

The Substitute Bride Triplets And The Impotent Billionaire

Jealous

Chapter 47 Jealous

Director Martin strode toward Tinsley with a cheerful smile on his face, "Good morning, White Tigress." He said

Tinsley looked around the living room where they'll be having their next shoot, and she sighed in relief when she saw that Jarek didn't come today.

Throughout the ride to the set, Tinsley's heart had been hung up in fear that Jarek would suddenly appear and because she couldn't let the triplets down after promising them she had no choice but to bring them to the set.

Tinsley soon discovered that her worries were uncalled-for.

Tinsley immediately recovered her cheerfulness when she discovered that she was just overthinking.

"Director Martin, good morning." She replied cheerfully while the triplets looked around the set with curiosity.

"Oh-" Director Martin was about to say something when his attention was caught by the little triplets Tinsley was holding.

Director Martin was stunned when he saw the cute triplets, "Are these your children?" Director Martin was filled with surprise because he never expected Tinsley to have any children since she claimed to be single. Actually, no. She had President Jarek. So what's the truth? Looking at it now, this looks like... Uh. Did he just discover a big secret?

Tinsley smiled upon hearing Director Martin ask about her treasures, "Yes, Director Martin." Tinsley admitted proudly.

Director Martin's heart was captured by the well-behaved and beautiful kids, and he couldn't help but praise Tinsley sincerely.

"White Tigress is really capable, well-talented, and better at doing many things than others." He praised her.

"You flatter me," Tinsley replied softly, but one could see her pride when it comes to the triplet's upbringing.

"Mom, can I look around?" Mason rubbed his hand excitedly and Tinsley nodded her head immediately because the set was safe and well, there was no Jarek.

Jarek stopped in his tracks and clenched his fist upon hearing White Tigress and Director Martin's words.

Jarek had been invited to a restaurant a few blocks away from the mansion where the set was currently located. And Jarek had decided to visit White Tigress and the set before leaving for the company after a few seconds of thought.

Unexpectedly, he would receive the news that Tinsley had children. He clenched his fist hard in sadness. After hearing that Tinsley had a child, Jarek decided to dump his plan to check the set and chose to leave immediately.

After all, he never expected that he was trying to chase someone else's wife all these days. His heart immediately broke at the thought that she would never be his and that he had lost his chance during her absence of seven years.

Had it been he known he would hold something intense for her, he would have immediately run after her that year, but there's no use crying over spilled milk.

"Brother Jarek, where are you going?" Rylee, who had just walked out of the makeup room, asked Jarek when she saw him turning to leave without visiting the set.

Jarek's mind was very messy, so he didn't pay attention to Rylee's words.

He was about to leave when Rylee began to drag him by the hand while feigning a crying expression. "Brother, I have been meaning to show you my acting, are you about to dump me when I'm in the best condition to show you?" She blinked her eyes cutely at him knowing that Jarek easily fell for her charms.

Jarek began to panic because he didn't know how to look Tinsley in the eyes. He had been crushing and letting off his lust using someone else's wife, and it made him embarrassed.

"Erm." Jarek tried to find something to say, but before he could, Rylee had already dragged him toward where Tinsley was.

Tinsley's eyes widened in panic upon seeing Jarek's incoming figure, she was a trembling mess as she was afraid of him seeing the triplets.

She immediately beckoned the triplets, hoping to hide them in a room until Jarek left. "You... Jason, Mason, Ariel. Here. Mom has to do something. Mom, will..."

Mason suddenly pointed at a figure, "Mom. Look. It's President Jarek." The sharp-eyed Mason quickly caught Jarek's figure. And due to the excitement of seeing his role model, he scurried off without listening to Tinsley's instructions.

Tinsley's body trembled in fear, and she began to sweat fearfully, she only had one thought in her mind, it was over.

Why should Jarek come to the set today of all day? But she tries to stay calm since Jarek was yet to see Jason, the miniature of him. She was about to grab Jason when she saw that he had also run after Mason.

Finally over! Tinsley thought and she almost fainted.
