The Domineering Boss is Addicted to the Convict

Chapter 22

At this moment, Miao Jiayu hated Zhao Mantian to death. She had a good relationship with someone in the personnel department who had secretly told her that it was related to a misuse of power. It was something to do with the person from the Sanitation Service Center.

The only thing she could think of was asking Ling Yiran to send the document. However, on this matter, Zhao Mantian had been the true mastermind!

"I didn't force you to do it. You wanted to see Ling Yiran get humiliated, that's why you were willing to do it. At most, I just gave you an idea. It's your own doing. It has nothing to do with me," Zhao Mantian rebutted immediately.

The two of them began to attack each other like dogs tearing out mouthfuls of fur!

After Miao Jiayu fell out with Zhao Mantian, her family also gave her a hard scolding. However, in the end, they still spent money and made use of connections for her. They tried to find someone to intercede for her, but the money and gifts could not even be sent out.

Even those they sent away with great difficulty, in less than two days, would be returned by their recipients.

Finally, it was an old acquaintance who had had a good relationship with them for many years who secretly said, "Who on earth did your daughter offend? The backing of that person seems to be very strong. I heard from the director of the Urban Management Bureau that in the future, your daughter will find it difficult to find an ordinary job, let alone this kind of secure one."

Miao Jiayu's parents were stunned when they heard that. After returning home, they questioned their daughter about what kind of big shot she had offended.

Miao Jiayu was confused. What big shot could she have offended? In her usual work and life, she did not come into contact with any!

All of a sudden, she had a brainwave and thought of the alumni gathering.

That day, the one who had ultimately resolved the matter for Ling Yiran had been Yi Jinli. Could it be... that the big shot behind Ling Yiran was Yi Jinli?

This idea flashed through Miao Jiayu's mind, but it was immediately shot down.

Ling Yiran had crushed Yi Jinli's fiancée, Hao Meiyu, to death back then. No matter what, it was impossible.

It could only be said that... Ling Yiran was really in luck that day, allowing Yi Jinli to accidentally save her.

Then... perhaps Ling Yiran's powerful figure was someone else?

However, Ling Yiran was only a sanitation worker. Was that possible?

Nonetheless, after thinking about it for a while, it seemed that the only person she had offended was Ling Yiran.

The next day, Miao Jiayu hurried to find Ling Yiran.

As soon as she saw Ling Yiran, she said with tears in her eyes, "Yiran, I'm really sorry for that day. It was Zhao Mantian's idea to ask you to come to the alumni gathering, so I asked you to send me the documents. Since then, I've been regretting it. It's all my fault that you suffered such an insult at the alumni gathering. I'm sorry."

Ling Yiran looked at Miao Jiayu's performance coldly. She did not believe a word of what she said.

"Yiran, can you forgive me?" Miao Jiayu seized the opportunity to ask.

Ling Yiran said calmly, "Why should I forgive you?"

"Huh?" "I... I've already admitted my mistake. Won't you forgive me?"

Ling Yiran felt that this was ridiculous. "It's normal for you to ask me to send documents. There was nothing wrong with it. Naturally, I can't talk about forgiveness."

Miao Jiayu was dumbfounded. What... what was she supposed to say? Did she have to say that she had been wanting to see her get humiliated and make a fool of herself, and so she had set her up to deliver the document?
