

The First Heir 65

Chapter 65

“Hahaha! I’m going to die from laughter.” Isabelle interrupted Philip and was smirking coldly. “Are you saying you’re the one who bought 100 BMW bikes? Why don’t you take a piss and look at your reflection? How dare you blow your own horn here?”

When Kyle heard that, he said, “BMW sold 100 bikes?”

At that moment, Isabelle told everyone about the mysterious nouveau riche who bought 100 BMW bikes.

After she said that, everyone was envious.

They had to know who this nouveau riche was.

Kyle smirked in disdain and said, “Uncle, you’re so shameless. If you’re the one who bought 100 BMW bikes, I, Kyle Lyon, will change my last name to yours!”

“Me too!” Jacob added while chuckling.

In their eyes, Philip was just a joke. This man’s life was too lamentable. He was living his life through imaginations.

However, things were not as they expected.

Philip looked at the crowd coldly and said, “You’re Kyle Lyon and you’re Jacob Wells?”

“Why are you calling us, Dad?” Kyle puffed up his chest. He looked extremely obnoxious.

“I’m sorry, I don’t have such unfilial sons like you two,” Philip said calmly.

In an instant, Kyle and Jacob were stunned.
