The Domineering Boss is Addicted to the Convict

Chapter 24

"I must be thinking too much!"

Seeing that Ling Yiran was busy with her work, Guo Xinli shook his head and said, "Yiran, then... then I'll go first since you're busy."

Watching Guo Xinli leave, Yi Jinli suddenly grabbed Ling Yiran's chin with his fingers and half-forced her to face him straight. "I don't like Sister to see other men like this."

Ling Yiran burst out laughing. "What are you thinking? I don't have any intentions towards him."

"Does that mean he doesn't have those kinds of feelings towards Sister?" he asked back.

She was at a loss for words.

"Is he the colleague who likes Sister?" he asked.

"Yes, I've already asked Sister Xu to help me refuse, but I didn't expect him to come to me today."

"That man can't match up to you. If you don't like him, you should refuse him directly," he said.

Ling Yiran laughed, "You probably think too much of me. It is me that's not good enough for him. He has a house, a car, and a steady job. In our workplace, many girls like him."

"My Sister is worth much more than that," he said. In his tone, there was a desire for possession that he had not even noticed.

After Ling Yiran cleaned the road and was preparing to pack up the tools to return to the Sanitation Service Center, Miao Jiayu suddenly rushed up from the side and said to Ling Yiran, "Yiran, can you forgive me? I really can't lose this current job. This job is very important to me! I beg you, tell our director that you forgive me and ask him to cancel the order for dismissal, okay?"

After thinking about it for a while, Miao Jiayu still felt that Ling Yiran was most likely the one that she had offended.

Ling Yiran looked at Miao Jiayu and said, "I think you've asked the wrong person. Your director wants to dismiss you, and it has nothing to do with me. I have no connections with your director either."

"That's impossible!" Miao Jiayu said anxiously. "You're the only one I've ever offended. Could it be that Xiao Ziqi saw you like that and couldn't bear it, and so he avenged you? Is that why I was condemned?" Thinking it over, there was only this possibility.

Only now did Ling Yiran finally understand the reason for Miao Jiayu coming to her and begging her for forgiveness. "Xiao Ziqi... I'm afraid that in the man's heart, he doesn't even have a trace of pity for me!"

"I don't know what you're talking about. If you think it's Xiao Ziqi who made you lose your job, then the person you should be looking for is Xiao Ziqi." Ling Yiran said coldly, then she pulled Yi Jinli's hand and went around Miao Jiayu.

Miao Jiayu still wanted to chase after her. However, when Yi Jinli turned around and gave her a light glance, she suddenly stopped in her tracks.

That line of sight suddenly caused her to feel a sense of fear. It was like if she continued to chase Ling Yiran and pester her, then her fate might end up even worse than it was now.

What... what was going on? The man's face was mostly covered by bangs, and she couldn't see his appearance at all. However, the eyes of this man scared her to the extreme. Was this man a toyboy who Ling Yiran was keeping?

"Besides, is there really a big shot behind Ling Yiran? If so, who else could it be? Xiao Ziqi? Or someone else?"

But at this moment, no matter what, she could not even take half a step forward.
