

## The Beloved and Pampered Girl

1. Chapter 2
- 2.
3. “What are you thinking about?” “Getting married!”
4. When adults encountered such a thing, they would usually go their separate ways after that and pretend they do not know each other if they were to meet again. It was an unspoken rule.
5. “Get in the car!” Chu Liyuan said in an authoritative voice that sounded like an order.
6. “There’s no need. I’ll take a cab,” Jian Dan rejected.
7. “Get in! You won’t be able to get a cab here!”
8. When Jian Dan heard this, she looked around and realized that there was no one here, let alone a car...
9. Jian Dan had no choice but to get into Chu Liyuan’s car...
10. “Sorry to trouble you!” Jian Dan said shyly.
11. After Jian Dan got into the car, Chu Liyuan stepped on the accelerator and drove away...
12. Jian Dan sat in the front passenger seat cautiously and kept looking out of the window. Along the way... although Chu Liyuan did not speak, his eyes would occasionally glance at the woman beside him.
13. “Stop the car!” Jian Dan suddenly said.
14. There were many couples going in and out of the marriage registration office. Jian Dan should have been among them today.
15. Chu Liyuan stepped on the brakes and stopped the car. He looked at the woman beside him and realized that her gaze was fixed on the marriage registration office by the roadside.
16. She was still young, but she was staring at the marriage registration office in a daze. This did not make sense.
17. “What are you thinking about?” Chu Liyuan looked at Jian Dan—who was staring blankly at the marriage registration office—and asked.
18. “Getting married!” Jian Dan blurted subconsciously.
19. What did she just say? “Getting married?”

20. Jian Dan realized that she was a little inappropriate, so she turned around and looked in the direction of the driver's seat. She met Chu Liyuan's brown eyes, and her heart beat wildly...
21. His eyes were clearly so beautiful, but why did they give off an inexplicable sense of oppression? It was as if they could see through one's heart. Nothing could escape these eyes.
22. Chu Liyuan paused for a moment and got out of the car. He opened the door of the passenger seat and said, "Get out!"
23. What was going on? Was he going to throw her out of the car because her words had angered him?
24. That was right. She actually said those words under such circumstances. Anyone who heard her would think that she was forcing him to take responsibility! Her brain must have been kicked by a donkey.
25. How could she say such things so casually?
26. Jian Dan was still in a daze when Chu Liyuan pulled her out of the car.
27. Was he complaining that she was too slow, so he could not help but do it himself??
28. However, what happened next made Jian Dan's jaw drop. He actually pulled her to the marriage registration office.
29. Jian Dan—who was in a daze—was pulled away. It was only when they stopped at the door that she asked in confusion, "What are you doing?"
30. Upon hearing Jian Dan's words, Chu Liyuan walked in front of Jian Dan and looked at her from his height at a close distance. "Don't you want to get married?"
31. What was going on now? What was he doing now? Could it be? No way! Impossible! How could it be?
32. Jian Dan was shocked by the thought that popped up in her mind and immediately denied it in her heart...
33. Unexpectedly, in the next moment...
34. "What? You don't want to anymore?" Chu Liyuan asked directly.
35. Jian Dan looked at the man in front of him. The expression on his face was so serious that even his eyes revealed certainty...
36. "Alright!" Jian Dan unexpectedly agreed.
37. In just 20 minutes, Jian Dan had become someone's wife??

38. Jian Dan stared intently at the little red booklet in her hand.
39. Married just like that?
40. This was definitely the craziest thing that Jian Dan had ever done in her entire life. On the day that she had just turned 20, she got married to her one-night stand?
41. Crazy... Crazy... Definitely crazy... Was she possessed?
42. She did not even know his name. At the thought of this, Jian Dan flipped open the little red book in her hand...
43. "Chu! Li! Yuan!" Jian Dan enunciated her husband's name slowly.
44. So, his name's Chu Liyuan!
45. Why did it sound a little familiar? Had she heard it somewhere before?
46. Where? Why can't I remember?
47. Oh! Who cares? I am already married anyway.
48. However, in the next moment... a string of numbers... stunned Jian Dan...
