

## **The Order 111**

Chapter: 111

“Fuhai, don’t be so polite. We’re sorry for disturbing you all of a sudden...”

Chen Baoguo felt very embarrassed when he saw Sun Fuhai being so enthusiastic!

“Old squad leader, what’s the point of being embarrassed? We haven’t seen each other for many years. When you come to my place, just treat it as your own home. I’ve booked a hotel for noon, and we’ll have a good drink...”

Sun Fuhai said while pouring tea for Chen Baoguo!

At this time, Sun Xiaomeng came out, changed into sportswear, and wore a pigtail, looking very youthful and energetic!

Sun Xiaomeng took a quick glance and turned her attention to Chen Ping. She found that Chen Ping was dressed in all kinds of clothes and looked very rustic. He looked like a bumpkin from the countryside. How could he look like a second-generation official?

“Xiaomeng, why don’t you call me Uncle Chen...”

Sun Fuhai said to Sun Xiaomeng!

“Hello, Uncle Chen!” Sun Xiaomeng shouted absently, looking completely unconcerned, and there was a trace of disdain in his eyes!

“You kid, how come...”

Sun Fuhai saw Sun Xiaomeng’s attitude and was about to get angry, but Chen Baoguo stopped him.

“Okay...” Chen Baoguo hurriedly stopped Sun Fuhai and nodded to Sun Xiaomeng with a smile on his face!

The two families sat together and started chatting. It was obvious that Sun Xiaomeng was a little uncomfortable!

“Brother Chen, I heard from my grandson that you entered politics after you retired from the army. After so many years, you should be a bureau-level cadre now, right?”

Li Fengxia asked Chen Baoguo!

When Li Fengxia asked, Chen Baoguo’s face immediately turned red. He smiled awkwardly and said, “No, I...I have already withdrawn...”

“Is it too early to retire at such a young age?” Li Fengxia said in shock!

“Okay, there’s so much nonsense, asking questions, checking household registration...”

Sun Fuhai glared at Li Fengxia!

In fact, Sun Fuhai noticed something was wrong as soon as Chen Baoguo and the others entered the door. He opened a company and dealt with various officials all year round. Chen Baoguo doesn’t have that official air at all now!

But he didn’t point it out because he knew that his wife was a snob. If he knew that Chen Baoguo’s family were ordinary people, he would probably fall out on the spot!

“I’m just asking casually out of curiosity. What are you in a hurry for?” Li Fengxia rolled her eyes at Sun Fuhai, and then continued to face Chen Baoguo: “Brother Chen, at what level did you retire?”

When Chen Baoguo saw Li Fengxia asking, he knew that he couldn’t hide it, not to mention that he was asking for help, so there was no need to hide anything, so he smiled awkwardly and said: “I was fired...”

Chen Baoguo told everything about his experiences in the past few years. At this time, Chen Baoguo no longer thought about whether he was embarrassed or not. Face was worthless to him now!

Chapter: 112

When Li Fengxia finished listening, the smile on her face immediately disappeared, and then she rolled her eyes!

Sun Fuhai, on the other hand, looked shocked: "Old squad leader, you have been through so much hardship these years, why didn't you inform me?"

"It's all over, and now Chen Ping has come out. It's not like I'm asking you to do a favor to see if I can find him a job. It's okay if it's a little hard and tiring!"

Chen Baoguo asked humbly.

"Re-education through labor prisoners, which company would dare to want them now..."

Before Sun Fuhai could speak, Li Fengxia curled her lips and said!

Li Fengxia's attitude now is completely different from that at the beginning!

Sun Fuhai also frowned slightly and his expression became a little solemn!

Chen Baoguo simply said hurriedly: "If it's difficult, forget it. If it doesn't work, I'll let him find a job on the construction site."

"Old squad leader, to tell you the truth, my company is encountering some difficulties now. If we can't get over it, I'm afraid it will go bankrupt. Recruiting Chen Ping will also delay him."

Sun Fuhai sighed and said!

When Chen Baoguo heard this, he immediately felt embarrassed and said, “Fuhai, I’m really causing trouble for you. Don’t worry about Chen Ping’s work. What happened to your company?”

“What problem can you solve?” Li Fengxia said sarcastically.

“I...” Chen Baoguo’s face turned red with embarrassment!

“Shut up!” Sun Fuhai glared at Li Fengxia fiercely, and then said apologetically: “Old monitor, don’t pay attention to these women, my company has some business dealings with Fuyao Decoration, but the payment they refused to give me any more, and now that the financial chain is broken, I’m afraid I won’t be able to survive much longer!”

“But regarding Chen Ping’s work, I asked Xiaomeng to go to their company to ask. Their company is a group company, and the benefits are good. Let Chen Ping go in first and slowly start from the bottom!”

“Dad, I’m just a salesman. I don’t have any skills. Please don’t cause trouble for me...”

As soon as Sun Fuhai finished speaking, Sun Xiaomeng said unhappily!

“You don’t have the skills. Isn’t Cui Zhiyuan the sales manager? Can’t he only recruit one employee as a manager?”

Sun Fuhai asked.

“he.....”

“Okay, that’s it. If Cui Zhiyuan doesn’t even have this ability, I don’t think you two are suitable...”

Before Sun Xiaomeng could speak, Sun Fuhai threatened Sun Xiaomeng directly!

When Sun Xiaomeng heard this, she stopped talking immediately and could only pout angrily!

Chapter: 113

“Old Sun, Xiaomeng has put a lot of effort into entering that company. Aren’t you just blindly causing trouble for the child? Besides, it is a large group company. Can a prisoner in a labor camp enter?” Li Fengxia glanced at Chen Ping and then said very He said to Sun Fuhai dissatisfied.

Chen Ping felt very uncomfortable as he listened to Li Fengxia talking about being a reform-through-labor prisoner. However, Sun Fuhai was a good person, so Chen Ping couldn’t get angry!

“Dad, I’m the one who said the ugly things first. I’m only responsible for bringing them in. Whether you can pass the interview depends on your ability...”

Sun Xiaomeng rolled her eyes, stood up and left, back to the bedroom!

“Old squad leader, this girl has such a temper, don’t be surprised...”

Sun Fuhai explained to Chen Baoguo awkwardly!

Chen Baoguo smiled bitterly. He had reached this point, what else could he be surprised about?

“Fuhai, please excuse me, I have something else to do, so I won’t bother you...”

Chen Baoguo knew that there was no point in staying any longer. He couldn’t cause conflicts in other people’s families!

“Old monitor, I have already booked a hotel, let’s have a meal together...”

Sun Fuhai said hurriedly!

“No, you have time!” Chen Baoguo waved his hand!

Chen Ping also helped Tang Hongying stand up!

Sun Fuhai also knew that the attitude of his wife and daughter was indeed uncomfortable, but he had no choice but to smile apologetically: “When I have time, I will have a drink alone with the old squad leader!”

Sun Fuhai sent Chen Baoguo and his family out. Li Fengxia had been sitting on the sofa without moving at all!

“Uncle Sun, what is the name of the company you said owed you money?”

After walking out of the door, Chen Ping asked Sun Fuhai.

“It’s called Fuyao Decoration. Does my eldest nephew know anyone there?”

Sun Fuhai asked doubtfully.

Chen Ping shook his head: “No, but I will give it a try and help Uncle Sun collect the account...”

“Eldest nephew, Uncle Sun has accepted your wish. You finally came out of it. We can’t do anything illegal anymore. Please honor your parents and don’t worry about my affairs...”

Sun Fuhai thought Chen Ping was going to violently demand payment. After all, Chen Ping had just come out of prison and might know some gangsters.

Chen Ping smiled: “Uncle Sun, don’t worry, I won’t do anything stupid!”

Sun Fuhai smiled and patted Chen Ping on the shoulder: “If you have such a heart, my uncle will be happy!”

Chapter: 114

After leaving Sun Fuhai's home, Chen Baoguo sighed slightly: "Chen Ping, your uncle Sun is a nice person. If you find a job tomorrow, work hard and don't let others look down on you!"

It can be seen that Chen Baoguo is very angry at Sun Fuhai's wife and daughter, but there is nothing he can do about it. Who wants to ask for help from others even if he has no ability?

"Well, I understand..." Chen Ping nodded!

"What should I do with Hanhan's child? In today's situation, I don't dare to ask..."

Tang Hongying said a little depressed!

We originally agreed to help Wang Hanhan find a job together, but now we haven't even mentioned it to Wang Hanhan!

When Chen Baoguo heard this, he lit a cigarette and lowered his head without saying a word. He didn't know what to say to Wang Changfeng!

"Mom, Dad, don't worry about it. I will find a way to deal with Hanhan's work. If I can enter the company, I can bring her in..."

When Chen Ping saw this, he comforted his parents!

"That's the only way!" Chen Baoguo nodded!

After hailing a taxi and rushing home, Chen Ping sat in the car and sent a message to Lin Tianhu, telling him about Sun Fuhai and asking Lin Tianhu to go to Fuyao Decoration to get the money back!

After the explanation, Chen Ping put away his phone, closed his eyes slightly and took a rest!

Soon, Chen Ping and the others returned to the gate of the community. At this time, Wang Hanhan was walking back and forth at the gate, as if something was urgent.

“Hanhan, what are you doing here?”

Seeing Wang Hanhan at the door, Chen Ping asked strangely.

“Brother Chen Ping, I...”

Wang Hanhan was about to say something when she saw Chen Baoguo and Tang Hongying also getting out of the car, so she shut her mouth!

When Chen Baoguo saw Wang Hanhan at the door, he thought he was waiting for them to ask about work, so his old face turned red and he said to Chen Ping: “Chen Ping, you can talk to Hanhan, your mother and I will go home first...”

Chen Baoguo didn't know how to explain to Wang Hanhan. After all, he, as an elder, had promised everything yesterday, but today he had accomplished nothing!

After Chen Baoguo and Tang Hongying left, Chen Ping asked Wang Hanhan, “Hanhan, did something happen?”

“Brother Chen Ping, I...I'm afraid that those loan sharks are coming to find me. I'm afraid that my mother will find out...”

Wang Hanhan had tears in her eyes and said anxiously to Chen Ping!

“Hanhan, don't be afraid, I'm here. When they come, I'll help you deal with it...”

Chen Ping patted Wang Hanhan gently and said comfortingly!

Chapter: 115

“Brother Chen Ping, you... don’t fight. I don’t want you to be caught because of me!”

Wang Hanhan can only rely on Chen Ping now, but she doesn’t want Chen Ping to fight because of her!

“Don’t worry, I won’t fight!” Chen Ping smiled slightly!

Just as Chen Ping was talking to Wang Hanhan, suddenly an off-road vehicle stopped in front of them, and four tall and thick men got out of the vehicle. One of them was wearing a big gold chain, with a short haircut, and a fierce look on his face!

When Wang Hanhan saw these people, she was so frightened that she immediately hid behind Chen Ping!

“Little girl, how are you preparing the money? If you don’t pay back the money today, I will move your belongings away...”

The guy with the gold chain asked Wang Hanhan.

“I...I have no money, can you give me a few days of grace?”

Wang Hanhan asked timidly.

“No, not even for a day. If you don’t have anything valuable at home, then come with me. I see you are pretty and worth a lot of money...”

After the guy with the gold chain finished speaking, he grabbed Wang Hanhan directly without paying any attention to Chen Ping’s existence!

But as soon as the guy stretched out his hand, Chen Ping grabbed him!

“I’ll pay you the money she owes you, don’t do anything...”

Chen Ping said calmly to the guy with the gold chain.

“You give it?” The guy looked Chen Ping up and down. When he saw that Chen Ping was wearing ordinary clothes and his whole body was no more than two hundred dollars, he sneered: “Do you know how much she owes us?”

“One million...” Chen Ping said!

“Hmph, one million is not enough...” The guy with the gold chain snorted coldly.

“Why is it not enough? You told me last week that as long as I pay back one million...”

When Wang Hanhan heard this, he hurriedly asked loudly.

“Last week was last week. Don’t I want interest on my money? Now it’s 1.3 million, not even one cent less!”

The guy with the gold chain raised the corners of his mouth slightly and said with contempt!

When Wang Hanhan heard this, he was stunned. In this week, the amount had increased by 300,000. Even if he was a money printing machine, he might not be able to repay this usurious loan!

“Okay, 1.3 million, I’ll give it to you...”

Chen Ping said calmly!

Chapter: 116

Seeing Chen Ping agreeing so happily, the guy was stunned for a moment. Even Wang Hanhan's eyes widened and looked at Chen Ping in disbelief.

"Brother Chen Ping, you...how can you have so much money?"

Wang Hanhan knew that Chen Ping could not have so much money. He had just been released from prison a few days ago and had no job. How could he have more than one million!

When the guy with the gold chain heard what Wang Hanhan said, he immediately looked at Chen Ping fiercely and said, "Boy, are you sure you have money? If you dare to play tricks on me, you should know the consequences, right?"

As he said that, the guy took out a dagger and gently scratched his chin!

Seeing the other party take out a dagger, Wang Hanhan turned even paler with fright and hid tightly behind Chen Ping!

"I said I would give it to you, and I will definitely give it to you. Just follow me to the bank to withdraw money..."

Chen Ping looked calm, without the slightest hint of panic!

When the guy with the gold chain saw Chen Ping being so calm, he couldn't help but a flash of admiration flashed in his eyes and said, "Okay, I see you are also a man, so I will believe you and go to the bank with you..."

After the guy with the gold chain finished speaking, he stepped out of the way. After a look, a boy immediately opened the car door!

"Let's go, get in the car..." The guy with the gold chain shook his head!

"Hanhan, go home, don't follow your mother and my parents, I'll be back in a minute!"

Chen Ping turned around and said softly to Wang Hanhan.

“Brother Chen Ping...”

Wang Hanhan pulled Chen Ping’s arm, her eyes full of worry!

“Don’t worry, I’ll be fine...”

Chen Ping smiled slightly, then turned and walked towards the car!

Looking at the car leaving, Wang Hanhan shed tears. She didn’t know what would happen after Chen Ping was taken away!

Soon, the car took Chen Ping to a bank!

“Remember, don’t play tricks on me, we will wait for you outside...”

The guy with the gold chain threatened Chen Ping!

Chen Ping ignored him and walked straight into the bank!

At this time, many people were doing business in the bank lobby, and Chen Ping could only wait in line at the back!

“Sir, if you want to withdraw money, you can go to the ATM so you don’t have to queue up...”

Chapter: 117

A bank staff member said politely to Chen Ping.

“I withdraw too much money, and the ATM can’t withdraw it...”

Chen Ping smiled politely!

“Sir, how much do you want to withdraw?” the staff member asked.

“More than one million...”

As soon as Chen Ping finished speaking, many people in the queue immediately turned back to look at him!

After all, more than one million is not a small amount!

“Chen Ping?”

At this time, in the front team, a fashionable and coquettish woman shouted to Chen Ping.

The woman also wore big sunglasses, covering half of her face!

“Who are you?” Chen Ping frowned slightly and looked at the woman!

“It’s me, Li Dongmei...” The woman took off her sunglasses!

Chen Ping suddenly realized: “It turns out to be you, I can’t even recognize you...”

Li Dongmei was Chen Ping’s classmate in middle school, and the two of them were at the same table. Li Dongmei was very sloppy back then, but she was not as fashionable as she is now!

Li Dongmei looked at Chen Ping, and then said with a bit of ridicule in her eyes: “I heard that you were in jail. When did you get out?”

In such a public place, he directly mentioned the matter of imprisonment. It was obvious that he wanted to make Chen Ping look embarrassed!

When the two of them sat at the same table, Li Dongmei wrote a love letter to Chen Ping. After all, Chen Ping's father was in politics at that time and his family was well off. Many girls liked Chen Ping!

It's just that Chen Ping didn't pay much attention to Li Dongmei at all, because Li Dongmei at that time was not outstanding at all!

"Just a few days after coming out..."

Chen Ping smiled lightly and answered truthfully!

"You just came out and you came to withdraw more than one million? You are really rich..."

Li Dongmei sneered.

Chen Ping just smiled and did not answer the conversation. Instead, he changed the subject and asked, "When did you come to Hongcheng? I heard that you stopped going to school after graduating from junior high school?"

"Yes, I didn't go to school after I graduated from junior high school, but now I am much better than you who graduated from college..." Li Dongmei said, pointing to a middle-aged man with fat head and big ears sitting on the chair next to him. The person said: "That's my boyfriend, the owner of a company, with assets worth tens of millions. I'm here to apply for a card today, and all the money will be under my control from now on!"

Chapter: 118

Li Dongmei looked proud. Although the middle-aged man looked older than her father, she didn't feel there was anything wrong. As long as the other person was rich!

Chen Ping looked at the fat middle-aged man and just smiled: "Congratulations, you have found a rich boyfriend..."

Although Chen Ping just smiled slightly, Li Dongmei felt disgusted in her heart. She felt that Chen Ping was laughing at her!

“Sir, if you want to withdraw more than 500,000 yuan, you need to make an appointment in advance. Have you made an appointment?”

After the bank staff learned that Chen Ping was a recently released labor reform prisoner, their tone became a little tougher!

“I have an urgent need, so I don’t have an appointment. Can you please accommodate me?”

Chen Ping asked the bank staff.

“Chen Ping, what are you in a hurry to do with more than one million? Looking at you, it doesn’t look like you have one million. You won’t come here to show off, right?”

Li Dongmei sneered.

Chen Ping ignored her, but took out his card, handed it to the bank staff and said, “I have 10 million in this card, and now I only want to withdraw 1.3 million. Can you be accommodating?”

“Ten million? Are you kidding? Do you have ten million? You are just a reform-through-labor prisoner who has just been released from prison. How can you have so much money?”

“Li Dongmei sneered and looked at Chen Ping with disdain!

The bank staff also became a little impatient and said with a cold face: “Even if you have 20 million, this is the bank’s rule, you can’t...”

But before he finished speaking, the bank staff suddenly saw the card in Chen Ping’s hand. He was stunned for a moment, and then his eyes widened!

Because the bank card was given to Chen Ping by Su Wenzong, and as Su Wenzong was the richest man in Hongcheng, his cards had obvious special marks. The bank staff could tell at a glance that this was the bank card of the Su family, and If Chen Ping can hold the Su family bank card, he is definitely not an ordinary person.

“Sir, please sit here for a while. I’ll go ask the manager for instructions right away...”

Seeing the card in Chen Ping’s hand, the staff’s attitude suddenly changed 180 degrees.

“Okay!” Chen Ping nodded and sat aside to rest, while the staff member hurriedly went to ask the manager for instructions!

This time, Li Dongmei was a little confused. She didn’t understand why the bank staff was suddenly so polite to Chen Ping!

“Chen Ping, do you really have 10 million?”

Seeing the staff member’s sudden change of attitude, Li Dongmei asked Chen Ping with some confusion.

“What do you care about?” Chen Ping smiled coldly!

“Chen Ping, let me tell you, it is illegal to forge financial documents. How can you, a reform-through-labor prisoner, have 10 million? Don’t think I don’t know. Your family is still living in the old community, and your father is sweeping the streets. , how could you have ten million...”

Li Dongmei never believed that Chen Ping really had 10 million. If he really had this money, would he still live in such a shabby community?

Chapter: 119

And Chen Ping had just been released from prison, so it was impossible for him to earn 10 million in just a few days!

She felt that Chen Ping must be deliberately showing off in front of her because of herself, that's why he said this!

When other customers in the bank heard what Li Dongmei said, they all looked at Chen Ping curiously. These days, they all withdraw money by card. If there is any money in the card, they can know it by checking. No one is really stupid enough to forge a bank account. Get stuck!

After a while, the bank staff who had just left came over with a middle-aged man. The middle-aged man wore glasses and looked a little hurried!

"Hello sir, I am the manager of this bank. How can I help you?"

The middle-aged man walked up to Chen Ping and asked politely.

"I want to withdraw 1.3 million, but I don't have an appointment. Can I withdraw it?"

Chen Ping said and handed the card to the bank manager!

After seeing the bank card, the bank manager's face changed slightly: "Yes, sir, you don't need to make an appointment, but we don't have that much cash now. I will send someone to deliver the cash from other places right away. Sir, go to my office to rest first." Get off!"

Chen Ping nodded and got up to go to the office to wait!

When Li Dongmei saw this, she was immediately dumbfounded. She stepped forward and stopped the bank manager and said, "What's going on with your bank? Why can you withdraw money without an appointment? He is just a prisoner in the labor camp. You didn't even check to see if there was any money in his card." , do you agree? If so, I will take one million now..."

Li Dongmei roared menacingly, and then said to her boyfriend: "Husband, we also want to take one million..."

Li Dongmei's boyfriend came over, glanced at Chen Ping, and then took out a bank card and handed it to the bank manager: "I also have ten million in this card, and I want to withdraw one million now..."

The bank manager didn't even look at it and said calmly: "You can't pick it up without an appointment..."

This sentence made Li Dongmei angry to death. This was simply a double standard scene. Chen Ping had 10 million in his card and could withdraw money directly without making an appointment. Their card also had 10 million in it, but they had to make an appointment!

"What kind of bank are you talking about? I want to complain to you, why do we have to make an appointment when he doesn't need to? We also have 10 million in our card, can't you hear it?"

Li Dongmei roared at the bank manager!

"This gentleman is the supreme VIP of our bank, so there is no need to make an appointment, and you are just ordinary customers, there is no comparison..."

The bank manager said calmly!

Li Dongmei's lungs were about to burst with anger, and her eyes suddenly widened: "He is your supreme VIP? Are you mistaken? He is just a reform-through-labor prisoner who was just released..."

"This gentleman's card is a customized card from the Su family. We only recognize the card but not the person. Do you think you can compete with the Su family?"

There was a flash of contempt in the bank manager's eyes!

The bank manager's words instantly stunned Li Dongmei, and people around her also exclaimed!

You know that the Su family is the richest man in Hongcheng. No wonder the staff member just now changed his attitude when he saw the card in Chen Ping's hand!

Chapter: 120

With the Su family's card, let alone coming to the bank to withdraw money in person, as long as you make a phone call, the bank will send someone to deliver the money in person. Customers like this are the targets of major banks' competition!

When Li Dongmei's boyfriend heard that Chen Ping was holding a customized card from the Su family, his face instantly turned extremely pale. If Chen Ping really had anything to do with following the Su family, his small company would go bankrupt immediately with just one word!

"No...impossible. How could he have the Su family's customized card? He must have stolen it or picked it up. He can't have anything to do with the Su family..."

Li Dongmei didn't believe it. Chen Ping was just an ordinary person who had just come out of prison. How could he be involved with the Su family?

Seeing that Li Dongmei was still shouting loudly, the bank manager's face turned cold: "Security, kick them out..."

Soon, two security guards came over and drove Li Dongmei out. Li Dongmei's boyfriend was also kicked out!

"What is going on? What is the relationship between your classmate and the Su family?"

Li Dongmei's boyfriend asked worriedly.

"I haven't heard that he has anything to do with the Su family. If he has something to do with the Su family, he won't go to jail. He has only been out for a few days, how could he have anything to do with the Su family? I think he must have picked up the bank card. Yes, this bank manager is a jerk!"

Li Dongmei said with an angry look.

"Okay, don't worry about whether he picked it up or not, let's go!"

Li Dongmei's boyfriend didn't want to get involved. If Chen Ping really had a relationship with the Su family, he would be out of luck!

Li Dongmei and her fat boyfriend just walked out of the bank. Several guys who had been waiting for Chen Ping outside saw them and immediately came to greet them!

"Boss Qiu, what a coincidence, I didn't expect to meet you here..."

The guy with the gold chain smiled and said.

"It turns out to be Gangzi, what are you doing here?"

Li Dongmei's boyfriend asked.

"There's a guy who owes us money, and we're waiting for him to withdraw it!"

Gangzi said calmly.

"Oh, then you wait, I have something else to do, and we have time to drink together!"

After Li Dongmei's boyfriend finished speaking, he pulled Li Dongmei to leave!

After all, these people are not good people, and he doesn't want to have too many interactions with these people!

But who knows, Li Dongmei did not move, but asked with some surprise: "Is the person who owes you money named Chen Ping?"

"Chen Ping?" Gangzi was stunned, but he quickly realized: "Yes, it seems his name is Chen Ping, and he owes us 1.3 million!"
