

## **The Order 1021**

Chapter: 1021

“I didn’t expect that you are such a cold woman, but you are so hot inside, and you are actually wearing bright red underwear...”

Chen Ping said with a playful look.

The girl was shocked, seeing that she was naked, she hurriedly took her hands back and pulled up her clothes again.

“You gangster, I won’t let you go even if I’m a ghost...”

The girl glared at Chen Ping, opened her mouth suddenly, and planned to bite her tongue and commit suicide.

When Chen Ping saw that the girl was really about to commit suicide, he was frightened. He pinched the girl’s mouth so that she could not bite it, and then hit the girl on the back of the neck with a knife, causing the girl to faint.

“Quite strong...”

Chen Ping helped the girl who had fainted and frowned.

Before he knew the girl’s true identity and purpose, it was impossible for him to let the girl die, and he didn’t feel that he had offended the girl, so why did he arrest him?

Helpless, Chen Ping could only pick up the girl and head towards Panlongwan Villa.

Along the way, Chen Ping was thinking about how to explain to Su Yuqi and Gu Ling’er. After all, these two women are very sensitive, especially when they are together.

When they returned to the villa, they found that Su Yuqi and Gu Ling'er were not sleeping. They were still watching some ridiculous TV series, which were all about romance. Chen Ping didn't like watching them.

When the two of them saw Chen Ping coming back with a woman in his arms, they both jumped up from the sofa.

"Chen Ping, who is this woman?"

Su Yuqi asked first.

"Yes... I picked it up on the side of the road. I saw that she was drunk. She was pitiful..."

Chen Ping lied because he really didn't know how to explain.

But just when Chen Ping finished speaking, Gu Ling'er screamed: "Chen Ping, you fart, you lie, isn't this the girl who came to you that day? I also gave you a heart-protecting bronze mirror, what is it called? Coming?"

After Gu Ling'er saw the girl's face, she immediately exposed Chen Ping.

"Call Wu Mei'er..." Su Yuqi said immediately.

"Yes, yes, my name is Wu Mei'er..."

Gu Linger also nodded.

Chen Ping was stunned for a moment. He had forgotten that Su Yuqi and Gu Ling'er had met Wu Mei'er. However, the girl in his arms was not Wu Mei'er. She just looked like Wu Mei'er. Chen Ping took all this into account. Forgot.

“Chen Ping, you are really capable, and you are still a drunk girl you picked up on the roadside? Do you think I am a fool?”

Chapter: 1022

Su Yuqi looked at Chen Ping angrily.

“No, no, please listen to my explanation. This girl is not Wu Mei’er, she just looks like Wu Mei’er.”

Chen Ping hurriedly followed Su Yuqi to explain.

But Su Yuqi didn’t believe it at all. In fact, let alone Su Yuqi, even if Chen Ping encountered such a thing, he himself wouldn’t believe it. At first, he thought the girl was Wu Mei’er.

“Chen Ping, just enjoy yourself at home with this woman. I’m leaving...”

Su Yuqi was so angry that she rushed out of the door.

Gu Ling’er also glared at Chen Ping and then chased him out.

“Yuqi, Ling’er...”

Chen Ping held the girl in his arms and looked at the disappearing figures of Su Yuqi and Gu Ling’er. He felt helpless. It seemed that he could only explain to Su Yuqi after he figured it out.

Looking at the unconscious girl, Chen Ping put her in his room and locked the door to prevent the girl from waking up and escaping. Then Chen Ping contacted Long Wu and told Long Wu about the matter.

Long Wu was also surprised when he heard this. He asked Chen Ping to keep an eye on the girl and never let her escape. Then he took Wu Meier and rushed from Kyoto to Hongcheng overnight.

It was not until dawn that Long Wu and Wu Meier arrived in Hongcheng and saw Chen Ping sleeping on the sofa in the living room.

Chen Ping felt that someone was coming, and immediately opened his eyes. After seeing that it was Long Wu and Wu Mei'er, he breathed a sigh of relief: "Uncle Long, that woman is in the bedroom. I was afraid that she would escape, so I locked the door." It's inside."

Chen Ping led Long Wu and Wu Mei'er towards the bedroom. As he walked, Chen Ping looked at Wu Mei'er. He had never seen anyone who looked like her. If it weren't for the cold aura on that girl's body, and Wu Meier is even more similar.

"Chen Ping, why do you always look at me? Does the woman you mentioned really look like me?"

Wu Meier asked when she saw that Chen Ping was always looking at her secretly.

"It's not similar, it's exactly the same..."

Chen Ping said affirmatively.

Chen Ping's words also made Wu Mei'er very curious. She was also eager to meet this girl who looked very similar to her.

"Chen Ping, do you think this girl can also do magic?" Long Wu asked.

"Yes, she used charm on me at the bar last night, but it didn't work. I thought she was Wu Mei'er!" Chen Ping nodded, and then continued: "Uncle Long, pick it up. When you get to Wu Meier, do you know who her family is? Do you have any brothers or sisters?"

Long Wu shook his head: "I didn't pick up Mei'er, someone else picked it up and gave it to me, so I don't know if she has any brothers or sisters..."

When Chen Ping heard this, he didn't expect such an episode. It turned out that Wu Meier was not picked up by Long Wu.

Soon, Chen Ping opened the door to the room, but as soon as the door opened, a dagger was stabbed directly at Chen Ping.

Chapter: 1023

Chen Ping reached out and grabbed the dagger. With a little force, the dagger instantly shattered.

Seeing that the attack was unsuccessful, the girl wanted to rush out of the door, but just as she was about to run, she saw Wu Meier walking in, and the girl was immediately stunned.

After Wu Meier saw the girl, her eyes widened in shock.

Because the two people are so similar, standing opposite each other is like looking in the mirror. If it weren't for the different clothes on their bodies, they would be the same person.

Long Wu was also shocked when he saw this scene.

"I told you that you are very similar to a friend of mine. Do you believe it now?"

Chen Ping asked the shocked girl.

The girl didn't speak, she just stared at Wu Mei'er closely, and Wu Mei'er also looked directly at the girl. Although the two people didn't know each other, they slowly moved closer to each other.

When the distance between the two people was only about one meter, the two people emitted a faint light at the same time, and then the two rays of light intertwined and merged with each other.

Wu Meier and the girl felt the feeling of blood connection at the same time. The throbbing of blood made the two girls shed tears instantly.

"elder sister....."

Wu Mei'er looked at the girl, tears filled her eyes, and she even called her sister unconsciously.

“younger sister.....”

The girl also burst into tears and called her sister.

Although they didn't know each other and didn't know who was older and who was younger, they couldn't help but call out sister and sister.

Immediately afterwards, the two people hugged each other tightly.

This scene stunned both Chen Ping and Long Wu.

Especially Long Wu, he has adopted Wu Meier since she was a child. Wu Meier has never met her own family. How could she know that the girl in front of her is her sister? Just because they look alike?

Even if they are twins, how can they tell each other's size? Can't Wu Meier be the sister?

A series of questions made Long Wu confused.

Soon, Long Wu pulled Wu Meier away from the girl, then looked at Wu Meier with a puzzled face and said: “Meier, you have never met your own family, how do you know she is your sister?”

Wu Meier looked at Long Wu and said with a confused look on her face: “I...I don't know. Just when I saw her, I felt very close to her, and I couldn't help but call her sister...”

Long Wu looked at the girl again and said with a serious face: “Girl, what is your name? Where are you from? Who are your parents? Do you know that you have a twin sister?”

The girl shook her head and said: “My name is Xiaolan. I don't know where I come from. I haven't seen my parents since I was a child. My adoptive father raised me. I didn't know that I had a sister, but...  
...Just the feeling of blood connection just now made me feel very warm inside.”

Chapter: 1024

“Who is your foster father? Why did you come to arrest me?” Chen Ping asked Xiaolan hurriedly at this time.

Xiaolan looked at Chen Ping warily, but didn't speak.

Seeing this scene, Chen Ping anxiously wanted to step forward to grab Xiaolan and question him, but as soon as he stretched out his hand, Wu Meier stopped her: “What do you want to do?”

“Of course I have to ask why she killed me. I can't be hunted down without knowing...”

Chen Ping said with an unhappy look.

After all, no one would be happy if they were attacked for no reason.

“You can't touch her, she is my sister...”

Wu Meier blocked Xiaolan behind her with a firm look on her face.

“You just look alike, how come you are so sure that she is your sister? Even if she is your sister, if she attacks me, I can't fight back?”

Chen Ping asked Wu Meier.

“I don't care, I just believe that she is my sister, you can't touch her...”

Wu Mei'er pursed her lips. Although she had no ability to fight with Chen Ping except for her charm skills, Wu Mei'er did not flinch at this time.

Seeing this, Long Wu said to Chen Ping: "Chen Ping, don't ask anymore. Wait until we find out their identities. Come out with me first..."

Long Wu called Chen Ping to the living room, and only Wu Meier and Xiaolan were left in the room.

"Now let me ask Ding Busan what happened. It was he who handed Meier into my hands..."

Long Wu said, taking out his mobile phone and preparing to contact Ding Busan.

Chen Ping heard this weird name and asked very strangely: "Uncle Long, who is this Ding Busan? Why did he hand Meier over to you after he picked it up?"

Long Wu explained to Chen Ping while dialing: "This Ding Busan is one of the four evil people in the Valley of Evil. Mei'er is a baby, a girl. They can't raise it in the Valley of Evil because Ding Busan and I had some friendship, so he gave Meier to me to raise..."

"The Valley of the Wicked?" Chen Ping frowned upon hearing this: "Are all the people in the Valley of the Wicked extremely vicious?"

Long Wu smiled and shook his head: "People who are afraid of them call them evil people, but people who like them regard them as righteous people. I feel that these guys in the Valley of Evil are just to punish evil and promote good. He's just a little old man, he just has a weird temperament..."

Chen Ping wanted to ask something else, but the call was already connected at this time.

"Long Wu, why did you remember to call me so early? Are you being hunted by the Long family again? I have told you so many times that the Long family is chasing you. That is your Long family's business. I There is no way to control it, and there is no reason to control it, but if you join our Valley of Evil, then our Valley of Evil will have a reason to protect you, and the Long family will not dare to do anything to you anymore..."

A lazy voice came from the opposite side, and he was yawning. It seemed that he was not awake yet.

“Ding Busan, I’m not being hunted. Don’t persuade me to leave the Long family. My life, Long Wu, was saved by the old man of the Long family. Therefore, I was born as a member of the Long family and died as a ghost of the Long family. It’s impossible for me to Those who join you in the Valley of Evil...”

Chapter: 1025

Long Wu refused firmly.

“Long Wu, you are so stubborn. The current Long family has changed a long time ago. It is still the same Long family that you were loyal to before. I heard that a young master suddenly appeared in your Long family. Now the Long family has issued a chasing order. The reward for the killing order is three crystal stones. If I hadn’t had some friendship with you, Long Wu, I would have fucking wanted to take over the mission, and your eldest lady...”

“Okay, I’m calling you because I have something to ask you. Don’t nag me. Don’t interfere in the Long family’s affairs...”

Seeing that Ding Busan was chatting endlessly, Long Wu hurriedly interrupted him and glanced at Chen Ping secretly. It was obvious that there were some things he didn’t want Chen Ping to know yet, but the Long family’s large-scale efforts also frightened Long Wu. Suddenly, in order to catch Chen Ping, the Long family was willing to take out three crystal stones.

You must know that crystal stones are a must-use cultivation resource for immortal cultivators. They are hundreds of times more advanced than spirit stones. A single spirit stone is enough for a monk like Chen Ping to practice for a year or more.

However, when Chen Ping listened to Ding Busan’s words, he seemed to understand something, but he didn’t fully understand it. There were still many mysteries in his heart. Now he could only wait until July 15th to talk about it.

“If you have any questions, just ask, I will tell you everything I know...”

Ding Busan said.

“Do you still remember Wu Mei’er?” Long Wu asked.

“Wu Mei’er?” Ding Busan hesitated, but didn’t say anything, obviously he didn’t remember.

“It’s the baby girl you picked up twenty years ago and gave it to me to raise...”

Long Wu said.

“Oh, I remember, why did you think of asking her? Did something happen?”

Ding Busan said with an oh.

“Where were you when you picked up Mei’er? Was Mei’er alone on the roadside at that time? Did you see her parents? Do you know where her home is?”

Long Wu asked several questions in one go.

Ding Busan thought for a while and said: “When I picked up this girl, her parents were still holding her. Her parents gave her to me. I didn’t want to come at that time, but her parents knelt down and begged me to take the baby away. The baby was taken away...”

When Long Wu heard this, he became anxious and asked loudly: “Didn’t you fucking say she was an orphan? Why did her parents give it to you?”

At that time, Ding Busan said that Wu Meier was an orphan, so Long Wu agreed to adopt him. If he knew that Wu Meier had parents, Long Wu would have returned Wu Meier to her parents. After all, the child is so young, and it is best to be with her parents. Long Wu is a big man and it is not convenient to take care of him.

“Look, why are you so anxious? She was an orphan. After her parents gave me their children, they all died...”

Ding Busan explained.

“Dead? How did you die? Aren’t you the so-called miraculous doctor? How can you watch two people die if you can’t save them?”

Long Wu said with a confused look.

“When I saw the girl’s parents, her parents had been deeply poisoned. Even if Daluo Jinxian came, they couldn’t be saved. What’s more, her parents were poisoned with bee venom from Miao Village. How could I save them?”

Chapter: 1026

Ding Busan said very unhappy.

“Bee venom from the Miao Village? Did the people from the Miao Village kill Meier’s parents?”

Long Wu frowned slightly.

“Then I don’t know. I saw that the girl’s parents were dead, so I buried them and gave the girl to you!”  
Ding Busan said, suddenly yawned and said, “I haven’t slept yet. Wake up, I’m too sleepy, I’m going to go back to sleep...”

With that said, Ding Busan hung up the phone.

Long Wu held his cell phone and was stunned for a moment. Since Wu Meier’s parents were poisoned by the bee venom of the Miao Village, it must be someone from the Miao Village who killed her parents, and everyone knew that the venomous bees of the Miao Village were extremely powerful. , extremely toxic, but raising these poisonous bees is very troublesome, so Miao villages rarely use poisonous bees.

After all, the poisonous bees will die after they shoot their poisonous needles, and they have to be cultivated again.

“Uncle Long, that Xiaolan is likely to have something to do with the Miao village. In addition to being able to enchant, she can also emit poisonous gas. Fortunately, my current Heart Condensation Art can absorb and refine everything, so I am not afraid of poisonous gas...”

Chen Ping said to Long Wu.

“Come on, let’s go ask and find out where this Xiao Lan comes from...”

Long Wu also felt that it was necessary to find out Wu Meier’s life experience, and this was also an opportunity.

When Chen Ping and Long Wu walked into the room, they found Wu Meier sitting with Xiaolan. The two were talking and laughing. They didn’t look unfamiliar at all, as if they had known each other for many years.

Seeing Chen Ping and Long Wu come in, Xiaolan immediately put away her smile and closed her mouth.

“What does it have to do with you following the Miao village?”

As soon as he entered the door, Long Wu asked Xiaolan.

Seeing Long Wu asking about Miao Village, Xiao Lan closed her mouth and said nothing.

Wu Meier said at this time: “Sister, this is Uncle Long. I have been adopted by him since I was a child. He is a very good person. Just tell him...”

Wu Meier requested this. Xiaolan looked at Wu Meier and then said: “The Miao King of Miao Village is my adoptive father. I grew up in Miao Village.”

Xiaolan’s words surprised Long Wu. If Wu Meier and Xiaolan were really twins, and their parents died of bee venom from the Miao village, then how could the people of the Miao village adopt Xiaolan? ?

“It turns out that you were sent by King Miao. After seeing that, King Miao wanted to take revenge on his adopted son...”

When Chen Ping heard that Xiaolan was sent by the Miao King, he immediately understood. After all, he was the one who killed Qian Feng, the adopted son of the Miao King, and also destroyed the Xuanyue Valley that the Miao Village managed to run outside. The Miao King It is reasonable to find someone to deal with him.

Xiaolan raised her head and glanced at Chen Ping, revealing a sneer: "My adoptive father has dozens of adopted sons outside. What does one Qian Feng mean? They are just pawns of my adoptive father. In order to provide medicinal herbs and Resources have no use value, and they will die when they die. How can my adoptive father avenge them..."

"Since it's not revenge for Qian Feng, then why did I send you to deal with me?"

Chen Ping asked with a puzzled look on his face.

Chapter: 1027

"This is the secret of Miao Village, I won't tell you..."

Xiaolan said firmly, it seemed that even if Chen Ping took action, she would not say anything.

"Meier, do you know how your parents died?"

At this time, Long Wu asked Wu Meier.

Wu Meier was shocked: "Uncle Long, didn't you say I was an orphan picked up by the roadside? Have you met my parents?"

Because Long Wu never mentioned his parents to Wu Meier.

Long Wu shook his head: "I haven't seen it, but Ding Busan met your parents when he picked you up. It was your parents who begged Ding Busan to take you away, and yours Your parents were poisoned by bee venom from the Miao village and died of the poison. Ding Busan also buried your parents..."

After hearing that Long Wu said that his parents died of bee venom from the Miao village, Wu Meier couldn't help but look at Xiaolan.

Xiaolan was also shocked and stood up hurriedly and said: "Impossible. Only King Miao can control the poisonous bees in Miao Village, and King Miao will not use poisonous bees easily. How could our parents be poisoned by Miao Village?" Bee venom? If the Miao king really killed our parents, why did he raise me so big?"

Xiaolan has become convinced that she and Wu Meier are sisters, so of course Wu Meier's parents are her parents.

But she couldn't believe that her parents would die of bee venom from the Miao village.

If that's the case, why did King Miao still adopt him and raise him to such a large age?

Wu Meier also felt that it made sense, so she looked at Long Wu, hoping that Long Wu could explain it, but it was a pity that Long Wu couldn't explain it either.

"This is what Ding Busan told me, so I can only tell you the truth. As for whether you believe it or not, you can only judge for yourself..."

After Long Wu finished speaking, he walked out of the room because he really couldn't confirm what he said.

When Chen Ping saw this, he also walked out. After a while, Wu Meier followed Xiaolan and came out. However, Xiaolan's face was obviously not good, and she was deep in thought.

Maybe you are still thinking about whether Long Wu's words are credible or not!

Wu Meier somewhat believed in Long Wu's words. Although Ding Busan was called a villain, he had never told a lie. Since it was Ding Busan who said it, it shouldn't be wrong.

Just when a few people were silent in the living room and the atmosphere was a bit depressing, suddenly the door of the villa was pushed open, and then Su Yuqi and Gu Ling'er walked in.

"Chen Ping, did you have a great time last night..."

As soon as she entered the door, Su Yuqi asked loudly, her tone full of sourness.

After hearing Su Yuqi's words, Long Wu and Wu Meier looked at Chen Ping together. Only then did they realize that Xiaolan's clothes had many tears and the buttons on her clothes were missing. Xiaolan had been using Hands holding on to his clothes.

Even so, there was still a large area of snow-white skin exposed, and it was obvious that Xiaolan's clothes had been violently destroyed.

"Chen Ping, you big pervert, what did you do to my sister?"

Chapter: 1028

Wu Mei'er suddenly ran away, questioning Chen Ping, and even stepped forward to give Chen Ping a hard punch. However, she didn't have the strength, so the blow didn't hurt at all. It was because of the excessive force that Chen Ping was hit. His body was so shaken that his hands started to shake.

"You're crazy. I didn't do anything to your sister. She wanted to seduce me with her charm, but I didn't fall for it..."

Chen Ping explained.

At this time, Gu Ling'er and Su Yuqi looked at Wu Mei'er and Xiao Lan, who were exactly the same. They were stunned. It turned out that there were actually people who looked exactly the same. It seemed that they had really misunderstood Chen Ping last night.

"You're talking nonsense. Look at what my sister's clothes are like. How dare you say that you didn't do anything to her? You are obviously a big pervert. You are not satisfied with two women. You even attacked my sister. You look perverted. Squinting eyes is not a good thing..."

Wu Meier didn't believe what Chen Ping said at all. She stubbornly believed that Chen Ping must have done something to Xiaolan, otherwise the clothes would not be like that.

Chen Ping was about to continue explaining, but Su Yuqi stepped forward and said, "How many women does Chen Ping have? What does it have to do with you? Why do you say he is a big pervert? I am Chen Ping's girlfriend. I can prove that he is Didn't do anything."

"Chen Ping is not a big pervert. You are slandering him. Chen Ping is a gentleman. When I fell naked in his arms, Chen Ping didn't do anything wrong to me. Does that prove that he might be a big pervert?"

Gu Ling'er was now standing on Su Yuqi's side and retorted to Wu Mei'er.

Gu Ling'er just finished speaking, and suddenly she felt as if she had said the wrong thing, while Su Yuqi looked at Gu Ling'er in shock: "Ling'er, when did he see you all? Why didn't I know?"

Gu Ling'er's face suddenly turned red, and she was so embarrassed that she didn't know what to do.

When Su Yuqi looked at Chen Ping, Chen Ping also turned his head to the side, pretending not to see it. After all, how could he say such a thing?

Long Wu, who was standing by, saw Chen Ping like that, and a playful smile appeared on his face. He knew that it was difficult for a hero to be a beauty, but fortunately, immortal cultivators could marry multiple wives, so it all depended on Chen Ping's ability.

"Huh, that's because you have no charm. Chen Ping is a big pervert. Otherwise, why would my sister's clothes be like this?"

Wu Meier snorted coldly at Gu Ling'er.

When Gu Ling'er heard that Wu Mei'er actually said that she had no charm, she ignored the embarrassment and said angrily: "Who said I have no charm? If you don't believe me, ask Chen Ping, which of us is charming..."

Gu Ling'er's words instantly caused several girls to look at Chen Ping, which made Chen Ping panic all of a sudden.

Feeling the gazes of several girls, Chen Ping was helpless and could only look at Long Wu with pleading eyes, hoping that Long Wu could rescue him.

Long Wu chuckled, but looking at Chen Ping's pitiful look, he could only stand up and said: "Mei'er, stop fooling around. Chen Ping didn't do anything to your sister. He is still a young man now and has never touched her. How could a woman touch your sister..."

Hearing what Long Wu said, Wu Meier looked at Chen Ping in surprise.

After all, Chen Ping lived with Su Yuqi and Gu Ling'er. It was impossible for a man to bear guarding such two girls. Unexpectedly, Chen Ping did nothing.

"No wonder you can resist the charm. It turns out you can't..."

Wu Meier said with a bit of sarcasm in her eyes.

Chen Ping was so angry at these words that he sincerely punished Wu Meier in person and let her see if he could do it.

Chapter: 1029

But in front of so many people, Chen Ping could only swallow his anger and said nothing.

Finally, everyone became quiet, and Su Yuqi looked at Long Wu and asked Chen Ping, "Chen Ping, who is this person?"

Su Yuqi has never met Long Wu, so she doesn't know him.

"Oh, I forgot to introduce you. This is Uncle Long. If it weren't for him, I'm afraid I wouldn't be able to come back from Kyoto to see you. The bronze mirror to protect the heart and the marrow-cleansing pill were all gifts from Uncle Long."

Chen Ping hurriedly followed Su Yuqi's introduction.

When Su Yuqi heard this, she hurriedly smiled at Long Wu and said, "Hello, Uncle Long..."

Long Wu also nodded with a smile and looked at Su Yuqi: "Have you already taken the Marrow Cleansing Pill?"

"Well, I've eaten..." Su Yuqi nodded.

"Come here, I'll teach you a set of exercises. You can practice it yourself when you're free. Whether you can succeed or not depends on your own destiny..."

Long Wu waved to Su Yuqi.

Su Yuqi hurriedly walked over, and Long Wu directly put his right hand on Su Yuqi's head.

A stream of spiritual power entered Su Yuqi's head from Long Wu's right hand. Su Yuqi felt that her brain went blank, and then a set of four-character exercises flashed in her mind.

After just ten seconds, Long Wu retracted his hand, while Su Yuqi's eyes widened in shock.

Because she found that without realizing it, there were so many things in her mind.

This is simply amazing.

If you could instill knowledge into your brain like this when you were in school, wouldn't you become a top student?

Looking at Su Yuqi's shocked look, Long Wu smiled faintly: "You try to follow the instructions on the technique and try it yourself..."

"Well!" Su Yuqi couldn't wait to sit on the sofa, closed her eyes slightly unconsciously, and then began to adjust her breathing according to the exercise instructions.

As Su Yuqi's breathing became lighter and lighter, spiritual energy began to slowly penetrate into Su Yuqi's body.

"It is indeed a good seedling..."

When Long Wu saw that Su Yuqi started practicing, he actually sensed the existence of spiritual energy and absorbed the spiritual energy into his body. It was incredible.

But soon, everyone noticed that Su Yuqi's breathing was getting weaker and weaker, and Su Yuqi's face began to turn red, and then the skin all over her body turned red.

The temperature of the entire living room was rising at an extremely fast speed, as if a big furnace had been lit, causing everyone to hurriedly stay away from Su Yuqi.

"fire Fire....."

Chapter: 1030

At this moment, Gu Ling'er screamed.

It turned out that the sofa where Su Yuqi was sitting below began to smoke because the temperature was too high.

Seeing this, Chen Ping rushed forward to take Su Yuqi away, but as soon as he touched Su Yuqi's body, Chen Ping immediately retracted his hand because he found that Su Yuqi's body was too hot, as if it was red-hot. Iron plate.

"Yu Qi, Yu Qi, it's on fire, get up quickly..."

Gu Ling'er shouted at Su Yuqi, but Su Yuqi seemed not to hear it.

Chen Ping was a little panicked at this time and looked at Long Wu, wondering what was going on and what kind of skills Long Wu passed on to Su Yuqi.

Long Wu's brows were furrowed, and bursts of cold light suddenly erupted from his body. His hands began to feel cold, and soon there was frost on his hands.

"You all get out of the way, I'll try with my ice palm..."

Long Wu said, using his frosty hands, he stepped forward to lift Su Yuqi up.

咄咄咄.....

After Long Wu's hands touched Su Yuqi, there was a sound of ice cubes hitting the flames, followed by water mist rising up.

Long Wu gritted his teeth and moved Su Yuqi to another place, and at this moment, the sofa began to burst into flames.

Chen Ping hurriedly extinguished the flames with water, and then looked at Su Yuqi, who was still closing his eyes, feeling extremely anxious.

Uncle Long, what's going on with Yuqi?"

Chen Ping asked anxiously.

Long Wu shook his head: "I don't know either. What I taught her was just a very ordinary skill. How could it become like this?"

Even Long Wu didn't know what was going on, which made Chen Ping even more anxious.

But at this time, the temperature in the living room was getting higher and higher, like being in a big furnace. Finally, Wu Mei'er, Gu Ling'er and Xiao Lan couldn't stand it anymore and ran outside one after another.

The three of them were sweating profusely at this moment, while Chen Ping and Long Wu desperately used their spiritual power to resist the heat wave, staring closely at Su Yuqi.

Although it was so hot, there was not a trace of sweat on Su Yuqi's face. Apart from her skin turning red, there was nothing wrong with her.

Suddenly, Long Wu's eyes widened and he took a sudden breath: "I know, this... is this the legendary fire spirit body?"

Fire spirit body?" Chen Ping was stunned and looked at Long Wu with a confused face.

Looking at Chen Ping's confused look, Long Wu explained: "The fire spirit body is also a kind of physique, but people with this physique are extremely rare, and people with this physique can practice skills faster than Ordinary people are much faster, and more importantly, people with fire spirit bodies, after entering the world of immortality, their bodies will not be afraid of flames. Even in the raging fire, they will not feel the heat, and the flames cannot harm such people at all. People with good physique..."

Listening to Long Wu's explanation, Chen Ping seemed to understand something. He nodded and said, "Just like people with ice crystals, they are not afraid of severe cold after entering the world of immortality. Is that so?"
