The City’s Strongest Son-in-law

Chapter 36 - 36 36 Tang Xiangdong's Purpose

36: Chapter 36: Tang Xiangdong’s Purpose 36: Chapter 36: Tang Xiangdong’s Purpose
“Brother Hu, I have a special request,” Tang Xiangdong said.

“Speak.”

“Do you mind if others find out about you and Tang Qiulu sleeping together?” Tang Xiangdong asked.

Liu Hu was taken aback, then quickly understood what Tang Xiangdong meant, and asked, “Are you planning to use me to drive Tang Qiulu out of the Tang Family, completely ruining her reputation?”

Seeing Liu Hu’s somewhat serious expression, Tang Xiangdong instinctively swallowed, a little scared, and said, “If Brother Hu disagrees, then I’ll look for another way.

“Haha.” Liu Hu patted Tang Xiangdong on the shoulder and said, “Why would I disagree?

I actually quite want people to know that I had a relationship with Tang Qiulu.

It’s undoubtedly a great honor and it can also show that coward Su Changfeng, who can’t even touch her with a finger, just how wild she is in my bed.”

“You can reveal it at ease.

Tang Qiulu already has no reputation in Hai City, she might even willingly become a kept woman for me to take care of.”

Tang Xiangdong gave a faint smile and said, “Brother Hu, in that case, I’ll follow your lead completely.

By tomorrow, many people will definitely be envious of you, as Tang Qiulu is the number one beauty in Hai City.”

Liu Hu licked his lips, clearly a bit impatient.

The next day, Tang Xiangdong went to Tang Qiulu's office.

"The time and place are set, I really went out of my way to arrange this, don't back out now.

If this isn't handled well, you should very well know how Grandma would deal with you," Tang Xiangdong said to Tang Qiulu.

But in his heart, he thought, tonight, Tang Qiulu will make herself known throughout Hai City, and by then she'll be driven out of the Tang Family.

Tang Qiulu was a bit worried about Tang Xiangdong's actions.

Last night, Su Changfeng said it was most likely related to Tang Xiangdong, so to avoid arousing suspicion, Tang Qiulu calmly said, "You can be assured, I will definitely handle this matter.

If you're planning to laugh at me over this, you'll likely be very disappointed."

Disappointed?

Tang Xiangdong wore a cold smile, feeling that he wouldn't be disappointed.

The show was about to begin.

Now, he wanted to see how Tang Qiulu would handle the situation after he exposed it.

By then, all of Hai City will scorn her, and the Tang Family will certainly show her the door.

At that point, Tang Qiulu will be nothing more than a stray dog, and everyone will consider her a wanton woman.

Moreover, the useless Su Changfeng will also be the subject of ridicule.

In three years of marriage, his wife hasn't even been touched by him, and yet Liu Hu has been with her; this insult, whether the waste can accept it, is quite intriguing.

"Don't be late, that person doesn't like to be kept waiting."

After Tang Xiangdong left, Tang Qiulu called Su Changfeng and told him the time and place.

The location was a countryside farmhouse in the Hai City Suburb, clearly signaling something was amiss, so Su Changfeng called Feng Bin to make arrangements ahead of time.

No matter who appears tonight, Su Changfeng will make that guy regret his actions!

Tang Xiangdong hadn't been back in the office long when Tang Siwen appeared furtively.

"What are you up to?" Tang Xiangdong questioned, puzzled.

Tang Siwen didn't quite understand why Tang Xiangdong would help Tang Qiulu at such a critical time instead of taking the opportunity to step on her.

"Donglin, have you gone mad?

How can you help Tang Qiulu?" Tang Siwen asked.

Tang Xiangdong leaned back in his chair with a smile and said, "Aren't you very clever?

Why are you so clueless about this matter?"

"What do you mean by that?" Tang Siwen looked at Tang Xiangdong, puzzled.

"Do you really think I'd be kind-hearted enough to help that bitch?"

"Do you mean... it's a trap?" Tang Siwen asked.

Tang Xiangdong thought for a moment.

In Tang Siwen's eyes, Tang Qiulu had always been an enemy, and if he told her, she'd definitely spread it to others.

"To be honest, the person causing trouble for our Tang Family, I instructed them.

I know that person," Tang Xiangdong said.

Tang Siwen was stunned upon hearing this, looking at Tang Xiangdong in shock, "You instructed them?

If Grandma finds out, you're finished."

"How would Grandma find out?

I trusted you enough to tell you, plus after today, Tang Qiulu will be utterly destroyed.

We won't even need to act, and Grandma will definitely kick this whore out," Tang Xiangdong said with satisfaction, finally able to vent his anger.

Once Tang Qiulu is expelled from the Tang Family, I'll be able to take charge of the West District project with full justification, killing two birds with one stone!

“So what’s the situation, hurry up and tell me,” Tang Siwen asked urgently.

“Do you know who Liu Hu is?”

“Liu Hu?

This guy is from the underworld area of Hai City, right?”

“He’s taken a liking to Tang Qiulu.

If she dares show up tonight, she won’t be able to escape.

I’ve made an agreement with him; once Tang Qiulu has a relationship with him, the entire Hai City will know.”

Tang Siwen’s mouth immediately dropped wide open, looking incredulous!

Liu Hu would sleep with Tang Qiulu, and this matter would be exposed.

It’s undoubtedly a bombshell that would shake all of Hai City!

Tang Qiulu is married, yet she had a relationship with Liu Hu.

Surely everyone in Hai City would despise her!

“Haha!” Tang Siwen covered her mouth and laughed, “If Grandma finds out about this with Tang Qiulu, she’ll undoubtedly drive Tang Qiulu away.”

“Yes, isn’t it perfect?” Tang Xiangdong said with a proud look.

Tang Siwen nodded, although it was a bit cruel, it was indeed a fatal blow to Tang Qiulu.

Not only would she be thrown out of the Tang Family, but she probably wouldn’t have anywhere to stay in the whole of Hai City!

“Serves her right, truly serves her right!

Tang Qiulu made me go to the construction site and thought she was all that?

Haha, I’d love to see how she handles it tomorrow!” Tang Siwen laughed heartily.

“I especially want to see that coward Su Changfeng, living in the Tang Family for three years without daring to make a peep, and now his own wife gets to sleep with someone else.

How could he bear it?” Tang Xiangdong smiled with a sleazy grin.

Tang Siwen curled her lips contemptuously, “Even if Su Changfeng is told, what could he possibly do?

Does that coward dare to go fight Liu Hu?”

“You’re giving him too much credit.

This coward, just Liu Hu’s name is enough to scare him stiff.

Fighting is something a man would do, and Su Changfeng is not a man.”

That day, as usual, Su Changfeng headed to pick Tang Qiulu from work, but upon arriving at the convenience store, he couldn’t see the owner and the store was closed.

In three years, Su Changfeng never missed a trip, and this store had never been closed.

Su Canghai was puzzled: could it be that the owner had something else to tend to today?

Chapter 37 - 37 37 Meeting Liu Hu

37: Chapter 37: Meeting Liu Hu 37: Chapter 37: Meeting Liu Hu Su Changfeng didn’t think too much about it.

It’s a store, and it’s not unusual for them to close now and then.

After picking up Tang Qiulu, Su Changfeng drove straight to the agreed location.

Tang Qiulu felt a bit uneasy and said to Su Changfeng, “Chang Feng, could we have made a mistake?

I feel restless today, like something’s off.”

“Don’t worry, I’m with you.

No one will harm you,” Su Changfeng said calmly, though his eyes were filled with a hidden murderous intent.

Hearing Su Changfeng’s words, Tang Qiulu felt slightly better, as if with Su Changfeng by her side, all dangers would be resolved effortlessly.

Upon reaching the agreed farmhouse, they saw someone guarding the entrance.

At first glance, these people didn’t look like good guys; each with a fierce look and tattoos on their bodies.

“Brother Hu, they’re here.”

In the restaurant, a small thug approached Liu Hu.

Liu Hu, who was eating peanuts, lit up immediately, clapping his hands.

“Finally, the beauty has arrived.

I must meet her in person.”

“There’s a man with her too, Brother Hu,” the thug said.

“A man?” Liu Hu paused, then burst out laughing.

“Could it be that coward came along?

If it’s really him, let’s make that coward crawl on his knees today.”

Su Changfeng and Tang Qiulu were led into the restaurant, where they noticed Liu Hu scanning Tang Qiulu greedily.

Tang Qiulu was indeed a stunning beauty; one could only wonder what she was like in bed.

However, upon seeing Su Changfeng, Liu Hu’s smile disappeared!

He teased, “And you are...?”

“My husband, Su Changfeng,” Tang Qiulu replied.

As soon as Tang Qiulu spoke, Liu Hu and his men burst out laughing.

To be honest, the name Su Changfeng was known by everyone in Hai City; his reputation was indeed quite remarkable.

“Tsk tsk, looks convincing enough, but why is he so cowardly?

Don’t tell me you’ve got issues in that department?” Liu Hu teased.

“Brother Hu, this coward brings shame to all men.

Let me teach him a lesson.”

“I’ll do it.

I want to see if this guy can take a punch from me.”

“Such trash, I can handle with one hand!”

Watching his fired-up subordinates, Liu Hu waved his hand, saying, “What’s with you all?

This coward doesn’t have the guts; don’t scare him so much that he embarrasses himself with bodily fluids.

It won’t look good then.”

“Haha~!”

Everyone laughed once more.

Tang Qiulu bit her molars and said to Liu Hu, “I’m here to discuss business, not to hear you insult my husband.”

“No problem, no problem.

Let’s talk business first,” Liu Hu returned to his seat, ignoring Su Changfeng, a person not worth his attention.

“Mr.

Liu, what would it take for you to leave the Tang Family alone?” Tang Qiulu asked.

Liu Hu picked up a peanut, tossing it into his mouth as he spoke, “Simple.

I’m only after money.

Hand over 1 billion, and from today, not only will I not trouble the Tang Family, but I’ll protect it too.

How about that?”

1 billion?

Tang Qiulu’s expression changed instantly.

The entirety of the Tang Family couldn’t spare 1 billion.

His price was clearly part of the negotiation.

“How could the Tang Family have 1 billion?

What are you after?

The Tang Family hasn't crossed you; why target us?" Tang Qiulu asked, puzzled.

"Why?

Do I need a reason to cause trouble?

What do you think the Tang Family is?" Liu Hu frowned, displeased with Tang Qiulu.

Tang Qiulu tried to remain calm and continued, "I came here with sincerity, so I hope you can show some sincerity as well."

"Alright." Liu Hu nodded.

"There's a nice room here; I've made sure your bath is ready.

If you have sincerity, prove it!"

Hearing Liu Hu's words, Tang Qiulu's face turned pale.

Liu Hu actually said such things.

"Liu Hu, you wouldn't target the Tang Family without a reason.

Who is instructing you from behind?" Su Changfeng asked.

"Who do you think you are?

Is it your turn to speak here?" Liu Hu glanced at Su Changfeng scornfully and continued, "I'll tell you this now: to settle this, your wife has to spend a night with me.

How about it, coward?

Do you dare to say no?"

As Liu Hu finished, his men came forward, surrounding Su Canghai.

Tang Qiulu was frightened by this scene and instinctively hid behind Su Changfeng.

"Why hide behind this useless person?

Can this coward protect you?

I think you should be with me.

I, Liu Hu, hold some weight in Hai City.

With my protection, no one would dare touch you!” Liu Hu said.

Tang Qiulu clutched Su Changfeng’s coat tightly.

The farmhouse was full of Liu Hu’s men; it was too late to leave.

“If you let us go, I can give you a lot of money,” Tang Qiulu said.

“To be frank, since you came in, you have to spend a night with me.

Thinking of leaving now is absurd!” Liu Hu scratched his ear and casually asked his men, “What’s that saying about resisting and so on?”

“If you can’t resist, just enjoy it!”

“Yeah, yeah.

You should enjoy it,” Liu Hu smiled at Tang Qiulu.

“You’ve been married for three years, practically like a widow not knowing what a man feels like.

I’ll make sure you feel extra good today, definitely satisfying you.”

At this moment, Su Changfeng’s eyes filled with murderous intent, and he suddenly sat in front of Liu Hu.

Seeing this, one henchman erupted, “A coward like you has no right to sit in front of Brother Hu!”

Just as he said that, he swung a punch towards Su Changfeng’s face.

Su Changfeng smirked coldly and casually reached out, grabbing the incoming fist easily.

The thug was stunned, not expecting Su Changfeng to catch his punch so effortlessly.

Without giving him a chance to react, Su Changfeng swiftly kicked, sending him back several steps and collapsing on the ground.

“This...”

“Whoa, how is this coward so skilled?”

“Impossible, this guy is supposed to be a coward!”

Su Changfeng’s strength sharply contrasted his terrible reputation.

Liu Hu stepped back fearfully, no longer daring to underestimate Su Canghai!

Tang Qiulu looked incredulous.

She'd only seen Su Changfeng being bullied before.

Never had she witnessed this side of him; she was utterly shocked!

Chapter 38 - 38 38 Then Take Another Look

38: Chapter 38: Then Take Another Look 38: Chapter 38: Then Take Another Look "Su Changfeng, you should know this is my turf.

You dare to lay hands on my men, you won't be leaving here!" Liu Hu said with a fierce expression.

Although Su Changfeng's skills surprised him, it was not enough to make him afraid.

He had many subordinates; no matter how strong Su Changfeng was, could an arm wrestle with a leg?

"I'll give you a chance to explain, tell me what's going on, and I'll let you live." Su Changfeng said calmly.

"Haha~!" Liu Hu stared viciously at Su Changfeng: "Are you joking with me?

Look at the people around me, they're all my boys.

One word from me, and do you think you'll have a good end?

Are you here bluffing?"

"Is that so?

Then take a look again." Su Changfeng said.

As soon as he finished speaking, hurried footsteps sounded instantly, and hundreds of people surged in from all around, encircling the place.

Liu Hu's face changed directly, these people were all customers, why was this happening?

At this moment, Feng Bin emerged from the crowd.

Seeing Feng Bin, Liu Hu coldly asked: "Feng Bin, what's your damn meaning?"

“Liu Hu, you idiot, you dare to offend anyone?” Feng Bin said resentfully.

“What do you mean by that?” Liu Hu stared at Feng Bin, puzzled.

Could he be colluding with the Tang Family?

But Tang Xiangdong was working with him; if the Tang Family was acting, Tang Xiangdong would definitely let him know.

Feng Bin walked up to Su Changfeng, and before he could speak, Su Changfeng said: “Take my wife back to the car.”

Tang Qiulu clung to Su Changfeng, unwilling to let go.

She was completely dazed now; why did so many people suddenly rush in?

What were these people here for?

“Wait for me in the car.

I’ll be right there.” Su Changfeng reassured her.

Tang Qiulu bit her lip, unwilling to let go.

“Don’t worry, it’s already settled.

Do you not even trust my words?”

Upon hearing Su Changfeng’s assurance, Tang Qiulu slowly released her grip.

After Tang Qiulu left, Feng Bin respectfully asked: “Brother Changfeng, how should we handle Liu Hu?”

Liu Hu started laughing contemptuously and asked: “Feng Bin, have you lost your mind?

Calling that loser Brother Changfeng?

How can you, someone on my level, not know this guy is just a coward marrying into the Tang Family?”

Feng Bin remained stooped, raising only his head and said coldly: “Liu Hu, do you know how to write the character ‘die’?”

Liu Hu looked indifferent, though Feng Bin had many subordinates, would he dare confront him?

If he dared, he would have acted long ago.

“Feng Bin, stop blabbering here.

I have support too, you know.

If anything happens to me, you won’t escape either.

Just a reminder: don’t meddle in others’ affairs.” Liu Hu said disdainfully.

In the past, Feng Bin didn’t dare touch Liu Hu.

That’s because Su Changfeng hadn’t given the order, and Liu Hu did have some background; making a move would involve many consequences.

Without Su Changfeng’s assurance, although Feng Bin could kill Liu Hu, he wouldn’t escape it himself.

But things are different now; Su Changfeng plans to move on the entire Hai City, and Feng Bin isn’t worried anymore, because he trusts in Su Changfeng’s ability.

Despite being cursed by all of Hai City, Feng Bin knows who Su Changfeng really is.

Feng Bin remained silent, realizing he wasn’t qualified to speak.

Liu Hu, seeing Feng Bin silent, mistakenly thought Feng Bin was scared and arrogantly said: “Feng Bin, you know my background.

Isn’t it time to make your men scram or do you need me to throw you out?”

At this moment, Su Changfeng suddenly stood up and walked toward Liu Hu.

Having seen Su Changfeng’s prowess earlier, Liu Hu subconsciously stepped back and asked warily: “What do you want?”

A few of Liu Hu’s men stood in front of him, ready to act.

Su Changfeng kept moving forward, Liu Hu’s men attacked first, but none made Su Changfeng stop, not even for a second.

Seeing the imposing Su Changfeng, Liu Hu cursed inwardly: Who’s the damn fool saying Changfeng is a coward?

If this kind of capability is a coward, then everyone in Hai City isn’t even comparable to a coward!

All his men were knocked down, continuously wailing, Liu Hu said to Su Changfeng with a pale face: “Su Changfeng, the Tang Family’s strength doesn’t compare with my background, I advise you...”

Before he could finish, Su Changfeng punched him in the face.

Nosebleed gushed out immediately, Liu Hu held his face, crying in pain in the corner.

If the current scene was seen by the Tang Family’s people, they’d likely wear faces of disbelief, because in their eyes, Su Changfeng was just a useless man who wouldn’t even respond to insults, let alone act so forcefully!

Liu Hu now wondered if the Su Changfeng in front of him was a completely different person from the one rumored outside.

For three years, the Su Changfeng who married into Tang Family did housework and didn’t dare speak back even when insulted, yet here he was being so dominant!

“Speak!

Who’s instructing you from behind?” Su Changfeng asked.

Liu Hu shook his head and hesitantly said: “Su Changfeng, if you dare, just kill me, or you’ll be dead on the street tomorrow!”

“Do it, continue until I say stop!” Su Changfeng returned to his seat, speaking expressionlessly.

Feng Bin raised his hand, and several people walked up to Liu Hu, beginning to punch and kick him.

All Liu Hu’s men were dumbfounded.

They watched Liu Hu getting beaten, then looked at Su Changfeng’s indifferent face, thinking how could this guy be a coward?

What bastard spread that rumor?

How could a coward have such skills?

“Feng Bin, remember, my background isn’t something you can provoke!”

“Feng Bin, do you genuinely not fear my revenge?

Stop your men now, and I’ll pretend you never showed up!”

“Fine...

I’ll talk, stop hitting me.”

Despite Liu Hu’s tough stance, he couldn’t withstand the pain of getting hit and soon yielded.

Feng Bin sneered, saying: “If you had spoken up earlier, there wouldn’t be so much pain.”

Liu Hu looked at Feng Bin and said: “Feng Bin, are you really not afraid I’ll come after you later?”

Feng Bin waved indifferently: “If you find the opportunity, come seek revenge.

But, it seems like you won’t get it!”

Chapter 39 - 39 39 is all taken care of

39: Chapter 39 is all taken care of.

39: Chapter 39 is all taken care of.

“Go ahead, tell me who is really behind this.

You better give a clear explanation.

If you hide anything, your so-called backing will only see your corpse,” Su Changfeng said coldly.

Liu Hu wasn’t afraid of Feng Bin, but he had an extremely strange feeling inside, especially towards Su Changfeng, as if Su Changfeng was even more terrifying.

Upon hearing Su Canghai speak, Liu Hu couldn’t help but tremble.

He quickly said, “It was Tang Xiangdong who instructed me to target the Tang Family.

He’s the one who approached me.”

Tang Xiangdong?

It turned out it really was him!

Su Changfeng had suspected earlier that this had something to do with Tang Xiangdong, otherwise why would he help Tang Qiulu?

“Continue.”

Liu Hu involuntarily lowered his head.

He didn’t dare meet Su Changfeng’s gaze.

If Su Changfeng found out about the plan against Tang Qiulu, he dared not imagine what his fate would be.

“If you don’t talk, just keep hitting!”

“Don’t hit, I’ll talk!” Liu Hu hastily said, “Tang Xiangdong wanted me to sleep with Tang Qiulu and then spread the word in Hai City.

He planned to use this to drive Tang Qiulu out of the Tang Family.”

Su Changfeng suddenly clenched his fist!

Su Changfeng could dismiss Tang Xiangdong’s actions against the West District project as if nothing happened, but daring to target Tang Qiulu, that was courting death!

Tang Qiulu was his reverse scale!

Su Changfeng would not allow any harm to come to Tang Qiulu!

“Lock him up first!” After saying this, Su Changfeng walked out.

Liu Hu shouted about the consequences of offending him, but after taking a few punches, he quieted down.

In the parking lot, Tang Qiulu sat in the car, growing more and more anxious.

When she saw Su Changfeng coming out, she hurriedly got out of the car.

“Changfeng, are you okay?

How are you?” Tang Qiulu asked nervously, examining Su Changfeng closely and only relaxing when she confirmed he was fine.

“It’s nothing.” Su Changfeng smiled, “I didn’t realize you cared about me.”

Tang Qiulu’s face instantly blushed, and she quickly stepped back, “I...

I’m just worried you might get hurt, and I’d have to take care of you.”

Su Changfeng nodded and didn’t pursue the question further, “Let’s go home.”

“Go home?” Tang Qiulu was puzzled, “But the issue hasn’t been resolved yet.

If we go home now, how will we explain it to Grandma?”

“Everything’s been taken care of.

Let’s go,” Su Changfeng said.

It’s been handled?

Tang Qiulu looked at Su Changfeng strangely.

Was the situation with Liu Hu just resolved like that?

And who were those people who suddenly appeared earlier?

After getting in the car, Tang Qiulu hesitated, wanting to ask what exactly happened.

Su Changfeng guessed what Tang Qiulu was thinking and said, “The method of handling it isn’t important; what’s important is that the task is completed.

Tell Grandma tomorrow that you’ve taken care of everything, and leave the rest to me.”

Tang Xiangdong wouldn’t get away with it, but Su Changfeng would find the right time to expose all of Tang Xiangdong’s actions.

Tang Qiulu nodded and said no more.

That evening, Tang Xiangdong paced his room while clutching his phone, appearing nervous and uneasy.

The phone’s screen showed Liu Hu’s number.

With just one call, he could know how things were going, but he was worried about what if it didn’t work out?

He hesitated until ten o’clock, unable to hold back any longer, and finally made the call.

Unfortunately, no one answered.

Was Liu Hu still busy?

He couldn’t suppress his smile, but just then, Tang Siwen called.

“Donglin, how are things going?” Tang Siwen asked eagerly.

“I just called Liu Hu, but no one answered.

He’s probably still busy,” Tang Xiangdong said.

On the other end, Tang Siwen laughed.

She felt particularly pleased thinking about Tang Qiulu being ruined by Liu Hu.

“This will finish Tang Qiulu.

She’s truly shameless, having a man but still seeing others.

This must be told to Grandma tomorrow,” Tang Siwen laughed.

Even if the matter wasn’t done, she was ready to accuse Tang Qiulu without any evidence.

“There will be a family meeting early tomorrow.

Then we can tell Grandma, and we can expect Tang Qiulu’s family to be kicked out of the Tang Family,” Tang Xiangdong said, hanging up feeling very satisfied.

The day has finally come.

From tomorrow onwards, Tang Qiulu will be nowhere to be seen in the Tang Family, and I’ll be in charge of the West District project.

“Tang Qiulu, no matter what, I must say thank you.

Without you, there wouldn’t be cooperation between Weishui Real Estate and the Tang Family.

But, you crossed me, Tang Xiangdong.”

The next morning, Tang Xiangdong arrived early at the company and sat in the meeting room, waiting for other Tang Family members.

He was eager to spread Tang Qiulu’s scandal and request the Old Madam to expel Tang Qiulu.

Soon, the Tang Family members arrived one after another, including the Old Madam, but Tang Qiulu never appeared.

“Where is Qiulu?

Why isn’t she here yet?” the Old Madam asked.

Tang Siwen looked at her manicure and said, “Maybe on some man’s bed.”

“Siwen, what nonsense are you saying?”

“Grandma is here, don’t talk nonsense.”

“Watch your words and actions.”

Even though these Tang Family members didn’t like Tang Qiulu, they knew the Old Madam cared a lot about the family’s reputation.

It’s one thing to gossip about Tang Qiulu casually, but making baseless claims about such a serious matter was unacceptable.

Tang Siwen understood the Old Madam’s stance on such matters.

Even she wouldn’t have joked like this previously.

But now, Tang Siwen felt she had solid evidence.

Tang Qiulu must’ve been ruined by Liu Hu, so saying so now was no issue!

“Why the rush?

Do you think I’d joke about this?” Tang Siwen said disdainfully.

Hearing this news, the Tang Family members were shocked.

If it’s not a joke, did this really happen?!

Tang Qiulu actually dared to mess with other men?

“Tang Siwen, explain yourself, what exactly happened?!” the Old Madam asked Tang Siwen with a stern face.

She would never permit such conduct from anyone in the Tang Family.

If Tang Qiulu really did such a thing, even if they couldn’t continue the cooperation with Weishui Real Estate, Tang Qiulu would be cast out.

“Donglin knows more than I do, if Grandma wants to know, ask Donglin,” Tang Siwen said.

Chapter 40 - 40 40 Slandering Shen Hanxue

40: Chapter 40: Slandering Shen Hanxue 40: Chapter 40: Slandering Shen Hanxue
Hearing this, all eyes instantly focused on Tang Xiangdong.

This was no small matter; if true, the Tang Family would definitely sever ties with Tang Qiulu.

“Donglin, you tell us, what exactly happened?” the Old Madam asked.

Tang Xiangdong glanced at Tang Siwen.

He should have been the one to explain this, preferably after Tang Qiulu arrived, but who knew Tang Siwen would already spill the beans.

“Grandma, the truth is Liu Hu is causing trouble for our Tang Family.

I spent a long time setting up a connection with Liu Hu, and I asked Tang Qiulu to go talk to him.

However, I received the news that Tang Qiulu didn’t leave Liu Hu’s farmhouse last night,” Tang Xiangdong said.

Who is Liu Hu?

A scoundrel in Hai City’s grey area.

If Tang Qiulu really stayed there overnight, no need to say more about what must have happened.

Other members of the Tang Family looked on in shock.

None expected the seemingly upright Tang Qiulu would dare to do such a thing?

“Donglin, have you verified this?”

“That’s right, you can eat random things but you can’t speak recklessly.

This matter concerns the reputation of our Tang Family.”

“That’s right, that’s right, it’s best not to speak carelessly without verification.”

These people seemed to be speaking on behalf of Tang Qiulu, but in fact, they were reminding the Old Madam in another way.

How could they miss such an opportunity to kick Tang Qiulu out of the Tang Family!

The Old Madam's face turned grim, and she said in a low voice, "Donglin, have you verified this?"

"Grandma, I don't know what Tang Qiulu was doing there, but she didn't come home all night, and with someone like Liu Hu...

then..." Tang Xiangdong feigned hesitation.

The Old Madam angrily pounded on the table, "If she really did such a thing, I will definitely not spare her!"

"I never imagined Tang Qiulu would curry favor with Liu Hu like that."

"In the past three years, she has brought enough shame to the Tang Family, who knew she would still do such a thing now!"

"This matter should have been left to Donglin to handle from the start.

Knowing Liu Hu's nature, he might make this public, and the Tang Family would become a laughing stock in Hai City again."

Listening to the words of the Tang family, the Old Madam's expression became grimmer and grimmer.

Just then, Tang Qiulu slowly walked in.

"Grandma, Brother Cheng asked me to organize some documents and deliver them to their company, that's why I'm late," Tang Qiulu said.

"Really delivering documents?

Why can't I believe it?

Did you wash before coming here?

You reek of a stench!" Tang Siwen sneered at Tang Qiulu, fanning the air around her nose with her hand purposefully.

"Tang Siwen, what do you mean by that?" Tang Qiulu looked at Tang Siwen, somewhat angrily.

Tang Siwen gave a faint smile, glanced at Tang Qiulu, and said, "What could I possibly mean, you know it in your heart.

Who knew you were such a woman, already married, and yet looking for other men."

Looking for other men?

Tang Qiulu suddenly became furious; this was baseless slander that tarnished her honor.

“Tang Siwen, what did you eat this morning?

How could you spew such nonsense?” Tang Han retorted.

Tang Siwen stood up, unwilling to be outdone, and said, “Did it but won’t admit it?

Then tell me, is the problem resolved?”

“It’s definitely resolved,” Tang Qiulu answered.

“Ha,” Tang Siwen chuckled coldly, “Then how was it resolved?

How much did you pay?”

“Didn’t...

didn’t pay anything.” This matter was resolved by Su Changfeng; as for how it was done, Tang Qiulu was unsure, but she was certain no money was spent.

“Haha,” Tang Siwen laughed, “Resolved without paying?

Then you must be quite capable!

Probably used another method, huh?”

“Tang Qiulu, that person is Liu Hu, a figure in the grey area.

Can you handle it without spending a dime?”

Tang Xiangdong could guarantee, something definitely happened between Tang Qiulu and Liu Hu yesterday!

Otherwise, she would not have been capable of handling this.

But Tang Xiangdong did not expect, Tang Qiulu turned out to be a shameless woman, even after sleeping with Liu Hu, she could pretend like nothing happened.

Poor Su Changfeng, now truly wearing a green hat high and proudly.

“Tang Qiulu, what exactly is the situation, explain it clearly!” the Old Madam demanded.

Tang Qiulu looked at Tang Siwen, then at Tang Xiangdong.

Something must have happened while she was not here, and now the Old Madam's attitude towards her was extremely cold!

"Grandma, the problem is resolved," Tang Qiulu said.

"What method did you use?

Tell us," Tang Siwen asked anxiously.

"You probably didn't leave the farmhouse last night, right?

I don't care with whom you slept, but the Tang Family's reputation absolutely cannot be destroyed by you!" Tang Xiangdong shouted.

Hearing Tang Xiangdong's words, Tang Qiulu's chest heaved with anger.

It seemed they believed she slept with Liu Hu to resolve the issue.

"Tang Xiangdong, where did you get your information?

Where's your evidence?

After leaving the farmhouse, I went straight home," Tang Qiulu responded.

"Went home?

How can you prove you went home last night?" Tang Xiangdong asked.

In Liu Hu's hands, Tang Xiangdong didn't believe Tang Qiulu could safely leave.

"There are plenty who can prove it.

After I returned, I bought water from the grocery store downstairs and encountered neighbors; you can check if you really don't believe.

The grocery store has surveillance, which can be checked," Tang Qiulu explained.

Tang Xiangdong saw Tang Qiulu's confidence; could it be that Liu Hu indeed let her go?

This is impossible.

Knowing Liu Hu's nature, how could he possibly let Tang Qiulu go?

"Tang Qiulu, did you really not go there yesterday?

I put in a lot of effort to get that connection, and you didn't even go?"

If Tang Qiulu didn’t fall into Liu Hu’s hands, there was one reason: Tang Qiulu didn’t go to the farmhouse.

“Tang Xiangdong, are you dumb?

Didn’t you hear what I said?

I said I resolved the problem; if I didn’t go, how could I have resolved it?” Tang Qiulu laughed.

“Impossible, you’re lying!” Tang Xiangdong didn’t believe Tang Qiulu.

To him, there were only two possibilities: first, Tang Qiulu let Liu Hu sleep with her and the problem was resolved, or second, Tang Qiulu never went and the problem wasn’t resolved.

“Tang Qiulu, tell me how you resolved this issue!” the Old Madam asked directly, seeing that things were unclear.

Tang Qiulu was in a bind because this was handled by Su Changfeng, and she didn’t know the details herself.
