The City's Strongest Son-in-law

Chapter 12 - 12 12 The Calculating Su Changfeng

12: Chapter 12 The Calculating Su Changfeng 12: Chapter 12 The Calculating Su Changfeng
"Grandma, we've both signed the contract with them.

Can those people still back out?" Tang Xiangdong said unwillingly.

Grandma sneered and said, "Don't tell me you don't know who the real owner behind Weishui Real Estate is!

With the Tang Family's limited assets, what can you do to them?

Even if they compensate you in front of you, do you dare to accept it?"

Grandma's words stunned everyone in the Tang Family.

Just like she said, even if they compensate you, do you dare to accept it?

Because behind Weishui Real Estate is the Beijing Su Family!

"Only Tang Qiulu can turn this around, so you two make sure to handle it!" Grandma finished speaking and walked away angrily.

The other relatives in the Tang Family looked differently at Tang Xiangdong.

They realized that after this situation, Tang Qiulu's prestige in the group would quickly rise, potentially threatening Tang Xiangdong's position.

They used to flatter Tang Xiangdong because he was the most likely candidate for the chairman position.

However, judging by this mistake, Tang Xiangdong's image in Grandma's heart will certainly decline, and ultimately, who will be the chairman is now uncertain.

"Donglin, it's up to you now.

We can’t help you much.”

“That’s right, we’re powerless too.

Grandma is really angry.

I suggest you think about how to solve it.”

“We have other things to do, so we’re leaving now.”

Everyone left just like that.

The huge conference room was left with only Tang Zhenbang and Tang Xiangdong.

Tang Zhenbang’s face turned pale with anger, and he said viciously, “I don’t know what benefits Tang Qiulu gave Cheng Shi.

Look at your position in the group, he gave you no face at all.”

Tang Xiangdong almost clenched his teeth, he sneered and said, “Tang Qiulu probably put a green hat on that coward.

Tang Qiulu is really a bitch, who would have thought!”

“Anyway, she has to take the lead on this.

Grandma always follows through.” Tang Zhenbang sighed.

Just thinking about having to ask that Tang Qiulu for help made Tang Xiangdong’s head hurt.

If he had known this would happen, he wouldn’t have called Tang Qiulu last night, feeling pleased.

But look how quickly he got slapped in the face.

“Looks like I have to call that bitch now.”

Tang Xiangdong took out his phone, found Tang Qiulu’s number and dialed it.

This matter is no small affair.

If Cheng Shi chooses another partner, the Tang Family is really done.

Tang Qiulu was ordered by Grandma to take a day off today.

Because of this, she was in a foul mood, sitting in the living room watching TV when someone called her.

Just as Tang Qiulu was about to pick up the phone, Su Changfeng snatched it away.

“Tang Xiangdong is calling.

I’ll answer it for you.” Su Changfeng said.

Tang Qiulu didn’t know what Su Changfeng intended, but since he said this, she naturally didn’t ask further.

“Qiulu, come to the group immediately now.” Su Changfeng turned on the speakerphone, and Tang Xiangdong’s voice came through.

Hearing Tang Xiangdong’s voice, Tang Qiulu was extremely angry.

This bastard bragged on the phone for half the night last night, and now he wants to humiliate her in front of the whole group?

Just as she was about to speak, Su Changfeng gestured for her not to.

“Qiulu is sick.” Su Changfeng said.

Upon hearing it was Su Changfeng answering, Tang Xiangdong became very impatient: “Let Tang Qiulu answer, you don’t have a say here.”

“Oh.” Su Changfeng finished and hung up the phone, even turning it off.

“What are you doing?” Tang Qiulu asked.

“Tang Xiangdong is seeking your help.

Cheng Shi probably didn’t cooperate with him, so now he wants you to negotiate.” Su Changfeng said.

Tang Qiulu was stunned and said, “Really?”

“Would I trick you?”

Tang Qiulu stood up anxiously and said, “Then let’s hurry!”

“Even if you’re anxious, you don’t need to be.

The most anxious person right now is Tang Xiangdong.

Grandma is probably very angry now.

Tang Xiangdong is begging you for help.

This guy stole your cooperation with shady tactics.

Do you want to let him off so easily?" Su Changfeng said.

Tang Qiulu still didn't understand Su Changfeng.

This cooperation is very crucial for the Tang Family.

If handled well, it could certainly boost her prestige within the family.

If delayed and something unexpected happens, Tang Xiangdong can't escape, but she probably wouldn't be in a good situation either.

"So what do I do now?" Tang Qiulu asked.

"Wait, let that guy come and beg you.

Now is the perfect opportunity for your revenge." Su Changfeng said with a smile.

"But..."

"Don't worry.

Don't forget my relationship with the boss of Weishui Real Estate.

Even if it's delayed, there's no problem at all." Su Changfeng explained.

Only then did Tang Qiulu react, staring blankly at Su Changfeng, then she leaned back on the sofa and said softly, "Su Changfeng, who would've thought you were so cunning."

...

In a rage, Tang Xiangdong threw the phone on the ground after Su Changfeng hung up on him.

"That coward dared to hang up on me, where did he get the nerve!" Tang Xiangdong shouted angrily.

Tang Zhenbang's heart sank.

If Tang Qiulu wouldn't step up, everything would be over.

“Donglin, what’s the situation?

Isn’t Tang Qiulu coming out?” Tang Zhenbang asked.

Tang Xiangdong sneered coldly and said, “It’s Su Changfeng.

He said Tang Qiulu is sick.”

“Sick?” Tang Zhenbang spat, then said disdainfully, “That bitch is pretending to be sick on purpose!

Deliberately avoiding this issue.”

Even though he was very angry, Tang Zhenbang’s intelligence didn’t drop.

Regardless, they must make sure Tang Qiulu steps up.

While cooperation isn’t much, if they are kicked out of the Tang Family, it will be a disaster.

“Donglin, go, Dad will go with you.” Tang Zhenbang said.

Tang Xiangdong’s face was cold.

Su Changfeng dared to hang up on him; now he was filled with anger and had to go settle this.

Arriving at the community where Tang Qiulu lived, Tang Zhenbang’s face showed a look of disgust.

“Living in such a place, really the least valuable Tang family member.”

“Dad, Tang Qiulu’s family should be content with having a place to live at all.

Her salary is so little; can this family live in Xianwu Mountain Villa District?” Tang Xiangdong said with a face of mockery.

Xianwu Mountain Villa, living in that place is absolutely a symbol of one’s or a family’s status.

Chapter 13 - 13 13 Dealing with Tang Xiangdong

13: Chapter 13 Dealing with Tang Xiangdong 13: Chapter 13 Dealing with Tang Xiangdong The Old Madam Tang's lifelong wish is for the Tang Family to move into the Xianwu Mountain villa district, because living in this area is considered barely touching the threshold of the elite families.

The sound of knocking on the door rang out.

Su Changfeng told Tang Qiulu to go back to the room; if you're going to pretend to be sick, make it convincing.

Opening the door, Tang Xiangdong looked at Su Changfeng with extreme anger.

"Su Changfeng, did you hang up my call?" Tang Xiangdong asked.

"That's right."

Suddenly, Tang Xiangdong raised his fist and punched Su Changfeng in the face.

"You useless fool, who told you to hang up?"

Bang!

Su Changfeng retaliated with a swift kick, hitting Tang Xiangdong in the abdomen.

Tang Xiangdong's fist didn't even touch the hem of Su Changfeng's clothes before he was kicked against the wall.

With intense pain in his lower abdomen, Tang Xiangdong's face contorted in agony as he squatted on the ground, wailing.

"Su Changfeng, how dare you hit Donglin." Tang Zhenbang shouted angrily upon seeing his son being attacked.

Su Changfeng stared coldly at Tang Zhenbang and said, "If you say one more word, I'll kick you too."

Tang Zhenbang was taken aback; the gaze of this scumbag actually made him feel a bit scared.

Isn't this guy supposed to be a coward who gets bullied by everyone?

Why is he suddenly so resolute this time?

"Su Changfeng, you damn well dare to lay a hand on me?" Tang Xiangdong said through gritted teeth.

“Don’t forget why you’re here—coming to ask for help with that attitude?

Didn’t Grandma tell you what the consequences of losing this cooperation are?” Su Changfeng said.

Su Changfeng’s words directly quelled the anger of Tang Zhenbang and Tang Xiangdong; if the cooperation couldn’t continue, they’d be thrown out of the Tang Family.

“Su Changfeng, this has nothing to do with you, have Tang Qiulu come out.” Tang Zhenbang said.

“Why does it have nothing to do with me?

Tang Qiulu is my wife.

Qiulu is sick, and right now, I’m making all the decisions at home.” Su Changfeng said.

“Wife?”

Upon hearing this, both Tang Zhenbang and Tang Xiangdong laughed simultaneously.

“Su Changfeng, are you even a man?

You rely on Tang Qiulu to survive; your words carry no weight here!” Tang Zhenbang said.

“You’re saying this, but does Tang Qiulu know?

Besides, don’t you know that Tang Qiulu has already cuckolded you?

Or do you think she signed the contract with Weishui Real Estate for no reason?” Tang Xiangdong looked at Su Changfeng mockingly.

Su Changfeng frowned; he certainly knows how Tang Qiulu secured the contract, and Tang Xiangdong is clearly slandering her maliciously.

He walked up to Tang Xiangdong, his eyes filled with murderous intent.

Tang Xiangdong shrank his neck, feeling inexplicable fear, his speech turning stilted: “You...

what do you want to do?”

“If you say another bad word about Qiulu, I’ll make you wish for death as a luxury!”

Tang Xiangdong swallowed his saliva with difficulty, at this moment, he inexplicably believed Su Changfeng's words.

"What are you two doing?" At this moment, Tang Zhenhua and Sun Mei happened to come back and saw this scene.

"Zhenhua, you really have an incredible son-in-law, actually daring to hit Donglin!"

Seeing Tang Zhenhua return, Tang Zhenbang resumed his arrogant demeanor.

His little brother had always been cowardly since childhood, not daring to make a peep when his candy was snatched before even starting school.

After starting school, snatching textbooks and women was the same, Tang Zhenbang had never lost.

Hence, he has an innate sense of superiority in front of Tang Zhenhua.

And Tang Zhenhua, bullied by this brother since childhood, had long since developed a shadow in his heart, beginning to feel fear just by seeing Tang Zhenbang.

"Su Changfeng, did you take the wrong medicine?

Dare to..."

Before Tang Zhenhua could finish speaking, Sun Mei directly grabbed him.

Even though Sun Mei deeply dislikes Su Changfeng, Tang Xiangdong snatched Tang Qiulu's cooperation last night, and now, unable to find a place to vent her anger, seeing Tang Xiangdong beaten made her quite delighted.

"Older brother, Donglin getting hit now is deserved.

Who knows how much harm he's done; isn't this just karma coming back?" Sun Mei said.

"You..." Tang Zhenbang was very angry, his trembling finger pointing at Sun Mei.

"Why me?

What are you pointing at me for?

Why did you come here?

Our family doesn't welcome you at all!" Sun Mei, being a complete shrew, was more than a match for Tang Zhenbang.

“Yes, elder brother, why did you come here?

You never came before.” Tang Zhenhua was also puzzled; members of the Tang family had never visited their place; perhaps this time they really did take the wrong medicine?

Tang Zhenbang and Tang Xiangdong hung their heads, unable to speak out of shame.

Su Changfeng said: “People from Weishui Real Estate don’t want to work with new managers, so they came to ask Qiulu to show up; I guess Grandma is angry!”

Hearing this, Sun Mei smiled happily.

“Brother, just can’t expect you guys to come over and beg us.

Really just fulfills that saying, sooner or later you’ll have to pay back what you’ve done!” Sun Mei said.

Tang Zhenbang’s future was now entirely in Tang Qiulu’s hands; he felt very unwilling, but dared not retort to Sun Mei.

“Zhenhua, this matter is indeed my and Donglin’s fault, I sincerely apologize to you both.” Tang Zhenbang said.

Tang Zhenhua, having always seen Tang Zhenbang as extremely formidable since childhood, had never seen him apologize to anyone, making him quite confused at this moment.

Tang Xiangdong, lowering his head, felt utterly humiliated, but there was no other choice now.

“Brother, I suppose Mom is angry?

The punishment must not be trivial, otherwise you two wouldn’t have come to apologize to me.” Tang Zhenhua said.

“This time you must help me, or Grandma will expel me from the Tang Family.” Tang Zhenbang decided to spill everything.

Anyway, he was already shameless, but if he could stay in the Tang Family, he might recover his dignity; if kicked out, he’d be left with nothing.

Su Changfeng was a bit surprised to hear this; though he thought Grandma would pressure Tang Zhenbang, expelling him from the Tang Family...

This was beyond his imagination.

“No way, why should we help you?

You two have been giving our family trouble all along.” Sun Mei directly refused.

“Sister-in-law, this doesn’t benefit you either.

You and Qiulu can continue working with Weishui Real Estate; that’s definitely good.

But if I’m expelled from the Tang Family, it means the cooperation hasn’t succeeded, and you’ll end up with nothing.” Tang Zhenbang said.

Chapter 14 - 14 14 Tough Attitude

14: Chapter 14: Tough Attitude 14: Chapter 14: Tough Attitude Sun Mei pondered for a moment, it seemed like it wasn’t wrong.

Tang Zhenbang was kicked out of the Tang Family, and their own status wouldn’t be affected at all, but they’d still be looked down upon.

However, if Tang Qiulu could continue as the person in charge, then it’d be different.

Tang Qiulu’s rise in the Su Family would mean their own status would rise as well!

Going out, we’d also have extra face.

“Where’s Qiulu?” Sun Mei turned and asked Su Changfeng.

“She’s sick, resting in her room,” Su Changfeng replied nonchalantly.

“Sick?

Why would she suddenly get sick?” Sun Mei walked into the room looking quite worried.

At this time, Tang Qiulu absolutely couldn’t let anything affect her position in the Su Family!

Upon arriving at their bedroom, she found Tang Qiulu looking perfectly fine, without a hint of illness, so she asked, “Qiulu, do you feel uncomfortable anywhere?”

Tang Qiulu gave a mysterious smile, then whispered, “I’m fine, Mom.

Su Changfeng told me to pretend to be sick.”

Sun Mei was momentarily stunned, then understood what Su Changfeng meant, whispering, “I didn’t expect that coward Su Changfeng to be so cunning.”

“Mom, can you stop calling him a coward and the like?” Tang Qiulu said a bit displeased.

Sun Mei glared at Tang Qiulu, “Even though this coward did well this time, it’s just a trick, it’s not his skill.

Could it be you’re developing feelings for this coward because of this?”

“We’ve been married for three years, Mom.”

Sun Mei had always been thinking about when there’d be a chance to kick Su Changfeng out of the Tang Family.

But now Tang Qiulu was speaking for Su Changfeng, and besides, she had already accepted marrying Su Changfeng, which made her quite angry.

“Tang Qiulu!

I’m telling you, don’t have feelings for him.

If you stay with this coward for life, you’ll definitely not be happy.

I’m a living example,” Sun Mei said angrily.

Throughout the past few years with Su Changfeng, the emotions between Tang Qiulu and him had become so subtle.

If it weren’t for the collaboration with Weishui Real Estate, she wouldn’t have divorced Su Changfeng either.

Moreover, the reason the collaboration could be completed was entirely because of Su Changfeng.

Sun Mei had a poor attitude towards Su Changfeng, entirely because she felt he had no ambition.

If she could tell her mom that the collaboration with Weishui Real Estate succeeded because it was led by Su Changfeng, it would definitely change her mother’s perception of him.

But...

Tang Qiulu couldn’t help but sigh, because Su Changfeng didn’t want her to reveal it.

“Mom’s not angry at you, she just doesn’t want you to end up like her,” Sun Mei realized her earlier tone was too harsh, and softened it a bit.

“Mom, give Su Changfeng a year, I think he will definitely surprise you,” Tang Qiulu knew Su Changfeng was changing for her.

Although she didn’t know exactly what was changing, she believed that one day, Su Changfeng would astonish those who thought he was a coward.

“Hmph,” Sun Mei snorted contemptuously, “He’s like your dad, a complete coward!

Even giving this coward ten years, so what?

Look at your dad, how long has it been?

He’s still useless.”

“Mom, you’ve been living together for so long, even though Dad hasn’t been that successful, he’s very good to you, right?

Not to mention, Dad never once went to look for other women, right?

Look at the uncles, which one of them hasn’t kept several mistresses?

Money can’t be the measure of happiness,” Tang Qiulu said.

Despite being very angry, Sun Mei knew what Tang Qiulu said was indeed true.

In the Tang Family, Tang Zhenhua was indeed poor and had no prospects at all.

However, he’d never gone looking for other women.

Compared to others, he was indeed very good.

“Alright, I’ll give this coward a year to see what he can achieve.

But I’m telling you, you can’t give him your body,” Sun Mei said.

Tang Qiulu nodded, although she could face her feelings for Su Changfeng now, when it came to this topic, she wasn’t prepared.

After Sun Mei went out, she saw Tang Zhenhua and Su Changfeng standing there.

“Where are those two guys?

Weren’t they asking for our help?

Where are they?” Sun Mei asked.

Tang Zhenhua looked at Su Changfeng with fear in his eyes.

Just now, Su Changfeng had strongly driven Tang Xiangdong away, and Tang Zhenhua had never seen Su Changfeng so fierce that he didn't even have the courage to stop him.

His son-in-law had been a coward for three years, so why did he suddenly change?

Even daring to hit Tang Xiangdong!

"I was the one who made Tang Xiangdong and his son leave.

Since Grandma changed the project leader, she should come herself," Su Changfeng said calmly.

After Su Changfeng finished speaking, Tang Zhenhua and Sun Mei were like they were struck by lightning, feeling completely stunned.

Isn't this seeking death, wanting Grandma to come herself?

"Su Changfeng, are you crazy?" Tang Zhenhua stood up in shock.

Sun Mei was equally shocked, saying, "Su Changfeng, do you have the right to speak here?

Do you know what will happen?"

Grandma's status in the Tang Family is akin to Cixi, although Sun Mei is a fierce woman, she was obedient in Grandma's presence.

"She will come," Su Changfeng said with great composure and then went to the kitchen.

Suddenly, Sun Mei felt that she couldn't see through Su Changfeng anymore.

Was he really out of his mind this time?

Or was he really crazy?

"Zhenhua, what's going on here?

Did he really get involved with something unclean?" Sun Mei asked quietly.

Tang Zhenhua shook his head, "Not sure, but this time, he seems different from before."

Sun Mei thought of what Tang Qiulu had said before about his potential... What kind of potential?

"Do you think Grandma will come?" Sun Mei asked.

Tang Zhenhua smiled helplessly, “Grandma would never come, she just stays at her villa and never goes anywhere else.

If anyone could invite Grandma to this house, it would only be the villa at Xianwu Mountain.”

Sun Mei nodded, Grandma had always wanted the Tang Family to have a place at the villa on Xianwu Mountain, but as time went by, it was still just a hope.

The next day.

Tang Qiulu had a habit of morning runs, she basically got up at six every morning.

After tidying up, Tang Qiulu went up to Su Changfeng and said, “Still pretending to sleep?”

Su Changfeng sat up awkwardly, realizing that even though he went to see Tang Qiulu get off work every day, she knew he followed her for a morning run.

Chapter 15 - 15 15 Just a Puppet

15: Chapter 15 Just a Puppet 15: Chapter 15 Just a Puppet The two of them went out for a morning run together!

For the past three years, Tang Qiulu’s morning jogging route has been fixed, usually passing by the Xianwu Mountain Villa area.

Su Canghai noticed this and roughly had some thoughts.

Upon reaching the road near the Xianwu Mountain Villa, Su Changfeng pretended to ask Tang Qiulu casually, “Why do you walk around here every day?”

“The air will definitely be better if I run inside the mountain in the morning.”

Tang Qiulu said longingly.

The gate at the foot of the mountain, except for those who live in the villas, is not accessible to others.

Tang Qiulu knew this was a place she couldn’t reach, and she was very happy just to look at it every day.

“Grandmother always hopes to live here because only by living here can one say they are mixed into high society.

And this cooperation with Weishui Real Estate is estimated to give the Tang Family such an opportunity.

That's why her attitude is like this, letting Tang Xiangdong come to find me."

Su Changfeng glanced at one of the villas halfway up the mountain and said, "It seems that a villa halfway up the mountain is going to be auctioned.

The original owner went abroad many years ago and probably does not plan to return."

"What are you thinking?" Tang Qiulu looked at Su Changfeng helplessly and said, "Among all the villas in Xianwu Mountain, the one on the mountainside is the most expensive, and it most reflects a person's status.

This auction will definitely have many people vying for it, and the estimated initial transaction price is 60 million!

Do you understand what 60 million means?"

60 million is indeed a lot, but...

it's also not that much.

"Let's go." Su Changfeng smiled.

Before going back, the two of them had breakfast together outside for the first time in three years.

After they returned, Su Changfeng found an excuse to leave the house.

Weishui Real Estate.

The top floor of the group.

Su Changfeng stood with his hands behind his back, looking down out of the floor-to-ceiling windows.

Cheng Shi stood respectfully behind Su Changfeng.

"For the villa auctioned at Xianwu Mountain, find someone to get it for me." Su Changfeng said.

Cheng Shi looked embarrassed, "Young Master, the Su Family's money is only for you to develop this company, this..."

Su Changfeng wore a cold smile on his face, put a bank card on the table, and said, “When I was 12, I knew the Su Family belonged to that person.

So at that time, I started using the Su Family to help me amass wealth.

At 16, I founded my own group.

In the Su Family, weren’t you responsible for the cooperation with Mo Ke Company?”

After hearing what Su Changfeng said, Cheng Shi suddenly started breathing faster.

“Wu Feng, the chairman of Mo Ke Group, we’ve known each other for many years.” Cheng Shi said.

“Chairman?” Su Changfeng smiled wickedly, “Just a puppet!”

Cheng Shi was shocked, staring at Su Changfeng in disbelief.

Wu Feng was actually a puppet of the young master of the Su Family in front of him?

All this time, it was Su Changfeng controlling Wu Feng?

The real boss behind Mo Ke Company was this young master!

“Do you know why I founded this company?” Su Changfeng asked.

Cheng Shi now looked terrified and didn’t know what to say.

“This is a sword hanging over the Su Family’s head.”

Cold sweat broke out on Cheng Shi’s forehead; he couldn’t believe it.

At 12, Su Changfeng was already paving the way for himself.

At 12, he should have been a carefree boy!

Such scheming was something no young master of the Su Family could compare to.

Who would have thought that the young man in front, while the eldest master of the Su Family indulged in pleasures, would hang a sword over the Su Family’s head.

“Don’t worry, young master, I will never tell anyone about this.” Cheng Shi said, sweating profusely.

“This villa, no matter how much it costs, you must get it for me because she wants to run on the mountain road in the morning.”

As long as you want, I will do my best to give you the entire world.

The old lady is out!

The old lady seems to have gone to Tang Zhenhua's place!

When the news spread throughout the Tang Family, everyone was shocked.

Over the years, this grandmother had never been to her children's houses, and she once said: If you want me to visit your home, you must live in the Xianwu Mountain villas!

"Is it true?"

"Grandmother really plans to go to Tang Qiulu's house."

"Impossible, who made up this rumor?

It's simply not possible."

The Tang Family juniors' WeChat group was abuzz, with basically everyone saying they didn't believe this.

However, when a photo of the grandmother getting out of the car appeared in the group, these people immediately stopped talking.

These people knew well that the grandmother's visit was selling face for Tang Qiulu, and this time, Tang Xiangdong's prestige in the group would certainly be affected.

When Tang Zhenhua and Sun Mei heard the news, they were so shocked they couldn't speak; they thought the grandmother absolutely wouldn't come over, but she indeed came.

This cooperation with Weishui Real Estate was extremely important for the Tang Family, and whether they could squeeze into Hai City's first-tier families depended entirely on this opportunity.

This was the grandmother's lifelong wish, hoping that while she was still alive, the Tang Family could live in a Xianwu Mountain villa.

When she learned Tang Qiulu was ill, she was very worried.

Once Cheng Shi cooperated with another company, there would truly be no remedy, so she had to see for herself to feel relieved.

After all, the elderly were quite tired after climbing the stairs, gasping for breath.

Tang Zhenhua and Sun Mei were already waiting at the door, and upon seeing the grandmother, they quickly went up to help.

“Mom, why did you come by yourself?

If there was something, you could have called us, and we would have come to you.” Tang Zhenhua said.

“Exactly, Mom, if you called us, we would have come.” Sun Mei echoed.

Grandmother was panting heavily, her entire face pale.

“I came to see Qiulu.

I heard Qiulu was sick.” Grandmother said.

Tang Zhenhua’s heart skipped a beat; Tang Qiulu was completely pretending to be ill.

If grandmother found out, it would be disastrous!

He glared hard at Su Changfeng, blaming him for this crafty plan.

Su Changfeng looked indifferent, inviting grandmother in and pouring a glass of water, but unfortunately, grandmother didn’t even glance at him.

“Where’s Qiulu?” Grandmother said, sitting on the sofa.

“She is ill and afraid of infecting you, so she didn’t come out.” Sun Mei said.

“She isn’t sick.” Su Changfeng suddenly said.

Su Changfeng’s words were like a thunderbolt.

Directly shocking Tang Zhenhua and Sun Mei to the point of panic.

They wanted to hide this matter, but Su Changfeng directly admitted it.
