

The Eternal 1781

Chapter 1781

1781 Mr. Yang

Yunxiao's pupils constricted, and a cold gleam flickered in his eyes.

The blood in the pool gradually became lighter, as if countless essence had been absorbed into the demon's body. As time passed, the demon's beast form gradually receded, and he gradually took on a human form.

Zhi taiqing put his ear to the ground and asked softly, "Mr. Yang, are you alright?"

The monster in the pool still had his eyes closed, but his expression was much calmer. He did not answer and instead asked, "What is it?"

"Mr. Yang, there's a little trouble," said Zhi taiqing. An unknown expert barged into the ancient martial Kingdom and snatched the demon Emperor gold slip from the starry Crescent land. That person's strength was extraordinary, even Lord yaozhe couldn't keep him."

The demon in the pool suddenly opened his eyes. His eyes were red like blood, and his pupils could not be seen clearly. The blood color in his eyes was like rolling waves. Gradually, two pupils appeared, which were like jade rings the size of fingernails.

"Divine transcendence? Were there many experts who had reached divine transcendence in the world? It should be easy to find out." Mr. Yang said slowly.

"That person is very young. According to my guess, he looks like the reincarnation of Gu Feiyang, who has been causing a lot of commotion recently," Zhi taiqing said after thinking for a while.

"The reincarnation of Gu Feiyang?"

Mr. Yang's expression changed, but he quickly regained his composure. "Why did he snatch the demon Emperor gold slip? Could it be that you want to interfere in our business?"

Zhi taiqing said, "this seems to be an accident. However, it's definitely not an accident that Gu Feiyang came to the ancient martial Empire. I'm just afraid that Jun ruyun's side has caused trouble.

Yunxiao's pupils constricted as he stared at the figure coldly. His heart was rippling, and a handsome figure appeared in his mind.

"The change of imperial power in the secular world is just a fleeting cloud. It's not worth mentioning," Mister yang said with a sneer.

"You're right, my Lord," Zhi taiqing said, "but the change of imperial power is related to the ownership of the Taiyou mortal world scroll."

Mister yang snorted and said, "is the ownership of the wandering mortal world scroll important?" How many years had it been? who had broken through it? Not to mention you and I, even if it were to be passed down for ten or a hundred generations, no one would understand. That thing is just a flower in the mirror, a moon in the water."

"Yes! So, Mr. Yang, are you saying that I don't care about Gu Feiyang anymore?" Zhi taiqing asked carefully.

Mister yang thought for a moment and said, "let's not worry about it for now, but we must keep a close eye on it." If his only goal was to help Jun ruyun's side achieve the succession of imperial power, then he could do as he pleased. It doesn't matter who becomes the Emperor. However, if he interferes with the matters of the five Cloud Mountain's demon clan, he must be eliminated!"

With the intention to kill, the blood water around Mr. Yang started to swirl. The entire pool was filled with a violent aura, causing the blood water to splash away.

"In that case, I'll report this to the sect master first," Zhi taiqing said.

go, " Mr. Yang said. you should know what to do. You don't have to ask me about everything. Just understand our purpose.

Zhi taiqing said,"alright, but there's one more thing. It's related to the demon Emperor's Gold scroll and Kasaya."

you don't have to worry about that, " Mister yang said. for such an important matter, the demon Emperor will definitely set up three layers of moon restrictions. There's no way to break them. Only a few demons know how to break them. If you forcefully break the restriction, the Golden slip will be destroyed."

Zhi taiqing thought to himself,'I see. No wonder Yao Zhe is so at ease.'

Yunxiao frowned as well. He had checked the three layers of lunar seals, and it was true. It seemed that it would be very difficult to get the information inside.

the blood this time is not bad, " Mister yang said. there's also some warrior blood in it. It's just that it's been a long time, and I can't wait. Next time, you must bring it here earlier!"

His words were reproachful and irrefutable. Zhi taiqing seemed to be a little afraid and nodded repeatedly.

Then, he flicked his sleeve and the flames on the pillars were extinguished. The hollow returned to its original dark state.

The entire array stopped operating and returned to dead silence.

Yunxiao's eyes were immediately blocked, and he could no longer see the ground clearly.

Zhi taiqing quickly left the grotto-heaven, closed the formation in the small courtyard, and turned to leave.

However, he stopped after three steps, and his face instantly turned pale. He was filled with shock and exclaimed, " "You're so silly!"

A few steps away was Yunxiao, who said slowly with an expressionless face, " "Sir Zhi taiqing, this lowly one has just arrived, and there are many things I do not understand. I would like to ask you some questions."

Although Zhi taiqing was flustered for a moment, he calmed down in an instant and said in a deep voice, " "Who are you? Why have you come to the thousand-mountain Prefecture?"

I haven't even started asking, " Yunxiao chuckled. you've already asked two questions in a row? "

Zhi taiqing said, " this place is the thousand mountains Prefecture. Your background is unknown. As an elder of the thousand mountains Prefecture, I naturally have to ask more.

let's wait for a while, " Yunxiao said. if you give me a good answer, I'll give you a chance to ask me. Otherwise, I'll be unhappy, and the consequences will be very serious.

Zhi taiqing trembled inexplicably and felt a chill. The other party's eyes seemed to penetrate his skin and bones, directly into his heart, and saw through everything.

This feeling made him feel as if he had fallen into an ice cave, and bean-sized cold sweat broke out on his forehead.

He wanted to shout and ask for help, but no matter what he did, he couldn't make a sound, as if his neck was being strangled.

An unprecedented fear spread in his heart, constantly destroying his faith and courage. He only felt that the person in front of him was like a god, and he could not fight against him no matter what. He could only bow his head and listen to his orders.

how is Jun ruyun now? " Yunxiao asked slowly. how is he? "

Zhi taiqing was shocked. His voice trembled. you ... You ... You ... You are really ... You are that ... You are that ... That Lord?!

Yunxiao's face darkened as he cried out in a cold voice, " "You're asking me, or I'm asking you!"

The low voice was like a war drum or a Thunder Bell. It hit Zhi taiqing's chest directly, and he could not help but spit out a mouthful of blood.

Zhi taiqing took three steps back, and his eyes were filled with horror.

Even if the other party was a divine transcendence, it was impossible for him to injure him with a Shout!

Yunxiao took a step forward, and his aura pressed down as he said, " "How is Jun ruyun now?"

Zhi taiqing didn't dare to act rashly anymore and hurriedly said, " "He's fine now. There's nothing wrong with him."

Yunxiao sneered and said, " Oh, really? You don't seem to get along with him. What did you mean when you were talking about the Imperial power succession in the heavenly passage under the courtyard?"

"Ah? You!"

what? " Zhi taiqing was shocked. What he was most worried about had happened. The other party had followed him all the way here and had seen everything that had happened.

Cold sweat dripped down his forehead like rain, and for a moment, hundreds of thoughts ran through his mind.

you can lie, or you can choose not to, " Yunxiao sneered. but my patience is very limited. I can only give you three breaths of time to consider."

...

"One,"

"I'll talk, I'll talk!"

Zhi taiqing's heart completely collapsed as soon as he pointed out the 'one'. Since the other party could follow him silently, killing him would be as easy as killing an ant.

Everything became insignificant compared to his life.

Zhi taiqing said, " the Emperor of the ancient martial Empire is about to pass away. There are two candidates to take over. One is the third Prince, Bai gange, and the other is the ninth Prince, Bai wuchen. They are fighting fiercely with each other. Not only did the two of them form cliques, but even the thousand mountains Prefecture was fighting over the inheritance of the throne. Jun ruyun's wife, Princess Xiaoyue, has always been on good terms with the ninth Prince, Bai wuchen. Jun ruyun would naturally stand on Bai wuchen's side."

Yunxiao frowned, seemingly a little displeased. As Mr. Yang had said, this secular change of imperial power was just a fleeting moment, and only martial arts would last forever.

Among his disciples, Jun ruyun had the highest talent and was the only one who had learned three of his sword techniques. But now, when he heard that he was not thinking about improving his martial arts and was spending his time on such a thing, his face immediately sank.

Zhi taiqing didn't know that. He thought that the other party was not satisfied with what he said, so he became nervous and said hurriedly, " "Right now, the two factions are basically evenly matched,"

why would the thousand mountains Prefecture interfere in such a worldly matter? " Yunxiao asked. Was it because of that so-called traveling the world of mortals? What is that thing?"

"This Yingluo."

Zhi taiqing hesitated for a moment, but when he saw Yunxiao's eyes, his heart trembled, and he said honestly, " "It's rumored to be a divine skill, but no one has been able to comprehend it for so many years."

...

divine skill?!

Oh? " Yunxiao's eyes lit up. who has the Taiyou mortal world now? "

As long as it was a divine skill, it would definitely have the ability to shake the world. It was very normal for these people's cultivation to be insufficient to comprehend it. With his knowledge and comprehension, there might be great hope.

"It's in the hands of the current Emperor," Zhi taiqing replied.

how can you let a secular Emperor hold such an important thing? " Yunxiao asked. "

Zhi taiqing said, " my Lord, you may not know this. The thousand mountains Prefecture was also separated from the ancient martial Kingdom's royal family. Although it is now above the royal family, most of them are from the Hundred Schools of Thought. On the other hand, the Taiyou mortal world was a Jade seal used to pass down the position, which was also the Imperial seal of succession. As a result, the thousand mountains Prefecture has always placed this item in the imperial family's possession and has made an agreement that no one other than the thousand mountains Prefecture's sect master is allowed to use their authority to touch this item."

I see, " Yunxiao said. next question. Where is the realm of no return? "

"The realm of no return?"

Zhi taiqing was stunned for a moment before he immediately replied,"I can't tell you the exact location of this place, but we have to go through the special teleportation array of the thousand mountains Prefecture." "My Lord, do you want to go to the land of no return?" he asked.

what? ” Yunxiao asked. can’t I go? ”

“Of course not.” Zhi taiqing shook his head repeatedly. Although the realm of no return isn’t as one-way as its name suggests, it’s still extremely dangerous. It’s as hot as fire inside, and you can easily lose your breath if you’re not careful.”

“You’ve been there?” Yunxiao asked.

Zhi taiqing nodded and said, ” The realm of no return seems to be a lost space. It’s now considered a training ground in the thousand mountains Prefecture.”

Yunxiao pondered for a while, not knowing if qu Hongyan and Luo yunshang were among them. If Gu Shanshan had lied to him, she would be dead.

Chapter 1782-hundred victories

“Last two questions, who is Mr. Yang? What does your thousand-mountain Prefecture have to do with the monster race? is it because the seal on five Cloud Mountain has loosened?” Yunxiao asked slowly.

Zhi taiqing’s body trembled, and cold sweat kept coming out of his forehead. He wiped it with his hand a few times, but it was still dripping with sweat.

This question clearly involved him, and even the core secret of thousand mountains Prefecture.

Zhi taiqing struggled in his heart for a long time before he exhaled heavily and sighed. “Since you want to know, then I’ll tell you. Master yang is actually Jun ruyun!”

“Uh, what?”

Yunxiao was dumbfounded.

Suddenly, an abnormal sense of danger spread from the bottom of his heart, and a power that could topple mountains and overturn the seas came from behind him, wanting to crush everything!

He suddenly realized that Zhi taiqing had deliberately said an unbelievable and shocking thing to distract him so that he could cooperate with the person behind him to attack with all his might.

Just as he was feeling the danger, Zhi taiqing suddenly made a move. He formed a seal with one hand in front of him and drew a long sword with his other hand. Then, he thrust it forward.

The sword was covered in runes, and the light was bright as it pointed straight at his heart. Countless cracks spread around the sword. It was Zhi taiqing's full-power Strike.

Whether or not he could survive would all depend on this attack. He was also going all out to gamble.

Although the sword momentum was terrifying, Yunxiao did not take it seriously. Instead, he felt that the force coming at him from behind was very dangerous.

He was no stranger to this power. It reeked of blood and he knew it was Mr. Yang without even looking.

However, he didn't know how and when he got out of the seal.

With no time to think, Yunxiao performed a Thunder incantation with one hand, and his entire body instantly turned into a green Thunderbolt. Nine layers of thunderstar rings condensed outside his body!

"BOOM!"

The power behind him struck the Thunder Star Ring, and countless Thunderbolts exploded in all directions.

Following that, the nine Star Rings broke apart one by one. However, the shattered lightning did not disappear. Instead, it continued to spread around his body and condensed into a Thunder World!

“BOOM!”

After the attack broke through the ring of stars, it finally fell on Yunxiao and shattered his body of Thunder.

A blood-red figure immediately appeared where Yunxiao had been standing. In a daze, his face could not be seen clearly, but he shouted, “Not good! Hurry up and run!”

After saying that, the blood-red figure was about to leave in a flash. Zhi taiqing was also shocked and turned to leave.

At this moment, within a radius of a thousand feet, they were in a hazy green Thunder World. A cold voice rang out as he laughed, “Can you leave?”

Two huge hands of green light condensed between heaven and earth and slapped toward the two of them.

At the same time, countless lightning snakes materialized around the two of them, coiling around them like ropes. The lightning flickered and frantically destroyed their defenses.

“No! Save me!”

Zhi taiqing roared in despair and kept struggling to escape. The lightning snakes were endless, and he could not break free no matter what. He could only watch helplessly as the palm fell on him. He could only wait for death.

“BOOM! BOOM!”

The power of the two palms suddenly slammed into the ground, causing endless lightning to spread in all directions.

But, Yunxiao was afraid that the aftermath would be too great, so he used the power of the Thunder World to bind the aftermath and immediately turned it into two pillars of lightning that shot up into the sky.

The blood-red figure dissipated with a single slap from the lightning palm, completely turning into nothingness.

Mr. Yang, who was in the cave, suddenly screamed. His mouth split into the size of a basin and he spat out blood like water.

Armor appeared on Zhi taiqing's body, but it only lasted for a moment before it suddenly shattered. He kept trembling and screaming under the palm, as if he was not willing to die.

A large amount of blood spurted out, and his body was torn apart inch by inch by the lightning. He howled in pain.

All of a sudden, the lightning that filled the sky disappeared. The clouds dispersed and the fog dispersed. In an instant, the world returned to its original state. Everything was clear and bright. The terrifying world of lightning just now was like an illusion.

Zhi taiqing stood on the ground with blood all over his body. Blood was spurting everywhere. He was badly injured.

He also felt like he was in a dream, but his near-death state told him that it was not a dream.

Yaozhe's figure appeared in front of him in an instant. He looked around with a gloomy expression, then looked at Zhi taiqing and said, "Are you alright?"

Zhi taiqing wanted to curse in his heart. 'I'm about to die, and you say I'm fine? However, he was still very grateful. If Yaozhe had arrived a little later, he would have been turned into ashes.

"Many, many thanks to Daren, for saving my life Qianqian"

After he finished speaking, he fell to the ground.

Yaozhe was about to help him up when he saw chaotic lights coming from all directions. They flew into the courtyard and were all people from the thousand mountains Manor.

When they saw Zhi taiqing lying on the ground, they were shocked and hurried to check.

An old man with fluttering white hair took out a Scarlet elixir and stuffed it into Zhi taiqing's mouth. Only then did Zhi taiqing slowly wake up. He opened his eyes and shouted, "Sect leader!"

The white-haired old man was the thousand mountains Prefecture's sect master, victorious hundred. He said with a dark expression, "What's going on?"

Zhi taiqing gave yaozhe a look, then slowly told him about Yunxiao's intrusion.

However, he did not mention Mr. Yang. He only said that they had a fight after he found Yunxiao following him, and he almost died. Fortunately, yaozhe came in time.

Everyone was shocked when they heard this, and they began to discuss.

Yaozhe stood at the side in silence, his eyes flashing with a strange light. No one knew what he was thinking.

are you sure it's Li Yunxiao, who claims to be the reincarnation of Gu Feiyang? " asked Bai Sheng in a serious voice. Are you sure? "

Zhi taiqing thought for a while and said, "it should be. I can't think of a second person besides him." And he seems to be very interested in the land of no return, so he should be thinking of a way to get in."

"Realm of no return, Xuanji."

Bai Sheng mumbled to himself. His expression changed several times before he finally fell silent.

...

there's only one entrance to the realm of no return," said an elder. as long as we wait for him, we can take him down!

The victors of a hundred battles glanced at him coldly and sneered, Elder Mao haokong, even if you guard the entrance, can you stop li Yunxiao? "

Mao haokong was stunned for a moment. He also snorted unhappily, " are we just going to let him do whatever he wants here? do he come and go as he wishes?!

Hundred victories looked at Yao Zhe and cupped his fists, " "What do you think, Lord Zhe?"

"This man has stolen the demon Emperor gold slip. Although he can't open it, it's an important matter for the demon race," Yao Zhe said. If the thousand mountains Prefecture has a way to stop him, I'm very willing to lend a hand."

great! Mao haokong clapped his hands in joy. with Lord Zhe's help and the strength of our thousand mountains Prefecture, that li Yunxiao will never be able to escape!

The victors had a hesitant look on their faces, as if they couldn't make up their minds.

"Does my Lord have any concerns?" the philosopher Yao asked.

indeed, " victorious hundred said frankly. if we really arrest li Yunxiao in thousand mountains Prefecture, I'm afraid everything within a thousand miles will be destroyed. I think it's best not to provoke him and ask him what he wants. As long as he doesn't go too far, I'll let him be."

Mao haokong's face was filled with anger as he said sternly, " "Great sect leader, if you do such a cowardly thing, you will definitely become a laughingstock in the world in the future!"

“Mao haokong, what kind of attitude is this when you talk to me?” the victors said coldly. I’m only thinking about the thousand mountains Prefecture’s interests. Do you know how many people will die if we start such a big battle in our own lair?”

...

“Isn’t it normal for people to die?” Mao haokong sneered. When did the sect leader become so timid? If sect leader is not willing to take action, then leave this matter to me!”

“Impudent!”

die! the victors of a hundred battles shouted coldly. A powerful aura burst out from his body, forcing Mao haokong’s expression to change.

Mao haokong laughed coldly, as if he did not dare to face the other party’s aggression, ” “I’ll report this matter to the Holy region. I’m afraid you won’t be able to make the decision then!”

I’m the master of the thousand mountains Prefecture, ” the victorious Bai said coldly. I’m in charge of the thousand mountains Prefecture’s Affairs at all times. When did the sanctuary have the right to speak? ”

“Y-you dare to slander the sanctuary?!” Mao haokong said in shock and anger.

“When did I slander the sanctuary?” the victors said disdainfully. Everyone here could hear it clearly. Moreover, the Holy region is only in charge of the five Cloud Mountain. What right does he have to interfere with the thousand mountains Prefecture?”

Yaozhe’s expression changed slightly, and a cold light shot out of his eyes as he snorted.

Hmph! Mao haokong snorted angrily. if that’s the case, then I can’t be bothered to worry about this. Sect leader, you can do what you want!

In his anger, he flicked his sleeves and left. Immediately, a few of his subordinates followed closely behind, and nearly half of the people left.

“Is Lord victorious hundred really not going to arrest that human?” asked the philosopher. You must know that he has the demon Emperor gold slip. If it was opened and the secret between you and me was revealed, hehe, I’m afraid it would be difficult for the thousand mountains Prefecture to establish itself in this world.”

Bai Zhansheng said, “ Lord Zhe, don’t try to trick me. It’s not that easy to open the Demon King Gold slip. If it was so, Lord Zhe would have been impatient. Why would you be standing here in peace? ”

Yao Zhe chuckled. no matter what, I’ll find li Yunxiao. He has a deep grudge with us demons.

“It’s up to you, my Lord, but I don’t want the thousand mountains Prefecture to be involved,” Bai Zhansheng said.

He ordered someone to support Zhi taiqing and turned into a stream of light.

Yaozhe snorted disdainfully and furrowed his brows. His face began to transform into a demon, revealing his nose and sniffing the air.

“Strange, could this smell be a Kasaya?”

He muttered to himself with a hesitant look on his face, and finally flew away.

Not long after, the thousand mountains Prefecture sent people to clean up the ruins in this area. They were all ordinary people.

Over the courtyard, a bolt of lightning descended and transformed into Yunxiao, who began to observe the courtyard carefully.

Then, he made a hand seal and set up a barrier around him to avoid alarming others.

Then, he put two fingers together and slashed out a sword Qi to cut the ground open. He raised his hand and tore the entire ground open.

He flew in instantly and soon arrived at the center of the grotto-heaven, above the formation.

His brows furrowed and his face instantly sank.

The formation had been broken, revealing the huge blood pool below. Mr. Yang was nowhere to be seen.

Chapter 1783

1783 Breaking the gold slip

Yunxiao scanned it with his divine sense, but he did not find any useful information, only the pungent smell of blood.

He muttered to himself for a while, then turned around and entered the divine realm tablet at the foot of Mount inch.

He directly found Yuan gaohan and took out the demon Emperor gold slip, saying, "Old Yuan, take a look at the restriction on it."

Yuan gaohan took the gold slip and stroked it with one hand. Immediately, three formations appeared and flickered in the air like shadows of the moon.

"This is a Kasaya, what an exquisite three-in-one formation!"

Yuan gaohan exclaimed and immediately scanned the formation light with his divine sense, his expression constantly changing.

“Not only are these three seals combined, they are also connected as if they are one. They are extremely profound and I’m afraid it will be very difficult to break them.”

“Even you don’t have a way?”

you are a ninth-tier Alchemist. When you understand that the better the key, the more unique it is, you can try it with Lord mu di.

When Yuan gaohan mentioned lingmu flute, his eyes suddenly lit up and his mood rose.

alright, ” Yunxiao said. I’ll ask him. He disappeared in the blink of an eye.

“Yingluo, your sister, take me with you!”

Yuan gaohan was stunned for a moment, and he hurriedly stomped his feet and shouted. His body also directly disappeared from Mount inch.

The two of them went to lingmu Di’s residence and handed over their intentions and the gold slip.

Lingmu di touched it lightly and saw a bright light. He asked doubtfully, “This gold slip belongs to the demon race?”

that’s right, ” Yunxiao said. Your Excellency is indeed A ***. He immediately explained the whole story.

“The demons were sealed in the five Cloud Mountain by our clansmen?” lingmu di asked in surprise. However, after a brief moment of shock, he regained his senses and stared at the gold slip in contemplation.

it’s been thousands of years, and everyone is the same, ” Yunxiao said. but I don’t understand why there was such a great conflict between the two races back then. He looked at Yuan gaohan, as if asking for an answer.

Yuan gaohan said, " I know a thing or two about this. Back then, Gu Qingqing, the palace Master of the divine firmament Palace, had a martial arts duel with demon Emperor Fei over something. In the end, demon Emperor Fei lost, but he stood up. Therefore, Gu Qingqing sealed the entire Demon King's lineage into the five Cloud Mountain in a rage. Gu Qingqing only sealed the bloodline of the former demon Emperor, and also sealed many other demon clans and races that were once prosperous."

"Break the appointment?" lingmu di was surprised. Was this record correct? Although the members of the demon clan are more brutal, they value honor more. There are very few who don't keep their word, let alone the Emperor of the demons."

Yuan gaohan shook his head. I don't know the details. Even if there are some deviations in the records, there must be a degree of authenticity.

Lingmu di nodded. that's true. It doesn't matter anymore. I'm just very surprised. This seal is one of the most powerful seals of the demon race. It's very difficult to open it unless you use the correct method."

Yuan gaohan's face revealed a look of disappointment. In his eyes, lingmu Di's image was incomparably lofty, and he had thought that he could learn a lot more.

it's difficult to open it, but it's not impossible, " Yunxiao said with a smile. right? "

"Yes, but the chances of failure are extremely high," lingmu di nodded.

if you can't open it, it's useless to keep it, " Yunxiao said. please give it a try, my Lord.

alright, " lingmu di said. since you've said so, I'll give it a try.

He held the gold slip in his hand and activated the three lunar seals. They continuously grew in size, and each formation was the size of a grinding disc. They flickered above the gold slip.

Lingmu di suddenly clenched his fist and threw a punch.

“BOOM!”

A gust of wind from the fist hit the three seals. The gold slip was hit and immediately exploded, turning into countless golden lights.

“Ah?”

Both Yunxiao and Yuan gaohan were dumbfounded. So the so-called method was to smash it with his fist? Now, it was smashed into pieces!

Both of them were extremely puzzled. Yunxiao was about to ask when the broken golden light suddenly flickered in the air like powder, slowly condensing into some strange symbols.

The symbols were like characters, but they were not. They were the characters of the demon race.

However, the two of them frowned. They could recognize quite a few demon clan characters, but they didn't know a single one of these.

Lingmu di, however, frowned and read it carefully.

The words became fainter and fainter from the front to the back. In the end, the golden light could not gather and scattered after tumbling in the air for a while.

it's a pity,” the lingmu di said. part of the content was still destroyed, and I can't restore the whole thing.

my Lord,” Yunxiao said in surprise. you can recognize those words? ”

“It looks like demon characters, but it's different. It should be a more obscure word in the demon race,” Yuan gaohan said, puzzled.

that's right, " Ling mudi said. it's the secret text of the demon royal family. I happen to know it.

His eyes flashed with reminiscence and a hint of decadence.

what are those demon characters describing? " Yunxiao asked. what are they talking about? "

the current demon Emperor has contacted the demon clan in the five Cloud Mountain, " Ling mudi said. they're going to work together from the inside and break the seal of the five Cloud Mountain.

"What?" Yuan gaohan was shocked.

Yunxiao was also quite shocked, but he only frowned slightly before he returned to normal.

"When will they make their move?" Yuan gaohan asked anxiously.

Lingmu di shook his head. it's a pity. Part of the content was destroyed, so we can't restore the whole thing. We only know this much.

Yuan gaohan's face was filled with worry as he said,"Could it be that the Saints didn't notice such a large movement? If I'm not mistaken, the sanctuary has an Intelligence Agency in the ancient martial Empire that is in charge of the five Cloud Mountain. They have also stationed many experts there in case of emergency."

it's simple, " Yunxiao said. all the defenses have been broken through by the demons. Since the gold slip was to be sent to the five Cloud Mountain, two things were certain. Firstly, the person guarding five Cloud Mountain is no longer reliable. Secondly, a crack has appeared in the seal of five Cloud Mountain."

"This matter is too important. We must immediately send a message back to the Holy region!" Yuan gaohan said cautiously.

you can go if you want, " Yunxiao said. I don't have the time to care about this.

...

"If the seal of the five Cloud Mountain is broken, it will cause another war between the two races and the world will fall into chaos. Don't you have any compassion?" Yuan gaohan said angrily.

it's not that I don't have compassion, " Yunxiao said. it's just that the current situation is complicated, and you can't judge anything just by a gold slip. Besides, I have important things to do, and I'm waiting to save someone!

"Hmph!" Yuan gaohan snorted angrily,"since you're not going, then I'll go!"

Yes, sir! Yunxiao stood with his hands behind his back and said.

"Hmph!"

"Let me and Chen Yuyu out!" Yuan gaohan said angrily.

With a wave of his hand, Yunxiao immediately teleported Chen juanyu and Yuan gaohan out of the divine realm tablet.

The two of them appeared around the blood pool. Chen Yuyu was still a little confused, but Yuan gaohan said, " "There's an urgent matter. Immediately follow me back to the Holy region."

Chen Yuyu didn't ask any more questions. The two of them immediately turned into a stream of light and flew away.

Lingmu Di's eyes flickered as he looked at Yunxiao and suddenly laughed. "Haha, you're still very worried about the demon race trying to break through the five Cloud Mountain."

Oh? " Yunxiao asked in surprise. why do you say so? "

...

Lingmu di chuckled and said, "if you really didn't care, you would've agreed to Yuan gaohan's request and sent the message back to the sacred zone." But you didn't, and instead let the two of them leave. Because this matter was of great importance, you were afraid that sending a message wouldn't be effective, so you had the two of them personally come."

Yunxiao smiled and said, "I'm sure everyone has noticed my little plan. The appearance of the monster race is indeed a major event. I don't want the chaotic situation in the realm of heavenly martial arts to change again, and it will be a huge change."

"What will come will come sooner or later," said lingmu di. "We can't stop it even if we want to. It might not be a bad thing if the monster race can come out of the mountains. At least, the monster race played a great role in resisting the demon master back then."

"Oh? There's actually such a thing?" It was the first time Yunxiao had heard of it.

of course, " lingmu di said. the demon master's goal is the entire realm of heavenly martial arts. Everyone has a responsibility. The whole world is United, and that's how the demon was successfully sealed. Before the demonic tribulation arrives, it's also fate that the demon race will reappear."

"Demonic tribulation?" my Lord, " Yunxiao said with a frown, " do you think the demon-sealing war from a hundred thousand years ago will happen again? "

"Who knows?" lingmu di said worriedly. But now, I feel very uneasy."

I hope it doesn't appear in the next few hundred years, " Yunxiao said. let me live a comfortable life.

"Haha, how can you decide the fate of the world?"

Lingmu di laughed. you're the owner of the heavenly Saint artifact, the divine monument of the realm. You've also received the inheritance of Lord Yan Shen. You've also cultivated demonic Arts and obtained the two rainbow stones. Are all these just coincidences? "

my Lord, " Yunxiao said with a frown, " do you mean that I have been guided by an invisible force from the beginning to the end, and I have connected these things that are related to each other again? "

"Of course," replied lingmu di."It's the will of the heavens."

"Tsk! True void!"

Yunxiao snorted disdainfully, then left the divine realm tablet and appeared around the blood pool.

However, his expression became grave. The further one pursued the heavenly Dao, the more one could sense those ethereal things.

Mu lingdi's words made him feel a little depressed. After thinking about what he had experienced over the years, there was indeed a faint arrangement of fate. Even the devil sealing seal was released by him, and now the devil Lord PU was directly related to him.

If all of this was a coincidence, it would be too much of a coincidence.

Moreover, he had always believed that there were no accidents in this world, and that everything that happened was meant to happen.

"Hmph, who cares? even if the sky falls, there's still a tall one to hold it up. The Holy region and the sea of soul formation are above all the other sects. If something happens, they should be the ones to stand up for it. "

Yunxiao muttered to himself, but he could not relax.

The sacred zone was like a leaking bucket. There were problems everywhere, and even the five Cloud Mountain could not be guarded.

Although he didn't know how the demon race had broken through the link, as long as there was no problem with the sanctuary's guard, it was impossible for the outside to send information in.

Moreover, he didn't know if this Mr. Yang was a human or a demon, but the cultivation technique he was using was definitely a demon race martial technique. It seemed that the thousand mountains Prefecture had a huge problem.

"I don't know how ruyun is now, and whether Hongyan has entered a realm of no return."

Yunxiao pondered for a moment, then immediately disappeared from the blood pool Grotto.

Chapter 1784

1784 The Azure demon clan

In front of an ancient-looking building in the thousand mountains Prefecture, the atmosphere was tense.

Mao haokong's face was gloomy. He was surrounded by more than a dozen martial artists, and his killing intent was intense.

The dozen or so cultivators were all extremely nervous, cold sweat dripping from their temples as they looked as if they were not afraid of death.

"This old master only wanted to visit elder taiqing, yet you dared to make things difficult for me. I'll count to three, if you don't make way, you'll all die." Mao haokong said coldly.

"Mao haokong, you are the Grand Elder of the thousand mountains Prefecture. How dare you disobey the order of the sect leader!" One of the men said angrily.

“Hmph, since you know I’m the great elder, you still dare to call me by my name so rudely. You deserve death!”

Mao haokong’s figure moved. That person was caught off guard. He was directly hit in the chest by a palm and died on the spot.

“He killed someone! Mao haokong, you really dared to kill a fellow disciple. You deserve to die!”

The surrounding people were all shocked and angry, and all of them rushed forward.

Killing intent flashed in Mao haokong’s eyes. He said coldly, ” “Since you all don’t want to live, then all of you can go die!” He continued to attack, and every move was a killing move. Several more people died on the spot.

The rest of the people immediately became timid and hurriedly retreated in all directions.

“Hmph, since we’re from the same bloodline, I’ll spare your lives for now. Get lost!”

Mao haokong shouted loudly. The aura on his body shook everyone away. He then strode into the house.

Those martial artists didn’t dare to attack again. Several people directly flew up and went to get help. He also left a few people outside to keep watch, not daring to enter.

Mao haokong entered the house and passed through the front hall. He saw Zhi taiqing lying in the house, seemingly asleep.

“Elder taiqing.”

He called out softly, and seeing that there was no response, he slowly walked up.

“Elder taiqing, are you asleep?”

Mao haokong called out again, but there was no response. His eyes flashed with killing intent.

“Who is it?”

Zhi taiqing suddenly sat up straight and was extremely alert.

Mao haokong’s hands trembled when he suddenly sat up, but he instantly returned to normal. He showed a concerned expression and said, ” “How is elder taiqing?”

“So, it’s great elder. I feel much better now,” Zhi taiqing said.

“It’s good that you’re feeling better,” Mao haokong nodded and said.

Zhi taiqing said, ” thank you for your concern, great elder. If there’s nothing else, great elder should go back and rest early. If you’re too tired, the thousand mountains Prefecture will be in chaos.

Mao haokong flicked his sleeves and snorted, ” “So what if I’m exhausted? this thousand mountains Prefecture is his victors in a hundred battles.”

Zhi taiqing hurriedly said, ” why do you say that, great elder? if it weren’t for the great elder’s hard work, the entire thousand mountains Prefecture wouldn’t be as prosperous as it is now. What has he done after winning a hundred battles? what credit can he have? ”

Mao haokong’s expression softened and he said, ” “You’re the one who knows right from wrong and is reasonable. I’m the Grand Elder, yet I still need the approval of those who have won a hundred battles to come and visit you. Who does he think he is?”

“H-how is this possible?” Zhi taiqing was shocked. That can’t be.”

“Hmph, why is it impossible? I was intercepted when I entered, and in my anger, I killed a few people before I entered.” Mao haokong said coldly.

Zhi tai said with clear eyes, “t-this Kasaya ...”

Mao haokong looked at him with a profound look and said, “ “With elder taiqing’s cultivation, it’s impossible that he didn’t notice it, right?”

“This bi an ...”

Zhi taiqing’s eyes flickered a few times. He quickly turned his head and said, “My injuries are too severe, and I was in a deep sleep just now. If the great elder hadn’t walked in front of me, I wouldn’t have woken up.”

“Then he’s really seriously injured,” Mao haokong said.

Zhi taiqing said, “ that’s right. I also want to recuperate quietly. Great elder, you should go back and rest early. Don’t tire yourself out. The entire thousand-mountain Prefecture still depends on you.

“If that’s the case, I won’t disturb you any further, so as not to delay elder taiqing’s treatment,” Mao haokong said.

He turned around and was about to leave when he suddenly stopped. He turned back and said, “ “By the way, there’s one more thing I’d like to ask elder taiqing. When the seal on the five Cloud Mountain cracked, did the demon who escaped from it die?”

Zhi taiqing’s face turned pale. He forced a smile and said, “ “Hehe, didn’t he die a long time ago?”

“Oh, really?”

Mao haokong turned around again, as if he did not want to leave. He walked directly to the bed and said, " I almost forgot. I've recently obtained some healing pills. I wonder if they'll be of any use. Let me take a look at elder taiqing's injuries.

He reached out to lift the blanket on Zhi taiqing's body.

"Pa!"

Zhi taiqing suddenly grabbed his arm and said, " although my injuries are heavy, they're no longer a problem. I'll be fine after a few days of rest. I won't waste first elder's Saint medicine.

Mao haokong's pupils shrank. He stared at Zhi taiqing's hand and said, " elder taiqing, you've recovered a lot of your strength. How did you manage to recover from such a serious injury in such a short time? "

Zhi taiqing smiled and said, " how else can I do it? I happened to get a Supreme cleansing pill back then. I took it just in time. It really has a magical effect.

Mao haokong replied with an "Oh" and said, " "So it's the Taishang qinqing pill, no wonder."

Zhi taiqing pushed his hand away and said, " "Great elder, are you not going back?"

Mao haokong said, " of course I'm going back. However, I'm feeling extremely depressed now. I didn't expect the victors of a hundred battles to treat me like this. No one will complain to me. I can have a long talk with elder taiqing while I'm on my knees. He reached out to grab the blanket again.

"I don't think that's a good idea. I'm not used to sleeping with others."

Zhi taiqing hurriedly tried to grab Mao haokong's hand, but the other party was already prepared. He turned into an afterimage in the air, grabbed the quilt, and pulled it away.

Suddenly, a ray of red light rushed up, like an extremely sharp blade.

“Pa!”

...

Mao haokong’s five fingers clenched, and the blade light was caught in his palm. His face suddenly laughed hideously and he said, “Elder taiqing, what’s the meaning of this?”

Moreover, his pupils contracted as he stared at the saber ray. It was as red as blood and extremely demonic.

Zhi taiqing’s face was pale. He jumped up from the bed and was about to escape.

“Elder taiqing, we haven’t even had a long talk yet,” Mao haokong sneered.

“BOOM!”

He threw a punch at Zhi taiqing. He was hit and sent flying out of the house. He kept vomiting blood.

He was already heavily injured, so how could he be a match for Mao haokong? his eyes were filled with fear as he said, “Great elder, great elder, what are you doing?”

“What are you doing? Elder taiqing was the one who attacked me first, right? Tsk, tsk, I came here with good intentions to deliver the medicine. It’s really disappointing.”

Mao haokong laughed hideously as he walked forward.

Zhi taiqing quickly regained his composure and said, “Great elder simply wants to know the whereabouts of that monster race cultivator. If you kill me, you’ll never be able to find out,”

Mao haokong instantly rushed forward and grabbed Zhi taiqing. He said coldly, “You really do know and even learned that demon race cultivation technique! Quickly tell me where that demon is!”

...

"Can I still live after I tell you?" Zhi taiqing stared at him and said coldly.

Mao haokong sneered. you're not stupid. Of course you can't live, but you can die a happy death!

kill me then! Zhi taiqing's expression changed drastically. don't expect me to tell you anything!

"You want to die? It won't be that easy!"

Mao haokong's five fingers dug into his shoulder blade. He grabbed him and disappeared from the spot.

Soon, he brought him to the inner part of a mountain range. He found a random place and threw him to the ground. Then, he struck out several sword Qi and pierced them into Zhi taiqing's limbs and bones, as well as all of his acupoints.

It made him roll on the ground and curse continuously.

I've been loyal to you for so many years. In the end, I won't have a good ending. You won't have a good ending either!

"Hmph, loyal? What's with the grey demon clan?"

Mao haokong stepped on his face and said through gritted teeth, "You dared to hide the grey Demon tribe behind my back and still dare to say you're loyal? Do you know that you can't escape the blame even if you die ten thousand times!"

"PAH!"

Zhi taiqing spat out a mouthful of mud and cursed, " "Who's willing to be a dog for life? I also hope that one day I can step on you like a dog!"

"Haha, that can only be the next life!"

Mao haokong stomped on Zhi taiqing's head and smashed it into the ground. He even gave it a few hard stomps and shouted, " "Where are the people of the grey demon clan? Hurry up and tell me, hurry up and tell me!"

Zhi taiqing gritted his teeth. He had already made up his mind that he would not say anything even if he died.

His eyes grew blurrier and blurrier, but suddenly, his pupils constricted. He saw a young man standing not far away. It was Yunxiao, who was standing there quietly, and he had no idea when he had arrived.

Just by standing there, it was as if he had merged with the earth and mountains. He and Mao haokong did not notice it at all.

He suddenly felt like laughing, and he couldn't help but chuckle a few times."Hahaha."

Seeing him laugh, Mao haokong became even angrier. He lifted his foot and stomped down hard. After the stomp, he immediately became alert. He quickly turned around and shouted, " "Who is it?"

it's alright, " Yunxiao said. just pretend I don't exist. Continue.

Mao haokong was shocked. He took a few steps back and said, " "You, are you a human or a ghost?"

To be able to appear in front of him so quietly, all of them were peerless experts, but the person in front of him was too young, so he thought he had seen a ghost.

All of a sudden, a flash of inspiration appeared in his mind, and he immediately understood who the person in front of him was. He cried out in alarm, "Li Yunxiao!" He didn't say anything and turned into a ray of light to escape.

"This old man is quite smart."

Yunxiao grinned hideously and ignored him. Instead, he walked toward Zhi taiqing.

stop him! Zhi taiqing was anxious. we can't let him go!

I have nothing to do with The Grudge between you two, " Yunxiao said. I have nothing to do with it.

Zhi taiqing was taken aback for a moment, but then he thought that it made sense, so he kept silent and looked at Yunxiao. "So young master Yun is here for me?"

Yunxiao nodded.

"Why are you looking for me?" Zhi taiqing asked. Could it be for the sake of the grey demon clan? As long as you kill Mao haokong for me, I will tell you the whereabouts of the pale Demon!"

Yunxiao shook his head and said, " no, that's too much trouble. I've already decided to search your soul directly. Don't worry, it'll be quick. Don't be afraid of the pain.

Chapter 1785

1785 The ancient martial Empire

"Your, Your Excellency, please don't!"

Zhi taiqing was horrified. When he saw Yunxiao reach out his hand, he suddenly turned into a stream of light and fled.

However, how could he escape? he was directly frozen in the air by a force, and his four limbs could not move at all.

Yunxiao's divine sense instantly broke through his spiritual ocean and began to search without restraint.

Zhi taiqing's life began to appear one by one under his divine sense.

Suddenly, a strange power appeared. It was gray like a sea of blood, and it started to corrode his consciousness.

Yunxiao's face flickered, and he hurriedly withdrew his divine sense. But, the force did not let go and continued to chase after him.

He snorted coldly and raised his hand to point. A sword Qi shot from his finger into Zhi taiqing's brain, causing blood to spurt out.

Then, he clenched his fingers, and a red light shot out. When it landed in his hand, it was a small piece of Scarlet flesh!

The meat tendrils seemed to have a life of their own as they throbbed in his palm.

Yunxiao stared at it for a while. Suddenly, a terrifying aura came out of the meat tendril, and it exploded into a cloud of blood mist with a bang.

A shadow was rolling in the blood mist. It was Mr. Yang in the blood pool in his demon form, staring at Yunxiao with killing intent.

you're from the gray demon clan?" Yunxiao asked. are you from the gray demon clan?"

The shadow snorted coldly and began to fade, its eyes fixed on Yunxiao until it disappeared.

he condensed a wisp of divine sense into a physical breath and implanted it into Zhi taiqing's mind. This is not a simple technique.

Yunxiao's eyes flickered with worry. At this moment, Zhi taiqing was dead, and the memory search had been forcibly cut off by the flesh bud, but he still got some vague information.

In a flash, he left the thousand-mountain Prefecture.

An hour later, he appeared in the sky above the capital of the ancient martial Empire.

The entire capital was boundless. In terms of scale, it was not inferior to Red Moon City. A huge city like Xinyan city was just filled with ordinary people and not many martial artists.

He suddenly frowned. Just a few streets away from the Imperial Palace, a group of people were dragging a young girl. The young girl was crying like a Pear Blossom bathed in rain. The surrounding people looked on in horror, and no one dared to make a sound.

This kind of snatching of women was not rare, and it could not shake his heart. However, his heart inexplicably moved, and he teleported down and appeared in front of those people.

haha, don't cry. After master Bao has played it, if he doesn't like it, we brothers will be lucky. Haha!

The man in the lead laughed unscrupulously, and the other people also laughed in an extremely lecherous way. Some of them even began to move their hands and feet, causing the girl to tremble in fear and tears to flow.

"Pa!"

The leader of the group slapped the clumsy martial artist in the face and shouted, "Be honest! Master leopard hasn't used it yet. Do you want to die?"

The man was so scared that he retracted his hand.

"Don't be impatient, everyone. If master Bao is unhappy, we brothers will enjoy it," the leader said.

"Hehehe!"

The group of people laughed hideously. They were surrounded by fearful gazes. Not only did they not dare to move forward, but they also cowered and retreated.

Suddenly, the lecherous laughter stopped, as if time had stopped. All the sounds disappeared, and even the girl's crying stopped.

All of them stared at Yunxiao, who was standing in front of them, in shock.

"Brat, are you looking for death!"

The man in the lead was furious. He took two steps forward and raised his head with a fierce look, shouting, "Where did this little rascal come from? get lost!"

Yunxiao's expression remained unchanged. He could not be angry with such a small fry, so he just said indifferently, "Let her go."

"Let her go? Hahaha, what a joke! Do you know who we are? Are you new here?"

The few men laughed and looked at Yunxiao coldly as if they were looking at a dead man.

boss, why are you talking nonsense with him? just beat him to death. There's actually someone who doesn't have eyes and dares to meddle in our business these days! The other few people also clamored loudly.

The leader looked at Yunxiao with an angry expression and said, "Did you all hear that? my brothers have already spoken. Consider it your bad luck, or are you just too stupid? Die!"

He gave a loud cry and threw a punch at Yunxiao's head.

"Pa!"

Yunxiao raised his hand and gently grabbed the man's fist. Then, a bone-cracking sound was heard, and the fist, which was as big as a casserole pot, was crushed into minced meat.

"Ah!"

ah! a heart-wrenching scream pierced through the sky. The leader was in so much pain that tears fell from his eyes.

The other people were stunned for a moment, but they reacted in an instant. They shouted angrily and rushed into the sky. Light flashed in their hands, and they took out their profound weapons and slashed over.

These were all martial artists with a certain level of strength.

However, it was useless.

Before they could even get three feet away from Yunxiao, they were shaken off by the aura and killed on the spot.

"Ah?"

This time, everyone was dumbfounded, knowing that they had encountered an expert.

The leader was so scared that he forgot the pain. He was sweating like rain and said in a trembling voice, "Y-Your Excellency, we were blind. Please forgive us and spare our lives."

The other man also trembled. you can't kill us. We're master leopard's subordinates. Everyone has to give master leopard some face. Otherwise, you won't be able to survive in the Empire.

"Don't, don't kill them!"

The young girl also cried out in fear, her face pale. Looking at the dead people on the ground, she was so scared that she forgot to cry and trembled in fear.

...

Yunxiao frowned as well, somewhat regretting his meddling. Even if he killed these scoundrels, as long as he left, this little girl would most likely suffer even more, unless he got rid of all the forces behind these scoundrels, but that would be too troublesome.

"Young man, you're in big trouble. You'd better hurry up and leave."

A kind reminder came from the crowd.

At that moment, a couple ran out from behind. They were the girl's parents, and they knelt in front of Yunxiao, crying and kowtowing as they said, " "Sir, you can't kill them. Let them go, or our entire family will be dead."

who is master Bao? " Yunxiao was a little annoyed. who is master Bao? "

The leader of the men was stunned for a moment, and then he smiled apologetically, " "My Lord, you're not joking, right? You don't even know master Bao?"

With a slap, Yunxiao shattered all his teeth and sent them into his stomach. "Any more nonsense and you'll die!"

The man was in so much pain that he broke out in a cold sweat, but he became well-behaved and swallowed the blood in his mouth. master leopard is the head butler of the ninth Prince, Bai wuchen.

He felt extremely aggrieved. He never thought that someone would look down on master Bao.

“Bai wuchen?”

Yunxiao’s heart jolted. He remembered what Zhi taiqing had said, that Bai wuchen was the Prince supported by Jun ruyun. He was immediately displeased, and he said coldly, “Take me to Bai wuchen.”

...

“Ah? Ah!”

The man was stunned, and then he opened his mouth in surprise and said bitterly, “Your Excellency, you must be joking. I’m already very lucky to be able to see master leopard. How can I see the ninth Prince?”

Yunxiao knew that he was telling the truth, so he said, “Take me to see your master leopard.”

“Yes, yes, yes!”

The man hurriedly nodded, his heart filled with joy. He lowered his head with a sinister expression.

Master leopard has many experts around him. If you go there rashly, you’ll be courting death. When the time comes, you’ll have to pay back this humiliation a thousand times over.

He even turned his head slightly to glance at the young girl and the couple. His eyes were also filled with killing intent. It was all because of this little girl that so many of his brothers had died. He definitely couldn’t let her off.

Yunxiao’s face was still expressionless as he said indifferently, “Let’s go,” he said.

The group of people immediately flew into the distance, with the man leading the way and Yunxiao following behind.

A few of the survivors carried the dead bodies, and more people followed from a distance. Even the young girl and the couple followed behind, not daring to escape.

An hour later, the group of people arrived in front of a restaurant in a grandiose manner. The word 'Chen' was written in a flamboyant manner on top of the restaurant.

Inside, there was laughter and singing, and the fragrance of the wine flags drifted in the air. Everyone stopped in the distance, not daring to follow.

The guards in front of the restaurant were all arrogant and shouted from afar, " "Stop!"

The man who led the way immediately didn't dare to move. He shouted from a distance of more than ten Zhang, "Brothers, I'm master Bao's subordinate. I have something important to see master Bao."

"See master leopard?"

The guard looked at the scene. All of them were heavily injured and were even carrying a few dead bodies. He said angrily, "Get lost, don't mess around, don't court death!"

The man was so anxious that he knelt down on the spot and wailed, " I'm really master Bao's subordinate. This brat has seriously injured us. I hope that all of you can help us seek justice!

"Big Brothers, help us seek justice!" The rest of the people also knelt down and cried in grief.

"These kids are really master Bao's men. I know them."

One of the guards seemed to have recognized them and said in surprise.

“What? There’s someone who dares to hit master Bao’s men?”

The rest of the guards were shocked. They could not help but look at Yunxiao and said vigilantly, “Little brat, what’s going on? do you know that you’ve caused a huge disaster?”

“Where is master Bao?” Yunxiao asked.

One of the guards raised his thumb and pointed behind him, “Master leopard is upstairs right now. Not only is he here, but the ninth Prince is also here. It’s just that you won’t be able to see him.”

Yunxiao nodded and walked into the restaurant.

Suddenly, a few screams rang out, and the few evildoers were all beheaded, dead.

The guards were taken aback, but then they suddenly found that Yunxiao had disappeared.

Above the restaurant, the spring light was thick, and the dancing sleeves shuttled back and forth, revealing a decadent intent.

A man with a Jade-like face was leisurely drinking wine. He was holding a beauty in his arms, looking very pleased. All kinds of laughter rang out in all directions.

A sudden shout pierced through the entire environment, and all the sounds stopped abruptly!

“Who is it?”

Two guards immediately appeared in front of the man, one on his left and one on his right, staring at Yunxiao vigilantly and in shock. He was standing in the middle of all the dancers. There was no such person before, as he had just appeared out of thin air.

The dancers also noticed something strange. In a panic, they immediately retreated to the sides, leaving Yunxiao standing alone in the middle, with all eyes on him.

Chapter 1786-Restaurant Storm

“Who are you?”

The ninth Prince, Bai wuchen, looked to be in his thirties, and he stared at Yunxiao calmly as he asked.

He only had the strength of a Martial Emperor, and although he could not see through Yunxiao, he could sense that the man was extraordinary, which piqued his interest.

you are Bai wuchen? ” Yunxiao asked. are you Bai wuchen? ”

“Rude!”

The two guards in front of Bai wuchen cried out in unison. The murderous aura from their bodies spread out like an erupting volcano, rushing out directly, trying to give Yunxiao a blow.

Both of them were six-stars martial emperors, so they could sense Yunxiao’s abnormality better than Bai wuchen. But, they only felt that it was unusual and did not worry too much.

After all, in the ancient martial Empire, two six-star martial emperors were enough to solve most of the problems.

The pressure from the two men swirled a few feet away from Yunxiao, causing the colorful feathers of the dancers in the distance to flutter and make them scream in fear.

“What?”

The two of them were shocked at the same time. They couldn’t believe what they saw.

The two of them looked at each other, and a hint of coldness flashed in their eyes. They wanted to test the waters again.

“Stop!”

Bai wuchen immediately stopped. His eyes were shining as he said loudly, “Come, give this friend a seat!”

Only then did the two six-star martial sovereigns completely withdraw their auras and retreat to the sides. They knew what the ninth Prince was thinking. He must have a love for talent, and he wanted to take this man under his command.

no need,” Yunxiao said. is Jun ruyun here?” Tell him to come out and see me.”

The place fell silent again. This time, everyone’s mouth was wide open. Even Bai wuchen was stunned for a while before he said, “You know Prince ru Yun?”

Yunxiao did not answer, but said, “I know he’s not here. Inform him to come see me now.”

At this moment, a few cultivators sneaked up and whispered in the ear of a man with a full beard.

The bearded man’s eyes instantly turned fierce. He suddenly slammed the table and shouted, “Brat, you killed my men!”

Yunxiao glanced over and said, “You’re the master Bao they’re talking about?”

“It’s me!” The bearded man replied. I’m the ninth Prince’s head butler, in charge of Tao Wu.”

“BOOM!”

Before he could finish, a hole appeared on his forehead, and blood gushed out.

His eyes were filled with disbelief and fear, which then turned into despair. The bloody hole had appeared too suddenly, without any warning.

He was also an eight-stars martial Supreme, but he had died so inexplicably and without any warning.

“Ah?”

The people present were all shocked and scattered.

Everyone knew that Yunxiao had done it, because he was raising his hand with one finger pointing out.

However, no one saw him make a move. Even the two six-star Martial Emperor experts trembled in fear and quickly stood in front of Bai wuchen to protect him.

The martial artists who had come to report were even more dumbfounded. They stood there, their minds blank.

Bai wuchen’s face also turned pale, and he lost his calmness instantly. However, he still had the demeanor of an Emperor. He gritted his teeth and said angrily, ” “Who the hell are you? Why did you kill me with just a word?”

no! Yunxiao retracted his hand and said, ” those who kill will always be killed.

“What do you mean?” Bai wuchen asked.

Yunxiao looked at him coldly and said, ” “Don’t you understand what I mean?”

Bai wuchen’s heart was burning with anger. However, he knew how terrifying the person in front of him was. Moreover, his two mid-stage Martial Emperor guards also looked as if they were facing a great enemy. He knew that these two guards were not confident that they could stop the other party.

“Even if master Bao has offended you, you don’t have to kill him, right? As the saying goes,”even if you hit a dog, you still have to look at its master.” Your Excellency really doesn’t put this King in his eyes.”

Yunxiao had a strange look on his face as he said, ” “I’ve never taken you seriously, Who Do You Think You Are?”

“You coward!”

Bai wuchen was furious. He slammed the table and stood up.

His face was constantly filled with anger, rolling like clouds. This was also some kind of secret martial skill, and it was obvious that he couldn’t suppress his inner emotions.

As a superior, there were not many people who dared to speak to him in such a way since he was young.

Even the elders of the thousand mountains Prefecture would not insult and slander him like this.

However, he quickly suppressed his anger, because the current situation was extremely unusual.

This was because if it was any other day, the Martial Emperor powerhouses around him would have already charged forward to kill him. However, at this moment, they did not move at all. No one dared to take a step forward. Even the two six-star Martial Emperor powerhouses did not make any moves.

And when he glanced over, he was shocked to find that the two of them were sweating cold sweat on their foreheads, as if they were extremely frightened.

Bai wuchen’s mind turned like lightning. He immediately understood that the person in front of him was much more terrifying than he had expected. It was very likely that he was an outstanding disciple from a big sect. Even he could not hope to reach such a figure.

He was shocked. He didn't know where this person came from, and he seemed to have a grudge against him. But on second thought, if he could recruit this person under his command, then he would have another bargaining chip against Bai gan GE. Especially if he could rope in the great power behind him, he might be able to influence the decision of the thousand mountains Prefecture, which would be greatly beneficial to him.

Although the princes were fighting openly and covertly, the one who really played a decisive role was still the thousand mountains Prefecture.

"My friend, I was too impulsive. Come, quickly give us a seat!"

After thinking it through, he immediately changed his attitude and said, "Friend, since you've killed me, I believe that I must have a reason to die."

His words chilled the hearts of the Warriors who were working for him, but in order to make friends with Yunxiao, Bai wuchen could not care less.

not bad," Yunxiao said. you're quite a quick thinker. You're quite a character. He roughly explained the matter and said, "Since this guy is already dead, I won't argue with you. I hope you can let the woman downstairs go and don't look for trouble."

...

"I will, I will!"

Bai wuchen patted his chest and said firmly, "don't worry, my friend. As long as I'm still in the ancient martial Kingdom, no one will dare to harass that girl. I didn't expect master leopard to do such an evil thing. Thanks to you, my friend, not only did you punish the wicked, but you also saved my reputation. Otherwise, I would be scolded by all the people in the city if I let him continue to do this. It's good that he died!"

He immediately clapped his hands and praised.

The surrounding people felt a chill in their hearts. Who didn't know what master leopard had done? moreover, Bai wuchen was the one who had snatched those beauties to recruit talents and give them to various forces for their own use. The instigator behind this was most likely Bai wuchen.

Now that she had died for him, it was really disappointing that she was being called a good death.

However, it was one thing to be disappointed, but it was another thing to be in reality. Everyone followed suit and clapped their hands, cheering, "it's good that you're dead, black sheep! "This fellow is so bad, he should have been killed long ago!"

All of them were filled with righteous indignation and looked righteous. It was the complete opposite of the way he was just now, indulging in wine and women.

The dancers were all dumbfounded, as if they didn't recognize these people.

At this time, someone had already brought a chair over and placed it next to Yunxiao. Bai wuchen said, "May I know your name and where you came from?"

you don't need to know," Yunxiao said. inform Jun ruyun immediately and ask him to come here.

His words were very calm, but there was an unquestionable and irresistible power in them.

...

Bai wuchen was not used to this. His emotions and elemental energy were fluctuating, but he had to suppress it. He said patiently, "Friend, you know Prince Consort ru Yun?"

Yunxiao frowned and said with a faint chill, "Why are you so long-winded? I've just praised you and you're already starting to be stupid? You've already worn out my patience."

Just as his face turned cold, the temperature in the entire arena dropped abruptly. Everyone was shivering from the cold. Even the two six-star martial sovereigns felt as if they had fallen into an ice cave. They were even more terrified and frightened.

They had already overestimated the other party, but it seemed that it was still far beyond their imagination.

Suddenly, Yunxiao's face flickered, and his eyes burst with a bright light. He looked up, and his gaze pierced through the roof and into the boundless sky.

"Tell Jun ruyun that I'll be looking for him soon!"

With a flash of green light, Yunxiao's figure disappeared from the restaurant, leaving only his words floating in the air and echoing in everyone's ears.

Bai wuchen was stunned. he left? he left? " he asked.

The people around them looked at each other and did not see clearly. They only felt that there seemed to be a flash of green light, but they did not know if it was an illusion or a mistake.

Everyone's eyes were fixed on the two six-stars Martial Emperor powerhouses.

One of them exhaled heavily, as if relieved of a heavy burden. He wiped the sweat from his forehead and said, " "Let's go,"

"Hu!"

One after another, gasps of relief could be heard, all of them filled with fear.

"My Lords, what was the strength of that person just now?" Bai wuchen asked.

The two six-star martial sovereigns looked at each other, and their faces blushed slightly. One of them said bitterly, " we don't know either. Just by standing there and not releasing his aura, he gave off a strong sense of oppression, as if he was facing an endless abyss or an endless sea. It was daunting!

"How could this be?" Bai wuchen was shocked. The two of them were six-star martial emperors! Could it be that the person is already an advanced seven-star martial sovereign?"

The other person shook his head and said, " even an eight-stars Martial Emperor wouldn't be able to give us such a terrifying pressure, let alone a seven-stars Martial Emperor. If I'm not wrong, this person must be Wu Yi, a nine-stars Martial Emperor!

nine-stars Martial Emperor!

"?!"

All sorts of gasps could be heard, and everyone was shocked.

Many people's expressions changed as they recalled the scene just now. They were actually confronting a nine-stars martial sovereign. They could not help but tremble with fear.

Bai wuchen was also frightened. He knew very well what a nine-stars Martial Emperor meant. It was not a power that the ancient martial Empire could match.

"Send a large number of soldiers to protect the little girl that the man just spoke of. The rest of you, follow me to Princess Consort ruyun's residence immediately!"

Chapter 1787

1787 Old enmity

After Yunxiao rushed out of the restaurant, he instantly flew up thousands of miles into the sky, his eyes bloodshot as he stared into the distance.

A lone figure stopped in the distance. The corners of his mouth rose slightly, revealing a cold smile and ridicule. He turned around and left.

since you're already here, you still want to leave?!

Yunxiao's face was almost twisted, and his heart, which had always been calm, was now like a raging volcano erupting and burning.

The divine fire formed the shape of a Phoenix behind him, and golden light shot out from the flames. Demonic patterns instantly covered his entire body, and the red slash sword of death landed in his hand. Boundless sword intent surged in the sky.

"Go to hell!"

Countless demonic runes and sword runes flew up from the sword death's Red slash. With a roar, Yunxiao streaked across the sky like a meteor, and a stream of sword energy, like a long tail of a meteor, came slashing down!

"Eh?"

The figure stopped in his tracks and seemed to be a little surprised. He turned around, raised his hand, and grabbed at the air. "Sharp light."

A ray of golden light fell and turned into a spear in his hand. It emitted an extremely hot light, like the scorching sun in the sky. Countless runes rolled on the spear.

"Golden spear flowing shadow!"

The man shouted, grabbed the spear with one hand, and swept it across.

A golden light cut through the flame, and Yunxiao's figure suddenly appeared. His face was filled with ferocity, and his eyes were as red as fire as he slashed down with his sword!

“Die, tiansi!”

“Bang!”

The two weapons collided, and a terrifying force spread in all directions, impacting their bodies. In an instant, a crack appeared in the sky, as if a natural chasm lay between the two!

Tian Si's entire body was sent flying several thousand Zhang away before he was able to dispel the impact of the sword Qi.

hehe, an ant-like existence in the past now has the strength to fight me? ”

“Let's settle all the old grudges today!”

After Yunxiao swung the sword, he vented all his anger and immediately regained his senses.

Even though he did not know why Tian si would appear here, he knew that it would definitely be extremely difficult to kill him.

He pointed with his right hand and the 36 Northern heaven cold star swords flew out, forming the million sword illustration and falling from the sky.

The endless sword essence was like a cold light that rushed to the ninth heaven, turning into thirty-six lone peaks and freezing the entire sky.

Tian Si was instantly devoured by the sea of sword Qi. Her entire body, along with the dagger-axe, was ground up by the countless sword lights, and she was instantly reduced to countless golden specks.

“Hmph, an illusion? Don't forget that I also have the Eye of the Moon pupil, and that's not all.”

Yunxiao performed an incantation gesture with one hand, and his left and right eyes immediately showed different colors. The left eye was as red as blood, like a primordial beast, while the right eye was as black as ink, with a golden color around the pupil.

Within the sea of sword Qi, Tian Si's figure gradually appeared, and he revealed a shocked expression, "Your pupillary abilities, Kasaya"

"Die!"

Yunxiao was too lazy to talk nonsense. He raised his hand and thrust his sword into the million sword illustration, his killing intent overflowing!

"Bang!"

Tian si did not dare to be careless anymore. He grabbed the sharp light of the spear with both hands, and countless Maha ancient characters danced on it. the God welcomes the three lights, the selfless is boundless!

The two forces collided again, creating a huge cross-shaped star light that tore the world apart!

The ancient Maha character on the dagger-ax turned into countless golden lights, and the sea of sword Qi dissipated under the golden light.

However, demonic patterns continued to surge up from the sword death's Red slash, intertwining with the Golden Rule force. They were actually on par!

"Haha, so strong! Only then will it meet my requirements!"

Tian si laughed maniacally, his handsome face filled with arrogance.

Yunxiao's heart was bleeding as he looked at the familiar face but the extremely strange expression.

“Match your sister! It’s in line with your eighteen generations of ancestors!”

He suddenly summoned his transcendence golden body, formed a seal with his right hand, and slapped it on the body of the sword. The Fiend ice Heart Flame turned into a White Lotus and rose from the sword, and a terrifying power spread.

At the same time, the four arms behind him formed hand seals. With a ferocious and angry look on his face, he slapped down with his four palms at the same time, and the wind and clouds in the sky surged!

The fearsome energies intertwined with one another, pressing down on Tian si at the same time.

“What a chaotic power. You’ve learned too much.”

A strange look appeared in Tian Si’s eyes, but she did not panic. Instead, a cold smile appeared on her face as an ice crystal-like blue light flickered between her brows.

His eyes suddenly became strange. It was as if the stars and clouds were moving in them. At a glance, he could see the infinite stars in the universe and the vast land!

The power of the ice fiend Heart Flame and the wind and cloud of the four palms actually began to dissipate under this strange light. It was as if they had experienced the vicissitudes of life.

Yunxiao was horrified, and even he could not help but tremble, as if he had been frightened by the other party’s vision. He quickly thought of something and bit the tip of his tongue to wake up.

However, Tian si had already charged out of the range of the ice fiend Heart Flame’s attack. He flew several thousand feet away, a cold smile on his face as he retreated continuously.

Suddenly, his smile froze, because the surrounding environment was fading away, turning into a vast white.

A blazing sun slowly rose in the sky, shining down on the earth.

The blazing sun was extremely strange. It was actually a huge eye that had opened.

The entire world was under his gaze!

“I peeked at the birds outside the bamboo, the water outside the tree, and the clouds outside the peak. Did I do it intentionally or unintentionally?”

“Birds come to spy on people, the moon peeks at wine, and the snow peeks at books, but they see that he is heartless.”

...

An ethereal voice reverberated between the heavens and earth. Under the gaze of that pair of eyes, Tian Si's body began to stiffen, and his Yuan power gradually dissipated.

He raised his head, and his eyes were as red as blood. He stared at the sun and said, “Divine skill, heavenly deficiency?”

Yunxiao's heart jolted. This was the first time he had heard the name 'Tian que', so he secretly memorized it.

Tian Si's two stiff arms moved and formed a seal in front of him. His eyes were burning like fire, and golden runes flickered within the flames.

“Tian Zhu!”

These two words came out of his thin lips, and a huge golden light appeared. It was like a sun and a wheel, dancing in the sky and instantly cutting the entire world in half.

The illusionary space shattered in an instant. A ball of blood-red light burst out of the eye in the sky. The eye closed, and the world became dark.

Yunxiao felt a sharp pain in his eyes, as if they were burning, and a stream of blood tears flowed down his face!

But his eyes remained open, allowing the pain to burn in his eyes and blood to flow.

As Tian Si's attack succeeded, the sharp light of his spear danced out, transforming into thousands of figures that slashed out from all directions.

"Nine Dragons sword, thousands of bodies!"

...

This was Murong Zhu's ultimate skill. It was as if there were several golden dragons shuttling through the countless figures, penetrating the heavens and earth!

Yunxiao performed a sword incantation with one hand, and the million sword illustration emerged around him. Countless sword runes flew up and turned into swords that rained down on the surroundings.

The sky was filled with a storm, and the two people could not be seen clearly.

Amidst the chaotic power, countless Golden Shadows of Spears condensed hundreds of feet in front of Yunxiao, turning into Tian Si's shadow and slashing at him with the spear.

"Bang!"

Yunxiao raised the sword in front of him, and the scorching golden light burst out in all directions, making the two of them feel like they were in the middle of a blazing sun.

"What a strong physical body! He's only one step away from the great completion! Tsk, tsk, you really make people drool!"

Tian Si's eyes were filled with strange symbols of magatama as he stared at the three-colored light that emerged from Yunxiao's body and praised him.

"Since you drool over it, I shall grant you the honor of dying under this body!"

The demonic power of the sword death's Red slash increased a bit more, and the golden light was swept away.

A fearsome force gushed out unceasingly, slamming into the bodies of the two. A series of gray cracks appeared around Tian Si's body, devouring the aftershocks of the impact, but he was completely unharmed.

Yunxiao frowned as he opened the primordial heavenly eye on his forehead, and a beam of green light suddenly shot out. It was a purple Thunder Dragon as thick as a finger!

"?! The world-destroying sacred Thunder?"

Tian Si was also given a fright, and his expression changed drastically. Not daring to be the slightest bit slow, he narrowed his eyes, and a Crimson light immediately flashed past, directly reflecting the purple lightning into his eyes and imprisoning it!

Yunxiao's face flickered. His opponent's eye technique and spatial divine ability were far above his.

With his transcendence golden body, the four arms behind him quickly made hand seals, bringing with them a flash of lightning as he formed seals in the air.

One of his arms suddenly raised the heavenly hammer and smashed it down. With a boom, countless Thunderbolts exploded like green fireworks, brilliant and gorgeous.

The purple dragon that was trapped in Tian Si's eyes also exploded!

“Bang!”

A stream of blood shot out from his right eye, followed by a scream.

Tian Si's figure suddenly flew back, one hand covering his right eye, which was dripping with blood, while the other hand held onto his dagger-axe, entering a defensive state.

Yunxiao took advantage of the momentum and rushed forward, the sword energy in his hand getting faster and faster, cutting Tian Si until he was exhausted from defending. His spear danced in the air as he kept retreating.

The entire ancient martial Kingdom was shrouded in that terrifying power. The powerful pressure made everyone in the city feel unusually depressed. They only felt that the sky was dazzling, and they couldn't even open their eyes. They thought that it was some kind of celestial phenomenon.

In the time it took to brew a cup of tea, Yunxiao had slashed out thousands of swords, but they were all blocked by the halberd and turned into boundless light that scattered in all directions.

However, the wound on Tian Si's right eye was healing rapidly. After a long battle, he was feeling slightly anxious.

Suddenly, a figure appeared behind him and charged forward, slashing out with a sword as well.

The sword was domineering and sharp, bringing with it the power of a Dragon domain that suppressed the surroundings!

“Don't fall into dust!”

Tian Si's eyes narrowed. With a wave of her spear, a shadow immediately appeared and blocked the invisible heaven and earth sword.

“Bang!”

The true Dragon's power was vast and boundless, and it pressured him so much that he kept flying backward in the air.

Yunxiao was also waiting for an opportunity to rush forward, and the three sword techniques kept flying up like a river.

With the two of them joining forces, Tian Si was even more exhausted, and there was no longer any possibility of victory.

Yunxiao's idea was very simple. He was determined to fight at all costs, and there would always be a time when he would be exhausted and exhausted.

However, he was still a little worried. From the beginning to the end, there was only Tian si, but there was no trace of the ancestral spirits. Ning keyue was even missing.

Moreover, even though Tian Si was at a disadvantage and was constantly being wounded by stellar energy, he did not panic. Other than the rage from the explosion of his right eye, there was no other emotion in his eyes.

This abnormal calmness also made him anxious and uneasy.

Chapter 1788-another step

Che you also discovered this, he shouted: " little li, this guy is still acting tough even when he's about to die. Let's use our ultimate move to send him to the West!

Yunxiao lowered the sword in his hand and teleported directly behind Tian si. With a cold look in his eyes, he said, " "Go to hell!"

"Song of the green Lotus sword!"

A total of seven white lotus flowers bloomed on the sword one by one, emitting a scorching and terrifying light, completely suppressing Tian Si's aura.

He you also danced with his two swords. Two different sword intents, one from the left and one from the right, brought along endless Qi and stacked together with the Dragon Realm. They vaguely formed a single sword that was about to split the heavens and earth!

Tian Si's expression finally changed, and a look of shock flashed across his eyes. The blue light on his forehead brightened to the extreme, and his entire body was enveloped in a faint blue light. The sharp glint of his battle dagger-axe also continued to shine brighter.

At this critical moment, Tian Si's expression suddenly changed and a smile appeared on his face.

The blue light and the light of the dagger-axe on his forehead stabilized and did not rise any further. It was as if they had restrained their power.

Behind him, a red glow spread out like the rising red moon. The Scarlet light shone down, making the sky look like blood.

A huge Red Moon appeared behind Tian Si, as if it was a phenomenon caused by a divine ability.

"Ancestral spirit returning to dust!"

Yunxiao cried out in horror. Suddenly, his body trembled violently as he looked at the pale yellow figure above the ultimate with even more horror.

He rubbed his eyes in disbelief. His pupils enlarged continuously, revealing a look of shock and dumbfoundedness.

He you's sword also slowed down, he said in shock, " Ning keyue?!"

On the bloody shadow of the ultimate, a slim and elegant figure wearing a light yellow gauze dress was looking at the two of them expressionlessly.

She made a grabbing motion and song of the ages appeared in her palm. It glowed with a red light that was as strange as the moon eyes as it swept across the sky.

A blood-colored light like the setting sun swept away che you's sword attack.

The pattern of an eye appeared between ning keyue's eyebrows. It was red like blood.

The blood-red eye slowly opened. It was as if everything in the world would wither and the heavens and earth would return to nothingness with a single glance!

The seven lotus flowers on Yunxiao's sword gradually dimmed as well, turning into countless petals that danced in the air.

Both Yunxiao and che you felt a very strong suppression, so they did not dare to look at the eyes.

The corners of Tian Si's lips curled up, and the sharp glint of the dagger-ax returned to her body. She chuckled and said, "What, are you surprised?"

"Keyue, you're so silly!" Yunxiao said in a daze.

The eye of the ultimate on ning keyue's forehead slowly closed, and she said, "Li Yunxiao, you can go.

"Leave?"

Yunxiao's pupils constricted, and a chill burst out of them as he said angrily, "You're telling me to leave? This person isn't Murong Zhu, but the murderer who killed Murong Zhu and Jiang Churan, Tian si!"

"I know," ning keyue said expressionlessly.

"You know?"

Yunxiao's face darkened as he said in a cold voice, " "Since you know, then you should help me kill this person!"

"I had the same thought as you before, but I don't think so anymore," ning keyue said.

why?! Yunxiao asked.

Ning keyue raised her eyes to look at him. Ripples gradually appeared in her clear eyes, like a sea of blood.

The two eyes also constantly showed colorful changes, and finally condensed into two blood-colored pupils, just like the moon above the red moon City.

"Because people will change."

"?!"

Yunxiao gasped as a bad feeling welled up in his heart. y-you're possessed by the moon pupil?!

"Hahaha!"

Tian si laughed maniacally and said, " she's not possessed by the moon pupil! There's only one moon pupil left in this world! That's your eye! Ning keyue had become one with the Lord ancestral spirit! Hahaha!"

Yunxiao and che you did not laugh, but their faces were extremely solemn.

Ning keyue's mind had obviously been affected by the ultimate.

"Combine the two into one?"

Ning keyue said indifferently, " but I've always been ning keyue. Maybe I've been affected. But that's not important anymore.

"Not important?"

then, what is important in your eyes at this moment? " Yunxiao sneered.

"The most important thing is to pass on the Yue Tong family's legacy," ning keyue said.

Hmph! che you snorted coldly, " he is indeed controlled by the ultimate.

whatever you say, " ning keyue said. Lord ultimate is indeed in my body. I naturally have the responsibility to fulfill its wish.

Yunxiao knew that it was useless to say anything more. Although ning keyue was affected by the ultimate, she was still generally normal, which made him feel relieved. "What do you mean by passing down the legacy of the moon pupil clan? Just now, tiansi said that there's only one left in this world, could it be that you guys want to snatch it over?"

of course not, " ning keyue said. but we need his power, or rather, we need your power.

Yunxiao sighed in his heart, knowing that there was no hope of killing Tian si this time. The strange aura that ning keyue was exuding was definitely not weaker than Tian Si's.

"What do you want me to do? just tell me." He asked directly.

although your body has opened seven gates, your cultivation is still at the peak of martial arts," ning keyue said. I'll come to you again when you're at the divine transcendence realm.

what? " Yunxiao's pupils constricted. do you mean we're leaving? "

...

Ning keyue's face looked cold and heartless under the blood-red moonlight. She said indifferently, " "I understand what you're thinking, but it's impossible for the two of you to defeat us even if you join forces. We're only here to test your strength. As long as your strength improves, we'll be more confident."

"Hehe, you want to kill me for revenge? Then let's turn the boundless anger into power, hahaha!" "Even if I'm alone, the two of you won't be able to stop me." Tian si laughed madly.

He placed his hands behind his back and looked at the two of them with a mocking smile, as if he had not used his full strength in the battle just now.

"A step further?"

if I go one step further, " Yunxiao said with a cold face, " I'll have a greater chance of saving you. Alright, when I step into divine transcendence, you can come and find me. "

He clenched his hands into fists. The mo matrix and golden light on his body flickered continuously as if he could not calm down.

"I'm looking forward to it," ning keyue nodded.

The Crimson Moon that filled the sky gradually returned to her body. She raised her bright eyes and gave Yunxiao a glance, then turned and left with Tian si.

The two of them walked further and further away in the sky, and soon disappeared from Yunxiao's sight.

The terrifying power continued to dissipate in the sky, and the clear sky was slowly restored, leaving only Yunxiao and Che You's shadows, which looked lonely and lonely.

"What do you think of the power of the ultimate?"

...

After a long time, Yunxiao suddenly asked, "If Lord Lingmu Di also helps us, how confident are we in keeping the two of them?"

Che You pondered for a while and said, "Ning Keyue is very strong after being possessed by the sinkhole. She's at least stronger than Tian Si. She's most likely at the peak of perfection. Even if we all attack together, we won't be able to stop her, not even Tiansi."

It's hard to kill the heavens," Yunxiao said worriedly. It's even harder to save Keyue.

Che You said, "I've observed Ning Keyue's appearance. She doesn't seem to be possessed by the sinkhole. She hasn't lost her spiritual intelligence. It's just that her mind has been affected and her personality has changed. Perhaps, she didn't want to be 'saved' by you."

Yunxiao frowned slightly and said, "Is that so? I'll give her a choice."

After saying that, he looked tired. He opened his arms and fell forward, letting the gravity pull him to the boundless earth.

Che You's brows were also tightly locked, he sighed and chased after.

The fierce battle in the sky above the ancient martial Empire had shocked the court and the people. Except for the ordinary people who thought it was a natural phenomenon, the powerful martial artists all knew that there were Masters fighting.

However, no one dared to step forward to investigate, as their spiritual senses had been devoured by the power from several thousand feet away, completely unaware of the situation inside.

“Such a terrifying phenomenon, was it created by that person just now?”

The ninth Prince, Bai wuchen, looked at the sky in fear.

Not long after they came out of the restaurant, they felt the earth shake and were suppressed by the terrifying aura.

Even the two six-stars Martial Emperor powerhouses could not see the scene in the sky. They could only feel a series of terrifying fluctuations that made them shudder.

One person said in surprise, “the person just now discovered such a terrifying battle not long after he went out. Moreover, his strength is at the peak of nine-star. It seems that it is most likely the case.

Another person said worriedly, “this person knows Prince Consort ru Yun, I don’t know if it’s a blessing or a curse. If he’s an enemy of Lord Prince Consort, then ...”

Everyone couldn’t help but shiver. One had to know that Jun ru Yun was on the same side as them. If they had such a terrifying enemy, then they would also be in danger.

Bai wuchen’s forehead was also covered in cold sweat. It was a miracle that he was still alive after his subordinate had offended such a terrifying existence.

“No matter what, let’s go to the Prince Consort’s residence to find out what’s going on,” another person said.

“That’s right, quickly go to the Prince Consort’s mansion!” Bai wuchen quickly said.

He had already made a decision in his heart. If Jun ruyun was an enemy of this person, then he would be the first to draw a clear line between himself and Jun ruyun!

Yunxiao followed the group of people with a thoughtful look on his face, as if he had not come back to his senses from what had happened to Ning Keyue.

Soon, the group of people arrived in front of a mansion in a grandiose manner. After revealing their identities, they directly entered.

Yunxiao appeared outside the mansion and glanced at the plaque on it. Water Moon like clouds, it was Bai Xiaoyue and Jun Ruyun.

The two guards in front of the door stepped forward and blocked the way with their swords. They shouted, "Who are you? how dare you act so atrociously here? hurry up and leave!"

Just as Yunxiao was about to react, he suddenly had a thought. A voice came from the divine realm tablet and said, "Jun Ruyun? Master, let me go."

Then, a series of crackling sounds could be heard. A cold glint and endless fighting intent appeared in Shaohuang Hao Lian's eyes.

Mo Xiaochuan's heart skipped a beat as well. He said coldly, "he's the most talented one among us. Master has disappeared for so many years, but I haven't seen him take any action. I also want to beat him up!"

Chapter 1789-fist intent Sword Art

The two of them came out of the divine realm tablet and disappeared in front of the mansion in a flash.

The two guards only felt a blur in front of their eyes, as if something had flashed past them. They rubbed their eyes and then shouted at Yunxiao, "get lost! Are you looking for death?!"

Yunxiao smiled, turned around, and took a step forward. His figure faded and turned transparent, then disappeared before the two guards' eyes.

“Ah?”

The two guards jumped in shock and were dumbfounded. Cold sweat kept dripping from their temples.

In the residence of the water Moon like clouds, two rays of light suddenly turned into two figures. Young Emperor hao lian sneered, mo Xiaochuan, move aside. Let me deal with him!

The two of them sprinted toward the largest mansion. Mo Xiaochuan flashed in the sky and disappeared, leaving haolian alone in the sky, coldly looking down.

In the main hall of the mansion.

The ninth Prince, Bai wuchen, was sitting at the head of the table anxiously. A woman in white walked in with her servants.

The woman was elegant and had a kind of light spirit. She said, ninth Imperial brother, why are you so anxious? did something big happen? ”

As soon as Bai wuchen saw her, he asked, ” “Where’s Jun ruyun?”

The woman was Bai Xiaoyue, she frowned and said, ” “Ninth Imperial brother, it’s not like you don’t know that my husband has been in seclusion for many days.”

“Al!”

hurry up and call him out! Bai wuchen shouted. no matter what he’s doing, it’s not good!

Bai Xiaoyue was shocked,”is third brother doing something?” I’ve been sending people to keep an eye on it, but nothing seems to be out of place.”

“Did you sense the strange phenomenon in the sky just now?” Bai wuchen asked.

what? ” Bai Xiaoyue was shocked. of course I’d sense it with such a huge commotion. It must be a fight between the top powers in the sky above the ancient martial Kingdom. Could it be related to us? ”

Bai wuchen’s face was filled with anxiety and even panic as he recounted what had happened in the restaurant in detail.

Bai Xiaoyue was also stunned. After a while, she gasped and said with a pale face, ” ninth Imperial brother, do you mean that there’s a nine-stars Martial Emperor who’s looking for trouble with my husband? ”

Bai wuchen said, ”I think so.” For example, how is Fuma Yun’s closed-door cultivation going? will he be able to take it?”

Bai Xiaoyue shook her head. this closed-door cultivation is of great importance to my husband. He didn’t tell me too many things. It’s just that my cultivation can take a big step forward. Even so, I’m not confident that I can fight against a nine-star martial sovereign, Lao Ai.

Bai wuchen said anxiously, ”ah, what should we do?” I’m afraid that even the thousand mountains Prefecture won’t do anything to provoke such a great enemy.”

The consequences of offending a nine-stars martial sovereign were much worse than offending a Prince, even if the Prince was very likely to succeed the throne.

“In my memory, you’ve never offended such an expert. Could there be a misunderstanding?” Bai Xiaoyue hesitated.

Bai wuchen sighed. I only hope that it’s a misunderstanding. I also think that it’s ridiculous. If we had offended such a person, we would have stirred up a storm in the Empire.

Bai Xiaoyue, on the other hand, was calm, ” “Ninth Imperial brother, you don’t need to think too much. We’ll deal with whatever comes our way. If we can’t block it, then there’s nothing we can do but accept our fate. After all, in the face of absolute strength, everyone is an ant.”

heh, Jun ruyun's wife is quite perceptive. Since that's the case, then call him out to die!

Young Emperor haolian's voice came from outside the hall, followed by a deafening sound. A huge white jade pillar was shattered, and a section several Zhang Long flew into the hall and stabbed into the ground with a loud bang, sending countless fragments into the air.

The martial artists inside were all shocked and quickly protected the ninth Prince and Bai Xiaoyue behind them.

The two six-star martial emperors' faces turned pale as they shouted, "Who is it?"

They were sure that the man was not Yunxiao, but his aura was far above theirs.

A gust of wind blew in from the outside, and a person had appeared on the Jade pillar. He crossed his arms and stood alone with a cold smile on his face.

"Who are you, Sir?"

"What grudge do you have with my husband?" Bai Xiaoyue asked in a panic.

Hmph, Jun ruyun will naturally understand who I am and what grudges we have when he comes out. Quickly call him out to die!

Young Emperor haolian shouted coldly as his knuckles cracked. The battle intent on his body immediately turned into flames.

As the power spread, all the martial artists were shocked and retreated, not daring to go forward.

Bai wuchen's heart was filled with bitterness. It was still unknown whether the previous person was a relative or a foe, but this person in front of him was obviously here to seek revenge. When did Jun ruyun offend so many experts? if he had known earlier, he would not have gone with him.

He had thought that he had found a big tree to rope in Jun ru Yun. Now, he realized that he had brought in a death god.

Bai Xiaoyue was also terrified, her voice trembling, " "My husband is currently in seclusion. Even if you're here to seek revenge, you have to wait for my husband to come out of seclusion and have a fair fight. Now, you're bullying us weaklings. What kind of ability is that?"

"Closed-door training?"

Young Emperor haolian furrowed his brows. If he was doing something else, he would have gone up and killed him regardless of the consequences. However, there were different levels of severity in closed-door cultivation. If he were to forcefully interrupt it, it would be troublesome if it directly affected his advancement.

After all, they were from the same sect. He only wanted to take revenge for the oppression he suffered in the past and didn't really want to cause trouble for the other party.

This made things difficult for him, and he said unhappily, " why did he choose to go into closed-door cultivation at this time? is this an excuse? "

"It's not an excuse, you're really in seclusion," Bai Xiaoyue said.

Young Emperor haolian had nowhere to vent his battle intent, so he said angrily, since that's the case, I'll tear down his mansion first as a little interest!

Everyone was stunned. Tear down the mansion? What was going on?

Shaohuang haolian's figure punched the ground, and the terrifying force directly penetrated the ground and went deep into the earth.

"BOOM!"

Countless layers of Rock Rose up and pushed in all directions, and the hall collapsed in an instant.

The crowd hurriedly flew up into the sky and watched as the entire residence of Water Moon like clouds was razed to the ground by the fist force.

“Haha, this is great! After bullying me for so many years, I’ll tear down your house as interest first. I’ll beat you to death after you come out of your closed-door cultivation!”

Young Emperor haolian laughed heartily, looking carefree.

...

Everyone was dumbfounded when they heard this, somewhat confused.

Although destroying someone’s mansion was an extremely vile act, it was nothing to experts like them. They didn’t understand why this person was laughing so happily.

Moreover, from what he said, it seemed that he had been bullied by Jun ruyun very badly. Bai Xiaoyue also frowned, having no impression of it at all.

Suddenly, an ice-cold killing intent came from all directions. It was bone-piercingly cold, making one feel as if they had fallen into an ice cave.

Everyone could not help but shiver.

Young Emperor haolian’s laughter also stopped, and he became extremely serious. A powerful aura appeared around his body, resisting the killing intent.

“Oh, I was wondering who it was. So it’s you, you idiot.”

A disdainful and disdainful voice was heard, and it was said slowly, with a bit of surprise, "How can an idiot like you cultivate to the level of an eight-stars martial sovereign? Did you take some kind of godly medicine?"

"Jun ruyun, come out and face your death!" Young Emperor hao lian bellowed. Today, I'll let you experience my fist. I'll slap all the humiliation of those years on your face!"

"Tsk, I've heard this too many times, my ears have already grown calluses. Since you were able to find this place, then as your senior brother, how can I neglect you? I'll give you another good lesson."

The cold killing intent continued to condense in the air, as if it had substance, turning into an invisible sword that slashed down from the sky.

...

Everyone was speechless. So these two people were fellow disciples.

Moreover, Bai wuchen and the others immediately guessed the identity of the newcomer, and they could not help but be surprised.

Young Emperor haolian stared at the sword Qi and sneered. "Don't you find it embarrassing to use such a child's trick?"

He shouted loudly and clenched his fists tightly. A violent and fierce breath was spat out from his mouth, and he shattered the sword light with the power of sound waves!

not bad, you've made some progress. It seems that master's vision was quite unique back then. He could foresee that a fool like you would have a day where you could make a name for yourself.

A figure had appeared behind young Emperor hao lian. He had sharp eyes, sword-like brows, a cold face, and was dressed in white.

“Heh, a dog’s mouth really can’t spit out ivory. Even a vulgar person like you can be a Prince Consort, let alone me!”

Feeling Jun ruyun behind him, the blood in young Emperor hao lian’s body instantly surged like a river. His pupils suddenly contracted, and he instantly entered a state of selflessness. His body was like an Iron Fist.

“Boom boom boom!”

The energy around his body rumbled like thunder.

A look of surprise flashed through Jun ruyun’s eyes. He had also sensed hao lian shaohuang’s battle intent and the world of fist intent. He couldn’t help but be on guard. He immediately put two fingers together and formed sword intent.

“Haha, let me see how much you’ve learned from master’s sword technique.”

Young Emperor haolian’s lips curled into a cold smile. He raised his hand and sent a Vajra punch over. The terrifying world of fist intent almost crushed everything in the surroundings.

Jun ruyun was also greatly shocked. With a tap of his foot, he retreated a few steps. He wanted to use his movement technique to avoid that punch, but he realized that it was futile. The entire Nine Heavens and ten lands were covered by that punch, and there was no way to avoid it.

He grabbed the long sword with one hand. The sword was engraved with countless ancient patterns. It raised a sword momentum and broke through the heaven and earth.

“Sword technique-demon slaying!”

There was a sense of righteousness in the sword aura, and the powerful sword force cut the fist intent apart.

what?! young Emperor hao lian was shocked. The fist helmet in his hand glowed with a green light as he struck the sword spine. He felt a sharp pain on his fist, and the boundless sword force kept pushing him back.

Jun ruyun's move had succeeded, and he snorted coldly as he pounced forward again. He snorted coldly and said, "It's already a miracle that an idiot like you can take one of my attacks."

Countless sword talismans flew around him, forming a sword again and slashing down from the sky.

"Didn't you want to see master's sword Scripture? Today, as you wish, Sword Art-star destruction!"

The entire heaven and earth darkened. That sword pierced through space and slashed down from the sword in Jun ruyun's hand. It was like the Starlight that had existed for a billion years, vanishing in a flash.

Chapter 1790-interrogation

Young Emperor hao lian was shocked. He couldn't block this sword.

According to his observation, Jun ruyun was only an eight-stars Martial Emperor. With his fist intent world, he should be invincible among those of the same rank. However, the strength of his sword force gave him an unusually dangerous feeling.

He didn't dare to take the sword head on and retreated.

Jun ruyun laughed coldly and said, "you fool. Still thinking of running? Obediently take a few of my sword strikes and go back with a few more holes in your body!"

He chased after shaohuang hao lian and slashed at him, continuously breaking apart his fist intent. Sword Qi flew above the ruins of the mansion.

Suddenly, there was a flash of Azure light in the sky, and an extremely sharp and yang sword intent appeared.

The huge sword essence slowly brightened and slashed towards Jun ruyun!

“That’s Yingluo.”

Jun ru Yun’s heart trembled as he exclaimed, ” “Qian Zheng Haoran sword Qi? Mo Xiaochuan!”

The sword intent pierced through the earth and cut into Jun ruyun’s world of swords, splitting it into two!

Young Emperor haolian roared,”Go to hell!”

He was getting anxious from being chased and his stomach was filled with anger. All his emotions turned into a punch and blasted out together with mo Xiaochuan’s sword force!

Jun ruyun’s sword intent crumbled in an instant, and the two forces fused together. In his shock, he stood with his sword in hand, trying to shrink the space of sword intent as much as possible to form a defensive boundary.

“BOOM!”

The barrier only blocked for a moment before it suddenly shattered. All the power slammed into Jun ruyun’s body, leaving a trail that was several thousand feet long on the ground.

Bai wuchen and the others were frightened, and Bai Xiaoyue covered her mouth and exclaimed with worry.

Jun ruyun’s body was covered in dust, and he appeared to be in a rather sorry state. The sword light from the treasured sword in his hand flickered non-stop, and his fighting spirit had not diminished. He raised his head and stared at the gradually condensing figure in the sky, and said in surprise, ” mo Xiaochuan, you’ve also become an eight-stars Martial Emperor? ”

even an idiot like you can become an eight-stars Martial Emperor. As your senior brother, isn't it normal for me to reach that level? " mo Xiaochuan said coldly.

Jun ruyun furrowed his brows and snorted coldly.

Among his fellow disciples, his talent was the best, and he had never doubted that his future achievements would be the highest, but now, his two junior brothers, who had always been inferior to him, had both cultivated to the same realm, and their strength was not much different. If it were not for the great breakthrough he had made in his retreat this time, he would not even be their opponent, so he could not help but feel a little stunned.

Bai wuchen and the others were stunned. It turned out that it was another fellow disciple.

Their hearts were full of ups and downs, and they had different thoughts. Bai wuchen thought even more. It would be a great fortune if he could recruit two eight-stars martial sovereigns from the same sect.

Bai Xiaoyue, on the other hand, was much more relaxed. She thought that since they were all from the same sect, they would probably not kill each other, so she was half relieved.

"Let's not waste our breath on him. Let's beat him up first!" Young Emperor hao lian said. I can't stand his self-conceited look the most, but in reality, there's nothing great about him!"

Jun ruyun snorted,'still fighting? Was it interesting? I'm not interested in accompanying you."

"It's not up to you to decide whether you're interested or not," young Emperor haolian sneered.

Jun ruyun avoided talking about the fight and asked, " "How did you two end up together? You have the time to visit me in the ancient martial Kingdom?"

"Hmph, looking at you? Do you think you have the face to do so?"

Mo Xiaochuan laughed coldly, his expression icy.

“What do you mean?”

Jun ruyun sensed his hostility and raised his eyebrows in displeasure.

“Where were you when master died in the tiandang mountains?” mo Xiaochuan asked.

Jun ruyun’s expression changed drastically, but it quickly returned to normal. However, it was still rather unsightly. “What do you mean? I’m in the ancient martial Kingdom, of course.”

Mo Xiaochuan glared at him coldly, as if his eyes were piercing through him. “Fifteen years ago, you should have been a martial Supreme, right? Have you gone to the tiandang mountains to check the cause?”

Jun ruyun stood with his hands behind his back. I was only a two-stars martial sovereign back then. Wouldn’t I be courting death if I went to the tiandang mountains? ” he said.

“You’re indeed a person who is afraid of death!”

damn it! young Emperor haolian clenched his fist and said angrily, “ if I’m a Martial Emperor, I’ll definitely rush over as soon as possible!

Jun ruyun shot him a glance and said, “ it’s a good thing that you didn’t become a martial Supreme at that time. Otherwise, an idiot like you wouldn’t be where you are today. Are you two blaming me for not asking about master’s death back then? Hmph, if I rashly charge into the tiandang mountains and die there, would I be considered a loyal and righteous person?”

Mo Xiaochuan asked, ‘could it be that you’re planning to go after you’ve improved your strength? It’s just that with the passage of time, I’m afraid it’ll be difficult to find any clues.”

“That’s still better than dying,” Jun ruyun said. It seems that the difference between us is not only in talent, but also in intelligence. If master was still here, would he be happy to see us enter the tiandang mountains?”

Both of them were taken aback and frowned. Yunxiao obviously would not let them go.

Hmph! young Emperor haolian sneered. you’ve always thought that you’re extremely talented, but you’ve only become an eight-star Martial Emperor like us. Tsk!

Jun ruyun furrowed his brows. this is also what I find strange. How could there be such a coincidence? did the two of you obtain some kind of opportunity together? ”

“You don’t need to know that,” mo Xiaochuan replied. Since we’ve already made things clear, we won’t blame you. We’ve come to find you for some matters.”

“What’s the matter?” Jun ruyun asked curiously.

“Do you know that master has reincarnated and returned to the human world?” mo Xiaochuan asked.

Jun ruyun suddenly laughed and said, ” “Hahaha, are you talking about that li Yunxiao? How could the two senior and junior brothers believe in such a nonsensical matter? Could it be that you’ve gone crazy thinking of master?”

“Why not?” young Emperor haolian asked angrily. Everyone in the world knows that li Yunxiao is my master’s reincarnation. Do you really not know, or are you just playing dumb?”

Jun ruyun snorted, ‘reincarnation? Did you see it with your own eyes or have you verified it? Such nonsense was not even written in the ancient records. ‘Did my two senior brothers come to me for li Yunxiao? Then are you going to acknowledge your family or what?”

Mo Xiaochuan was about to get angry as well, but suddenly, he heard Yunxiao’s voice. He listened for a while, then nodded slightly and said, ” “Let’s not talk about this for now. We’re looking for you for another matter. This isn’t the place to talk, let’s find a place to talk.”

my good residence was destroyed by that idiot, young Emperor, " Jun ruyun said. otherwise, it would have been the best time to gather and have a good talk. He looked at Bai wuchen in the distance and said, " "Your Highness, can you arrange a place for us to talk?"

yes! Bai wuchen hurriedly cupped his fists and bowed. if you two Sirs don't mind, you can come to my mansion directly.

He felt a burst of excitement and joy in his heart. Looking at the signs, these three senior brothers didn't have too much hatred, and it seemed that the friendship between fellow disciples was quite deep. It seemed that there were signs of him being able to win them over.

...

"What do you all think?" Jun ruyun asked.

"You're the owner of this place, so you'll be in charge of everything," mo Xiaochuan said.

Everyone immediately headed to the ninth Prince's residence. The ruins of the water Moon like clouds were immediately taken care of, and they began to build a new mansion.

Bai wuchen first ordered his men to fly back quickly and prepared all kinds of delicious food, spiritual pulp, and fine fruits to entertain them.

Jun ruyun and the others took their seats, allowing mo Xiaochuan and haolian shaohuang to sit at the head of the table. He, Bai Xiaoyue, and Bai wuchen sat at the lower seats.

Mo Xiaochuan went straight to the point. I won't beat around the bush. Ruyun, do you know about the land of no return in the thousand mountains Prefecture? "

Jun ruyun stared blankly for a moment and said,"why do you ask?" I've been to the land of no return. The environment there is harsh and there are many hidden dangers. It's an excellent place to cultivate."

“Oh?” mo Xiaochuan was surprised. You’ve been there before, that’s great. We’re planning to go to the land of no return, so it’s best that you’re familiar with the way.”

“To the land of no return? This will require the thousand mountains Prefecture’s approval, but I’m still very confident if I step forward.”

Jun ruyun muttered. After all, the land of no return was not a top secret place. With his status, his words still had a certain weight.

Mo Xiaochuan looked like he wanted to say something, but he hesitated. He glanced at Bai wuchen and his sister, and his intention was obvious. He hoped that the two of them would leave first.

...

Bai Xiaoyue chuckled, “It’s rare for my husband to meet with two fellow sect members. It’s not convenient for me and my ninth Imperial brother to be here, so let’s leave first.”

Jun ruyun pulled her back and said to mo Xiaochuan, “This is my wife. Ruyun doesn’t need to hide anything from Xiaoyue. If senior brother feels that it’s inconvenient, then don’t say anything.”

“I have something to do, especially the reconstruction of the mansion. I’m afraid that the craftsmen will not be able to do it well.” Bai Xiaoyue’s heart warmed.

Bai wuchen also said: “I also have some small things to deal with. Even if Xiaoyue didn’t mention it, I would also have left.

Just as Jun ruyun was about to say something, mo Xiaochuan raised his hand and stopped him. “Since you don’t have any concerns, we have nothing to think about either. The two of you can stay.”

Bai wuchen and Bai Xiaoyue sat back in their seats.

Mo Xiaochuan asked, 'junior martial brother, do you know that the thousand mountains Prefecture and the demon race are very close? I'm referring to the illusory realm of stars and moon!'

Jun ruyun's expression changed drastically. He shot to his feet and glared at mo Xiaochuan. "Senior brother, where did you hear this from?"

Mo Xiaochuan glanced at him and said, "it seems like it's true." This matter is of great importance. I hope Junior Brother won't hide from me how much you know and what your plans are."

Bai wuchen and Bai Xiaoyue were also shocked. They had no way to know such a secret. They suddenly regretted staying. It was not good to know too much, especially when they were not strong enough. It was better to know less.

Jun ruyun's expression wasn't too good. He muttered to himself for a moment, then said, " "Xiao Yue, Your Highness the ninth Prince, if you have matters to attend to, please go ahead. I will take care of the two of you."

"Since that's the case, this Prince will take his leave first."

Bai wuchen was relieved and left the hall with Bai Xiaoyue.

Jun ruyun then turned to look at mo Xiaochuan and shaohuang haolian. "Senior brother, can you first tell me where you got this information from?"
