The City's Strongest Son-in-law

Chapter 191 - 191 191 The Furious Su Changfeng

191: Chapter 191: The Furious Su Changfeng 191: Chapter 191: The Furious Su Changfeng Su Wei Jun also knew about these concerns, despite Su Changfeng being in prison now, if he acted too high-profile in Beijing, any trouble would be impossible to handle.

But Su Wei Jun couldn't stand being cooped up at home every day.

"Grandma, you see, I've been locked up in jail for such a long time, if I don't get out to relax, my Dan Mashi will get depressed." Su Wei Jun sighed.

"If you plan to go on a trip, Grandma can arrange for someone to do that, but you must be careful.

Now that you're finally okay, Grandma doesn't want anything to happen to you again." Shangguan Feihong said.

"I'm not a child anymore, Grandma, you can rest assured about this, and the place I'm going to is perfectly safe." Su Wei Jun said with a smile.

"Where?

Shangguan Feihong asked skeptically.

"Hai City."

"Hai City!"

Shangguan Feihong frowned.

Su Changfeng married into the Hai City Tang Family back then, why would Su Wei Jun want to go to Hai City?

It's not a good place.

If the Tang Family mistook Su Wei Jun for Su Changfeng and bullied him, that would be terrible.

“Grandma, Su Changfeng has almost disgraced our Su Family in Hai City, and this time when I go to Hai City, I can at least bring some honor to the Su Family.

What do you think?” Su Wei Jun said.

As long as it could make Su Wei Jun happy, Shangguan Feihong wouldn’t object, and Su Wei Jun had indeed suffered a lot recently and deserved some compensation.

So Shangguan Feihong said, “Alright, as long as you’re happy, but Grandma still has to send some bodyguards with you, so you don’t get bullied.”

“Okay, Grandma.” Su Wei Jun said excitedly.

That day, Su Wei Jun set off for Hai City under the secret protection of some Su Family bodyguards.

When Ji Hong returned home, not seeing any sign of Su Wei Jun, she feared he would get into trouble again and hurriedly sought out Shangguan Feihong.

“Mom, have you seen Su Wei Jun?

Why isn’t he home?” Ji Hong asked anxiously.

“He went out to have some fun.” Shangguan Feihong said.

“Went out to play?

Mom, why would you let him go out now?

If people found out, our plan would be exposed!” Ji Hong said somewhat speechlessly.

She knew how much Shangguan Feihong pampered Su Wei Jun, but wasn’t this too reckless?

If this matter got discovered, the entire Su Family would be punished.

“Don’t worry, Su Wei Jun went to Hai City, that place definitely won’t be exposed.” Shangguan Feihong said.

“What!” Ji Hong felt like she was struck by lightning.

Su Wei Jun went to Hai City!

He can’t go to Hai City.

In Hai City, there’s the Su Changfeng’s family and Su Changfeng’s wife.

If...

if those people mistook Su Wei Jun for Su Changfeng, who knows what might happen, Ji Hong couldn’t imagine it now!

“Mom, why did you let him go to Hai City?

Don’t you know where Su Changfeng’s family is?

Su Changfeng has a wife.” Ji Hong said anxiously.

If this matter reached Su Changfeng’s ears, the consequences were unimaginable?

“So what if he has a wife?

Could it be that Su Wei Jun would fancy Su Changfeng’s wife?

Besides, even if he did, so what?” Shangguan Feihong said indifferently.

“You...” Ji Hong was instantly infuriated.

What does ‘even if he fancied her, so what’ mean?

They’re brothers, how could such a thing be allowed to happen?

“What do you mean what?

You better leave at once if you’re fine, you have no right to judge what Wei Jun wants to do!” Shangguan Feihong said coldly with a look of anger.

“Mom, I can endure everything else, but this is a no-go, he cannot have any involvement with his brother’s woman!” Ji Hong said.

“That would be that woman’s fortune, Su Changfeng is a coward, what right does he have to compare to Su Wei Jun?”

Fortune?

Ji Hong was dumbfounded by Shangguan Feihong’s words.

Even if she favored Su Wei Jun, wasn’t this too much?

“Are you trying to push Su Changfeng to death?” Ji Hong said.

“I intend to tell him tomorrow that his wife is now being taken care of by Su Wei Jun, so he can quietly die in prison, or else anyone connected to him in Hai City will die.” Since Su Wei Jun left, Shangguan Feihong conceived this idea.

To ensure Su Wei Jun’s safety, Su Changfeng’s death was unavoidable.

Upon hearing Shangguan Feihong say this, Ji Hong was utterly desperate, now she wished Su Changfeng could leave the Imperial City and deal with Shangguan Feihong.

“Fine, do as you please, I won’t get involved in any Su Family matters.” Ji Hong said weakly.

No matter how she argued, she couldn’t change Shangguan Feihong’s resolution.

“Hurry and get lost.” Shangguan Feihong said unkindly, in Shangguan Feihong’s eyes, there was only Su Wei Jun, how could she possibly respect Ji Hong?

Ji Hong returned to her room and sat dumbfounded for a long time, the Su Family under Shangguan Feihong’s control had completely changed.

At this moment, Ji Hong suddenly recalled Su Changfeng’s words, he had given the Su Family one last chance, and now this chance had been wiped out by Shangguan Feihong, how was he going to resolve things now?

He is in the Imperial City now; could he still control affairs outside?

The next day, Shangguan Feihong met with Su Changfeng.

Every time she saw Su Wei Jun, Su Wei Jun’s face was always covered with scars, but when Shangguan Feihong saw the uninjured Su Changfeng, she was a bit surprised.

“You must have kneeled as soon as you got in, right?” Shangguan Feihong said contemptuously, in her view, Su Changfeng only avoided being beaten because he knelt and begged for mercy.

“Are you here to pity me?” Su Changfeng asked coldly.

Shangguan Feihong smiled disdainfully and said, “Pity you?

You’re not worthy of my pity.

I’m here to tell you, someone alive has taken over your identity, and now the best thing is for you to die quietly in the Imperial City, or everyone connected to you will die!”

Hearing Shangguan Feihong say so, Su Changfeng stood up directly and shouted angrily, “Shangguan Feihong, what do you mean by that!”

“What do I mean?

Su Wei Jun has gone to Hai City now.

Although using your name might be an insult to Su Wei Jun, to prevent this from implicating the Su Family, I had to agree.”

Su Wei Jun went to Hai City!

Su Changfeng almost exploded, despite anticipating this, Su Changfeng didn’t expect Shangguan Feihong would actually do it.

If...

if Su Wei Jun went to the Mountain Villa, what would happen next, Su Changfeng didn’t dare to imagine.

He slammed the table with a fist and angrily said, “Shangguan Feihong, I will make you regret this decision, I initially cared about blood relations, but now...

I, Su Changfeng, have nothing to do with the Su Family!”

Chapter 192 - 192 192 Pangolin

192: Chapter 192 Pangolin 192: Chapter 192 Pangolin “Oh, you still think you’re part of the Su Family?

You’re not anymore!

Do I need to consider your friendship?

Su Changfeng, you overestimate yourself, don’t you?

From now on, you’ll be alive for just one more month, and if you don’t die in the Imperial City, then Hai City will be turned upside down.” Shangguan Feihong wasn’t afraid of Su Changfeng’s threat because, in her eyes, Su Changfeng was just a worthless person.

What else could he do?

Su Changfeng sat on the bench, panting, and said viciously, “If Su Wei Jun dares to stir up trouble in Hai City, I’ll personally kill him, and even you won’t be able to stop me then!”

Shangguan Feihong shook her head and sighed, “Su Changfeng, you still don’t realize your situation, do you?

But you’ll find out soon enough.

I’m just here to tell you, not to discuss anything.

Do you think you have a choice?”

“You’re pushing me to this state, and it leaves you with no room to maneuver in the future.

Shangguan Feihong, you’ll definitely regret what you’re doing now!”

After meeting with Shangguan Feihong and returning to his cell, the others could clearly sense the murderous intent emanating from Su Changfeng, and they all stood quietly, not daring to breathe.

They didn’t understand how someone so timid could suddenly become so powerful, and he felt particularly different.

As if...

as if he was a completely different person.

“Big brother, what happened to you?

Do you need our help?” Liu Chao whispered to Su Changfeng.

He used to be the most powerful in this cell, even needed someone to help him while he urinated.

But since Su Changfeng came, his position was gone, and sometimes he even had to give Su Changfeng a massage.

“Shut up, don’t bother me!” Su Changfeng said coldly.

Everyone was startled and immediately stood like soldiers, chest out and stomach in.

Su Wei Jun had already gone to Hai City, which meant Su Changfeng needed to leave the Imperial City quickly.

Otherwise, if anything happened in Hai City, he wouldn’t be able to remedy it!

And given Su Wei Jun’s nature, he would definitely commit incomparable horrors.

Suddenly, Su Changfeng punched the bedboard, breaking through it instantly!

Liu Chao and the others were frightened, trembling at the sight, questioning whether Su Changfeng was human, and why his strength was so immense.

“If you don’t come, then be prepared to live in nightmares!” Su Changfeng gritted his teeth and said.

The next day, during the prisoners’ exercise time, Su Changfeng sat in a corner of the activity area, his face gloomy.

A figure gradually approached; this was the prisoner Su Changfeng had seen in Hai City.

Nicknamed Pangolin, he was a person who considered prison his home, an escape artist.

If you described prison in his words, it was like going home, and when he got bored, he would leave whenever he wanted.

Pangolin had escaped dozens of times, causing headaches for many prisons, and some even didn’t want to take him in.

“You’re early, Pangolin,” Su Changfeng said coldly.

In the sunny weather, Pangolin shivered and said, “Brother Changfeng, this is the Imperial City, not just a place you can come to, so I had to find a way to get here.”

“You have three days.

If you can’t do it, then you might as well just die.” After saying this, Su Changfeng got up and went to another area to exercise.

Pangolin couldn’t help but smile bitterly.

If it were anywhere else, three days would be enough, but this was the Imperial City, the number one prison in China.

How could you just say you’ll leave and then do it?

However, he knew Su Changfeng wasn’t joking.

If he didn’t complete it in three days, the Imperial City would be his grave.

“Fortunately, I’ve been studying the Imperial City for a long time.

Otherwise, I would have fallen here this time.” Pangolin knew he would eventually end up in the Imperial City, so he began understanding it two years ago; what others couldn’t do, in his hands, wasn’t impossible.

Meanwhile,

At Hai City Airport, Su Wei Jun stretched and called a taxi.

Before arriving in Hai City, he had learned some information about Su Changfeng in Hai City from Shangguan Feihong.

Although it was a superficial understanding, he had a general idea about the Tang Family.

“Take me around first, driver.” Su Wei Jun said.

In a bustling pedestrian street in Hai City, Su Wei Jun got out of the car.

“Although it’s not as nice as Beijing, for a place like this, it’s not bad.

Still, Su Changfeng is such a wimp.

I doubt any woman would like this loser,” Su Wei Jun muttered.

Less than five minutes later, Su Wei Jun heard someone calling Su Changfeng, but not being used to being addressed that way, he didn’t realize it was for him until someone came over and patted his shoulder.

“Su Changfeng, are you deaf?

Didn’t you hear me calling you?” Lin Qingmeng looked at Su Wei Jun, puzzled.

Su Wei Jun turned to look at Lin Qingmeng.

Though she wasn’t a top-notch beauty, her legs were indeed striking, and in Lin Qingmeng’s eyes, he saw something unusual.

To someone like Su Wei Jun, who was an old hand at these matters, he understood very clearly what that look meant.

Well, well, it seems there’s a woman here, blind enough to like a loser like Su Changfeng.

“Who are you?

I don’t know you at all,” Su Wei Jun said with a deliberate smile.

Lin Qingmeng had no idea the person before her wasn't Su Changfeng; she only thought he was teasing her.

"How about you act like a man and be magnanimous?

I only owe you a little money, and besides, I already treated you before." Lin Qingmeng said, slightly annoyed.

Why does this guy keep staring at her legs?

Could it really be that Tang Qiulu didn't satisfy him, so he can't control his desires?

"Once isn't enough, so how about treating me again today?" Su Wei Jun said.

Lin Qingmeng looked at Su Wei Jun in astonishment.

Is this guy crazy?

Does he really dare to eat her cooking?

"You're joking, right?

Aren't you afraid of being poisoned?" Lin Qingmeng asked, perplexed.

"Whether I'll be poisoned or not, wouldn't it be clear if I try?" Su Wei Jun said.

Lin Qingmeng couldn't detect anything wrong with this "Su Changfeng" in front of her because she couldn't imagine that Su Changfeng had a brother who looked almost identical to him.

"If you like, come home with me, and I'll cook for you.

But then you have to cancel the debt I owe you, how about that?" Lin Qingmeng said.

Chapter 193 - 193 193 A Different Su Changfeng

193: Chapter 193: A Different Su Changfeng 193: Chapter 193: A Different Su Changfeng Su Wei Jun's face lit up with joy.

Going home?

Then it wouldn't just be about having a meal.

Lin Qingmeng was also particularly happy in her heart.

Although she had always been hiding her feelings for Su Changfeng, she did indeed like Su Changfeng.

Even though she knew that doing this wasn't fair to Tang Qiulu, she couldn't help it.

This was a rare opportunity to spend time alone with Su Changfeng.

Even if she couldn't be Su Changfeng's woman in this life, having this time alone with him made her especially satisfied.

After returning home, Lin Qingmeng changed into some casual home attire, which made her figure even more alluring than before.

Seeing this, Su Wei Jun couldn't help but smile slightly.

To his seasoned eyes in the field of love, this was a blatant invitation.

Ah, Su Changfeng that waste still has someone who likes him, God must be blind.

But looking at her demeanor, it's likely she hasn't been with Su Changfeng, which means he could take advantage of that.

As Lin Qingmeng was cooking, Su Wei Jun walked into the kitchen, standing somewhat suggestively behind her.

"Your cooking skills, they're really quite terrible," Su Wei Jun said with a smile.

Feeling Su Wei Jun's proximity, Lin Qingmeng suddenly became nervous and didn't pay attention to what Su Wei Jun was saying.

"You...

you can wait for me in the living room, just a little while," Lin Qingmeng said nervously.

Suddenly, Su Wei Jun reached out and grabbed Lin Qingmeng's arm, deliberately leaning closer to her ear, whispering, "How about we go to your room instead?"

Lin Qingmeng was extremely nervous, why was Su Changfeng saying such things?

Could it be that after coming out of Cang Jiao Pavilion, he changed like this?

For a moment, Lin Qingmeng considered agreeing with Su Wei Jun's suggestion, but then Tang Qiulu's image appeared in her mind, startling her awake.

“Su Changfeng, do you know what you’re saying?

Do you think this is fair to Qiulu?” Lin Qingmeng turned around and said angrily.

Qiulu?

Tang Qiulu?

Su Wei Jun frowned.

Wasn’t Tang Qiulu Su Changfeng’s wife?

How did she know her?

“You like me, right?

Don’t you want to be with me?” Su Wei Jun asked.

Lin Qingmeng truly liked Su Changfeng, but she never intended to destroy his relationship with Tang Qiulu.

She pushed Su Wei Jun away and said coldly, “Su Changfeng, what do you take me for?

Tang Qiulu is my best friend in this lifetime, I could never do that.

You should leave now.

I’ll keep this a secret and won’t tell Tang Qiulu, but don’t forget, if you dare to do anything to hurt Tang Qiulu, I won’t forgive you!”

Only then did Su Wei Jun realize, she was Tang Qiulu’s best friend.

If it were another woman, he wouldn’t mind using force, but because this pertains to Tang Qiulu, he had to think carefully, especially since he just arrived in Hai City and needed to live under Su Changfeng’s identity.

After Su Wei Jun left, Lin Qingmeng sat in the living room, feeling extremely tense and frightened.

She hadn’t expected that bringing Su Wei Jun home would lead to such an event, and she didn’t understand why Su Changfeng had suddenly changed so much.

Su Changfeng had waited for Tang Qiulu for three years.

Could it be that just because Tang Qiulu hadn’t given in, he changed his heart?

If Su Canghai was like this, how could he change his heart now?

As Tang Qiulu's best friend, Lin Qingmeng felt the need to talk to Tang Qiulu to ensure they wouldn't end this way without closure.

She took out her phone to call Tang Qiulu.

"Qiulu, how are things between you and Su Changfeng?" Lin Qingmeng asked.

Just mentioning this made Tang Qiulu a bit sad, because she could feel that the gap between her and Su Changfeng seemed to be growing, and when Su Changfeng left, Tang Qiulu thought maybe he was leaving intentionally for them both to cool off.

"Why are you suddenly asking about this?" Tang Qiulu said.

Lin Qingmeng sighed and replied, "I'm just worried you and he will miss each other.

Think carefully about how Su Changfeng has treated you over the past three years.

He's done so much for you, and now Gu Qing'er even sent him a car.

Clearly, she wants to steal your man!"

The appearance of Gu Qing'er indeed gave Tang Qiulu a sense of crisis.

After all, she was the Gu family's heiress, and men in Hai City might all want to be with Gu Qing'er.

If it weren't for Gu Changsheng blocking them, people pursuing Gu Qing'er would have already broken down the Gu family's door.

Moreover, such an outstanding person as Gu Qing'er even gifted Su Changfeng a Lamborghini.

"He's not in Hai City recently, so I'm not sure when he'll be back," Tang Qiulu said.

Not in Hai City?

He just left her home, how is that not in Hai City?

Could Su Changfeng be trying some trick on Tang Qiulu?

After thinking for a while, Lin Qingmeng decided to tell Tang Qiulu about seeing Su Changfeng today, but she had to hide the part about bringing him home.

“He’s back in Hai City, because I saw that guy today, and I think he probably never left—just using that as an excuse,” Lin Qingmeng said.

“He’s back in Hai City!” Tang Qiulu asked in surprise.

During the days Su Changfeng was gone, Tang Qiulu felt particularly uneasy, always thinking something might happen.

Now hearing that Su Changfeng had returned, Tang Qiulu felt relieved, knowing she could see him at home after work.

“Qiulu, since you’re Su Changfeng’s wife, those things should happen too.

Think about it, Su Changfeng is quite a vigorous man now,” Lin Qingmeng said.

Tang Qiulu understood this, but taking that step felt particularly difficult to her.

For three years, they respected each other, and as a woman, how could she comfortably take the initiative?

“You don’t know how oblivious Su Changfeng is,” Tang Qiulu said helplessly.

She had even let Su Changfeng sleep in her bed, pretending modesty by putting up a line, but unexpectedly, Su Changfeng took it seriously, leaving Tang Qiulu speechless.

“What?

What happened?” Lin Qingmeng asked, puzzled.

Tang Qiulu was embarrassed to say, but Lin Qingmeng was her sister, so she eventually told her the whole story.

Upon hearing this, Lin Qingmeng rolled her eyes.

Su Changfeng was too dense, how could he not notice such an obvious hint?

That couldn’t be completely blamed on Tang Qiulu.

“Is he a pig?” Lin Qingmeng asked in exasperation.

“When he comes home tonight, let that guy go to your room and take the line down.

If he still doesn’t get it, he might as well go buy some tofu and smash himself to death with it,” Lin Qingmeng said.

Chapter 194 - 194 194 The Strange Su Changfeng

194: Chapter 194: The Strange Su Changfeng 194: Chapter 194: The Strange Su Changfeng Tang Qiulu was particularly afraid during the days when Su Changfeng was away, afraid that Su Changfeng would leave her.

Now she didn't want to argue about the affairs of Cang Jiao Pavilion anymore and was equally willing to trust Su Changfeng.

"I'll give it a try."

Su Wei Jun took a cab to Xianwu Mountain and was surprised to see the security guards respectfully calling Brother Changfeng.

In Su Wei Jun's eyes, wasn't Su Changfeng not doing so well in Hai City?

Why does he have girls interested in him now, and even the security guards are respectful?

Could it be that Su Changfeng really has some achievements in Hai City?

The security guards were so respectful to Su Changfeng because all the security personnel were from the Gu Family, and the relationship between the Gu Family and Su Changfeng didn't need elaboration.

Outside the villa, Su Wei Jun knocked on the door, and when Liu Lili saw Su Changfeng, she smiled and said, "Changfeng, you're finally back."

This should be their maid, Liu Lili.

Su Wei Jun nodded and didn't say a word.

Liu Lili furrowed her brows.

Su Changfeng was usually so easygoing.

Why was his attitude somewhat arrogant this time?

He hadn't been gone for long, so why the change in behavior?

"Su Changfeng, you actually know to come back?

Had enough fun with your mistress?” Sun Mei, who didn’t get any money from Su Changfeng, was especially disdainful of him.

Recently, she was somewhat at peace not seeing Su Changfeng, only for him to return so soon?

Su Wei Jun coldly laughed; this was the kind of treatment that the waste Su Changfeng deserved.

Observing Sun Mei’s eyes, Su Wei Jun could feel what position Su Changfeng held within the family.

Poor, pathetic younger brother.

Now, as your elder brother, I’ll get you some face.

“Hurry up and get me a glass of water,” Su Wei Jun said to Sun Mei.

Sun Mei looked at Su Wei Jun in disbelief.

Has this guy lost his mind?

Daring to order her around?

“Su Changfeng, have you gone mad while you were away?

Where do you get off telling me what to do?” Sun Mei yelled angrily.

Su Wei Jun frowned, coldly walked toward Sun Mei, and said, “Where do I get off telling you?

What do you think you are?

Get the water quickly, or else I’ll turn on you and not recognize anyone!”

Sun Mei laughed out of anger, gritting her teeth: “Su Changfeng, you’ve grown quite bold lately, wanting to turn against me?

Fine, let’s see how you turn against me.

This time, I’m kicking you out of here!”

Slap!

A slap landed on Sun Mei’s face.

Su Wei Jun calmly sat down on the sofa and said, “If you keep spewing nonsense, believe or not, I’ll cripple you right here?”

Su Wei Jun was here to have some fun.

Even though he lived in Hai City as Su Changfeng, this Tang Family would do as he said.

Thus, he wouldn’t treat Sun Mei kindly.

Besides, people like Sun Mei didn’t matter to Su Wei Jun.

Given the Su Family’s position in Beijing, Su Wei Jun couldn’t care less about this so-called Hai City Tang Family.

Sun Mei clutched her face, looking utterly shocked.

Su Changfeng actually dared to hit her!

Beside her, Liu Lili was also frozen.

Why had Su Changfeng’s temper become so foul after just a few days away?

It seemed like he wasn’t Su Changfeng at all.

“You...

dare to hit me?” Sun Mei fumed.

Su Wei Jun turned and stared at Sun Mei with contempt, “Don’t think I’ll always be under your thumb.

From now on, only my word counts in this house.

I suggest you behave, or you’ll get beaten three times a day, it’s your call.”

“Haha, Su Changfeng you...”

Before Sun Mei could finish her sentence, Su Wei Jun got up and kicked her in the stomach, saying, “Didn’t you hear me?

Get me some water now.”

Sun Mei painfully clutched her stomach, sitting on the ground, too frightened by Su Changfeng to even breathe loudly.

Why was this guy suddenly so tough that he didn’t even regard her?

“I don’t plan on repeating myself,” Su Wei Jun coldly stated, then sat down again.

Liu Lili quietly handed Su Wei Jun a glass of water, but he swatted it away.

“I told her, not you!

Can’t you understand human speech?

Or are you not even human?” Su Wei Jun glared menacingly at Liu Lili.

Liu Lili was so scared by Su Wei Jun that she backed away, her face drained of all color.

Sun Mei endured her pain and quickly got Su Wei Jun a glass of water.

Though she didn’t understand why Su Changfeng’s temper had become so fierce, would he still be so arrogant when Tang Qiulu returned?

This time, I’m definitely going to have Tang Qiulu divorce you!

As long as I, Sun Mei, am in the Tang Family, you Su Changfeng have no say!

When Tang Zhenhua came home and heard that Sun Mei had been beaten, he confronted Su Wei Jun, but predictably, he was also beaten by Su Wei Jun.

He was not Su Changfeng, so he didn’t see Sun Mei and Tang Zhenhua as his mother-in-law or father-in-law.

To Su Wei Jun, they were just insignificant people.

When Tang Qiulu came home from work and saw Su Changfeng sitting in the living room, a slight smile appeared on her face.

Finally, you’re back.

“Qiulu, you’re finally home.”

“If you hadn’t come back, who knows how chaotic our home would’ve become.”

Seeing Tang Qiulu return, Sun Mei and Tang Zhenhua quickly ran to her side.

Seeing Tang Zhenhua bruised and battered, Tang Qiulu asked confusedly, “Dad, what happened to you?

Why were you beaten?”

“It was all Su Changfeng’s doing.

Even your mom got hit.

I went to demand an explanation, and he started beating me up without saying a word," Tang Zhenhua stated angrily.

Su Changfeng hit them?

That's impossible!

Su Changfeng would never hit someone!

"Don't accuse Changfeng.

He wouldn't hit you," Tang Qiulu simply didn't believe their words.

She knew Su Changfeng very well; he wouldn't hit people for no reason.

At this moment, Su Wei Jun stood up and turned his head, "They're not lying.

I did hit them.

There's no need to doubt."

When Su Wei Jun got a clear look at Tang Qiulu, he was awe-struck.

Stunning, such a beauty, much better than the models he had been with before.

That waste Su Changfeng really struck it lucky.

Though he joined this small Tang Family, he ended up with such an exquisite wife?

Hearing these words, Tang Qiulu felt as if she was struck by lightning.

Why, why would Su Changfeng hit people!

Chapter 195 - 195 195 Forcing Tang Qiulu

195: Chapter 195 Forcing Tang Qiulu?

195: Chapter 195 Forcing Tang Qiulu?

"Chang Feng, did they...

did they force you to do something?" Tang Qiulu asked.

In her eyes, Sun Mei and Tang Zhenhua must have made some unreasonable demands on Su Changfeng for him to hit them.

“Qiulu, how can you say that?

Are you implying we were beaten and it’s somehow our fault?” Hearing Tang Qiulu’s words, Sun Mei suddenly felt displeased.

This time, she really hadn’t done anything; Su Changfeng ordered her to get water right after he got home.

“This guy doesn’t see me or your mother as anything now.

I think Su Changfeng has become very arrogant,” said Tang Zhenhua.

Tang Qiulu stared at Su Changfeng.

Regardless of what Sun Mei and Tang Zhenhua said, she wanted to see how Su Changfeng would explain himself.

She knew her parents well, so she thought it better to see what Su Changfeng would say rather than listen to them.

But the person in front of her now was Su Wei Jun, not Su Changfeng, so the next words were completely unexpected for Tang Qiulu.

“From now on, I’ll be the master of this house!

I also hope the previous lessons have made the two of them wake up,” Su Wei Jun said with an indifferent look.

Tang Qiulu was stunned on the spot.

This was not the Su Changfeng she knew at all; it was as if the person before her wasn’t Su Changfeng!

But the appearance of this person was indeed Su Changfeng!

“You...

Why are you doing this?

Why hit others?” Tang Qiulu said in a deep voice.

“Three years of humiliation hasn’t been enough for me?

Do I even need to explain why?

Do you all expect me, Su Changfeng, to be a coward for the rest of my life?" Su Wei Jun laughed.

These words were a great shock to Tang Qiulu because Su Changfeng had changed drastically.

The current Su Changfeng was not the one she was familiar with.

The humiliation Su Changfeng had endured over the past three years was truly immense, but did he need to act this way to tell them he was no longer a coward?

After all, Sun Mei and Tang Zhenhua could also be considered his parents, right?

Could it be that after going to Cang Jiao Pavilion, Su Changfeng completely changed?

"Is dinner ready?

When can we eat?" Su Wei Jun patted his stomach and asked Liu Lili.

Liu Lili was also afraid of Su Wei Jun.

Hearing him say this, she quickly answered, "We can eat now."

Su Wei Jun was the first to sit at the table, and without waiting for anyone else, he ate with great joy.

After finishing, he threw his chopsticks on the table and asked Tang Qiulu, "Which is our bedroom?"

At work, Tang Qiulu had decided she would let Su Changfeng back into the room to sleep, but seeing him like this now, she definitely wouldn't want to get involved with him.

She pointed to the room Su Changfeng originally stayed in: "That's the one."

Su Wei Jun smiled slightly.

Tonight, he could finally get this beauty, and help take care of his brother's wife.

Su Wei Jun thought it his duty.

After entering the room, Su Wei Jun felt something was off.

This villa wasn't small, so why choose this room?

However, Su Wei Jun didn't care too much and comfortably lay on the bed, waiting for Tang Qiulu to come.

The days in prison were truly tough, so being able to have a good sleep was indeed comforting.

In prison, even in the middle of the night, Su Wei Jun dared not relax in the slightest because Liu Chao might beat him up at any moment.

During those days in prison, Su Wei Jun was just a pitiful creature being bullied and mocked by Liu Chao.

Now finally out of prison, he no longer needed to be tormented by Liu Chao.

Su Wei Jun suddenly thought of Su Changfeng.

Right now, would Su Changfeng be cleaning toilets or kneeling in front of Liu Chao singing?

"It's just unfortunate that Liu Chao will likely die in jail, so I can't take my revenge.

Now I just hope you guys take good care of my useless brother.

If you can beat that waste a few times every day, that would be ideal.

This guy should last for a few days," Su Wei Jun laughed as he said.

Su Wei Jun believed that Su Changfeng was suffering in prison, but at that moment, Liu Chao was actually giving Su Changfeng a massage.

Feeling relaxed, Su Wei Jun soon fell asleep.

When he woke up again, it was already 3 AM.

Noticing Tang Qiulu wasn't by his side, Su Wei Jun chuckled: "That useless Su Changfeng, could it be that after getting married he hasn't slept with Tang Qiulu once?

How pathetic."

Su Wei Jun sat up, rubbed his face to wake himself up a bit, and continued: "If she hasn't been won over yet, then I've certainly found myself quite the opportunity.

Such an exceptional woman, and no one's touched her yet?

I've struck a gold mine this time!"

After saying this, clad in only his underwear, Su Wei Jun walked out of the room.

Finding where Tang Qiulu was sleeping, Su Wei Jun directly kicked open the door.

Tang Qiulu, already in bed, woke up immediately.

Seeing the arrival of Su Wei Jun, she asked in a panic, “Su Changfeng, what are you doing?”

“Crying?” Seeing Tang Qiulu’s swollen eyes, Su Wei Jun laughed.

Indeed, Tang Qiulu had cried, because she hadn’t expected such an earth-shattering change in Su Changfeng after being away for just a few days.

The transformation made her feel more distant from him, and she feared that this might really end things between them.

“So pathetic, let me comfort you then,” Su Wei Jun said as he entered the room and shut the door behind him.

Tang Qiulu sat up, hugged her knees, and said defensively, “What are you going to do?

Get out of here immediately!”

“What am I going to do?” Su Wei Jun sneered, “I am your husband, after all.

Isn’t it only right for us to sleep together?”

Tang Qiulu shook her head in disbelief.

Su Changfeng would never say such a thing.

Based on his character, he would never act like this.

“No, who exactly are you?

You are not Su Changfeng!” Tang Qiulu asked with fear in her eyes.

She had been with Su Changfeng for three years and knew him well, but the ‘Su Changfeng’ before her felt completely unfamiliar, as if he had suddenly become a different person.

“If I’m not Su Changfeng, then who could I be?

Take a look at my face; could it be fake?” Su Wei Jun smiled and approached the bedside.

Tang Qiulu picked up a pillow and threatened Su Wei Jun, “Get out now, or I won’t be polite!”

“Heh, if I can’t even handle a woman like you, then I’m not a man.

Besides, we’re married, sleeping together isn’t any different from rape,” Su Wei Jun said before lunging at Tang Qiulu.

Chapter 196 - 196 196 The Gu Family Saw It

196: Chapter 196: The Gu Family Saw It 196: Chapter 196: The Gu Family Saw It Tang Qiulu tried to resist, but she was a woman, she couldn’t be stronger than Su Wei Jun.

Su Wei Jun firmly gripped Tang Qiulu’s arms.

During his time in prison, he hadn’t touched a woman once, but now that such an exceptional woman was right in front of him, he could no longer control his lust.

“You better behave yourself!” Su Wei Jun threatened.

Tang Qiulu swore not to give in, because she could clearly feel that the man in front of her was not Su Changfeng at all.

“Go away, get away from me, don’t touch me.”

“Son of a monkey, you’re asking for it, aren’t you?” After saying that, Su Wei Jun slapped Tang Qiulu and then forcefully pulled her hair.

Because of the pain, Tang Qiulu couldn’t help but cry out, but Su Wei Jun had no pity at all, and instead became even more excited.

“You haven’t slept with him yet, have you?

Let me comfort you a bit now,” Su Wei Jun said unconsciously, though he didn’t realize it, Tang Qiulu took it to heart.

As expected...

this person wasn’t Su Changfeng!

But who exactly was he and why did he look exactly like Su Changfeng?

Tang Qiulu struggled in terror, screaming, and the commotion in the room quickly reached Sun Mei’s ears.

The first to run over was Liu Lili, and when she saw Su Wei Jun forcing Tang Qiulu, she screamed in panic.

Soon, Sun Mei and Tang Zhenhua also arrived.

The three of them together pushed Su Wei Jun away and then stood protectively in front of Tang Qiulu.

“Su Changfeng, what the hell are you doing?” Tang Zhenhua angrily looked at Su Canghai.

Over three years had passed, and Tang Qiulu hadn’t let Su Changfeng have her, but he never expected Su Canghai to do something like this!

“You beast, how dare you force my daughter!

Do you believe I’ll call the police right now?” Sun Mei roared.

Liu Lili was also particularly angry.

She couldn’t believe how Su Changfeng had become like this.

Even though they were married, now that Tang Qiulu didn’t agree, he couldn’t do this!

After all, Su Wei Jun wasn’t Su Changfeng.

Faced with the three of them blocking him, he had no choice but to say, “What does this have to do with you?

Sleeping with my wife is legal, what are you interfering for?”

This statement held ground because they were legally married.

However, neither Sun Mei nor Tang Zhenhua agreed to this happening because, in their eyes, Su Changfeng was not qualified to have Tang Qiulu’s body.

Especially Sun Mei, she wanted Tang Qiulu to divorce Su Changfeng, so she absolutely couldn’t allow Su Changfeng to have Tang Qiulu.”

“Su Changfeng, get out of here now.

From now on, you have no right to stay in the villa.” Sun Mei shouted.

Su Wei Jun smiled faintly and said, “Damn it, you actually dare to kick me out, do you believe I’ll make sure the Tang Family doesn’t see the sun tomorrow?”

“Bring it on, let me see how capable you are.” Sun Mei said disdainfully.

Su Wei Jun had no choice but to give up defeating the three blocking people, but he needed to release his burning desire.

The most famous place in Hai City was undoubtedly Cang Jiao Pavilion.

After leaving the villa, Su Wei Jun took a taxi there.

Tang Qiulu was very scared in her heart now.

She was not only afraid of what Su Wei Jun tried to do to her tonight, but she was also terrified of the identity of the person who looked exactly like Su Changfeng.

Why was this person not Su Changfeng, but looked exactly like Su Changfeng on the outside?

“Qiulu, I’ve already told you Su Changfeng is not a good guy.

Now you should see clearly, right?

Hurry up and divorce him, you must divorce him, otherwise, this guy will definitely do this again, I think it’s better if you stay away from him.” Sun Mei said to Tang Qiulu.

Even though Tang Zhenhua wanted this too, Su Changfeng was now associated with the Gu Family, and held leverage over the Tang Family, leading to unimaginable consequences if they divorced him now and he disclosed the Tang Family’s past suspicions to the Gu Family.

“We can’t divorce,” Tang Zhenhua said.

Sun Mei turned around and looked at Tang Zhenhua in shock, saying, “Are you out of your mind?

How can you speak for Su Changfeng?

If we don’t drive this useless guy away, what if next time we’re not home, and he forces Qiulu again?”

Tang Zhenhua sighed helplessly; he was worried about that too, but if they divorced, it would involve too much.

“You haven’t forgotten about the Old Madam’s death, right?

If we divorce Su Changfeng now, and he tells the Gu Family that we suspected Gu Qing’er of harming Mom, can you bear the consequences?” Tang Zhenhua said.

Upon hearing this, Sun Mei calmed down a lot and, clenching her teeth, said, “Su Changfeng must be forcing Qiulu because of this leverage.”

Tang Qiulu listened to their conversation, and the fear in her heart gradually diminished.

Now, she was most concerned about Su Changfeng.

It was because someone who looked the same as Su Changfeng appeared.

This person’s presence seemed to have replaced Su Changfeng, so where did the real Su Changfeng go?

Is he in danger now?

“Can you guys go rest, Mom, I want some quiet time alone,” Tang Qiulu said.

Sun Mei worriedly asked, “Qiulu, are you okay, don’t let it leave a shadow on you.”

Tang Qiulu shook her head.

That person wasn’t Su Changfeng, she couldn’t be affected like that.

At this time, she was particularly worried about Su Changfeng’s situation.

At Cang Jiao Pavilion, Su Wei Jun directly called two women and, while embracing them, walked into a room, brushing past someone.

Su Wei Jun didn’t think much of it, but that person subconsciously frowned.

That person was Gu Qingwen, the son of Gu Changsheng and also Gu Qing’er’s father.

At Gu Changsheng’s birthday banquet, Su Changfeng had been invited to sit at the main seat.

At that time, Gu Changsheng had specially introduced Su Changfeng to the Gu Family.

Although Gu Qingwen was surprised by Su Changfeng’s identity back then, after hearing from Gu Qing’er about what Su Changfeng did during this period, he somewhat understood why Gu Changsheng admired Su Changfeng.

Why would he come to this place and the two of them walk past each other, but that guy seemed as if he didn’t see him!

Gu Qingwen went home and went to find Gu Changsheng the next morning.

“Dad, what do you think of Su Changfeng’s character?” Gu Qingwen asked Gu Changsheng.

Gu Changsheng had been proudly introducing Su Changfeng as his apprentice recently, but Gu Qingwen wondered why Gu Qingwen suddenly asked about Su Canghai?

“Why are you suddenly interested in Su Changfeng?” Gu Changsheng asked.

At first, Gu Qingwen hadn’t been involved in this matter, and he certainly felt unqualified to ask about it.

Although Gu Changsheng didn’t currently concern himself with the family’s business, the old man doing what he wanted was something the children wouldn’t dare question too much.

Chapter 197 - 197 197 I Think Su Changfeng Is a Bit Arrogant

197: Chapter 197 I Think Su Changfeng Is a Bit Arrogant 197: Chapter 197 I Think Su Changfeng Is a Bit Arrogant However, last night at Cang Jiao Pavilion, when Su Wei Jun encountered Gu Qingwen, Gu Qingwen definitely thought he was Su Changfeng.

And seeing that Su Changfeng didn’t greet him and acted as if they didn’t know each other, it made Gu Qingwen think Su Changfeng was a bit arrogant.

“I think this Su Changfeng kid is a bit arrogant,” Gu Qingwen said.

“Arrogant?

I think he’s very humble.” If he were particularly arrogant, why endure humiliation at the Tang Family for three years?

And, despite his capabilities, Su Changfeng never showed arrogance in their recent interactions.

Therefore, in Gu Changsheng’s eyes, Su Changfeng was quite low-profile.

“I saw him at Cang Jiao Pavilion last night.

When I passed by, he didn’t acknowledge me at all, as if he had never seen me.

Isn’t that arrogance?” Gu Qingwen said.

“Cang Jiao Pavilion?” Gu Changsheng frowned.

Why would Su Changfeng go to Cang Jiao Pavilion?

Based on previous understanding, Su Changfeng wasn't known to be like that, so he asked, "Could it be you were seeing things?"

"Dad, I'm not that old.

Do you think I'm seeing things?

Plus, he had two women with him.

How could I be mistaken?" Gu Qingwen said.

Gu Changsheng's face changed instantly.

Su Changfeng actually went to such a place?

Even though men might need to vent desires, Cang Jiao Pavilion was not a good place.

Besides, he was considering matching Gu Qing'er with Su Canghai.

If Su Canghai was truly like that, then Gu Qing'er would be stepping into a pit of fire.

"Don't tell anyone," Gu Changsheng said.

Gu Qingwen also loved his darling daughter and somewhat guessed Gu Changsheng's intentions, so he said: "Dad, Qing'er is still young.

No need to rush these things.

Plus, you need to keep a clear eye as well.

Don't harm Qing'er."

Gu Changsheng glared at him angrily, saying: "She's my dearest granddaughter.

Do you think I'd harm her?"

Gu Qingwen felt a bit guilty and didn't reply.

Even though he appeared as Gu Family's President in front of others, he was just a child before Gu Changsheng.

"Stop talking about others, what about you?

I've told you many times, try not to go to places like Cang Jiao Pavilion.

Letting others know would ruin Gu Family's reputation," Gu Changsheng said.

Gu Qingwen nodded continuously, saying he wouldn't go there anymore.

Then, using some urgent business as an excuse, he quickly left.

Not long after, Gu Qing'er came out of her bedroom yawning.

Her somewhat loose pajamas covered her perfect figure.

Stretching lazily, Gu Qing'er said to Gu Changsheng: "Grandpa, Su Changfeng hasn't been out for a long time.

Can you arrange a meeting with him for me?"

Gu Changsheng also planned to test Su Changfeng, to see what kind of person he really was.

If this guy was truly a hidden wolf, he couldn't let Gu Qing'er continue any ties with Su Canghai.

"Grandpa will indeed contact him later, but you can't go," Gu Changsheng said.

"Why not, Grandpa?

Aren't you worried about Beard?" Gu Qing'er threatened.

But at this moment, Gu Changsheng showed no fear, saying: "Listen to Grandpa this time.

There'll be plenty of chances to meet him in the future."

Gu Qing'er knew her grandpa's serious demeanor wasn't faked, perhaps something had really happened, so she didn't press further.

After a sleepless night, Tang Qiulu decided to find Feng Bin, because the current Su Changfeng wasn't Su Changfeng at all.

Feng Bin had previously interacted with Su Changfeng, maybe he could help with this matter.

All night, Tang Qiulu was in turmoil, considering every possibility, even fearing something might have happened to Su Changfeng, which worried her even more.

After inquiry, Tang Qiulu learned Feng Bin was at the Charming Night Club, but early in the morning, the doors weren't open.

As it was a nightclub, it couldn't possibly open so early.

Tang Qiulu desperately knocked and kicked at the door.

After a while, people inside the nightclub were alerted, and a thug with a face full of displeasure opened the door: “What’s with the banging?

In a hurry to be reborn?”

“I want to see Feng Bin.” Tang Qiulu wasn’t familiar with such scenes, let alone interacting with people in these gray areas, so she felt a bit scared facing Feng Bin’s aggressive underling.

The underling noticed Tang Qiulu was a beauty, immediately reviving his spirit, saying: “Wow, beauty, even if you’re looking for a man, there’s no need to rush.

How about letting me comfort you?”

Tang Qiulu repeatedly refused, saying: “I’m here to find Feng Bin.”

Looking for Brother Bin?

Could this girl be Brother Bin’s woman?

If she were his boss’s woman, he wouldn’t dare to flirt.

He immediately straightened up, saying: “Beauty, forget what I just said.

I’m going to get Brother Bin right away.”

If others were looking for Feng Bin, he would definitely send them away.

But since Tang Qiulu was a beauty, he didn’t dare neglect her.

Feng Bin was still asleep at this time, and when woken up by the underling, he kicked him a few times.

“Brother Bin, there’s a beauty outside saying she’s looking for you, she seems particularly anxious.” The underling said, looking helpless.

A beauty?

Feng Bin had many women around, and beauties were not few, but why a sudden visit?

Damn!

A chill ran down Feng Bin’s spine.

Could an oversight in safety measures have resulted in life?

Initially, Feng Bin was going to have the underling give the woman some money and send her away, but not knowing who she was, his curiosity piqued, so he went out to see what was going on.

At the entrance, when Feng Bin saw Tang Qiulu, he was almost breathless from shock, thinking, this is the sister-in-law!

“Miss Tang, why are you here?” Feng Bin said, a bit frightened.

If this misunderstanding got to Su Changfeng, he’d be done for.

Seeing Feng Bin being particularly respectful to her, Tang Qiulu became more convinced of her thoughts that Su Changfeng never paid Feng Bin to act, and there was definitely some relationship between them.

“I want to ask about Su Changfeng.

Do you have some time?” Tang Qiulu said.

“Yes, yes, of course.

Miss Tang, please come in.” Feng Bin led Tang Qiulu into the Charming Night Club and then sent someone to notify Zhu Lie.

Since it was about Su Changfeng, it was better for Zhu Lie to talk, besides, Zhu Lie was the boss inside Charming, and he had no say.

A while later, Zhu Lie came to Charming.

He was quite familiar with Tang Qiulu because over the last three years, he had often seen Su Changfeng pick Tang Qiulu up and drop her off.

Chapter 198 - 198 198 Discussing Strategies

198: Chapter 198 Discussing Strategies 198: Chapter 198 Discussing Strategies “Aren’t you the owner of the small supermarket downstairs in the group’s building?” Tang Qiulu looked at Zhu Lie in surprise.

Su Changfeng often visited their store, so Tang Qiulu remembered what Zhu Lie looked like.

But he’s just the supermarket owner, why is he here?

Zhu Lie hadn't expected Tang Qiulu to recognize him, and he smiled sheepishly.

"I didn't expect Miss Tang to actually know me, it's an honor.

But why are you here at the Charming?

What happened?"

Tang Qiulu didn't know the connection between the two, but she wasn't here because of Zhu Lie, so she didn't care who Zhu Lie was: "I want to ask you about Su Changfeng.

Do you both know what he has been doing recently?"

Isn't Su Changfeng not in Hai City now?

"You are Su Changfeng's wife, and you don't even know what he's doing, so how would I know?" Zhu Lie said.

Tang Qiulu realized that if she only asked them about matters related to Su Changfeng, she would get nowhere, so she recounted everything that happened last night.

After hearing this, Zhu Lie's expression suddenly became serious.

Su Changfeng had previously told him some baffling things, like "I am not myself" and such, which confused Zhu Lie, making no sense to him then.

But now Zhu Lie understood why Su Changfeng would say such things.

In Hai City, someone who looks exactly like him had appeared!

"Miss Tang, can you be certain that person wasn't Su Changfeng?" Zhu Lie asked, although he believed Su Changfeng would not force Tang Qiulu, but men, when driven by desire, could do anything.

"Yes." Tang Qiulu nodded vigorously, completely sure, then said: "That person said, 'You haven't slept with him yet,' and by 'him,' I guess he meant Su Changfeng."

Zhu Lie subconsciously inhaled sharply.

What the hell is going on?

"Oh right, Su Changfeng once told me, 'I have no standing place in this world, reign supreme as the Master of Mount Heng.' He said this phrase could be used as verification.

If you say the first line and that person can't continue, then that person is definitely not Su Changfeng," Zhu Lie said.

Tang Qiulu asked puzzled, “Did Su Changfeng specifically tell you this before he left?”

Zhu Lie nodded.

It seems Su Changfeng had known this would happen from the beginning, that’s why he told him these things.

Could this guy foresee the future?

But since he would say such things, he surely knew this would happen.

So why didn’t he find a way to prevent it?

Tang Qiulu immediately took out her phone and dialed Su Changfeng’s number.

Su Wei Jun came to Hai City.

To completely become Su Changfeng, he must have Su Changfeng’s phone.

Once connected, Tang Qiulu pressed the speaker button and said, “I have no standing place in this world.”

“Have you decided you want to sleep with me?” Su Wei Jun wouldn’t have known the meaning of that phrase.

He was currently being attended to by a couple of girls, but compared to Tang Qiulu, those girls naturally paled in comparison.

Therefore, Su Wei Jun wanted to focus his attention more on Tang Qiulu.

Tang Qiulu, Zhu Lie, and Feng Bin all turned pale, this person couldn’t answer, he was definitely not Su Changfeng.

Tang Qiulu seemed particularly frightened, quickly hung up the phone, and said to Zhu Lie, “This person isn’t Su Changfeng, how do we handle this now?”

Zhu Lie also found the matter difficult to handle.

First, who exactly was this person, and where had the real Su Changfeng gone?

Why was this person impersonating Su Changfeng?

These questions directly puzzled Zhu Lie.

“Boss Zhu, should we just grab him and torture him for answers?” Feng Bin said.

Zhu Lie shook his head directly.

Capturing this person was easy, but if Su Changfeng was in this person's hands, alerting them would make Su Changfeng's situation even more dangerous, and they still didn't know the person's intentions, so they couldn't act rashly.

"Su Changfeng knew from the start this would happen, he must have some plan.

We should not do anything to avoid disrupting Su Changfeng's plan," Zhu Lie said.

Feng Bin nodded.

The fact that Su Changfeng left some people with Zhu Lie before he left indeed proved Su Changfeng foresaw this situation.

Since he foresaw it, there must be a plan in place.

"It seems we need to just wait and see for now," Feng Bin said.

Zhu Lie looked at Tang Qiulu.

After last night's event, staying near the fake Su Changfeng would be particularly dangerous.

Because Zhu Lie regarded Tang Qiulu as a sister-in-law, he couldn't let anything happen to her.

"Miss Tang, the fake Su Changfeng is very dangerous right now.

If you trust us, you can stay here for the time being," Zhu Lie said.

Tang Qiulu knew it would be particularly dangerous to return to the villa, but the Charming was nonetheless a nightclub.

Moreover, she was still a girl, living with these men definitely wasn't suitable.

"It's fine, I have a good friend.

I can stay with her during this time," Tang Qiulu said.

Zhu Lie nodded and said, "That works as well, but during this period, I will have someone protect you.

I hope Miss Tang can agree."

Tang Qiulu was secretly surprised.

As she thought, Su Changfeng had an unusual relationship with these people.

So the talk about paying money for Feng Bin's help must have been a lie to her.

But how could he be so powerful?

How could even Feng Bin give him face?

When Lin Qingmeng heard that Tang Qiulu would stay at her place for a while, she was very surprised.

Previously, she had made great efforts to persuade Tang Qiulu to satisfy Su Changfeng, but now she wasn't even staying at the villa anymore.

Didn't this mean her relationship with Su Changfeng had cooled down again?

No matter how she questioned over the phone, Lin Qingmeng got no answers, so she had to tidy up her home.

Before long, Tang Qiulu arrived with her luggage.

Seeing her with large bags, Lin Qingmeng looked utterly despairing.

It wasn't that she feared being disturbed by Tang Qiulu, but her actions now, did she not care about her relationship with Su Changfeng at all?

"Qiulu, are you planning to stay with me for a long time?

What exactly is going on?" Lin Qingmeng asked.

Tang Qiulu knew Lin Qingmeng's temper.

If she didn't tell her the truth, she would definitely keep asking.

"Would you believe that there are two people in this world who look identical?" Tang Qiulu said.

"Isn't that just like having a twin brother?

What's surprising about that?" Lin Qingmeng said.

Tang Qiulu was stunned.

Whether it was her or Zhu Lie and Feng Bin, they all only speculated about the identity of the fake Su Changfeng, overlooking the possibility of identical appearances.

Lin Qingmeng's words suddenly enlightened Tang Qiulu.

Twin brothers!

Could it be that Su Changfeng has a twin brother?

Chapter 199 - 199 199 Twin Brothers

199: Chapter 199: Twin Brothers?

199: Chapter 199: Twin Brothers?

Seeing Tang Qiulu suddenly freeze, Lin Qingmeng asked in confusion, "What are you doing?

Why are you in a daze?"

Tang Qiulu took a deep breath and said, "This Su Changfeng is not Su Changfeng."

"Not Su Changfeng?

What do you mean by that?" Lin Qingmeng was a bit puzzled.

"Maybe he's Su Changfeng's twin brother," Tang Qiulu said.

Lin Qingmeng was stunned.

Su Changfeng is not Su Changfeng; he's his twin brother?

Recalling yesterday's situation, Lin Qingmeng could indeed feel changes in Su Changfeng, especially regarding that incident in the room; Su Changfeng would never do such a thing!

No wonder, originally they were two brothers!

"Damn, what exactly is going on?

Why does Su Changfeng suddenly have a twin brother, and furthermore, why is this person pretending to be Su Changfeng?" Lin Qingmeng was completely bewildered.

It was one thing for them to be twins, but why did this person come to Hai City under the guise of Su Changfeng?

And he even wanted to sleep with her as Su Changfeng.

Tang Qiulu shook her head and said, “I’m not sure about that, but Su Changfeng must have some plan.”

Just as Zhu Lie said, he had anticipated this and would definitely have some plan prepared.

For Su Changfeng’s safety, the only option now is to observe the situation without alerting that person.

“Why do I have a feeling, as if something major is about to happen?” Lin Qingmeng’s heart started racing.

Tang Qiulu thought the same; who exactly is Su Changfeng?

No one in the Tang Family knows.

What was his background back then?

Why did Grandpa insist on marrying Su Changfeng into the Tang Family?

Everything is a mystery, and Tang Qiulu felt that through this incident, she might have a chance to learn some secrets about Su Changfeng.

Beijing, Imperial City.

The third day after Pangolin entered prison, which was also the final time given to him by Su Changfeng.

Given his prior knowledge of the Imperial City, Pangolin devised two plans for Su Changfeng.

However, due to his reputation, he couldn’t participate in these plans; otherwise, the likelihood of being discovered by the Imperial City would double.

Therefore, he carefully explained to Su Changfeng how he could leave from there.

“This is all I can do.

If you can’t get out, it’s not my fault because this place is the Imperial City; who knows how many people are watching me every day.

I can’t find another way out.” Pangolin said.

“What about you?” Su Changfeng asked.

Pangolin smiled and said, “Since I’ve finally gotten in here, I plan to stay a little longer.

After all, the Imperial City isn't a place you can just enter whenever you want."

To consider imprisonment as something interesting, it seems only Pangolin could do that.

Su Changfeng memorized every word Pangolin said.

After free time was over, Su Changfeng returned to his cell and began thinking carefully.

As the boss in the cell, it used to be others giving Liu Chao massages, but now, as soon as free time was over, Liu Chao would personally massage Su Changfeng.

Liu Chao always had a question in his mind: why did Su Wei Jun change so drastically all of a sudden, as if he had become a different person altogether—not just in personality, but even in strength?

Sometimes Liu Chao wondered if the original Su Wei Jun had been replaced by this man.

But Liu Chao wouldn't dare say such a thing recklessly.

To achieve this would have consumed countless connections, and if others learned of his suspicions, he probably wouldn't have any path to survival.

"Brother Su, how is the pressure?" Liu Chao asked.

"After I leave, I'll probably miss your massage techniques," Su Changfeng laughed.

Leave?

Liu Chao was instantly covered in cold sweat.

Su Wei Jun wasn't supposed to leave for 10 years, wasn't it a bit early to talk about leaving?

"Liu Chao, I'm not sure how you ended up here; you must have done some bad things?" Su Changfeng asked with interest.

Liu Chao smiled sheepishly and said, "Can't really say they were big things, I just formed a gang with some grey-area activities."

Su Changfeng raised an eyebrow; who knew Liu Chao turned out to be a big boss-type?

But looking at this situation, he's probably been locked up for many years, and you can't see much of that fierce aura anymore.

If he could get Liu Chao out, he could indeed be a useful pawn.

At night, when everyone in Su's cell was asleep, Su Changfeng quietly stood up.

At the same time, back in the Su Family's Mansion, Shangguan Feihong was also formulating a plan to deal with Su Changfeng.

These days, Shangguan Feihong couldn't sleep at night because as soon as she closed her eyes, she would envision what would happen to the Su Family if the swap was discovered.

This made her even more anxious; as long as Su Changfeng was alive, she couldn't sleep peacefully.

Shangguan Feihong was already thinking of sending someone into the Imperial City to kill Su Changfeng inside, because she didn't want to wait any longer and didn't want to continue being anxious like this.

For the sake of Su Wei Jun, she was willing to do anything because, in Shangguan Feihong's eyes, only Su Wei Jun could continue to bring glory to the Su Family in the future.

The Emperor's Fate is a sign from the heavens to her, and nobody could change it.

The door opened, and a man dressed in black tight-fitting clothes entered the room.

With a cool demeanor, Shangguan Feihong said, "Make sure Su Changfeng is dead within two days."

The man in black said nothing, nodded, and left.

For her to send someone to kill her own grandson without the slightest hesitation shows her true malice, but it also indicates how little Su Changfeng meant to Shangguan Feihong.

After the man in black left, someone whom Shangguan Feihong hadn't expected came.

Huo Tian.

Shangguan Feihong knew Huo Tian had secretly been helping Su Changfeng, but after all these years, Su Changfeng was still a failure and still notorious as Hai City's coward.

"Do you still plan to defend him?" Shangguan Feihong asked coldly.

Huo Tian shook his head and said softly, "I already said, I won't interfere with either side, but why are you so sure that Su Wei Jun is definitely the Emperor's Fate?"

Shangguan Feihong laughed and said, "What's there to doubt?

Anyone with eyes can see that Su Wei Jun is far more outstanding than that coward Su Changfeng.”

“You’ve always only seen Su Wei Jun; your eyes will never rest on Su Changfeng, so what if your eyes aren’t blind?” Huo Tian said.

Shangguan Feihong’s expression changed instantly, and she said coldly, “Huo Tian, should I take that as you insulting me?”

“Have you considered that the Taoist might have been bribed?

What if someone wants to destroy the Su Family from the shadows?” Huo Tian said.

“Ha ha~!”

Chapter 200 - 200 200 Su Changfeng Leaves the Imperial City

200: Chapter 200: Su Changfeng Leaves the Imperial City 200: Chapter 200: Su Changfeng Leaves the Imperial City Shangguan Feihong laughed and said, “Indeed, the Su Family has many enemies, but who would be so idle to destroy the Su Family over 10 years in such a ridiculous manner?

I understand you hold Su Changfeng in high regard, but remember, you are just a bodyguard for the Su Family, this doesn’t mean much.”

“To be honest, the Su Family is indeed a big tree, wanting to destroy the Su Family is quite difficult, 10 years or so is really nothing, I hope you don’t regret this!” Huo Tian said.

“Huo Tian, just wait and see, the Su Family will rise to a higher level in Su Wei Jun’s hands.

My decision as Shangguan Feihong is absolutely not wrong.” Shangguan Feihong said through gritted teeth, even if she was wrong, the stubborn Old Madam wouldn’t admit it.

Therefore, only if Su Changfeng is dead, there would be no right or wrong, and the entire Su Family would be safe.

Just then, the room door was opened again, and Shangguan Feihong’s face immediately showed an expression of fear!

“Su...

Su Changfeng!” Shangguan Feihong looked at Su Changfeng with horror, why would Su Changfeng come out?

This guy should be in prison in the Imperial City for Su Wei Jun, why is this happening?

Su Changfeng flicked his hand, and the man in black who just walked out of the room was now lifeless.

Seeing this, Shangguan Feihong’s face turned extremely pale.

This was someone she had hired to kill Su Changfeng in the Imperial City, why did he die at the hands of Su Changfeng?

If Huo Tian wasn’t in her room, Shangguan Feihong would definitely think it was Huo Tian who did it, but...

but Huo Tian was right next to Shangguan Feihong now.

“Shangguan Feihong, you sent such trash to kill me?” Su Changfeng said coldly.

Shangguan Feihong glared at Su Changfeng viciously and said coldly, “No matter how you killed him, don’t you understand that your escape could bring disaster to the Su Family!”

“Disaster?” Su Changfeng sneered, “Shangguan Feihong, any disaster would be because of you.

What makes you think I, Su Changfeng, would willingly go to prison for Su Wei Jun?

Not only that, you were afraid of the secret getting out, so you tried to eliminate me in prison.

Do you really think I, Su Changfeng, have no temper?”

What Shangguan Feihong did was indeed vicious, but she didn’t think she had gone too far.

Su Wei Jun could support the Su Family, so he definitely shouldn’t be in prison, even if it was for some other reason.

But in Shangguan Feihong’s eyes, it shouldn’t be Su Wei Jun who bears this burden.

And Su Changfeng was particularly useless, so why not let him replace Su Wei Jun, was there anything wrong with that?

“Su Changfeng, you have no ambition; do you intend to blame others?

It should be an honor for you to replace Su Wei Jun in prison.” Shangguan Feihong said.

“Honor?” Hearing this, Su Changfeng burst into laughter, but his laughter was filled with helplessness and bitterness.

Su Changfeng couldn’t imagine how lowly he was in Shangguan Feihong’s heart, that going to prison for Su Wei Jun would actually be an honor?

“Shangguan Feihong, open your eyes and see who is truly the coward!” Then Su Changfeng turned to leave the room.

Shangguan Feihong became somewhat anxious, if Su Changfeng didn’t return to the Imperial City, it would definitely be known to the big figures there by tomorrow, and the Su Family would surely pay a heavy price for this!

“Su Changfeng, I can let you live, but you must go back immediately.” Shangguan Feihong said.

“What makes you think you can still command me?

Since you don’t treat me as your grandson, why should I treat you as my grandmother?

You want me to die, do you think I should gratefully accept?

Shangguan Feihong, why do you think I would do that?

Who do you think you are?

How shameless can you be?” Su Changfeng didn’t look back, his tone was particularly calm, yet extremely cold.

Shangguan Feihong’s face turned livid; she didn’t think she was shameless.

The reason she did this was for the Su Family to continue to flourish, and for the Su Family to better stand in Beijing.

For the whole Su Family, what does it matter if Su Changfeng dies?

“You came from the Su Family, what’s a little sacrifice for the Su Family?” Shangguan Feihong said.

“The one who should sacrifice, shouldn’t be me, it should be Su Wei Jun!” Su Changfeng said, striding away.

Shangguan Feihong yelled in panic, “Su Changfeng, where are you going, hurry back.”

“To Hai City, let Su Wei Jun know, and let you know, who truly has the Emperor’s Fate!”

Shangguan Feihong breathed heavily, Su Changfeng’s current momentum was particularly strong, she even felt pressured.

Shangguan Feihong knew, she couldn’t let Su Changfeng return to Hai City, otherwise, the Su Family’s secret would be exposed, and if Su Wei Jun fell into Su Changfeng’s hands, the consequences were unimaginable.

“Huo Tian, I order you now, immediately kill Su Changfeng.” Shangguan Feihong said coldly to Huo Tian.

Huo Tian looked indifferently at Shangguan Feihong and said, “I already said before, I won’t interfere with either side’s matters.”

“Huo Tian, you are the Su Family’s bodyguard, you have a responsibility to protect the Su Family’s safety.

The family is in crisis, are you planning to stand by and watch?” Shangguan Feihong said angrily.

“You are the one who put the Su Family in danger, now let’s wait and see who truly has the Emperor’s Fate.” Huo Tian said.

Shangguan Feihong was particularly furious, Su Changfeng, this coward, could not possibly have the Emperor’s Fate.

Over the years, what has Su Changfeng achieved, what capabilities does he have, he can’t even talk well, how could he have the Emperor’s Fate?

“If you don’t kill him, I will get someone to kill him.” Shangguan Feihong gritted her teeth.

“I suggest you don’t do that, maybe you can still save Su Wei Jun’s life.

If you push Su Changfeng too far, not to mention Su Wei Jun, even you will die!” Huo Tian said as he walked out of the room.

Shangguan Feihong laughed in anger, Su Changfeng dared to kill her?

That’s simply a fevered dream.

“You coward, I won’t let you destroy the Su Family.”

That night, Su Changfeng flew back to Hai City, arriving at the airport in the early hours of the morning.

Su Changfeng hurried to the Mountain Villa, hoping Tang Qiulu hadn't mistaken Su Wei Jun for him, or the consequences would be unimaginable for Su Changfeng.

Sun Mei and a few others were already asleep, but Su Changfeng didn't see her in Tang Qiulu's room, nor was Su Wei Jun there, which made Su Changfeng's heart go instantly cold.
