

The First Heir 1061

Chapter 1061

After an hour or two, Juan left the ward with a smile.

Just as he was about to leave, he ran into Philip.

“What are you doing here?” Philip asked with a cold expression, staring at Juan.

Juan snorted, smiled coldly at the corners of his mouth, and put his hands in his trouser pockets. He said, “I’m here to visit Aunty Martha. Why? Am I not welcome?”

“Philip, Juan came to see me. Don’t show him that attitude!”

Martha was lying on the hospital bed and said in a dissatisfied tone

Philip did not reply. After a few glances, he said coldly, “Hurry up and leave.”

Juan did not plan to stay for long either. When passing by Philip’s side, he said, “Philip, it’s almost game over for you. I hope you can still stand up and talk to me like this the next time we meet!”

After that, Juan ignored Philip’s dark expression and left directly.

Standing at the door of the ward, Philip glared at Martha sullenly and asked, “Why was he looking for you?”

Agnes had been very busy dealing with this matter and lost a lot of weight in the past two months. However, these people seemed to have made up their minds to take Agnes down and swallow Gopher Delivery Services.

“Mr. Grey, please stay and we can discuss further. However, your price of 500 million is too high. I’m afraid we can’t agree to it.”

Agnes rushed out at this time. Wearing a white shirt, a pale pink skirt, and a pair of black high heels with her hair in a ponytail, she looked very capable and intellectual.

Philip noticed it at one glance. She indeed looked thin and tired.

However, Agnes did not see Philip in the crowd because her attention was all on Horace Grey.

This was the task Philip assigned to her—to take down the delivery market in Riverdale.

“Hmph! What is there to discuss? 500 million is the final price! If you can’t show your sincerity, don’t talk about the cooperation!” Horace spoke in an arrogant tone.

Hearing this, everyone looked sideways.

Agnes immediately saw Philip in the crowd and was about to call out to him.

Here, Horace's face darkened. He pointed at Philip rudely and asked, "Who the hell are you? How dare you say such things? Who taught you this?"

Horace did not put Philip in his eyes at all. By the looks of him, he should be an employee of Gopher Delivery Services.

He was too rude!

Therefore, Horace immediately turned to Agnes and questioned angrily, "Miss Summer, how can your company hire such an unqualified employee to talk to me this way? Aren't you interested in this cooperation anymore?"

"That's right! There's no need to get an employee to express your dissatisfaction this way!"

"Hehe, I think there's no need to hold any further discussions. Without Gopher Delivery Services, the business performance of our companies will be better!"

For a while, several bosses spoke incessantly.

They were already dissatisfied with the sudden emergence of Gopher Delivery Services right from the start.

Cooperation?

Hehe.

They had never planned to cooperate in the first place. They just wanted to blackmail Gopher Delivery Services and play around with Agnes.

Their objective was Agnes Summer. As long as they could get Agnes into bed, the company would be theirs for the taking!

She was just a woman. What would she know about running a company and doing business?

On the opposite, Horace and the others sneered after a brief shock.

“Mr. Clarke, your tone is too arrogant. Okay, what about one billion? If you can transfer the money today, I’ll bring all my people and get out!” Horace said with eyes full of mockery.

What the heck was this? Was this guy showing off in front of him?

‘One billion! Let’s see if he can get it out!’

Philip nodded in assent and dialed a number. “Transfer one billion to Melrose Food Delivery to buy over this company.”

On the other end of the phone was naturally the person in charge of Milanelson Angel Investment Group.

Their funds were not owned by the Clarke family, so they were not restricted by them.

After hanging up the phone, Philip glanced at the time indifferently and said, “It’ll take five minutes at most.”

Horace and the others were a little confused.

Was this kid being too pretentious?

When Horace heard this, his brows furrowed as his face became extremely dark!

This guy dared to threaten him?!

"Mr. Clarke, isn't it a bit too much for you to do this?!" Horace shouted, waving his hand with anger on his face.

Philip smiled and said calmly, "Is it too much? I just think it is a means. If you think this video is nothing, I'll send it to your wife. According to what I know, you're a live-in son-in-law who relies on the influence of your father-in-law to get to where you are today. Moreover, your wife already suspects that you're cheating on her, but you're very careful and didn't leave any evidence. If your wife sees this video, do you think you'll be kicked out from the Sloan family?"

After saying that, a faint smile appeared on Philip's face.

This smile was like a spring breeze, but it made people tremble.

Horace felt this way right now!

Damn kid! He was actually playing such a game!

However, Horace was indeed worried about the video leaking and getting kicked out of the Sloan family.

If that happened, it would be over for him.

With a wail, Horace flew out and hit the desk.

"Wife, you've misunderstood. It's not what you think," Horace immediately explained, covering his red and swollen face.

However, the enraged fat woman just brandished her whip.

This whip was drawn on Horace's arm where a red mark instantly appeared.

“Do you still want to lie to me? Do you think I’m blind? Don’t think I don’t know the things you’ve been doing behind my back. I was just closing one eye this whole time. Now, your dirty deeds have been found out by others. This is defamation to the Sloan family. I must kill you today!”

Did they still need to think about it?

The three bosses glanced at each other and shook their heads helplessly. One after another, they eagerly began to flatter Philip and said, “We agree to the cooperation.”

Philip nodded and said, “As it should be. Since we’re cooperative partners now, all of us are friends.”

After that, Philip looked at Agnes.

The latter suddenly came back to her senses and hurriedly invited the three bosses to enter the general manager's office again to renegotiate the terms of cooperation.

Very soon, an agreement was reached.

After sending the three bosses away, Agnes returned to the general manager's office and saw Philip sitting on the sofa, sipping tea.

"Mr. Clarke, I..."

Agnes felt a little guilty because she had not performed well.

In the end, Philip needed to step forward and solve it for her.

She felt that she was not qualified for this job.

Then, he yelled at Lynn angrily, "B*tch! It's how much I say it is! How long has it been since you borrowed the money? Isn't the interest counted as money too? Do you think I'm running a charity?!"

Wynn hurriedly ran over and pulled Lynn up while glaring at Ulrich angrily. She said, "Mr. Craig, how can you hit people so casually?!"

Lynn cried and hid behind Wynn, saying, "Wynn, I really didn't borrow that much money. They're lying! This is extortion!"

Wynn nodded and comforted Lynn, saying, "Don't worry, I'm here. Everything will be fine."

Ulrich looked at this moving scene and sneered ruthlessly, "Madam Johnston, the relationship between you and your cousin is very touching. But your cousin owes me this much money. This is the contract which she has signed."

Ulrich's eyes lingered on Wynn and Lynn.

At the same time at the entrance of Golding Finance Limited.

Philip and Theo's men had arrived.

Philip was anxious. He opened the door and rushed in.

Theo and his men followed closely behind.

Philip barged into the company, but before he even entered, he was stopped by a few security guards at the gate!

These people were Ulrich's henchmen, specially hired to prevent people from making trouble.

"F*ck! Stop right there!"

Seeing Philip about to break in, one of the men with a scar on the corner of his eyebrow threw away his cigarette butt and suddenly roared.

"Get lost!" Philip did not want to waste time with these small shrimps, so he yelled at them.

Scarface pointed at Philip's nose and yelled, "Damn it, you're an arrogant kid! Are you looking for death? Do you know where this is?"
