

The Order 1071

Chapter: 1071

A streak of water streaked across the bottom of the water, heading directly towards Chen Ping.

Chen Ping was startled and hurriedly dodged to one side.

Rumble.....

There was a deafening sound, followed by a big crater like a cannonball exploding under the water.

You must know that this is at the bottom of the water, with the resistance of the water, this knife is so powerful, which shows how powerful the humanoid monster condensed in the spring water is.

“Hmph, it’s just a ray of spiritual consciousness, but it dares to stop me...”

Chen Ping’s body emitted a faint golden light, followed by an angry shout, and punched the humanoid monster.

boom.....

With a loud noise, the humanoid monster was directly smashed to pieces by Chen Ping’s punch, and turned into countless water bottoms, mixed with the spring water.

“So vulnerable...” Chen Ping snorted coldly.

But soon behind Chen Ping, the humanoid monster condensed again, and slashed Chen Ping on the shoulder.

As if Chen Ping's body had been hit hard, he immediately fell to the bottom of the spring. The mud and sand underneath rolled around, making the clear spring water very turbid.

Tianwumen Hall!

One hour came quickly, but Dali Tou still didn't show up, which proved that he hadn't found Chen Ping's shadow yet.

"Chen Ping, this bastard, I will definitely kill him when I see him..."

Xiaolan's face was full of indignation!

"It's been an hour and King Miao hasn't come yet?"

At this time, Xia Chao led people into the hall.

"Maybe on the way, we'll be waiting..."

Xiaolan said hurriedly.

"Do you think of me as a three-year-old child? How far is it from Miao Village to Tianwu Sect? With the strength of their great master, it only takes half an hour to go back and forth. It's already been an hour and they haven't arrived yet, then... To prove that King Miao will not come, we should also hold a ceremony..."

Xia Chao raised the corner of his mouth and said.

Xiaolan didn't speak, biting her lips tightly, feeling anxious inside.

"Okay, don't let me use force on you. Hurry up and put the hijab on. It's time for us to hold the ceremony..."

Chapter: 1072

Xia Chao saw Xiaolan not speaking, so he said impatiently.

"Mr. Xia, we are..."

"I said, I won't wait any longer, can't you hear me?"

Xia Chao glared at Xiaolan and shouted angrily.

Xiaolan knew that she couldn't procrastinate any longer, so she suddenly thought: "Xia Chao, I will not marry you. If you want to get me, you can only get my body..."

After Xiaolan finished speaking, she suddenly cut the dagger towards her neck.

Seeing this, Xia Chao stepped forward and hit Xiaolan on the shoulder, causing the dagger in Xiaolan's hand to instantly fall to the ground.

Upon seeing this, the members of the Miao Village showed their weapons and prepared to rush out, but were quickly subdued by the people from the Tianwu Sect.

Xia Chao controlled Xiaolan and said with a playful look: "It's not that easy if you want to die. When I'm done with you, whether you live or die has nothing to do with me..."

After saying that, Xia Chao directly carried Xiaolan towards the bedroom at the back.

“Let me go, let me go...”

Xiaolan yelled, but being controlled by Xia Chao, Xiaolan couldn't move at all.

After entering the room, Xia Chao threw Xiaolan directly on the bed. His eyes stared at Xiaolan like a beast, as if staring at his prey. Seeing Xia Chao's eyes made Xiaolan tremble with fear. .

“Be obedient and you can still live, otherwise I will make your life worse than death...”

Xia Chao threatened Xiaolan.

“Don't be like this. It scares me to death. I will be scared. Since you like me, you should love me well. Don't you just want to sleep with me? I can satisfy you...”

Suddenly, Xiaolan, who was on the bed, spoke softly, her eyes were full of tenderness, and she twisted her body in various ways.

If a man saw Xiaolan like this, he would definitely not be able to control himself.

This was Xiaolan's charm. She was no match for Xia Chao in terms of force, so Xiaolan could only use her charm against Xia Chao.

No man would be uncompromising in the face of his own charm, except for that pervert Chen Ping...

Seeing Xiaolan like that, Xia Chao, who was originally fierce, suddenly became a little dull, and looked at Xiaolan with a lewd smile: “Little beauty, I love you to death, please hurry up and have fun with me now... ..”

After saying that, Xia Chao rushed towards Xiaolan.

Xiaolan stood up in a hurry, but Xia Chao still grabbed her hand and couldn't escape at all.

Xia Chao looked at Xiaolan with squinting eyes, then moved one hand towards Xiaolan's waist, wanting to hold Xiaolan into his arms.

Chapter: 1073

"Don't worry, let's drink some wine first and flirt..."

Xiaolan pushed Xia Chao away.

"Okay, okay..." Xia Chao nodded repeatedly.

Xiaolan walked towards the wine cabinet in the room, took a bottle of red wine and opened it. She needed to delay now, hoping that Dali Tou could find Chen Ping.

Seeing Xiaolan take down the red wine, Xia Chao's lips curved up!

Soon, Xiaolan opened the red wine, poured two glasses, and served it in front of Xia Chao.

"Be obedient and I will satisfy you..."

Xiaolan raised her eyebrows at Xia Chao, and she was immediately fascinated by him.

"Be obedient, I will be obedient..."

Xia Chao nodded desperately.

“Just drink with me and don’t touch me, you know?”

When Xiaolan saw Xia Chao like that, she said with pride on her face.

“I know, I know...”

Xia Chao still nodded.

Xiaolan handed the red wine to Xia Chao, and Xia Chao drank it in one gulp.

Seeing this, Xiaolan also drank the red wine in her hand, and then Xiaolan filled the glass again.

She planned to get Xia Chao drunk so that she could escape.

But when Xiaolan was about to let Xia Chao drink again, Xiaolan suddenly felt dizzy, her limbs were weak, and the wine glass in her hand fell to the ground.

“Is there something wrong with this wine...is there something wrong with this wine?”

Xiaolan was shocked. She knew that the reason why she was like this was because there was something wrong with the wine.

“Hahaha, I’ve already tampered with the wine, but I didn’t expect you to ask for a drink yourself...”

Xia Chao stopped pretending at this time and started laughing.

“You...didn’t you fall under my charm?”

Xiaolan was surprised. How could Xia Chao not respond to her charm?

Chapter: 1074

“To tell you the truth, your charm only works on men, but now I am no longer a real man...”

When Xia Chao said this again, he didn’t feel the slightest bit ashamed, but instead felt complacent...

“Then...then why do you want to marry me?” Xiaolan looked at Xia Chao in shock, wondering why Xia Chao still wanted to marry her since he was no longer a man.

“Of course it’s for the Yin Qi in your body. You are naturally charming. The Yin Qi in a girl like you is my best cultivation resource...”

Xia Chao raised the corners of his mouth: “After I absorb the Yin Qi in your body, I will be able to break through the martial arts realm and become the youngest martial arts master in the entire martial arts world!”

Xiaolan listened to Xia Chao’s words with fear in her eyes. She wanted to run away, but her body couldn’t move at all. She wanted to bite her tongue and commit suicide, but unfortunately she didn’t even have the strength to commit suicide at this time.

“Stop trying to struggle, just accept your fate...”

After Xia Chao finished speaking, he suddenly pinched his fingers, and then a vortex appeared in the air, circling above Xiaolan’s head.

.....

In the spring!

Chen Ping has been fighting with the humanoid monster condensed in the spring for a long time.

It's just that every time Chen Ping smashes the humanoid monster, the humanoid monster will immediately condense again. No matter what Chen Ping does, there is no way to truly destroy the humanoid monster.

The spiritual power in Chen Ping's dantian was rapidly decreasing, and the Heart Condensation Technique was running rapidly, but it still couldn't supply Chen Ping's massive consumption.

Chen Ping knew that if he continued like this, he would be slowly wasted to death if he wasn't beaten to death, and Chen Ping couldn't always be wasted like this because he didn't know what happened to Xiaolan above.

"Boy, I'm just a ray of consciousness, invisible and immortal. If you can't defeat me, don't try to spy on my sword..."

The humanoid monster spoke.

Chen Ping's forehead was covered with sweat, and his face was very solemn. This humanoid monster in front of him was immortal and could always come back to life. What method should be used?

Just as Chen Ping was thinking, the humanoid monster slashed at him with a knife, but Chen Ping dodged, and then smashed the humanoid monster with another punch.

But soon, the spring water condensed again and became its original state. Every time Chen Ping punched, the spiritual energy in his Dantian was reduced by a little. Sooner or later, if this continued, the Dantian would dry up and his spiritual energy would be exhausted.

“I said, you can’t beat me, don’t waste your time...”

The humanoid monster slowly said: “This spring water is my life. As long as the spring water is there, I can live forever. Do you still have the ability to drain the spring water?”

The words of the humanoid monster made Chen Ping’s eyes light up for a moment, and he seemed to have thought of something.

Chen Ping grinned: “I really want to thank you for reminding me. Although I can’t drain the spring water, I have a way to keep this spring water away from me...”

After Chen Ping finished speaking, a huge amount of spiritual power emanated from his body. Without any stinginess, Chen Ping forced all the spiritual power out of his body.

Chapter: 1075

Soon, a protective shield several meters square formed around Chen Ping, and the surrounding spring water was squeezed to other places. There was no drop of spring water around Chen Ping, and it was all blocked by the protective shield.

Without the spring water, the humanoid monster looked at Chen Ping in panic: “bastard, what do you want to do? This dragon-slaying sword belongs to me. Because my soul was damaged, I hid the dragon-slaying sword here. You How can it be snatched away?”

“Since I saw it, it proves that I have a destiny with this sword. For such a good sword to be hidden here, isn’t this a waste of natural resources?”

Chen Ping smiled coldly.

Inside this protective cover, there is no spring water, and the humanoid monster has no ability to resurrect.

“If you dare to take away my sword, I will kill you...”

The humanoid monster became furious and slashed at Chen Ping with a knife.

As a result, Chen Ping smashed it into pieces with another punch. All the flying water droplets were instantly absorbed by the protective shield, and the humanoid monster never appeared again.

When Chen Ping saw this, he was overjoyed and walked towards the dragon-slaying sword.

When Chen Ping got close to the Dragon Slayer Sword, the Dragon Slayer Sword actually made a buzzing sound, and the sword body also trembled slightly, as if in response to Chen Ping.

But Chen Ping reached out to pull out the Dragon-Slaying Sword, and a huge force of shock directly ejected Chen Ping.

“How is this going?”

Chen Ping frowned. Now that the humanoid monster has been eliminated, why can't he pull out the sword?

Looking at the Dragon-Slaying Sword in front of him, Chen Ping seemed to have remembered something. He bit his finger and dropped a drop of blood on the Dragon-Slaying Sword.

Buzz buzz.....

Suddenly, the Dragon-Slaying Sword shook violently, and Chen Pingde's drop of blood was instantly absorbed by the Dragon-Slaying Sword, and then the Dragon-Slaying Sword turned red.

boom.....

There was a violent explosion and a huge shock wave that directly knocked Chen Ping away, and the protective shield around Chen Ping was instantly shattered.

When Chen Ping climbed up with difficulty, he found that the Dragon-Slaying Sword was flying towards him quickly.

Chen Ping stretched out his hand and directly grabbed the Dragon-Slaying Sword. In an instant, Chen Ping could feel the connection with the Dragon-Slaying Sword.

Soon, Chen Ping saw that the blood in his body began to flow through the Dragon Sword, as if the Dragon Sword had become a part of his body.

Slowly, the Dragon-Slaying Sword became lighter and fainter, and finally disappeared.

But at this time, Chen Ping could still feel that the Dragon-Slaying Sword was in his hand.

Moreover, the spiritual energy that he had exhausted also filled up his entire Dantian in an instant.

Chapter: 1076

"Is this the fusion of man and sword?"

With a thought in Chen Ping's mind, the Dragon-Slaying Sword instantly appeared in Chen Ping's hand.

Chen Ping was overjoyed. This was simply a sword. With this sword, Chen Ping could easily kill Wu Zong who had just broken through.

Soon, the water in the spring began to pour rapidly into the place where the sword had just been inserted. In a matter of seconds, the spring immediately dried up, and no more drop of spring water could be seen.

Chen Ping looked above his head and jumped out of the spring. At this time, the spring pool below the spring was also extremely dry, and there was no trace of water stains.

The rich aura of Tianwu Sect has also disappeared at this moment. Even with Chen Ping's efforts, he can only sense a thin trace of aura between heaven and earth. It seems that the aura of Tianwu Sect before was all due to this dragon-slaying sword. existing.

.....

In Xia Chao's room, Xia Chao was filled with ecstasy as he watched the Yin Qi in Xiaolan's body being continuously sucked into the vortex.

Before long, he will be the youngest martial arts master in the martial arts world, and will be the envied genius in the eyes of everyone.

Although Xia Chao lost his ability as a man in order to quickly improve his strength, what Xia Chao valued more was strength.

In the martial arts world, only strength is respected, and women don't matter.

But at this moment, the door to Xia Chao's room was suddenly pushed open.

Seeing this, Xia Chao hurriedly waved his hand to take back the whirlpool, and then glared at the intruder.

“You bastard, don’t you know how to knock on the door?”

Xia Chao said with cold eyes.

“Young Master, it’s not good, there is something wrong with the divine spring behind us. There is not a drop of water now...”

The visitor followed Xia Chao anxiously.

“What?” Xia Chao was shocked: “How could this happen? What happened?”

“I don’t know either. I just heard an explosion behind me. When I rushed over, I found that all the spring water was gone...”

The visitor shook his head.

Xia Chao glanced at Xiaolan, turned to the visitor and said, “Take me to see how this happened...”

For the Tianwu Sect, the Divine Spring is the foundation of their sect. With this spring, the strength of many disciples of the Tianwu Sect has increased by leaps and bounds, allowing the Tianwu Sect to continue to rank high among the many sects in the southwest.

But now the spring water has disappeared, which shocked Xia Chao. What would he say if his father came back?

Chapter: 1077

Just after Xia Chao left with the visitor, figures flashed in from the window.

The person who came was none other than Chen Ping.

Xiaolan was so weak at this time that she didn't even have the strength to speak. When she saw Chen Ping coming, there was no surprise in her eyes, but she glared at Chen Ping angrily.

Chen Ping saw Xiaolan's body limp and hurriedly injected spiritual power into Xiaolan's body, which restored Xiaolan.

"Chen Ping, you bastard..."

After Xiaolan recovered, the first thing she did was to punch Chen Ping.

Chen Ping hurriedly stepped back: "I saved you, why do you still hit me? Isn't this repaying kindness with enmity?"

"You bastard, where have you been? Where have you been? Didn't you say something was wrong? I almost lost my life..."

Xiaolan looked at Chen Ping angrily and shouted.

"Isn't it okay? I know that Xia Chao is no longer a man, so he can't do anything to you. Now I will take you there to avenge you..."

Chen Ping had a smile on his face. He could understand why Xiaolan was angry.

"You must kill that guy for me, I want to watch him die with my own eyes..."

Xiaolan gritted her teeth and said.

“no problem.....”

Chen Ping nodded.

.....

Behind the main hall of Tianwumen, the spring water that had been flowing continuously now had no drop of water at all. The dry bottom of the spring pool was exposed, and it looked as if there had never been water.

Xia Chao looked at the scene in front of him with a solemn expression, and slowly put his head into the spring. He saw that it was dark inside and could not see anything clearly.

Xia Chao picked up a big stone and threw it down. Following the gurgling sound, no sound of water was heard, which proved that there was no water in the spring.

“How could this happen? How could this happen...”

Xia Chao roared, he wanted an explanation.

“Young Master, someone heard an explosion just now. Maybe someone blew through the spring, so the spring water leaked into the underground river...”

At this time, a great master came over and expressed his opinion.

“Who is that? Who did it? Are you all fucking jobbers?”

Chapter: 1078

Xia Chao roared and cursed at the disciples of Tianwu Sect.

Without this divine spring, what will their Tianwu Sect do in the future?

“I did it...”

At this time, a faint voice came.

Everyone looked for the sound and found Chen Ping looking at everyone in the Tianwu Sect with disdain on a big rock.

Next to Chen Ping, Xiaolan stood there, eyes full of anger, staring at Xia Chao tightly.

Everyone in the Miao Village was also rescued by Chen Ping and stood behind Chen Ping.

Xia Chao was slightly stunned when he saw that Xiaolan and the Miao Village people had been rescued, and then said to Chen Ping: “Boy, who are you? Why did you destroy the Tianwu Sect’s divine spring and save these Miao Village people?”

“I’m not a person, I just don’t like you, is that okay?”

Chen Ping raised the corner of his mouth and said.

As soon as these words came out, Xia Chao was stunned. He had met Chen Ping. At that time, King Miao said that this guy was a madman, and when he was dragged away, he was in a state of panic, but now he is such a madman, and he dares to follow him. Talk like this.

“Asshole, why are you talking to our eldest young master?”

“This is the Tianwu Sect. Who dares to be disrespectful to our eldest young master here?”

“You are seeking death. If you say this to our eldest young master, you will be punished by the nine clans...”

The disciples of Tianwu Sect drew their weapons one after another, and each took the opportunity to praise Xia Chao.

Chen Pingping couldn't help but smile when he faced the flattering guys from Tianwu Sect and said, “You still call each other an eldest young master, but you don't know that your eldest young master is no longer a man. He is now a yin and yang eunuch. If you don't believe it, you can ask your eldest young master to take off his pants and you will find out.”

Chen Ping's words shocked all the disciples of Tianwu Sect. Not many people in Tianwu Sect knew about Xia Chao's practice of evil arts. Only a few people knew about it, so they had such a big reaction.

“You bastard, you're looking for fucking death...”

Xia Chao's face was burning when everyone in Tianwu Sect saw him, and he couldn't help but feel angry, and his aura instantly rose up.

“I think it's you who is looking for death...”

After Chen Ping finished speaking, his body floated down, and then he punched Xia Chao.

The howling wind frightened Na Xia Chao. He did not expect that a madman could have such high energy.

In a panic, Xia Chao hurriedly dodged back, looking very embarrassed.

“Boy, who are you? What does it have to do with following the Miao Village?”

Chapter: 1079

Xia Chao didn't know when such a young master appeared in Miao Village.

“I have nothing to do with the Miao Village. I just find you disgusting because you are a man and woman, and I want to teach you a lesson...”

Chen Ping said disdainfully.

Xia Chao's eyes narrowed slightly, but he was not in a hurry to take action against Chen Ping, because such a young and powerful person must not be an ordinary person, but should be the son of some sect or family.

Now Tianwu Sect is developing, so Xia Chao doesn't want to provoke strong enemies for Tianwu Sect.

“Then you must be here for Xiaolan, right?” Xia Chao glanced at Xiaolan beside Chen Ping: “Let me tell you, this woman is naturally charming, and she knows how to charm. Don't be fooled by her. I was fascinated by her...”

“Cut the fucking nonsense, I'm happy to be charmed, are you ready to do anything? I destroyed the springs of your Tianwu Sect, and you don't dare to do anything to me, are you too cowardly? If you don't dare to do anything, kneel down Just kowtow to me and I will let you go...”

Chen Ping said impatiently.

Xia Chao's face turned cold and he said gloomily: "Boy, you are looking for death..."

After saying that, Xia Chao's body immediately moved towards Chen Ping, and he slapped Chen Ping's chest with his palm.

There was a faint red light flashing in Xia Chao's palm, which indicated that he had used evil magic.

Chen Ping raised the corner of his mouth and did not dodge. With the strength of Xia Chao, a great master, there was no way he could break through Chen Ping's powerful body.

Bang.....

There was a muffled sound, and Xia Chao's palm hit Chen Ping hard on the chest. However, what surprised Xia Chao was that the palm did not hurt Chen Ping at all, and Chen Ping's body did not even move.

Xia Chao's face was horrified, and he hurriedly stepped back. He looked at Chen Ping in horror and said, "Who are you? How come you have such a powerful body?"

"I told you, you don't deserve to know!"

Chen Ping's face was filled with disdain.

Xia Chao's face became increasingly ugly, and the corners of his eyes kept twitching.

"Are you convinced of me? Don't forget that this is the Tianwu Sect..."

Xia Chao's voice was extremely cold.

Chen Ping humiliated him again and again, and Xia Chao began to get angry.

“You’re a guy who relies on absorbing women’s yin energy to practice martial arts. I feel sick when I see you. If I kill you, I’m really afraid of dirtying my hands...”

Chen Ping said while pretending to be retching.

“How did you know?” Xia Chao was surprised.

Chapter: 1080

After all, his method of cultivation is very despised in the martial arts world. If word spread, how could Xia Chao survive in the martial arts world? How can the Tianwu Sect still hang out in the martial arts world?

“I know it’s more than that. You used the spring water to attract a large number of girls to bathe, and took the opportunity to absorb their Yin Qi to practice. I know all this...”

Chen Ping narrowed his eyes and said.

After Xia Chao heard this, murderous intent suddenly rose up in his body.

“The disciples of Tianwu Sect obey the order and guard the mountain gate. Never let anyone go...”

Xia Chao has murderous intentions. He wants to kill everyone who is not from the Tianwu Sect. His secret must not be leaked.

“Don’t bother, they can’t stop me at all, you should just take out your killer weapon, and let me see what happens to the evil magic you practiced at the cost of losing your manly ability!”

Chen Ping smiled lightly.

“Okay, then I’ll let you see...”

After Xia Chao finished speaking, the aura of his body suddenly changed, and then his whole person looked eerie and terrifying, and his body was also expanding at a speed visible to the naked eye.

As his body expanded, Xia Chao’s strength also continued to increase, and the terrifying pressure spread to the surroundings.

“retreat.....”

Upon seeing this, a great master of the Tianwu Sect shouted hurriedly and led the other disciples of the Tianwu Sect to retreat into the distance.

He knew that the evil arts practiced by Xia Chao were very terrifying and bloody, so he called everyone in the Tianwu Sect to retreat.

The terrifying pressure made many people in the Miao Village feel difficulty breathing. Even the five great masters, who were also great masters, frowned after feeling the pressure emanating from Xia Chao, as if a mountain was pressing on their shoulders. Same.

“Boy, you know too much, so you must die...”

After Xia Chao finished speaking, his huge body rolled directly towards Chen Ping, charging like a crazy bull.

Along with Xia Chao's body, streams of yin energy rose into the sky, and instantly turned into ghosts with teeth and claws, biting at Chen Ping at the same time.

Seeing this scene, Xiaolan next to Chen Ping was so frightened that her face instantly turned pale, while many other Miao villagers were so frightened that they closed their eyes.

Although they have been dealing with poisons all day long, they have never seen such a terrifying scene.

Those ghosts with teeth and claws rushed directly towards Chen Ping, and then got into Chen Ping's body.

At the same time, Xia Chao's body also arrived in front of Chen Ping and slapped Chen Ping in the face.

"Let's see how you survive after being hit by my Hundred Ghost Heart Devouring Hearts..."

Xia Chao's eyes were full of pride, and the palm he slapped Chen Ping became very casual.
