

The Order 1011

Chapter: 1011

“King Miao, Chen Ping is invulnerable to all poisons. Wouldn't it be dangerous if you let Xiaolan catch Chen Ping?”

Dali Tou asked with some confusion.

“You have forgotten that Xiaolan is naturally charming. Her charm is not poison. As long as it is a man, there is no one who can resist it...”

King Miao laughed and said.

.....

On the road from Hongcheng to Kyoto, Xu Changsheng was sitting in the back seat of a car with his eyes slightly closed, while Yu Dong was driving the car and occasionally glanced at Xu Changsheng in the back seat through the rearview mirror.

“Yu Dong, if you have anything to say, just say it directly...”

Although Xu Changsheng did not open his eyes, he had long noticed that Yu Dong was peeking at him.

“Great Elder, although Chen Ping can kill Qin Xiaolin, you don't have to be so polite to him, right? In front of so many people in the martial arts world, doesn't this embarrass our Medicine God Valley?”

Yu Dong asked puzzledly.

Hearing Yu Dong's words, Xu Changsheng opened his eyes and said with a smile on his face: “Yu Dong, do you know what the unique skill in the Valley of the Evil is?”

“Star Absorbing Technique...” Yu Dong said it without any hesitation.

“Yes, it is the Star Absorbing Technique. I suspect that Chen Ping can also absorb the Star Absorbing Technique. Otherwise, he would not be so strong as a great master. Moreover, when Chen Ping fell under the ring, everyone thought When he was about to die, he appeared unscathed, and his aura was getting stronger and stronger. It was obvious that he fell under the ring on purpose so that he could use the star-absorbing technique to suck Qin Xiaolin’s aura into his body!”

“And Qin Xiaolin was about to self-destruct, but ended up emaciated and died. Don’t you think it’s strange?”

Xu Changsheng explained.

When Yu Dong heard this, he was stunned: “Great Elder, is it possible that Chen Ping is from the Valley of Evil?”

“I can’t figure it out, but it must have something to do with following the Valley of Evil, so I have to have a good relationship with him...”

Xu Changsheng said calmly.

“No wonder, a great master dares to challenge the Qin family at such a young age, but he still doesn’t take our Medicine God Valley seriously. It turns out that this guy has something to do with the Valley of Evil. You know the few old monsters in Valley of Evil, I’m afraid They are over a hundred years old...”

Yu Dong’s eyes were full of envy.

Although everyone knows that a few old guys in the Valley of the Wicked are moody and have killed many people in the past, but everyone has their own abilities. Many people want to enter the Valley of the Wicked to become apprentices, but no one succeeds.

Yu Dong also had the idea of worshiping in the Valley of the Evil Ones, but the Valley of the Evil Ones was rumored to be evil and evil. As a well-known and upright person, how could Yu Dong have such an idea, so he could only bury this idea deep in his heart. But everyone has a strong desire for strength.

“If this Chen Ping really has something to do with the Valley of the Evil One, I hope I can learn some alchemy skills from him. Although everyone says that the Valley of the Evil One is evil, I have to admit that the alchemy and casting skills in the Valley of the Evil One are first-rate...”

Xu Changsheng loved alchemy all his life, but it was a pity that his alchemy skills stopped many years ago. It would take Xu Changsheng 7749 days to refine an earth-level elixir, and he heard that a person in the Valley of Evil, was also an alchemist. He only needed to raise his hand to refine earth-level elixirs. This was the difference.

Chapter: 1012

This is why Xu Changsheng is so respectful to Chen Ping and even lowers his status. He hopes to get some alchemy skills from the Valley of the Wicked from Chen Ping.

In Hongcheng, in Panlongwan Villa, Su Yuqi looked at the marrow-cleansing pill that Chen Ping gave her and said with a sad look on her face: “What the hell is this? It smells terrible, and it looks disgusting...”

Chen Ping wanted Su Yuqi to take the Marrow Cleansing Pill, but seeing Su Yuqi’s behavior, he felt a little disgusted.

“Ling’er, you take it first. This is a panacea. I guarantee that after you take it, you will be reborn and your strength will improve a lot...”

Chen Ping persuaded Gu Linger.

But when Gu Ling’er held the Marrow Cleansing Pill, it was difficult to swallow it. After all, the taste of the Marrow Cleansing Pill was not very good.

Seeing that neither of them wanted to eat it, Chen Ping was speechless for a while, and could only helplessly persuade him again: “This elixir is called Marrow Cleansing Pill, but others can’t even eat it. I spent a lot of effort to give it to you.” It’s because of it, haven’t you always wanted to practice? You have to let your body be reborn first...”

Su Yuqi looked at Chen Ping like that, and finally felt worried: “Chen Ping, let me tell you, if this marrow-cleansing pill is not as good as you said, I won’t be done with you. When refining the pill, I will also I don’t know if I put some sugar in it, it smells too bad.”

After saying that, Su Yuqi pinched her nose, opened her small mouth, and swallowed the Marrow Cleansing Pill.

The effect of the Marrow Cleansing Pill is not something that ordinary people can withstand. After taking it for a while, Su Yuqi suddenly frowned and her stomach growled.

“Are you sure this is a marrow cleansing pill? It’s not a laxative?” Su Yuqi’s face turned pale, and she clutched her stomach and felt a burst of abdominal pain, which was unbearable.

“Yu Qi, what’s wrong with you?”

Gu Ling’er originally saw Su Yuqi eating it and wanted to eat it herself, but when she saw Su Yuqi eating the Marrow Cleansing Pill, she immediately stepped forward and asked.

“Yuqi, are you okay?”

Chen Ping was also a little panicked.

Chen Ping had never taken the Marrow Cleansing Pill, so he didn’t know what would happen. When he saw that Su Yuqi’s face was in pain, he quickly took her hand to have a look, but before he could catch it, Su Yuqi quickly rushed towards the toilet.

Puff puff puff...

Chen Ping was dumbfounded when the extremely pleasant exhaust sound came. Was it Su Yuqi who had a bad stomach? Or is there something wrong with this marrow cleansing pill?

Chen Ping looked confused and went to the toilet door and knocked on the door: “Yu Qi? Are you okay?”

“No, you wait outside, don’t come in,” Su Yuqi was so anxious now that she quickly locked the toilet door. It was so embarrassing that the toilet smelled so bad!

She was about to feel sick, so she had to turn on the water to the maximum and turn on the exhaust fan to try to get rid of the stench inside.

“Chen Ping, where did you get the Marrow Cleansing Pill? Could it be that you were deceived? If this damages Yu Qi’s body, you will regret it...”

Gu Ling’er glared at Chen Ping and threw the marrow-cleansing pill directly to Chen Ping.

Chen Ping took the Marrow Cleansing Pill and looked confused. It was said that Long Wu could not lie to him, and he had seen the Marrow Cleansing Pill that Long Wu had made with his own eyes. How could there be a problem?

Chapter: 1013

“Yu Qi, are you okay? Do you want me to call 120 and take you to the hospital...”

Although it appeared that Chen Ping knew medical skills and had superb medical skills, Gu Linger did not dare to let Chen Ping show Su Yuqi, so she thought of calling 120 to go to the hospital.

“No, I just have a stomachache...”

Su Yuqi said hurriedly.

Chen Ping and Gu Ling’er had no choice but to wait outside. After waiting for half an hour, Su Yuqi came out of the toilet with a blushing face.

“Mengwei, are you okay?”

Seeing Su Yuqi coming out of the toilet, Chen Ping hurriedly greeted her.

But before he finished speaking, Chen Ping was stunned.

Because he saw that Su Mengwei's skin was like cream and her cheeks were pale pink. Even without makeup, she felt like a fairy from heaven descending to earth, extremely beautiful.

Gu Ling'er also opened her eyes wide and looked at Su Yuqi in disbelief, making Su Yuqi dumbfounded.

"What's wrong? Is there something on my face?"

Su Mengmei touched her face, feeling a little panicked. She hurriedly inhaled twice and found that the smell in the toilet was gone. She had just finished using the toilet quickly. The reason she had to wait for half an hour was because she was worried that the smell was too strong. Let Chen Ping smell it and destroy the image in her mind.

Now looking at Chen Ping and Gu Ling'er's dazed expressions, Su Yuqi was confused.

"No, no, no, look at what you look like..." Chen Ping held her shoulders and pushed her to the mirror.

"Yu Qi, you...you have completely changed. Your skin now is more delicate and smooth than that of a baby..."

Gu Ling'er said with envy from the side.

Su Yuqi was also dumbfounded when she saw the person in the mirror.

Is this her?

Oh my God!

This is so pretty!

He is still the same person, but his whole body is incredibly transparent, his skin is breakable, and even his body is much more delicate. As long as a man sees it, he can't help but take a few more glances.

"Chen Ping, what's going on? Does your marrow cleansing pill also have beautifying effects?" Su Mengwei was so excited that her whole body trembled. Her skin was probably no better than that of a newborn baby.

Chen Ping breathed a sigh of relief, took Su Mengwei's hand, gently felt the pulse, and checked the condition of her body. Sure enough, he found that the meridians in Su Mengwei's body were softer, and more importantly, there was no impurity in the body. The whole body looked like a newborn. The same as the baby.

In an instant, Chen Ping thought of the Marrow Cleansing Pill, which removes impurities from the human body and restores people to the state of birth.

Chapter: 1014

Only in this state can you know whether you can step into the world of immortality and practice the cultivation techniques.

Thinking of this, Chen Ping clenched his fists with excitement. If Su Yuqi could successfully enter the world of immortality, then they could be immortal companions forever!

"This marrow cleansing pill is really good!"

Chen Ping was very excited.

Su Yuqi also felt Chen Ping's excitement. She understood that this was definitely the effect of the Marrow Cleansing Pill.

Su Yuqi didn't blame Chen Ping for giving her diarrhea, and hugged Chen Ping directly in front of Gu Ling'er.

But as soon as the two people hugged each other, Gu Ling'er hurriedly separated the two people.

"Ling'er, what are you doing? Are you jealous?" Su Yuqi said with a smile on her face when she saw Gu Ling'er separating her from Chen Ping.

"I'm jealous of you big-headed devil!" Gu Ling'er rolled her eyes at Su Yuqi, then looked at Chen Ping, stretched out her hand and grabbed Chen Ping's clothes.

Chen Ping was startled and stepped back in fright: "Ling'er, what are you going to do? I am a gentleman, not to mention Yu Qi is still here, how could you do this..."

Gu Ling'er grabbed Chen Ping's collar directly: "What are you thinking in your head? I just want to get the Marrow Cleansing Pill back..."

After Gu Ling'er finished speaking, he took out the marrow-cleansing pill from Chen Ping's pocket and swallowed it in one gulp without hesitation.

Soon, Gu Ling'er also frowned and hurried to the toilet.

Chen Ping and Su Yuqi were left standing outside the toilet. When Chen Ping was about to step forward and hug Su Yuqi, he was pushed away by Su Yuqi.

Su Yuqi looked at Chen Ping with a cold face and said, "Let me ask you, what did you mean just now? If I were not here, you would be able to do what Ling'er did?"

"What's it like? What are you talking about? I don't understand at all. Don't try to trick me..."

Chen Ping avoided looking at Su Yuqi. He walked directly to the living room and sat on the sofa.

"Hmph, there are no men who are careless..."

Looking at Chen Ping, Su Yuqi pouted, but she was not really angry.

In fact, even if Chen Ping did something with Gu Ling'er, Su Yuqi felt that she could accept it, as long as Chen Ping had herself in his heart.

What's more, Su Yuqi also hopes to take care of Chen Ping with Gu Ling'er. After all, the two of them are familiar together and can be companions when Chen Ping is away.

Gu Ling'er stayed in the toilet for a full hour before coming out. When she saw Gu Ling'er coming out, Su Yuqi opened her mouth in surprise: "Ling'er, you... you have changed a lot, hurry up and take a picture..."

Upon hearing this, Gu Ling'er hurriedly ran to the mirror. Looking at her fair and tender skin, Gu Ling'er was very excited.

Chen Ping also looked at Gu Ling'er unconsciously. He had eaten the Marrow Cleansing Pill Gu Ling'er, and it had a unique taste.

Chapter: 1015

Gu Ling'er and Su Yuqi stood together. The two people had completely different temperaments.

Su Yuqi is the kind of ladylike person, while Gu Ling'er is the kind of person who is strong yet soft. After all, she has been in the Dharma Protector Pavilion before.

Looking at Gu Ling'er and Su Yuqi in front of him, Chen Ping couldn't help but think about it.

If two people followed him and hugged each other while sleeping at night, wouldn't this be a man's dream?

Unconsciously, Chen Ping started to giggle, and even Gu Ling'er and Su Yuqi didn't notice when they walked in front of them.

Seeing Chen Ping's silly smile, Su Yuqi and Gu Ling'er looked at each other, and then yelled at the same time.

This startled Chen Ping, and he found that Su Yuqi and Gu Ling'er were looking at him with strange eyes. Chen Ping hurriedly turned around and sat back on the sofa.

"Chen Ping, why were you giggling at the two of us just now?"

Gu Linger asked Chen Ping.

"No, I'm not laughing at anything..." Chen Ping said awkwardly.

"I guess he must be thinking that if the two of us can accompany him at night, we will make him look so beautiful, so he giggles..."

Su Yuqi's words hit the mark and directly spoke to Chen Ping's heart.

"Don't talk nonsense, I don't think so!" Chen Ping hurriedly stood up and walked out of the villa: "You two can eat tonight, I'll go do some errands..."

Chen Ping didn't dare to stay at home anymore, maybe he would be tricked by these two girls.

After leaving Panlongwan Villa, Chen Ping had nothing to do, so he asked Lin Tianhu to go have a drink with him. After all, in Hongcheng, although Chen Ping could date many people, there were not many people he could drink with.

Soon, Chen Ping and Lin Tianhu met at the bar, which was also owned by Juyitang. When Lin Tianhu and Chen Ping walked into the bar, all the bar staff said hello.

"Mr. Chen, you just had a fierce battle with Qin Xiaolin. Why don't you rest early? You still have time to go out and drink..."

Lin Tianhu personally took a bottle of red wine and poured Chen Ping a glass.

“The two women at home are really difficult to deal with. Come out and clean up...”

Chen Ping smiled helplessly and drank the red wine in one gulp.

“Mr. Chen’s life is the envy of many men...” Lin Tianhu also picked up the red wine and drank it.

“How are you and Chifeng doing?” Chen Ping asked Lin Tianhu.

“That’s it. After all, at our age, we just want to find a companion. But we are both lucky to be under Mr. Chen’s hands...”

Lin Tianhu has always been grateful to Chen Ping. After all, it is all thanks to Chen Ping that he can reach the master level now. Otherwise, he may never be able to become a master in his life.

Chapter: 1016

“Now that you know you are not young, you should have a child as soon as possible. At least leave yourself a queen. After all, for a warrior, it is not too old to have a child at around forty years old...”

Chen Ping knows that those who have cultivated to the level of Grand Master will generally be more than ten years older than ordinary people. It is normal for many Grand Masters to live to be a hundred years old. After all, the physical fitness of warriors is stronger than that of ordinary people. many.

“I never thought about having children, it would be too much trouble...”

Lin Tianhu chuckled. After sitting as the underground emperor of Hongcheng for half his life, Lin Tianhu never thought about having a child.

When Chen Ping saw this, he just smiled slightly. After all, it is a person’s freedom to have children or not. Chen Ping can’t force him!

Chen Ping was drinking with Lin Tianhu, and the music in the bar was playing. Looking at the crazy crowd, Chen Ping actually felt a little relaxed.

Since his release from prison, Chen Ping has rarely had such relaxing moments.

“Mr. Chen, you have such a good rapport with women...”

Suddenly, Lin Tianhu laughed evilly.

Chen Ping was stunned: “What do you mean?”

Lin Tianhu did not speak, but winked. Chen Ping hurriedly looked where Lin Tianhu winked and found a girl, wearing a black tights, looking at Chen Ping intently.

The girl’s face was a bit cold, and she seemed out of place with the people writhing wantonly around her!

“Didn’t she leave?”

After seeing the girl, Chen Ping’s face was full of doubts.

Lin Tianhu smiled: “Mr. Chen, I’m leaving first, but don’t go back too late. After all, there are two women at home...”

Lin Tianhu stood up and left, while Chen Ping walked up to the girl with a glass of red wine and sat down directly.

“Why didn’t you leave? Did you stay with me specifically?”

Chen Ping asked in confusion.

Chen Ping's words made the girl stunned for a moment, and then she laughed, with two rows of white teeth exposed. This smile was almost overwhelming, and Chen Ping's heart was filled with excitement.

"Is this how you pick up girls?"

the girl asked.

"Who are you dating? Are you dating?" Chen Ping was stunned for a moment, then raised his lips: "Quickly pull him down. I want to live for two more years, but I don't dare to date you..."

After Chen Ping finished speaking, he stood up: "Don't use charm on me, I won't do that!"

Chen Ping walked straight out of the bar, and the girl was shocked and hurriedly followed.

Chapter: 1017

Chen Ping walked in front, while the girl followed behind.

"Why are you following me? Don't even think about staying at my house. My girlfriend is at home..."

Chen Ping said unceremoniously.

"You are a grown man, do you have the nerve to see a girl like me on the street? How about the two of us go and book a room..."

With a resentful look on her face, the girl acted coquettishly towards Chen Ping, and the faint fragrance of her body entered Chen Ping's nose.

Smelling the girl's fragrance and looking at the girl's shy look, Chen Ping's eyes lit up, as if he was possessed.

Seeing Chen Ping like that, the girl raised her lips and her eyes were full of pride and disdain.

But just when Chen Ping walked up to the girl dully and the girl wanted to take Chen Ping away, Chen Ping's eyes instantly returned to clarity, and then he slapped the girl on the head: "Wu Mei'er, I said After that, your charm is useless to me. If Uncle Long knows that you are still using charm on me, he will definitely scold you..."

After Chen Ping hit the girl on the head, he turned around with a proud look on his face and prepared to leave.

"Wu Mei'er, who is Wu Mei'er?"

The girl suddenly looked confused.

Chen Ping was stunned, then turned around and looked at the girl: "You are Wu Mei'er, what are you pretending to be like with me? Don't say you have lost your memory, I don't believe your lies..."

Chen Ping rolled his eyes at the girl and lamented that these women are really good at pretending and are almost becoming actors.

But just when Chen Ping was sighing, the girl's figure flashed, and a cold light came out of her hand and flew towards Chen Ping.

At the same time, the girl's figure moved quickly, and with lightning speed, she stabbed the dagger in her hand straight into Chen Ping's face!

The girl showed no mercy at all.

"go to hell!!!"

The girl's eyes were cold, and she could almost foresee the scene where Chen Ping's blood would be splattered!

Chen Ping looked at this scene and his jaw suddenly dropped: "Are you fucking crazy?"

After the words fell, the spiritual power in his body was output wildly, and a momentum suddenly exploded.

With a slight movement of his right hand, a silver needle flew out, clanking with the opposite dagger in the dark night, creating a burst of sparks.

At this time, the girl had already rushed in front of Chen Ping, looking very surprised at Chen Ping's quick counterattack.

However, the dagger in his hand did not stop and was thrust towards Chen Ping's neck.

"You are actually immune to my charm, are you a man?" The girl's face turned pale with anger, and her eyes towards Chen Ping became colder and colder.

Chapter: 1018

"Isn't it weird? Don't you know everything?" Chen Ping looked confused and directly held the dagger in his hand with his backhand. With a slight shock, the dagger suddenly broke into two pieces and fell to the ground.

In the next second, the cold aura in the girl's body exploded, followed by a burst of black energy.

Almost in an instant, the black energy surrounded Chen Ping.

Seeing the rising black energy, and thinking of what he had just done, Chen Ping suddenly woke up.

"You...you're not Wu Mei'er?"

Chen Ping's eyes were full of surprise, because the girl in front of him looked almost exactly the same as Wu Mei'er, and she even knew how to charm.

If it weren't for the girl's violence against Chen Ping and the poisonous gas she released, Chen Ping would have mistaken her for Wu Mei'er. They were so similar, so similar.

But now that Chen Ping thought about it carefully, he realized that although this girl looked exactly the same as Wu Mei'er, she had more of a colder aura in her body than Wu Mei'er.

"Who said I was Wu Mei'er? You admitted your mistake from the beginning..."

After the girl finished speaking, she punched Chen Ping.

In her opinion, Chen Ping has been wrapped in poisonous gas and will soon become poisonous and unconscious. Therefore, Chen Ping cannot avoid this punch at all.

But to the girl's surprise, Chen Ping easily dodged her attack, and even opened his mouth to inhale all the poisonous gas.

"Who are you? Why do you look so similar to a friend of mine?"

Chen Ping did not fight back at the girl, but asked with a puzzled look on his face.

Although he didn't know what the relationship between the girl and Wu Mei'er was, Chen Ping was sure that the girl and Wu Mei'er were definitely related by blood, and they were probably twins.

Chen Ping knew that Wu Meier was picked up by Long Wu, so it was possible that the family gave birth to twin girls and chose to throw away one of them because of great pressure.

Because the cost of raising children is getting higher and higher, it often happens that one child is thrown away because he cannot afford to raise one.

“I’m here to catch you...”

After the girl finished speaking, she shot at Chen Ping again, but Chen Ping dodged each time. After dozens of moves in a row, the girl began to pant.

Chen Ping looked at the girl who was so tired and said calmly: “Okay, that’s almost it. You are no match for me and you can’t catch me. I just want to know who you are. Are you really close to a friend like me?” Like, almost exactly the same.”

The girl looked at Chen Ping standing in front of her and said with dissatisfaction: “Are you looking down on me?”

“If I hadn’t seen that you look exactly like a friend of mine, you would have been a corpse by now. Don’t think that I would show mercy to you. Your charm is of no use to me. You’d better answer my question and tell me Who are you and why do you want to arrest me?”

Chen Ping looked at the girl coldly, his aura rising.

Just now, Chen Ping had clearly felt the girl’s true strength, but she was just a warrior who had just stepped into the Grand Master, how could she catch him.

Chapter: 1019

“arrogant!”

The girl had a gloomy face and didn’t take Chen Ping’s words to heart at all. She suddenly jumped up, her body looking extremely weird in the night sky, and countless cold rays flew down towards Chen Ping!

“Seven stars kill!”

The girl shouted angrily, and countless flying knives fell from the air, directly covering Chen Ping’s body, making it impossible for Chen Ping to avoid it.

Seeing this scene, Chen Ping raised his eyebrows, shook his head in the end, and sneered: "This move is not effective but it seems promising."

If the opponent the girl is fighting is one level worse than her, this move will definitely be useful, but she is facing Chen Ping, who has just killed Wu Zong, so this move is almost useless to Chen Ping. No.

Chen Ping closed his eyes and stood motionless, seemingly unable to fight back, and then several daggers went straight towards Chen Ping.

"bingo!"

The girl shouted excitedly because she saw with her own eyes that the dagger had touched Chen Ping's body.

But just after the girl shouted out with joy, the next moment her entire face turned black to charcoal!

Because she saw that after the dagger touched Chen Ping's body, it made a sound of metal collision, and then all the daggers burst into pieces and fell to the ground. Looking at Chen Ping's body, she found that it was unscathed.

"You...are you still human?!"

The girl looked at Chen Ping with wide eyes.

"Stop, you are no match for me. Tell me, who are you? Who are your parents?"

If Chen Ping could know the other person's parents, it would be possible to find a family for Wu Meier.

"You have to give up on this, I won't tell you!" The girl's face was cold and her eyes were full of coldness.

The energy in the body was output wildly, and the cold breath poisoned all the vegetation within ten feet. The thin body actually contained such powerful poisonous energy!

In the blink of an eye, the dagger in the girl's hand shot through the air again, the tearing feeling of splitting the space, carrying the aura of indomitable killing.

There is a faint green light on the dagger. It looks like it has been fed with poison. As long as it hits, it will definitely kill you!

After looking at the girl, he knew that he was unable to catch Chen Ping, so he planned to kill him.

Looking at this scene, Chen Ping sighed slightly, without even trying to hide, he directly raised his hand and waved, and the girl's body flew out instantly.

Bang!

The girl's body hit the wall hard, knocking her unconscious. It was Chen Ping's fault, otherwise the girl would have vomited blood and died.

The girl calmed down, but her eyes were still cold. Chen Ping really didn't know where he had offended this girl. Why did he have to fight to the death with himself?

Chapter: 1020

"Go to hell!"

With a scream, the girl rushed towards Chen Ping again.

Seeing this, Chen Ping sighed slightly: "It's almost done."

Then with a wave of spiritual power, an invisible sword was formed in his hand, and Chen Ping rushed in front of the girl at a faster speed.

The two figures intertwined, moved for a moment, and then separated under the touch.

The two people stood back to back, neither of them moving.

After a few breaths, the girl knew that she was completely defeated and had no chance at all!

“Asshole! You actually...”

The girl screamed, then grabbed her clothes with both hands and looked at Chen Ping angrily.

Because at this moment, there were several gaps in the girl’s clothes, her snow-white skin was exposed, and all the buttons of her clothes were missing. If she didn’t hold the clothes with her hands, Chen Ping would have seen them all.

“Kill me, but you don’t have to take advantage of me. I would rather bite my tongue and kill myself than let you succeed...”

The girl looked determined. If Chen Ping really wanted to do something to her, she would definitely commit suicide.

“Then you bite your tongue and commit suicide. Anyway, what I want is your body. Even if you bite your tongue and commit suicide, I can still get happiness from you...”

Chen Ping turned around and looked at the girl lustfully, looking like a big pervert.

“You...you are shameless, you are not human...”

The girl didn’t expect Chen Ping to say such disgusting words.

The girl had goosebumps all over her body when she thought of how Chen Ping had ruined her after she bit her tongue and committed suicide.

“Since you said I am not a human being, then I am not a human being for you to see...”

Chen Ping had a smirk on his face and rushed towards the girl.

“ah.....”

The girl screamed, grabbed her clothes and ran away.

I don't know, I thought Chen Ping was bullying the girl, but who knew that it was the girl who wanted to kill Chen Ping in the beginning.

Seeing the girl's panic, Chen Ping laughed and quickly reached the girl's side. When he saw Chen Ping catching up, the girl instinctively raised her hand to hit her.

But who would have thought that as soon as he raised his hand, half of his clothes fell off, exposing his fair shoulders and even his underwear.
