Chapter 941 Happy times (sweet, sweet, pampering)

The good times always pass. In the evening, Tang Yu first sent little Xinxin to his mother's place. PEI Qiqi was very reluctant but Shen Lian was so crazy that she and Tang Yu couldn't take the risk.

They could only live together after everything had passed.

pei qiqi didn't go in with tang yu as she was afraid that she would feel uncomfortable.

Tang Yu came out, opened the door, got in, and then closed it. As he fastened his seat belt, he looked in the rear mirror and slowly said, "mom asked about you just now."

PEI Qiqi's heart skipped a beat. Even now, she was still afraid of Lin Yun. It was probably the aftereffects of the incident with Zhao Ke.

"oh," she replied. then, she secretly watched tang yu's reaction.

"she said, why didn't qi qi go in?" Tang Yu said calmly. Then, he reached out and adjusted the rearview mirror.

Their eyes met in the mirror and PEI Qiqi saw the smile in his eyes. It was a little bright.

He did it on purpose!

PEI Qiqi pouted and didn't make a sound. She didn't want him to succeed.

tang yu smiled and turned the rearview mirror back. his face was gentle and noble. she had to admit that he was very handsome. even when she hated him the most, she would still be seduced by him.

The car started again, and by the time he sent her to her apartment, the sky was already dark. He didn't let her get out of the car immediately, but locked the door.

pei qiqi wailed and lay behind his seat. she wrapped her arms around his neck and acted coquettishly, "I'm going back."

he did not move. after a while, he asked her in a low voice, "Qiqi, aren't you going to invite me up for a seat?"

she didn't want to!

She didn't say anything, so he laughed softly. He turned to the side and reached out to stroke her hair, but his tone couldn't be more serious. "qiqi, i'll let old kan protect you. there will also be bodyguards with you!"

He couldn't bear to put her in any danger. He didn't dare to let her take the risk unless it was absolutely safe.

"what about you?" She asked him in a nasal voice, like a little lamb.

Tang Yu pretended he didn't know, "what about me?"

"i'm afraid you'll be eaten by the demoness." pei qiqi simply lay down and looked up at him softly.

At this moment, it was as if she had returned to the past, as if the pain of the past two years did not exist.

Tang Yu knew that it was because of little Xin Xin's existence.

it was her carefulness that had smoothed out the wound in her heart, making her let down her guard against him.

He smiled and patted her little face. "didn't i get a vasectomy?"

He was still playing dumb!

she knew that he was teasing her, but she still couldn't help but say, "no!"

his eyes were clear and bright, and this was the most charming moment of a mature man.

PEI Qiqi leaned over and bit his ear, "Doesn't it still have functions in that area?"

After she finished speaking, her small face secretly blushed.

no matter what, she was still a 22 or 23-year-old girl. when she said such things, she would naturally blush.

tang yu looked at her with his clear eyes and said in a low voice, "pei qiqi, do you think qianqian isn't any worse than she was before?"

Why did he ask such a R-rated question when he was saying goodbye?

PEI Qiqi bit her little finger. Her eyes were alluring. Not only was it not bad, it was even better than before.

tang yu didn't say anything. he looked at her blushing face and reached out to touch her for a while. his gaze was unfathomable.

No matter how reluctant they were, they had to part for the time being.

When they met again, she was the president of the PEI family, the largest shareholder of Bo Yi, and someone who could compete with Sheng Yuan Corporation.

Chapter 942 Tang Mo's trap, close the net (1)

in the meeting room of sheng yuan corporation on monday, almost all the middle and senior management who were usually silent had changed. the number of people was also halved.

tang yu sat at the head of the table as he listened to the finance manager report on the revenue for the new quarter. the finance manager broke out in a cold sweat-

it was really not easy to be a manager! Trembling, she managed to say a few complete sentences with great difficulty. Then, the door of the conference room slammed open.

The person who entered was Shen Lian. She was dressed in a white suit that was meant for Mitsuya. It decorated her figure perfectly, and her high heels clicked rhythmically.

Xiao ran sat next to Tang Yu and thought to himself, "it must be hard on Shen Lian. She's missing a leg and yet she can still maintain such a perfect appearance. Especially when she's wearing high heels. Doesn't her amputee hurt?"

shen lian walked in with some pride. she raised her head and scanned the people inside. the corner of her mouth held a cold smile.”there are many new faces here! Why, has Sheng Yuan made such a big move in two years?”

Some people couldn’t stand her impudence and rebuked, ” ” president shen, even if you’re the president’s fiancée, it’s still not convenient for you to interfere with sheng yuan’s internal affairs. ”

besides, who didn’t know about this woman’s scandal?

she had so much fun outside and had been f * cked by such a disgusting man, yet she still had the face to come to sheng yuan and be presumptuous.

“is that so?” shen lian sneered.

She threw a stack of documents at him. open your eyes and watch! This is 20% of Sheng Yuan’s shares, and the owner is me!”

there was an uproar at the scene. it turned out to be like this!

They looked at Tang Yu in shock and suspicion.

“As the second largest shareholder of the company, I have the right to know about Sheng Yuan’s financial situation in the past two years.” Shen Lian sneered in satisfaction.

the finance manager was a little unsure and looked at tang yu.

Tang Yu said calmly, ” organize it and hand it to director Shen.

shen lian smiled triumphantly and said, ” i hope that the management of sheng yuan will be responsible for my shares. also, i will be involved in the management of sheng yuan. ”

She looked at Tang Yu, ” is that a problem? ”

she was very strong, and the middle and upper echelons of sheng yuan were all dissatisfied. where did this woman come from? what right did she have to behave atrociously here?

But Tang Yu was still calm, ” of course!

Then, he said slowly,”I’ll ask Secretary Xiao to inform President Shen of the shareholders” meeting in the future.” However, President Shen doesn’t have a specific position in Sheng Yuan, so you don’t have to attend the usual meetings.”

These words were like a figurehead, making Shen Lian’s 20% useless.

Of course, she could sell it, but with Sheng Yuan’s current situation, who would be willing to pay that much for this 20%?

she could jump into the water at any moment.

Shen Lian squinted her eyes and stared into Tang Yu’s eyes. After a long time, she chuckled, ” ” it seems that you’ve set up everything to deal with me, right? ”

Shen Lian was blinded by jealousy. She wasn't a stupid person and Tang Yu's attitude immediately made her realize that something was wrong.

But she couldn't figure out what was wrong.

tang yu was still calm. he looked at shen lian, " president shen, you're overthinking things. i don't think that you need to create these rumors during sheng yuan's most difficult time. "

shen lian was a little angry, " tang yu, you know the real situation. you know it yourself. "

"Oh, really? Then may I ask, how did boss Shen get this twenty percent?" Tang Zheng was calm and unruffled.

Shen Lian was unable to speak because she had indeed used improper means at that time!

this was something that could not be said.

Chapter 943 Tang Mo's trap, close the net (2)

tang yu's tone was still calm, " then president shen can go outside and take a good look at the financial statements. "

He used his eyes to signal to the Finance Manager. The Finance Manager shivered and immediately expressed that he would fully cooperate.

He swept away his previous disadvantage. Didn't this woman have twenty percent in her hands? wasn't he just after sheng yuan's money?

Her performance in the past two years had been so poor. If he were to have a good chat with her, he was sure that the pale-faced President Shen would turn black when he went out!

Sure enough, after two hours, Shen Lian's face turned dark as she wished.

sheng yuan had already become an empty shell!

Other than some real estate, those subsidiary companies and projects had all disappeared.

the most important thing was that it was done flawlessly!

After Tang Yu finished his meeting, Shen Lian went to the president's office.

Xiao ran looked at it and felt a little awkward.

tang yu was making himself a cup of coffee when he heard a voice outside, " secretary xiao, let president shen in. "

only then did xiao ran let shen lian in. however, she still hated shen lian in her heart.

everyone in B city knew about the news from the night before, but shen lian was still able to occupy this position and refused to come down. what kind of personality did she have to not care about this?

she could guarantee that the president had never touched shuai lian. then, there must be many men around shen lian. otherwise, she would not be so calm about this matter.

she thought that the president probably knew about it too!

He didn't care, so he didn't care.

Shen Lian actually couldn't see through all of this, so she was destined to lose.

when a man was on guard against you and spent two years to set up a trap, you would be really stupid if you still insisted on it.

Shen Lian walked in and quietly stood behind Tang Yu.

His back was still as straight and slender as before, suitable for a woman to lean on.

tang yu picked up the exquisite coffee cup and took a sip, "do you want a cup?"

shen lian's eyes were a little hot. she did not go forward and just kept two steps away from him.

Her voice was soft, "Tang Yu, I've never liked coffee. however, you've forgotten.

the cup of coffee was still in his hand. he lowered his eyes and smiled. he placed the cup of coffee on the table and slowly turned around.

He looked at her. At this moment, he was the president of Sheng Yuan, and she was the one who wanted to take Sheng Yuan away from him.

even if what yingluo wanted was not shengyuan!

but now, she was his enemy.

Shen Lian threw down the financial report and said with a ruthless voice, "Sheng Yuan, you've emptied all your pockets, haven't you?"

And she couldn't even tell where it was dug out. It had completely exploited a loophole in the law.

This made her shocked and furious!

tang yu's thin lips curved up, "shen lian, do you think that you can get any useful information from me so that you can record it as proof?"

She was too naive.

Shen Lian's expression changed. She narrowed her eyes and glared at him. She glared at this man who was so heartless to her.

she didn't understand why he was so heartless towards her. she was so infatuated with him, but in the end, his heart only had pei qiqi.

Shen Lian sobbed, "I know you care about what happened in the news. That person was talking nonsense. I never knew him and I can guarantee that he is a coward.

She didn't finish her sentence because she felt embarrassed and guilty.

how could a noble person like tang yu accept a woman like wanwan who was humiliated by a man like that?

tang yu looked at her sad face. there wasn't much expression on his face, so she couldn't see through him.

at this moment, he softly said, "shen lian, i don't mind."

Chapter 944 Tang Mo's trap, close the net (3)

at that moment, shen lian's face was ashen.

He didn't care because he didn't care about her. Not to mention one man, even if there were ten or a hundred men, he wouldn't care!

She closed her eyes and gritted her teeth, " " tang yu, are you really not afraid that i'll sell sheng yuan's shares? "

"who do you think will buy it now?" tang mo smiled.

he told her seriously that sheng yuan's assets would shrink again ...

in other words, the piece of cake she had would become smaller and smaller.

shen lian laughed when she heard that. she laughed at herself for being too naive.

She actually believed his words and actually thought that she could hold this man ... With 20% of Sheng Yuan's power!

While she was intoxicated, he had done so much in secret.

it was really good, very good. the man she fell in love with was so ruthless.

he didn't leave her any room for negotiation.

She gritted her teeth and smiled, " Tang Yu, did you forget? I changed PEI Qiqi's bone marrow! Also, don't think that I don't know that she's scheduled for three years. Are you sure that she won't have any abnormalities in the next year?"

she gave a strange smile. " at that time, you can't just beg me. it's not just 20% of shengyuan's shares. "

she had fallen for his trick once, so she would not fall for it again.

these two days, she thought about it for a long time. she finally understood why tang yu didn't cancel the engagement with her. other than the 20% from sheng yuan, there was another reason. it was because of that b * tch pei qiqi.

shen lian thought about it and finally went to the hospital to find a doctor.

the result was within her expectations.

What Tang Yan kept was not her but her bone marrow. She felt very sad ...

The more he loved PEI Qiqi, the more cruel he was to her.

tang yu stood there quietly without much expression on his face.

shen lian's originally confident expression became a little flustered. could it be that she had guessed wrong?

however, she had fallen for his tricks too many times, so she would rather believe that he was bluffing.

Shen Lian pursed her lips and raised her head. Her eyes were filled with tears. no matter how much I love you, it's useless, right? ”

no matter what, you will only love pei qiqi, right?

Tang Yu didn't reply to her. He simply turned around and said in a calm voice, ” Shen Lian, we can actually make up.

Before he could finish, she shouted excitedly, ” why should I reconcile with you? Tang Yu, I've done so much for you. Shouldn't you repay me? ”

as she spoke, she laughed mockingly. ” why would you give yourself to someone else? you have to leave yourself to pei qiqi. ”

Suddenly, she placed her fingers on her lower abdomen and chuckled.”Tang Yu, if I tell the media that I'm pregnant, what do you think PEI Qiqi will think of you? how will you end up in the future? Abandon her after making love?”

tang yu's eyes were fixed on her, ” if i were you, i wouldn't use such an extreme method. ”

“you're scared?” Shen Lian laughed, ” Tang Yu, you forced me.

with that, she turned around and left.

Tang Yu poured himself another cup of coffee and sipped it slowly.

He did not expect Shen Lian to do this, but she would only be digging her own grave.

he stood there, looked out of the floor-to-ceiling window, and smiled.

Shen Lian went back to Jin Taihe. As soon as she entered the office, she flew into a rage and swept the documents on the desk all over the floor.

She was so angry.

she squinted her eyes, her eyes filled with unwillingness.

shen lian's secretary came over with a bitter face.

Chapter 945 I'm pregnant (1)

as shen lian's personal secretary, she felt that she was about to suffocate. if she stayed with a person with a split personality all day, she would also have a split personality.

shen lian raised her head and said with a hint of excitement, ” help me leak the news to the media. Tell them that I'm pregnant.

Her Secretary, Risa, was a little surprised and asked, ” “Who's the Father of the child?”

at this moment, shen lian was so weak that she couldn't be provoked. when she heard li sha's words, she immediately took the paperweight on the table and threw it at her. fortunately, li sha dodged in time, or else her head would have been broken.

Shen Lian's expression was ugly as she stared at her, ” of course it's Tang Yu'S.

Lisha was a little suspicious, but if President Shen said so, it would belong to whoever it was. After all, she was not the one pregnant.

Lisha left, patting her chest. She went back to her office to write a draft and then a resignation letter.

The media companies that had released their statements directly handed their resignation letters to Shen Lian.

Shen Lian naturally lost her temper again. When Li Sha left, she was very happy ...

The great aunt finally stopped serving.

A cracking sound came from behind him. It should be the mouth of an antique kasaya. "Crazy, play by yourself!"

However, the announcement was still sent out, and it pushed Sheng Yuan and Jin Taihe to the climax.

It's even more lively than the entertainment industry, Yingluo.

What Shen Lian didn't expect was how this incident would end up. Everyone was guessing whether this so-called 'slave' belonged to Tang Yu or to that rapist, Wanwan.

The rapist had explained what had happened that night in great detail. As for the time of the crime, it was ignored by everyone. What keyboard man wanted was the pleasure of criticizing online.

Shen Lian was about to go crazy. There were always reporters following her and asking her who the child was. Did Tang Yu mind?

The child did not exist, and it was impossible for it to be that man's.

However, she was the one who had released the news. How could she slap her own mouth and say that she was not pregnant?

However, Tang Yu didn't add insult to injury by saying that the child wasn't his. Otherwise, she really wouldn't be able to step down. But, he did tell Xiao Ran that if she said 'miscarriage' now, everything could be salvaged and the impact wouldn't be further magnified.

Shen Lian felt that Tang Zheng was showing weakness.

How could she let go of such an opportunity?

The gynecologist who entered and left the hospital was photographed by the reporters many times. This also confirmed the fact that Shen Lian was pregnant.

However, the male lead did not say anything and did not appear beside Shen Lian.

The reporters still did not give up. They followed her for a few days without any results. In the end, they concluded that Shen Lian made herself pregnant.

Sheng Yuan called for another emergency board of directors meeting and Xiao Ran informed Shen Lian.

When Shen Lian walked in, she saw Tang Yu sitting at the head of the table with 20 to 30 shareholders sitting below him.

although there were many people, their proportion was very small, except for tang zhiyuan. however, tang zhiyuan's shares had been diluted to five percent. it was not enough to be compared to her.

shen lian sat next to tang yu with a sense of superiority.

she finally sat down beside him. however, shen lian did not expect today's topic to be the acquisition of wan wan.

as the executive vice president, zhao yi threw out this question, and the entire place fell silent.

If it was in the past, it would be impossible to say that Sheng Yuan had been acquired. However, whether it was in terms of finances or Xiang Zhi, Sheng Yuan could not be compared to the past. It was as if a building had collapsed in the past month.

Chapter 946 I'm pregnant (2)

however, shen lian did not know that even though sheng yuan was facing financial problems, she had never thought that there would be a company that could acquire sheng yuan.

One must know that Sheng Yuan was a giant in the North, and no one could surpass him.

"Is it the Lin family?" Shen Lian's voice carried a hint of a cold smile, "i knew it would be the lin corporation. i've long seen through the sinister tricks you've been playing behind my back. "

"President Shen, that's not it!" Xiao ran reminded him softly.

it wasn't?

Shen Lian was a little shocked. In her mind, Tang Yu could only keep the company if the Lin group acquired Sheng Yuan.

but now it wasn't yingluo.

She looked at him in a daze, unable to believe it.

initially, she was certain that he was targeting her. but now, it wasn't the lin family. was shengyuan really in a bad state?

"Which company is it?" She was a little hesitant when she asked.

Xiao ran pursed his lips and spat out two words, " "Boyi."

shen lian suddenly recalled that qin anlan seemed to have mentioned this company's name on the night of the fashion festival.

He said that she was a small-minded person and asked her to go to Baidu.

However, she had never heard of a company called Boyi. In such a short period of time, they had accumulated so many assets that they could buy over Sheng Yuan.

There must be a problem.

Just as Shen Lian was suspicious, there was a sound at the door. Xiao ran went over to take a look and quickly turned back. She whispered a few words into Tang Yu's ear.

tang yu's gaze was calm as he looked at the door. shen lian seemed to have realized something as she also looked at the door.

the door of sheng yuan's meeting room opened with two creaks. then, the crisp sound of high heels could be heard.

A woman?

Shen Lian instinctively narrowed her eyes. She wanted to see who had the guts to be so arrogant.

Finally, the slender figure appeared at the door.

It was PEI Qiqi!

It was actually PEI Qiqi!

Shen Lian's eyes suddenly shrank and her eyes were filled with disbelief.

What was the relationship between PEI Qiqi and Bo Yi?

behind pei qiqi stood little wen and ding ke. the two of them were already married and were now pei qiqi's right-hand men. of course, this was the result of tang yu's hard work in the past two years. he knew that these two were worthy of qiqi's trust.

PEI Qiqi walked in slowly. There wasn't much expression on her pretty face as she stood beside Tang Yu, opposite Shen Lian. She nodded and said simply, " as the biggest shareholder and CEO of Bo Yi, I'm here today to discuss the plan to acquire Sheng Yuan with Mr. Tang Yu and everyone else.

All the shareholders are panicking.

Was this for real?

Now that the share price had fallen so much, even if they contributed their shares, it wouldn't be worth much if they were to be acquired.

Tang Yu didn't move from his seat. His voice was calm, " miss PEI, I need some time to discuss with the shareholders.

"I can also wait." pei qiqi's voice was indifferent. she only needed to look up and she could see shen lian's probing eyes.

Shen Lian didn't believe that PEI Qiqi could own a company like Boyi. Tang Yu must have been the one behind it.

She raised her head and said in a powerful voice, " "i don't agree to the acquisition!"

she was the second largest shareholder so her words were effective. she had to stop tang yu's scheme.

this was definitely a conspiracy!

And conspiracies could only be broken through open schemes!

pei qiqi looked straight at shen lian and smiled. then, she said lightly, ” ” president shen might not be too clear about sheng yuan’s current business situation. if she was, she wouldn’t have dragged the other shareholders down with her for personal reasons. “

Chapter 947 i’m pregnant (3)

in this acquisition, even if shen lian didn’t give in, it didn’t matter. a human’s heart couldn’t withstand being destroyed. the people sitting here weren’t good people and they all knew that tang yu was behind this. if they went along with it and took the money, they could spend their retirement in peace. if they went against it, they would probably lose all the money they had for their retirement.

As long as he could subdue these people, Shen Lian’s 20% would no longer be important.

By then, Sheng Yuan would be under Bo Yi. PEI Qiqi could do whatever she wanted with a single word.

she owned 95% of boyi’s shares while shen lian only owned 20% of the subsidiary company. it was not enough to compete with her. in the future, she would give shen lian a heavy blow.

shen lian listened to pei qiqi’s words and knew that it was very provocative to the other small shareholders. she looked at tang yu with a dark face, ” if all of this wasn’t planned by you, I don’t think you would want Sheng Yuan to be acquired, right? ”

Tang Yu smiled, ” I can only say that I’m just following the flow.

His words expressed his attitude and also gave the other shareholders a peace of mind.

It’s fine, it’s fine. At most, they’ll just sell their shares. I believe Tang Yu won’t treat them badly.

all these old foxes knew what was going on. it was obvious that this was all part of tang yu’s plan. if it wasn’t for tang yu, pei qiqi wouldn’t have been able to do anything.

All of this was because of Shen Lian!

The 20% must have been because Tang Yu had no other choice. Everyone looked at Shen Lian with disdain. Seriously, they had such a good life but this woman ruined it.

shen lian pursed her lips. at this moment, she seemed to be standing alone in the world.

One person.

She suddenly laughed softly. Her laugh was strange and weird. She looked at PEI Qiqi and said in a soft voice, ” “You think you’ve won, don’t you?”

“President Shen, I’m just stating the facts.” PEI Qiqi smiled and didn’t avoid fleeing Lotus’s gaze.

with her intelligence, she could probably guess what kind of bomb shen lian would throw at her next.

she was not surprised, but she felt that shen lian was very stupid.

Sure enough, Shen Lian's Red lips curved up and her expression was a little ferocious and distorted. Her voice was very soft but everyone present could hear it clearly ...

" i'm pregnant. tang yu's child. "

after she finished speaking, shen lian's eyes were fixed on pei qiqi. she was hoping to see a trace of panic on her face.

However, PEI Qiqi just smiled calmly, " " congratulations, president shen and president tang, but i don't think this has anything to do with boyi acquiring sheng yuan. "

She paused for a moment and looked at Shen Lian's indignant expression. or does CEO Shen think that Bo Yi will buy the child in your stomach as well? " This might not work, Bo Yi is a legitimate company, not a human trafficker."

Shen Lian's face turned white with anger.

why? why wasn't pei qiqi angry? why wasn't she sad? she should be!

Even if she was with Tang Yu, as a woman, she couldn't be this calm when she heard that the man she liked had a child with someone else.

could it be that they weren't together and pei qiqi still hated tang yu?

shen lian stared at pei qiqi for a long time but she couldn't see anything.

On the other hand, Zhao Yi and Tang Zhiyuan, who were sitting at the side, both smiled.

tang zheng's xiao qiqi's mouth was really poisonous, like a knife.

no one noticed that the shareholders 'meeting had turned into a love affair. tang yu didn't say anything, neither did he deny nor admit it.

Chapter 948 the annulment of the engagement (1)

Shen Lian left unwillingly. She still said the same thing, she did not agree to the acquisition.

However, her heart was in a mess. She knew that if the others agreed, her 20% wouldn't change anything.

Even if she lost the advantage of Sheng Yuan, she still had Jin tai and Jian Jia.

however, she felt uneasy. she felt that pei qiqi's eyes were certain.

She was a little afraid. She was afraid that PEI Qiqi had a bigger scheme.

.....

PEI Qiqi didn't manage to leave successfully.

while waiting for the elevator, xiaowen reminded him, " "mr. tang, you're here,"

PEI Qiqi turned around and indeed saw Tang Yu walking over. She was a little angry. The elevator door opened and she was about to enter when a big hand grabbed her arm.

Little Wen and Ding Ke were tactful and left first, leaving PEI Qiqi behind.

PEI Qiqi gritted her teeth as she watched the elevator door close, ” “when did you accept dink and little wen?”

“in the past two years, i’ve cultivated a very deep relationship with them.” he trapped her against the wall, his expression a little unpredictable.

pei qiqi glared at him angrily and then turned her face away, ignoring him.

tang yu smiled and reached out his fingers to caress her face, ” qiqi, i thought you had something to ask me. ”

“No, I didn’t!” She turned her face away and ignored him.

This bastard!

he looked at her slightly blushing face and naturally knew what she was thinking.

His fingers caressed her small face and slowly moved to her small mouth. He touched it gently and seductively. Qiqi, you know that I’ve had a vasectomy. How can I get her pregnant? ”

His eyes were clear and there was some distance between them, but it was this distance that made him more attractive.

Especially since he didn’t get close to her, but he didn’t let her go.

her face was hot, and it was even hotter when she heard his shameless words.

she pursed her lips and turned her face to the side. ” you can use your fingers to get her pregnant. ”

Tang Yu smiled. This little thing.

“Is that so?” his fingers suddenly did as she wished and did something that ‘could make her pregnant’.

PEI Qiqi was shocked. She couldn’t believe that he would do such a thing to her here. She struggled with all her might and lowered her voice, ” Tang Yu, are you crazy? ”

He groaned as he slowly tortured her. He buried his face in her shoulder and bit her thin shoulder. He said slowly, ” “Qiqi, I missed you.”

PEI Qiqi was both embarrassed and scared. She was afraid that if someone suddenly appeared, she wouldn’t want to be human anymore.

She bit her lip and glared at him. if you continue like this, I’ll fire everyone here once I acquire Sheng Yuan.

She was spouting nonsense and he actually followed suit. He chuckled and said, ” Qiqi, can you fire me too? I was at the crime scene.

he said the word ‘case’ so vaguely that it sounded like the word ‘love’.

pei qiqi raised her head. her forehead was covered in a thin layer of sweat. her voice was stammering, ” tang yu, didn’t you get a vasectomy? ”

Why was he still so exuberant in certain aspects?

tang yu's thin lips touched her ear and he chuckled, " "It won't affect this aspect."

as he said that, he bit her little ear and coaxed her in a low voice. " then i'll use my fingers to make you pregnant, okay? "

PEI Qiqi bit her lip and struggled with all her might. At first, he really didn't want to let her go, but seeing her embarrassed expression, no matter how hard it was, he still let her go.

Chapter 949 The annulment of the engagement (2)

Tang Yu reached out and tidied up her clothes. His voice was a little hoarse but he was serious, " "No matter what other people say, it can't be true."

actually, how could she not know? she was just still angry.

She leaned against the wall and looked at him, " Tang Yu, Did you know? when I face her, I only feel PEI Yi.

She, Tang Xin, and Shen Lian were three people. Shen Lian had too much.

However, it was precisely because she had too much that she was not satisfied and even made so many mistakes for her own selfish desires.

She laid her hands on her, Tang Xin, and even Shen Chongshan.

shen lian's heart was already twisted. just like now when she said that she was pregnant, she did not leave herself any way out.

tang yu's heart was also wet. it wasn't that he didn't sigh.

when he was young, he had a very simple relationship with shen lian and it ended with his question.

"qiqi, everything will be fine." He knew that he was making things difficult for her by asking her to do this.

However, she had to do it.

Qiqi was the heir chosen by Shen Chongshan. No matter how unwilling he was, he wanted her to have an extra layer of protection.

Moreover, Shen Lian could no longer stay in B city. Their lives would only be peaceful if they completely destroyed her.

"i'll go back first." she looked at him and smiled.

tang yu reached out and hugged her. he originally wanted to say yes, but he didn't want to.

he hadn't seen her for a few days and was willing to have her stay for lunch.

pei qiqi's fingers helped him adjust his tie and she softly said, " "in the future! what we need to do now is to not let shen lian get hold of any evidence."

tang yu's transfer of assets was actually an economic crime. for something like this, it all depended on your skills. shen lian couldn't find any evidence, but it was better to be careful.

Tang Yu looked at her calm little face and pinched her cheek. He said in a low voice, "our Qiqi is so sensible. I'm not used to it.

She glared at him.

tang yu chuckled and let go of her, "there's still a long way to go."

when pei qiqi heard this, she felt that there was a deeper meaning to it.

"mr. tang, i'd rather you're not as shameless as i think you are." She snorted.

tang yu's face was noble and serious, "qiqi, what i mean is exactly what you think!"

she continued to glare at him.

Tang Yu smiled and patted her head, "Alright! The car is waiting for you downstairs. Remember to have lunch."

She grunted but did not move.

Now that he let her go so easily, she was a little reluctant to let Yingluo go.

pei qiqi looked down on herself and meowed like a kitten, "You too,"

He hummed in acknowledgment, then went forward to kiss her, his voice hoarse. "I'll go visit you in a few days."

"I don't want to!" she pushed him away and pressed the elevator button.

tang yan stood outside and watched her go in. pei qiqi made a face at him and the elevator door closed.

he shook his head and smiled. at this moment, xiao ran came from behind and coughed lightly. President, Jin Taihe has just received news that Shen Lian is going to announce her pregnancy and accept an interview.

Tang Yu thought about it and smiled, "I'm going to hold a press conference. Of course, after Shen Lian's press conference.

Xiao ran blinked. He didn't understand what Tang Yu was thinking.

to clarify?

however, could such a thing be explained clearly? After all, they were engaged!

Chapter 950 the cancellation of the engagement (3)

shen lian held a press conference. on the surface, she was talking about jin taihe's current situation. however, at the end of the conference, she still threw out the fact that she was pregnant.

in addition, she faced the camera with a pleading look in her beautiful eyes. she was practically crying as she played the family card, hinting to pei qiqi.

"i know tang yu is an excellent man and many women like him! However, some people's pestering has affected our family of three. I hope some people will back

off because I'm already pregnant with Tang Yu's child." Shen Lian lowered her attitude to the lowest and guided the public.

Previously, it was just a groundless accusation, but now that the main character had made such an oath, it was going to be interesting.

Plus, everyone knew about Tang Yu's previous marriage. It was obvious who Shen Lian was referring to. One could only say that this woman was very scheming.

The reporters were boiling with excitement. This was definitely a palace drama! In addition, there were rumors that PEI Qiqi and Boyi had made a comeback. She was like a vengeful goddess.

Many people who did not like Shen Lian agreed.

However, is Shen Lian's pregnancy real?

Regardless of whether it was true or not, it was enough for the entertainment reporters to write a big show and fight for the headlines.

[However, the headline was just written and the draft was still hot. Sheng Yuan was broadcasting Tang Yu's exclusive video live through the satellite. It was also a public statement from Sheng Yuan.]

In the video, Tang Yu looked tired, "Based on Miss Shen Lian's statement this morning, I would like to represent Sheng Yuan and myself to make the following statement.

"First, I don't know how Miss Shen Lian got pregnant, but I can't make her pregnant."

Tang Yu produced a hospital certificate. It was proof that he had undergone a vasectomy three months ago. There was even a notary present to verify it.

After confirming, Tang Yu's tone became even calmer, "In view of Miss Shen Lian's actions, I hereby announce that we are canceling our engagement."

Those who were watching the live broadcast were in an uproar.

One side said she was pregnant, while the other side said she had a vasectomy and wanted to cancel the engagement.

From the looks of it, Tang Yu was still the one who got cheated on!

Shen Lian was obviously the one who caused Sheng Yuan to fall into the acquisition situation. How could an unhappy man have the heart to start a business? In the past, Sheng Yuan was so popular. How noble and unapproachable was their male god?

The reporters wiped their tears and went to edit their articles!

It was a complete reversal!

It was wonderful!

This drama was very popular in B City for a week. It was only then that the scandal between Heavenly Ye and a certain male idol died down.

However, Shen Lian could no longer sit still ...

What?

tang yu had a vasectomy?

how could that be possible?

did he not want to leave an heir for the tang family?

shen lian sat in the office. her entire body was cold.

she immediately realized that things were not that simple.

tang yu's message wasn't just a response to her, it was a teasing one.

she turned on the computer and quickly typed in instructions. the numbers that appeared on the screen made her feel shocked-

Shen Lian's body immediately leaned against the back of the chair and her heart turned cold.

sheng yuan's stock price was falling sharply.

was he crazy?

in this way, they would lose three thousand soldiers and three hundred of their own.

did he know how much he would lose?

tang mo had thought about it. he had thought about it, but after evaluating boyi's acquisition, these things would rise at a normal speed.

Shen Lian looked on in a daze. Her entire body was cold and she had a feeling that she had lost.

moreover, he said that he wanted to break off their engagement.

how could this be? how could this be?
