

The Beauty 100

Chapter 100 The Secret of the Research Lab (Part 3)

Several minutes later, inside Qin Lan's office.

"Mr. Ling, there are a total of forty-eight members in the research lab, consisting of thirteen researchers, twenty-five security personnel, and the remaining ten people including myself are administrative staff responsible for everyone's daily needs."

"How many people among them are aware of the exoskeleton armor?"

"Only the researchers and I know about it." As she finished speaking, Qin Lan looked puzzled at Ling Chen, "Mr. Ling, why do you ask this?"

"Miss Qin, the chairman might not have informed you yet, but the research on the exoskeleton armor has been leaked to outsiders."

"That's impossible!"
