Chapter 59 The Hart's Family

A wave of emotions collided in him upon hearing the voice, but he tried to stay calm.

He removed the phone that was placed near his ears and cut off the call calmly.

Tinsley noticed that something changed in Jarek, even though he pretended to be calm, she could still feel the opposite mood that he had earlier.

Unconsciously, her hand made its way to his hand and she held it. Jarek turned to look at Tinsley, he was surprised to see that she took action.

He noticed that Tinsley had started to act differently from her resisting self, and he felt that the day she would accept him wasn't far away anymore. Surprisingly, it made his sadness fly off. He smiled at her and she also returned one.

The car slowly came to a stop in front of J Empire. "We are at Dad's company."

The Triplet's was so eager to be in the J empire that without hesitation they got down from the car.

Tinsley rubbed her head, feeling a headache creeping at the triplet's actions. "Are you okay?" She asked Jarek who nodded at her.

Jarek suddenly pressed her to the chair. "Mrs. Jarek Tinsley, you seem to be getting into your wife's role easily." He muttered which made her smile at him.

"Of course, my husband is so outstanding, if I don't do so, other ladies may try to do so which is unacceptable." She replied brazenly, which shocked him.

"I'll make sure to get into po..." before she could complete her word, a hurried knock was heard at the door which put an end to the couple's flirting.

"Mom, Dad. Be quick." Jason implored eagerly, which made them laugh.

"Later, you make sure to have a handle on the Triplet's. Their eagerness this time is more than I can ever handle." She said,

"Beg hubby for the favor." He replied with a smirk that made her gobsmacked. This man is always wanting her to beg or wanting her to pay for one thing or the other.

Tinsley pushed him away from her. "President Jarek, you better remember your future happiness." She warned and got down from the car while swaying her enticing butt.

Jarek clenched his fist upon hearing her words. She accepted him! She even talked about their future.

Jarek got down from the car wanting to go hold her, but his expression changed when he saw the people next to his Triplet's. "What are you..."

"Brother, you've been hiding your wife and kids for so long so we decided to come see them." Rylee quickly said when she saw Jarek sweeping the Hart family's unhappy gaze.

"Did you have lunch yet?" Mr. Hart asked Tinsley because he could already guess what Jarek's reply would be.

The atmosphere between the family was awkward, and she doesn't want to do anything that'll make them uncomfortable, so Tinsley turned to Jarek.

Jarek knitted his brows angrily wanting to pronounce a ruthless NO, and that's when the Hart family emitted a plea.

'Hear them out if you want, your wish is my command. But it's better to make your family harmonious.' She quickly wrote in his hand which made Jarek stare at her solemnly.
