

The Order 1181

Chapter: 1181

“Damn it, you are a grown man, what does it mean to bully a girl? I regard people who bully women the most!” As soon as Zhao Chuang came, he scolded the man in the suit indiscriminately, and then showed a look on his face. He looked at Su Yuqi and the others with a lewd smile and said, “Don’t be afraid, three sisters, my brother will make the decision for you...”

Su Yuqi and the three of them almost vomited when they saw Zhao Chuang’s wretched look, but Su Yuqi still held back and said: “This room card belongs to us, but he took it away...”

When Zhao Chuang heard this, he looked at the room card in the man’s hand, smiled and said, “Don’t worry, sister, I’ll get it for you!”

After Zhao Chuang finished speaking, he winked at the men beside him.

Zhao Chuang’s men nodded, then looked at the man in the suit with arrogance and said: “Leave the room card...”

“Did I apply for this room card?”

The man in the black suit said calmly and calmly.

“Stop fucking nonsense, just stay if I ask you to!”

Zhao Chuang’s men had a tough tone and their faces were full of arrogance.

The man in the black suit looked at Zhao Chuang’s men and then at Zhao Chuang. He ignored him and turned around, preparing to leave. There were more and more people here. The man in the suit was afraid that someone would see that he was evil. identity.

Seeing that the man in the suit ignored him, Zhao Chuang's men frowned and immediately ran up with a quick step, directly blocking the way of the man in the black suit.

"I asked you to keep the room key. Are you deaf?"

Zhao Chuang's men frowned slightly and asked sternly.

"Get away!"

The man in the black suit was now a little angry.

Zhao Chuang's men did not expect that the other party would be so tough and dare to scold him. They knew that their Wuying Villa had a good reputation. Who here would dare to talk to him like this?

What's more, he is still a fifth-grade grandmaster, how can he allow others to insult him?

Seeing the man in the black suit being so arrogant, Zhao Chuang couldn't help but frown slightly, his face full of gloom. Someone dared not give him Zhao Chuang's face. Damn it!

Zhao Chuang's men saw that their eldest young master had a bad look on his face, and knew that they had embarrassed Zhao Chuang. If they went back, they might not be able to get away with a punishment, so they shouted angrily and reached out to grab the man in the black suit.

The strength of a fifth-grade grandmaster cannot be underestimated.

At this time, Xuanyuan Kai and Cheng Kun also arrived. When Xuanyuan Kai saw Su Yuqi and the three of them, he was slightly startled, but then the corners of his mouth raised. He also guessed why Zhao Chuang had a conflict with others. .

“Zhao Chuang, your people are going to suffer?”

After Xuanyuan Kai glanced at the man in the suit, he smiled at Zhao Chuang and said.

Xuanyuan Kai has already noticed that this person’s cultivation level is not low. Although he deliberately hides his aura, Xuanyuan Kai can still feel it.

Chapter: 1182

“Are you kidding? My servant has the strength of a fifth-grade grandmaster. How can he suffer a loss?”

Zhang Chuang sneered.

Xuanyuan Kai saw that Zhao Chuang didn’t care, so he didn’t speak. He just smiled and watched.

Seeing the other party take action, the man in the black suit turned cold, his face suddenly turned ferocious, and his whole body was filled with anger.

Although he was afraid of revealing his identity, the man in the suit had been holding back, but now that the other party was provoking him again and again, how could he not be angry.

The moment Zhao Chuang’s men attacked him, the man in the black suit suddenly punched him.

The peak strength of the Grand Master.

At this moment, the cultivation level of the man in the black suit was exposed. Xuanyuan Kai could not help but be slightly startled. He did not expect that there would be someone with the same cultivation level as him, and the other person was not very old.

“Be careful!” An old man next to Zhao Chuang immediately warned him when he saw that the other party was taking action, and he was still at the peak of the Grand Master’s strength.

Bang!

But it was too late, the other party punched Zhao Chuang’s men hard.

Zhao Chuang’s men screamed and flew out, then fell heavily onto the cabin.

A mouthful of blood spurted out, and Zhao Chuang’s men turned pale, as if they were dead.

When Zhao Chuang’s other men saw it, they surrounded the man in the black suit.

Zhao Chuang’s expression was extremely ugly. He was embarrassed in front of the beautiful woman. Zhao Chuang felt that he had lost all face and walked over quickly.

Xuanyuan Kai didn’t move, and Cheng Kun didn’t move either. Both of them were looking at the man in the black suit, with a solemn look in their eyes.

At the same time, Chen Ping also frowned slightly. Although the man in the suit had only shown the peak strength of a grand master, Chen Ping knew that the man in the suit was not using the group, but was still hiding his strength. Regardless of his age, Qing Qing, he should already be a member of the Wu Sect, possibly even stronger than Xiahou Dun, the leader of the Wu Sect that day.

It seems that this evil cultivation technique can indeed quickly improve a person’s strength. Otherwise, at such an age, it would be difficult to break through to the realm of Wuzong.

The man in the suit looked at the people in Wuying Villa surrounding him. Although he was not afraid, he wrinkled up every day. If the fight continued, he was afraid that his identity as an evil cultivator would be exposed.

“Paralyzed, I, Zhao Chuang, have never been angry like this before. I will beat this guy to death today and throw him directly into the sea...”

Zhao Chuang yelled angrily.

After receiving Zhao Chuang’s order, several people from Wuying Villa immediately got into position, and the aura on their bodies began to rise.

Seeing this, the man in the suit tried his best to suppress the evil spirit in his body, otherwise it would be easily noticed by others.

Just as a fight was about to begin, a young man wearing a Chinese tunic suit walked over, followed by many people in uniform.

Chapter: 1183

There is a dragon embroidered on the left side of these people’s clothes, and everyone knows at a glance that they are from the Long family.

“Isn’t it disrespectful to my Long family to cause trouble on this ship?”

Long Xingxu glanced at Zhao Chuang and the man in the suit, feeling an invisible pressure coming from him!

After Zhao Chuang saw Long Xingxu, he instantly put away his arrogance and waved his hand towards his men, causing them to withdraw.

“Master Long, my man was injured by this guy. Should I have an explanation?”

Zhao Chuang asked Long Xingxu.

“I’ve seen it all...” Long Xingxu glanced at Zhao Chuang, and then said to the man in the suit: “You can go...”

Seeing this, the man in the suit hurriedly walked away. Facing Long Xingxu, the man in the suit was a little nervous, fearing that Long Xingxu would find out his identity.

Zhao Chuang frowned when he saw Long Xingxu letting the man in the suit go, his face full of displeasure: “Master Long, I have never been so angry at Wuying Villa. Now so many people are watching, you Where do you want me to put my face in Wuying Villa?”

“It was you who provoked me first to pick up girls. Since you feel that you have no face, then speak to our Long family...”

Long Xingxu’s eyes narrowed slightly, and the cold air on his body made Zhao Chuang shudder.

Seeing Long Xingxu like that, Zhao Chuang gritted his teeth, snorted and led people back to the room. He was no longer in the mood to pick up girls.

Wuying Villa has some strength, but it is not to the point of going against the Long family. The Long family is a real hidden wealthy family with a profound foundation.

When Zhao Chuang walked back, Long Xingxu looked at Su Yuqi and the three of them, and said to his men: “Let our people make a room for these three ladies and get the room card...”

“knew.....”

Soon, the Long family vacated a room and handed the room card to Su Yuqi.

“Ladies, if you have anything, you can always come to me. My name is Long Xingxu. I wonder if you ladies have time to have a cup of tea together?”

Long Xingxu handed the room card to Su Yuqi and asked.

“They don’t have time...”

At this time, Chen Ping stepped in front of Su Yuqi and the others, took the room card from Su Yuqi’s hand, and after looking at Long Xingxu, pulled Su Yuqi and the others away without giving Long Xingxu any face.

Long Xingxu was stunned for a moment, then stared at Chen Ping’s back tightly and frowned.

“Who is this guy? Do I know him? Why do I feel familiar when I see this guy?”

Long Xingxu’s face was full of confusion.

When he saw Chen Ping for the first time, he felt particularly familiar, as if he had seen him before somewhere, but he couldn’t remember.

Chapter: 1184

Although Long Xingxu is a side branch, he and Chen Ping are connected by blood after all. Chen Ping’s mother is Long Xingxu’s aunt, and the two are cousins.

However, at this time, the two cousins had no feelings at all. They both wanted to kill each other.

“Master Long.....”

Cheng Kun and Xuanyuan Kai walked over and nodded slightly towards Long Xingxu as a greeting.

The two of them were very low-key in front of Long Xingxu.

After all, in front of the geniuses of the Long family, they have to keep a low profile!

Long Xingxu also nodded, and then waved his hand to let everyone disperse.

During these few hours on the boat, Long Xingxu didn't want anything to happen.

"I didn't expect you girls to be quite popular..."

After Chen Ping left with Su Yuqi and the others, he said somewhat sourly.

Seeing Chen Ping like that, Su Yuqi chuckled: "What? Are you jealous?"

"I'm not jealous..." Chen Ping shook his head.

"We are the only three girls on the whole boat, and a few of them are at the level of aunties, so of course the three of us are in demand..."

Gu Linger smiled and said.

There were more than a hundred people on the whole boat. Apart from their three young girls, there really were no other girls. No wonder there were so many people showing their attentiveness.

“I think the main reason is that Sister Yuqi and Sister Ling’er are so beautiful, that’s why there are so many men courting them. If I were a man, I would come here to strike up a conversation...”

Xiaoru said sweetly.

“Xiaoru is getting better and better at talking, I’m really likeable...”

Gu Ling’er gently touched Xiaoru’s head, but soon she seemed to have thought of something, and her face suddenly became a little ugly.

“Ling’er, what’s wrong with you?” Chen Ping noticed that Gu Ling’er’s expression suddenly looked wrong, so he asked strangely.

“Oh, it’s nothing!” Gu Ling’er shook his head.

She just thought that after landing on Dragon Lock Island, Xiaoru and Su Yuqi might never come back, so she became sad.

Just when Chen Ping was still about to ask further questions, suddenly several people in front blocked their way.

Chen Ping turned around and found that it was Qin Xiaotian who led someone to stop them, and beside Qin Xiaotian was his second brother Qin Xiaoxian.

Chapter: 1185

“Chen Ping, you didn’t expect us to meet here, right?”

Qin Xiaotian looked at Chen Ping with a sneer and said.

“What do you want?” Chen Ping had already seen the Qin brothers in the hotel, so there was nothing surprising about meeting them on the boat.

Seeing that Chen Ping was completely unfazed, Qin Xiaotian frowned and said, “You killed my eldest brother. Aren’t you afraid when you see me?”

“I think you are the one who should be afraid, right? If I can kill your eldest brother, I can also kill you. If you want the Qin family to disappear from now on, you can try to provoke me...”

Chen Ping said with an indifferent expression.

When Qin Xiaotian heard this, his face turned red with anger. He pointed at Chen Ping and said: “Boy, you are too arrogant. Don’t think that we haven’t looked for you during this time. It’s just that our Qin family is afraid of you. Today I will break you to pieces.” Shiwanduan, by the way, you played with these women around you...”

With his second brother Qin Xiaoxian here, Qin Xiaotian is not afraid of Chen Ping at all, and the anger in his body is constantly burning.

But just when Qin Xiaotian was about to attack Chen Ping, Qin Xiaoxian on the side grabbed him.

“Second brother, this is the guy who killed the eldest brother. He is right in front of you. Why are you stopping me?”

Qin Xiaotian didn’t understand why his second brother stopped him from taking revenge on such a good opportunity?

“Have you forgotten what the Long family just said? If we take action on this boat, it will offend the Long family. But as long as we get off the boat, the Long family will have no control over it.

By then, we may not need to take action, nor will the Long family. Will you let him go? He came to a place like this and brought several beautiful girls with him. He is looking for death...”

Qin Xiaoxian looked at Chen Ping and raised the corners of his mouth.

Chen Ping didn't give Long Xingxu any face just now. With the arrogant temperament of the Long family, how could he let Chen Ping go.

Hearing what Qin Xiaoxian said, Qin Xiaotian calmed down, and then looked at Chen Ping with a sneer on his face: “Let you live a little longer, and when we get to Dragon Lock Island, I will see how you kneel down and beg for mercy... ..”

“A good dog doesn't block the road. If you don't dare to take action, just get out of here...”

Chen Ping didn't care, pushed Qin Xiaotian away, and took Su Yuqi and the others back to the room!

Qin Xiaotian looked at Chen Ping's back and took a deep breath: “Bah, let me let you run wild now, and you will look good later...”

After finishing speaking, Qin Xiaotian looked at Qin Xiaoxian and asked: “Second brother, is this Long family very powerful? How come I haven't heard of it? There are also those Wuying Villa and Pili Gate, I really don't think I have ever heard of them... ..”

Qin Xiaoxian glanced at Qin Xiaotian and said with an unhappy expression: “You spend all your time drinking and drinking, you know nothing. If it weren't for the eldest brother taking care of the Qin family in the past, the Qin family would have been ruined long ago. From now on, I will rarely be in the Qin family.” If you can come back, the Qin family is counting on you, please give me some snacks...”

After being scolded by Qin Xiaoxian, Qin Xiaotian shrank his neck and did not dare to speak.

The few hours of sailing ended quickly, and Suolong Island was in sight!

Before they even landed on the island, everyone could feel the cold wind coming, which made everyone shiver.

It's summer now, so you can usually wear thin clothes, but looking at it now, Suolong Island is actually a vast expanse of white, covered with white snow, and the landscape is very strange.

Chapter: 1186

"It seems that the legend of Dragon Lock Island should be true..."

After seeing Suolong Island with his own eyes, Chen Ping couldn't help but sigh.

Soon, the cruise ship docked, and Long Xingxu's voice came from the loudspeaker.

"Everyone, this is Binglong Mountain on the side of Suolong Island. If you want to land on the island from here, you can get off the boat directly. We will go to the other side to land on the island later. It is up to you to choose which side you want to land on."

The spiral staircase of the cruise ship has been lowered, and those who want to land on the island can disembark.

But after a while, no one was seen getting off the boat, because no one wanted to get off the boat in such a cold place, and everywhere you looked, it was all white and there were no rare and rare plants. These people were all They came looking for some medicinal herbs and spiritual beasts on the island. It was obvious that there was nothing they were looking for in this cold place.

Seeing that no one was disembarking, the cruise ship was about to raise the spiral staircase and continue sailing to the other side of the island. But at this moment, Chen Ping appeared at the bow of the ship with Su Yuqi and the others, and then walked down the spiral staircase.

At this moment, everyone on the boat was in a commotion and started talking.

“Is this guy crazy? Taking three women to the island from here? Aren’t you afraid of freezing to death?”

“I don’t think these guys want to hunt for treasures, they are more like just for fun. Who comes here to hunt for treasures with three women...”

“Why is it so cold? When it’s cold, if a few people are crowded together, they won’t feel cold anymore. They can also do strenuous exercise...”

“Damn, this guy is so lucky to take care of three women at once!”

Everyone watched with envy after Chen Ping took Su Yuqi and the others off the boat.

But just after Chen Ping got off the boat, Xuanyuan Kai and his people actually followed him. Seeing Xuanyuan Kai get off, Cheng Kun and Zhao Chuang also followed.

Seeing these three demons following them, no one on the boat dared to get off the boat. However, many people became worried about Chen Ping and Su Yuqi. After all, the purpose of these three guys getting off the boat was very clear, which was to go after the three Women went.

“Second brother, what should we do?”

Seeing Chen Ping get off the boat from here, Qin Xiaotian asked Qin Xiaoxian.

After thinking for a moment, Qin Xiaoxian gritted his teeth and said, “Let’s go down too...”

The revenge for killing their brother must be avenged. Since Chen Ping disembarked from here, they had to follow him. Only by killing Chen Ping on Suolong Island would no one pay attention.

Chen Ping looked at the people who got off the boat with them, his face became extremely gloomy.

The reason why he chose to get off the boat here was because he didn't want to get off the boat here. Chen Ping happened to avoid everyone and went to find Long Jing alone with the map.

If there are too many people, it will be difficult for Chen Ping to move even if he has a map, and he does not dare to take out the map. If everyone knows that he has a map of Dragon Lock Island on him, he will know what the consequences will be if he thinks about it with his toes.

“Brother Kun, Brother Kai, I didn't expect you two to be so fanatical about women, but there are exactly three women, one for each of us. I want the youngest one with a ponytail, although her figure is not yet fully developed. , but it is relatively young, none of you can compete with me...”

Zhao Chuang looked at the youngest Xiaoru in front of him, his eyes narrowed, and his laughter was about to leak out.

Chapter: 1187

Cheng Kun and Xuanyuan Kai both rolled their eyes at Zhao Chuang. They really didn't understand whether this guy came to Suolong Island to pick up girls or to hunt for treasure.

However, the reason why Xuanyuan Kai followed him off the ship was because he was refuted by Su Yuqi and the others at the hotel about face. After all, for young men from aristocratic families like them, face is more important than anything else.

And Cheng Kun was not doing it for women, nor for face, but simply because he saw Xuanyuan Kai disembarking, so he got off with him. This guy didn't look at each other with Xuanyuan Kai, so he always wanted to compete.

At this moment, Qin Xiaoxian also took the Qin family off the boat. Zhao Chuang frowned when he saw someone else following him. He looked at Qin Xiaoxian and Qin Xiaotian and said, "I said you are all uncles with unshaven beards. Why? Come down and steal women from us? Are you shameless?"

Qin Xiaoxian and Qin Xiaotian are both middle-aged men in their forties or fifties. In Zhao Chuang's eyes, they are both middle-aged uncles. Why are they still competing with young people like them for women?

After listening to Zhao Chuang's words, Qin Xiaotian wanted to get angry. A young boy who had barely grown into a grandmaster dared to talk to them like this.

However, Qin Xiaoxian on the side secretly pulled Qin Xiaotian, and then smiled and said to Zhao Chuang: "Master Zhao misunderstood, we are not interested in those women, but Chen Ping has some issues with us, and we want to stay on this island. Let's make a break..."

Zhao Chuang pointed at Chen Ping in front of him: "Is this the man you are talking about?"

"Yes, that's him!" Qin Xiaoxian nodded.

"That's pretty much it. As long as you don't steal women from us, there are only three women, and our three brothers will share them..."

Zhao Chuang said carelessly.

Qin Xiaoxian smiled slightly and didn't say anything. Although the Qin family also had strong strength, he did not want to provoke the three young people in front of him, not to mention

that he was just a collateral branch of the Qin family. If he really pissed off these three young people, Of the three families, it is estimated that the Qin family will not protect him!

Just as Qin Xiaoxian and Qin Xiaotian were walking towards Chen Ping with their men, another person slowly walked out of the boat. It was the man in a suit who injured one of Zhao Chuang's men on the boat.

Seeing the man in a suit walking down, Zhao Chuang was furious, but he didn't say anything because he found that the man in a suit didn't seem to be easy to mess with.

Although he said that he asked Cheng Kun and Xuanyuan Kai to protect him if something happened, but if he was in danger, neither of these two guys would necessarily help, it was just superficial.

Chen Ping, who was not far away, looked at the man in a suit walking down, his face became more and more serious, and his brows were knitted tightly together.

These people who came down are all masters, and things are getting more and more difficult to handle.

However, after the man in the suit came down, he just glanced at everyone and then walked away, without intending to go with Chen Ping and the others.

"In three days, the ship will pick up everyone here. If you fail to board the ship, then wait for death on the island..."

The sound of the ship's horn sounded, warning people getting off the ship.

At this moment, Long Xingxu, who was standing at the top, looked at the people disembarking from the boat and raised his lips: "Interesting, these guys are really interesting!"

“Master, do you think these people here are the people we are looking for?” A servant next to Long Xingxu also looked down at the people disembarking and continued: “The two older ones must be No, and the three young masters from Wuying Villa, Thunderbolt Gate, and Xuanyuan family are definitely not the same. Could it be the guy in the suit? I think he always hides himself deliberately!”

“No need to guess, you will know in three days...”

Long Xingxu squinted his eyes: “I really want to see who this cousin of mine I have never met is!”

Chapter: 1188

Beep.....

The cruise ship’s whistle sounded, and the cruise ship slowly started to leave.

After the cruise ship left, Qin Xiaotian couldn’t wait to lead people to surround Chen Ping and the others.

This time, Qin Xiaoxian didn’t stop him. Chen Ping killed his eldest brother, so he deserved it...

Seeing Qin Xiaotian leading people to surround him, Chen Ping was still very calm, but Su Yuqi and the other three girls became a little nervous and stood tightly with Chen Ping.

“Chen Ping, aren’t you crazy? In this place where birds don’t shit, let me see who can save you. Today I will avenge my brother...”

While speaking, Qin Xiaotian had already waved his fist towards Chen Ping.

As the Grand Master, Qin Xiaotian's punch was so powerful that the wind caused the snow on the ground to fly across the ground!

Chen Ping snorted coldly: "Looking for death..."

But just when Chen Ping was about to punch him, Xiaoru had already jumped up from Chen Ping's side.

"If you want to touch Brother Chen, you have to pass me first..."

Xiaoru's slender figure was in front of Qin Xiaotian in an instant.

Seeing Xiaoru dare to fight with him, Qin Xiaotian was a little surprised. Thinking of Zhao Chuang's explanation just now, Qin Xiaotian could only withdraw some strength.

If he really wants to punch this Xiaoru to death, maybe this Zhao Chuang will cause trouble for him!

Qin Xiaotian withdrew nearly half of his strength, and then punched and collided with Xiaoru.

boom.....

After a loud noise, the huge shock wave made the snow invisible for several meters around the two people, revealing the brown ground!

At the same time, Qin Xiaotian's body flew upside down like a kite with its string broken.

His internal organs were churning, making Qin Xiaotian's throat feel sweet, and a mouthful of blood spurted out!

“Third brother.....”

Seeing this, Qin Xiaoxian suddenly jumped up and caught Qin Xiaotian steadily in mid-air.

Seeing that Qin Xiaotian was punched out by an inconspicuous little girl, everyone else stayed on the spot.

Especially Zhao Chuang looked at Xiaoru with even more intense eyes. He was not frightened by Xiaoru’s strength.

“Cough cough cough.....”

Chapter: 1189

Qin Xiaotian coughed violently, and then another mouthful of blood spurted out.

Qin Xiaoxian hurriedly injected a burst of energy into Qin Xiaotian’s body, which helped him control his injuries.

“Damn it, I just saw that you were a little girl and you didn’t use all your strength, but you actually did something dirty. I will kill you...”

Qin Xiaotian was furious. He, a middle-aged uncle, was actually injured by Xiaoru, a child. This was so embarrassing.

Just when Qin Xiaotian was about to attack Xiaoru again, Zhao Chuang hurriedly stood in front of Xiaoru.

“Clear your stinky mouth for me. A big man was injured by a little girl, and you still have the nerve to scream. Believe it or not, I will tear your mouth to pieces...”

Zhao Chuang cursed angrily at Qin Xiaotian with a gloomy face.

Qin Xiaotian was also angry. When he saw Zhao Chuang insulting him so much, he immediately became furious: "Who the hell are you? You are just a little master. I can crush you to death with one finger. What the hell are you doing?" I have never heard of Shadow Mountain Villa..."

Qin Xiaoxian on the side frowned when he saw Qin Xiaotian scolding Zhao Chuang.

When Zhao Chuang saw that Qin Xiaotian dared to scold him, his eyes were full of murderous intent. He waved his hand and several of his men immediately gathered around him.

At this time, the two groups of people were facing each other tit for tat, and the war was about to break out. The atmosphere at the scene was very depressing.

"Mr. Zhao, my brother was also impatient and spoke uncontrollably. I apologize to Mr. Zhao on his behalf, but I also hope that Mr. Zhao will not stop us from taking revenge..."

Seeing that the two sides were about to fight, Qin Xiaoxian followed Zhao Chuang and apologized.

"Bullshit, just an apology? Let him kneel down for me..."

Zhao Chuang did not accept Qin Xiaoxian's apology at all.

Zhao Chuang's words immediately made Qin Xiaoxian's face become extremely ugly.

"Mr. Zhao, please keep a line in your behavior so that we can meet each other easily in the future. You, Wuying Villa, are powerful, but our Qin family is not a vegetarian either..."

Qin Xiaoxian's eyes flashed with coldness.

However, Qin Xiaoxian's threat, instead of frightening Zhao Chuang, actually made him furious in an instant!

"You Qin family are just a bunch of birds. Are you vegetarians? Let's see the truth in our fists and feet..." After Zhao Chuang finished speaking, he waved his hands to his men and said: "You guys, let me have a taste of it for these ungrateful guys." Our Shadowless Villa is so powerful..."

After Zhao Chuang finished speaking, he quickly stepped back. With the strength of a little master like him, he might have been pushed to the ground by the opponent's aura before he even made a move.

Seeing that action was inevitable, Qin Xiaoxian ordered: "Protect the third child..."

Immediately afterwards, the aura on Qin Xiaoxian's body suddenly surged, and the terrifying pressure instantly enveloped a hundred meters in radius, as if he had reached the realm of the Wuzong...

Feeling Qin Xiaoxian's aura, Zhao Chuang's face became extremely ugly.

Chapter: 1190

He came out secretly this time and didn't bring many experts with him. Now that Qin Xiaoxian is actually in the realm of Wuzong, he might be in trouble now.

If they really want to fight, they may not be their opponents, but they will be very embarrassed, especially in front of Xiaoru.

Zhao Chuang was really moved when he saw Xiaoru take action just now, with that heroic look, otherwise he wouldn't be so protective of Xiaoru.

At this time, Zhao Chuang looked at Cheng Kun and Xuanyuan Kai with pleading eyes. After all, the men brought by these two men were martial arts masters.

Seeing that the people brought by Zhao Chuang were struggling to support themselves under the pressure of Qin Xiaoxian, their expressions changed.

Xuanyuan Kai looked at Zhao Chuang's pleading eyes, and finally winked at an old man beside him.

The old man nodded, and then the clothes on his body moved automatically, and then a breath rose up.

The old man's breath and Qin Xiaoxian's breath collided, and then they both disappeared without a trace!

The people brought by Zhao Chuang also took a breath!

Qin Xiaoxian frowned and looked at Xuanyuan Kai and the old man.

"I wonder if you two can give me a penny. This matter has passed like this. Isn't the purpose of our coming to Suolong Island just to get some rare treasures? If we are lucky enough to see it? The legendary real dragon is even better, why bother to fight and kill as soon as you land on the island?"

Xuanyuan Kai took a step forward and said to Zhao Chuang and Qin Xiaoxian.

"Brother Kai, since you have spoken, of course I have to give you face, and I will not argue with them, otherwise none of them will be able to leave alive..."

When Zhao Chuang saw Xuanyuan Kai talking, he immediately got off the slope and found a step for himself.

Chen Ping looked at this guy Zhao Chuang and almost laughed out loud. He was such a fucking treasure.

Qin Xiaoxian almost died of anger after listening to Zhao Chuang's words, but now that Xuanyuan Kai has spoken and is clearly favoring Zhao Chuang, he can't say anything more. After all, with his current strength, he is not strong enough to fight against the two of them. .

"Now that Mr. Xuanyuan has spoken, of course I have to give him face..."

After Qin Xiaoxian finished speaking, he turned around and left.

"Second brother....."

When Qin Xiaotian saw that Qin Xiaoxian was leaving instead of seeking revenge against Chen Ping, he immediately shouted in confusion.

"Let's go!" Qin Xiaoxian glared at Qin Xiaotian.

Qin Xiaotian had no choice but to be supported and left together.

But when leaving, Qin Xiaotian glanced at Chen Ping fiercely: "Chen Ping, remember, you can't hide behind a woman forever."

After Qin Xiaoxian led the people away, Zhao Chuang spat fiercely in the direction they left: "Bah, what the hell, if I hadn't sneaked out and brought an expert with me, I would have killed you long ago!"
