Unbelievable

Chapter 58 Unbelievable

Ariel quickly got down and picked up the call before she returned it to Tinsley, "Mom, what's wrong?" They all asked which made her shake her head.

"It... it's nothing." With that Tinsley returned to scrolling through Jarek's post.

'Wife and babies' Jarek had posted her picture with the Triplet's but the triplet's face weren't revealed, only showing their backframe while Tinsley was laughing and looking at Jarek who also had a faint smile on his face

"It's really beautiful and warm." Tinsley mumbles and saves the picture immediately feeling sweet inside.

Tinsley's actions caught Ariel's attention, "Mom, did you have more pictures?"

"You should ask dad about it." Tinsley replied and returned to reading the comments.

Jarek's post had really sent a lot of frenzy, it really caused so much of a frenzy that social media apps were hanging and stopped working for a few minutes but that wasn't enough to stop people who were shocked by the news.

So it turns out that White Tigress was Jarek's wife, if she had Jarek then why would she need to go over to Conrad? Everyone can clearly see the difference not to talk of White Tigress who'd have seen a lot of men in her life.

"That bitch had kids with Jarek? Was her luck that good? Unbelievable!" Lillee yelled in her room with shock

"How can she? Where did she meet him?" Lillee was filled with anger and disbelief at the news.

Meanwhile Conrad on the other side was filled with rage, he couldn't believe that he had gotten infatuated by just seeing the despicable Tinsley's face.

He suddenly remembered the embarrassment of being kicked out by the J Empire and he only had one thought. "Well done Tinsley, I'll be sure to pay you in folds."

Jarek felt a hot gaze on him as soon as he entered the car. He calmly gave the ice cream and snacks to the Triplet's before he turned to Tinsley.

"What's it? Miss me so much, you can't take your eyes off me?" He teased her which made her blush but upon remembering what she had just seen, she stopped smiling and turned to him seriously.

"You posted us." She said, talking about social media.

"Yes. Remember you owe me for that." He teased her, which made her look at him with a strange expression.

"You didn't doubt the triplets' identity?" She continues to ask.

Jarek didn't doubt her at all. After all, they all have a resemblance with him but still, he had sent the triplet's hair coupled with his and Tinsley's hair because of the future or anything that may need them to prove it. And the DNA result proved that they were families.

For someone like Jarek who had lost hope of having a family in his lifetime, after receiving such news, he can't wait to broadcast it to the world, especially after all that was happening online.

"They all looked like me, what's to doubt?" He asked with a harrumph which made her stare at him with intense feelings in her eyes.

Tinsley couldn't understand how she was able to have this man but the best thing that happened to her was throwing herself to him. He had repeatedly saved and forgiven her without asking for benefits. She clenched her fist in order to suppress herself because all she wanted to ask him was, 'Is marriage accepted as a reward?'

"Dad, carry me." Ariel suddenly pouted while blinking at Jarek cutely, which made Jarek feel as if his heart was dipped with sweetness.

He had just carried Ariel when Mason held his leg. "This little boy is clingy." Jarek teased Mason and carried him, which made Mason giggle.

He turned his gaze to see Jason biting his lips, also wanting Jarek to carry him but not wanting to say anything because of his integrity.

Jarek silently began to count to himself, "One. Two..."

"Dad," Jason called in a light whisper and Jarek carried him.

"Let me take a picture. We can put it in a frame." Tinsley said eagerly which shocked Jarek, but he nodded and said. "Okay."

"Mom, join us, let's take a selfie." Ariel and Mason clapped eagerly and Tinsley nodded without hesitation.

"Mom, Dad. Kiss. Kiss." Jason suddenly said, which stunned Tinsley while Jarek's lips curved up.

"You. What are you saying?" Tinsley chided him, but he only looked at her innocently.

"My classmate told me his mom and dad kissed every time they took a picture." He explained which made Mason and Ariel begin to clap while chanting innocently. "Kiss. Kiss."

Tinsley looked at Jarek with hesitation, but before she could say anything, he placed a kiss on her lips and tapped on the shutter, successfully taking a picture.

"Yay!!!" The Triplet's yelled in unison, their childishness and happiness emitting out of them which made Tinsley swallow her words.

As long as her triplet is happy. Besides, she also likes their warm family!

The family was chatting when Jarek's phone began to ring. Seeing that it was an unknown number, his brows were furrowed before he picked up the call.

"Hello." The person at the other end of the call says, which made Jarek stunned.
