

The Substitute Bride Triplets And The Impotent Billionaire

Not Mad

Chapter 46 Not Mad

"You think or you had?" Tinsley asked while chopping the onions like a chef.

"I had... Wait, why are you not freaking out?" Rory frowned.

"Because I know. Now go back to social media." Tinsley stated, which made Rory shocked, but Rory quickly recovered and opened her social media.

Rory burst into laughter when she saw that Tinsley had forwarded her post and replied with. 'Kyah~~. My jealous Onyx bride is infuriated to death.'

She stiffened when she saw that all the Taming Her crew had forwarded the post also. Besides, Jarek liked her post also.

Jarek had opened his social media many years back, but he had never posted anything nor followed anyone, but he had millions of followers even though he never did anything but now everyone was shocked that the first thing Jarek will do with his account was like a post about Tinsley.

And not only that, the audition video of Rylee and Lillee had been posted online which caused a more massive reaction.

"Tinsley, how many tricks do you have up your sleeve? You kept showing me how amazing you are." Jarek muttered while he watched her play guitar.

Somehow he wanted to hide her so no one would see her play except him.

Tinsley was so creative to make such a freestyle on the spot, why didn't she think about singing a song for the movie?

The more Jarek has this thought, the more the urge to see Tinsley grow stronger.

After so much battling with himself, he quickly dropped the phone and decided to go to Doctor Ryan.

...

"That bitch. She got lucky again." Lillee raised the vase and was about to throw it away when she recollected herself. Why should she keep on throwing her expensive things all because of Tinsley?

Lillee sighed and ruffled her hair in anger as she read through the comments under her audition video.

She was about to say something when she got a notification of a new post that tagged her.

Lillee paled in fright when she saw that the transfer she made and her interaction with the keyboard warriors had been posted online.

Everyone had always thought Lillee was a gentle goddess, but ever since Tinsley was back they've begun to doubt that.

She shivered in fear while wondering if the J Empire would sue her again. At this level, she was afraid and kept on scrolling through the media.

Manager Frankie isn't to be asked for help because Lillee is more like an actress without a manager at this rate.

"Conrad, they were framing me." Lillee cried out in pretense which made Conrad's heart hurt.

"I know. I believed you." Conrad said and began to comfort her.

It took a while for the hot flame to die down, but people are now 3x interested in watching Taming Her because Rylee's audition was quite shocking not to talk of White Tigress suddenly interrupting the act. All of them wished Tinsley would act in the movie, so a new petition was signed but just like always, the crew stayed silent in their dealings.

Lillee had also begun to act in a movie that'll be released in the same timeframe as Taming Her for her plan to sabotage the film's success.

"Mom, you've always been busy now; we want to follow you to the set." The triplets demanded in the morning when Tinsley was about to shower and dress up for work.

Tinsley froze when she heard the request. "But, Mom will be busy and will have no time for..."

The triplets batted their eyes at Tinsley and just like always, she fell for their charm. "Mom, take us along. We want to come. Mom, please. Mama." The triplets crowded Tinsley which made Tinsley's mind spurn.

After a few minutes, Tinsley nodded her head which made the triplets yell happily before bolting out of the room.

Tinsley sighed and ruffled her hair. Ever since the day Jarek had glared at her, she had never come across him.

He didn't even come to check up on Rylee or the set when production began, and she knew that it would be the same thing today, which was the reason she accepted the Triplet's demands.

All she had to do was take precautions and prevent others from taking the triplets pictures, that's all.
