

The Order 101

Chapter: 101

The middle-aged man was slightly stunned. He didn't expect Wang Hanhan to refuse, and he was very surprised!

You must know that he has tried this method many times, and no one has rejected him. Some girls even jumped with joy. In today's society, money is paramount.

"Do you think the money is too little? I can give you more and buy you a house as a love nest for the two of us. You can have whatever you want, and I won't interfere too much in your private life. Everyone Yue, you only need to accompany me four or five times. My current body is not suitable for putting too much energy on women. This can earn more than you being a dancer, and you don't have to be eaten by those stinky men..."

The middle-aged man is still seducing Wang Hanhan!

Wang Hanhan has made up her mind. She cannot be someone else's lover. She doesn't want to spend her whole life in exchange for this short-term comfort. She feels sick when she looks at the bald man in front of her. If he is not her boss, she might have cursed her. Got it!

"Boss, I really can't do it, you should find someone else..."

Wang Hanhan shook his head again!

Seeing that Wang Hanhan still rejected him, the middle-aged man immediately turned his back and said with a glare: "When you get to me, do you still have a choice? There is no woman I am interested in that I can't get my hands on..."

When Wang Hanhan saw this, she was so frightened that she stood up hurriedly and wanted to run out. But as soon as she stood up, she felt dizzy and dizzy!

"Hahaha, you can't leave. Do you still want to leave after drinking my wine?"

The middle-aged man laughed!

Wang Hanhan's face turned pale. She wanted to curse, but she couldn't open her mouth anymore. She looked at the middle-aged man more and more blurred!

In the end, he fell down on the sofa with a thud, unable to move, and gradually fell into a deep sleep!

At the same time, in the bar hall, Sister Yan was holding a cigarette and looking at the young and beautiful dancers on the stage with envy!

Once upon a time, I was so young and beautiful, so famous on the stage, and was admired and cared for by a big boss!

But now, she has become a pimp looking for women for the big boss. She doesn't know what her end will be in a few years!

"Sister Yan, Wang Hanhan has been spotted by the big boss, and now she is going to be very successful..."

A waiter beside Sister Yan asked in a low voice.

"Of course, be careful when you see Wang Hanhan in the future, and don't offend her, otherwise you will not get any good results..."

Sister Yan blew out a puff of smoke!

"No, but Wang Hanhan's figure and skin are simply amazing. If this makes me..."

"Shut up, you don't want to live anymore? You are so virtuous that you even dare to care about the big boss's woman..."

Before the waiter could finish speaking, Sister Yan said angrily!

“Sister Yan, I deserve to die, I deserve to die, I’m talking nonsense...”

Chapter: 102

The waiter slapped himself twice in a hurry!

“Forget it this time, if there is a next time, I will deduct one month’s salary from you...”

Sister Yan said sharply.

“Thank you, Sister Yan, thank you, Sister Yan...” The waiter thanked her hurriedly, reached out and pinched Sister Yan’s butt gently!

“Look at how dead you are...”

Sister Yan smiled, pulled the waiter and left!

Sister Yan is getting older, and although the big boss doesn’t like it anymore, none of the young and strong waiters in the bar can escape her grasp!

The two of them talked very quietly at any time, but Chen Ping still really heard it. When he heard that Wang Hanhan was called by the big boss for such a thing, Chen Ping’s face became extremely cold!

Chen Ping stood up and walked towards the backstage. As soon as he reached the door, he was stopped by two waiters. Before they could say anything, Chen Ping knocked them unconscious with lightning speed!

When he entered the backstage, Chen Ping didn’t know where Wang Hanhan was. There were rooms everywhere and there was no way to find them. This made Chen Ping anxious.

Just when Chen Ping was passing a bathroom, he suddenly heard gasps. Chen Ping rushed in without hesitation and kicked open a stall!

“ah.....”

Inside the cubicle, I saw Sister Yan fighting with the waiter just now. It looked like it had just begun!

When the waiter saw someone rushing in, he was about to shout when he was knocked unconscious by Chen Ping. Then he grabbed Sister Yan by the collar: “Where did you take Hanhan?”

“You fucking...”

When Sister Yan saw it was Chen Ping, she immediately cursed!

But just as he opened his mouth, Chen Ping grabbed Sister Yan’s neck. Sister Yan suddenly felt difficulty breathing, her face turned red, and there was fear in her eyes.

“Here, in the office...”

Sister Yan said hurriedly!

“Take me there...” Chen Ping let go of Sister Yan!

Seeing Chen Ping’s murderous look on his face, Sister Yan didn’t dare to play any tricks and could only lead the way!

After bringing Chen Ping to the office, Chen Ping kicked the office door open!

boom.....

The huge sound startled the middle-aged man!

Chapter: 103

After Chen Ping rushed in, he saw Wang Hanhan lying motionless on the sofa, and the bald middle-aged man was walking around Wang Hanhan's body with his hands!

"court death....."

Chen Ping's eyes were filled with anger as he stepped forward and kicked the middle-aged man away!

"Hanhan...Hanhan..."

Chen Ping took off his coat and covered Wang Hanhan. Seeing that Wang Hanhan was unconscious, he knew that he must have been drugged, so a spiritual power was transported into Wang Hanhan's body!

Wang Hanhan slowly opened her eyes. After seeing Chen Ping, she shouted in surprise: "Brother Chen Ping..."

Just after he shouted, Wang Hanhan fell asleep again. It seemed that the effect of the medicine was too strong!

The middle-aged man was kicked by Chen Ping and fell to the ground, his whole face turned purple!

"boss....."

Sister Yan hurriedly stepped forward and helped the middle-aged man up!

The middle-aged man glared at Chen Ping: "Boy, you dare to hit me. I think you are tired of living. Who are you?"

While the middle-aged man roared angrily, four thugs in black suits heard the noise and rushed in!

“Boss, this guy may be Wang Hanhan’s boyfriend...”

Sister Yan said to the middle-aged man!

From Chen Ping’s attitude towards Wang Hanhan just now and his angry expression now, what else could he be if he wasn’t a boyfriend?

“I don’t care who he is, kill him. If you dare to hit me, I will destroy you...”

When the middle-aged man saw his men rushing in, he immediately shouted loudly!

Seeing this, the four thugs rushed towards Chen Ping!

Chen Ping put down Wang Hanhan and didn’t even look at the four thugs who were rushing towards him. With a wave of his palm, the four thugs immediately flew backwards and hit the wall heavily, making them unable to move one by one!

Seeing how powerful Chen Ping was, the middle-aged man and Sister Yan were both dumbfounded, with a look of fear on their faces!

Chen Ping looked at the middle-aged man with cold eyes: “Scumbags like you deserve to die...”

“What do you want to do?” Seeing Chen Ping’s murderous eyes, the middle-aged man said tremblingly: “I can tell you, this bar is covered by Mr. Hu. Do you know who Mr. Hu is?”

Just as the middle-aged man finished speaking, Chen Ping’s cell phone rang!

It was Lin Tianhu who called. He originally invited Chen Ping to dinner, but Chen Ping never came, so Lin Tianhu called Chen Ping to ask!

Chapter: 104

“Mr. Chen, where have you been?”

Lin Tianhu asked softly.

“I’m at Fengyue Bar...”

“Fengyue Bar?” Lin Tianhu was stunned: “Why did Mr. Chen go to Fengyue Bar?”

“Kill...” Just two words, but they contained endless murderous intent, making Lin Tianhu on the other side of the phone tremble with fear!

“Mr. Chen, Fengyue Bar belongs to Bald Li, and he has been paying protection fees to Juyi Hall for me. I will take people there right now. Mr. Chen does not need to do anything himself...”

Lin Tianhu knew that Chen Ping could say the word “kill” because Fengyue Bar must have angered Chen Ping!

“Okay!” Chen Ping only replied with one word, hung up the phone, and then quietly sat on the sofa and waited!

The office fell into a deathly silence. Sister Yan and the bar owner looked at the calm Chen Ping, and felt bad premonitions in their hearts!

“Boss, do you think that guy was talking to Master Hu just now?”

Sister Yan asked the boss in a low voice.

The bar owner didn’t answer her because he didn’t know how to answer. The voice that just came out of the phone was indeed very similar to Lin Tianhu’s, but such a young man with no hair on his face, and he was dressed in all kinds of clothes, didn’t How could such a rich man know Lin Tianhu and speak to Lin Tianhu in such a arrogant tone?

Seeing that the boss didn't speak, Sister Yan on the side could only comfort herself: "It's impossible for Mr. Hu to know this kind of person. He must be pretending. The person on the phone just now can't be Mr. Hu. Who in the whole Hongcheng dares to use such a tone?" Are you talking to Master Hu?"

After hearing this, the bar owner nodded slightly and agreed with Sister Yan's point of view!

"Boy, please stop pretending here. With your virtue, how could Lord Tiger know you? If you dare to impersonate Lord Tiger, this is a capital crime..."

The bar owner roared at Chen Ping!

Chen Ping just glanced at the bar owner slightly, sneered and ignored him.

"Boss, give Mr. Hu a call. This kid is causing trouble. Let Mr. Hu take care of him. You can also know if it was Mr. Hu who was on the phone just now!"

Sister Yan gave the bar owner advice.

The bar owner nodded, took out his cell phone and was about to call Lin Tianhu, but the cell phone did ring. It was Lin Tianhu calling!

The bar owner hurriedly answered the call: "Master Hu..."

"Bald Li, how the hell did you provoke Mr. Chen? Now wait for me, I will be there soon. Don't open your Fengyue Bar. If you have the guts to run away, then try it and look at me, Lin Tianhu Can I find you..."

As soon as the bar owner answered the phone and called Master Hu, Lin Tianhu's furious voice came over, frightening the bar owner to death!

Now, no matter how much he didn't want to believe it, the facts were already in front of him. The person who just called Chen Ping was indeed Lin Tianhu, and Lin Tianhu respectfully called Chen Ping Mr. Chen!

Chapter: 105

Snapped.....

The cell phone in the bar owner's hand fell to the ground and shattered instantly. He looked at Chen Ping as if he was stupid, and finally knelt down with a thud.

Sister Yan's eyes were also full of horror, and she knelt down together!

"Mr. Chen, Mr. Chen, I was wrong, I was wrong, please Mr. Chen let me go..."

The bar owner kowtowed to Chen Ping desperately!

Chen Ping ignored him and didn't even look at him. At this time, Chen Ping was sending spiritual power into Wang Hanhan's body so that Wang Hanhan could wake up!

I don't know what kind of drug the bar owner used for Wang Hanhan, but the effect of the drug was so strong. Even if Chen Ping used his own spiritual power, it took a long time for Wang Hanhan to slowly open his eyes again!

"Brother Chen Ping..."

When Wang Hanhan saw Chen Ping, she shouted in shame!

After all, being a dancer in a bar is not a glorious career!

"Hanhan, are you feeling better now? Let's go..."

Chen Ping helped Wang Hanhan up from the sofa and said slowly!

“Well...” Wang Hanhan nodded, but when she saw the bar owner and Sister Yan kneeling on the ground, she was stunned!

She didn't understand why these two people were kneeling on the ground. Was it because of Chen Ping?

Wang Hanhan looked at Chen Ping in confusion. After all, in Wang Hanhan's eyes, Chen Ping was just an ordinary person, and he was an ordinary person who had been in prison!

“let's go.....”

Chen Ping did not explain, but pulled Wang Hanhan out!

In the bar lobby, Lin Tianhu had already brought people here and kicked out all the guests. All the staff in the bar were surrounded in the corner and squatted on the ground!

When Wang Hanhan saw so many people, and they were all holding weapons, she turned pale with fright. She grabbed Chen Ping's arm with one hand, trembling slightly!

“Don't be afraid...” Chen Ping comforted Wang Hanhan softly!

Lin Tianhu saw Chen Ping coming out and was about to step forward to speak, but was stopped by Chen Ping's eyes.

Chen Ping didn't want Wang Hanhan to know that he knew Lin Tianhu!

After all, Lin Tianhu is not a good person in the eyes of ordinary people. If his parents knew that he was following Lin Tianhu, they would be very angry!

Lin Tianhu instantly understood the meaning in Chen Ping's eyes. After waving his hand, the person guarding the door of the bar immediately moved out of the way!

Chapter: 106

Chen Ping just pulled Wang Hanhan and walked out under the gaze of dozens of people!

As soon as the two people walked out of the bar, they heard screams and the sound of smashing coming from the bar!

After hailing a taxi, Chen Ping took Wang Hanhan home!

On the way back, Wang Hanhan looked at Chen Ping and wanted to open his mouth to explain something several times, but failed every time!

“Why do you come back to work in a place like this?”

Chen Ping spoke first!

Wang Hanhan lowered her head, rubbed her hands together, and bit her lip. After a while, she said: “Brother Chen Ping, can you not tell my mother? If she knows, she will be pissed to death...”

Chen Ping nodded!

Wang Hanhan calmed down her emotions, and then continued: “I owe one million in loan sharks now. If I don’t go to work in that kind of place, there is no way to pay back the money. If I don’t pay back, they will go to me.” Mom wants...”

Wang Hanhan said, tears falling down!

“Why do you owe so much money?” Chen Ping frowned slightly!

Wang Hanhan’s family background is not very good, so Wang Hanhan has been very frugal since she was a child and never spends money randomly. How could she suddenly owe so much money!

When Chen Ping asked this question, Wang Hanhan cried even harder and said while crying: “When I was in college, I met a boyfriend. He was two years older than me and was my senior. Later, after he graduated, he started a business because of He needed money, so he used my identity to borrow money from usury, but who knew that after borrowing the money, I would never be able to contact him again...”

After Wang Hanhan finished speaking, Chen Ping immediately understood that she had been deceived by her so-called boyfriend!

At this time, the taxi driver sighed: “Hey, this little girl is too naive and trusts people too easily. One million is not a small amount. I heard about a little girl two days ago. He committed suicide by jumping into a river because of loan sharking...”

“Hanhan, don’t cry. I’ll help you find a solution for this million...”

Chen Ping gently patted Wang Hanhan on the shoulder!

Wang Hanhan raised her head and looked at Chen Ping gratefully: “Brother Chen Ping, I know you have just been released from prison and don’t even have a job. How can you have so much money? Just don’t tell my mother. I’ll figure it out myself. You Don’t worry, I won’t do anything stupid. If I leave, my mother will definitely not survive...”

Chen Ping smiled slightly and didn’t say anything, but he would definitely help handle Wang Hanhan’s million-dollar loan sharking matter.

Now he still has the card given by Su Wenzong, which still has 10 million in it. No matter how much money he spends, Chen Ping can follow Lin Tianhu to ask for it. After all, the entire Juyi Hall now belongs to him!

After returning to the community, the taxi driver did not accept money from Chen Ping and the others, but looked at Wang Hanhan with a smile on his face and said: “Little girl, if you think about it, big things can be overcome...”

After saying that, the taxi driver stepped on the accelerator and left. Looking at the back of the taxi, Chen Ping sighed, there are still many good people in this world!

Chen Ping took Wang Hanhan home and found that Wang Changfeng was still chatting with his parents at home. Chen Ping originally wanted Wang Hanhan to calm down before going home, but this time he was discovered!

Seeing Chen Ping and Wang Hanhan going home together, Wang Changfeng and Chen Baoguo were stunned. Only Tang Hongying couldn't see it, and there was no change in her expression. Instead, she said lightly: "Chen Ping, are you back? Why are you like this? Coming back late?"

Chapter: 107

Chen Baoguo on the side pulled Tang Hongying's arm: "Chen Ping is with Hanhan. The two of them came back together..."

When he said this, Chen Baoguo's face was full of smiles.

When Tang Hongying heard this, she immediately beamed and said: "Chen Ping, you kid, you go find Hanhan, just tell us directly, and you go secretly by yourself, do you want to give us a surprise?"

Chen Ping was speechless for a while and wanted to explain, but he didn't know how to explain!

At this time, only Wang Changfeng noticed that Wang Hanhan looked wrong and had cried, so he frowned slightly and said: "Hanhan, don't you have to work overtime? And why have you cried? You still smell of alcohol!"

Wang Changfeng's series of questions confused Wang Hanhan and she didn't know how to answer them!

"Aunt Wang, Hanhan didn't work overtime. She went drinking with her colleagues. As a result, those people kept making her drink. I found out and brought Hanhan back!"

Chen Ping hurriedly made up a lie!

When Wang Changfeng heard this, he stood up quickly and looked at Wang Hanhan's body. His eyes were full of concern and he said: "What kind of colleagues are you? Knowing that you don't know how to drink, you still make you drink. This is too much..."

Seeing her mother being so nervous about herself, Wang Hanhan couldn't bear it anymore, hugged Wang Changfeng and started crying again!

Wang Changfeng comforted Wang Hanhan: "Hanhan, if you are not happy at work, we will stop working. What a useless colleague..."

Wang Changfeng thought Wang Hanhan was bullied by her colleagues and felt aggrieved!

After all, Wang Hanhan has just worked for a short time and is considered a newcomer. Many companies bully newcomers!

"Yes, Hanhan, please stop crying. The worst case scenario is that we won't work anymore. Tomorrow your Uncle Chen will help the trustee find a job for Chen Ping and ask him to help you ask. We are college students and we are afraid of not having a job..."

Tang Hongying also hurriedly persuaded Wang Hanhan!

"I'll ask together tomorrow. It should be fine. After all, this man is an old comrade of mine..."

Chen Baoguo also spoke!

The more several people tried to persuade Wang Hanhan, the sadder Wang Hanhan cried. Only Chen Ping himself knew why Wang Hanhan was crying!

Wang Changfeng had no choice but to take Wang Hanhan home!

“Chen Ping, you should go to bed early. I will take you to your uncle Sun’s house tomorrow and ask him to find a job for you. By the way, I will also ask for Hanhan. This child is really suffering...” Tang Hongying sighed: “ You can’t bully Hanhan in the future, be nice to others...”

The Uncle Sun that Tang Hongying mentioned was Chen Baoguo’s comrade-in-arms Sun Fuhai. After retiring from the army, Chen Baoguo went into politics and became a civil servant, while Sun Fuhai went into business with his retirement subsidy. Now he is prospering and living a good life!

“Mom, I...”

“Okay, let’s go to sleep...”

Tang Hongying didn’t listen to Chen Ping and left directly!

Chapter: 108

Chen Ping was a little helpless. He had always regarded Wang Hanhan as his sister and had no relationship between men and women at all. Now he didn’t know what to say to his parents!

After shaking his head helplessly, Chen Ping also went back to his room to sleep. He couldn’t go to Panlong Bay for a short time. He was afraid that his parents would be angry.

Early the next morning, Tang Hongying shouted: “Chen Ping, get up quickly, dress better, and don’t look slovenly. Your Uncle Sun took a day off specifically for us!”

“knew.....”

Chen Ping opened his eyes and said!

After a simple breakfast, the three of them hurried out, took a taxi, and rushed towards Sun Fuhai’s house!

Sun Fuhai's family lives in a relatively well-known Phoenix Manor community in Hongcheng. The average price of a house here is more than 10,000 yuan, and a house can easily cost more than 1 million yuan. This is not what ordinary people in a small place like Hongcheng can afford!

"Chen Ping, when you get to the place, be sweeter and more polite. After all, we are asking for help. In a situation like yours, it is difficult to find a job. No company is willing to find someone who has been in prison. You should pay more attention to yourself..."

In the car, Tang Hongying kept urging Chen Ping, for fear that Chen Ping would make a mistake!

"Okay, let's just say a few words. What's wrong with being in prison? Does being in prison mean that your character is not good? I have been with Fuhai for many years, so there must be no problem with this..."

Chen Baoguo turned back from the passenger seat and said to Tang Hongying!

He was afraid that Tang Hongying's nagging would upset Chen Ping, especially when he brought up the matter of going to jail. After all, it was unjust enough for Chen Ping to go to jail.

"You two have such a good relationship, why haven't you seen him come to see you in the past few years? Don't you know how we have been living in the past few years?"

Tang Hongying was a little unhappy. In the past few years since Chen Ping was imprisoned, their family's life had plummeted, but Sun Fuhai hadn't come even once!

"Okay, I don't blame Fuhai. I didn't tell him, and I didn't tell him about our family's situation, and he doesn't know our address. How can we tell? We are comrades who died in the war. During the bombing practice, we had to If I hadn't pounced on him, there would be no Sun Fuhai now!"

Chen Baoguo is a relatively strong person, and he was also a squad leader back then, so he became like this now, and he was embarrassed to tell his comrades!

If it weren't for Chen Ping's job search, he wouldn't beg Sun Fuhai.

“Mom, it’s not like you don’t know my dad’s temperament. I will pay attention to it when I get there. When I make money from work, our family’s life will get better...”

Chen Ping said to Tang Hongying.

Now Chen Ping has 10 million in his pocket, but he can’t tell his parents. After all, the money cannot be explained. If he told the truth, his parents would not believe it. After all, his three years in prison were too legendary!

At this time, in a two-story villa in Phoenix Manor, Sun Fuhai, who was in his fifties, was wearing an old military uniform and was arranging things in front of the mirror!

There is a girl in her early twenties on the sofa. She is pretty good-looking and tall. She is wearing plaid pajamas and is half lying on the sofa playing with her mobile phone!

“Dad, what are you doing? You’re wearing a worn-out military uniform from many years ago!”

The girl glanced at Sun Fuhai and said!

Chapter: 109

This girl is Sun Xiaomeng, Sun Fuhai’s only daughter.

“Your dad is going to meet his old comrades, so he took it out to wear, but his belly is too big and the clothes don’t even fit!”

A middle-aged woman walked out of the kitchen carrying a plate of fruit. The woman was wearing a black skirt, a white shirt underneath, a pair of flesh-colored stockings and high heels. She was obviously dressed like a professional white-collar worker, with light makeup. , looks very young!

This woman is Sun Fuhai’s wife Li Fengxia, who works as a sales manager in her own company!

“Old Sun, who are the comrades here this time? I heard that several of your comrades have become prosperous. If you move around more and let them help, maybe our company can survive the difficulties. Otherwise, if we resist for a while, we will go bankrupt...”

Li Fengxia put down the fruit and asked Sun Fuhai worriedly.

“Don’t worry about it. It’s our old squad leader who’s coming to the house this time. I haven’t seen him in a few years. You all should be polite to me...”

Sun Fuhai said to Li Fengxia impatiently!

“Old squad leader? Maybe he has become prosperous by now. I remember you mentioned it before and saved your life. Later, after he was discharged from the army, he joined politics...”

Li Fengxia continued to ask.

“Well, I just haven’t contacted him in recent years, so I don’t know what’s going on!” Sun Fuhai nodded.

“Maybe he has become a high official now. I’ll be here later. Let’s catch up on old times...” Li Fengxia looked excited, then looked at Sun Xiaomeng on the sofa and said, “Go and change clothes quickly. There are guests at home, what are you doing like this? And your father, the old squad leader, has a son. When they come together, maybe...”

“Oh, Mom, please stop talking. I have a boyfriend now, and it’s not like you don’t know. It’s so annoying...”

Sun Xiaomeng stood up from the sofa and walked towards the bedroom with an impatient look!

“You girl, I’m not here for you, okay? Cui Zhiyuan is just a company sales manager, and he is a second-generation official. Can he be the same?”

Li Fengxia was shouting behind her!

Sun Xiaomeng didn't say anything, but after entering the bedroom, she closed the door hard!

"This child is so disobedient..." Li Fengxia muttered, and then said to Sun Fuhai: "Old Sun, I'm going to wash some fruits. Remember to call and book a hotel. It's better. Let's have a meal together at noon.!"

"Okay!" Sun Fuhai nodded!

Soon, Chen Ping and his family arrived. After ringing the doorbell, Sun Fuhai hurriedly opened the door!

When Chen Baoguo and Sun Fuhai met, they were both slightly startled, and then hugged each other heavily!

"Old squad leader, I miss you so much. You have changed so much over the years, and your hair has turned a lot gray..."

Sun Fuhai laughed!

"Haha, you have gained weight too. With your current body shape, you still dare to wear a military uniform..."

Chapter: 110

Chen Baoguo laughed and punched Sun Fuhai.

Sun Fuhai turned his attention to Tang Hongying and Chen Ping. When he saw that although Tang Hongying's eyes were open, they were dull and seemed to be unable to see anything, he was slightly startled!

Upon seeing this, Chen Baoguo hurriedly introduced: "This is my wife Tang Hongying. She fell ill a few years ago and became blind."

Sun Fuhai quickly said to Tang Hongying: "Hello, sister-in-law, hurry up and sit in the house..."

Tang Hongying smiled and nodded repeatedly: "Okay, I often hear Lao Chen mention what happened to you back then at home..."

"If it hadn't been for the old squad leader back then, I would have been reincarnated by now!"

Sun Fuhai quickly helped Tang Hongying into the room!

"Uncle Sun, let me do it..." Chen Ping stepped forward and helped Tang Hongying!

"This is my son Chen Ping..." Chen Baoguo said!

"Well, he is as talented as your father back then!"

Sun Fuhai glanced at Chen Ping and said with a smile!

Chen Ping smiled accordingly. Sun Fuhai had a good impression on him, and the smile on his face was sincere and not artificial!

But no one noticed that after Sun Fuhai said these words, the expressions of Chen Baoguo and Tang Hongying changed slightly, but it only disappeared briefly!

"Old Sun, is the old monitor here?"

Li Fengxia came out of the kitchen with another large plate of fruit and hurriedly greeted them!

"Old monitor, this is my wife Li Fengxia..."

Sun Fuhai followed Chen Baoguo and introduced!

“Hello, brothers and sisters...” Chen Baoguo smiled slightly!

Li Fengxia was stunned for a moment. She found that Chen Baoguo was wearing ordinary clothes and had gray hair. He did not have the majesty of a high-ranking official. Then she looked at Tang Hongying who was following Chen Ping. She was also plain and simple, just like an ordinary person!

“Are high officials now so simple?” Li Fengxia muttered in her heart!

“What are you stunned for? The old squad leader is talking to you!” Sun Fuhai saw Li Fengxia stunned, so he pulled her and said!

“Oh, hello, brother, hello, sister-in-law, sit down quickly, I’ll wash the fruits for you!”

Li Fengxia reacted and hurriedly said with a smile!

Chen Baoguo and his family sat on the sofa. Sun Fuhai hurriedly poured tea and water. He did not forget to shout towards the bedroom: “Xiaomeng, Uncle Chen and the others are here, come out quickly...”
