"Ahhhhhh!"

A sudden scream suddenly resounded in Hart's mansion after they had just relaxed for the night, which made Mr. And Mrs. Hart and Walker run to Rylee's room.

An impatient knock was heard on Rylee's door and Rylee immediately jumped on her mother happily after she opened the door.

"Mom. I did it." Rylee yelled happily. Her whole body was trembling happily.

"You did what?" The Hart family uttered with curiosity.

"I won the female lead role in Taming Her!" Rylee screamed happily which made everyone's expression change.

"Woah." Rylee hugged Walker. "Female lead in Taming Her, that's incredible! You're capable!" Walker praised sincerely but Mr. and Mrs. Hart's expression changed into anger.

"You... When did you... How did you... You have to stop right now." Mrs. Hart demanded fiercely.

Rylee stuck her tongue playfully, "Mom, I can't. I already signed the contract." Rylee said gleefully which made the Hart parents infuriated.

"Then go cancel it right now." Mr. Hart demanded angrily

"Mom, Dad. The breach fee I signed with my company and Taming Her is really high." Rylee explained, which made their eyes widen in shock.

"You... You've signed with a company?" Walker stuttered in happiness. "You're so ca... Ouch, Mom!" Walker cried loudly.

"Why are you happy?" Mrs. Hart slapped Walker on his head. "Tell me, why are you happy?" Mrs. Hart demanded while continuing to smack CEO Walker without stopping.

"Mom. It's okay." Walker said and quickly escaped from Mrs. Hart's beating.

Mrs. Hart placed her hands on her hips and turned to Rylee, "What's the breaching amount? We'll pay." Mrs. Hart asked

"I signed 20 billion with Taming Her and my company." Rylee immediately lied.

"What? 20 billion breaching fees? What stupid contract is that? Who's your company..."

"It's J Media," Rylee said, which made their expression change to relief. But Mrs. Hart suddenly raised her hand which made Rylee pout and scurried backward.

Mr. Hart and Mrs. Hart sighed. "You've become so capable. Scheming now, huh?" Mrs. Hart accused, which made Rylee run to grab each of their arms.

"If I didn't do it, Mom and Dad wouldn't let me pursue my dream. Don't you think I'm really amazing? I managed to win the female lead position. I'm debuting with Taming Her, my future in the entertainment circle will definitely be boundless." She bragged.

"Oh, it's our elder brother's company. Congratulations little sis." Walker says, but he was glared at, which made him scurry backward while scratching his hair fearfully.

"Hope you didn't ask your brother to snatch that role from someone else? Our Hart only uses capability." Mrs. Hart asked her with a frown.

Rylee frowned playfully, "Mom. How can I? You don't trust my ability. Even if you don't trust me, then you should know brother." Rylee said, which made them nod in relief.

Mrs. Hart turned to Mr. Hart. "Honey, you should invite Jarek for dinner."

"That's if he wants to." Mr. Hart snorted and immediately left the room with a cold frown but once he left the room, his eyes turned red.

"Darling," Mrs. Hart called and hugged him from behind.

Mr. Hart rapidly blinked his eyes before he turned back to Mrs. Hart. "What is it?" He asked calmly.

"Call Jarek. He would be missing the family. And I know that you're also missing him. You can see how he takes care of Rylee."

"Who misses that brat?" Mr. Hart called out in a fierce voice.

"So did you see White Tigress?" Walker asked the happy Rylee.

"Yes. She's so beautiful." Rylee replied with shiny eyes. "I think she's a good actress also because when she suddenly started. Her voice gave me chills. I wonder why she needs a female lead when she can act her character."

Walker's eyes suddenly shine with light. He grabbed Rylee on the shoulder and asked eagerly. "Is she young? Do you think she's single?"

"You want to have White Tigress?" Rylee's eyes gawked in disbelief because Walker never showed interest in ladies and the family was beginning to fear that he was bent. "But you haven't seen her." She said.

"So what?" Walker retorted. "Help brother ask once you've begun acting, will you?"

Rylee sighed and patted his shoulder. "I'll do my best, I can't promise you."

"Do you think I can check you when you're..."

"Brother, I don't know yet, okay? Go to sleep. Goodnight, I have to practice." Rylee said and began to push him away from my room.

"You're bullying your brother now because you're getting popular, right?" Walker said as Rylee pushed him out of her room.

"Yes, I'm sorry. Good night." Rylee said and placed a kiss on his cheeks. "I have to talk to Jarek now." She said which made Walker stop in his tracks.

Walker cast Rylee a brief envious gaze, but Walker was quick to hide it. Unknown to him, Rylee had seen his expression. Rylee suddenly pulled him back. "Thinking about it, it's good for us siblings to reconnect regularly," Rylee said with a happy smile.

On the other hand, Walker began to panic. "It's better if you talk with him alone." He said in a fluster.

But Rylee was definitely not agreeing with his words, "Enough. I'm clear on this topic. Besides, Brother had picked up his call." Rylee said with excitement and turned to the laptop while Walker hung stiffly.

"Brother, I'm a female lead," Rylee yelled freely in an excited tone which made Walker cast the both of them an envious gaze. He wished he could... Never mind.

"Congratulations, our future actress," Jarek said with a faint smile.

"President Jarek, you have to celebrate my first audition," Rylee demanded, which made him nod.

"Your choice. Pick." Jarek said and raised his head.

"Walker." He muttered, which made Walker take a step forward calmly even though he was about to go crazy with excitement due to Jarek's acknowledgement.

"Brother," Walker replied with a calm smile.

"How's the company?" Jarek asked him, which made his eyes light up. Jarek even continued to talk with him.

"It's fine. I was thinking of collaborating with J Empire with our new products." Walker began to say with excitement which made Rylee pout at them.

"Today is my day. I don't want any boring business talk." Rylee stomped her feet playfully which made Walker and Jarek chuckle.

"You can call me to tell me more about it," Jarek told Walker who immediately broke into a happy smile.

"Thank you, brother," Walker said excitedly. His calm facade had now disappeared completely.

"I want J restaurant's top chef's signature meal but..." Rylee muttered with a pout. "President Jarek, before you celebrate mine you need to celebrate Brother Walker's Birthday first. Tomorrow." Rylee commanded in a strict voice.

Even though Walker's eyes lit up due to Rylee's words. He quickly said, "Brother is bus..."

"Ok, I'll come," Jarek said, which made Rylee clap. "It's settled then. See you at J Empire tomorrow." Rylee said, and they cut off the call after a few goodbye greetings.

Walker had a stunned expression after Rylee cut off the call that Rylee had to wave her hand, but he didn't blink his eyes, which made her pull his cheeks to make him snap out of it.

Walker pulled her into a tight hug immediately after she pulled his cheeks. "Brother Jarek, just..."

"I told you, you've been thinking too much. Brother Jarek accepts me even though we're just step-siblings, so why wouldn't he accept you?" Rylee said and began to push him out of the room.

"Famous actress needs to sleep. Famous actress needs some sleep."
