

The Substitute Bride Triplets And The Impotent Billionaire

Fool (3)

Chapter 39 Fool (3)

"Fool." Tinsley chuckled and placed her phone inside her pocket.

"What's funny?" Rylee suddenly said which almost made Tinsley jump.

"Oh, you scared me." Tinsley rolled her eyes at Rylee and Rylee chuckled in reply.

"White Tigress, did you see the news going viral?" Rylee asked Tinsley.

Tinsley, who was about to discuss the concept with the director and photographer, stopped on her track. "What news is that?"

"Actress Lillee posted about becoming the female lead in the Taming Her movie, she even did a live video to confirm it. Had it been I didn't know better, I'd have thought the Taming Her cast was about to evict me." Rylee joked, which made Tinsley frown.

"Holding a live video to spread fake news is slandering our Taming Her cast." Tinsley frowned innocently as if she didn't know anything.

And the truth was she didn't know about Lillee holding a live program in order to spread the fake news she didn't confirm. Lillee is really stupid.

"Ah. White Tigress doesn't have time to check social media. You have to do so once in a while." Rylee said which made her nod.

"White Tigress, are you single?" Rylee suddenly asked and Tinsley nodded before she could even get herself.

"That's good." Rylee clapped and was about to invite her out only for the make-up artist to call Rylee.

"Sorry. I have to go." Rylee quickly excused herself.

Tinsley immediately left and went to the director's side. "Director Martin." She called

"White Tigress." Director Martin replied with a displeased frown. "Actually, I have something to say to you."

"What's it, Director Martin?"

"There's fake news that's currently going viral due to. Erm. Your elder sister. It can't be that you gave her the role, did you?" Director Martin asked straightforwardly.

Tinsley shook her head determinedly, "I won't give a poor actress a role in my movie, especially when President Jarek was the one to kick her out."

"Then you know that's slander, and she'd be sued for releasing misleading information to the media." Director Martin explained to her which she shrugged at.

"It's hers to bear. Rylee was the only female lead in Taming Her, so I don't understand why she was spreading fake news." Tinsley lied without batting her eyes.

"Director Martin. I'm thinking we should release the behind the scenes image of Rylee and Aldean's photo shoot in order to stop the fake news from misleading more people or what do you think?" Tinsley asked him.

"I was thinking of that too. I would speak to President Jarek about the fake news." Director Martin said.

"Since we have talked about the photo concept, I can take my leave now, right?" Tinsley asked

"Yes, you can if you want to. But I'm thinking that you'd like to wait in order to see if the photos are up to your taste." Director Martin told her

"I believed in Director Martin and the photographer's capability," Tinsley said, which made Director Martin laugh.

The ringing of Tinsley's tone broke their conversation.

"I'll be leaving" Tinsley muttered and turned to leave after exchanging goodbyes with Director Martin.

Tinsley picked up her phone only to see that it was Lillee's call.

It was 11:28 am which made Tinsley feel that Lillee had strong perseverance considering that she was still waiting for whoever Tinsley will be sending over.

Is it that Lillee's stupidity had clouded her eyes or the love for Taming Her had turned her stupid? Or did she believe that Tinsley was incapable of tricking her and Mrs. William because the Lillee in Tinsley's mind had always traded with caution?

The continuous ringing of the phone irritated Tinsley so without hesitating, she blocked Lillee and the William's family before switching the phone off and tossing it somewhere her hand wouldn't touch in the meanwhile.
