Chapter 35 Walker's Attraction

"Brother, I'm here, hurry." Rylee waved at Jarek's figure excitedly while Walker hung beside her stiffly. They were both leaning on Walker's expensive car. Rylee was dressed in a limited edition luxurious mini gown while Walker was in a black suit.

Even though Walker was excited, he was also nervous that this was an illusion and that Jarek would stare at him coldly just like he always does.

"Rylee," Jarek called and Rylee immediately grabbed his arms excitedly.

"Happy birthday, Walker," Jarek said, which made Walker sigh in relief while beaming a happy smile.

"Thank you, brother."

"The birthday gift had been delivered," Jarek says, which made his eyes light up, but before he could say anything, Jarek threw his keys at Walker.

"There's a collection I have for you. It's in the ca..." Before Jarek could complete his words, Walker had run off.

"He's such a big fan of J Empire," Rylee uttered with a chuckle. She was about to say something when she saw Tinsley getting down from her car.

"White Tig..." Rylee yelled, but before she could finish her words, Jarek used his hand to cover her lips, so she wouldn't reveal Tinsley's identity.

Rylee's call alerted Tinsley, and she walked over when she saw that the call didn't alert anyone.

Tinsley's mood fell when she saw Rylee holding Jarek's hand intimately, but she quickly scolded herself and let herself be unaffected. "What a coincidence," Tinsley said.

"Thank you," Walker said excitedly after seeing the expensive limited collection that he had always been interested in. He was about to say something when he saw Tinsley, and he was drawn toward her beauty.

But before he could say anything, Rylee winked at him and quickly muttered to him, "White Tigress."

Walker's eyes lit up in excitement, but he pretended to be calm and calm. He stretched his hand out, "Hi, I'm Walker. Rylee's brother."

Tinsley shook his outstretched hand with a smile, "Tinsley." She said while looking at his face.

Walker and Jarek almost looked like each other, but Jarek was taller, had a handsome cold-feature and had a burly body than Walker which made her confused, but she quickly brushed it off, Rylee had only introduced Walker as her brother.

Walker raised her hand and placed a light kiss on it which almost made Jarek run mad due to annoyance.

He flirted with a killer smile, "You have such a beautiful na..." Before he could finish his words, he felt a stare directed at him which made him take steps back in fear but that glare disappeared immediately like an illusion.

"White Tigress?" Rylee called, which made Tinsley face her.

"Did you also come here to eat?" Rylee asked curiously, but before she could reply, Rylee grabbed her eagerly. "Today is my brother's birthday, please celebrate with us."

A frown blossomed on Jarek's face, he was annoyed seeing that she didn't pay attention to him. She even dared to let another man kiss her hand. He continued to burn a hole in her body which made Tinsley nervous for no reason.

Tinsley couldn't help wondering how the hell she offended Jarek, maybe it was because she accepted Rylee's offer or something.

Perhaps, he and Rylee were out on a date,' she couldn't help but wonder which was the reason she tried not to get in their midst which gave Walker the chance to talk with her but talking with Walter made Jarek's mood worsen.

The glare from Jarek seemed to burn a hole and when she couldn't accept it anymore, Tinsley couldn't help running away in the middle of the threat.
