

THE SUBSTITUTE BRIDE TRIPLETS AND THE IMPOTENT BILLIONAIRE

Chapter 91 Lover's Island

Lover's Island

Chapter 91 Lover's Island

After leaving the airport, Jarek's car drove to Lovers, a famous island owned by Jarek; it was meant to

serve couples.

"Beautiful. So romantic." Tinsley lowered the window and was about to remove her face and half of her

body through the window, but Jarek pulled her down before she could.

Tinsley grunted at him and turned to stare out of the window instead. Her eyes lit up as she took in the

beautiful and clean scenery.

Soon they both arrived at a mansion inside the LOVERS island and the car naturally came to a stop.

Jarek got down and held Tinsley's hand after opening the door.

"Beautiful." Tinsley stared at the stretching island with excitement. "What does it consist of?"

"Spa, sports, club, karaoke..." Jarek continued to list, which made her tremble in excitement.

"Woah. Very interesting. I have to go through every single fun thing." She said while tucking her hair

behind her ear.

Jarek smiled at her warmly, "Yes, we would." Jarek replied with a chuckle and immediately pulled her

into the Mansion.

"Pick a room upstairs. Take a bath, I'll be there soon." Jarek said and she nodded quickly.

Jarek went to the kitchen to prepare their dinner while Tinsley went upstairs to clean up.

After eating the delicious meal prepared by Jarek, the two decided to call the triplet before they retire for the night.

"Your kids refused to talk to you." Rory chuckled lightly as she informed them. "Said you tricked them."

She informed.

"Mom. It's not fair." Mason's unhappy grumbling drifted into their ears, which made Jarek and Tinsley look at each other with a smile.

"Mom and Dad are sorry, baby. We'll make it up to you when we return, okay?" Tinsley coaxes them.

"You'll also take us on a vacation, Dad?" Jason asked, purposely calling Jarek's names because he knew that Jarek made the decision.

Jarek chuckled helplessly. "Yes."

"No trick, okay? Please, Dad." Ariel's cute voice drifted into their ears, which caused them to laugh silently.

"Yes, princess," Jarek replied, which made her smile happily. "Yay, we'll have a vacation also."

They continued to talk to the triplet and after a while, Tinsley and Rory began to speak with each other.

"How's Onyx and you doing? When is the marriage?" Tinsley asked with a teasing smile.

Rory fell silent for a while and Tinsley almost thought that she wasn't on the phone anymore.

"Breakup." Rory finally spilled with a slightly trembling voice. She looked up to stop the tears from trickling down her cheeks.

Tinsley's eyes widened in disbelief. "Break up? No way, did he cheat on you? He doesn't look like someone who can."

Rory calmly replied. "He didn't."

Tinsley was stunned. "Huh? If he didn't, why did you break up then?" She asked.

"He had been feeding me lies from the beginning," Rory replied, which made Tinsley frown. "What lies?"

"I'll tell you when you return from the vacation." She replied and that made Tinsley annoyed.

"I swear, if you don't tell me right now, I'll return to the country right away." Tinsley threatened, which made Rory sigh.

"Onyx is a leader in the underworld. He's the famous ruthless CLAW known in the underworld. I have

always thought that he was a poor person. I..." Rory broke into tears in the privacy of her room.

Tinsley was stunned by the details, but she knew that the most important thing was having Rory calm down. "Rory. I..."

"It's okay. I'll be fine. Have fun with your husband." Rory replied calmly and cut off the call.

Tinsley was stunned by all that happened. She turned to Jarek for confirmation and he nodded.

"Hm. He is." He replied straightforwardly.

She looked at Jarek, "Then... Are you?" She stared at him straightforwardly.

Chapter 92 I Love You

I Love You

Chapter 92 I Love You

"Yes. Before." He calmly replied, which made Tinsley fall silent, not knowing what to say.

"Do you have a problem with that?" Jarek arched his eyebrows when he saw her frowning.

Tinsley shook her head helplessly, "It's just that I don't know. I didn't expect it." She had always thought

he was just the owner of the J Empire, she never expected that he also had a connection with the underworld.

"Even if you stay still, the enemy will come after you. How did you think I had a testicular trauma?"

Retreated and stayed silent for many years, still I was plotted at. I narrowly escaped death many

times." He explained and when he saw her looking at him with a frown. He pinched his palm and took a

breath. "If you don't like it..."

Tinsley shook her head knowing that he was right. His details were exactly the same as her and Lillee

even when she didn't go to Lillee, Lillee still came after her, "It's okay. I believe that you'll always protect

us."

Jarek hugged her and kissed her forehead with a smile. "You're the most understanding woman ever.

I'm glad you seduced me that night." He teased her, which made her frown unhappily.

"What do you mean seduce you? I only wanted to appreciate you for speaking up for me, who knew

that your lustful self will take me to bed?" Tinsley grumbled a lie.

Jarek tickles her waist with a teasing look. "Your conscience doesn't hurt when you lie?" He asked

while continuing to tickle her waist until she began to laugh.

"Stop it. Jarek. Stop it. Haha." Tinsley continued to laugh loudly while trying to run away from his cruel

hand but to no avail.

Jarek suddenly stopped. He bowed his head and kissed her lips intensely.

"Tinsley, I love you." He

muttered in a calm voice while looking at her.

His voice was calm as he pronounced his love for her. She was such a wonderful woman who provided

a warm home and raised him cute and sensible children. What more did he want?

"Jarek." Tinsley's eyes welled with tears, and she threw herself into his embrace. "I love you too." She

revealed which stunned him.

He laughed and then hugged her tightly. "Let's provide a warm home forever." He whispered into her

ears and she nodded confidently.

The two fell asleep while embracing each other with a smile on her face.

Tinsley woke up late the following morning due to jet lag. She yawned lazily and opened her eyes to

see Jarek serving her breakfast. "Breakfast on the bed." He said, which made her smile.

"Hubby is so good." She said and pecked his lips. "Good morning."

"Good morning, baby. Brush your teeth and come over for breakfast." He said, and she quickly jumped

down the bed.

"I can't wait to have a taste of President Jarek's incredible meal." She ran into the bathroom while

giggling happily.

"Cute," Jarek mumbled to himself and patiently waited for her. He knew Tinsley would definitely not

brush her teeth alone, she'd end up taking her bath and she definitely did.

"Beautiful." Jarek eyes her from head to toe with a mischievous smirk.

Tinsley's face and ears reddened due to the mischievous look on Jarek's face. "Rogue."

"Said a certain woman who's happily seducing a man in his room." He said mischievously. "Hey lady,

can you be mine? I promise to pay for the night." He flirted.

Tinsley was short of words, and she could only glare at him. "You're shameless." She said and scurried

off to the closet amidst his loud chuckle.

"Baby, you're so cute." Jarek's mischievous voice drifted into her ear which made her face redden.

She scowled with a smile on her face. "Such a shameless rogue."

Chapter 93 You Don't Want A Jealous Jarek

You Don't Want A Jealous Jarek

Chapter 93 You Don't Want A Jealous Jarek

"What do you want to do today?" Jarek asked Tinsley as they walked down the stairs.

Tinsley clapped her hand excitedly. Her hair was packed in a bun for her plans today, "Let's play golf"

She blinked eagerly. "Then we can go karaoke-ing, watch movies, then have a spa before we retire for

the night." She muttered excitedly which made Jarek sigh.

"Shouldn't it be the other way around?" He asked her skeptically.

"What do you know?" Tinsley rolled her eyes while stretching herself in preparation happily. "We follow

my wish, okay? I call the rules. I don't follow the rules." She uttered which made Jarek chuckle.

"Alright, your highness. Your wish is my command, your highness." He joked while bowing slightly to

her.

Tinsley tilted her neck proudly without blinking her eyes, enjoying Jarek's submission.

"Alright, my favorite bodyguard, you may rise for this highness. Quickly take this highness away." She

said while grabbing his hand and continuing to list her schedule.

"Tomorrow, we can go horse riding. Can you dive? You'll show this highness. Can..."

"You fuck?" He interrupted her with a flirty gaze. "Because I'm going to fuck you badly." He remarked

which made her eyes reddened. She dropped his hand and scurried into the car with a beating heart.

"This man is so shameless, only knowing about fucking. Such a rogue!" She clicked her tongue.

Tinsley stepped out of the dressing room wearing the golf outfit for a female; a tee and short. Her hair

was packed, and she was putting on a face cap.

Jarek eyed her smooth long leg that was left on display due to the golf skirt she wore.

He walked toward her and hugged her thin waist. "Let's cosplay as a golf instructor and students in the

evening." He uttered shamelessly.

Tinsley rolled her eyes and immediately pushed him away from her while scowling. "Rogue." She said

and began to skip toward the golf course happily.

There were some people on the golf course which included men, couples, and some females who were

playing.

A beautiful Tinsley's appearance caught everyone's attention, but Tinsley was nonchalant to it while

humming happily.

"Hi, miss." The golf instructor was a man in his early thirties, and he was attracted by Tinsley's beauty

and eagerness.

"Hey, hi." Tinsley waved at him.

"Did you come alone? Did you know..."

"Come over. I'll teach you, beautiful." Jarek interrupted the instructor's words by walking over to Tinsley.

His hand wrapped around her waist domineeringly, and he coldly startled at the instructor.

The golf instructor quickly moved back upon seeing Jarek. Jarek not only owned the Lovers island, he

is more powerful than him, and it won't take a finger of Jarek to destroy the instructor.

"Okay." Tinsley quietly replied and followed him.

Many people were stunned when they saw Jarek. In that instance, they remembered that Jarek's wife

is White Tigress, which means that the young and beautiful woman besides Jarek who looked like a

teenager is White Tigress.

They quickly hurried over to greet him in the hope to have a connection, but before they could say

anything, Jarek raised his hand. "I need privacy with my wife." He ordered in a calm voice that gave

room for no hesitation.

They all sighed and couldn't help but turn back to look at the perfect couple who were having their fun

time. They could hardly believe that Jarek was the one smiling at Tinsley while saying something to

her.

They all turned to stare at Tinsley who was playing golf happily, and they couldn't help thinking that she

was one of the most beautiful women they have ever met.

Jarek was annoyed when he saw the men staring at his beautiful wife.

"What are you waiting for?" Jarek scowled at them while staring daggers at them.

The jealous man hugged his wife tightly while emitting pressure that immediately sent the men away.

"Teach me." Tinsley stretched her hand that was holding the ball toward Jarek while pouting at him. All

that she had been playing was wrong.

"Call me hubby, and I'll teach you." He said, which made her scowl, but she obediently called him

hubby, which made him begin to teach her patiently.

Soon his eyes darkened in anger when he caught men staring at her beautiful, long slim legs. This view

is for him alone, how dare they?

Jarek was so annoyed that he ordered his guards to send everyone out, leaving only him and Tinsley

on the golf court.

"Aiya. I have always watched those girls play it easily, how can it be this hard?" Tinsley sighed while

wiping her illusionary sweat away.

Jarek's hand crept to her thin waist, and she smacked his hand angrily. "What teaching? You're just

taking advantage of me all day, you rogue!" She scowled at him angrily.

"Wife, it's not what you think." He said while nuzzling her neck. His hands wrapped around her waist as

he pulled her to him. "I only planned to prepare your body for the..." He said which made her push him

away.

"Liar!" She said and immediately dropped the golf club while striding out of the court.

"I'm done with you and your golf course. I'd rather go karaoke-ing. I'll do that well." She said and began

to storm out of the court, but she had just taken a few steps when her back slammed against his chest.

"You should dress properly before you leave. They belong to me." He uttered while caressing her

smooth legs that were on display.

Chapter 94 Don't Underestimate Me

Don't Underestimate Me

Chapter 94 Don't Underestimate Me

Tinsley felt herself shiver against his touch, but she snapped out of it and ran to the dressing room.

"Hungry?" He asked while nodding her head at her clothes that didn't reveal her smooth leg.

Tinsley was dressed in a high waist drawstring straight-leg pants and a striped tee.

"No. I want to sing." She said excitedly. "Can you play any instrument?" She tilted her head and eyed

him from head to toe before she shook her head. "No, you're only a business wizard, how can you

play? Never mind." She said and began to hum again.

Jarek gritted his teeth angrily when Tinsley began to underestimate him again. "Let's make a bet." He

said which made her ears perk up.

"What is it?" She asked in excitement.

"If I can play three songs of your pick well, then I get to have you agree to my night demand throughout

the vacation." He explained with a cunning smirk.

Tinsley was immediately bought, "And if you can't?" She asked.

"I'll agree to all your demands." He said which made her smile happily.

"Including acting in a kiss scene in a romantic movie?" She asked him with a cunning smile that made

his vein throb in anger. He couldn't watch her kiss anyone!

"Tinsley, don't go too far." He said in an unhappy voice which made her snicker silently.

"President Jarek, you chose a favorite pick of yours; how do you expect me to bet without choosing

mine?" She tilted her neck proudly.

"A fake kiss scene is allowed." He reprimanded her, which made her eyes light up.

"How about you make me dress in whatever way and style I want without any complaints?" She asked.

This jealous Jarek is always protesting whenever she packed her hair or wear off-shoulder. He wouldn't

allow her to go out if she wore a mini dress or dress that emphasizes her figure. Now that she had a

chance, what better way is there to talk?

Hearing her proposals makes him shake his head, "Never mind. Forget it, nothing good comes out of

betting." He remarked angrily which made her laugh happily.

"I'm interested now." She said happily. "So we will be betting on three songs. I understand you lacked

confidence in yourself which was the reason you are afraid of my proposal." She taunted him with a

deriding sneer which made his expression change. This woman is always underestimating his abilities.

What was he thinking? She couldn't win the bet anyway! "Alright, I'm in." He said which made her

laugh. She thought he agreed because he doesn't want her to laugh at him. She was confident in

herself anyway.

"Yay. Let's go." She pulled Jarek's hand as he led her to the music room. Since there'll be a challenge

between them, they decided to forfeit the karaoke-ing for later.

"Can you play a violin?" Tinsley smacked her lips playfully. "Why will I use 'can you'? I need you to play

Mozart 'the magic flute'." She tilted her head proudly. "Simple, right? I don't want you to cry in the first

rou..." Tinsley's lips parted in disbelief, and she stared as Jarek picked a violin with extreme familiarity.

He tightened the violin bow and tuned it with extreme familiarity before he held the violin in place. Jarek

closed his eyes and began to play without the use of a musical score.

Tinsley was stunned when Jarek began to play correctly without missing any notes. "He can play. I

overestimated him." She was shocked, and soon she was into the music and couldn't help singing

along.

It was until Jarek ended that she realized what she was doing. "You, you can play." She accused him

angrily.

"I never said, I can't." He replied to her, which made her harrumph.

She had to make sure she gave him a hard one for the next two, or she'd definitely lose to this cunning

man.

"Play La Campanella by Frank..." Before she could complete her sentences, Jarek began to play

without any musical score again. "You."

Jarek opened his eyes and smirked at her. "I won the best musical score player and writer when I was

in my teens, what do you expect?" He asked cockily.

Tinsley was stunned, "Best..."

"Hm. It's on the internet." He replied to her, and she quickly picked up her phone to search.

She soon gasped when she watched the video of young Jarek playing harder musical scores.

They were news about many top stars wanting to poach him, but he refused. Tinsley sighed when she

realized that she had lost extremely.

"Never underestimate your opponent, white Tigress. I'll be waiting for you tonight." He smirked at her.

She shook her head with a fawning laugh. "Hubby, you're right. Nothing good comes out of betting."

She replied only for him to draw her closer with a smirk.

"Not every time because I just found something good to eat." His lips kissed her neck which made her

blush and naturally, she ended up agreeing to his demands.

Chapter 95 Lillie's Anger

Lillie's Anger

Chapter 95 Lillie's Anger

Lillie was angry every time she saw the post about how William's family was being treated by the fans

or how the company stock price kept falling.

If it wasn't for Conrad, perhaps they would have almost reached the point of going bankrupt.

Lillie knew that she had to do something, she kept on losing her followers that buying followers wasn't

able to keep up with the amount she was losing daily because the fans were all unfollowing her very

quickly.

Lillie was lost in thoughts when Conrad suddenly sent a picture to her, and she clicked on it

immediately.

The picture was of their invitation card, it was finally ready.

Lillie's eyes lit up when she saw it. She finally found something to change the tide and bury the old

news.

Lillie knew that if she uploaded the invitation card, many people would be swayed by it and naturally

the old fight would be buried up.

Not only that, the billionaire's deed that she is filming will naturally be on the hot search.

Lillie immediately uploaded the picture with the caption while tagging Conrad and William's family:

'Wedding day arrival. Who wants to celebrate my special day with me?'

And not long after she did so, the news about Lillee and Conrad's marriage became one of the top

trends. And she believed that it would be so for a week or even two or three which made her happy.

The people who were discontented about Lillee and William's family soon stopped talking.

Instead, they started commenting on how they wanted to attend her wedding and how she'll be the

most beautiful wife.

Lillee's followers began to increase again, which made her smile happily while staring at her phone.

Soon her phone pinged, which indicated that she had a notification on social media. She tapped on the

social media app, and she saw that Conrad had just commented on her post and forwarded it.

'She'll be the most beautiful wife.' he uploaded, which made everyone begin to talk.

Lillee happily liked Conrad's post which caused another frenzy topic, the fans kept on talking about how

the both of them were always quick to interact with each other and how they deserved to be the golden

couple.

Lillee had happily believed that things would go that way until Tinsley suddenly posted a picture of her

playing golf with the caption. 'Another miss. President Jarek isn't a good teacher. Sigh! My handsome

rogue.'

She also uploaded a video of Jarek playing La Campanella with the caption. 'I underestimated my

husband. I lost the bet to my musical genius hubby.'

Even though Tinsley didn't post sweet sentences about Jarek, it was enough to send fans into Frenzy,

and in less than an hour, Tinsley already had millions of likes and hundreds of thousands of shares,

which surpasses Lillie's post by far.

Unlike many stars who would post sweetness, Tinsley was straightforward, and it showed the

warmness and sweetness between her and Jarek, and it made the fans envious.

Suddenly someone commented on Tinsley's beautiful straight leg that was revealed by the skirt she

wore.

'Oh, my, beautiful legs. More beautiful than many models. I'm a leg fanatic, seeing such a perfect leg

can make me die happy.'

Immediately people were attracted to Tinsley's legs, and it caused a lot of frenzies, but in a few minutes

the post was deleted and another was uploaded but this time, Tinsley's legs were covered by an emoji

with the caption: 'Hubby is jealous again.'

'White Tigress and President Jarek are being unfair, how can they keep on spreading their love without

caring about us singles? I need to sue someone.'

A few minutes later, Jarek commented on Tinsley's latest hubby. 'Wife.'

Immediately, many fans began to comment under Jarek's comment with playful annoyance.

'Stop spreading love, okay?'

'Spare the singles.'

A few minutes later, Jarek uploaded a picture also. His hand was wrapped around Tinsley's waist as

she played golf.

Tinsley had a cute frown on her face due to the fact that Jarek was taking advantage of her instead of

training her properly. 'And I sneak my beautiful wife on a vacation without the children's knowledge,' he captioned.

Only for Tinsley to comment. 'Dad, no more tricks, okay?' She imitated Ariel. Jarek and Tinsley's cute interactions immediately top the hot search, kicking Lillee's post away. It

further stabilizes the happy relationship between the two.

Lillee was so filled with anger by what she saw that she swept the things on the table away angrily.

She quickly called the PR to inform them to make her post to be on the top search but no matter how

much she did, her post was still below Tinsley and Jarek's own.

Lillee gritted her teeth angrily. She believed that Tinsley had purposely uploaded her post about the

vacation in order to make Lillee's wedding post buried. She clenched her fist and she swore to never let

Tinsley go.

Tinsley chuckled as she went through Jarek's page happily.

Jarek rubbed her hair fondly before placing a kiss on her forehead. "So happy?" He asked her, and she

nodded with a warm smile on her face immediately.

"Yes, I am so happy tonight. However, there is something that is making it not complete." She uttered,

and her expression suddenly changed into a serious one.

Jarek was surprised by her words; he arched his eyebrows and sat beside her immediately. "What is

it?" He asked her calmly.

Tinsley sighed and held Jarek's hand. "I want to know everything about you, your happy and sad times

growing up, when will you tell me? I have been waiting for you to tell me for a long time, but I can't wait

anymore. Now that both of us are alone in our privacy, can you please tell me?"

"Did you perhaps hear the interaction with the Hart family when they came to the hospital?" Jarek

asked her while staring at her intently.

"Yes, I did." Tinsley nodded straightforwardly.
