## Annoying Them

Chapter 36 Annoying Them

"Goodbye, brother." Rylee and Walker waved at Jarek happily with satisfaction and excitement on their faces.

Walker was about to approach Jarek when a car stopped in front of them. Soon Mr. and Mrs. Hart walked toward the three of them with calm expressions. "Have you just begun, or you have ended?" Mrs. Hart asked while looking at the three of them.

"Mom, it's late already. We have ended our celebration. Brother was good to us." Rylee bragged while Walker nodded to back her up.

"Jarek." Mr. Hart called calmly, but his tone seemed to waver in the end upon seeing Jarek, his first son, and the miniature of him.

"Mr. Hart." Jarek brushed him off coldly and immediately entered the car, without saying anything.

Jarek immediately drove the car off, which left the others feeling awkward.

Jarek was in a bad mood when he arrived home later that evening.

And surprisingly, it wasn't due to seeing his father and his second wife. No, it was all because of Tinsley.

He couldn't understand the feeling he was having for her these days, so he tried to distance himself from her, but it seems it wasn't working.

Even if he wanted to deny it, he knew that he held a touch for her.

He hated seeing her smile at another, he hated seeing Walker with her.

He was afraid that he couldn't bear to see them together.

Jarek couldn't understand why he was holding such a passion for Tinsley, but he can't deny that she was a beauty.

A beauty that was capable of making him act seven years ago. She was also that beauty that was able to pull his heart string seven years after.

Jarek could have tried to ask her out, but he wasn't able to when he remembered his testicular trauma.

Such a woman like White Tigress, would she be able to go out with a man that wasn't fertile?

Jarek pursed his lips, but he silently picked up his phone and dialed Assistant Jacob's number.

"Boss."

"Schedule a meeting with Doctor Ryan. Tell him to find appropriate treatment. I don't care how expensive it is." Jarek informed in a cold tone that made Assistant Jacob shocked.

'Boss will be undergoing treatment?' Assistant Jacob wondered while filled with shock, but before he could say anything, Jarek cut off the call.

Jarek clenched his fist while hoping he can find a treatment that'll work for him this time. He doesn't want to lose Tinsley.

"Mom, you said little sister is coming over, right?" Lillee asked with happiness.

Now that Tinsley is white Tigress, she had to make sure Tinsley was tied down by her mom, so she can choose the role she wanted in any future story Tinsley will be filming.

And she had to find a way to get closer to Tinsley in order to destroy her and make sure she had no comeback.

Tinsley that bitch must definitely have a grudge against her, so she must definitely not let her be more popular than her.

Lillee flashed a sweet smile on her face, but her expression froze when she saw the food that was being served on the dining table. It was the opposite of what she usually ate that was being served on the table which made her displeased.

"Mom, why are we eating sour bitter-tasting food tonight?" She asked with displeasure in her tone.

Mrs. William's eyes flashed with an evil glint and anger, "How can we keep your little sister back home if not cooking her favorite to welcome her and make her believe we are a perfect family? We'll be inconveniencing you tonight, Lillee." Mrs. William said apologetically.

Lillee's fist clenched in anger. That damned vixen! She hadn't arrived, but she was already changing things. Tinsley had always been a sweet food lover; when did she have a change of taste, Lillee wondered, but she quickly brushed it off.

Lillee knew she had to find a method that'd finish Tinsley off completely, but she had to be patient until after she acted in the drama, which would further boost her status as an actress.

The ringing of her phone jolted Lillee awake from her thoughts, a smile blossomed on her face seeing that it was Conrad. "Conrad." She called.

"How can you be cruel, Lillee? You won't even tell your future hubby that you won the female role in Taming Her. I had to see it on social media." Conrad faked anger at her.

"How can I hide that from you? I knew you'd be busy with work, so I don't want to disturb you with something irrelevant." She tried to say in a shy tone.

"How can you call it irrelevant?" Conrad chided, which made her blush. "This is the role many top actors and actresses are fighting for, you know what? I'm coming over to celebrate with you tonight." Conrad said, which made her eyes widen.

That Tinsley bitch is coming over, Lillee must definitely not let the two meet each other again, especially when Tinsley is white Tigress.

"Conrad. I'll be going shopping for the things I need, I'll be back home late at night. What if I checked my schedule to see how it goes?" Lillee said, which made Conrad reply with 'Ok.'

"I talked with Manager Frankie, and she said she'd never let the scoldings happen, okay?"

Lillee beamed into a happy smile upon hearing that word; she greeted him and said sweet things to him until they both cut off the call.

After a few minutes, Lillee began to get impatient.

"Mom, Tinsley should be here by now, right?" Lillee said after checking the time and discovering that it was a few minutes after 8:00 pm, it was getting late and for her who loved to eat at 6:00 pm, it was a bitter torture.

"Oh, Tinsley asked to wait. She said she had some things to do. That vi..." Mrs. William explained, which almost made her yell in anger. "Perhaps, you can eat..."

"No, Mom. After what my sister did for me, I'll wait until she's here." Lillee interrupted, which made Mrs. William sigh and praise her while repeatedly cursing Tinsley inwardly.

It was late in the evening, approximately 10:32 pm, that Tinsley revealed that she'd not be coming home, which almost made the whole family run mad with anger.
