

The Substitute Bride Triplets And The Impotent Billionaire

Rylee Hart

Chapter 30 Rylee Hart

Rylee Hart took the glow even though she was dressed in simple clothes that ordinary people wear. Her halo was so strong that it astonished everyone.

Lily's expression turned ugly when everyone stopped complimenting her for Rylee Hart.

'Did young Miss Rylee come here to audition?'

'It turns out that young Miss Rylee is also a white Tigress fan.'

'If young Miss Rylee passes the audition for white Tigress movie, that means her entertainment future will be incredible.' People started looking at Riley with envious gazes.

Despite all that was being said about her, Rylee's expression didn't change as she continued to go into the hall calmly. She found herself a good seat in a corner. She took out the novel Taming Her and began to read it.

Rylee's humble appearance made everyone cast her envious gaze.

A wealthy person will surely have that elegant appearance that captured everyone's heart.

Just look at how Rylee didn't shake and continued to do her thing calmly despite everyone's talk made everyone envious.

'She's really calm and came to audition with everyone. She didn't even use her identity to do anything.' Even though people didn't say it explicitly, they were mocking stares directed at Lillee. After all, comparing Lilee to Rylee's Hart family is like Earth to Heaven.

Some people begin to crowd Rylee in the hope to use fawning words to get influence from her, but Rylee stops them and tells them calmly unlike Lillee's showoff appearance earlier. "We are all auditioning. Please do your thing. Good luck." She said bluntly, but no one got annoyed because she was straightforward, and they were indeed disturbing her concentration.

Lillee felt that Young Miss Rylee was purposely showing off to her, but she didn't say anything in order to preserve her innocent image.

The audition continued to go on, and soon it was Lillee's time to audition for her female lead role.

"Contestant 252, it's your turn." A person said and Lillee calmly stood up from where she sat.

A smile blooms on Lilee's face and the people begin to wave at Lilee.

'Good luck Actress Lilee' they all said, while casting her envious gaze when in fact Lillee was getting uneasy because Conrad was yet to call or appear.

Besides, she also seemed to hear that the popular male actor Aldean will be the male lead and that got her feeling jittery because Conrad told her he and she will be solidifying their status as the golden couple through Taming her, but it's not bad if Conrad wasn't accepted, after all, working with Aldean of all people is a rare thing.

Aldean doesn't have a lot of dramas like other actors, but every one of his works is a famous one.

Lily was about to enter when she looked at Rylee's side, but Rylee's head was currently bowed and a headphone was placed on her head and she was still reading the novel.

Rylee didn't look at Lily's side, which made Lily frown. Lillee inwardly harrumphed at Rylee before she walked inside. Wait till she wins the female lead role and Rylee would see.

Lillee calmly walked towards the stage, she was about to give her famous killer smile when she noticed Jarek's presence. He really came? Lillee's eyes were filled with joy, and she quickly changed her feigned smile to a killer one. She was about to bow to Jarek and the movie team when her eyes met with a calm one that was familiar.

Lillee and her killer smile froze when Tinsley's lips curved up into a smirk. Lillee wanted to say something when she saw the mask on Tinsley's table. Tinsley is White Tigress?

Lillee almost ran mad but when she remembered the day of birth that White Tigress posted on her social media was the day as Tinsley's birthdate, everything finally clicked.

The reason why White Tigress seemed to have a feud with her even though they didn't know... Well, they know each other finally clicked.

But how come Tinsley is White Tigress, isn't Tinsley dead? How did she... Lillee wanted to roar but before she could...

"Will you stop looking at us and begin your performance, Actress Lillee?" One of the producers said, which jolted Lillee awake.

Lillee faked a smile at them while she secretly glared at Tinsley. She'll deal with that bitch later.

"Hi everyone." Lillee gets into her act quickly. She bowed at them while casting a shy gaze at them. More of casting a shy gaze at Jarek.

But everyone only brushed her greetings, they didn't have time but Lillee was here acting shy and innocent, who is she doing that for?

Seeing that no one put her in eyes at all, she glared at Tinsley with hatred. It must be that bitch that turned everyone's back on her.

"Act Chapter 5, Scene 4..." Tinsley said to Lillee without paying attention to Lillee's expression.

Lillee's façade that she was building immediately slipped. That bitch! She's purposely setting her up...

"Without a partner," Tinsley said and smirked at Lillee. "After all, you're such a big White Tigress fan, I bet you must have learnt everything offhand..." Tinsley's dark and sinister expression caused everyone to look at Tinsley with surprise. Why does it seem that these two have a feud?

"Dear elder sister of mine." Tinsley finalized with a dark smirk that sent chills down Lillee's smile.

Tinsley's revelation made a huge wave in the audition room. Actress Lillee and White Tigress are siblings? Isn't that blessing for...

No! Wait! They all gasped as if they recalled something.

If White Tigress is Actress Lilee's cousin, didn't that mean White Tigress is the sister that wanted to snatch Conrad from Actress Lillee at that time?

They all began to look at Tinsley with a weird gaze, but their faces switched to normal when they recalled White Tigress's words that revealed her disdain for Conrad which had stirred a big wave that is yet to die down. They all wondered what they're yet to know.

Besides, who's Conrad when there's Jarek?
