

The Order 1191

Chapter: 1191

When Zhao Chuang said this, Cheng Kun and Xuanyuan Kai finally understood that with Zhao Chuang's strength, how could his parents feel comfortable letting him come to Suolong Island and only bring a few great masters with him.

It turns out that this guy ran out secretly. It is estimated that Wuying Villa will be in chaos at this moment.

After Zhao Chuang finished speaking, he turned his head and looked at Xiaoru with a concerned expression: "Sister, are you okay?"

Xiaoru glanced at Zhao Chuang and shook her head.

"Hello, my name is Zhao Chuang..."

Zhao Chuang smiled at Xiaoru and stretched out a hand!

However, Xiaoru did not shake hands with him. Instead, she said softly, "My name is Xiaoru" and then turned around and returned to Chen Ping.

"let's go....."

Chen Ping said and left with Su Yuqi and the others. They only had three days, so time was very tight and they could not delay.

Looking at Xiaoru's back, that guy Zhao Chuang giggled.

"Xiaoru, Xiaoru, what a nice name..."

Zhao Chuang muttered.

“Zhao Chuang, you don’t really have a crush on that little girl, do you?”

Xuanyuan Kai was a little surprised when he saw Zhao Chuang like that.

Zhao Chuang nodded unabashedly: “Well, I have true feelings this time!”

“Damn, Zhao Chuang, you kid has played with countless women, and I’ve never seen you show true love. Are you really going to show true love to a little girl? I don’t think that little girl is fully developed...”

Cheng Kun also said in surprise.

Zhao Chuang gave Cheng Kun a sharp look: “Brother Kun, you are not allowed to talk about my woman like this. I like this...”

“Hahaha, stop being so sentimental. If you give your woman back, maybe she won’t like you...”

Cheng Kun looked at Zhao Chuang and laughed.

Xuanyuan Kai also patted Zhao Chuang on the shoulder: “Okay, you’re just going to be hot for three minutes. Maybe you won’t like it after two days!”

“No, I will definitely catch Xiaoru this time!” After Zhao Chuang finished speaking, he led his men to chase Chen Ping and the others in the direction they left.

Just after taking two steps, Zhao Chuang suddenly turned back to Cheng Kun and Xuanyuan Kai and said: "Brother Kun, Brother Kai, you two must not be thinking about Xiaoru's friends. If you want to play with women, I will give them to you when you get back. Send ten or eight over."

"Get out of here, I didn't say you were playing with women, you are the one who made the noise..."

Chapter: 1192

Cheng Kun laughed and scolded Zhao Chuang.

Originally, Cheng Kun disembarked with him, and he wasn't chasing a few women. He didn't have that intention!

But when Xuanyuan Kai saw Su Yuqi's dewy look, he always wanted to have a taste!

But when Zhao Chuang said this, Xuanyuan Kai smiled and said: "Okay, for your happiness, I will sacrifice it!"

"Brother Kun, Brother Kai, when I get back, I'll treat you two to a drink..."

After Zhao Chuang finished speaking, he led the people to catch up in a hurry.

Cheng Kun and Xuanyuan Kai looked at each other, but their eyes were full of gunpowder.

Then two people followed.

Chen Ping took Su Yuqi and the three of them and strode towards the depths. When he saw no one was following him, he took out the map and took a look at it. After determining the direction, he continued to move forward.

Because this place is inaccessible and covered with white snow, you can't see anything, but the aura on the island is very strong.

"The air on this island is great..."

Su Yuqi took a deep breath, closed her eyes slightly, and said very comfortably.

Seeing Su Yuqi like that, Chen Ping smiled slightly and said, "Try not to breathe through your nose, but use your body to absorb the surrounding air..."

Su Yuqi had eaten the Marrow Cleansing Pill, so she could feel the presence of spiritual energy, so she felt that the air was particularly fresh in places with strong spiritual energy.

"You don't need to teach us, Uncle Long has already taught us..."

Gu Ling'er laughed from the side.

Su Yuqi and Gu Ling'er both took the Marrow Cleansing Pill, and their bodies have been completely transformed. They can feel the existence of spiritual energy, and then learn the mental method to convert the spiritual energy into spiritual power. That will be considered as the true journey of cultivating immortals!

"That's even better. The spiritual energy here is rich, and we can just replenish our physical strength..."

After Chen Ping finished speaking, the pores all over his body opened and he began to eagerly absorb the spiritual energy around him.

Chen Ping is now at the fourth level of the Bigu stage, so even facing a second-grade martial artist should be a no-brainer. In addition, Chen Ping has the skills to reborn, and he can fight with a third-grade martial artist!

“I don’t know when I will reach the pill formation stage. By that time, even if the martial arts is at its peak, there is nothing to fear...”

Chen Ping’s heart was full of desire for power. He had never been so hungry for power.

Because he knew that only if he had unrivaled strength could he save his mother and make the Long family pay the price. When he thought that his mother had been tortured for more than twenty years, Chen Ping felt like needles pricking his heart. of pain.

“Xiaoru, wait for me, wait for me...”

Chapter: 1193

At this time, Zhao Chuang was panting and led people to chase him.

Although Zhao Chuang has also reached the level of a grandmaster, he is used to being pampered, and the cold weather here makes this guy suffer a lot.

Seeing Zhao Chuang leading people to catch up, Chen Ping frowned slightly. If someone was following him, it would be very inconvenient for him to do some things!

“Xiaoru, this guy doesn’t really like you, does he?”

Seeing that Zhao Chuang actually led someone to chase him, Su Yuqi said jokingly.

When Xiaoru saw Zhao Chuang chasing after them, her face turned ugly. She knew what their purpose was this time, so no one could follow them. It would be very troublesome if anyone followed them.

“Xiaoru, you guys are walking so fast. It took me a lot of effort to catch up with you...”

After Zhao Chuang caught up with Xiaoru, he grinned.

“Why are you chasing me?” Xiaoru asked displeasely.

“I...I was afraid that those guys from the Qin family were bullying you, so I led people to chase me. Besides, there are dangers everywhere on this island, so I can protect you...”

Zhao Chuang explained.

“I don’t need your protection. I just need Brother Chen and Sister Yu Qi. Besides, with your strength, you can’t beat them...”

Xiaoru said unceremoniously.

This time, Zhao Chuang was embarrassed and could only say: “Actually, there are many masters in our family, but I didn’t bring them out this time. Don’t think I am not strong, but for you, I am willing to give my life... ”

This sentence made Xiaoru speechless. After all, she was a little girl, and no man had ever said such a thing to her.

Su Yuqi saw that Xiaoru didn’t know what to say and was fooled by that guy Zhao Chuang, so she walked over and gave Xiaoru a hand, pulled Xiaoru behind her, and said to Zhao Chuang: “Stop coaxing here. Xiaoru, a young man like you will lie to others with your words...”

Su Yuqi pulled Xiaoru and turned around to leave, while Gu Ling’er pointed at Zhao Chuang: “I’m warning you, don’t follow us...”

The three of them followed Chen Ping and continued to walk forward, while Zhao Chuang followed at a distance with others. This made Su Yuqi and Gu Ling'er very angry.

"Let him follow you, don't worry about him..."

Chen Ping said aloud.

He had long seen that although Zhao Chuang looked like a playboy, he actually had no bad intentions. Moreover, Zhao Chuang and the few people he brought with him were not very strong, so Chen Ping didn't need to worry.

But just after walking for a while, a roar suddenly came.

Roar.....

This roar resounded across the sky, even the earth trembled slightly, and the snow on some trees fell one after another.

Chapter: 1194

Chen Ping was stunned for a moment and hurried towards the direction of the roar.

Su Yuqi and the other three followed closely behind.

Zhao Chuang was startled when he heard the roar, but when he saw Chen Ping and the others running away in search of the roar, he plucked up the courage and led others to follow.

As soon as he walked not far away, Chen Ping saw a huge snow wolf appearing in front of him. The snow wolf was covered in white hair and was about the size of a calf. Its eyes were as wide as copper bells.

The snow wolf was blowing up the hair on its body at this moment, and each hair looked like steel thorns.

In front of the snow wolf, the man in a suit was in an offensive stance, staring at the snow wolf.

On the side, the two brothers of the Qin family were watching, as well as Cheng Kun and Xuanyuan Kai, all looking at the man in suit and Snow Wolf.

This was the first beast they encountered after landing on the island. Seeing that the beast's size was much larger than usual, it must have absorbed spiritual energy here for many years and acquired a certain degree of intelligence.

The man in the suit turned his head slightly, looked at the group of people watching, and frowned involuntarily.

The man in the suit had already fought with the snow wolf for two rounds. Although he did not kill the snow wolf, he still had the upper hand. Soon he would be able to kill the snow wolf and take out the beast elixir.

However, with so many people watching at the scene, the man in the suit knew that it would be very difficult for him to take the beast pill away easily.

"I can't believe that such a ferocious snow wolf can appear in such an extremely cold place. It seems that there may be even more terrifying creatures behind..."

Chen Ping looked at the snow wolf as big as an ox and couldn't help but sigh.

He didn't know if he could find the legendary ice dragon and flame dragon, and he didn't know his own strength, whether he could take out the dragon crystal. An ordinary snow wolf was so

powerful, wouldn't the strength of those two dragons be even more powerful? Horrible, Chen Ping was a little frightened when he thought of these.

“The reason why this snow wolf is as big as an ox must be under the influence of the giant dragon. I heard that there are two dragons on this island, and their whole bodies are full of treasures. Even if they live with the giant dragon, These beasts together have all surpassed their limits and become extremely ferocious...”

Zhao Chuang came up and explained to Chen Ping, pretending to understand.

He just wanted to use this to build a relationship with Chen Ping and the others. As long as he built a relationship with Chen Ping and the others, it might be much easier to pursue Xiaoru.

Chen Ping just glanced at Zhao Chuang and said nothing, which made Zhao Chuang feel bored!

“Roar.....”

But at this moment, the snow wolf took advantage of the man in the suit's distraction, roared, and pounced directly on him.

The hair on the snow wolf's body is like a sharp blade. If it touches even a little bit, the skin will be ripped open!

The snow wolf's body is in mid-air, and its sharp fangs are exposed. It's very scary!

The man in the suit frowned, and then rolled his body quickly, awkwardly dodging the snow wolf's blow.

You must know that this man in a suit is the strength of Wu Zong, and now he is being made so embarrassed by a snow wolf, which shows how strong this snow wolf is.

Chapter: 1195

What's more, this snow wolf already has a mind and knows that when the man in the suit is distracted, he suddenly attacks, catching the man in the suit off guard.

The man in the suit climbed up from the ground in embarrassment, but before he could stand still, the snow wolf pounced on him again.

The man in the suit was startled, and then the muscles all over his body tensed up, and he suddenly punched out!

boom.....

This punch hit the snow wolf's abdomen directly, and the huge snow wolf's body was directly knocked away by the man in the suit's punch.

Ouch.....

Snow Wolf howled, and then his body fell heavily in front of Chen Ping.

"ah....."

This time, Su Yuqi and the other three girls were so frightened that they all screamed and backed away.

Although several people are skilled, they are still afraid from the bottom of their hearts when they see such a big snow wolf.

"It's just a beast, let's see if I don't kill it..."

When Zhao Chuang saw that Xiaoru was also frightened, he immediately felt sympathy for her, took out the dagger from his waist, and prepared to step forward to kill Xuelang.

But before Zhao Chuang could move, he was stopped by his men: "Young master, you must not get close to that beast, be careful it swallows you up..."

Zhao Chuang is just a small master. If he really wants to go over, I'm afraid he will be swallowed up in one bite.

When Zhao Chuang heard this, he was so frightened that he retracted the steps he had taken.

At this moment, Chen Ping looked at the snow wolf that fell to his feet. On the snow wolf's abdomen, a piece of snow-white hair turned into black, and the black color continued to grow bigger.

Chen Ping knew that the snow wolf's body was caused by the invasion of evil energy, which caused such consequences. The man in the suit just punched him with all his strength without any reservation, so the evil energy invaded the snow wolf's body.

When Cheng Kun and Xuanyuan Kai not far away saw this, their eyes widened: "Evil cultivator?"

And Qin Xiaoxian also saw the changes in Xue Lang's body, and his expression instantly became alert, and then he stared at the man in the suit.

The man in the suit originally wanted to step forward and kill the snow wolf, but at this time everyone looked at him and recognized his identity, which made the man in the suit dare not make any move.

"Damn, it turns out to be an evil cultivator. I am the most ruthless evil cultivator..."

Cheng Kun's fiery temper rose, and he attacked the man in the suit with one swift step.

As soon as Cheng Kun moved, Xuanyuan Kai also moved, and the experts they brought with them headed towards the man in the suit.

If you see an evil cultivator, kill him without mercy. This is the ancestral motto of every family and sect, so evil cultivators will be very careful to hide their identity when they are outside.

Chapter: 1196

When the man in a suit saw several people attacking him, he reluctantly glanced at the fallen snow wolf, then turned around and ran into the vast snow forest.

"Damn, even if you run fast, if I want to catch you, I have to skin you..."

Seeing the man in the suit running away, Cheng Kun spat hard.

"Ouch..."

The snow wolf fell at Chen Ping's feet, looking at Chen Ping with pleading eyes, as if begging Chen Ping not to kill it.

Chen Ping and the snow wolf looked at each other, with a hint of unbearable expression in their hearts.

Although this snow wolf is a beast, it is obvious that this snow wolf already has a mind, can understand human speech, and can think for itself.

"For such a big snow wolf, the beast elixir must be very precious..."

Cheng Kun walked over at this time, waving a knife in his hand and saying that he was about to chop it down.

Snow Wolf was seriously injured at this time and had no ability to resist and could not escape.

Just when Chen Ping was hesitating whether to save the snow wolf, there was a sudden ding and Cheng Kun's knife was blocked.

"Cheng Kun, this snow wolf does not belong to your family. Do you want to keep the beast pill to yourself?"

It was Xuanyuan Kai who blocked Cheng Kun's sword.

Cheng Kun's face became angry: "Xuanyuan Kai, what do you think? Whoever kills this snow wolf will own the beast pill!"

"Now this snow wolf has become meat on the chopping board. It has no resistance. Anyone can kill it with one sword. According to your statement, if I kill this snow wolf with one sword now, the beast pill is me." of?"

Xuanyuan Kai took advantage of the gap in his words and suddenly stabbed the snow wolf lying on the ground with his sword.

"Xuanyuan Kai, you despicable villain..."

Upon seeing this, Cheng Kun hurriedly swung his sword at Xuanyuan Kai, forcing Xuanyuan Kai to take the sword back.

For a moment, Cheng Kun and Xuanyuan Kai were fighting together, and the men they brought with them all surrounded them in an instant, setting up their formations one by one.

“Brother Kun, Brother Kai, you two, stop fighting. If you fight for a wolf now, you will be killed and I will be injured. No one will be able to leave here, and the evil cultivator will not let us go easily...”

Zhao Chuang saw the two fighting, so he ran over to persuade them.

Hearing Zhao Chuang mention evil cultivators, Cheng Kun and Xuanyuan Kai separated immediately after punching each other.

If the two families really fight, they will definitely be killed or injured, which will allow the evil cultivator to take advantage of it.

“Xuanyuan Kai, don’t think that I’m afraid of you. I just don’t want that evil cultivator to take advantage of him. When I leave Suolong Island, I will compete with you...”

Chapter: 1197

Cheng Kun said with arrogance.

“Okay, I’ll stay with you until the end...”

Xuanyuan Kai didn’t show any weakness either.

“Brother Kun, Brother Kai, there must be more of the fallen beast. There is no need to fight for a snow wolf. At worst, whoever sees the beast pill has a share, so I won’t want it anymore, and I will give it all to you...”

Zhao Chuang saw the two people stop and hurriedly persuaded them again.

Cheng Kun and Xuanyuan Kai looked at each other, nodded at the same time: “Okay!”

“Mr. Cheng, Mr. Xuanyuan, our Qin family came here earlier than you all. Shouldn’t my Qin family also have a share of this beast pill?”

At this time, Qin Xiaoxian stepped forward and asked.

“Go away, you Qin family are nothing, do you deserve to share things with us?” Cheng Kun was already angry and had nowhere to vent his anger. Now that Qin Xiaoxian came to the door, Cheng Kun could only scold him for his anger.

Qin Xiaoxian was so old that he was scolded by Cheng Kun, a young man in his early twenties. He suddenly felt a little embarrassed on his face, but he was angry in his heart and couldn’t say anything at the moment. With his current strength and the few people he brought, There is no way to deal with the people from Perak Gate.

What’s more, if a fight really breaks out, Zhao Chuang from Wuying Villa will definitely help, and Xuanyuan Kai from Xuanyuan Family might also take action.

When the time comes, the Qin family faces the siege of three families and has no chance of winning.

“Okay, let’s get out, let’s get out...”

Qin Xiaoxian gritted his teeth, with a terrifyingly gloomy expression on his face, and finally turned around and led away.

“Second brother, these young guys are too crazy. If this continues, we may not be able to get anything on the island, and there will be no way to avenge eldest brother...”

Qin Xiaotian couldn’t help complaining when he saw that his second brother had been scolded and ran away.

Qin Xiaoxian said nothing, his face was extremely pale, and his body was filled with murderous aura.

After being silent for a while, he gritted his teeth and said, "Let's go find the evil cultivator. As long as we unite, we don't have to be afraid of those brats..."

Qin Xiaoxian also discovered that the man in the suit was also a martial arts master. Now that his identity was discovered, he would definitely hide away.

If the man in the suit can be found and the two parties unite, the two martial arts sects on their side will not have to worry about Cheng Kun and Xuanyuan Kai. Even if the three families join forces, they can still fight.

"Second brother, are you... cooperating with evil cultivators?" Qin Xiaotian was shocked when he heard this.

If word of this spreads, the Qin family will be scolded for the rest of their lives if they cooperate with evil cultivators.

"This island is deserted and no one will know about it. The worst we can do is finish using that guy and just kill him..."

Qin Xiaoxian made a gesture of wiping his neck, his eyes full of sternness!

Chapter: 1198

On the other side, after reaching an agreement, Cheng Kun and Xuanyuan Kai came over with weapons, and the two of them prepared to kill the snow wolf together.

But just after the two men raised their weapons, Chen Ping stopped them.

“Boy, can you leave this snow wolf to me?”

Chen Ping asked.

“You also want to share this beast pill?” Cheng Kun said in shock.

Chen Ping shook his head: “I don’t want the beast pill, I just see the snow wolf in pity and want to save its life...”

Seeing that Chen Ping actually wanted to save Snow Wolf, Cheng Kun and Xuanyuan Kai burst into laughter.

“What do you think you are? A Guanyin Bodhisattva who saves people in trouble? This snow wolf is just a beast, and you actually pity him? I see that you have a murderous spirit, and you must have killed people before. You can even kill people, and you still feel pitiful. A wolf?”

Cheng Kun said with a sneer.

“Some people may not be better than a wolf. As long as you two promise not to kill this snow wolf, I can exchange things with you...”

Chen Ping didn’t want to use force to save Xue Lang. With Chen Ping’s current strength, it was not enough to deal with the attacks from the two families. You must know that among the people brought by the two families, each family had a martial arts master, and Xuanyuan Kai was still the most powerful. At the peak of Grandmaster’s strength, Chen Ping may not be able to win if he really wants to take action.

What’s more, Chen Ping wanted to preserve his strength. He came to Long Jing, not to fight.

“What do you want in exchange?”

Xuanyuan Kai asked with interest.

Chen Ping thought for a while and knew that these two families were wealthy families, and ordinary things would definitely not be able to catch their eye, so he said, "How about two Marrow Cleansing Pills? I will use two Marrow Cleansing Pills in exchange for this snow wolf."
..."

"Marrow Cleansing Pill?" Cheng Kun and Xuanyuan Kai were both shocked, and then their eyes widened.

You must know that the Marrow Cleansing Pill is a necessity for a warrior to step into the world of immortality. Not everyone can step into the world of immortality, and not every warrior can cultivate immortality.

You need to use the Marrow Cleansing Pill to reshape your body and see if you can sense the aura of heaven and earth. If you can sense the aura of heaven and earth, you can practice mental techniques and absorb the aura for your own use. This is an important step from being a warrior to becoming an immortal.

Although the refining of the Marrow Cleansing Pill is not difficult, it is a pity that there are fewer and fewer alchemists nowadays, not to mention that there are even fewer alchemists who are capable of refining the Marrow Cleansing Pill, and this Marrow Cleansing Pill is still a must for every hidden wealthy family. The supply of things exceeds the demand, so they become extremely precious.

"Do you really have the Marrow Cleansing Pill? Show it to us. If you really have the Marrow Cleansing Pill, we can give you the Snow Wolf..."

Xuanyuan Kai asked impatiently.

"I don't have it now, but when I go back, I will definitely give it to you..."

Chen Ping said sincerely.

“Paradise, you are playing tricks on us...”

Chapter: 1199

Upon hearing this, the fiery Cheng Kun slashed directly at Chen Ping with the knife in his hand.

Xiaoru, who was behind Chen Ping, saw this and hurriedly stepped forward to block the knife in Cheng Kun’s hand.

Now only Xiaoru’s strength can help Chen Ping, while Su Yuqi and Gu Ling’er’s strength is too low.

Zhao Chuang, who was on the side, saw Xiaoru taking action and immediately stepped forward to block the middle: “Brother Kun, don’t be impatient. Listen to him slowly...”

“Since I said I would exchange it for the Marrow Cleansing Pill, I will definitely give you the Marrow Cleansing Pill when I go back. I am the Master of the Medicine God Valley, how could I lie to you...”

Chen Ping said with a serious face, not like he was joking at all.

“Master of Medicine God Valley?”

Everyone was stunned. They couldn’t believe that at his age, Chen Ping could be the master of the Medicine God Valley?

“Boy, you don’t know how to fucking lie. I know the Medicine God Valley. At your age, how can you be the master of the Medicine God Valley? Are you lying to a three-year-old child?”

Cheng Kun obviously didn't believe it.

"Brother Chen will not lie. He will definitely do what he promised..."

Xiaoru glared at Cheng Kun and shouted.

Chen Ping is his savior, and Xiaoru will not ignore others saying that Chen Ping is a liar.

"Brother Kun, I don't think this Brother Chen is a liar. Just believe him once. At worst, I will be the guarantor of Wuying Villa. If he can't give you the Marrow Cleansing Pill after you return, I, Zhao Chuang, will go find you two..."

When Zhao Chuang saw that Xiaoru was angry, he couldn't bear it, so he helped Chen Ping speak.

"Zhao Chuang, I think your boy is fascinated by women, and you even called Brother Chen. Do you know who this boy is? Do you dare to guarantee him?"

Cheng Kun looked at Zhao Chuang, dumbfounded.

"Brother Kun, don't worry about who it is. It's just a snow wolf. Even if you take out the beast elixir, it's not very valuable. Besides, there must be other beasts on this island, so just show your respect..."

Zhao Chuang begged to Cheng Kun in a humble manner.

Seeing Zhao Chuang like that, Cheng Kun finally sighed: "Okay, for your sake, I trust this kid for a while. If he doesn't have the Marrow Cleansing Pill when he goes back, I won't be able to spare him..."

“Thank you, Brother Kun!” Zhao Chuang said, then looked at Xuanyuan Kai: “Brother Kai, what do you mean?”

“Cheng Kun has agreed, what else do I have to say!” Xuanyuan Kai smiled helplessly, and then continued: “Zhao Chuang, I tell you, kid, don’t show your true feelings, otherwise you won’t know how you died...”

“Brother Kai, I am sensible, thank you very much...”

Zhao Chuang raised his hand towards Xuanyuan Kai!

Chapter: 1200

Cheng Kun and Xuanyuan Kai led the people away, and Zhao Chuang looked at Chen Ping and said: “Brother Chen, the Snow Wolf is yours now...”

I have to say that Zhao Chuang, this kid, probably suffers from social anxiety syndrome. No matter who Chen Ping is, when he sees Xiaoru calling Brother Chen, he will also shout directly.

However, Zhao Chuang’s operation just now did give Chen Ping a lot of favor.

Although this guy is glib and careless, he doesn’t have any bad intentions.

“Thank you very much...”

Chen Ping followed Zhao Chuang and said thank you.

“Brother Chen, why are you being polite to me? You are Xiaoru’s eldest brother, and you are my eldest brother...”

When Zhao Chuang said this, he glanced at Xiaoru, which made Xiaoru blush and turned her head away from him.

Su Yuqi and Gu Ling'er looked at Xiaoru's expression. They knew that Xiaoru, a girl with little experience, would soon become confused if Zhao Chuang did this.

Not to mention Xiaoru, even the two of them would have a headache if they encountered such a stalker. They didn't know what to do.

Chen Ping slowly squatted down and gently stroked Snow Wolf's blackened abdomen with one hand. A stream of spiritual power slowly entered Snow Wolf's body, forcing all the evil spirits in the body out of the body.

Snow Wolf seemed to know that Chen Ping was treating him, so he lay motionless and allowed Chen Ping to touch him.

Soon, the Snow Wolf's belly turned back to its snow-white appearance, and he slowly began to stand up.

Shaking off the snow on his body, Snow Wolf looked at Chen Ping with grateful eyes.

"Oh woo....."

Snow Wolf raised his head and roared, as if thanking Chen Ping.

"Okay, your body is fine and you can go. Don't be discovered again..."

Chen Ping patted Xue Lang on the head and said.

Snow Wolf actually whimpered, and then rubbed against Chen Ping's leg.

"You don't want to leave?" Chen Ping looked at Snow Wolf and asked in a low voice.

Snow Wolf nodded.

"This snow wolf is really understanding of human nature and can actually understand what people are saying..."

Gu Linger said excitedly when she saw that Snow Wolf could understand Chen Ping's words.

"This snow wolf is quite good, but its size is too scary. If it were bitten, its head would probably be gone..."
