Chapter 961 Tang Yu, a hug!(2)

In the future, would PEI Minghe's condition be more serious? could she not even hear him call her 'little sister' anymore?

PEI Qiqi's body trembled slightly. She suddenly left her seat, walked behind Tang Yan, and hugged him.

she didn't say anything and just hugged him from behind.

she wanted to feel his warmth, so she buried her face in his neck and said in a soft voice, "Tang Yu."

even if she didn't say it, he knew what she was thinking. she was afraid and insecure.

He turned his hand around and hugged her, his voice like he was coaxing a child."qi qi, i'm here! i've always been here."

She was sulky and did not speak. She buried her face in his neck and closed her eyes.

"what's wrong?" His voice was unbelievably soft. The one who was holding him was not boss PEI but his Qiqi-the fragile young lady.

PEI Qiqi bit her little mouth and bit his Nannan on the side of his ear.

tang yu's body went numb for a moment. his eyes were deep and his voice was hoarse, "qiqi, you're tempting me into committing a crime. "

She lay on his shoulder and didn't say anything for a long time, only nibbling on him.

It was like a puppy gnawing at its master.

He thought she wouldn't answer, but PEI Qiqi said softly, "Tang Yu, do you want to commit a crime? "

His body was completely frozen. He squinted his eyes, his body instantly straightened, and his voice became even more hoarse."qiqi, are you sure?"

She had to be responsible for the consequences of teasing a man who had not had sex for half a month.

PEI Qiqi nibbled on his neck and muttered a soft 'en'.

he couldn't help but reach out and carry her from behind, placing her on the large conference table.

she was a little uneasy. she wrapped her small hands around his neck and buried her face in his arms, meowing like a little kitten, "tang yu."

"Good girl, I'm here!" he kissed her neck and comforted her. when she slowly relaxed, he pushed her towards the wooden desk with one hand.

she lay on the large study table. her back was cold, and in front of her was his burning gaze. she felt very hot and very ashamed. she closed her eyes slightly and her body trembled slightly for the upcoming sex. Things.

“open your eyes!” He leaned over and supported himself with one hand to prevent himself from pressing down on her. He kissed her small lips and coaxed, ” “Qiqi, I want you to see how we end up together.”

Her body was still trembling slightly. Her eyes were closed, and she was trembling helplessly.

He raised his hand and determinedly removed all of them from her one by one ...

she was a little regretful and a little scared. at this moment, she was weak from head to toe.

“Tang Yu!” She called his name softly, tears welling up in her eyes. I’m scared.

She was afraid of losing it, so she desperately held on to it. Her long hair was spread on the dark wood, and her body was as tender as a newborn baby.

Tang Yu looked on. His body was warm but his heart was calm.

he kissed her, as if he had a lifetime to do this.

When she was afraid, he would hug her and constantly comfort her, telling her that it was okay.

Tell her, Qiqi, I’m here, Yingluo.

She didn’t know what he had touched, but the bright lights in the meeting room dimmed. In that darkness, her weakness and his gaze became eternal.

as she trembled, the two merged into one.

The slow and ancient melody slowly spoke of love and his deep feelings.

pei qiqi, you are my constant hope.

forever, forever dazed

Chapter 962 Father and daughter reuniting!(1)

in the afternoon, pei qiqi went to a place she thought she wouldn’t ever go in her life-

Shen Zhongshan and Mrs. Shen’s residence.

tang yu went with her. he had one hand open and the other holding her hand.

His palm was warm, unlike her cold palm.

pei qiqi pursed her lips. after his car stopped, she said in a soft voice, ” Tang Yu, let’s go back!

After all, Mrs. Shen was still there, and she had a bad feeling about it.

tang yu’s fingers intertwined with hers and he smiled, ” why did you change your mind again? Hmm?”

PEI Qiqi pursed her lips and only spoke after a long time, ” “i’m afraid mrs. shen will be unhappy.”

Also, she would deal with Shen Lian later on. It would not be good to go up now.

tang yu reached out and patted her head, " don't think too much. it's just a personal visit. "

Oh, " PEI Qiqi replied obediently. Her obedient look reminded Tang Yu of someone.

pei huan!

Recently, he had seen PEI Huan and old kan a few times. PEI Huan would always be like this in front of old kan. Could it be that his Qi Qi had reflected on herself? Do you also think that girls should be gentler?

Thinking about how cold she was to him before, Tang Yu's heart turned cold.

He opened the car door and patted her hand. "Don't stay here. Get out of the car and be good."

Oh, " she said and obediently got out of the car with him. Tang Yu took out a gift box from the trunk and gave it to Mrs. Shen to nourish her body.

as far as he knew, mrs. shen had not been doing well for the past few days. she was not in a good state of mind to begin with. most of the shen family's finances were in shen lian's hands. the servants had also been slowly cut off. everything was done by mrs. shen, including taking care of shen zhongshan.

pei qiqi's current mood was the same as tang xin's when she saw lin yun. she was a little scared.

Tang Yu was practically holding his little lamb and knocking on the door. He also had to prevent her from running away.

PEI Qiqi looked at him pitifully, her eyes filled with resentment.

Tang Yu knocked on the door and waited for a minute before the door opened. It was Mrs. Shen who opened the door. When those slightly old eyes looked at PEI Qiqi, many emotions flashed through them.

PEI Qiqi bit her lip and called out " Auntie " in a low voice.

After all, she did not have enough confidence. Her mother, Zhao Ke, was Shen Chongshan's mistress.

zhao ke's existence had hurt mrs. shen's feelings deeply, so it was impossible for her to act as if nothing had happened.

If it was the old Mrs. Shen, she would definitely not be able to remain calm. However, in the past two years, she had become much calmer. She only hoped that Shen Zhongshan would be safe and that Shen Lian would turn over a new leaf.

Mrs. Shen looked at PEI Qiqi for a long time before she said softly, " "All of you, come in!"

PEI Qiqi's little hands grabbed onto Tang Yu's arm. Her fingers dug into his flesh.

Tang mo looked at her with a smile and then put his arm around her shoulder.

Shen Chongshan was sitting on the sofa and drinking tea. His eyes were clear, but his body was still fat, and it would take a while to change it.

“Uncle Shen.” Tang mo stood in front of Shen Chongshan and smiled.

Shen Chongshan raised his eyes and looked at the young man in front of him with admiration.

No matter what, Tang Yu was extremely calm. On the other hand, his useless daughter was no match for him.

tang yu’s forbearance was enough to defeat all the advantages shen lian had. it wasn’t strange that shen lian would spit out 20% of sheng yuan’s shares.

Shen Chongshan responded and shifted his gaze to his younger daughter.

The child stood aside carefully, looking at suxin Wuwu pitifully.

Chapter 963 father and daughter reuniting!(2)

all of this was actually his fault. what did it have to do with her?

shen chongshan said to mrs. shen, ” “Suxin, go and pour two cups of tea for my treasured Da Hong Pao tea.”

He paused for a moment and smiled helplessly, ” “look at my memory, i’ve already moved here, where would i find any da hong pao.”

however, mrs. shen had still miraculously wooed him. when they moved, she had moved in with everything he loved.

shen chongshan was extremely touched.

mrs. shen put down the tea in a wise manner. she probably knew that the atmosphere here was strange, and it was not convenient for them to talk, so she found an excuse to go to the bedroom.

When she left, not only PEI Qiqi, but Shen Zhongshan also heaved a sigh of relief.

After all, it was already very good for Su Xin to be like this. He couldn’t make things difficult for her anymore.

pei qiqi and tang yu sat down at shen zhongshan’s signal. tang yu reached out and patted her little head, ” qiqi, you’ve had your tea. i don’t think you’ve called for anyone. ”

pei qiqi tilted her head and looked at him. there was a hint of sadness in her eyes. why did he always go against her today?

But Tang Yu just chuckled and rubbed her hair again.

PEI Qiqi was helpless and could only call him uncle Shen softly.

Shen Chongshan’s eyebrows twitched. He would be lying if he said he wasn’t disappointed.

PEI Qiqi was the daughter he had his eyes on the most. Compared to Tang Xin, he liked PEI Qiqi more. As for Shen Lian, there was no need to talk about her. Just based on what she had done, it would be good enough if he could keep her alive.

Tang Yu looked at PEI Qiqi, ”huh?.”

PEI Qiqi’s little hand secretly pinched his thigh and pinched hard-he was too evil.

Tang mo didn't seem to feel the pain as he smiled and looked at her.

pei qiqi didn't have a choice. she called him 'dad' very softly. her voice was so soft that only her lips moved. however, to shen zhongshan, this was already a supreme salvation.

At this moment, he no longer had any resentment towards Zhao Ke and became peaceful.

he didn't reply and just looked at pei qiqi. his eyes were filled with the gentleness of a father.

pei qiqi felt uncomfortable at first. she wanted to look away but she couldn't bear to.

After all, Shen Chongshan's brain was still injured, and no one could guarantee how long he would be able to stay awake.

Her gaze was a little sorrowful. Shen Chongshan could guess what she was thinking. He sighed and then changed his expression. He said to Tang Yu in a light tone, "bring the chessboard over. i haven't played chess in a long time, and my hands are so bored."

tang yu smiled and took it from the side. the two of them played chess seriously. pei qiqi sat next to tang yu.

the young couple's intimacy made shen chongshan smile in his heart. he and suxin didn't seem to have such a good relationship. however, when he was young, he was obsessed with zhao ke's body for a long time and was very gentle to her. however, this gentleness was only because of her body and not because of his heart.

Shen Chongshan placed his chess piece on the table. His tone was calm. Qiqi, go to the kitchen and cut a plate of fruit. Your aunt Shen just bought honeydew this morning. It's quite sweet.

pei qiqi raised her eyes and looked at shen zhongshan in surprise. then, she stood up mechanically and went to the kitchen to cut the honeydew.

In the simple living room, Shen Chongshan was playing chess while talking to Tang Yu, "this girl is quite obedient. is she usually like this?"

"she's obedient most of the time," tang yu replied.

in other words, yingying was disobedient for a small part of the time.

Chapter 964 Father and daughter reuniting!(3)

Shen Chongshan smiled and didn't say anything.

PEI Qiqi brought out some fruits and placed them between them. Tang Yu took a piece while Shen Chongshan didn't touch it.

pei qiqi looked at him.

I've played the fool for two years. I've eaten so much that I'm about to vomit! shen chongshan said lightly.

pei qiqi looked at his body and thought that he probably cared a lot about his body.

she didn't force him and took a small bite of the kasaya.

After playing chess for half a day, Mrs. Shen came out and said in a low voice that she wanted to cook and asked them to stay for dinner.

pei qiqi didn't really dare to do so. mrs. shen only smiled and went into the kitchen.

Shen Chongshan continued to play chess calmly, and his voice was also indifferent, "If you can help, then help your aunt!"

As he spoke, Shen Chongshan said, "your aunt came from a good family and lived a comfortable life after marriage. I'm afraid the food she makes won't be very good. Just make do with it!

Thinking about it, Su Xin had suffered during this period.

although he had a lot of money on hand, he was living a good life. at least he was trying to lose weight.

pei qiqi responded with an 'oh' and said, "then i'll go help."

Tang Yu placed a stone on the board, looked at the kitchen and said to Shen Chongshan, "Qi Qi's cooking skills are not bad."

shen zhongshan also looked over and happened to see pei qiqi talking to mrs. shen. her little face was full of flattery, which made his heart ache.

Shen Chongshan's eyes were a little hot as he looked at the child. This child was like his ... it could be soft and hard.

he revealed an extremely satisfied smile. "how could my daughter be wrong!"

tang yu continued to play chess with him. he was also absent-minded. as the two men played, they kept an eye on the kitchen.

on the other hand, mrs. shen wanted to escape from the kitchen.

He was already so old, but he was still defeated by a little girl in her early twenties.

just look at how nimbly she cut the vegetables, stir-frying them a little and the color, smell, and taste are all complete. and that thick soup, it's so fragrant that people want to drink two bowls of it.

ever since the servants in the family had been laid off, mrs. shen had not had a decent meal for a long time. as she smelled and looked at the food, she was so touched that she wanted to cry.

PEI Qiqi looked at her and swallowed her saliva.

After Mrs. Shen calmed down from her excitement, she became very calm, "okay, tell your dad and Tang Yu to wash their hands and eat.

Oh, " PEI Qiqi replied. She went to call the servants and then came back to help Mrs. Shen serve the dishes and rice.

Mrs. Shen felt a little emotional. The child of that woman, Zhao Ke, was not bad. She was even more considerate than her own daughter.

When she thought of Shen Lian, she felt suffocated and her expression also became a little lighter.

however, when she saw the table full of dishes and Chongshan sitting there with a knowing smile, Mrs. Shen's heart was instantly cured.

Shen Chongshan was happy. He hadn't drunk for a long time. In fact, he couldn't drink, so he asked Mrs. Shen to open a bottle of red wine for Tang Zheng to drink.

Pei Qiqi didn't touch it. She had to drive for Tang Yu later.

Shen Chongshan was quite happy and ate an extra bowl of rice for the first time. Mrs. Shen was quite embarrassed, so she ate two more bowls.

Tang Yu had been paying attention. He glanced at his Xiao Qiqi and felt proud.

Pei Qiqi looked at the two from the Shen family. Aren't they rich?

Why did he act like an African refugee now?

Embarrassed, Mrs. Shen scooped another bowl of rice, but before she could start eating ...

She looked at the last bowl of soup. It was not bad to soak the rice with it.

Just as she was about to eat, there was a knock on the door, followed by the sound of keys opening the door.

Chapter 965 Father and daughter reuniting!(4)

Mrs. Shen's face stiffened and she looked at Shen Chongshan.

Shen Chongshan spat out the food in his mouth and it flowed down the corner of his mouth. It looked a little dirty and messy, and his expression instantly became a little dazed. (It's definitely an Oscar-worthy acting.)

At this moment, the door opened and Shen Lian walked in.

She stood at the door and looked at the few people inside. Her gaze slowly moved to the dining table.

It was very sumptuous. Although they had almost finished eating, they still looked very happy.

Shen Lian placed her bag at the entrance and looked at them. She sneered, "Why didn't you invite me for a family reunion?" Isn't my surname Shen?"

Shen Chongshan was still chewing the food in his mouth mechanically. His mouth opened and closed, "Little sister, little sister is here."

Shen Lian slowly walked over and sat beside Shen Chongshan. Dad, let me feed you, okay?" She asked gently. Look, you're eating everywhere! Did my mom not take good care of you?"

As she spoke, she looked up at Mrs. Shen and smiled strangely. Mom, you and dad can go back to stay. I'll take good care of you.

"What do you want now?" Mrs. Shen's voice was stern. Your dad and I won't go back, you should give up!"

shen lian looked around and chuckled, " you see, you haven't bought anything for two years in this place. is this an extra meal today? "

" mom, are you sure you want to lead dad's life that's worse than a pig or a dog?  
" Shen Lian's eyes were cold.

mrs. shen was so angry that her entire body was trembling. she glared at shen lian. " you animal! you've harmed your father, and now you're going to do such a disgraceful thing. "

"Mom, you can eat whatever you want, but you can't say whatever you want!"  
Shen Lian sneered.

Mrs. Shen pointed at her and almost passed out from anger.

just as pei qiqi was about to speak, tang yu reached out and pulled her back, telling her not to speak.

he stood up and looked at shen lian. he gave a faint smile, " i was the one who wanted to come and see uncle shen and aunt shen. they are indeed living a hard life. but shen lian, where have you been for the past two years? "

Shen Lian squinted her eyes and glared at Tang Yu.

tang yu continued, " just now, you said you shouldn't say things you shouldn't say. right? "

Shen Lian raised her head and replied,"yes." Do you have any advice, Mr. Tang?"

Tang Yu looked at her, " we don't have any evidence that you fed uncle Shen those drugs. At that time, aunt Shen didn't sue you because she cared about your mother-daughter relationship! However, Shen Lian, the difference between humans and animals is human nature! And what you've been doing for the past two years is almost inhuman."

"what right do you have to point fingers at me? do you have any evidence?"  
Shen Lian sneered.

In fact, her heart was trembling.

tang yu must have found out something for him to act like this.

As expected, Tang Yu's gaze deepened and he smiled, " " shen lian, everything you did to uncle shen at the hospital was recorded by the surveillance cameras. i have at least three to four copies of the video. each one of them is enough to sue you until you can't get close to uncle shen and the rest of them for the rest of your life. "

Shen Lian's expression changed as she stared at Tang Yu.

all the blood in her body froze ...

it turned out that tang yu knew all these crazy things she was doing.

shen lian laughed until her tears fell. her voice was very soft,"yeah, i'm a bad person! i laid my hands on him, and i often wanted to strangle him to death."

Her expression turned crazy. look, he's always in a daze. He's an idiot. He's still thinking about the bastard outside.

She looked at the dishes on the table. PEI Qiqi made this, right?

#### Chapter 966 The second time (1)

It was because her mother, who had lived a pampered life, could not cook such delicious food.

“PEI Qiqi, what do you want now? You took away Tang Yu, took away my shares, and now you’re here to lie to my parents and take away Jin Taihe?”

Shen Lian stared at PEI Qiqi with eyes full of hatred.

if it wasn’t for pei qiqi’s appearance, everything would be fine! Even if Tang Yu didn’t love her, even if he couldn’t touch her, he couldn’t touch anyone else.

“But you appeared. You took away everything that belonged to me and made me so miserable!” Shen Lian then turned to Tang Yu, ” and you. You planned a car accident and took my leg. Hahaha. I’m a cripple now so you don’t want me anymore, right? ”

There was a look of confusion in Mrs. Shen’s eyes. She had never known what Shen Lian had said.

tang yu was still very calm, ” just like what you said just now-you can’t say things without thinking! ” Shen Lian, this is slander without any evidence.”

shen lian raised her head,”i’m not as smart as you. you managed to lie to me for two years and bring this bastard back!” she lost a child and still loves you. tang yu, i admit defeat.”

Tang Yu’s eyes darkened. PEI Qiqi held his hand and silently soothed his anger.

In the end, he only said coldly,”I will take uncle Shen and aunt Shen away!” Shen Lian, take care of yourself!”

Shen Lian was stunned.

After that, she looked at Mrs. Shen and asked, ” mom, you want to leave with him? ” leaving with someone who had nothing to do with her? pei qiqi is zhao ke’s child. have you forgotten the past? have you forgotten how shen zhongshan treated us?”

Mrs. Shen looked at her hysterical expression and calmly said, ” Tang Yu and I will leave. Shen Lian, stop!

Shen Lian was stunned for a while before she muttered, ” mom, Don’t You Want Me anymore? ” You want to be PEI Qiqi’s mother, don’t you? Are you going to be snatched away by her too?”

She immediately flipped the table cloth off the table. With a crash, the bowls and plates fell to the ground. Some of the broken pieces flew and cut her leg. It was very painful, and blood flowed down.

But Mrs. Shen was unmoved. She looked at her daughter, whom she had doted on since she was young, and said firmly,”yes!”

Mrs. Shen smiled bitterly and refused to communicate with her any further. otherwise, your father's life will be in your hands. This was because Shen Lian was beyond saving.

mrs. shen told tang yu to take care of shen chongshan while she went to the bedroom to pack her things.

In fact, it was just clothes. In the past two years, she had gotten used to living a simple life and did not need any fancy clothes or jewelry.

She simply packed a big suitcase and dragged it outside. PEI Qiqi had already helped Shen Zhongshan wipe the corners of his mouth clean.

Mrs. Shen looked at Shen Lian again and said in a calm tone,"In the future, take care of yourself."

"mom, are you going to cut off our relationship?" shen lian asked in a daze.

"If you are, will you repent?" Mrs. Shen closed her eyes. This was the last bit of hope she had.

However, Shen Lian laughed softly. Her laughter was extremely mournful. mom, are you joking? " You want me to repent? where did i go wrong? You're the ones who have let me down one by one!"

Mrs. Shen's heart turned cold. She opened her eyes and calmly held Shen Zhongshan."Chongshan, let's go!"

Shen Chongshan followed her obediently. Tang Yu helped them pack their luggage and PEI Qiqi followed.

Looking at their backs, Shen Lian cried. She had been abandoned by the whole world.

Chapter 967 The second time (2)

before mrs. shen left, she turned back to look at the house. it held her most beautiful and most painful memories.

shen lian still stood there and mumbled,"mom."

Mrs. Shen only gave her a deep look before turning to leave.

When the door closed, the room was brightly lit, the floor was in a mess, and Shen Lian was standing there alone.

shen lian stood there, her expression as lonely as a child. Her world was an isolated island. She was a bird on an isolated island. She could not find a place to rest even if she wanted to.

tears fell from her delicate face, but she didn't wipe them away. she only said softly, " "You want me to turn back and stop? But I can't turn back and I can't stop."

"i'm not willing! Everything I had was taken away by PEI Qiqi." shen lian gently laughed. she looked at the vegetables that were scattered on the ground and muttered,"I've been eating alone for a long time. I've been alone."

she picked up the bottle of red wine and gulped it down with all her might. she then opened another bottle and drank it as if she didn't care about her life.

It's good to be drunk, then she wouldn't have to think about all that she had lost, Yingluo.

It was just that the sobriety maintained when one was drunk was the most deadly.

She began to sing, scream, and utter crazy words. She began to smash things in the house, smashing everything that could be smashed.

If it was smashed, everything would be fine, and there would be nothing left! It was all clean.

The neighbor called the police.

An hour later, Shen Lian was taken away by the police. She was brought to the hospital for an alcohol test.

Shen Lian was still drunk. She screamed and cried. Her face was covered in tears and she was even blowing her nose.

the police couldn't do anything to her because she would scream for molestation the moment they touched her ...

after about two hours, shen lian stopped being so crazy. she lay there and mumbled zhang hengyuan's name.

"your boyfriend?" the police officer didn't recognize jin taihe's president shen from B city and asked helplessly.

At this moment, one of the hospital's medical staff recognized Shen Lian. Oh, Doctor Zhang is her attending doctor.

however, hehehehehe

the police officer thought for a moment. "this person is very unstable. why don't we call doctor zhang over?"

the young nurse chuckled a few more times before she slowly said, "doctor zhang resigned because of his work style."

the police officer was quite disappointed. "how could this be? Doctors nowadays are all like this!"

The young nurse was not afraid of trouble, so she mumbled, "Doctor Zhang's character is very good, but wasn't he seduced by her? after he had his fun, he pulled down his pants and said that Doctor Zhang's medical ethics were bad! If Doctor Zhang wasn't a good doctor, then there wouldn't be any other good doctors.

It just so happened that the police had brought along the official reporter, so they managed to capture this scene. Shen Lian was also loudly calling out Zhang Hengyuan's name. Various languages revealed that the two of them had an improper relationship.

the young nurse was also a feisty person who knew how to stir up trouble. who in the hospital wouldn't feel indignant for doctor zhang?

there were so many young and beautiful female doctors and nurses in the hospital. why would doctor zhang lie to a woman who was missing a leg and voluntarily resign?

This was clearly love, but was this love worth it?

the nurse felt that it was unfair. she took her phone and called zhang hengyuan. ” doctor zhang, shen lian is making a scene at the hospital. do you want to come and take a look? ”

It was a good opportunity to expose-was it Doctor Zhang who was pestering Shen Lian, or was it Shen Lian who was pestering Doctor Zhang and threw her away after using her!

Doctor Zhang put down the phone and Wanwan didn’t want to go over, but in the end, she still went over.

Chapter 968 the second time (3)

the hospital was crowded from the elevator to the consultation room. the nurses, doctors, and even patients on duty were watching the fun.

shen lian’s identity had also been exposed. everyone was shocked. how could such a rich woman be so crazy?

It turned out that rich people also had their own troubles, and it was not as glamorous as the outside world.

Zhang Hengyuan had a serious look on his face. He put one hand in his pocket, wearing a pair of long pants, a white knitted shirt, and a thin black trench coat. As he walked over, the police officer was very polite. are you miss Shen’s attending doctor? ”

I’m no longer a doctor, ” Zhang Hengyuan replied indifferently. I’m here in my personal capacity. then, he looked at the nurse who was on the phone. the nurse immediately hid.

The police officer smiled. previously, someone called the police saying that miss Shen was causing a disturbance. We saw that she was drunk and brought her here. Nothing serious happened. We just need to be more careful in the future. After all, she’s a celebrity, and it’s not good for her to have a good reputation. Doctor Zhang, when she sobered up, just let her know.

zhang hengyuan nodded. ” alright, i will. ”

then, he paid the fine.

Before the police officer left, he looked at the crowd and said, ” everyone, disperse! We must protect the privacy of others.”

After he finished speaking, he left. The people who were watching the show also dispersed.

Shen Lian was lying on the examination table. Her long curly hair was spread out on the White pillow, revealing her angelic face.

However, Zhang Hengyuan had experienced it before. She had a devilish heart.

“If you’re awake, go and wash your face. I’ll send you back,” he said indifferently.

Shen Lian did not move and said in a soft voice,”Hengyuan, I know you won’t leave me alone.”

if he hadn’t experienced her before, he would have really thought that she was sincere.

However, how could Shen Lian be sincere?

All her heart was given to hatred!

Zhang Hengyuan's expression was still very calm, but it revealed a forbearance that only he had. it's considered over! this is the last time i'm going to care about you."

In the past, he had treated her like ... No matter who she loved in her heart, no matter how much of her past she had, no matter how incomplete she was, as long as she was willing, he would always be there for her.

He was at fault for the absurdity of that night.

But her bad behavior had hurt him.

at first, he thought that he would at least be a friend of hers. however, after sleeping with him once, he realized that she only treated him as a disposable tool that could be discarded after use.

To her, his feelings were not important at all.

At that time, his male self-esteem had been trampled on by her.

Shen Lian's eyes turned misty,"I don't believe it. I don't believe that you're ignoring me!" i know you love me, don't you?"

"Some things can't be supported by feelings! Shen Lian, I can only choose to give up." Zhang Hengyuan's hand was still in his pocket. I'll go to Canada next month. I might immigrate there and never come back!

he looked at her dazed expression, then turned to call for a nurse. " get her a room. i'll pay for it tomorrow! "

with that, he turned around to leave.

shen lian was stunned. she sat up and screamed at his back,"Why don't you take me away? i want to go home with you."

The young nurses were eavesdropping, and they looked at him with disdain.

Zhang Hengyuan stopped, but he did not turn around. His voice was a little hoarse."I won't sleep with you again! Shen Lian, the last time was our second time. The first time, you were drunk in a bar! You've long forgotten about it!"

telling her could be considered a kind of ending, and also an explanation for his absurd secret love.

Zhang Hengyuan walked out and let out a long breath. Shen Lian stared at his back in a daze.

Chapter 969 dad is so amazing (royal dog food)

On the other hand, Tang Yu arranged for Shen Chongshan and Mrs. Shen to stay in a villa in the suburbs. He also assigned a temporary guard at the door so that Shen Lian wouldn't be able to disturb them.

mrs. shen was very grateful, but she was a little hesitant to say anything before they left.

it wasn't convenient for pei qiqi, so tang yu had to step in.

He let PEI Qiqi get into the car first. He looked at Mrs. Shen and said in a deep voice, " uncle Shen said that he would send her overseas. I will respect your decision.

mrs. shen's face was covered in tears.

In the end, Chongshan still cared about their father-daughter relationship, but Shen Lian was the one who made mistakes again and again.

tang yu saw that mrs. shen was crying so he grabbed a tissue, "aunt shen, don't be too sad."

mrs. shen couldn't stop crying. in the end, it was shen zhongshan who brought her upstairs.

Tang Yu opened the car door and got in. When he was putting on his seatbelt, PEI Qiqi leaned over and whispered, "I think I heard aunty Shen cry?"

he nodded and fastened his seat belt. then, he raised his hand to ruffle her hair and smiled. "mrs. shen, you've had a hard time these two years! Qi Qi, you don't mind, do you?"

pei qiqi was stunned and subconsciously asked, "mind what?"

Tang Mo's bright eyes looked at her for a while. He touched his head but didn't say anything. Instead, he started the car.

PEI Qiqi realized that he was driving in the direction of the Rose Garden. She hurriedly placed her hand on the back of his, "how do we get there!"

"pei qiqi, we're going to make love now. if you don't go home, do you want to stay in the car?" Mr. Tang's expression was very natural, as if he was buying cabbages on the street.

She was stunned, and then her breathing became a little messy. She stuttered, "who wants to do it with you?"

She was too embarrassed to say that word.

Tang Yu patted her little hand and said happily, "PEI Qiqi!"

"I don't want to do it with you." She denied it very seriously.

tang yu drove with one hand and paid attention to the situation in front of him. he took the time to play with his little pet, "pei qiqi, you dare to say you don't want to do it with me? then, tell me, who do you want to do it with?"

he was so shameless!

PEI Qiqi didn't say a word. She turned her face and looked out the window. Then, she rolled down the window to lower the temperature because her face was too hot.

tang yu laughed. his voice was low and hoarse, "what if i say little xin xin is there too?"

PEI Qiqi suddenly turned her head and looked at him in disbelief. She softly called out, 'Tang Yu'.

"you're willing now?" He asked briskly.

PEI Qiqi hugged his arm and said in a sweet voice, "Tang Yu, you're the best.

mr. tang was still very serious, "pei qiqi, let's talk about this after tonight."

At first, PEI Qiqi didn't understand what he was saying. However, at night, she understood-what a painful realization!

The car slowly drove into the Rose Garden. As soon as they got out of the car, the little maid came forward and said in a low voice, " "Madam, Little Miss, and little master are all asleep."

seeing pei qiqi's shock, tang yan pulled her upstairs and explained, " "in order to prevent others from guessing, i invited my mother over to stay for two days."

Otherwise, it was still risky to always bring little Xin over alone.

" oh, " pei qiqi replied. she was a little dejected because her little xin xin had fallen asleep.

Tang Yu looked at her and smiled as he pinched her cheeks, " you can go and take a look.

Her eyes lit up again and she obediently followed him upstairs. When they reached the door, Tang Yu knocked on it and quietly opened it.

lin yun hadn't gone to sleep yet, leaning on the bed and reading buddhist scriptures.

Chapter 970 dad is so amazing (royal dog food)

although he had been getting married and having children for the past two years, this habit of sleeping hadn't changed at all, which put a lot of psychological pressure on zhao yi!

in fact, he had no interest in duan fo li at all!

in the past, when he talked to her, she was the only one who liked it. after they got married, it was more ...

Sometimes, he yearned for his wife's body, but after the shower, he would feel guilty when he saw the Buddhist scriptures in his wife's hand. He wondered if he was too chubby.| Desire?

At this moment, the two babies were sleeping beside her, and they were very cute.

PEI Qiqi watched from the side. She wanted to bring her little heart to her room immediately. However, she didn't dare to act rashly when Lin Yun was around.

at the same time, under the dim yellow light, she saw that lin yun's eyebrows were a little tired, and she felt guilty and grateful.

Lin Yun was in her 50s, and it was still hard for her to take care of two children, not to mention that little Xinxin was born prematurely, and her body was so weak at the time.

PEI Qiqi's heart softened. She half-knelt down and looked at the two babies. They were both white and chubby. They were both very good.

She looked up and held Lin Yun's leg, saying in a soft voice, " mom, thank you.

lin yun put down the buddhist scripture in her hand and smiled, " silly child, what are you thanking me for? "

her fingers caressed the young girl's black hair. she only felt that her eyebrows were fresh and beautiful. she was only in her early twenties, and even she felt that she looked better the more she looked at her, let alone her son.

pei qiqi looked at the two chubby little balls. their breaths smelled of milk and her heart softened.

“They're so cute,” she said softly.

“If little Xin wasn't my granddaughter, it'd be nice if they were betrothed to each other.” Lin Yun smiled.

PEI Qiqi didn't expect Lin Yun to make such a joke and was stunned.

Lin Yun smiled. do you guys want to carry little Xin upstairs? ”

“Alright,” he said. These were PEI Qiqi's words.

“Not good!” these were tang yu's words.

Lin Yun looked at her son and shook her head. She knew her son very well. He looked serious usually, but he lost his integrity in critical moments.

Today, he invited her to be a guest, so he must have had bad intentions. Look, the little girl was tricked back.

Tang Yu probably knew what his mother was thinking, so he coughed, ” “mom, i won't wake little xinxin up. let's see tomorrow morning! Good night.”

As he spoke, he held PEI Qiqi's hand and walked out. PEI Qiqi was actually a little resistant. She still wanted to carry little Xinxin upstairs and sleep with them. However, Tang Yu couldn't hold it in anymore. He walked a little faster and walked to the door, opened it, and closed it.

“tang yu.” pei qiqi was a little annoyed and called out to him.

but just as she called out, her small face was cupped by him, and her body was also pressed against the heavy door.

his lips covered her small mouth, and in just a second, he pried it open. she shook her small head, her eyes glistening with tears under the dim light, looking pitiful.

However, the more delicate she was, the more it aroused his desire to conquer and evil.

He pressed her against the door with his long legs in the middle. He only needed to lift her up, and it would be enough to torture her to the point that she would rather die than live.

being kissed by him so intensely, his large palm also trembled. she bloomed in his palm, her small mouth whimpering, but she did not dare to struggle desperately ...

Lin Yun and the two babies were sleeping one door away.

Her small hands clenched into fists and pounded on his shoulder desperately. He caught her with one hand and raised her high to tease her.
