Chapter 981 How lonely it is to be invincible (2)

he was crying.

his heart was not rough. the calmer pei huan was, the more unforgivable she was.

pei huan felt the warmth of his large palm and laughed silently. " old kan, the child is still here. He's still in my stomach."

old kan closed his eyes.

"She lives here too, right?" pei huan wiped the tears from the corner of her eyes. she felt that she was especially manly at this moment. " you should go back and accompany her! "

it would be great if she could take a picture and show it to qiqi. qiqi would know that she was strong now.

old kan's entire face trembled uncontrollably, contorting his bearded face.

pei huan looked at him and reached out to touch his beard. she said in a soft voice, " old kan, this beard is not mine anymore. "

he grabbed her hand and closed his eyes. " as long as you're willing, this is still yours. "

"will it still be mine?" pei huan's voice was very soft. " i don't want an incomplete one. "

She turned her head and looked at him.

now that they met again, there was no hatred in her heart. after all, old kan had also saved her.

She had loved him, and she still loved him. However, because it was incomplete, she would rather give up on him.

pei huan wiped her tears again and turned her head to look at the ceiling. she said in a low voice, " in the future, you can look at the child. you are still his father, but it's impossible between us! "

although it was difficult, she still managed to say it.

It wasn't that difficult!

however, as she said this, her nose started to sting again. she was very sad.

old kan was the same. his eyes were locked on her, and he couldn't say a word for a long time.

He had expected it, but he did not expect PEI Huan to be so resolute.

pei huan turned her head and looked at old kan. her lips curved into a beautiful smile that hurt old kan's eyes.

at that time, he knew that this young lady was strong enough and might not need him in the future.

Yes, when she was in the most pain, he was not there. What right did he have to ask for her forgiveness?

old kan's heart was in turmoil, and there was a taste of blood in his mouth.

Just then, su 'er appeared at the door. She was dressed in white and looked like a ghost.

PEI Qiqi stopped her at the door. miss su, this is PEI Huan's ward.

su yue gently struggled, but she couldn't break free. she pursed her lips and looked at old kan. " mingzhu, the doctor wants me to draw blood. i'm scared. "

At this moment, su Yue and PEI Huan seemed to have been reversed. She had turned into a young lady in her twenties.

pei qiqi saw that pei huan's expression was calm. she let go of su yue and coldly said, " "it's good to make it clear."

Su Yue looked at old kan with a bitter expression. Mingzhu, I don't want to ruin your relationship with PEI Huan. I just want you to accompany me for a while.

PEI Huan sat up slightly and smiled,"in the future, his time is all yours."

su yue's face was pale, and she was not any better than pei huan.

She looked straight at old kan, hoping that he would take a stand.

su yue had been in the industry for so many years, and she wasn't stupid ...

she was ruined. those men had done that to her, and they had even taken photos of her. now, the news had probably spread.

She couldn't have children and her reputation was ruined, but she had money.

she and kanmingzhu were in love. they could go abroad and go to places where no one knew them.

She didn't want to see those people's gazes and let them speculate about her body's condition.

Su Yue admitted that she was selfish, but the Pearl of fervour was hers to begin with. PEI Huan was the one who stood in the middle.

When she thought of it this way, she felt that it was only natural.

Chapter 982 How lonely it is to be invincible (3)

how could pei qiqi not see the determination in su yue's eyes? this woman was not someone pei huan could deal with.

she said softly,"su yue, i know that you're a victim this time, but pei huan can't take it!" You and old Kan Can settle whatever you have in private. I just want to say that perhaps you feel pain, but the most painful thing in this world is life and death. su yue, you're a woman too. please understand pei huan!"

pei qiqi said sternly again, " i think that if something happens to this child, old kan will feel guilty towards pei huan. he would never be with you even if he died. "

Su Yue was stunned.

she had always liked pei qiqi, but she didn't expect this girl to hit the nail on the head. it was as if she saw through her thoughts.

pei qiqi smiled lightly, " as for whether old kan will end up with you or not, you have to ask old kan! Su Yue, you're a woman too. Don't you think that you're hurting PEI Huan by pestering her like this?"

su mo was stunned. after a while, she smiled bitterly and said, " yes, i understand. "

pei qiqi turned around and looked at old kan. " whether you can be with him or not, that's old kan's decision. it's not something that can be decided by you provoking pei huan and causing her to lose her child. "

her words were harsh, but they really pierced su yue's heart.

pei qiqi was a hundred times better than pei huan.

with pei qiqi around, it would be really hard for her to take old kan away. based on pei huan's personality in the past, she would have already fallen out with old kan.

A sad woman was the most pitiful. Su mo understood this and PEI Qiqi understood it even more.

after a long while, pei huan looked at old kan. " you can go out! I don't have anything to help with here."

old kan's eyebrows twitched. he didn't want to leave, but su yue was here. he could only bring su yue away for fear of angering pei huan.

however, he did not realize that his departure with su yue had already provoked pei huan.

After he left and the door closed, PEI Qiqi walked over and sat by the bed, " "PEI Huan, don't think too much. You and your child are the most important, understand?"

It was rare for her to speak so gently to PEI Huan. To a certain extent, she was comforting PEI Huan.

PEI Huan cried without any backbone. She hugged PEI Qiqi, " Qiqi, is it because I was too bad in the past so I don't deserve to be happy? "

PEI Qiqi felt a little sad as well. She patted her head, " nonsense. It will be better in the future!

she could tell that old kan was leaning towards pei huan now. however, with su yue pestering him and su yue's methods, pei huan and old kan still had a chance. it was better to let old kan really understand the xuanji that he wanted.

"wuwu, qiqi, i feel like a failure! i thought i found an old man who was so good to me. i was so happy that i thought i found my true love, yingluo, but i didn't expect this old man to be a second-hand one!" PEI Huan wailed and was extremely sad.

PEI Qiqi could only hug her. Perhaps, crying was a good thing.

pei huan was crying so sadly that it shook the world. pei qiqi didn't comfort her anymore.

It was like a child's play. It was lonely without an audience!

As PEI Huan cried, she pinched PEI Qiqi's arm and said with a choked voice, " "Qi Qi, can you comfort me? You can call me Huanhuan."

At that time, PEI Qiqi seemed to have seen Tang Xin.

she was pei huan's pillar, but wasn't this pei huan the compensation that god gave her for losing tang xin?

Chapter 983 how lonely it is to be invincible (4)

PEI Qiqi called out to her, but PEI Huan cried even louder.

pei qiqi felt that pei huan didn't need a sister, but a mother. right now, she was like pei huan's mother.

on the other side, old kan accompanied su mo to take her blood and then went to the ward.

The two of them remained silent. Su Yue had a feeling that old kan would lay his cards on the table.

She sat on the bed and spoke before he could. "Mingzhu, you know what I'm thinking, don't you?"

Old kan stared at her for a long time without saying a word.

After a long while, he said softly, " "Yes, su Yue, I know! but i can't agree to that."

"why?" su yue's voice was filled with weakness. " i know that i'm always in your heart. old kan, the last time you asked me if i was willing to be with you, i rejected you because i knew that i couldn't have children. But now, I feel like you're the only one who treats me the best in this world."

old kan was a little annoyed. he looked at su yue. " pei huan is pregnant. "

in his heart, there was a touch of softness that quietly hardened.

PEI Huan was pregnant. How could su Yue make such a request?

"You think I'm dirty, don't you?" su Yue's face darkened.

"no! su yue, i can't bear to leave pei huan and the child!" "I'll accompany you until you're discharged from the hospital. I can even arrange for you to go abroad. But I can't accompany you anymore in the future."

su mo looked at the man in front of her in a daze, as if he was a stranger.

After a while, she said in a dry voice, " "I thought that saving me was your choice."

Old kan smiled bitterly and didn't explain. This kind of thing couldn't be explained clearly.

PEI Huan misunderstood, su Yue also misunderstood Yueyue.

at that time, he only felt that pei huan had someone by her side while su yue was alone ...

if he was the only one by pei huan's side, he would not have abandoned her.

but old kan would not say this again.

He looked at su Yue with a warm gaze, as if they were old friends. "Su Yue, I've fallen in love with PEI Huan."

To su 'er, it was like the end of the world.

but old kan still stayed to take care of su yue until she was discharged and left the country.

when he returned to B city, pei huan had already been discharged.

He called her phone and it was turned off. He called Xiao Mei and Xiao Mei told him that PEI Huan had moved back to where she used to live. As for PEI Huan's things at his place, he would have to trouble Mr. Kan to pack them up and she would pick a day to go and get them.

xiaomei's tone was especially polite and she did not fall out with him. on one hand, it was because of her professionalism. on the other hand, pei huan had grown up and felt that there was no need to fall out with old kan.

when old kan put down his phone, his eyes were empty. he stood under the autumn sun, but he didn't feel any warmth.

he returned to the apartment and looked at pei huan's clothes in the closet.

row after row, many of her sisters-in-law complained about how much she spent while dragging truckloads of clothes back. most of them were pajamas.

she liked to wear those black lace clothes at night to flirt with him.

Old kan's rough fingers held the delicate and sexy fabric, and there was a touch of pain on his face.

he packed her clothes, but still left some in his apartment. it took three large suitcases to fill them up, and he drove the off-road car to her villa.

It was a European-styled building with a market value of about 50 million Yuan.

Old kan's eyes were a little hot. When a girl gave up her wealth to squeeze into a rented apartment with you and was pregnant with your child, what was that if not true love?

Chapter 984 have you no shame?(1)

He looked straight at her. After that, Xiaomei came out and asked the servants to move the things.

Xiaomei stayed behind to talk to old kan. PEI Huan said that you shouldn't come and look for her. When the child is born, she will inform you to go and see her. she said that you're the child's father, after all, and she wouldn't be so cruel."

old kan's eyes were a little hot and he felt extremely uncomfortable.

But so what if it was uncomfortable?

his willful little girl had disappeared. he was the one who had killed her.

Old kan stood outside, leaning against the car and smoking half a pack of cigarettes before leaving.

Upstairs, PEI Huan was lying down to protect her child. Before the child was six months old, she had to lie down. It was very painful, but she was willing.

she loved this child. whether she was with old kan or not, she would still love this child.

PEI Qiqi stood in front of the window and looked for a long time. Then, she turned back to PEI Huan, ” “Have you really decided not to forgive old kan? He’s been standing outside for half a day, so pitiful.”

pei huan didn’t make a sound. she was eating an apple. recently, pei huan had become a pig.

pei qiqi looked on with wide eyes. she was also a little puzzled that she didn’t get fat even though she ate so much.

after pei huan finished eating, she licked her hands. ” what’s there to be pitiful about? didn’t you go overseas to have fun with su yue a while ago? ”

PEI Qiqi laughed,”isn’t su Yue not coming back?” he’s settled down in Canada.”

pei huan said sourly, ” i’m only here to see you after i’m done. who cares?! ”

At first, PEI Huan was just a little angry, but towards the end, she became serious. Qiqi, don’t try to persuade me anymore. I’ve already decided.

She said in a low voice, ” without him, I’ll live like a child.

pei qiqi didn’t try to persuade her any further. she knew that what happened that day was an obstacle that pei huan couldn’t overcome.

In the afternoon, she returned to the Rose Garden. Tang Yan was reading an English book in the living room. What made PEI Qiqi angry was that little seven was sitting obediently beside him.

that well-behaved manner was really like herself.

she kicked the door in dissatisfaction.

she was already back, what was the point of him keeping this?

could it be that the kasaya has some special use?

Tang Yu heard her voice and looked up at her. Then, he laughed and patted the space beside him, ” “Come over and sit.”

There was still an hour left before dinner, so Mr. Tang had a little plan in mind.

PEI Qiqi stood at the door and didn’t move, ” where’s the seat? ”

Tang Yu looked at little seven and smiled, ” “go to the side and play.”

That little seven could actually get jealous too, so she just sat there without moving.

PEI Qiqi glared at Tang Yu with a hint of mockery in her eyes.

tang yu laughed, ” you’re jealous again?! ”

he stood up but didn't close little seven's door. he walked in front of pei qiqi and pulled her into his arms.

He lowered his head and searched for her small mouth, kissing it deeply.

Because of PEI Huan, he had not touched her for ten days, and this kiss was getting out of hand.

PEI Qiqi was originally extremely angry, but when he kissed her like this and his big hand reached into her sweater, she was moved.

as she kissed him, she stumbled and fell onto the sofa. she didn't remove everything, just did it directly.

today, tang yu was a little rough. it felt like he was hugging a ball of fire and she didn't need his gentleness.

When one's emotions were stirred, any words were superfluous. All that was left was possession, sweat, and moving entanglement.

Little seven looked at it and then burst into tears.

Chapter 985 have you no shame?(2)

That cry made PEI Qiqi laugh.

She kicked Tang Yu's lower back with her little foot and her little face had a seductive look, " Tang Yu, your little baby is crying.

at this moment, tang yu was enjoying himself with his eyes closed. when she kicked him, he almost fell.

He opened his eyes, and his gaze was meaningful. He grabbed her little hand and pressed her down, dazed.

When she couldn't control herself, he bit her little ear and whispered, " "You're my little baby now."

her little face was so red that it was almost bleeding. she bit her lip. he was really shameless!

Tang Zheng chuckled and carried her to 'Xiao Qi's' side. He mumbled in front of Xiao Qi, although the other party was just a robot, pei qiqi still felt pressured and felt a sense of shame.

She closed her eyes, her long eyelashes quivering slightly. She bit her small mouth, looking extremely alluring.

tang yu kissed her and laughed in a low voice. he then whispered shameless words into her ear-

PEI Qiqi didn't want to think about this affair anymore. Qianqian was too shameless.

After that, she locked little seven in the study room's cabinet and didn't allow him to take her out.

Mr. Tang sat at the dining table and touched his chin in a serious manner. " qiqi, we'll have less fun if you're like this. "

pei qiqi looked at him, her eyes alluring.

Tang Yu smiled.

That night, he took up three whole hours of her time. When he let go of her, they were both sweating.

pei qiqi wrapped herself in a little blanket and lay in tang yu's arms like a little beast. she chirped a few times and buried her sweaty face in his neck. the two of them were like two fish that were having fun.

She buried her face and said in a muffled voice, " Tang Yu, why do I feel like you're on drugs today? " Her tone was filled with dissatisfaction and pity. She didn't even have the strength to move her little finger.

tang yu chuckled. he lowered his head and kissed her lips for a while. her entire body was soft in his arms. she moaned softly and her little hands also wrapped around his neck.

Tang Yu flipped over and covered her with his arms. He kissed her little mouth and mumbled, " "qi qi, why do i need to take any medicine when you are begging me so softly? hmm?"

She wanted to deny it, but, but when she saw his clear eyes, she closed her eyes and took the initiative to move her slightly swollen mouth closer.

It was another round of sweat!

After they were done, he carried her to the bathroom to wash up. This time, not only her, but Tang Yu himself was almost done too.

The clouds dispersed and the rain came back. As they lay in the blanket together, PEI Qiqi couldn't help but think of PEI Huan again. She felt a little sad.

Tang Zheng leaned against the bed and smoked, but he only dared to smoke half a cigarette before putting it down. He looked down at the little person in his arms and smiled. what are you thinking about? "

PEI Qiqi looked at him from the side, " I'm just thinking, will you feel bad when we go to Jin tai he tomorrow? Will he be like old kan?"

Tang Zheng pinched her small face with all his might. you're talking nonsense.

"you see, you're angry from embarrassment now." pei qiqi pouted,"i knew you couldn't bear to."

Tang Yu smiled bitterly. This little b * stard!

"tang yu, did you know that i really wanted to kill her that day! She was so cruel to su Yue and PEI Huan only because of personal grudges. It wasn't a big deal! is she also so cruel to tang xin?" PEI Qiqi's voice was a little dazed. Tang Xin is her sister. She watched her grow up. She's so cruel.

all of this was directed at her, pei qiqi. naturally, she wouldn't hide behind people.

Chapter 986 king of glory, blinding my dog eyes (1)

Monday, Jin tai and the company's meeting room.

pei qiqi brought along lawyer chen and little vindink to officially announce shen zhongshan's will to the directors of shen lian and jin taihe.

Lawyer Chen had a kind expression on his face. After he made the announcement, he looked at Shen Lian and said, "miss Shen, that's about it. If you have any other ideas, you can tell me.

Shen Lian sneered. my father has already gone crazy. You suddenly came up with such a so-called will. I think not only me, but Jin Taihe's Board of Directors will not agree to it either.

She looked at PEI Qiqi and started to pour dirty water on her, "and PEI Qiqi, you hid my dad away. You have bad intentions. In the end, you are still after the Shen family's assets.

"Not only will I not give it to you, I'll also Sue you for kidnapping an old man," she said slowly.

PEI Qiqi looked at her. It seemed like Shen Lian had prepared for this.

her expression was calm. "if you want to sue me, go ahead. i'd advise you not to do that. otherwise, you probably won't even know how you died. "

"you don't have to worry about it." Shen Lian's pupils shrank. She suddenly remembered that Tang Yu had something on her. She couldn't Sue Shen Zhongshan.

She looked at PEI Qiqi with a guarded look.

In the end, due to Shen Lian's refusal to cooperate, the judicial Department intervened.

In the middle of this, Shen Lian made some arrangements. To put it bluntly, someone from the related department was drooling over Shen Lian's beauty. That person had always been a lecher and would side with whoever slept with him.

this was also true, no one else.

after more than a month of collecting evidence, it was finally proven that the will was fake. it was forged by pei qiqi.

Shen Lian stood at the defendant's seat and her voice carried a hint of pride as she looked at PEI Qiqi, "PEI Qiqi, this world won't change because of you. You can't do whatever you want.

"these words also apply to you, shen lian." pei qiqi looked at the prosecutor, "i only have one question: Was the signature on it fake? is the hospital certificate on it fake as well?"

A prosecutor said indifferently, "the current situation is that the person is no longer clear. So, you said that the person wrote it when he was conscious. Then why didn't you bring it out earlier, but wait until now? How many years has it been?"

pei qiqi laughed lightly,"then what do i need to do to prove that this is real?."

The person with high status and power had been traveling through the valley for a few days. His face was cloudy. He looked at PEI Qiqi and smiled pervertedly, "if Shen Zhongshan wakes up now, we can naturally tell if this is real or fake.

Shen Lian would also proudly look down on her entire life, and Shen Zhongshan would never wake up.

PEI Qiqi looked at Shen Lian and knew that Shen Lian had probably taken off her clothes out of habit.

However, was it worth it for this?

how would that drunkard treat her in bed? He could figure it out with his toes.

"is that so?" PEI Qiqi spoke softly and firmly, " " mr. shen chongshan is outside, and a doctor approved by the legal department is also here. they can check if mr. shen's mental state is normal. "

shen lian was shocked.

The one standing on top also changed his expression. How was this possible?

At this moment, the main doors of the court opened. The sunlight from outside shone in and stung Shen Lian's eyes!

who else could it be but shen chongshan who walked in from the outside?

Although he wasn't as handsome as he used to be, it was normal for him to be clear-headed.

Chapter 987 King of Glory, blinding my dog eyes (2)

Shen Chongshan slowly walked up to the head inspector. This was Shen Chongshan's good friend of many years. Now-

It was really good. For his own selfish desires, he slept in the same bed as his daughter.

shen chongshan's old friend had slept with his own daughter for his own selfish desires.

being stared at by shen chongshan, the man let out a long sigh in his heart. with just one look, he knew that shen chongshan was normal.

Shen Lian was stunned. Her lips trembled and her voice trembled,"Dad, Yingluo, how did you know Yingluo? how did Yingluo know?"

Shen Chongshan turned around and looked at Shen Lian. do you still know that I'm your father? "

Shen Lian remembered how she had tortured Shen Chongshan in the past. She bit her lip, but her eyes turned cold again.

What did she need to feel guilty about? in fact, shen chongshan had been acting all this time.

she glared at him, " you know that pei qiqi needs bone marrow and you can't donate it yourself. are you playing the fool? "

Even Tang Yu didn't know that PEI Qiqi had the same question.

shen chongshan didn't give a direct answer. he just said, " "These are not the most important things."

Shen Lian looked at her father. There was no more warmth in his eyes, only hostility.

Yes, they were enemies now.

His heart only had PEI Qiqi.

Shen Lian sneered,"it seems that you all have appeared today to put me to death."

She raised her eyes and looked straight at PEI Qiqi,"so what if you get 20%?" i'm still the biggest shareholder of jin taihe."

as she spoke, her eyes fell on shen chongshan's face, " "Dad, you won't even give me this chance, right?"

She was betting that Shen Zhongshan wanted to save face!

Under such circumstances, if Shen Zhongshan didn't give her a way out, people would definitely point fingers at her.

however, shen lian did not know that face was no longer important to shen chongshan.

To Shen Zhongshan, the most important thing was PEI Qiqi's experience.

"of course!" he said lightly.

At this moment, PEI Qiqi spoke, " "Uncle Shen, I reject Jin Taihe's 20% Offer."

There was a firm look in her eyes, which faintly revealed the style of Shen Zhongshan when he was young.

Shen Chongshan admired her, so he didn't stop her. He knew that she had other plans.

shen lian was stunned. after that, she felt as if ten thousand f * cking horses were galloping across her heart!

pei qiqi didn't want it!!! was it fun to sue her? She had slept with him in vain!

shen lian's face turned black, so black that it turned green. she glared at pei qiqi.

"are you not happy?" PEI Qiqi looked at Shen Lian innocently, " I thought you would be very happy.

"Yes, I'm very happy." Shen Lian gritted her teeth.

After that, she looked at Shen Chongshan and put on a fake smile. "dad, why didn't you tell me that you've recovered? it'll be good for me to bring you and mom back to stay."

no, " Shen Chongshan flatly refused, " your mom and I are staying at the place Tang Yu arranged for us. We're living quite well.

Shen Lian's face seemed to have been slapped.

shen chongshan and pei qiqi went out together with tang yu behind them.

Outside the door, there was already a large group of reporters waiting. It was supposed to be an economic lawsuit, but now that Shen Zhongshan appeared, the public was even more curious about the relationship between Shen Zhongshan and PEI Qiqi.

after all, jin taihe's 20% was a big deal.

Shen Zhongshan was prepared for this. PEI Qiqi's relationship with Qianqian was made public. It was better to have less speculation from the outside world. Otherwise, Shen Lian would definitely throw the dirty water on her.

Chapter 988 King of Glory, blinding my dog eyes (3)

PEI Qiqi stood beside Shen Zhongshan and accepted the reporters' questions, "Mr. Shen, can you explain your relationship with President PEI?"

shen chongshan smiled. "i made a lot of mistakes in the past. qiqi is my daughter. we have done a paternity test. " here, i would like to thank a deceased person, mr. pei minghe! He has taught Qi Qi so well, and he loves my daughter like a Pearl in his palm."

PEI Qiqi was a little moved. Yes, although PEI Minghe didn't have many good points, in her heart, he had always been the best father.

The reporters were in an uproar. In fact, they had already guessed it, but they didn't expect Shen Zhongshan to be so direct about such a private matter.

PEI Qiqi pursed her lips and stood beside Shen Chongshan. They did look similar.

This photo took all the headlines.

people seemed to have forgotten that shen chongshan had a daughter called shen lian.

shen lian kept looking at them. her heart was as cold as water.

Her father was finally not her father.

he was awake, and she was extremely afraid.

What did they want?

when pei qiqi didn't make a move, shen lian was terrified every day and her judgment wasn't as good as before. in addition, she had been running amok for the past few years and was no longer the capable shen lian she was.

shen lian sat in her office smoking while meng qingcheng stood in front of her desk.

she finished her cigarette in frustration, then looked up at meng qingcheng. " "Did you see that? after Boyi merged with Shengyuan, they've been making big moves. They've gotten the land in the South of B city and are developing a large residential area.

In a place like B city, even the suburbs cost at least 50000 Yuan. In addition, they were rich and the facilities could keep up, so they didn't have to worry about sales. Moreover, it was a School District.

shen lian's eyes were filled with unwillingness. if you didn't stop me, I would've already bought that piece of land. This time, the profit is at least ten billion. Meng Qingcheng, where did your vision go? ”

a cold smile appeared on meng qingcheng's face, ” “Do you think Jin Taihe can invest tens of billions of Yuan at once? the shareholders won't agree to it. ”

But Bo Yi was different. Bo Yi's predecessor was Sheng Yuan. He could even spend hundreds of billions, let alone tens of billions. it was just a drop in the ocean.

to put it bluntly, shen lian didn't understand the current situation. tang yu had gotten rid of 20% of her problems. with his capabilities, he could easily get rid of jin taihe in minutes.

Why isn't he making a move now?

That was because he wanted PEI Qiqi to practice. Now, PEI Qiqi was using the monster, Bo Yi, to deal with Jin tai he. It was as easy as flipping her hand. If it really didn't work, she still had Tang Yu.

Of course, Shen Lian's heart was both dependent and suspicious of Meng Qingcheng.

That was why she couldn't tell if he was telling the truth or not.

meng qingcheng sat on the sofa opposite her and swiped on his phone. then, he held a cigarette in one hand and showed her his phone in the other, ” “look, this piece of land will be open for bidding and auction next month. we can build a seaside villa resort. it's quite big, but it's cheap! The most important thing is that I have insider information that in the next year, subway line 3 will extend here. When it's completed, the opening price will more than double.

Shen Lian walked over and looked at Meng Qingcheng with suspicion. Then, she looked at the piece of land. That land ticket number G55 took up a lot of land. Although the current location was a little remote, it was still within B city. How could it be so cheap?

Chapter 989 All capitalists suck blood (1)

Meng Qingcheng probably guessed what she was thinking, so he calmly said, ” ” land like this has a low price, but the price will double when it's bought. ”

“So, are you interested?” he looked at Shen Lian.

Shen Lian was a little tempted. Now, the most profitable project was real estate. Everyone was speculating in real estate and there were many people who wanted to take over.

She and Meng Qingcheng looked at each other for a while, then she stood up. give me the documents. I need them by this afternoon.

“OK。 ”meng qingcheng smiled, put his phone back into his bag, and took the last puff of his cigarette.

Just as he was about to leave, Shen Lian called out to him.

Qingcheng, I saw that your screensaver is still Tang Xin's photo. I think you're the same as me, you haven't forgotten that painful period. Shen Lian's face was cold.”If you hate them, then send them to hell.”

meng qingcheng only looked at her deeply and didn't say anything.

After he left, Shen Lian smiled sinisterly.

pei qiqi, i'm going to see how long you'll be smug for!

now that she had calmed down and thought about it carefully, she finally understood. tang yu had a vasectomy because pei qiqi couldn't have another child. her body didn't allow her to get pregnant.

Without a child, she wanted to see how long tang Yu's feelings for her could last, Yingluo.

On the other end, PEI Qiqi answered a call and hung up. She turned her head and looked at Tang Yu, who was sitting on the sofa, " "She was tricked."

tang yu smiled. this wasn't strange!

Shen Lian had always been a competitive person. How could she sit still when she saw Bo Yi's actions?

however, the more she couldn't hold it in, the more jin taihe would be dragged down by her. at that time, without the support of the shareholders, she would be alone.

pei qiqi was in a good mood. she tidied up the things on her desk and looked at him, " I want to visit PEI Huan later. I'm going to my dad's place for dinner tonight. Tang Yu, do you want to come? "

tang yu's eyes were on her little face. he was very focused.

She touched her face and asked, " "What's wrong?"

with a faint smile, he slowly said, " "look at this, look at that, and tomorrow, you'll have to look at little heart. miss pei, don't you think you've neglected mr. tang? Hmm?"

As he spoke, he had already pressed her against the desk and wrapped her in his arms, trapping her.

Her waist was very soft, and she leaned back slightly. Her small hand pulled his tie and pulled him closer to her. She deliberately breathed out, " Mr. Tang, I remember that you have a little seven at home. Why, are you still not satisfied? "

he followed her force and pressed down, making her little face red, but she still pretended not to care.

"whether little seven can satisfy me or not, you know best, don't you? hmm?" he bit her little ear and saw a red cloud floating behind her ear as he wished.

At this moment, they were extremely close to each other, and their breaths were intertwined. They allowed this intimacy to deepen.

Tang Yu couldn't hold it in anymore. He lowered his head and kissed the side of her face. His voice was a little hoarse, " Qiqi, do you want to try the resting room here? "

her little hand was still playing with his tie. her voice was soft and her expression innocent. " president tang, i remember that this is my office, and you are my subordinate. "

“So, you can do whatever you want to me!” he blew into her ear. ” ” subordinates should be used to the extreme. this is what a capitalist should do. ”

he paused for a moment. ” all capitalists suck blood, remember? “

She bit her lips and glanced at Yingying, but she remembered the first time they had sex after the first ridiculous time.| things.

at that time, probably because he had a great desire to explore a woman’s body, he didn’t let go of a single part of her body. in the end, that night’s sex ...| The matter ended because of her period.

Now that she thought about it, she still remembered that his face was black at that time. He seemed to be very uncomfortable, and then he forcefully pulled her little hand to do that shameful thing. At that time, she didn’t know anything and was frightened.

pei qiqi was like a queen, ” what if i ask you to do it again? ”

“I’m more than happy to.” then, tang yu really knelt down.

pei qiqi couldn’t help but laugh. she kicked him twice, ” alright! Alright! i’m not playing anymore.”

But now that he had been picked up, how could he let her go so easily?

Her shoes were thrown to the side, and her little feet seemed to be on fire.

she felt itchy and numb. she wanted to kick him, but she couldn’t bear to use force. in the end, he kissed her.

This pervert!

After that, she simply lay on his shoulder and hit him with her small hands. don’t, ran ran. Xiao ran will see it when he comes in!

She was as soft as a little lamb. Tang Yu’s heart skipped a beat. He was just teasing her, but now, he was serious.

in an instant, he carried her and walked towards the resting room. he threw her onto the soft bed and turned to lock the door. when he stood at the end of the bed and started to unbutton his shirt, pei qiqi held her breath and was stunned.

she was scolding herself in her heart. after so long, she was still seduced by him!

So good| lust, this illness had to be cured!

He had promised to do it once, but he kept doing it until noon. It was already time for lunch.

pei qiqi glared at tang yu angrily.

” qiqi, you have to forgive a man who is down in his career. all his confidence comes from women. when you told me to use more strength and go faster, i felt

a sense of accomplishment. ” He leaned over and kissed her little mouth with infinite satisfaction.

PEI Qiqi wrapped herself in the blanket and glared at him with a gaze that made one’s hair stand up.

tang zheng smiled. ” boss pei, please correct me if i’m wrong! next time, i’ll definitely strive for perfection and make boss pei feel happy at work every day.”

pei qiqi covered her ears and glared at him, ” shameless, shameless! tang yu, how come i’ve never realized that you’re so shameless before?” She felt that she had been tricked. What nobility, what abstinence, they were all lies.

Tang Yu put on his tie and was dressed neatly. He leaned over and placed his hands on both sides of her body. His eyes were burning, ” “PEI Qiqi, that was because I didn’t meet you before! I’ve been a beast since I met you, and now I’m crying.”

he smiled, looking even more noble and shameless.”I’m worse than a beast now.”

She willfully kicked him somewhere. if you’re so capable, change your body for me!

Tang Yu supported himself with one hand and held her delicate little chin with the other. He chuckled, ” so my Qiqi likes humans and beasts? ”

she snuggled under the blanket and ignored him. in terms of shamelessness, she was far from his match.

yet, he could still say such shameless words in a serious manner!

Tang Yu looked at her and smiled. He reached out and lifted her little head from the blanket. He laughed, ” Qiqi, aren’t you afraid that it’ll be stuffy? ”

Even her breath was sweet and fragrant. She revealed her small head and was held in his arms.
