

## The 80s 419

### Chapter 419: The Deliberate Conspiracy

No matter what mindset Zhang Yujun was in not to take full advantage of Ying Xiaoya, the fact is he had ill intentions and was filthy in his methods, never caring about his reputation to achieve his goal.

"Got drunk and walked into the wrong room"? Are you kidding, a grown man staying the night at someone's place and then accidentally wandering into someone else's room? Plus, out of all the rooms, why did it have to be Ying Xiaoya's room?

In short, there's no need to say more, this is clearly a huge conspiracy. Who knows if that female colleague Guan Liyan was an accomplice?

"What did I tell you, to be more cautious. Look at you, giving your life away over alcohol. A girl drinking herself to death with others while away from home, why can't you be more careful?" Cheng Su chastised Ying Xiaoya with disappointment, as if she were upset with her for not meeting expectations.

Ying Xiaoya's face was flushed red, her eyes rimming with tears again, she said, "They kept urging me to drink. If I didn't, they said I was being stuck-up for working outside the factory now. I... I just care too much about face!"

"Pah! You're just being foolish, listening to whatever people say." Cheng Su coldly snorted.

"I know I'm foolish, sob sob, I'm too ashamed to face anyone now!" Ying Xiaoya started to cry again.

Seeing her cry made Cheng Su even angrier, "You still have the face to cry? Is it such a big deal? Just because you slept in the same bed with someone, do you need to make such a fuss?" Cheng Su continued, "This whole situation, let's not even say that scumbag didn't take advantage of you. Even if he did sleep with you, you shouldn't be contemplating suicide. A woman's purity is important, but we're not living in the Manchu Qing dynasty anymore. How many people really care about this? Don't tell me there aren't any cases of people getting pregnant before marriage, or 'buying a ticket after boarding the train', do you think those don't exist?"

"You, you..." Ying Xiaoya stammered under her scolding, "That, that's indecent."

"People do it secretly, getting on the train first and buying a ticket later, how would you know if it's not made public?" Cheng Su gave her a disdainful look.

Ying Xiaoya fell silent.

Seeing her ashamed, Cheng Su sighed and said, "Xiao Ya, you need to experience more and learn. I know you're a good, innocent girl, but I still want to tell you, in this world, nothing matters more than life and death. Even if you've been wronged this time, if you killed yourself, who would be the greater loser? Your parents, who only have you as a daughter!"

Ying Xiaoya wiped away her tears and said, "I know, I just don't know what to do now. He, that Zhang Yujun, is shameless! Now that everyone knows about me and him, how can I face anyone?"

Cheng Su's face darkened as she asked, "Did others see you two this morning?"

"Guan Liyan saw us." Ying Xiaoya said with teary eyes, "Even if there was nothing between him and me, would others believe it?"

That was what she truly cared about, unfairly saddled with a bad reputation!

Cheng Su's expression turned extremely grim as she said, "I'm afraid this is also part of their scheme, cornering you with no way out, and in the end forcing you to marry him because of your reputation!"

Ying Xiaoya's expression changed drastically, "I'd rather die than marry him!"

Of course. Such a scumbag, with terrible character, getting married to him over reputation would mean she had been kicked in the head by a donkey.

Cheng Su was certain that Zhang Yujun was plotting meticulously, and it was inevitable that he would continue putting on a show.

With this in mind, Cheng Su suggested Ying Xiaoya rest first, as she needed to discuss the next steps with Ying Jian and her husband.

Ying Xiaoya was beyond herself with worry, obediently lying down to sleep and promised Cheng Su she wouldn't do anything foolish again.

As for Cheng Su, after going out and discussing the matter with Ying Jian and his wife, both of them turned pale, and Ying Jian was so furious he smashed the teacup in his hand, "That damn bastard, I'll kill him!"
