

The Substitute Bride Triplets And The Impotent Billionaire

Chapter 42 Paying For Damages

"Mom. Mom." Lillee ran out of the car to the house without minding her heels. She ran into her mom's embrace. Her goddess image had been bashed severally by the internet all because of Tinsley in less than two months.

"Tinsley tricked us." Lillee cried out. "She gave me false hope and a fake role. It turns out she has someone else." Lillee cried out pitifully, forgetting that it was all her fault.

Had it been she consulted her manager before she took any steps, she would have evaded everything, but she decided to flaunt without confirming the news.

Mrs. William was about to say something when Lillee's phone began to ring. Lillee separated from her mom and quickly picked the phone up.

"Hello, it's Lillee speaking."

"Miss Lillee. I'm the lawyer in charge of J Empire and Taming Her. Miss Lillee had been called to court due to the spreading of slander and misleading people. It'll be taking place at..." The lawyer informed her and continued to give her the remaining details.

Lillee was extremely shocked by all that just happened. It turns out that Tinsley purposely tricked them in order to make her pay. That damned Tinsley. "Nonsense. What do you mean I have been called to the court..."

"Miss Lillee, be careful with whatever you say because it can be used against you at the court of law. Until then." The lawyer said and cut off the call.

Lillee froze due to all that she had just heard, and it began to scare Mrs. William. "Lillee, say something, and don't just freeze there." Mrs. William said worriedly.

Soon tears began to roll down from Lillee's eyes. "Mom, why did Tinsley hate me so much? Why did she just want to ruin me? We are sisters, she shouldn't have done something like that." Lillee said and began to bawl loudly

"Lillee, explain to me and stop crying please." Mrs. William tries to speak gently while cursing Tinsley inwardly.

"Mom. I've been invited to the court due to the slander and spreading of fake information." Lillee explained tearfully.

"What slander and spread of information? We're just following what Tinsley told us." Mrs. William retorted angrily.

"What Tinsley told us? We do not have any evidence of Tinsley telling me to join the White Tigress' cast."

"You tell Conrad about it while I tell your father. Every string must be pulled. We have to make sure that Tinsley cries, not us." Mrs. William informed.

"But the J Empire is involved?" Lillee replied because she knew that when the J empire is involved, they'll surely lose.

Mrs. William was shocked, "J what? That damned Tinsley, how many times will she sell herself to a man?" Mrs. William yelled angrily.

"Woah. The suing of the delusional sister of yours had been posted. Many Taming Her fans even signed a worldwide petition for it; people are standing by you. Hahaha." Rory clapped happily while they both ate the lunch Tinsley had gotten on her way to Rory's company.

"Good for her. She'll make a comeback to shade me, but I'm curious about what she'd be doing then." Tinsley explained.

"You have the upper hand this time, we hope it'll be the same all the time." Rory grinned.

"As long as the triplets security isn't involved, we shall see how it goes."

"At this rate, I feel like having CCTV in the William's Mansion. It'll be a fun one at this rate." Rory clapped

"President Rory?" Tinsley called with feigned seriousness.

"Huh?"

"Do you know that ever since I came to Ryle country, I don't even have time for my new novel? You're always engaging me in one chat or another."

"Oh." Was Rory's reply after a few minutes because she knew Tinsley was telling the truth.

"Do you want my new book to be released soon?"

"Is that even a question?" Rory glared at Tinsley.

"So please, let me concentrate whenever I'm like this... Writing." Tinsley pointed at the book she was currently writing.

"Alright, baby. I've been given a dismissal letter by my lover. It's so sad."

"Does that mean there's no space for Onyx..."

"Nonsense!"

"CEO, I have done according to your orders." A guard dressed in black reported to Jarek.

"Has Walker and Tinsley met again?" Jarek asked without looking away from the documents he was working on.

"No, President. But Miss Rylee seems to want to make them meet." The guard explained.

"Rylee." Jarek mused and after a few seconds, he hummed nonchalantly. "Watch over William's family." He commanded.

"You may leave," Jarek said and picked up his suit in order to visit Doctor Ryan for his testicle treatment. He had to make sure he got healed, so he wouldn't lose Tinsley to another man.

Jarek wondered what Tinsley was doing but going over is like shooting himself in the feet, so he wouldn't.
