Chapter 971 Dad is so amazing (Royal Dog Food)

He evilly admired her expression as she fell in love, and he gently pinched her sharp chin with one hand.”Back to the bedroom, huh?”

PEI Qiqi shook her head and sobbed, ” no!

But when she said no, he moved forward a little and said slowly, ” Qiqi, then lower your voice later. she widened her eyes, and he actually began to unbutton his shirt with one hand.

” no! ” she closed her eyes in fear and screamed. ” no! ”

Fortunately, he covered her mouth in time, so Lin Yun couldn’t hear it ...

tang yu didn’t say anything. he just watched her with his clear eyes.

PEI Qiqi bit her lip and looked at him helplessly. Then, she broke free from his grasp and obediently wrapped her arms around his neck. She said in a small voice, ” “Let’s go back to the room.”

he smiled, reached out to pick up his little girl, and walked towards their bedroom.

The short time they had in the meeting room during the day was not enough to comfort him, so he carried her directly to the balcony of the bedroom and turned on the night light. The light was bright and the atmosphere was ambiguous.

he pressed her against the sofa on the balcony and kissed her. she fell onto the sofa, and his body slowly leaned down.

as they kissed, they unbuttoned each other’s clothes and soon, they were all over the floor.

Just as the arrow was about to be released, an unknown creature suddenly jumped over. It covered Tang Yu’s eyes with its little hands and called out ” dad ” in a crisp voice.

tang mo closed his eyes and cursed in a low voice.

PEI Qiqi opened her misty eyes and saw Xiao Qi at the Marvel Press conference.

Why was little seven here?

the robot ‘little seven’ also looked at pei qiqi in confusion. who was this?

Why was it in her and her father’s bedroom?

Almost at the same time, PEI Qi Qi and ‘little Qi’ spoke, ” “what is she doing here?”

tang yu was still lying on top of pei qiqi. his voice was hoarse. he didn’t want little seven to see what she shouldn’t.

Even if she was just a robot, she shouldn’t teach children such things.

Also, damn it, why didn’t anyone tell manager Lin that he had repaired little seven and sent him back?

he even let little seven see him and pei qiqi making love!

“I need your explanation.” PEI Qiqi and little seven spoke at the same time!

with that, pei qiqi glared at the robot. she was shocked that the robot’s thought process was exactly the same as hers.

This was something that could not be achieved even with the most accurate data. The human brain was so complicated, and Marvel’s chip was so terrifying.

she was shocked.

but at the same time, he was angry at yingying. although little seven did it according to her, it wasn’t him.

She wanted to ask what Tang Yu and little seven did but before she could, little seven said, ” “before you, daddy would always hug me to sleep.”

pei qiqi gritted her teeth and glared at tang yu, ” really? ”

tang zheng closed his eyes and rubbed his face against her. he buried his face in her neck and his cool nose touched her delicate skin. ” qiqi, don’t care about the child. ”

he wanted to continue but pei qiqi pushed him away, ” shameless. ”

She used her clothes to cover herself while little seven stared at her father’s body and did some precise calculations in her brain ...

dad is 30% longer than the average human length!

Long live daddy!

daddy is so amazing!

tang yu had no choice but to turn off little seven’s power!

Little seven maintained her gaze from before, still staring straight at Yingying.

Chapter 972 Dad is so amazing (Royal Dog Food)

tang yu coughed, ” she’s just a kid! ”

pei qiqi leaned on the sofa and looked at him, ” “She said you were hugging her to sleep.”

“How is that possible?” Tang mo smiled.

He propped himself up and kissed her, coaxing her. “You can’t trust the words of a child.”

She accepted his kiss and said in a cold voice, ” “but i feel that a child’s words are the truest, not to mention a simple-minded robot.”

her little hands wrapped around his neck and her breath smelled like orchids, ” tang yu, you and her, have you done it? ”

tang yu’s expression became extremely uncomfortable. he bit her lips seductively, ” silly, how could i! Xiao Qi Qi didn’t mess around here, here, and here!”

every time he said something, his finger would point in that direction. pei qiqi couldn't take it anymore. she gritted her teeth and glared at him.

he was really too shameless.

pei qiqi bit her lip and stared at the tears in his eyes, making him unable to extricate himself.

he moved closer to her ear and said in a low voice, "qiqi, are you jealous?"

"i didn't!" She snorted and turned her face to the side.

his lips touched hers lightly and he asked again, "Qi Qi?"

she sulked and did not say a word, looking at him as if he was a pervert.

Tang Yu laughed and nibbled on her shoulder. His voice was hoarse, "i promise, i didn't do anything to xiao qi qi."

She paused for a moment and smiled even more freely. Qiqi, do you want to check?"

Before she could react, he took her little hand and walked over to take a walk.

pei qiqi was both embarrassed and angry. he was shameless.

she glared at him with tears in her eyes, and he kissed her little face, comforting her.

the night was cold, and on the terrace, he was as passionate as fire, pestering her again and again.

Early in the morning, when PEI Qiqi woke up, a chubby little fellow was lying on top of her.

sister ... the little guy drooled and climbed up from her waist. He was super fast, just like the little people in cartoons.

PEI Qiqi grabbed the chubby arm and said in a hoarse voice, "have you eaten?"

"The baby has eaten, but grandma didn't drink it." Xiao Xinxin said as she looked at her longingly.

PEI Qiqi laid on the big bed with her clothes open. She pulled them up alertly and turned her head. To her surprise, Tang Yu wasn't up either!

Tang Yu probably knew what she was thinking, so he smiled, "pei qiqi, i've overdrawn."

She stuffed the little baby into his arms. my heart should be broken.

He leaned against the headboard and let little Xin sit on his stomach to play. He chuckled."i think this habit of hers is quite good."

as she said this, she actually reached out and weighed it in her hand. she smiled. "don't you realize that you're feeling better?" this was all thanks to little xin.

as a reward from being a father, pei qiqi kissed little xinxin's little face. pei qiqi felt a chill and prepared to get up to brush her teeth and wash her face-with lin yun around, she always felt that it wasn't good to sleep in.

However, she only moved a little when Tang Yu reached out and pulled her back into his arms, "let's lie down for a while."

pei qiqi was about to say something when her phone rang. she looked at it and saw that it was pei huan.

she turned her head and looked at tang yu. she picked up the phone and sat up. pei huan's unhappy voice came from the other end, "Qiqi, didn't you say that you would help me try on the wedding dress?"

Only then did PEI Qiqi remember that PEI Huan did mention it to her two days ago, but she had forgotten about it.

of course, tang yu heard her and used his lips to tell her no.

Chapter 973 i'm here, she's not here!(1)

PEI Qiqi glanced at him. She was actually hesitating because she couldn't bear to part with little Xinxin.

they hadn't seen each other for a long time, and they didn't spend much time together last night ...

However, PEI Huan was begging her. Qiqi, I'm here, but old kan is still on the way. Come and accompany me. Think about it, how helpless and pitiful an unmarried pregnant girl must be feeling right now.

pei qiqi was speechless and gave her a blow, "You're a divorced woman, and you'll be a woman again soon."

PEI Huan wailed,"PEI Qiqi, you're so annoying." &Nbsp;

"but pei huan, you're pretty cute when you're angry." pei qiqi chuckled and looked into tang yan's dark eyes. " i'll come over in a while. "

she thought about it. pei huan did not have any relatives now, and her marriage with old kan might be the last time pei huan would get married. she would accompany her!

after she hung up the phone, tang yu naturally rejected her. even little xin wouldn't let go of her.

"alright, be careful. i'll come again next time." She kissed the chubby little guy and returned him to Tang Yu.

although tang yu was upset, he still got up, " i'll send you there. "

pei qiqi pressed him down,"i'll get old zhao to send it!" you should accompany your mother!"

She looked straight at him, calm and indifferent.

tang yu lowered his head and looked at her hand on the back of his. he smiled, " okay! "

He leaned forward to kiss her. "If you're free in the afternoon, I'll pick you up for lunch."

she hummed in acknowledgment and got up to tidy herself up.

When he went out, he greeted Lin Yun. Lin Yun was a little surprised when she heard that PEI Huan was getting married, but she also gave her blessings.

when pei qiqi arrived at the wedding photo studio that pei huan had designated, it was already 10:30.

PEI Huan had already changed into a wedding dress. She looked at PEI Qiqi in the mirror, ” “How is it?”

“it’s pretty good.” pei qiqi noticed that pei huan’s stomach was still flat.

PEI Huan looked around and was quite satisfied with it. The main thing was that this set was chosen by her darling.

However, when she thought of old kan, she was dissatisfied and complained, ” “I have an event to attend this morning. I said I’d be here at 10 O ‘clock, but ran ran hasn’t come yet.”

Just as he said that, the door was pushed open. Old kan rushed over, covered in dust. In the late autumn weather, his forehead was covered in sweat, and his voice was hoarse.”Aren’t I here now?”

PEI Huan’s little face revealed a touch of shyness. that’s more like it!

PEI Qiqi was already used to the two of them putting on a show all day long. She sat on the sofa by the side, reading a magazine and listening to the fun.

pei huan had not seen him for two hours and naturally kissed him for a long time.

pei qiqi really felt nauseated. he was always so talkative. what a mighty man. but now, he was actually as sentimental as pei huan.

after kissing for a while, old kan went to wash his face and changed into a formal dress. he and pei huan were a perfect couple.

PEI Qiqi was in charge of pulling up PEI Huan’s dress and tidying her clothes. PEI Huan was like a little princess now and insisted that PEI Qiqi wait on her. She kept saying that she was pregnant.

xiaomei couldn’t bear to listen anymore. luckily, pei qiqi had a good temper and listened to the noble pregnant woman.

The photographers got into position, and the pregnant woman said in a delicate voice, ” “old kan, take two photos of me and the child alone later.”

PEI Qiqi rolled her eyes. She was afraid that the whole world didn’t know she was pregnant.

old kan also felt that it was a little too high-profile and mushy, but in order to take care of the pregnant woman’s emotions, he didn’t dare to refute and agreed in a rough voice. as he spoke, his phone rang.

Chapter 974 i’m here, she’s not here (2)

xiaomei held the phone for him and looked at it. her expression was complicated. ” it’s yueyue and su yue. ”

pei huan was very unhappy when she heard this. she played with her dress. ” it’s a call from the old man. answer it quickly! ” Don’t forget to tell her that we’re getting married, so let her have a share.”

In front of these people, old kan felt embarrassed and coughed lightly. "We'll talk about this when we get back. Look at you, you're pregnant, but you're still so bad-tempered."

"Of course not as understanding as your su mo!" pei huan said sourly and then walked to the sofa at the side angrily. "I'm not filming anymore."

Old kan had been with her for a long time and naturally knew that PEI Huan had a bad mouth. He was not so unreasonable, so he smiled and answered the phone while looking at his future wife.

However, as he listened, his expression changed, even becoming very ugly.

It was very loud on the other end, and he could hear su Yue's cries and screams.

PEI Huan's body tensed up and she instantly sat up straight.

Old kan's hand gripped the phone tightly and slowly scrolled down. His entire person exuded a feeling of horror, which was quite scary.

He looked at PEI Huan and said in a soft voice, "su Yue is in danger! I must go!"

pei huan was stunned and then said sternly, "Kanmingzhu, today is the day we take our wedding photos."

old kan's expression was still very tense. "she's in danger! I must go!"

as he spoke, he undid his bow tie, took it off, and threw it aside. then, he picked up his car keys and walked out.

He could still hear su Yue screaming in pain.

it was the sound of pain that only a man who was raped would make, because he did not want to think of the man's rough breathing.

pei huan cried.

She stood there and called out to him again.

He left just like that, without even a word of apology, even if he said, "when he came back, they would continue to take photos. their wedding would not change, and she would feel more at ease.

Also, did he ever think that she would be worried as his wife if he went alone?

He didn't expect all of this. At that moment, he only had su Yue in his heart. He only had the moonlight in his heart.

PEI Huan closed her eyes and bit her lips, not making a sound.

However, her lower abdomen slowly began to hurt, and the pain began to come in waves.

She called out to old kan in a hoarse voice. Her eyes were closed, and they were filled with pain.

old kan had already walked to the door. when he heard pei huan's voice, he turned around and saw her pained expression.

“kanmingzhu, my stomach hurts. yingluo, take me to the hospital.” PEI Huan clutched her stomach, her voice hoarse.

pei qiqi was also frightened. she and xiaomei supported pei huan on both sides and felt that pei huan’s body was frozen.

there was a trace of blood that stained the hem of her dress, making pei huan’s face even paler.

she looked at old kan and smiled gently. ” kan mingzhu, go ahead. if you go, our wedding will be canceled. it doesn’t matter if the child can be saved or not. ”

her body was trembling. she had never known that she would feel such pain.

this was far more painful than the pain that jinrong had given her.

PEI Huan cried as she looked at the man she loved. She thought that she had found someone to rely on for the rest of her life, but now, she was facing a miscarriage and her man was still hesitating whether he should save his first love.

she stared at old kan stubbornly, waiting for him to make a decision.

She wanted an answer.

Chapter 975 i’m here, she’s not!(3)

” old kan, what are you still standing there for? the child won’t be saved if you keep dragging it out like this! ” PEI Qiqi’s voice was filled with anxiety. What time was it now? why was he still hesitating?

No matter how important su Yue was, could she be more important than the child?

Did he not want PEI Huan and the child anymore?

at this moment, pei qiqi’s heart ached for pei huan and she felt sad for her ...

old kan’s eyes were bloodshot. it wasn’t that he didn’t care about pei huan, but su yue was being treated like that by a few men. he was a man, and he couldn’t ignore her.

Finally, he gritted his teeth. Qiqi, send PEI Huan to the hospital.

PEI Huan closed her eyes and did not say anything.

“Old kan, are you crazy?” pei qiqi’s eyes were also filled with tears.

old kan’s lips were tightly pursed. ” please! ”

He walked out quickly and did not turn back. He did not dare to look at PEI Huan.

He was afraid to see the disappointment in her eyes, to see her despair.

I’m sorry!

in the future, i’ll spend the rest of my life taking care of yingluo and our child.

they couldn’t stop her anymore. pei qiqi and xiaomei didn’t delay any longer and helped her into xiaomei’s car.

when pei huan sat down, her wedding dress was stained with blood and the car was stained with blood.

xiaomei had been a manager for a long time and was used to seeing all the gossip and grudges in the industry. she was already numb to it. at this moment, her eyes were a little hot and she felt bad for pei huan.

everyone knew that this might be pei huan's last chance to be a mother.

while xiaomei was driving, pei qiqi hugged pei huan and comforted her, " "It's fine! pei huan, think more about the child, nothing will happen."

PEI Huan closed her eyes in pain. At this moment, the pain in her body and the pain in her heart could not be compared.

she could understand why he wanted to save su yue, but her and the child's lives were not as important as su yue's.

pei huan's eyes were closed the entire time and she kept crying. her fingers gripped pei qiqi's arm so tightly that they almost dug into her flesh.

After a wave of pain, PEI Huan cried out, " "sister."

PEI Qiqi cried. PEI Huan had never called her 'sister' properly.

At this moment, how much pain was she feeling in her heart?

She hugged PEI Huan tightly and kept telling her that she would be fine.

She gave Tang Yu a call and asked him to pick up Dr. Mei to the First People's Hospital of chasu city because it was the nearest hospital ...

PEI Huan was sent to the emergency room with blood all over her. She looked at PEI Qiqi listlessly, but she was unwilling to let go.

Her lips were extremely pale, and her voice was stammering. sis, even now, I still can't bear to part with this child. I don't want to lose Hanhan.

what she didn't say was that if old kan didn't want them, she would raise them herself.

PEI Qiqi had grown up with her, so how could she not understand her feelings?

she nodded her head and tried her best to hold back her tears. " pei huan, when the child is born, i will help you raise it. "

pei huan laughed and slowly let go of pei qiqi's hand. she closed the emergency room door and took one last look at pei qiqi.

'Qiqi, you promised me that you would never leave me or give up on me!'

In the future, I only have you Yingluo

PEI Qiqi stood in the corridor while Tang Yan stood on the other side. He slowly walked towards her.

PEI Qiqi hugged his waist and her voice was hoarse, ” ” tang yu, if one day you have to choose between me and the child, please choose the child. ”

Today’s incident had a huge impact on her. She had hated PEI Huan for so long, but today, she could truly feel PEI Huan’s tears and heartache.

Chapter 976 I’ll be there, she won’t be there!(4)

Tang Yu patted her head and comforted her, ” you shouldn’t worry about doctor Mei’s medical skills.

she nodded in his arms, and then shook her head desperately.

at this moment, her phone rang. it was a voice recording from an unknown number. it was sent through a voice changer, ” pei qiqi, you must be in pain right now, right? I heard that PEI Huan had a miscarriage and was hospitalized? Then it’s really a pity. Yingying, do you know where kanmingzhu is?”

pei qiqi gritted her teeth. she knew it was shen lian.

the voice on the other end was strange and continued, ” “didn’t pei huan say that it’s disgusting to rape my people? Then I’ll find someone more disgusting than that person to rape su Yue. Look, PEI Huan’s man’s heart ached. He wanted to save su Yue even if he didn’t want her. Speaking of which, I’ve long disliked su Yue. Now, I’m very happy! Especially when I see you in pain, when you cry, I’m even happier!”

a strange laughter came from the other side, which made people’s hair stand on end. the laughter suddenly stopped.

PEI Qiqi gritted her teeth and scolded Shen Lian!

She would make her pay back double!

she waited for a long time, but old kan didn’t come because he was comforting su yue.

pei qiqi didn’t understand su yue, but she knew that a woman like su yue would have her own tricks up her sleeve if she had been around for a long time.

at this time, her reputation might be ruined. old kan was her last straw of hope. whether it was in reality or in her feelings, old kan was her best home.

These weren’t things that PEI Qiqi had to worry about because PEI Huan didn’t want old kan anymore. However, she didn’t expect old kan to appear in the hospital the next day. In between, he only called PEI Huan and asked about the child.

pei qiqi thought to herself, ’it’s probably the moonlight that’s more important to him!’

pei huan should have given up.

Two hours passed, and doctor Mei came out first. She let out a long breath.”It was very dangerous! However, the child is fine, but she has to take good care of it from now on. Otherwise, she won’t be able to keep the child in the future.”

PEI Qiqi heaved a sigh of relief. Tang Yu reached out and hugged her, asking on her behalf, "How long can we meet?"

"half an hour will do. just don't provoke her!" "I know the director of this hospital. I'll just say hello!" Doctor Mei's voice was a little low.

she looks so pitiful," he said, sighing. oh, by the way, where's her boyfriend? "The last time they met, they were so loving. It's been so long now, he should be back from the moon!

PEI Qiqi pursed her lips and didn't say anything. Doctor Mei was also experienced so she just sighed.

later on, when she saw pei huan, she had already fallen asleep.

when he woke up, it was already eight in the evening. pei qiqi had been sitting and watching over him the whole time. tang yu went back at five in the afternoon. he just came over and brought pei qiqi's meal and pei huan's soup.

PEI Qiqi was touched. She knew that Tang Yu didn't like PEI Huan, but he was willing to do this. She didn't say anything and just hugged him.

pei huan woke up and asked softly, "Do you want to go to the toilet?"

PEI Huan couldn't move, so she could only use the chamber pot.

PEI Huan shook her head. She looked around instinctively but did not see old kan.

he didn't come, did he?"

PEI Qiqi reached out and touched her forehead. Her voice was gentle, "PEI Huan, I'm here.

PEI Huan looked at the ceiling of the ward and said in a very soft voice, "Qi Qi, I still lost to her! I lost to the deep love of Lian Mingzhu!"

Chapter 977 tearing apart a white lotus flower with bare hands, overflowing with dominance (1)

pei huan laughed. "i used to naively think that i was pregnant, that i loved him wholeheartedly, that the child and i were his everything. "

if nothing happened to the child, she would still be angry when he came back after he went to save su yue. but as long as he was willing to coax her, she would understand and forgive him.

but she was bleeding at that time, yingluo.

PEI Huan's tears came out again. She reached out to wipe them away gently, but every time she lifted her head, she felt very tired.

Qiqi, look at my tears," she laughed at herself. they're like free water.

pei qiqi took a tissue and helped her wipe her tears, "stop crying! It's not good for the child."

A child?

pei huan's fingers gently caressed her lower abdomen. she didn't expect that the child could still be saved, but it had nothing to do with kanming anymore.

“Qiqi, if he comes, just tell him that I don’t want to see him.” She suddenly closed her eyes.

pei qiqi was stunned.

Although she was angry and thought that PEI Huan would not keep talking, the child was still alive. She still hoped that they could get back together. However, it seemed that it was not possible.

However, old kan still couldn’t come over. He only made a phone call in the middle of the night. When he knew that the child was fine, he hung up the phone without any explanation.

pei qiqi heard a weak cry. it was su yue’s voice.

they were still together.

however, old kan and pei huan didn’t expect that fate would be so coincidental. su yue and pei huan were staying in the same hospital.

PEI Qiqi almost wanted to smash her phone. She answered the call outside and didn’t dare to let PEI Huan know. PEI Huan finally fell asleep.

however, she did not know that pei huan had already woken up when her phone rang. she remembered that old kan’s ringtone on qiqi’s phone was special and she could tell from it.

PEI Huan’s tears rolled down her face.

he finally gave up!

pei qiqi returned to the ward and wanted to see pei huan. however, she saw her face covered in tears.

pei huan didn’t cry out loud. she turned her head and looked at pei qiqi. she said calmly, ” “qi qi, we’re finished! don’t worry about me, i’ll live well in the future, and i’ll pretend i never met this man!”

“i’m going to help my child find a good father in the future!” she said with a smile.

pei qiqi felt sad but pei huan consoled her, ” “Qi Qi, it’s nothing! He’s old, not handsome, and has no money. Other than being good in bed, he doesn’t have any other merits.”

every time she said something, pei qiqi would agree with a yes!

as they spoke, they both cried and laughed.

that’s right, it’s not a big deal. we’ll raise the child together and find a good father.

Finally, PEI Huan fell asleep again, but PEI Qiqi couldn’t.

there was one thing that she had to do!

.....

early in the morning, shen lian walked into the company lobby in a rare good mood. however, a voice that she could recognize even if it was reduced to ashes came from behind her. ” shen lian. ”

Shen Lian turned around.

PEI Qiqi stood there. She was dressed in black and looked like a Messenger of revenge from hell. Behind her were a few elite-looking people. More importantly, there were four bodyguards.

shen lian subconsciously called for the security.

PEI Qiqi looked at her and chuckled. Jin Taihe's management is not good enough. There's not a single security guard in sight. Did you send all of them to rape others? "

shen lian slowly calmed down. what could pei qiqi do to her in public?

"Why? are you here to stand up for su Yue or PEI Huan?" she sneered. save it, pei qiqi! Kanmingzhu is with su Yue now, and they're inseparable. Your good-for-nothing sister is probably going to be an unmarried mother!"

pei qiqi's expression was calm, " really? but i'm curious, if you lose everything, will you still be so arrogant?"

As she spoke, lawyer Chen behind her took out a will statement, " President Shen, this is Mr. Shen Zhongshan's will. According to the content, President Shen's 48% shares need to be given to miss PEI Qiqi.

Chapter 978 Tearing apart a White Lotus flower with bare hands, overflowing with dominance (2)

Shen Lian's face was filled with panic. Her eyes narrowed and she immediately opened the document to take a look.

she did not believe that such a will existed!

However, it was indeed here!

She threw the document on the ground and Shen Lian raised her head. I will not admit it! my dad is suffering from dementia, these are fake."

"whether it's true or not will be verified by the judicial department." PEI Qiqi looked at her coldly, " Shen Lian, now that we're done with business, we can talk about private matters.

shen lian took a step back and looked at pei qiqi warily, " "what do you want to do?"

when pei qiqi stepped forward, she retreated.

shen lian's hands waved wildly,"what do you want to do, pei qiqi? are you crazy?" this is jin taihe, the property of the shen family, and you, are just a bastard! what right do you have to stand on my land and behave atrociously?"

She even raised her hand and wanted to slap PEI Qiqi.

However, PEI Qiqi grabbed Shen Lian's hand with one hand and smacked her back-

shen lian's face swelled up in an instant. she used all her strength in that one hit. even pei qiqi's own hand hurt.

However, before Shen Lian could react, PEI Qiqi slapped her again. This time, it was the other side of her face!

jin tai and the company lobby were in shock, and many employees backed away.

god, their boss shen had been slapped by someone and he was still in his own territory.

With PEI Qiqi's aura, no one dared to pull her away.

She looked at Shen Lian and said coldly, "these two slaps, one was for Tang Xin and the other was for PEI Huan!" Shen Lian, in the future, don't even think about hurting the people around me. If you hurt them once, I dare to guarantee that you will pay me back double."

Shen Lian wanted to raise her hand but the people behind PEI Qiqi stepped forward and held her down. Shen Lian couldn't move.

PEI Qiqi stepped forward and looked at her without any expression, "are you in pain? You know pain, but don't you feel pain when you hurt someone?"

Shen Lian laughed softly but strangely, "pei qiqi, i'm in pain, but aren't you in more pain than me? did pei huan's matter touch your nerves? your child was also miscarried! and tang xin, you don't know how pitiful she was when she died. her whole body was thin and dry. it's a pity that you couldn't see yingluo."

"You're crazy!" PEI Qiqi slapped her twice, "you're a lunatic who won't even let your own father off!"

Also, PEI Qiqi didn't like su 'er because su 'er still had bad intentions towards a pregnant woman and wanted to snatch her away. However, su 'er's life was indeed destroyed by Shen Lian ...

shen lian had dealt such a heavy blow to su mo just to deal with pei huan and make her unhappy.

she was simply not human!

Shen Lian laughed lightly and sarcastically, "pei qiqi, other than slapping me, what else can you do to me? could the dead be resurrected? could su yue forget the fact that she had been ganged up on? can kanmingzhu and pei huan make up?"

There was a hint of madness in her eyes. all of this must have caused you pain, right? PEI Qiqi, as long as it's something that will hurt you, I will do it!"

"Is that so?" PEI Qiqi grabbed her hand and pushed her against a big vase behind her. If she pressed hard, the vase would fall to the ground and Shen Lian would die from the broken pieces!

shen lian's face almost changed shape from fear. "pei qiqi, you dare to do this? You wouldn't dare!"

"really? you see, i dare not!" pei qiqi quickly pressed her down.

the vase behind shen lian retreated. she screamed and her face contorted. then, she wet herself!

Chapter 979 tearing apart a white lotus flower with bare hands, overflowing with dominance (3)

Shen Lian's entire body was still in PEI Qiqi's hand but her body was trembling. Under her skirt, there was a big puddle of water.

Many of the employees covered their noses and looked in disbelief at their high and mighty CEO Lian. She was so scared that she peed her pants. How bold was she?

how stupid was she? no matter what pei qiqi did, she couldn't possibly kill someone in public, right?

shen lian's lips were tightly pursed and she screamed, "pei qiqi, i'm going to kill you."

She was in a frenzy and wanted to kill PEI Qiqi with a knife.

PEI Qiqi loosened her grip and Shen Lian fell forward. If it wasn't for her subordinates supporting her, she would have been disfigured.

"Shen Lian, unfortunately, this is also what I wanted to tell you." pei qiqi's face was cold. when shen lian looked at her, she seemed to see tang yu's shadow.

PEI Qiqi continued to speak coldly, "it's not that others don't know how to backstab others. They just don't care.

shen lian's entire face trembled violently. she lost her original beauty and smugness from this morning. she almost shook off the hyaluronic acid on her face!

when pei qiqi became ruthless, no one could imagine how ruthless she was. at this moment, she was like a little female beast, her entire body was filled with the flames of battle.

Shen Lian laughed lightly, "alright PEI Qiqi, then we'll do it openly!" I'd like to see if you can get this twenty percent!"

With Shen Zhongshan's condition, she could use some tricks to turn PEI Qiqi's will into a piece of scrap paper.

Moreover, her identity was not made public, right?

what right did he have to get 20%?

she, shen lian, could stand on the moral high ground and turn pei qiqi into the target of everyone's criticism.

Thus, Shen Lian's anger was reignited with the smell of urine. Her entire body was on fire, and it was urine!

pei qiqi's lips curled into a cold smile as she continued to stare into shen lian's eyes, "i promise that if you lay your hands on the people around me again, i will beat you up so badly that you won't be able to find your way home. "

she reached out and grabbed shen lian's hand, "it's just like how i told you when you looked for me. i, pei qiqi, have never lost a fight. "

Otherwise, she would have been killed by that bad girl PEI Huan!

Shen Lian's lips trembled and she let out an angry roar, "PEI Qiqi!"

“Mind your image, President Shen.” pei qiqi gestured for her to keep quiet and left with her men.

shen lian stood there. her new assistant said with a trembling voice, ” president shen, you should have changed your clothes last time! ”

.....

PEI Qiqi returned to the hospital and saw old kan on the same floor.

Old kan’s appearance was definitely not good. The clothes he was wearing were the same as the wedding photo set yesterday. His hair was covered in dust and mud, and so was his body. There was not a clean spot.

When he saw PEI Qiqi, he was stunned as well. He was holding a small bag of fruits.

The fruit fell to the ground, and that was the biggest panic Jian Mingzhu had ever experienced in his life.

pei qiqi looked at old kan and pursed her lips. she knew that old kan definitely didn’t buy these fruits for pei huan.

It was obvious who she was buying it for.

su yue was pitiful, but was pei huan not pitiful?

Since su mo had saved her, shouldn’t she rush back to see his wife who had almost lost her child? did he have to stay by the injured su yue’s side and give her hope?

PEI Qiqi looked at old kan quietly. Her relationship with old kan had always been good. They had spent many dark and gloomy times together. They were very happy and beautiful. But at this moment, because of PEI Huan, they felt like strangers.

Finally, old kan opened his mouth, his voice extremely hoarse.”How is she?”

Chapter 980 how lonely it is to be invincible (1)

pei qiqi’s voice slowly became disappointed, ” “If you didn’t meet her, you wouldn’t have planned to see her, right?”

old kan wiped his face fiercely and stared at pei qiqi, ” qiqi, you know that it’s not like that. ”

“Then what is it?” PEI Qiqi laughed weakly, ” what do you think PEI Huan would think? what did you think when you abandoned her? is su yue more important, or is pei huan and the child in her more important?”

“you and xiaomei can send pei huan off.” Old kan said weakly. He had never been so weak in his life. He didn’t think that he was a masochist. He was looking for an excuse!

pei qiqi was unmoved. ” you can find her. can’t you call the police? ”

at that moment, it was human instinct that allowed him to make the final judgment.

Old kan's eyes were as big as copper bells as he stared at PEI Qiqi, "even you don't approve of us being together?"

"On the contrary, from the bottom of my heart, I hope that PEI Huan and the child will have a man to take care of them! But old kan, your current attitude shows that you are retreating! after you committed the crime, you didn't even have any hope for yourself, did you?" pei qiqi's gaze seemed to be able to penetrate people's hearts.

She took a moment to calm down before continuing, "I know that I'm being mean to you because su Yue is also a victim." however, pei huan might not be able to forgive you."

not only pei huan! old kan couldn't forgive himself.

After he saved su Yue, she hugged him and cried all the way from the crime scene to the hospital.

she hugged him the entire night and did not let him leave. even when she knew that pei huan was in the hospital, she did not let go of him. she was in an extremely insecure state.

In this regard, old kan was powerless and felt guilty towards PEI Huan.

PEI Qiqi was right. Su Yue was innocent, but PEI Huan, as his wife, was even more innocent.

the more su yue pestered him, the more he felt guilty towards pei huan, even though he had never thought of getting back together with su yue.

Old kan squatted down and slowly picked up the fruit. can I go and see her?"

pei qiqi only felt sad. things were so good before and they were about to get married. now, if he wanted to see pei huan, he had to ask her if she could.

"Of course." PEI Qiqi's voice was a little choked, "old kan, to be honest, I really want you to be with her.

however, it was wholehearted.

Old kan was sad too. He looked up. Qiqi, if I do it all over again, I can't guarantee that I will change my choice.

pei qiqi understood and could understand, but from pei huan's point of view, it was unforgivable.

old kan quietly walked into the ward while pei qiqi stood outside.

in the pure white ward, pei huan lay down, her face as pale as a piece of paper.

she was only a 23-year-old girl, but she seemed to have experienced a lifetime just by lying there.

When she fell asleep, she felt uneasy because she would always dream of old kan. She would dream of him and su mo standing on the balcony. She would dream of him taking off his gown to look for

su Yue. She would even dream of them getting married, su Yue arriving at the wedding venue, and old kan and su Yue leaving.

pei huan woke up in shock.

The moment he opened his eyes, he saw old kan standing by the bed in a sorry state.

however, this embarrassment was not because of her.

PEI Huan looked at old kan quietly with tears in her eyes.

if qiqi saw this, she would definitely scold her for being useless.

PEI Huan wiped her eyes and said with a choked voice, "look at you, you've made yourself like this, your eyes are red."

her gentleness and peace made the old man wish he was dead.

He knelt down and placed his rough palm on her lower abdomen.
