

The Order 1001

Chapter: 1001

“Is this Chen Ping an invincible Xiaoqiang? He is too strong.”

“It’s exciting now!”

Everyone who was about to leave turned back one after another. It seemed that there was more excitement to come from this competition.

Chen Ping slowly stood on the ring, and the golden light on his body slowly faded.

At this moment, not only did Chen Ping not appear to be injured at all, but he was much more energetic than before.

“Qin Xiaolin, if this is all you have, then end it...”

After Chen Ping finished speaking, his body suddenly rose up and flew directly towards Qin Xiaolin. His sandbag-sized fists went straight to Qin Xiaolin’s door.

This time, Chen Ping didn’t use any fancy moves, just this simple punch, which flew away with strong wind. Because the speed was so fast, the air around him seemed to be sucked out instantly.

Qin Xiaolin turned around hastily, raised his hand and punched out, preparing to resist Chen Ping’s attack!

This was the first real physical collision between two people since they came on stage, so everyone watched with wide eyes, hoping to see another miracle.

If the Grand Master wins against the Wuzong, it will give many warriors confidence, which shows that the gap in realm can be made up.

boom.....

Chen Ping's fist collided heavily with Qin Xiaolin's fist, and the huge impact spread out around the two people. Everyone could see the aftermath spreading at a speed visible to the naked eye.

Seeing this, the people sitting in the front row hurriedly took action, each bursting out their breath, and then resisted the spreading impact. Even so, everyone in the front row felt their bodies trembling, which showed that the impact How powerful.

Click...

With a crisp sound, Qin Xiaolin's wrist bent strangely due to his haste to fight. It was obviously broken, and his whole body was knocked away by a strong force.

Qin Xiaolin, who was already at the edge of the ring, was hit hard and flew straight out of the ring, hitting the ground.

"Brother..."

When Qin Xiaotian saw this, he was shocked and jumped up quickly, trying to help Qin Xiaolin.

The servants of the Qin family also jumped into the air and joined forces to catch Qin Xiaolin.

Bang bang bang.....

After a muffled sound, Qin Xiaotian and the Qin family servants were all hit hard by Qin Xiaolin and flew backwards together.

So many people were unable to stop Qin Xiaolin's body from flying backwards, which shows how powerful Chen Ping's punch was.

Qin Xiaolin and Qin Xiaotian, as well as many servants of the Qin family, all hit the ground hard, stirring up bursts of smoke and dust.

Chapter: 1002

At this moment, the entire stadium exploded. Chen Ping's punch shocked almost everyone.

"Mr. Chen is awesome. He can challenge everyone in the Qin family alone..."

Lin Tianhu jumped up excitedly and kept yelling.

"Great Elder, Great Elder....."

Yu Dong wanted to ask Xu Changsheng what was going on, but found that Xu Changsheng looked straight at Chen Ping, motionless, as if he had been immobilized.

Qin Xiaolin climbed up with difficulty, his expression extremely ugly.

The right hand drooped weakly and could no longer move.

Looking at his broken wrist, Qin Xiaolin couldn't figure out why Chen Ping, a great master, had such strength. He found that when fighting with Chen Ping, Chen Ping's energy seemed to never be used up, and the more he fought, the more powerful he was. Sheng.

This cannot be the strength that a warrior with the strength of a grand master can show. Could it be that I have made a mistake?

"Chen Ping, I lost. I admit that you are very strong. You are not a grand master. What is your strength? What secrets do you have?"

Qin Xiaolin narrowed his eyes slightly and looked at Chen Ping and asked.

Hearing what Qin Xiaolin said, everyone looked at Chen Ping. They all thought that Chen Ping's strength was just that of a great master, but now he had completely defeated Qin Xiaolin, a martial sect. Could it be that they were all wrong? Or maybe there is some secret about Chen Ping, these people want to know.

"You don't deserve to know the secrets about me..."

Chen Ping smiled coldly.

Qin Xiaolin's face was full of anger, but he was not in the ring. Now that his wrist is broken, he can no longer be Chen Ping's opponent.

"Okay, today I am defeated by you. I admit defeat. Let's see..."

Qin Xiaolin had no shame in staying any longer. After finishing speaking, he turned around and prepared to take people away.

"Do I agree with you leaving?"

Just as Qin Xiaolin turned around, Chen Ping's voice came, and then a black shadow flashed above his head. Chen Ping jumped down from the ring and stood in front of Qin Xiaolin.

Qin Xiaolin frowned: "Chen Ping, I have given up, what else do you want?"

"Admit defeat?" Chen Ping raised the corner of his mouth: "I'm going to ask you to kowtow and admit your mistake, and I can spare your life. If you don't agree, then you can't leave today."

"Are you going to kill them all?" Qin Xiaolin didn't expect that Chen Ping wouldn't let him go even after he gave up.

"Today is a fight of life and death. If I lose, will you let me go?"

Chen Ping had a cold face. He had no intention of letting Qin Xiaolin leave alive from the beginning. Kindness to the enemy was cruelty to himself. Chen Ping was not so kind.

Chapter: 1003

Everyone was stunned when they saw that Chen Ping was going to kill Qin Xiaolin.

A grand master actually stopped a martial arts master and wanted to kill him. What's more, there were many people from the Qin family at the scene, including several masters in the grand master realm. Chen Ping planned to fight the entire Qin family by himself. ?

"Chen Ping, don't be too arrogant. My eldest brother has given up, but you still want to kill everyone. I really think our Qin family is afraid of you!"

Qin Xiaotian stepped out with a vigorous step, while the other Qin family servants directly surrounded Chen Ping in the middle.

"Qin Xiaotian, today is a life and death battle between me and your brother. If you don't want to die, get out of here, otherwise none of you will be able to leave..."

Chen Ping's face was gloomy, and raging murderous intent erupted from his body.

"This is Hongcheng, not Kyoto. If you want to act wild against Mr. Chen here, you have chosen the wrong place..."

Lin Tianhu jumped out of the audience, followed closely by Chi Feng, Zhao Wuji, Bai Xiushan, Wu Liuyi... and many others from the martial arts world in Jiangbei all gathered around.

Hundreds of people from Chifengtang and Juyitang who were originally in charge of the handles outside the stadium also swarmed in and surrounded the entire arena. Qin Xiaolin and the others were surrounded in the middle.

"Qin Xiaotian, this is a fight between Mr. Chen and your eldest brother. It is a battle invitation from your eldest brother. In front of so many people in the martial arts world, do you want to bully the few?"

Bai Xiushan looked at Qin Xiaotian and asked coldly.

“Qin Xiaotian, as the master of the Dharma Protector Pavilion, I don’t care who wins or loses in a formal competition, but if you break the rules, I won’t sit idly by and watch.”

Zhao Wuji also had a cold look on his face. He had long disliked the Qin family. He had just compared him to a dog in the lounge, and Zhao Wuji had long been holding back his anger.

“Hmph, stop trying to frighten me with more people. Although we are small, these are the elites of the Qin family. None of them are above the fifth rank of Grandmaster, and there are even Grand Grandmasters. Just a bunch of you guys, really want to fight Get up, it’s not yet certain who will win and who will lose!”

Qin Xiaotian snorted coldly and planned to lead others to fight hard. He could not watch Qin Xiaolin being beaten to death by Chen Ping. If the Qin family did not have Qin Xiaolin, the Qin family might fall.

Zhao Wuji and the others all looked ugly. Qin Xiaotian was right. Although there were many of them, there were only a few masters above true masters. Some of the remaining people had not even developed their strength and were just counting the numbers. That’s all, in front of real masters, these people don’t even have a chance to take action.

For a moment, everyone froze at the scene. No one made a move, but no one left. It was like this confrontation in a depressing atmosphere.

“Let me say something fair...”

At this time, Xu Changsheng spoke and slowly walked into the crowd.

Xu Changsheng walked forward, but the crowd in front of him was unconsciously pushed open by a huge force.

Yu Dong followed Xu Changsheng and walked directly to the middle position.

After everyone saw Xu Changsheng, many of them looked confused because they didn't know Xu Changsheng. However, Qin Xiaolin, Bai Xiushan, and Zhao Wuji all looked surprised when they saw Xu Changsheng.

Zhao Wuji hurriedly came forward and said respectfully: "I didn't expect Elder Xu to be here too. What a distinguished guest..."

"Pavilion Master Zhao is so polite. I'm also curious. Come and take a look..."

Chapter: 1004

Xu Changsheng smiled faintly.

"Elder Xu..."

Bai Xiushan and Qin Xiaolin all greeted Xu Changsheng with respectful expressions on their faces.

Seeing that these big shots were so respectful to Xu Changsheng, the others all moved away from Xu Changsheng, not daring to get too close to Xu Changsheng. The aura of such a big shot was too much for them to bear.

Chen Ping glanced at Xu Changsheng and Yu Dong, and said lukewarmly: "Do you two also want to get involved?"

"Mr. Chen, this is Elder Xu from Medicine God Valley. Medicine God Valley is..."

Zhao Wuji saw that Chen Ping's attitude was not very good, so he hurriedly followed Chen Ping's introduction, hoping to let Chen Ping know who Xu Changsheng was.

But before he finished speaking, Xu Changsheng waved his hand and smiled: "Pavilion Master Zhao needs no introduction, Brother Chen and I know each other..."

Xu Changsheng's words made Zhao Wuji and Bai Xiushan stunned. They didn't know when Chen Ping met Xu Changsheng.

And Qin Xiaolin, after hearing that Xu Changsheng and Chen Ping knew each other, a bad feeling suddenly rose in his heart.

If Chen Ping really knew Xu Changsheng and had a close relationship, then the Qin family would really not dare to do anything to Chen Ping in the future.

“It turns out that Mr. Chen and Elder Xu have known each other for a long time. It was me who talked too much...”

Zhao Wuji said with an embarrassed look.

“Actually, it’s not too early. We met last night. The two of them broke into my villa in the middle of the night and wanted to steal my elixir. After a fight, we got to know each other...”

After Chen Ping finished speaking, everyone suddenly exploded, especially Bai Xiushan and Zhao Wuji. They never expected that Chen Ping would actually fight with Xu Changsheng!

Moreover, Xu Changsheng also wanted to steal Chen Ping’s elixir. You must know that Yaoshengu claims to be a well-known and upright sect, and he has indeed treated many people in the martial arts world, so he is deeply respected by everyone in the martial arts world.

It’s just that the people in Yao Shen Valley are very mysterious, so most people have never seen people from Yao Shen Valley, and only some masters in the martial arts world or heads of big families know the people in Yao Shen Valley.

Now people in Medicine God Valley are trying to steal other people’s elixirs. Is this still the behavior of an upright family?

“Boy, what nonsense are you talking about? When did we steal your elixir? It’s just that the great elder wanted to see your elixir. When did he say that we would steal your elixir? If we really want to steal your elixir, With the Great Elder’s strength, can you still survive until now?”

Yu Dong glared at Chen Ping and retorted loudly.

“That’s it, what kind of strength does Elder Xu have? Elder Xu has been a Martial Sect many years ago. I have to address Elder Xu as “Senior”. How can you be Elder Xu’s opponent? What’s more, Yaoshen Valley is famous for its alchemy. What can you do? Are you asking Elder Xu to snatch the elixir? It’s obviously you who is slandering others...”

Qin Xiaolin was ecstatic at the moment, and immediately shouted at Chen Ping with a serious look on his face.

Now as long as he brings Xu Changsheng to his side, even if Chen Ping has great abilities, he can’t touch him in the slightest. Moreover, if Chen Ping becomes enemies with Yaoshen Valley, he will definitely die.

Qin Xiaotian was also looking at Chen Ping as if he were looking at something evil. He couldn’t figure out whether Chen Ping was really stupid or pretending to be stupid for offending the people of Medicine God Valley at this time.

Chapter: 1005

“Mr. Chen, this must be a misunderstanding. Elder Xu would never do this. Is there any misunderstanding here?”

Bai Xiushan looked at Chen Ping and winked at Chen Ping desperately.

Chen Ping, as if he hadn’t seen it, smiled coldly: “They broke into my villa at night, and they know best what their intentions are...”

Chen Ping’s words shocked everyone. As a person in the martial arts world, everyone knew where Yao Shen Valley was. What’s more, he was facing the great elder of Yao Shen Valley. Chen Ping actually dared to say such a thing. , isn’t this looking for death?

Bai Xiushan and Zhao Wuji were all worried about Chen Ping, fearing that Xu Changsheng would be angry.

But this made Qin Xiaolin and Qin Xiaotian feel happy.

“Boy, you slandered me, Medicine God Valley. I think you are impatient...”

Yu Dong glared at Chen Ping.

“What, you want to fight with me? You are just a defeated general. Do you have the right to speak here?”

Chen Ping looked at the angry Yu Dong and said coldly.

“you.....”

Yu Dong was furious. In front of so many people, he actually said that he was the defeated general. Yu Dong was a little embarrassed, so he planned to move towards Chen Ping with a single step.

“Yu Dong...”

Xu Changsheng stopped Yu Dong, then looked at Chen Ping with a smile on his face and said: “Brother Chen, I think you must have misunderstood. We have no intention of robbing you of your elixir. As for your recklessness last night, I apologize to you.” Apologize.....”

Xu Changsheng, as the great elder of Medicine God Valley, actually followed Chen Ping to apologize?

This shocked everyone. Even Chen Ping himself did not expect that Xu Changsheng would apologize to him in public.

Xu Changsheng apologized, and Chen Ping couldn't say anything more.

When the Qin brothers saw this situation, their originally excited hearts suddenly cooled down. They didn't know what Chen Ping was capable of, and he was able to make the elder of Yaoshen Valley apologize.

“Great Elder, you...how can you apologize to him?”

Yu Dong looked at Xu Changsheng in disbelief. You must know that people here are from the martial arts world. If this spreads out, wouldn't the reputation of their Medicine God Valley be damaged?

“Shut up!” Xu Changsheng glared at Yu Dong, then glanced at everyone and said: “Today, on behalf of Yaoshen Valley, I would like to say something fair. Today's competition in the ring is about two people settling their grievances. I hope that no one will intervene before the solution is completed. If anyone breaks the rules of the martial arts world, then don't blame me, Yao Shen Gu, for stepping in...”

Xu Changsheng's words instantly stunned Qin Xiaolin. Wasn't this going to push him to death?

Now that he has a broken hand, the energy in his body is almost exhausted. If he continues to fight with Chen Ping, he will definitely die.

“We listen to Elder Xu...”

Chapter: 1006

Bai Xiushan spoke first, and then winked at Lin Tianhu and Chi Feng.

The two men nodded and waved their hands to order all the people from Chifengtang and Juyitang to retreat.

It was obvious that Chen Ping had the upper hand now and there was no need for them to intervene.

However, Qin Xiaotian and the Qin family members closely guarded Qin Xiaolin, but they did not want to leave at all, because Qin Xiaotian knew that as long as they left, Chen Ping would definitely kill Qin Xiaolin.

“Didn't you hear what I said?”

Xu Changsheng looked at Qin Xiaotian with cold eyes.

“Elder Xu, our Qin family has no grievances in following Medicine God Valley. If Elder Xu can help us this time, my Qin family will definitely thank you...”

Qin Xiaotian looked at Xu Changsheng with pleading eyes.

“What do you mean? Are you bribing me in public?” Xu Changsheng narrowed his eyes slightly: “I, Yao Shen Gu, are a well-known and upright sect. Naturally, we must uphold the rules of the martial arts world. No one can break the rules. What’s more, it is your Qin who is writing the gauntlet. As a family member, you must not break the rules, so please step aside immediately...”

Xu Changsheng did not give Qin Xiaotian any face, which made Qin Xiaotian very embarrassed.

“Back off...”

Seeing that Qin Xiaotian was still motionless, Xu Changsheng shouted angrily, and a terrifying aura instantly erupted from his body.

This terrifying momentum instantly enveloped Qin Xiaotian and all the Qin family servants, making everyone in the Qin family instantly feel the pressure of Mount Tai. Several weaker Qin family servants actually spit out blood and could not bear it. Under pressure, he fell to the ground.

The momentum alone can make a grandmaster vomit blood and fall to the ground, which shows how terrifying Xu Changsheng’s strength is.

“Back off...”

Qin Xiaolin said to Qin Xiaotian.

Qin Xiaotian had no choice but to retreat with the Qin family’s servants. At this moment, Qin Xiaolin looked determined. He knew that today might be his death anniversary and he had to go all out.

“Brother Chen, please continue, no one will interfere again...”

Xu Changsheng smiled slightly at Chen Ping, then turned around and retreated with Yu Dong.

Chen Ping glanced at Xu Changsheng with some gratitude, then turned to look at Qin Xiaolin, his eyes full of murderous intent.

“Today, I will send you to the underground to reunite with your son...”

After Chen Ping finished speaking, he jumped up and his body was suddenly in front of Qin Xiaolin.

Qin Xiaolin didn't expect Chen Ping to be so fast, so he quickly stepped back, but it was already too late.

Chen Ping slapped Qin Xiaolin on the face!

Chapter: 1007

Snapped!

After the crisp sound, Qin Xiaolin's body spun around in mid-air and then fell to the ground.

When he looked at Qin Xiaolin, half of his face instantly became red and swollen, blood was flowing from the corners of his mouth, and even a few teeth fell out.

Chen Ping deliberately did not slap Qin Xiaolin to death. He wanted Qin Xiaolin to make a fool of himself in front of everyone, and he also took the opportunity to shock these people in the martial arts world.

He didn't want anyone to cause trouble for him anymore. It wasn't that Chen Ping was afraid, but that he didn't have time to waste on it. He had to seize the time to practice and prepare to land on the Unnamed Island on July 15th.

Everyone looked at Qin Xiaolin's miserable state and swallowed furiously. Who would dare to provoke Chen Ping like this?

Qin Xiaolin got up with difficulty and glared at Chen Ping. He wanted to open his mouth to say something, but unfortunately his face was swollen and his teeth fell out, so he couldn't speak at all.

"You still don't accept it?" Chen Ping slapped him again.

This time, Qin Xiaolin's entire face turned into a pig's head, not a single tooth was left in his mouth, and his nose and face were bruised and swollen from the beating.

"ah....."

Suddenly, Qin Xiaolin's eyes turned red and he roared loudly.

Immediately afterwards, streams of red mist began to rise from Qin Xiaolin's body. The red mist had a strong smell of blood, as if blood boiled and evaporated.

Many people gasped when they saw this scene.

"It's bad. Qin Xiaolin plans to blow himself up and die with Mr. Chen..."

When Zhao Wuji saw this, he quickly said in shock.

At this moment, many people were sweating for Chen Ping. As a martial arts master, Qin Xiaolin, if he blew himself up, it would be as powerful as a bomb and might even affect the entire stadium.

Many people were so frightened that they began to run away, and some capable people immediately released their energy and formed a barrier in front of their bodies.

"Great Elder, Qin Xiaolin is preparing to self-destruct. He doesn't even intend to keep his soul..."

Yu Dong looked at the scene in front of him in shock and said.

You must know that warriors above the master level can gather energy in their dantian, and then detonate their dantian, causing their bodies to explode, and then emit huge energy.

But in this case, not even a bit of dregs will be left of the person who self-destructed, let alone a corpse. Even the soul cannot be left, and there is no way to reincarnate!

Therefore, many people will not easily choose to self-destruct even if they know they will die. And if the strength gap is too big, even self-destruction will not help.

“I didn’t expect Qin Xiaolin to have such a strong temper...”

After Xu Changsheng finished speaking, he waved his hands and a barrier visible to the naked eye directly covered Chen Ping and Qin Xiaolin inside.

Chapter: 1008

In this way, even if Qin Xiaolin blows himself up, it will not affect other people in the stadium. Otherwise, if a martial artist blows up, the scene will be littered with corpses.

But in this case, Chen Ping couldn’t escape even if he wanted to, and could only carry the energy of Qin Xiaolin’s self-destruction.

The energy in Qin Xiaolin’s body began to expand rapidly, and his body also swelled up, as if he had been blown into the air.

However, Qin Xiaolin’s energy did not go out, but continued to accumulate in his body. In the blink of an eye, Qin Xiaolin’s body had swelled to an extremely weird appearance.

Qin Xiaolin looked at Chen Ping with eyes full of unwillingness and anger. Unfortunately, he was speechless now and could only express his emotions with his eyes.

Chen Ping looked at Qin Xiaolin's ferocious look, and there was no trace of fear in his heart, but a trace of joy.

"You are really cute now that you are chubby..."

The corner of Chen Ping's mouth raised slightly, and then bursts of white mist rose from his body. Soon, the mist on Chen Ping's body was intertwined with the red mist on Qin Xiaolin's body.

The mist enveloped the two people, making it impossible for others to see their figures.

Qin Xiaolin was very surprised. He didn't understand why Chen Ping wasn't afraid. This was the self-destruction of a martial artist. No one had heard of a martial artist self-destructing in the past hundred years, and he, Qin Xiaolin, was the first martial artist who was forced to self-destruct by Chen Ping. .

Originally, Qin Xiaolin thought that he could see Chen Ping panicking before he died. Unfortunately, he was wrong. Chen Ping was not afraid and actually had a smile on his face, which made Qin Xiaolin a little confused.

But just when Qin Xiaolin was surprised, he felt that something incredible had happened. He only felt that the energy in his body was rapidly draining out.

You must know that self-destruction requires energy to gather in the Dantian and then burst the Dantian. If the energy leaks out, then there is no way to self-destruct.

Seeing that his Dantian had reached its limit and was about to explode, Qin Xiaolin suddenly felt that his energy was flowing out uncontrollably.

When Qin Xiaolin looked intently, something happened that he would never forget. He saw Chen Ping in front of him, with a slight smile on his face and his mouth slightly open. The red mist rising from his body was completely absorbed by Chen Ping. Inhaled into the body.

Qin Xiaolin was dumbfounded. He couldn't understand what kind of technique Chen Ping was practicing. How could he suck other people's energy into his body?

When Qin Xiaolin wanted to stop the energy from leaking out, he found that he couldn't stop it at all. He could only watch the energy in his Dantian drain away.

At this moment, Qin Xiaolin didn't even have the chance to self-destruct. His originally bulging body was rapidly shrinking at a speed visible to the naked eye, until only a skeleton remained.

Qin Xiaolin didn't understand until his death what kind of strength Chen Ping was.

Time passed by minute by second, but Qin Xiaolin's self-destruction never came, and no one understood what happened.

When the white mist dissipated, Chen Ping and Qin Xiaolin appeared, but Chen Ping was standing, while Qin Xiaolin was lying on the ground as skinny as a stick, his eyes wide open and he had not breathed for a long time.

Seeing this scene, everyone was stunned. Xu Changsheng even waved his hand, tore off the barrier, and hurriedly stepped forward.

Many people also gathered around, wanting to see if Qin Xiaolin was really dead.

"Qin Xiaolin... is dead..."

Chapter: 1009

When someone verified it, the scene was silent. They could never imagine why Qin Xiaolin, who originally planned to self-destruct, stopped at the last moment?

If Qin Xiaolin blew himself up, they could be sure that Chen Ping wouldn't be able to resist it.

However, a grand master in his early twenties actually killed Wu Zong. This was probably the most exciting battle in the martial arts world, and it was also a battle in which the weak defeated the strong, with a huge disparity in strength.

No one can imagine how Chen Ping killed Qin Xiaolin and how he made Qin Xiaolin stop blowing himself up.

“Brother...”

Qin Xiaotian looked at Qin Xiaolin who had become a mummy, and rushed forward, while the Qin family servants also stepped forward.

“Chen Ping, I’m going to kill you...”

Qin Xiaotian stared at Chen Ping with angry eyes and rushed towards Chen Ping like crazy.

Chen Ping did not move, but Xu Changsheng on the side slapped Qin Xiaotian away.

“Didn’t you hear what I said?”

Xu Changsheng looked at Qin Xiaotian coldly: “If you want to die, I don’t mind taking action...”

Xu Changsheng’s words calmed down Qin Xiaotian who had lost his mind.

Ordering someone to lift Qin Xiaolin’s body, Qin Xiaotian glared at Chen Ping and Xu Changsheng: “My Qin family has recorded this debt, and I must avenge it, as well as your Medicine God Valley. I, the Qin family, have nothing to do with you.” Dai Tian...”

After Qin Xiaotian finished speaking, he took the people away, but Xu Changsheng didn’t take Qin Xiaotian’s threat to heart at all.

“Chen Ping, are you okay?”

At this time, Su Yuqi asked Chen Ping with concern.

Chen Ping shook his head: "It's okay, I just feel a little tired..."

"Then let me help you go to rest quickly..."

When Su Yuqi heard that Chen Ping was tired, she hurriedly helped Chen Ping to leave.

"Brother Chen, after this battle, your reputation will spread in the martial arts world, but you can rest assured that we, Yaoshen Valley, will always uphold the rules of the martial arts world and will not let them mess around. If Brother Chen has time, I hope we can visit our Medicine God Valley and we can discuss alchemy skills..."

Xu Changsheng followed Chen Ping very politely.

Chen Ping nodded: "Okay, I will go to Elder Xu for advice when I have time..."

Xu Changsheng had a very good attitude and kept helping him, so Chen Ping's attitude towards Xu Changsheng also changed a lot.

"Then I'll be waiting for Brother Chen at Yaoshen Valley..."

Chapter: 1010

After Xu Changsheng finished speaking, he took Yu Dong and left.

Chen Ping also returned to Panlongwan Villa surrounded by everyone.

Just after the competition between Chen Ping and Qin Xiaolin ended, the Miao Village in the southwest was thousands of miles away.

King Miao is watching this battle via video.

Standing in front of the Miao King were the five heads of the Miao Village.

“King Miao, although Chen Ping doesn’t seem to be very strong, his body is very strong and almost invulnerable to all poisons. My puppet insect was destroyed by him...”

Dali Tou said softly.

However, King Miao did not speak, but stared at Chen Ping on the screen with greed in his eyes...

“If you can transform this body into a corpse king, wouldn’t you be invincible in the world...”

King Miao’s eyes were burning and he said excitedly.

When the five principals heard this, they all looked at each other and finally lowered their heads. No one answered.

Chen Ping had just killed Qin Xiaolin, the martial arts sect, and King Miao was still thinking about Chen Ping’s body. You must know that King Miao’s strength was only at the peak of the grand master, and he had not been able to enter the martial arts sect after practicing for many years.

Fortunately, the Miao village is good at using poison, so if its strength is low, it can be replaced by poison. However, Chen Ping’s body is not afraid of poison and is almost invulnerable to all poisons, so there is no way.

The five barbers did not dare to provoke Chen Ping. They wanted to live a few more years, so they all lowered their heads and remained silent.

King Miao was not angry when he saw that no one was talking about the five great haircuts. Instead, he casually grabbed a flying insect from a clay pot and threw it away.

The flying insects flew away quickly, and after a while, a girl dressed in black and with a graceful figure walked in.

“Father, you are looking for me...”

The girl asked, kneeling on one knee in front of King Miao.

“Xiaolan, go and bring this man to your adoptive father, but don’t kill him, I want to live...”

King Miao showed Ye Chen’s image on his phone to the girl.

The girl just glanced at it and nodded: “Xiaolan knows...”

After saying that, the girl got up and walked out.

“Don’t be idle, five of you. Go and prepare the poison of the Corpse Master right away. Soon our Miao Village will be able to break through to the southwest!”

King Miao said with sparkling light in his eyes.
