Chapter 32 In Character

Tinsley noticed the girl's sudden joy when she looked at Jarek and she noticed how Jarek's lips curled up as well. If she could remember well, this was the person President Jarek recommended and she looked decent for him.

"Act Chapter 5, Scene 4, alone," Tinsley said, which made Rylee nod.

Suddenly Rylee's expression changed, tears pooled in her eyes but her face shows her unwavering stubbornness and independence. Her body trembled slightly but she gritted her teeth and clenched her fist tightly in order to feign being strong. In that instant, she looked like the character Marie came to life which made Tinsley and the judges unconsciously sit straight in anticipation.

"I... I didn't." Rylee looked up to the sky as if she wanted to let the tears return. She gulped lightly. "I didn't do it. Even though I hate her. I couldn't..." Rylee called out in a voice that was weak yet strong. A voice that perfectly maintained the balance of Marie's character.

"How did you expect me to believe you? You've always been a shadow, you hated her so you wanted to kill her." Tinsley suddenly roared with a venomous tone that stunned everyone and made chills run through their spine. They didn't know Tinsley could act her character out this well besides it was sudden and it made them feel as if they had just heard the character's voice.

Rylee was stunned because she was acting alone but it was only a second and she was quick to get back into acting. "I hated her, I wouldn't kill her. But wait... Why are you here?"

"Stop," Tinsley said, which made everyone sigh in relief.

Finally, they found someone capable who brought the character to life.

"Good job." Tinsley clapped with a smile. She had decided to test everyone with Marie's act but nobody had been able to unleash the character like Rylee.

"You can leave Miss Rylee, we'll contact you soon."

Rylee nodded with a smile. "Thank you." She says.

But inwardly she was afraid. She really hoped that she would get accepted. But wait... she had auditioned with the female's lead dialogue, what if...

"I think there's no need to audition for the female lead role anymore, what do you all think?" White Tigress turned to everyone for their opinion

"She's good. It was as if Marie came to life."

Jarek didn't say anything but his lips curved up happily, expressing his opinion.

Tinsley's mood suddenly fell for no reason. Yes, she's his girlfriend. What did she expect?

"I'll be leaving." Jarek stood up and began to leave. He had come here to see how Rylee would be acting and it turns out that she didn't disappoint him at all.

Tinsley's mood fell more. He only came here to watch his girlfriend audition. They're really a close couple, it was right that she didn't mention the triplet's existence to him.

"Mom. Mom." Lillee sinister and annoyed expression immediately turned into a pitiful sob as she ran inside.

"Mom. Mom." Lillee called sadly.

Mrs. William, who was showing off to her friends, immediately cut off the call when she heard Lillee's sad voice.

"Lillee." Mrs. William hurried toward Lillee and Lillee ran into her embrace and began to cry loudly which made Mrs. William's heart ache.

"What's wrong with you? Who bullied you?" She asked which made Lillee's eyes flash with an evil glint.

"White Tigress." Lillee sobbed loudly, her body shaking fearfully.

"White Tigress?" Mrs. William's expression changed into anger. "That damned white Tigress again? Who the hell is she? Why does she have..."

"It's Tinsley." Lillee suddenly whispered which made Mrs. William shock.

"Who did you just say White Tigress is?" Mrs. William asked again as if to confirm Lillee's words.

"White Tigress is Tinsley but she seems to hate me. She didn't even give me a chance to get into the act before she asked President Jarek to kick me out." Lillee lied which made Mrs. William filled with disbelief and anger.

"You mean that vixen is White Tigress and she had somehow also seduced President Jarek and made him kick you out on your stage?" Mrs. William roared in anger.

Lillee lifted her head with tears pooling in her eyes. "Mom. Tinsley isn't a vixen, she's still my sweet little sister. It's just that she hates me now but I understand because it's all my fault. If I didn't reveal everything to the crowd that day, Tinsley wouldn't leave home and suffer hardship that'll make her throw herself into Jarek's hand." Even though it seems that Lillee was talking well about Tinsley, it's actually not so.

"That b..." Mrs. William came to a stop because she was afraid that Lillee would be unhappy.

"Such a good daughter I raised. She has been living well all these days but she lets you keep worrying about her. She even came back and purposely humiliated you and Conrad multiple times. It seems she had forgotten, I have to put her in place." Mrs. William said with a sinister smile.

"Maid Agnès, bring me my phone."

"Mom, did you want to talk to my sister? It's really not my sister's fault." Lillee said anxiously as if she cares.

"No. I'm not. I only want to invite her home. It's been seven years, and everyone has missed her. Besides, she's your younger sister, she should be able to give you the female lead role." Mrs. William said which made Lillee smile beautifully.

"If my younger sister really gives me the Female lead role, I'll really be happy. I have practiced for so long." Lillee uttered with shiny eyes that made Mrs. William decide on her actions.

That Tinsley had to pay for making Lillee suffer injustice.
