knew what he wanted ...

It wasn't the meticulous su 'er, it wasn't the smart su' er, it wasn't the best su 'er, it was the silly and bad-tempered PEI Huan Yingying.

He had always wanted that innocence, and su Yue couldn't give him that.

Old kan's eyes became gentle because of PEI Huan.

Chapter 926 You only love him, right?(1)

he nodded at su mo. " su mo, i'm sorry! i don't want pei huan to be unhappy. that girl loves to cry and throw a tantrum!"

After he finished speaking, he strode out without looking back. He would not be reluctant to leave in the future.

su yue looked at his back and mumbled,"Who said that PEI Huan doesn't have any tricks up her sleeves? Mingzhu, didn't you fall in love with her?"

Su Yue chuckled and finished the glass in one gulp.

from now on, she was really alone!

when old kan walked back to the banquet hall, pei qiqi was no longer there. pei huan was the only one left.

When she saw old kan, PEI Huan's eyes turned red and she looked at old kan with tears in her eyes. old kan's heart was filled with an indescribable softness. he reached out and touched her little head."Alright, let's go home."

PEI Huan sniffed. Qiqi went to the washroom. I have to wait for her.

Old kan took out his phone from his pocket and called Xiaomei, asking her to wait here.

he then walked away with pei huan in his arms. as pei huan walked, she was still a little worried. she said in a rough voice, " we can't lose it! "

However, PEI Qiqi was drunk. She splashed cold water on her face in the bathroom in an attempt to lower her temperature.

No matter how she tried, her face was still hot. When she came out and walked in the corridor, her head was still dizzy and her feet were weak.

the corridor was dimly lit, and the light felt warm on her body.

PEI Qiqi couldn't move anymore. She leaned against the wall and closed her eyes. Her little body in her evening dress trembled slightly as if she couldn't handle the alcohol.

Suddenly, she was pushed against the wall by a burning breath.

pei qiqi suddenly opened her eyes. in front of her was qin anlan's magnified handsome face.

he stared at her, his gaze a little tight. the heat in his eyes seemed to want to burn her.

pei qiqi's body was pressed against the wall behind her. she looked into his eyes and tried to break free but she couldn't. she was furious, " "Qin Anlan, what are you doing?"

qin anlan leaned forward and caressed her small face with his long fingers. his voice was extremely hoarse. " kanmingzhu and pei huan have already left. "

pei qiqi pursed her lips tightly. she sobered up from the alcohol and leaned her head back. her voice was weak, " thank you for your reminder, boss qin. "

"I thought that you would thank me properly when I carried you to the hospital the last time." As he spoke, his finger moved to her lips.

her small lips were red and slightly upturned, as if she was waiting for a kiss.

Qin Anlan was not a kind person to begin with. Now, the girl in front of him was the one he liked. Furthermore, he was angry at her.

This kind of anger was enough to burn all the rationality of a man.

Qin Anlan squinted his eyes and suddenly pulled her into his arms. When he noticed that she was trying to escape, he quickly grabbed one of her hands and pressed her against the wall.

pei qiqi's head hit the wall. with a loud bang, she was stunned.

Qin Anlan's Hot Lips kissed her little mouth without a care. At the same time, he clasped her two little arms with both hands and raised them above her head, not giving her a chance to escape.

when he kissed her, he sighed in satisfaction, but it was still rough.

his hot thin lips touched her small velvet mouth, and that feeling was like going to heaven.

He became anxious and his breath was chaotic, like a young man who could not control himself ...

Not enough! Not enough!

He wanted more!

His body leaned forward, one hand clasping both her hands, and the other pinching her sharp chin, he exerted a little force.

pei qiqi cried out in pain. he took the opportunity to sneak into her mouth and tried to find her tongue.

Chapter 927 You only love him, right?(2)

pei qiqi's head was heavy, but she instinctively bit him.

that strength could almost bite off his spine.

Qin Anlan retreated and locked his dark gaze on her little face.

pei qiqi was the same. her breathing was chaotic and her chest was heaving up and down from her struggle just now.

Her hair, which had been tied up, helplessly spread out and drooped down, looking indescribably alluring.

Qin Anlan's heart was both hard and soft. Although he had retreated, he still did not let her go.

His voice was low. why are you struggling? pei qiqi, you only love him, don't you?"

There was a sense of coldness in his tone that would make anyone who heard it sad on such a night.

PEI Qiqi didn't show any mercy. She raised her head and said firmly, " "Yes!"

qin anlan laughed. he leaned forward and buried his face in her neck.

His warm breath landed on her soft and cool skin, causing her to tremble slightly.

his lips were right next to her ear and he said in a low voice, " pei qiqi, believe it or not, i want you right here and now. do you think tang yu will still want you? "

Her body froze for a long time before she smiled gently. Qin Anlan, if you think you're a beast, you can do whatever you want, but I'll call for help!

A large palm suddenly covered her small mouth and covered it with force. She struggled for a long time but could not say a word.

“pei qiqi, no one will come even if you scream to death.” his gaze was a little sinister. then, he lowered his head and bit her thin shoulder hard.

Pain, humiliation, and the smell of blood filled the entire space.

pei qiqi bit her lip hard and glared at the man in front of her. she bent her knee and-

Qin Anlan groaned and pressed his entire body against her. He did not move for a long time.

PEI Qiqi panted. Her body was pressed down by him and she couldn't move.

It was not that she was not afraid, but that she was afraid of angering him further.

she wasn't a hanhan who didn't care.

after a long while, qin anlan finally looked up. his gaze was complicated and unfathomable. he stared at her for a long time, and he was in a daze.

pei qiqi's body trembled slightly.

his gaze first fell on her small face, then on her lips, her small neck, and her full and small body.

his gaze seemed to be on fire, as if he was inspecting her, leaving his mark on her white skin.

PEI Qiqi shifted uneasily and said in a tight voice, ” “what do you want to do?”

Qin Anlan's voice was so low and hoarse that it sounded like sand scraping on paper. He asked the same question as before, ” “You only love him, don't you?”

“Yes.” PEI Qiqi was still determined, “Qin Anlan, love is a lifetime!” Once he loves me, he won't change, unless he doesn't love me anymore.”

She did not want to give Qin Anlan any hope, and she was even more unwilling to attract any trouble for herself.

qin anlan suddenly let go of her and staggered two steps back.

his gaze turned cold as though he was looking at a stranger. his thin lips even curled into a cold smile, ” pei qiqi, don't let me see you again! ”

It turned out that in the end, he had to pitifully ask Hanhan for what he wanted, but she wasn't willing to give it to him. It was so disappointing.

he had long decided not to touch love, but now, he had trapped himself in it.

Qin Anlan smiled gently, but his gaze became ruthless. “PEI Qiqi, before I change my mind, get lost.”

Chapter 928 you only love him, don't you?(3)

pei qiqi leaned against the wall. her hands and feet were soft-

he was really frightened.

she pulled her clothes up with difficulty, pursed her lips, and walked forward step by step.

Qin Anlan stood behind her and asked in a sinister voice, "pei qiqi, your love is so unwavering, and it will last forever! then, what is lin jinrong?"

PEI Qiqi stood in the warm light and was dazed for a moment when she heard his words. After a long time, she turned around and looked into Qin Anlan's eyes. She said softly, "jinrong is a beautiful memory for me."

Qin Anlan sneered, 'what about me? A nightmare, is it?"

she pursed her lips and did not say a word.

Qin Anlan's expression became even more sinister, "PEI Qiqi!" get lost, the further the better! Don't ever appear in front of me again, or I don't know what I'll do."

pei qiqi's eyes were moist as she glared at him for a long time. suddenly, she picked up her dress and ran out.

That touch of light blue Hurt Qin Anlan's eyes.

in the end, she didn't want to belong to him. she would rather wait for tang yu forever.

A gloomy female voice rang out beside her. an LAN, Do you know what it feels like to be in pain now? "

qin anlan recognized shen lian's voice. he did not turn around and smiled faintly. " i thought you had already left. why? you still can't bear to leave? did you think that a miracle would appear? "

Beside Shen Lian was Meng Qingcheng, who hadn't appeared for a long time. He stood quietly beside Shen Lian without any expression.

Qin Anlan slowly turned around. His gaze swept across Meng Qingcheng's face before finally landing on Shen Lian's face.

Shen Lian's face was almost twisted. The muscles on her apple-like face trembled and seemed a little stiff.

after a long time, she raised her chin. " an lan, i think we should join forces. "

"Join forces? what should he do? Suppress PEI Qiqi?" qin anlan chuckled, but his eyes were cold. " "Shen Lian, when did you become so narrow-minded? Man is just one of jin taihe's brands. it's just the tip of the iceberg. now, you want to go against pei qiqi, vent your hatred, and ignore the interests of the entire group for the sake of your personal feelings?"

shen lian sneered, " what am i afraid of? Other than Sheng Yuan, Jin tai and his peers are the best."

the corners of qin anlan's lips curled into a mocking smile. " it seems that you're blinded by jealousy. do you know bo yi company? " If you haven't heard anything, go back and do a search on Baidu!"

Shen Lian disagreed. Qin Anlan, you still can't bear to leave her? " If we work together, PEI Qiqi will have nowhere to go. She will be yours."

qin anlan lowered his eyebrows and touched his exquisite cufflinks. he chuckled. ” shen lian, i have to say that your intelligence has regressed by twenty years. ” n/ô/vel/b//in dot c//om

After he finished speaking, he turned around and left without looking back.

Shen Lian looked at his back and the expression on her face became even more gloomy.

Qin Anlan still could not bear to part with that b * tch!

He was still thinking about her!

when you like someone, isn't it like you're trying your best to possess her?

When she asked Meng Qingcheng this question, he didn't say anything and just stood there quietly.

shen lian turned around and looked at his handsome face.

she had always known that he was good-looking and capable, yingluo.

He had been with her for so long, but he had never smiled. She knew that he liked Tang Xin.

Shen Lian's expression was like the vicious Queen of Snow White. She said in a hoarse voice, Qingcheng, remember, it was PEI Qiqi who killed Tang Xin. Without her, Tang Xin wouldn't have died.

Chapter 929 I'm actually jealous of little Xin (1)

Meng Qingcheng still didn't have much of an expression.

Shen Lian raised her eyebrows and fell into a state of uncontrollable emotions.

then, she even believed herself, ” without pei qiqi, i would have donated my bone marrow to tang xin like hanhan. tang xin won't die. i like her very much. tang xin is my little sister! ” Qingcheng, it's all PEI Qiqi's fault.”

she leaned against meng qingcheng and even wanted to kiss his chin.

Meng Qingcheng pushed her away and said in a cold voice, ” “president shen, you're drunk.”

shen lian was a little startled and her eyes were filled with hurt.

she took a few steps back and almost fell.

because her feet were fake.

he sneered, 'meng qingcheng, even you can't get over it, can you? What's there to think about a dead person?"

she was almost hysterical. meng qingcheng ignored her and turned to leave.

“They all left one by one! You guys can leave!” Shen Lian's eyes were filled with sorrow. Go far away. One day, I'll make you regret it!"

.....

PEI Qiqi lifted her dress and ran towards the entrance of the resort. She received a call from Xiaomei saying that she was waiting for her at the entrance.

as soon as she went out, she saw a familiar car. it was the car she and old kan had come in. without thinking, she opened the seventh door and got in.

however, as soon as she sat down, she was pulled into a hot man's arms, followed by a deep voice, "old zhao, drive."

old zhao received the order and slowly started the car.

in the back seat, pei qiqi was lying in tang yu's arms. she was dumbfounded for a while.

didn't he go to United States? Why did he come back?

"i just got off the plane and came over!" Tang Yu probably guessed what she was thinking, so his voice was calm.

pei qiqi felt like she was in a dream. after a soft 'oh', she looked up and asked, "Where are we going?"

Tang Yu didn't answer because he could smell the alcohol on her. He frowned, "did you drink?"

She was counting on old kan, but it was obvious that the old kan in love wasn't very reliable. PEI Qiqi almost lost him, but now, he found a little drunk cat.

PEI Qiqi was already half-awake, but at that moment, in his arms, his warm breath and his noble face made her dizzy again.

She bit her small mouth and could not say a word for a long time.

tang yu hugged her. with one hand on her shoulder, he didn't allow her to move. at the same time, he lowered his body ...

The tip of his tall, slightly cool nose touched her small neck and then moved to her shoulder.

He reached out and saw that a small light on the back seat was on. He also saw the injury on her shoulder.

It was a bite mark, and from the bite marks, it was obvious that it was done by a man.

pei qiqi looked uneasy as she bit her lips and looked at him.

"who bit you?" Tang Yu's voice was deep and slow. His long fingers gently touched the wound.

She didn't dare to lie and honestly said, "qin anlan!"

Afraid that he would misunderstand, she quickly added, "nothing happened."

"You're already biting me like this, and you're still telling me it's nothing! Hmm?" he held her upright and sat in his arms in an embarrassing posture.

pei qiqi was afraid that he would be angry. but after sitting in his arms like this, she was even more afraid that he would stare at her.

Tang Yu's voice was low and hoarse, "Qiqi, what do you think we should do?"

She let out an "ah" and was kissed by him.

tang yu smelled the faint smell of smoke again. his entire body froze-

He believed that Qiqi would not betray him and would not like Qin Anlan. However, he was still angry because Qin Anlan had molested her. He was not angry at her, but at himself.

PEI Qiqi lay in Tang Yu's arms and was being kissed by him.

the kiss was long and there was an imperceptible anger in it. he pried open her little mouth and swept through all her feelings.

pei qi could only swallow her breath as he breathed. she felt like she was being swept up by the waves and thrown higher and higher.

His body didn't feel like it was his, and he felt like he was losing speed.

Her small hand could only hold on to him tightly, grabbing his coat and pulling it hard until it was a long crease. Her small hand slid down and then grabbed it tightly, as if it could bring her some comfort.

his kiss was rough and even hurt her.

PEI Qiqi struggled and shook her head left and right, but she couldn't break free from his kiss. However, his kiss became gentler. He kissed her lips longingly as if he was comforting her for being rough just now.

This gentleness made PEI Qiqi a little intoxicated. She was already drunk, but now, because of his kiss, she became a little fiery. It was getting hot.

PEI Qiqi snorted comfortably. Her little hands moved up and hooked around his neck.

"Little bad thing, what's the rush!" He berated her, his large palm pressing on her back and lifting her up a little.

his thin lips moved down, following her little neck and moving down bit by bit. just as pei qiqi was completely mesmerized, she fell into a daze. n/ô/vel/b//in dot c//om

a sharp pain came from her shoulder. she felt the pain and her body trembled.

"tang yu." her voice was sweet and soft, with a hint of grievance. it was so painful that tears were about to fall.

he only took a bite and then licked her wound, like a male beast healing a female beast.

she sat in his arms and cried softly. her small hand tugged at his shirt, and then willfully wiped her tears and snot on his expensive suit.

Tang Yu's voice was helpless and pampered. It was low and especially seductive on a night like this, "are you satisfied now?" "Hmm?"

he knew that if qiqi was not willing, qin anlan's proud nature would not force her. however, he had still scared her.

He had no reason to be angry just now.

now that she was crying softly, his heart softened and he was not in a hurry to do that. he reached out to wipe her tears away. "okay, don't cry!"

she couldn't stop her tears, and her body trembled in his arms.

He then knew that she was actually frightened.

he comforted her and said in a low voice, "it's my fault!"

he was too relaxed and forgot that other than shen lian, qin anlan was also there.

pei qiqi buried her little face in his chest and her little hands quietly wrapped around his waist. she bit him and said, "actually, i'm scared."

i'm afraid that i'm no longer in good condition. i'm afraid that i won't have the courage to return to your side.

tang yu's heart was wet. he reached out and patted her head but didn't say anything else.

The black limousine sped through the night and finally stopped in front of a villa. The villa was brightly lit.

pei qiqi looked outside and asked tang yu.

tang yu chuckled and pinched her cheeks, "this is my mother and zhao yi's home. little zhao yan has caught a cold and asked me to stay here with him for a few days."

pei qiqi's eyes widened in disbelief.

"Wait for me in the car!" tang yu ordered her calmly. he opened the door and walked towards the main mansion.

PEI Qiqi sat in the car. She didn't know why, but she felt a little flustered and her heart palpitated.
